Thank
you very
much!

Food Drink

That'll be
500 Yen.

PF-
PFFT!

FUFUFU

I was trying not to burst out laughing the whole time.

M-My bad,

Gimme a break! It's all your fault, Natsumi-san! You said that there'd be no more customers.

I did, but... Nfufu!

Dammit—

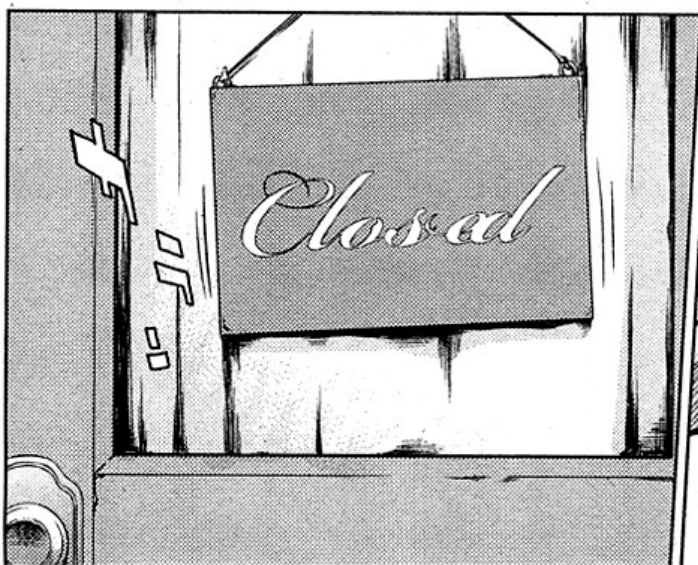

Nghaha! This is too much! Ahahaha haha!

I'll put on the coffee-hehehe!

Aha ha!

Close the front entrance Pfuhaha please...

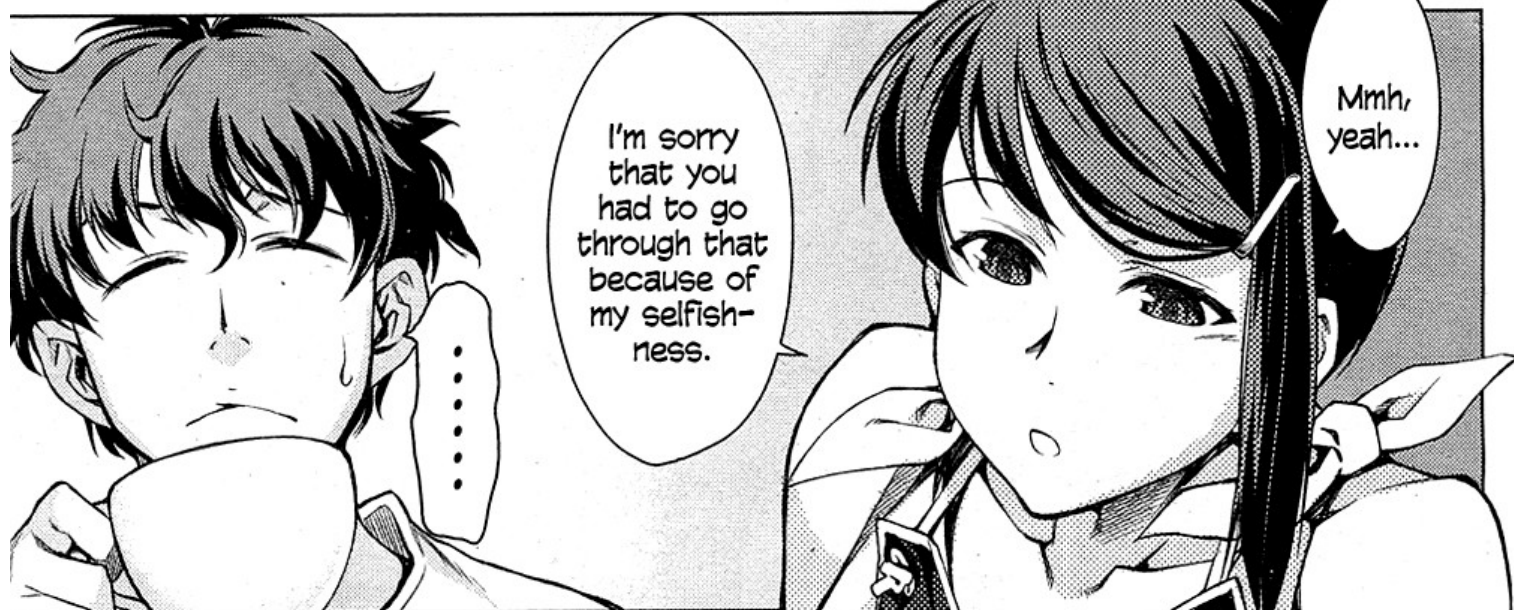

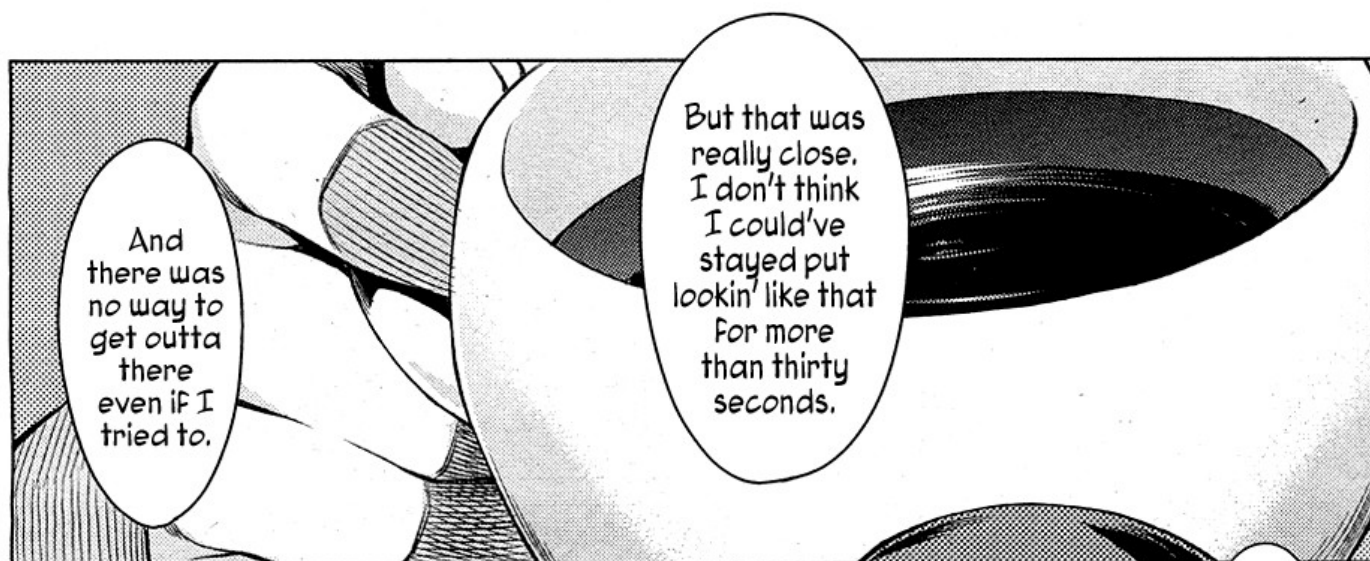

A'ight. You don't hafta laugh that much, y'know.

Is the coast clear?

Yea-haha, you can come out now!

Pfufu! Ahaha!

Oh my, "little"?

Are you sure it's "little"?

That there is just my "little guy" ...

To Takaharu-kun of course.

Umm, Natsumi-san, who are you talking to?

I wonder if there's any more to it than that~

Mhhh~
The musky smell of a man!

Ah!
♥
I think I should confirm it first-hand...

H-Hey, Natsumi-san...?

But knowing
your appetite
for sex, just
cumming once
isn't enough,
right?

Ah,
w~well...
yeah...

I'm totally
satisfied!

Just as
always,
you let
out so much~

...and
lie down
here.

M'kay,
come and
...

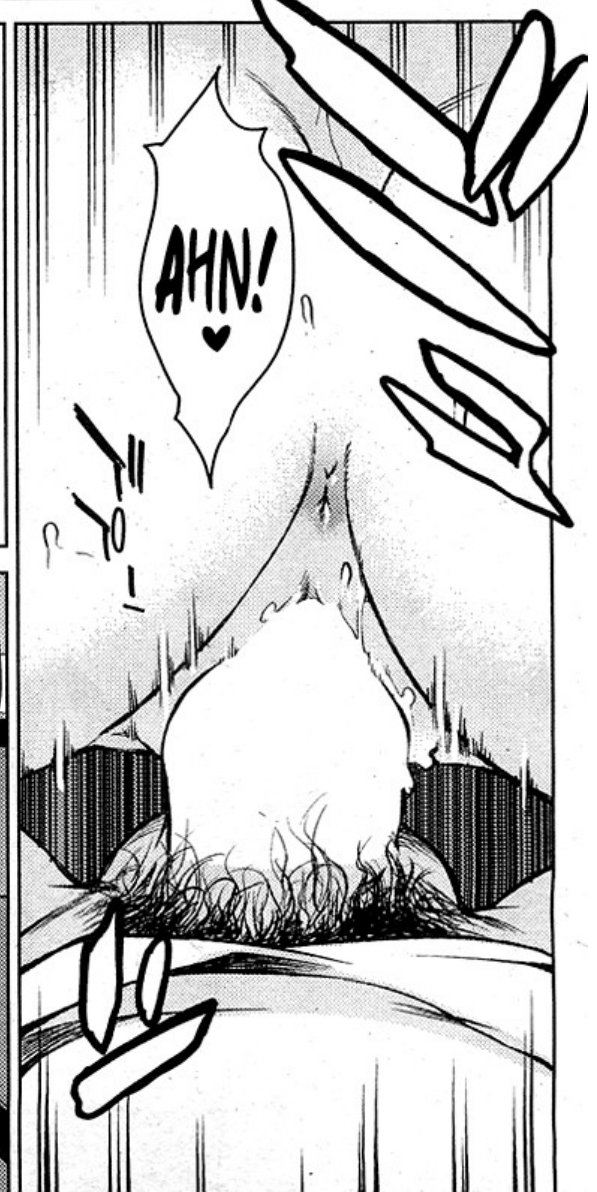

Hey,
what do
you think
about
this?

Going
bottomless
is pretty
erotic,
right?

I'm
gonna
cum al-
ready.

And like
always,
you're so
quick to
recover~

Isn't
that just
lovely?
♥

About how you had pushed me down and forced yourself on me.

I was just rememberin' our first time...

GWAH!
That hurts!

Tell me!
Tell me!!
Teeell meeee!

I was totally at my limit at that time.

Yup, that's how it was.

Now that you mention it, that's how it all began.

Aah...

It's not like I'd do it with anyone just like that.

Ah,
I'm just talking about how I was feeling.

"Any-one's will do" is it?

When you just crave for a dick in your pussy and anyone's will do.

It was one of those moments, y'know...

It was my
"Penis-
Sense"!

"Penis-
Sense"
?!?

That
doesn't
even
make any
sense...

To be honest,
I was eyeing
you from the
very beginning,
Takaharu-kun.

Hmm,
how do I
put it...

Or do
you dislike
having sex
with me?

How about
my pussy?
Do you like
my pussy?

I can't
get
enough
of it!

Not at all!
It feels
so Fukken
amazin'
that...

I just love
your dick,
Takaharu-kun.
It feels so
good!

But my
intuition
was correct,
wasn't it?

Alright,

Let's do
it in this
position
next.

UH!

Be as
rough
as you
want.

Don't
hold back.

Nfuh!

You bet!
This feels
great!

Are you
feeling
good,
Takaharu-
kun?

Does
this feel
good?

Hey?

Your
pussy
is just
sucking
in my
dick!

It feels
Fukken
awe-
some!

Ha!

Aah!

Ah!

Ah!

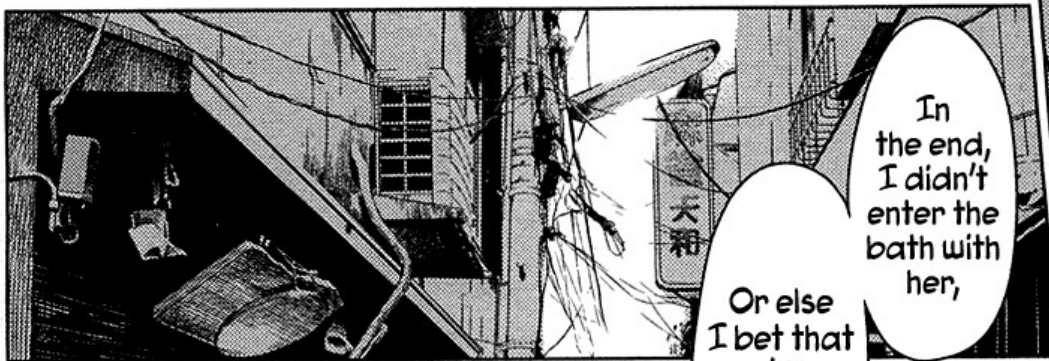

Aa!

Ah!

In the end, I didn't enter the bath with her,

Or else I bet that we'd be humping away till morning!

Natusmir-san can be so pushy at times.

What the-?!

My legs feel like jelly all of a sudden!

So you finally decided to show up.

But man, I kinda went overboard today

WOAH!
