If aoki sensei is really boneless...

We're the "Boneless Confirmation Squad," so we have to make sure by graduation.

Of course!

Lets go, Mitsuhiko!

Hey kousei, are you really going to do it?

Nh...

Pooping

Someones pooping!

N..ngh

Huh? Nobody's here...

Ha...

Idiot!

I'll take a look...

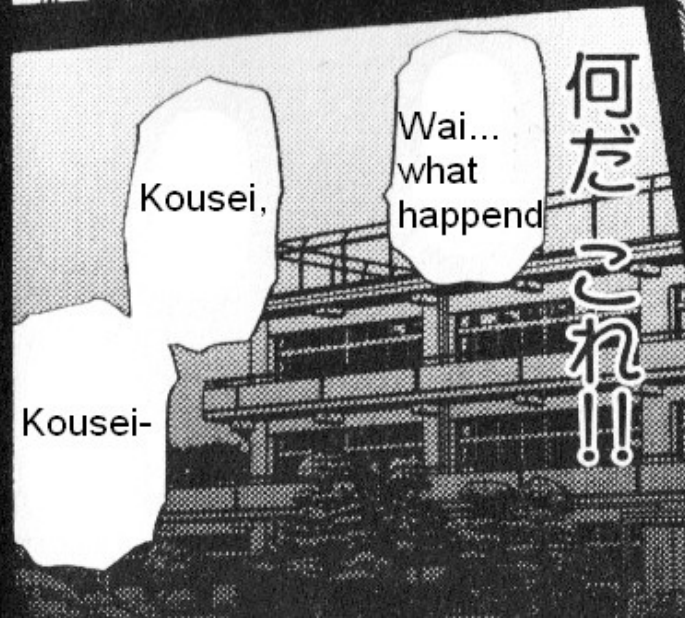

WHAT IS THIS?!

何だこれ!

!!

何だこれ

Wai... what happend

Kousei,

Kousei-

何だこれ!!

Ha...Ha

What is this?

Ah!

Kousei!!

Kousei

Sei..

Its the long awaited alumni gathering yet you go off and dissapear somewhere.

Dont "Mitsu-hiko" me.

Ah, its you Mitsuhiko

My bad, my bad 'm a bit tired ya see...

How are the others?

Argh, its completely terrible they're crashed and wasted out.

Its the first time aoki sensei came to an alumni-gathering

Its been 15 years..

Elementary grade 6 class 1 alumni gathering

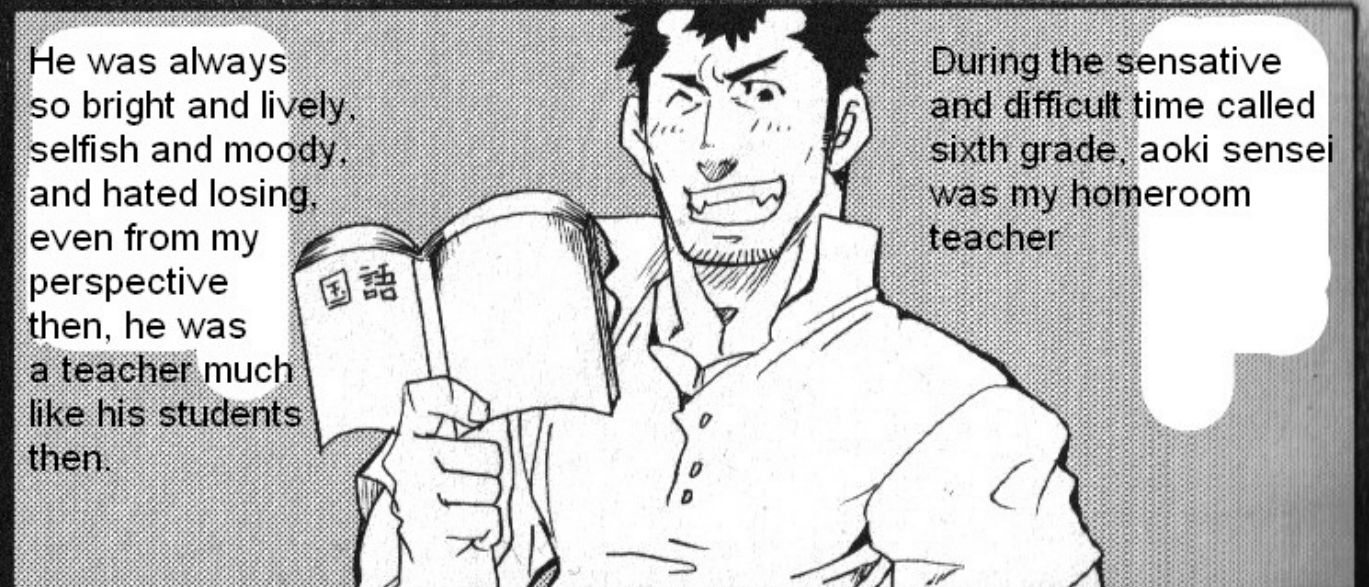

Yeah, they must have all been happy.

青木先生

Yeah..

He was an idiot, but he was pretty popular...

He was always so bright and lively, selfish and moody, and hated losing, even from my perspective then, he was a teacher much like his students then.

During the sensitive and difficult time called sixth grade, aoki sensei was my homeroom teacher

And how  
when pupil  
joked.....

His trademark  
was skin tight  
jerseys

Look!  
A weiner  
sausage!

He'd  
roar....

He was  
even chided  
by the class  
chairmen

...and sulked  
easily...

Sensei,  
please  
teach  
properly!

He loved songs:  
during class and  
even tests, he  
would always be  
singing his-self  
songs

Chirp chirp  
chirp chirp

Why are you  
chirping

Chi...rping?  
What is  
chirping?

まあ...実物を見た  
事があるのは  
生徒じゃ  
俺くらいだもんぞ

But you  
know,  
kousei?

MINE IS A  
BONELESS  
HAM!

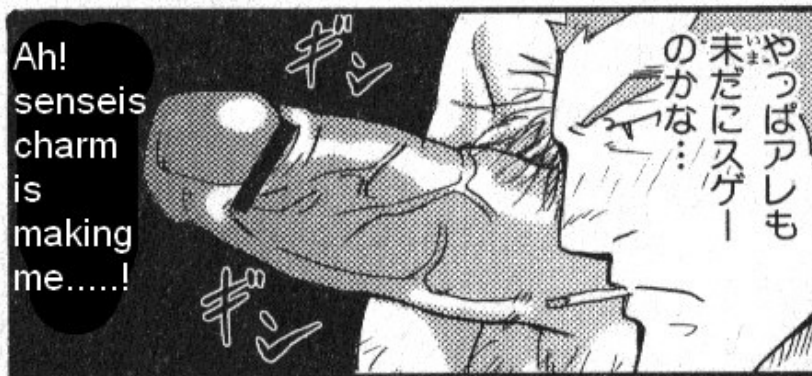

Or shout some  
other words, for  
that he become  
" Boneless  
teacher".... Well  
i'm probably the  
only one who  
has seen the  
real thing,  
though....

tighnten

WHAT DID  
YOU SAY?!

Hm...

I wonder if that is as amazing as it was before..

Doesnt sensei seem a bit smaller?  
I'm a bit shocked

Weren't you the one who made "Boneless squad confirmation"? What's with you?

I w...wonder? How was it again? I forgot!

Sensei use to say "Mine is a boneless ham" back then...

As the boneless confirmation squad.

Hey lets get revenge

What?!

Well thats all talk of the past..

I can't possibly say that i've seen it...its through...

I wonder what became of that..

Idiot, its because we're older!

We can't possibly pull off such a....

A...are you stupid?! Where not in the sixth grade anymore!

Why?!

right?

That we can approach him in a way that only adults can!

What are my two pranksters up to this time?

Hey! Kousei! mitsu! \* grabs\*

S...sensei!

Listen first we.... \* whisper\*

Wh..at?!

And then.. \* whisper\*

That's obviously impossible!

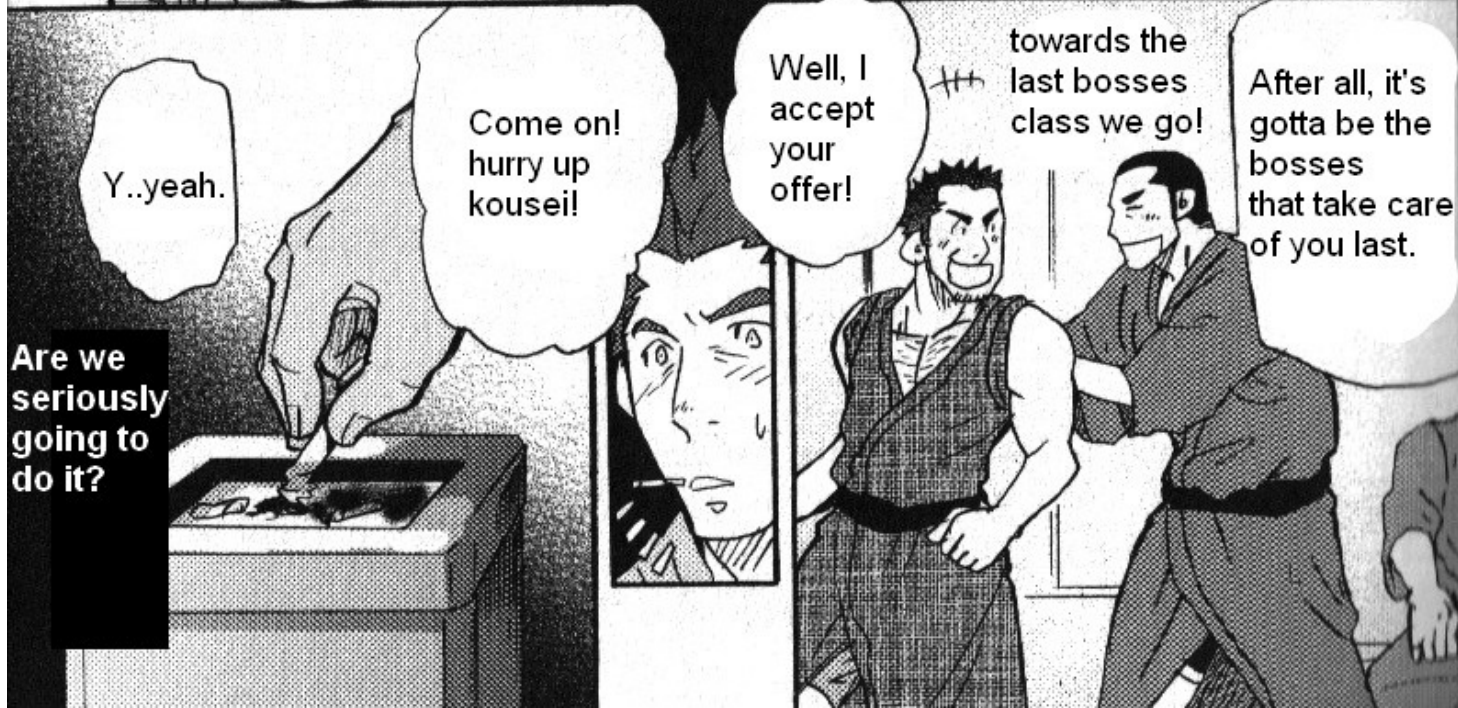

You've already destroyed those guys.

Yep, in our room.

You guys~ with me?

We were just about to ask you to join us for drinks

W..what are you talking about?

Y..yeah.

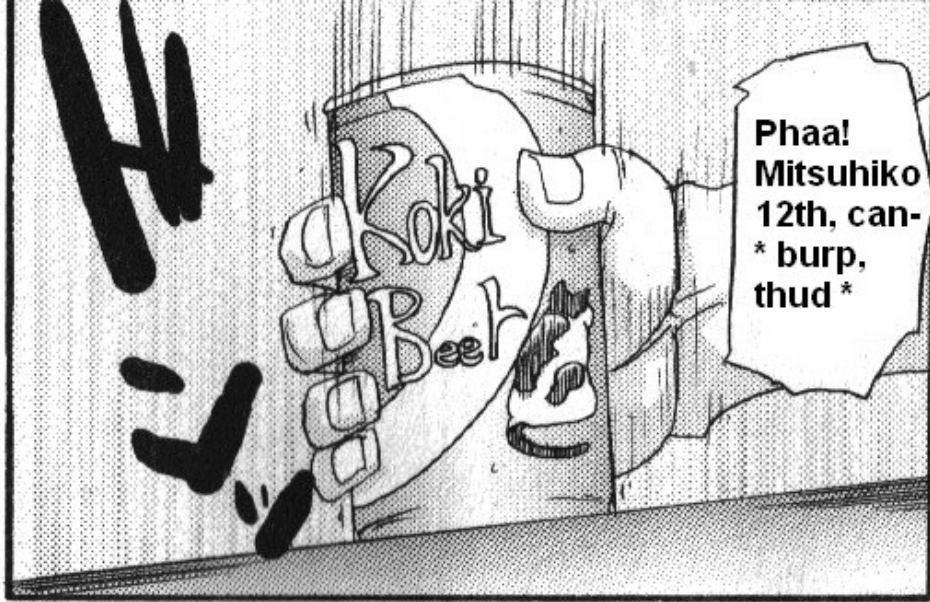

Come on! hurry up kousei!

Well, I accept your offer!

towards the last bosses class we go!

After all, it's gotta be the bosses that take care of you last.

Are we seriously going to do it?

EHH?!

Ah, no you c.. can't! ah!

Why don't you watch this?

Oh yeah, since it might get lonely with two people...

Ah...no!

Oh, its the porn channel.

Sensei likes this kind of thing?

Well yeah!

Do show me later if that's true~

!!

Ah, i'm switching the topic but sensei, you often said "mine is a boneless ham" back in the day didn't you?

I've been decieved

Then i'll take my leave and you'll smooth talk him through!

If its you and him

First weaken him with alcohol

He'll be more comfortable

H..HEY!

Mitsuhiko!!

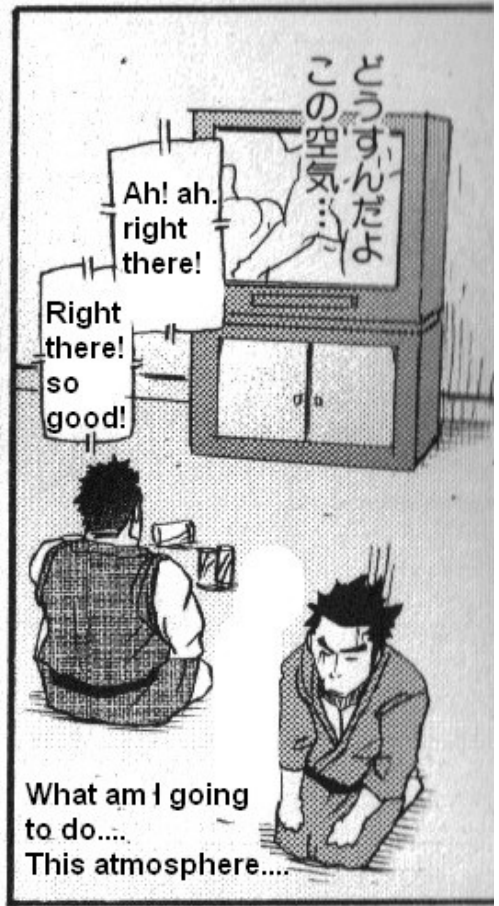

With those words I wanted to communicate with you....

Those strange words...

先生...

Boneless.... I remember that...

Ah! ah. right there!

Right there! so good!

What am I going to do.... This atmosphere....

But you know? I was really happy...

Though, now that i think back. I wasn't able to teach you guys a single thing..

Sensei!

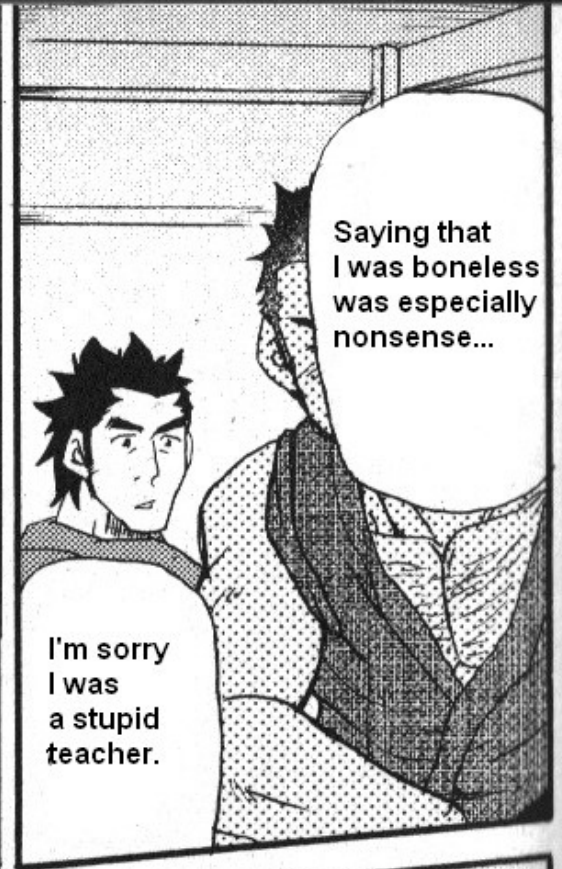

I still do, but back then i was inexperienced You two always stuck around me 'till the end...

No!

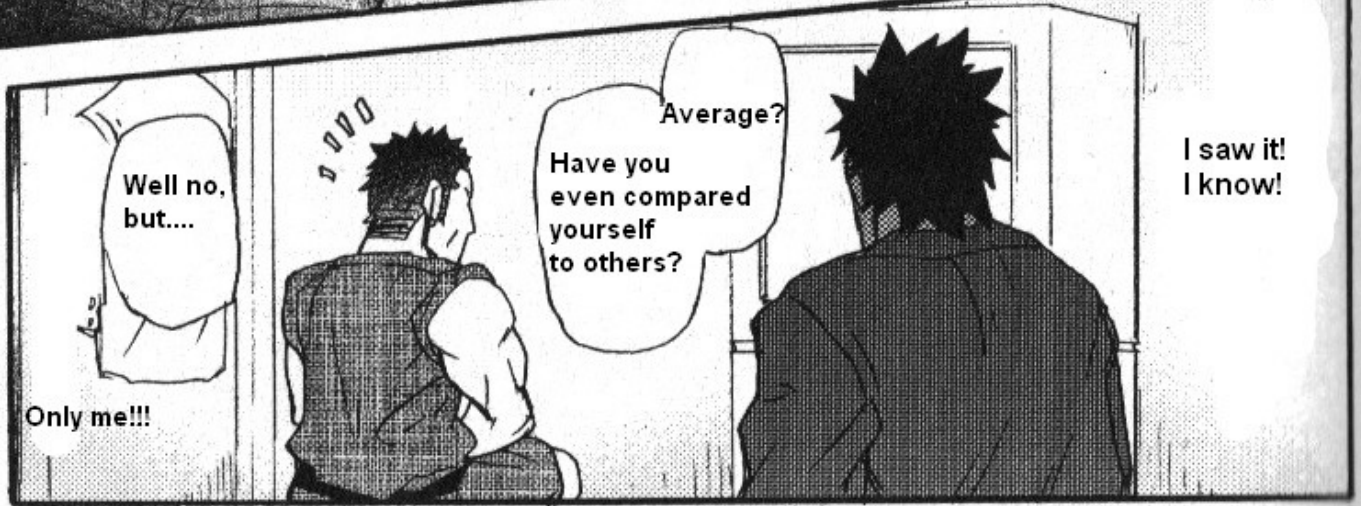

That's not true!

そんな事ない...

Saying that I was boneless was especially nonsense...

I'm sorry I was a stupid teacher.

Well no, but....

Only me!!!

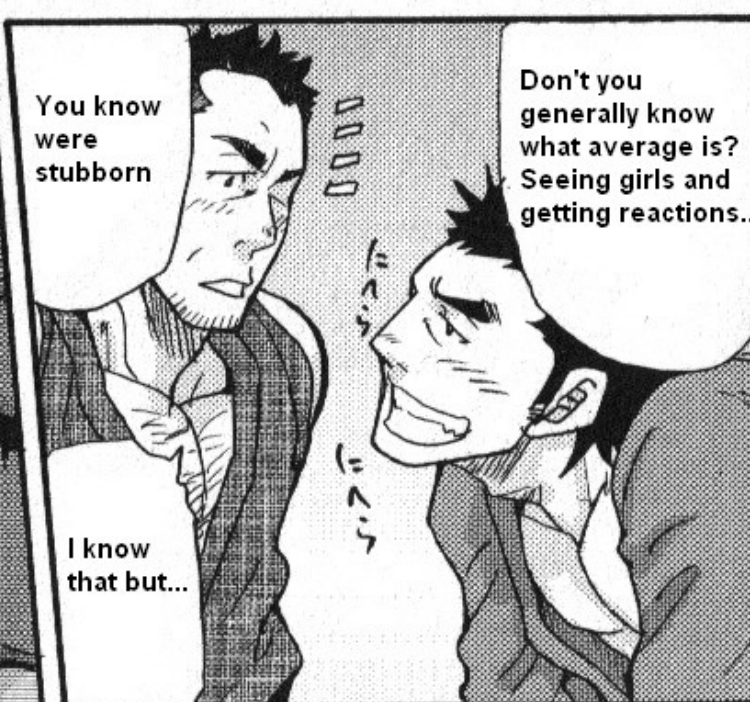

Average?

Have you even compared yourself to others?

I saw it! I know!

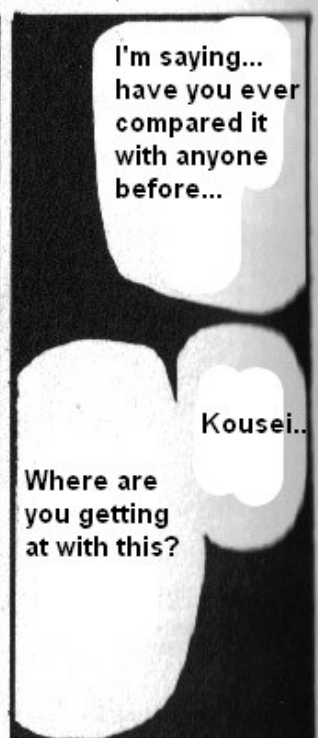

Then sensei...

You know were stubborn

I know that but...

Don't you generally know what average is? Seeing girls and getting reactions...

I'm saying... have you ever compared it with anyone before...

Kousei..

Where are you getting at with this?

Back then when I was small

K... Kousei!

Why don't you compare with mine?

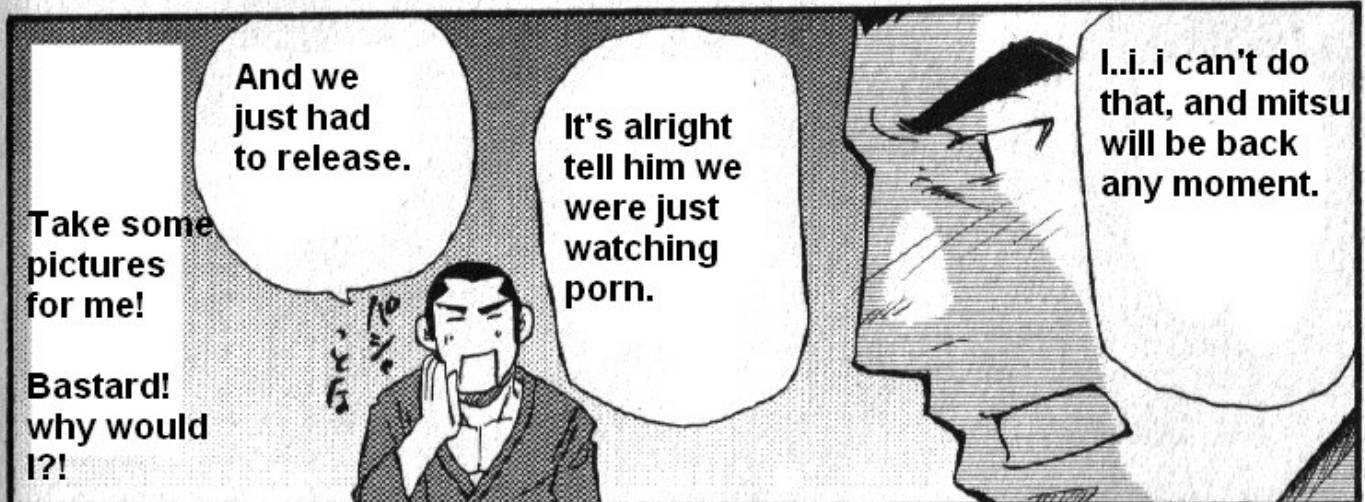

Compared to sensei.. but now...

Then you'll know sensei...

It'll be worthy of comparing

I'm told i'm quite big

How amazing you really are...

And we just had to release.

It's alright tell him we were just watching porn.

I..i can't do that, and mitsu will be back any moment.

Take some pictures for me!

Bastard! why would I?!

Cer~tainly that would blow a great deal on your boneless reputation. ...how sad...

I guess the most healthy lose to old age then...

It's you I'm responding to, not the video.

Is that so?

But you're young you'd get hard to anything.

I can't get hard to just this.

Anything?

\*hardens\*

ガキン☆

Finally... Its time..!

Here it comes!

Success! he hates to lose after all

There got it, look well now!

Idiot! I'm so hard, I'm having trouble taking it out is all.

ガキン☆

Was it this size before?

hmm....

Hows that!  
Huge isnt it?!

It's certainly larger than average but...

No..

What i saw before was much larger.

H..hey you don't have to touch them to compare!

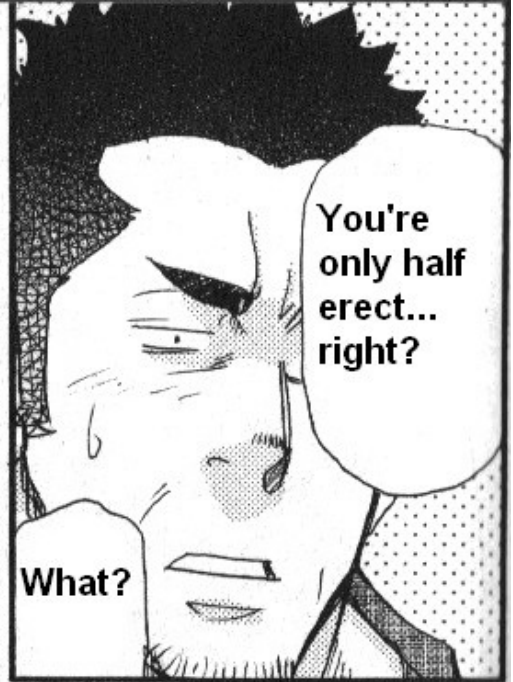

As I thought

Because this is only as big as mine

H..hey!  
Kousei!

I see you're  
having trouble  
getting it up,  
do to the  
alcohol....

You're  
only half  
erect...  
right?

What?

Ah...

If I do it  
right...

S...

kousei.

Sensei will  
become erect

St...kousei...

I'll make  
you fully  
erect.

I've been deceived again!

oh?

I returned because I forgot my cigarettes

Why so angry kousei?

You returned after you were suppose to be buying things?

M.. mitsu-hiko...

Oh?

What's wrong you's two? Getting yourselves off after watching porn?

Nn!!

ちやいと  
失礼

But thats weird like this kousei's looks bigger.

What are you doin...

Sensei... you don't seem to be living up to your name.

thats...

Ha!

!!

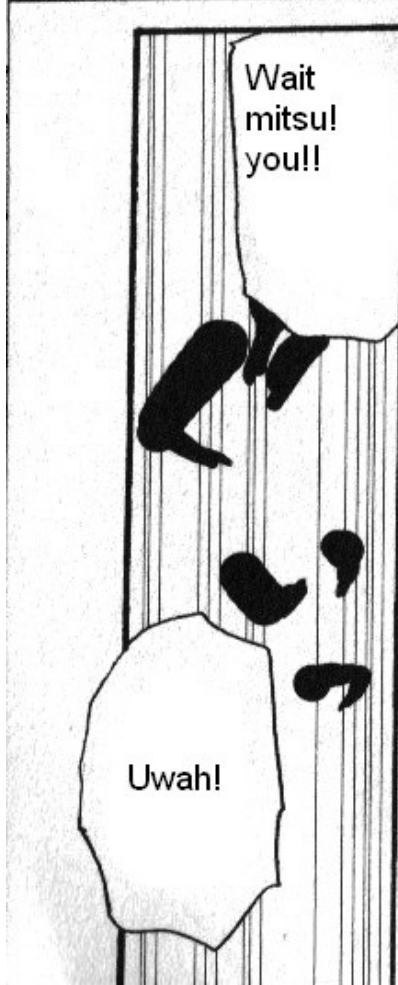

It's okay.  
It only  
hurts the  
first time.

Ha! ow!  
ow!

Stop  
mitsu!!

I get girlfriends  
to do this to me,  
and i get hard  
instantly.

Wait  
mitsu!  
you!!

Uwah!

Ha!  
Hey!

\*Squish\*

Me...  
let me do  
it...

Then  
i'll make  
it easier  
for you.

H..how  
should I  
know..  
kousei!  
Make him  
stop!

Please!

Sensei  
you're  
too  
erotic...

You...  
kousei  
sto...  
Ah~

As i thought  
sensei  
you've  
gotten  
lighter!

You!  
Mitsu...  
Ah!!

I'm begging  
you stop!

Kousei!  
What  
are you  
doing?

Ah!

That  
mine  
looks  
even  
smaller

Please  
kousei  
wa..no!

Mine wont  
get any  
bigger than  
this...it'll  
explode!

Its because  
yours has  
grown so  
big over  
the years.

This person...

I'm coming sensei!

Hah....

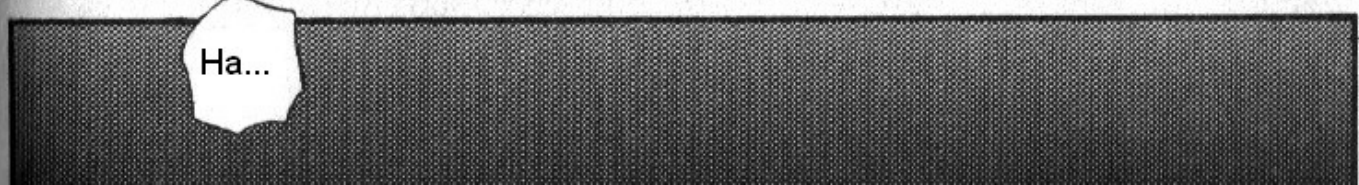

Ha...

This person...

I love him!

Ha...

Ha...

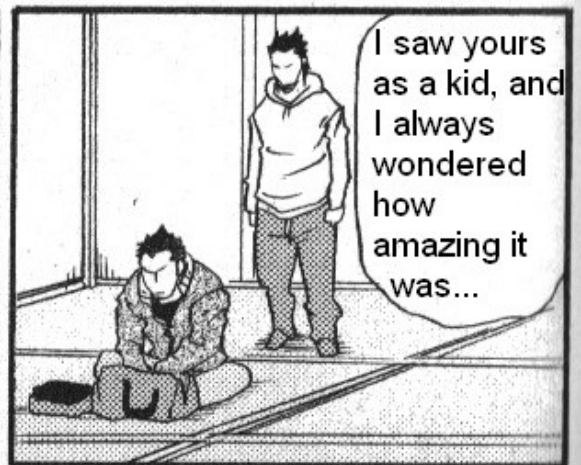

I'm sorry for yesterday

Even back then..

Huh?

...Geez you're so hopeless...

I saw yours as a kid, and I always wondered how amazing it was...

Sensei

Even back then you would never be satisfied...

Sensei!

But ive got to say....

Yesterday's shenanigan was the best by far....

'Til you've caused enough mischeif as you wanted..

There won't be a second to yesterday. Got it?

I'll forgive you this time...

!!

ししし

Kousei ...

I remember he'd do this...

I can't promise not to do it again. Especially if you touch me like that.

≠

ユッ

Even if I mis-behaved...

When ever i'd apologize...

eh...?

Why are you silent! Hey! Kousei!

Where's your 'yes' kousei?

L...let me go kousei..
