Alright so i know some pages have some bad cleaning and some none at all. Reason? I'm not a cleaner and im not an editor, I just did this for fun since I had time to kill, a translated text and the raws for it, so i thought, why not? it'll probably make some people happy about it as well.

Now just as a quick note on page 274 (14th one) there's a bubble with no text. i looked at topcat's translation text but had no idea what was supposed to go there, maybe one sentence he forgot? or maybe one was supposed to be seperated into 2 bubbles. i don't know.

As a last note, if you want it professional looking you can either; A) Hire someone to do it or B) do it yourself.

Enjoy the read :)

ジュン

The wind is causing my wig to slip.

ゴウ

Yes, just between us I transferred here to aim at my goal of being the ideal Oyama.

I'm attending school as a girl to get real world training!!

That's right at gym tomorrow.

Eh... swimming?

That transfer student couldn't possibly be...

No, it isn't anything like that, however...

What. Is your health bad?

I wonder if I can attend.

Fujita-san is so tall she'll look pretty in a swimsuit.

Hey, that's thoughtful.

This year because of the heat wave the teacher said it was being opened early.

But the pool isn't open this soon.

Then I'm looking forward to seeing Fujita-san in a swimsuit.

What am I going to do?

Say for example that you don't have a slit?

Could I say it's because I am unused to wearing swimsuits?

Oh?

I wonder what you referring to? I'm looking forward to the pool.

How does he know!?

Next day.

You don't mean this is your first time in a swimsuit?

I can't understand how a uniform could hide Fujita-san's pump curves.

T-That slit...

I swear you're too simple! If you can be found out this quick I don't where you can go to train

I wonder how I'm going to work this out?

This isn't funny father.

You should be just good enough to do this technique...

Today just before using the pool

本日プール直前

This is the sixth generation Gozaburou. My father, and the school's chairman (that's a secret).

But to have to set this up all over again

... I guess I'll have to teach you *that*.

A powerful technique

身体全体をトランスフォームする力技なのだ

that can transform the entire body!

ズンズン

This should be more than enough to remove his suspicion. This transformation... will make me irresistible to men.

In short it's a kind of self-hypnotism however it can change not only the mind but body as well.

Father taught me the secret of the oyama handed down over generations.

現在

The present

And so this is why Fujita-san's style is out standing!

N-Not really!

Sensei, I'm going to the toilet.

Huh?

Um, Fujita-san.

Now if I've been able to deceive him...

Did you forget to wear a supporter?

Y-Yes!

S-Sorry
it was a
mistake.

Why are
you
barging
in so
suddenly!

Now
what will
I do...?

This is

Wha!?

N...No.

Wait what are you doing!?

You

お前の股間が不自然に盛り上がってるのをこの目で見たのさ

I saw that unnatural bulge between your legs.

S... Sto...

Anyway you must have something stuffed in your chest!

N-No there isn't...

That's strange I could have swore...

A...Are you satisfied now?...

Hya!?

No no no. You are not going to trick me!

There's no choice other than to check you thoroughly!

Twisting them to the right!?

Perhaps to the left!?

O... Ouch!...

How do you remove them?

These nipples are certainly well made.

S-Sto...

Even though he's groping my nipples

Hn ah!?

Wai-I Timeout!

All of a sudden near my belly... it's hot...!?

E... Eh?

Ha!...

This technique should be canceled in no later than 30 minutes!

女子の身体が敏感だから? でもそれだけじゃ.....

A girl's body is this sensitive? But even more than that...

.... Did I just cum?....

I felt this from being touched by a man....

Other wise...

I can't cancel the technique unless I escape quickly.

I have a hunch my breasts and hips are steadily becoming more plump.

He hinted it could effect my body if it wasn't canceled.

Damn! These aren't fake breasts! How?

It's been more than 40 minutes!

We tried to be gentlemen and just watch to the end.

The class rep was being tactful

The lesson ended a while ago and we wanted to change...

E...!?

But from cumming before my legs aren't working...

...Um

T-That's right. Guys just listen and calm down.

That's right. You have unsatisfied desires. That's why your nipples were poking though your swimsuit.

When did they...

Y... Your wrong, it's not like that...

W-What! Fujita-san how could you!

I secretly did it in the pool...

Stop not that!

W-Wait!

And you Ono-yan. Pretending to go to the toilet to stroke off.

Wha... that's not why!

Eh?

No way! The technique is too effective...!?

Wait everyone calm down.

Doing that is strange.

Just seeing her makes me shoot!!

She's the best jerk-off material.

Fujita-san's body is just too erotic.

Huh...? Me too I can't hold back.

And as for that swimsuit I just can't resist and those breasts...

Damn!

Hau!?

Beat me to it!

H a a !

A h h !

Waait!

N H H a a !

Just having it go in is making me cum...!?

Fujita-san!

Cock is just too good!...

Fujita-san!

H i i

I'll cum together with everyone

There's another hole you can use other than my pussy...

Your dicks.... I want to savor them fully.

Got beat out again!

So tight!

As many times as you want... with all of you...

ぐわん

Fungu! Uu!...

Haaaa Ah... ♡

Fujita-san to us you're the ideal girl... a goddess!!

Nn Guu!... Fumuu.

Eh? That reminds me I...

I'm so moved!!

Papa said something like aiming to become the ideal girl...

Hey... did you really say I'm the ideal girl...?

Please marry me Fujita-san...

I can't stop! Fujita-san...

Fujita-san HAA HAA...

Then cum as hard as you can

We love you!

and take our love in both your holes!

Oh If you suddenly thrust in and out so intensely like that!

Cumming... cumming...

Oh I'm so glad...

It's true!! I would lay unsleeping at your feet.

My goddess, my Buddha, my bodhisattva!!!

Taking

both  
holes

After school became sex time with everyone.

You're our goddess!

Hurry up and do her I have her after you.

After that my life was very different

It seems my classmate Ono-kun is interested in me but

I belong to everyone. I wonder what to do....

It's so warm inside Fujita-san!

This isn't good!!

I'm so glad Papai
