Luckily i have a neighbor that's a nurse and didn't mind taking care of me.

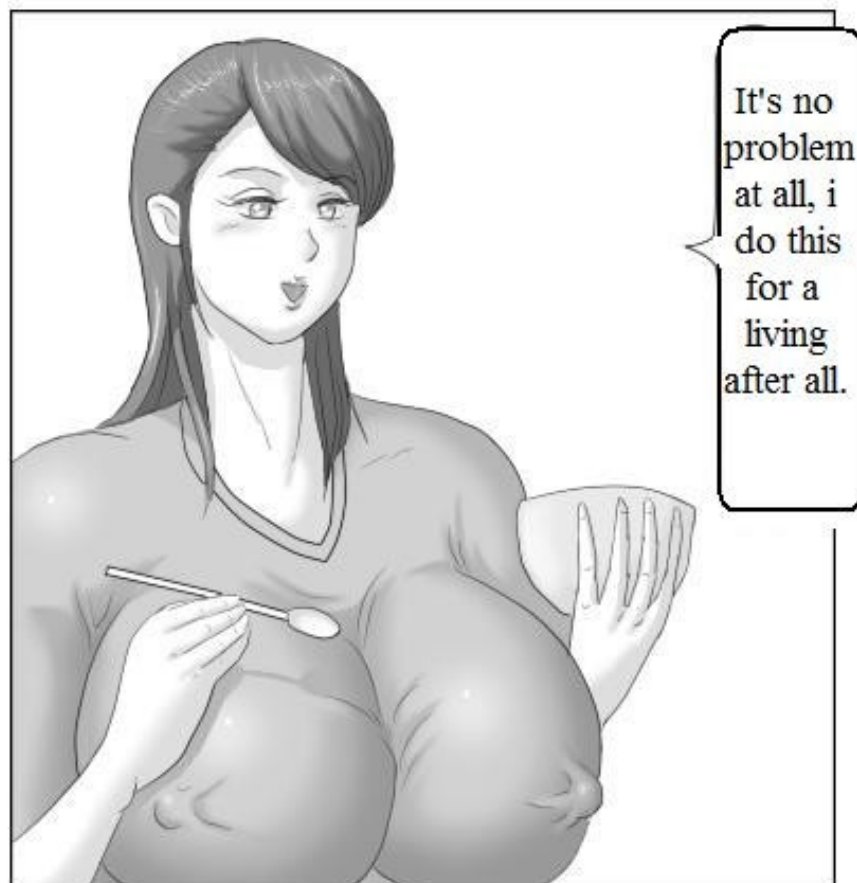

The soup is done. Are you awake yet?

Today i'm bed ridden. I've got fever and can't even get out of bed

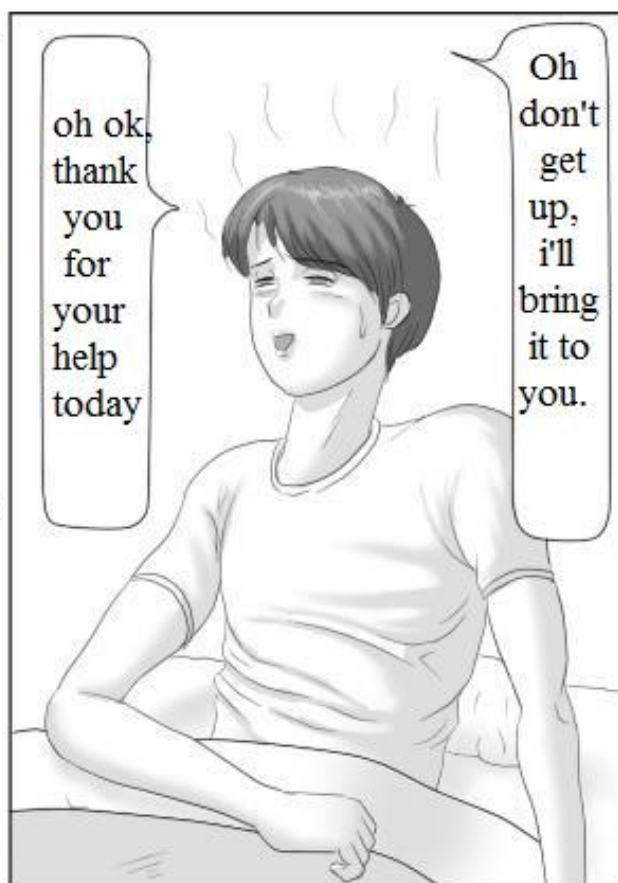

That's good to here,

I'm awake and starving too.

She's so nice and caring. I don't know what i would do without her help.

It's no problem at all, i do this for a living after all.

oh ok, thank you for your help today

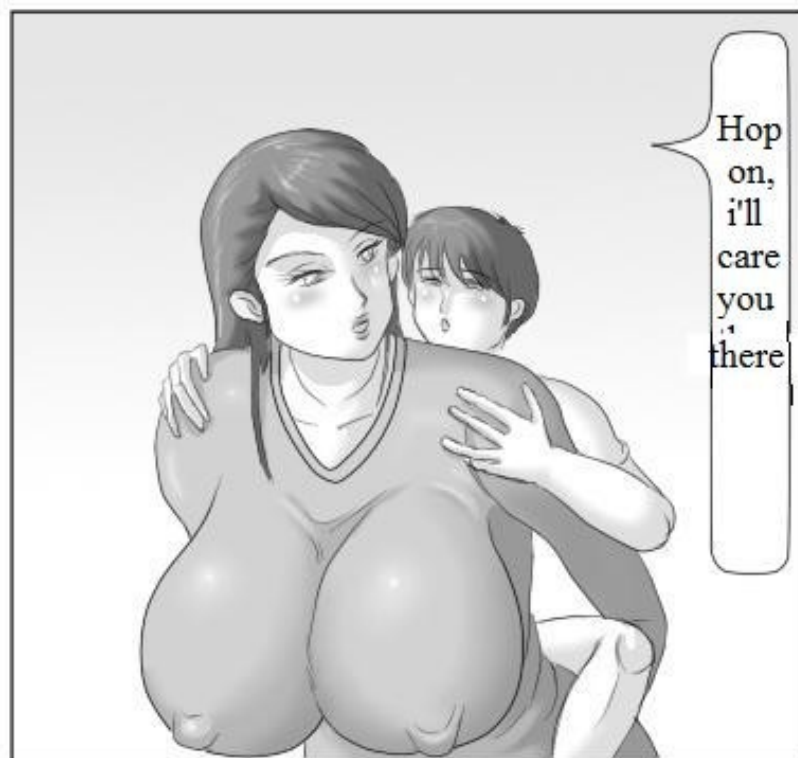

Oh don't get up, i'll bring it to you.

Let's sit you up a bit so i can feed you.

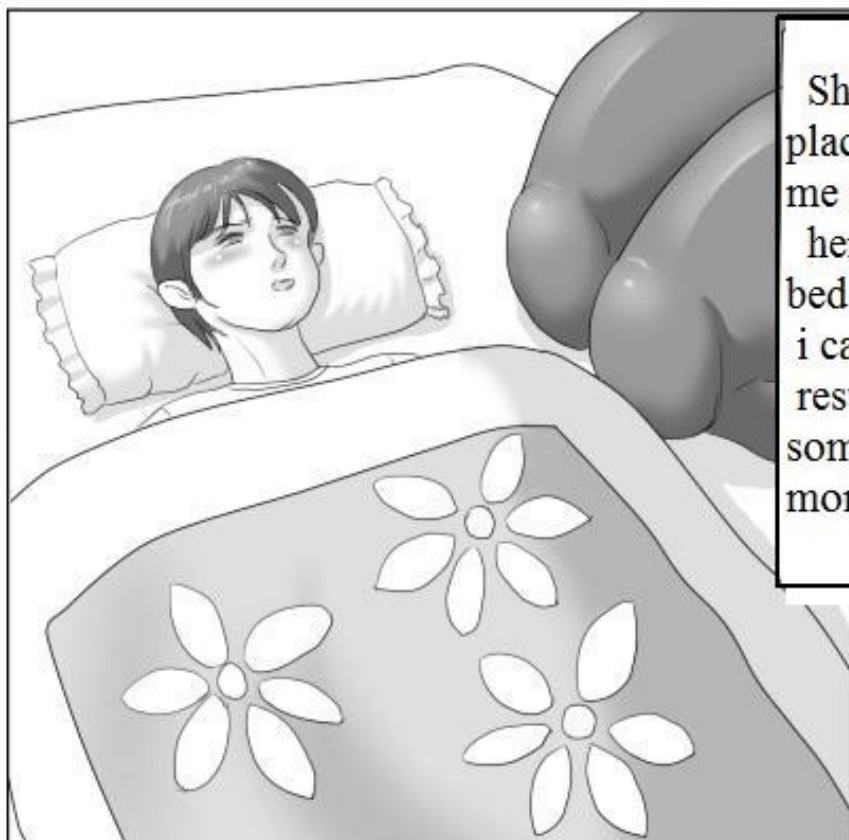

oh ok

She's
so
nice
... I'm
glad
she's
caring
for me
...

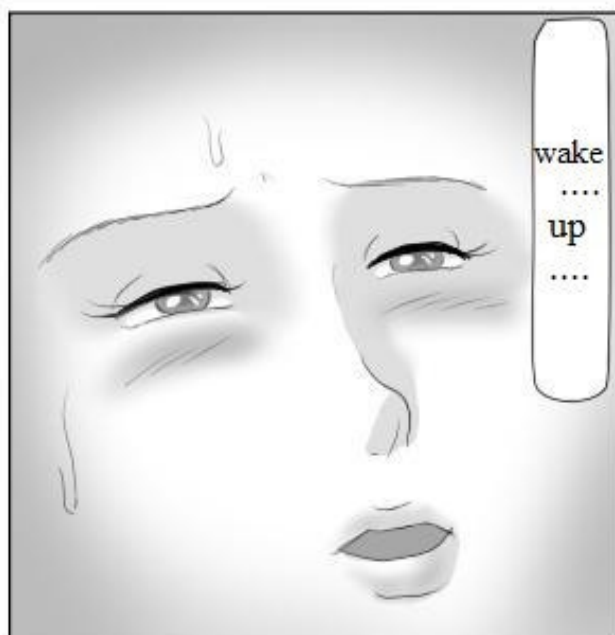

She
placed
me in
her
bed so
i can
rest
some
more.

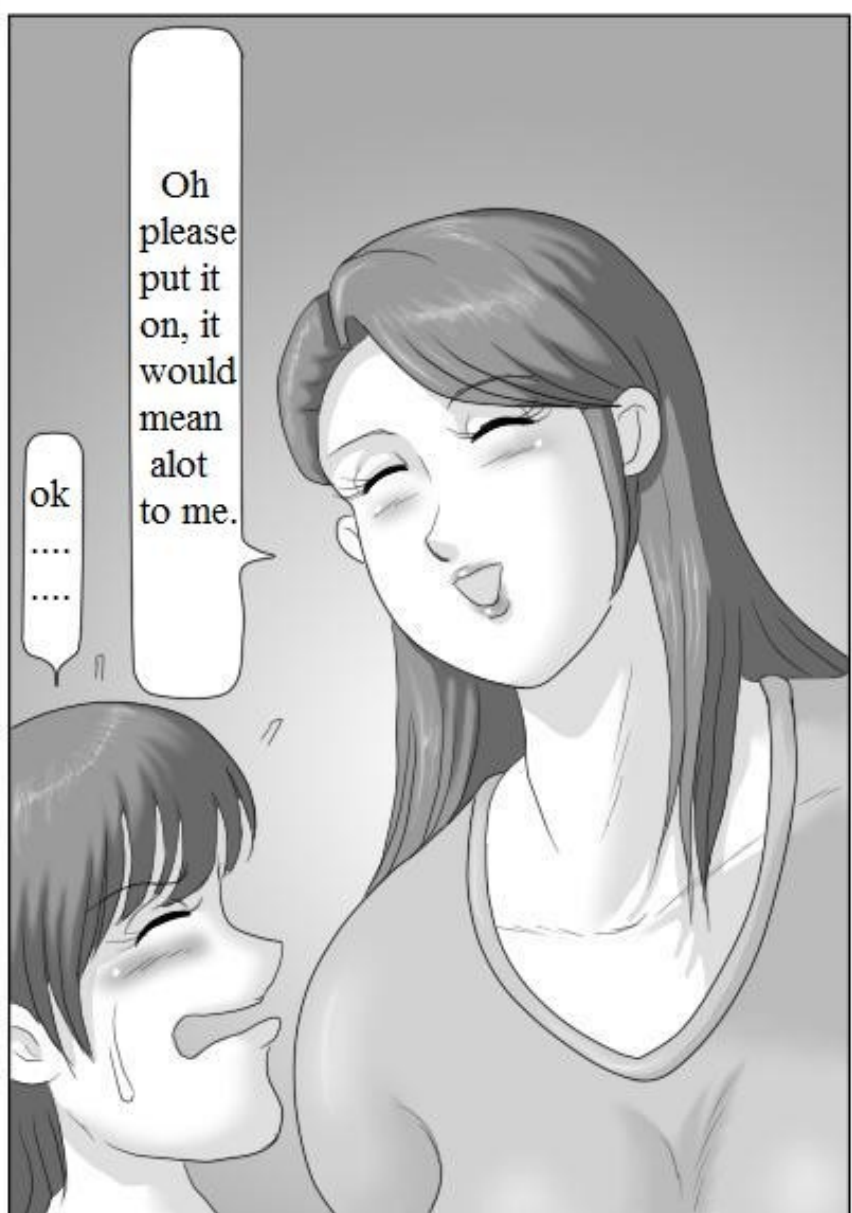

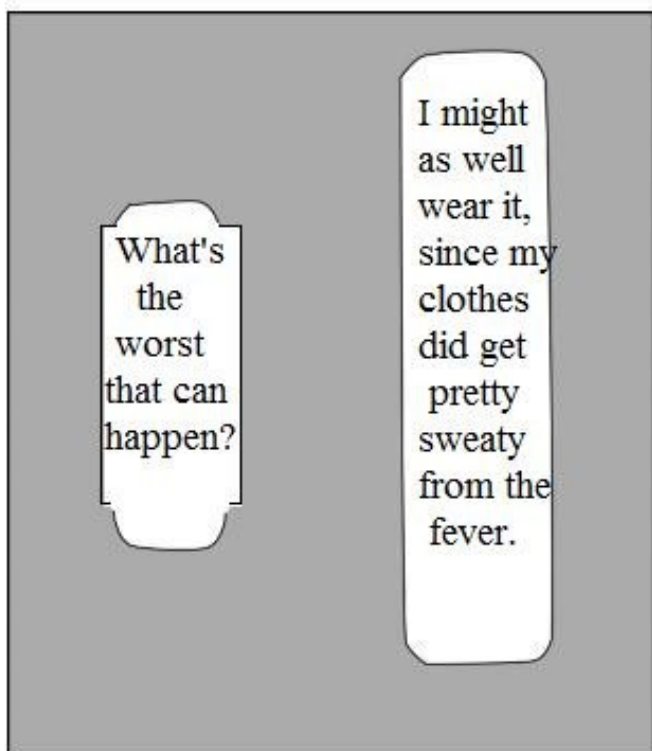

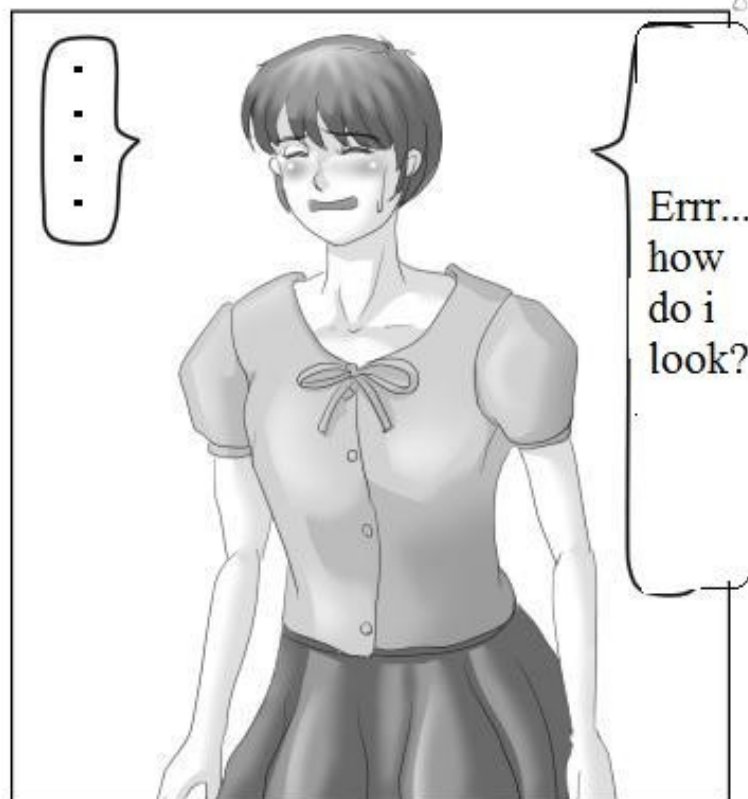

Some
thing
for
me?
you
didn't
have
to.

Ahh...

I want my baby happy. I think it's time for mama to use her breast on you.

Is my little baby enjoying himself, sucking on mama's tit?

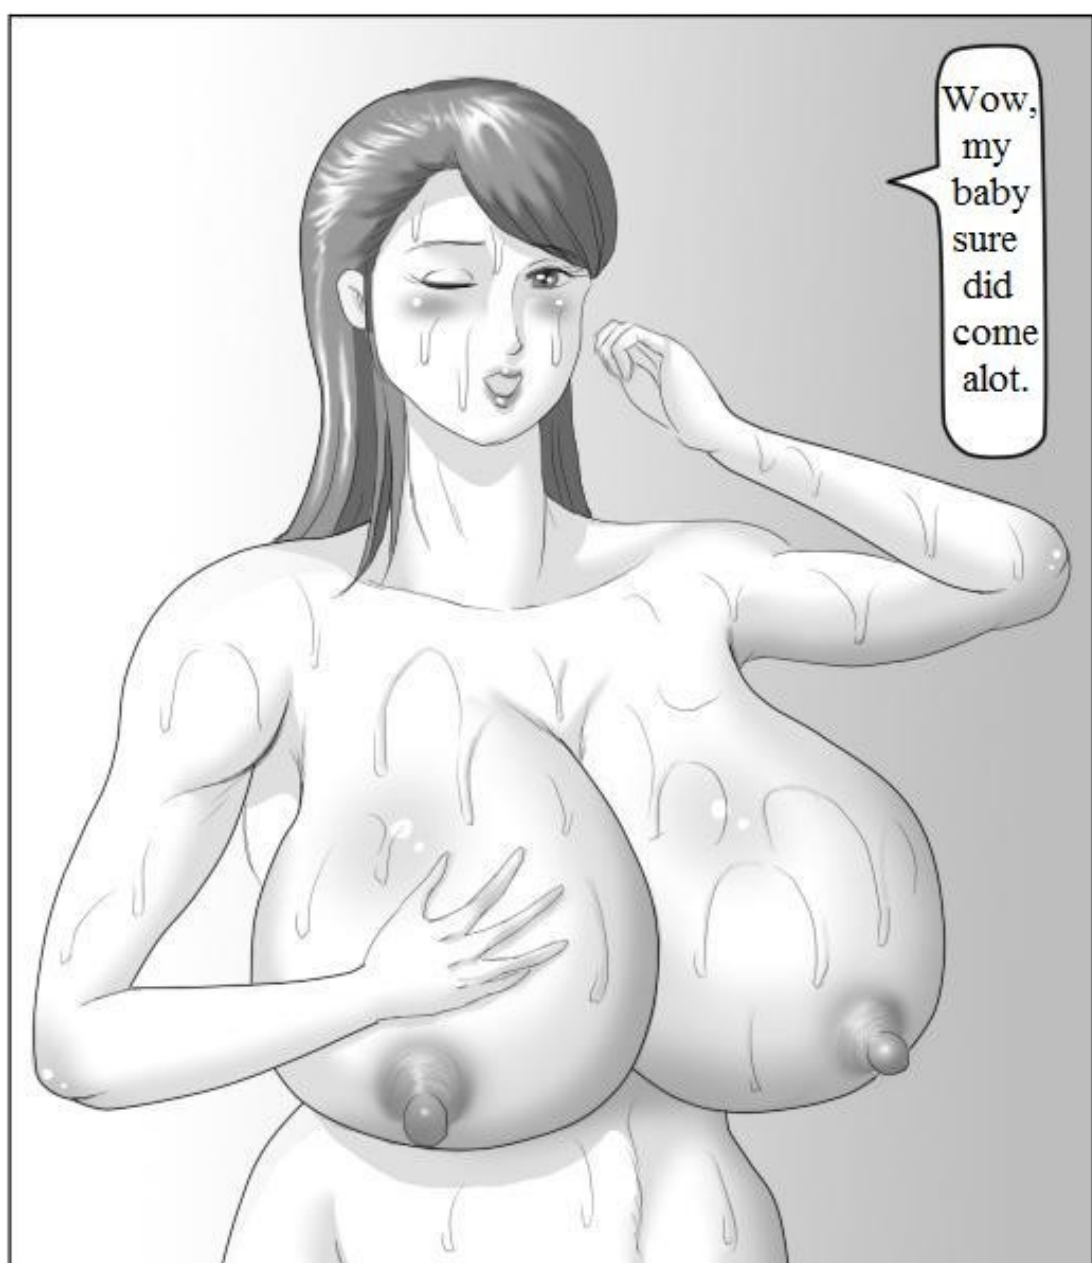

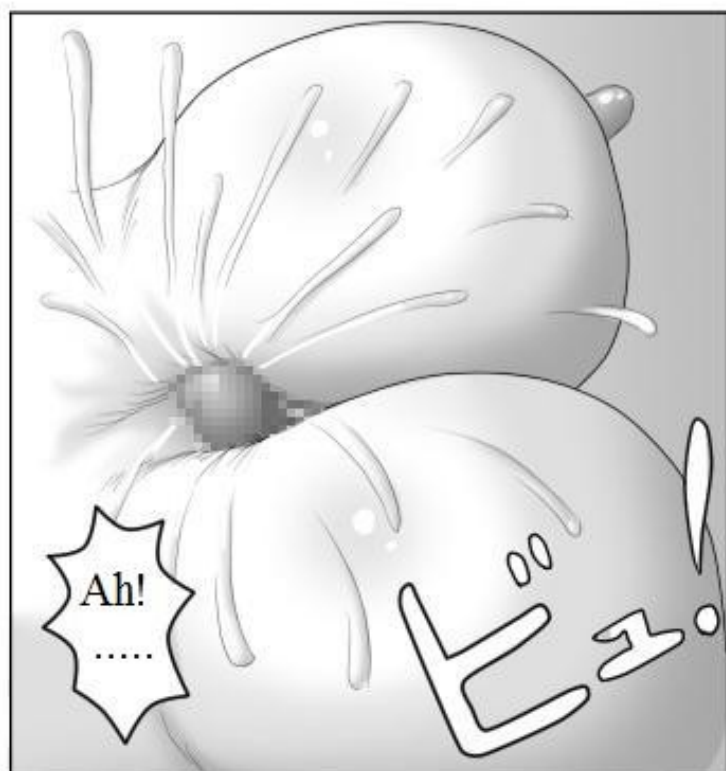

Wow..

warm and
soft, it
feels so
amazing.

Do you

I feel
like i'm
going to
melt
inside
of you.

This sensation, it's like being back in the womb.

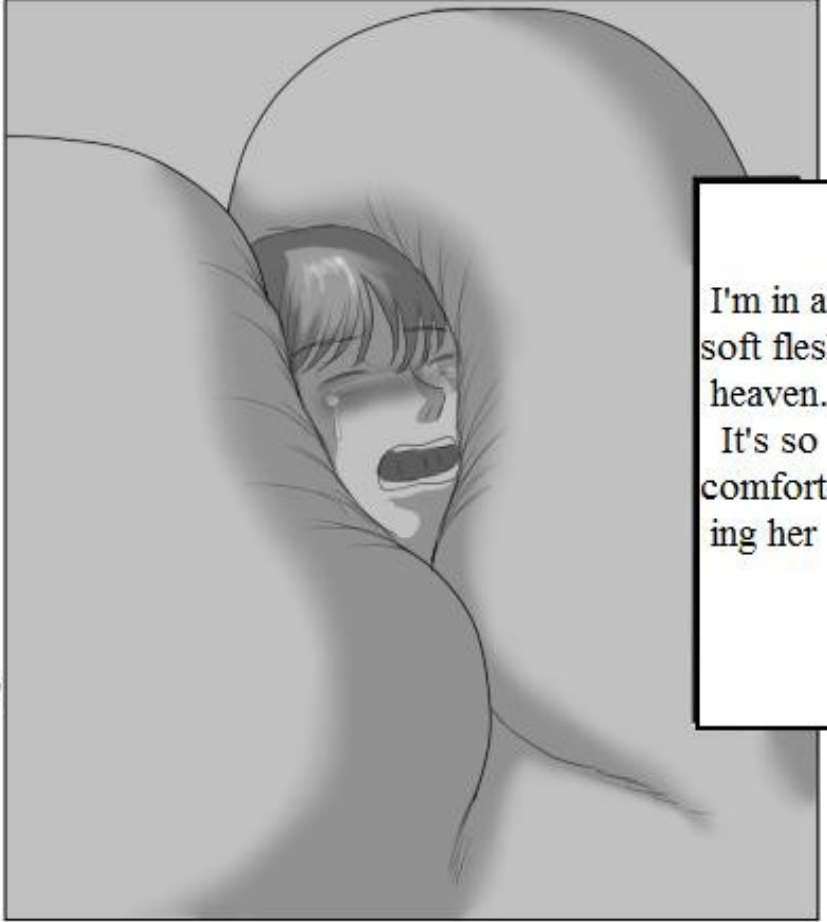

How does it feel being surrounded by mommy's body?

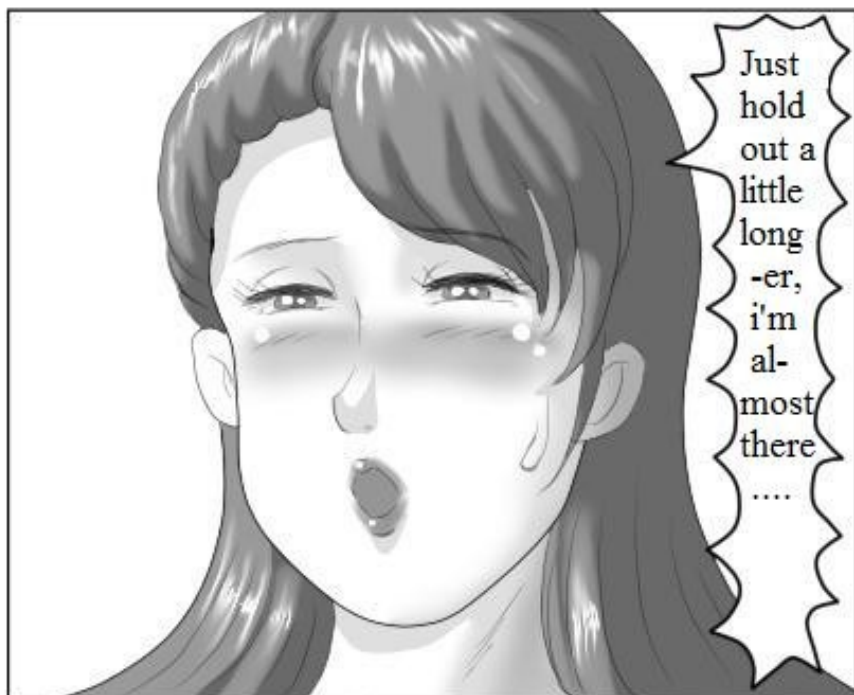

That's it baby, move for mommy. make mommy feel good too.

I don't know how much longer i can last in here.

I'm in a soft flesh heaven. It's so comforting her

I could
get
used to
being
her
baby.

That
was
amazing

I never
wanted
to leave
from her
warm
embrace,
so i
agreed.

I'll be
