

There is an extraordinary beauty employed by my family as our housemaid

She's only a few years older than me, but...

Because I'm keeping the incident of her breaking my father's favorite vase a secret from everyone else...

She is now my own personal, obedient housemaid...

You're taking this too far, Young Master.

Obedient Housemaid

Ah

We're having curry for tonight, aren't we...? Ahh, it smells delicious.

Young Master, it isn't safe to do this ...

I also smell something delicious coming from this spot here, Tomoko-san.

What's with you...? You're the one at fault for breaking that vase, Tomoko-san...

You mustn't, Young Master. That spot's ...!

We shouldn't do it in a place like this ...!

No!

I can't wait any longer!

I'm putting it in. You're okay with this right?

Ahh

Hya Ah
...

Tomoko-
san...
Are you
getting
turned on
by my
dick?

Yes
...

**It's
amaz-
ing!**

**So
incred-
ible!**

Tomoko-
san...

I've been in love with you... Ever since the day you came to our house.

So
please...
Stop call-
ing me
young
master
from now
on!

**Ungu

me...
Tomoko-
san...

ME

Don't
trouble
your-
self...

The
truth
is... I'm
also in
love
with you,
Takashi-
san.

If I
were
to get
pregnant...
you'll take
responsi-
bility for
it, won't
you?

Young
Master.
♡

There
really is
no one
better
than
Tomoko-
san
...
