These guys are pros at breaking people, but their technique is simple:
Just mindless fucking.

Hey, we won't let you rest.
We're gonna keep fucking you.

Suck it!

Hehehe! You came right. You've become pretty obedient.

It's simple but the harshest. In a match of stamina, there's no way to win.

The only thing that guarantees my life is information on the one who placed the hit.
