Chapter 01
Witch Yurisha

WHILE THE CAPITAL PROSPERED UNDER LOUIS XIV THE SUN KING, THE PUBLIC FINANCE WAS OP-PRESSED AND THE PEACE DISTORTED.

SHE RAN AWAY THAT WAY!

SUR-ROUND HER!

PARIS, THE WORLD'S MOST BEAUTIFUL, THE MOST PRESTIGIOUS AND THE IMPUREST CITY.

TEN YEARS LATER, MID-SEVENTEENTH CENTURY.

You were able to get this far with that immovable right leg.

ONE THING REACHED ITS PEAK BY THAT DISTORTION.

Kyaaa-

No good... I must go farther ...

As expected from a witch. Did you fly on a broom in the sky?

BECAUSE OF THE CHURCH, IT IS KNOWN AS THE INQUISITION OF THE BLACK MAGIC PRACTITIONERS TO THE POSTERITY.

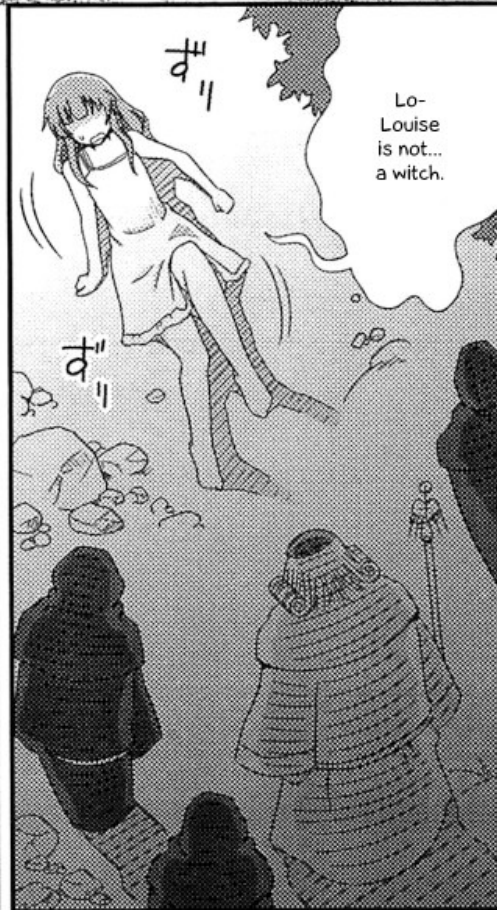

Ah-ah-

THE WITCH HUNTING.

Forgive me, Gusto-sama ...

うん

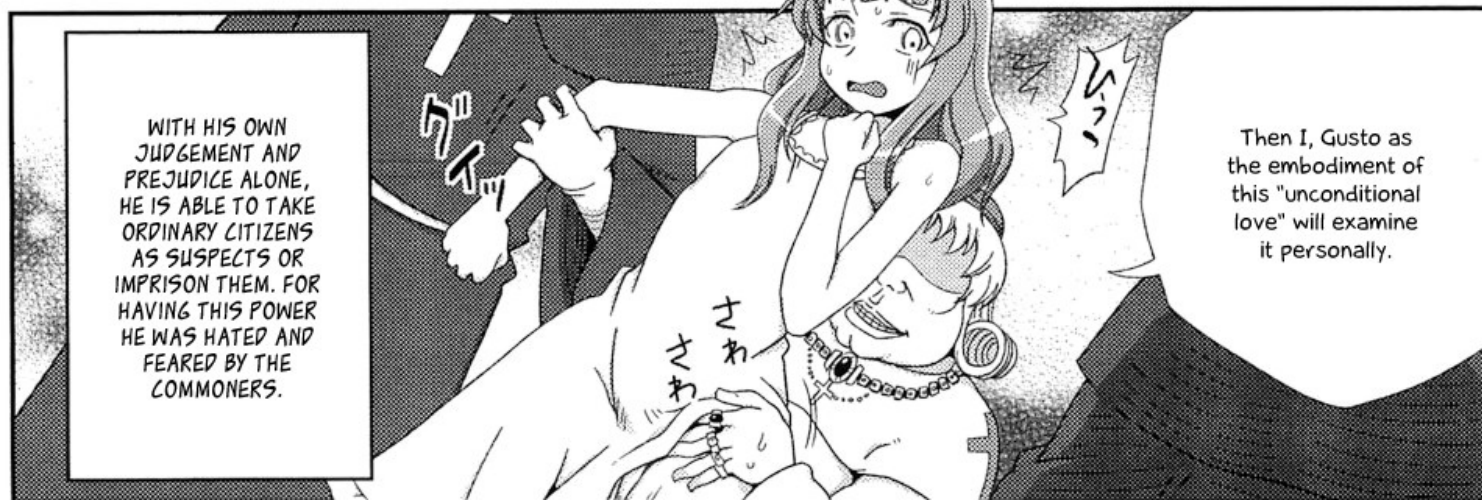

Lo-Louise is not... a witch.

GUSTO IS A MAN WHO OBTAINED THE POSITION OF AN INQUISITION OFFICIAL THROUGH CONNECTIONS AND AN ENORMOUS DONATION.

You're not a witch?

WITH HIS OWN JUDGEMENT AND PREJUDICE ALONE, HE IS ABLE TO TAKE ORDINARY CITIZENS AS SUSPECTS OR IMPRISON THEM. FOR HAVING THIS POWER HE WAS HATED AND FEARED BY THE COMMONERS.

Then I, Gusto as the embodiment of this "unconditional love" will examine it personally.

...no- noo-
somebody
help-

What are you
anxious about?
Even if a witch is
an opponent, God
and my love are
equal.

-wah.

Uh-oh, if you
refuse the
examination,
it will affect
the judge-
ment.

No-

!?

Who...?

Who said
that...?

Get your
dirty hands
off her,
low-life.

If you want to
know I'll tell you,
you're going to
forget it soon
anyway.

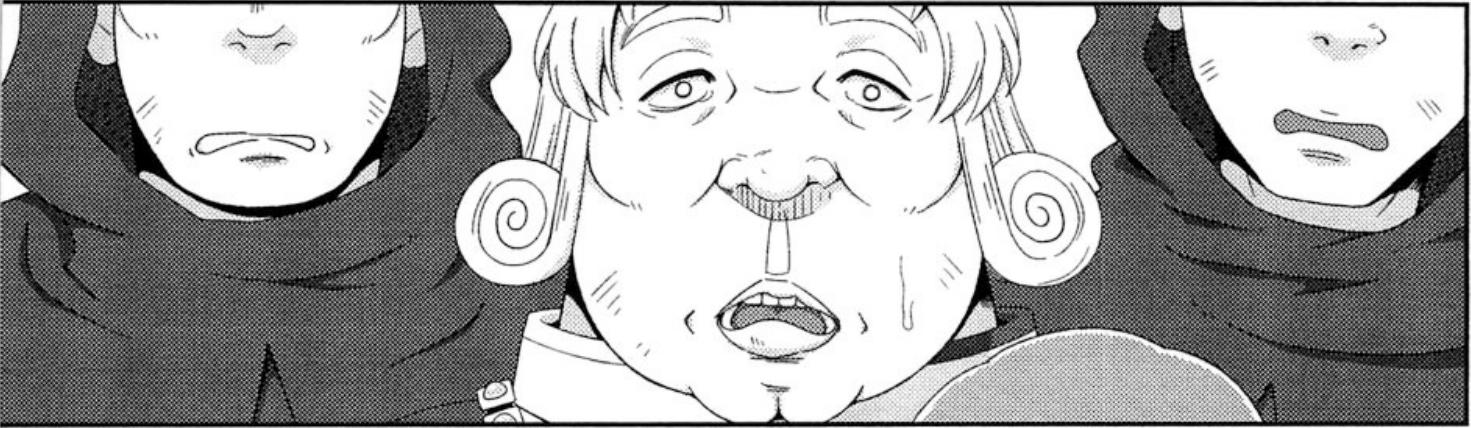

Wh-
what
a rude
person!

I'm Yurisha,
the one you're
looking for...

Witch
Yurisha.

Hi-hii-
what are
you
doing!?

It's the rule of the
witches not to kill,
just threaten...

However,
Catholic priest Gusto,
you need a slightly
severe punishment.

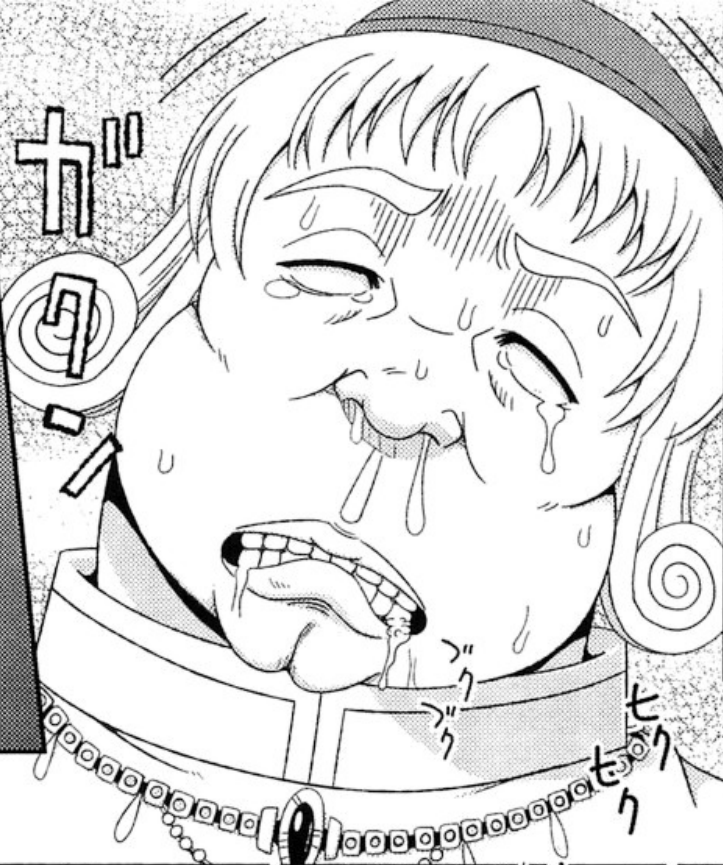

-It'd take about five
years at most to
have you die in a
flower garden.

Oh well,
I wonder if I
should have you
chew common
wormwood.

Fufu...
have a good
time.

Cu- cut it out!
Stogh- my
chest- nguh!

We'll proceed
to a pleasure
garden.

there's
nothing for you
to be afraid of
anymore.

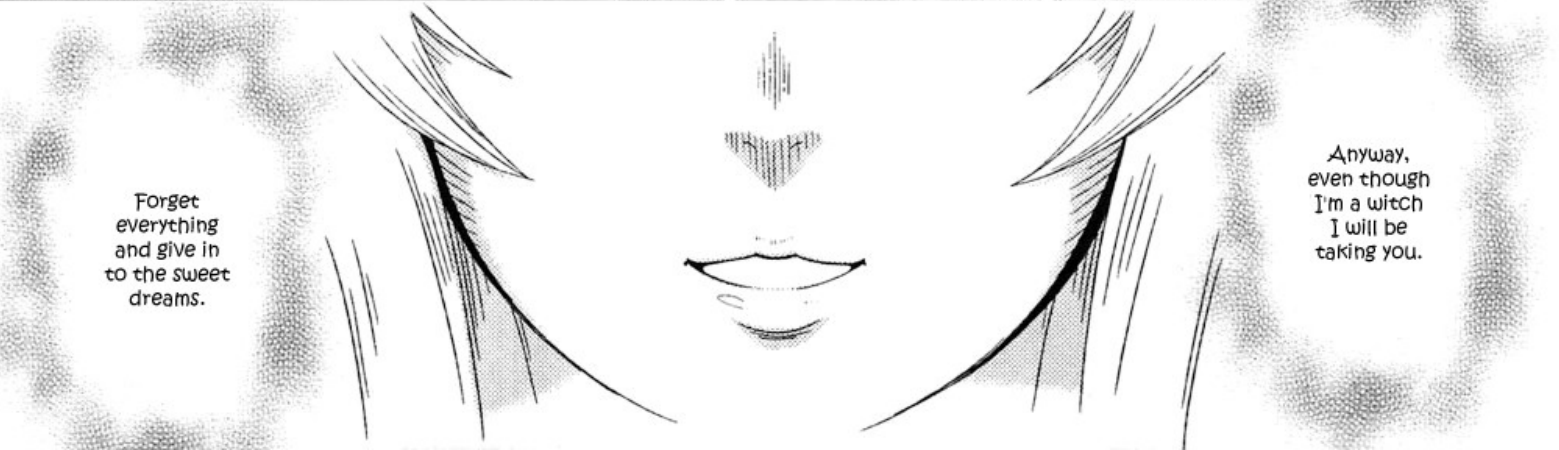

Relax,

It's full
of his
dreams.

I won't use
this handkerchief
any longer.

Forget
everything
and give in
to the sweet
dreams.

Anyway,
even though
I'm a witch
I will be
taking you.

Priest Gusto is unconscious, the others are almost intact, nevertheless they have some wounds from the flame.

Hmm...?

And the condition of the victims is?

Thank you very much for coming, Miss d'Angleterre.

I agree, my proceeding is something called "the quickest and easiest."

... since not one bequest has been found, it can't be confirmed nor denied.

But could it be as the church says, a witch's doing?

Now then

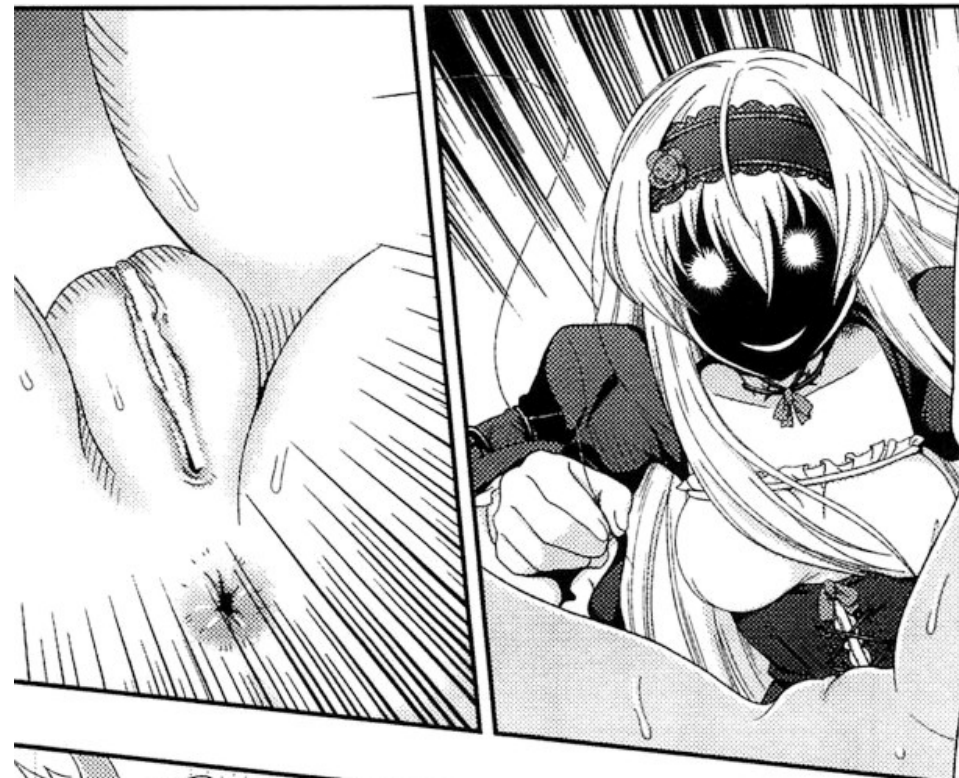

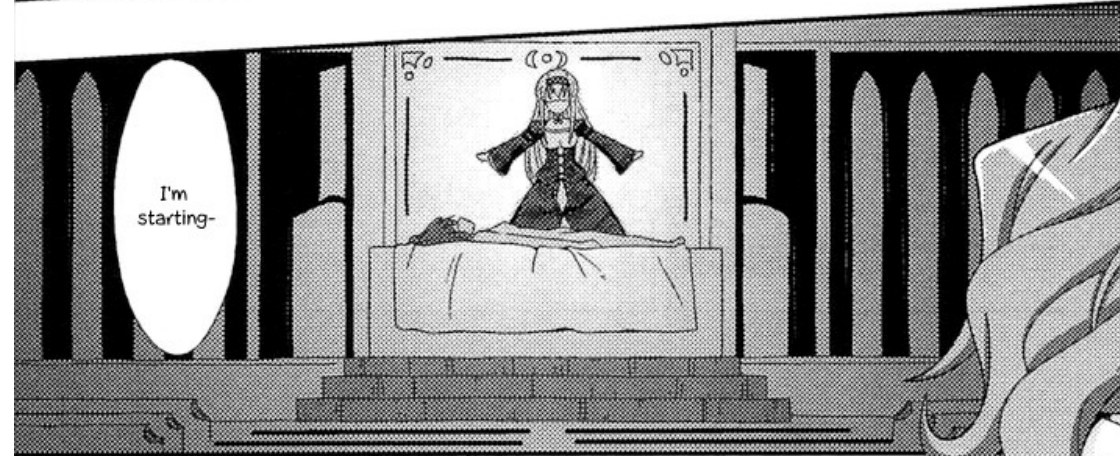

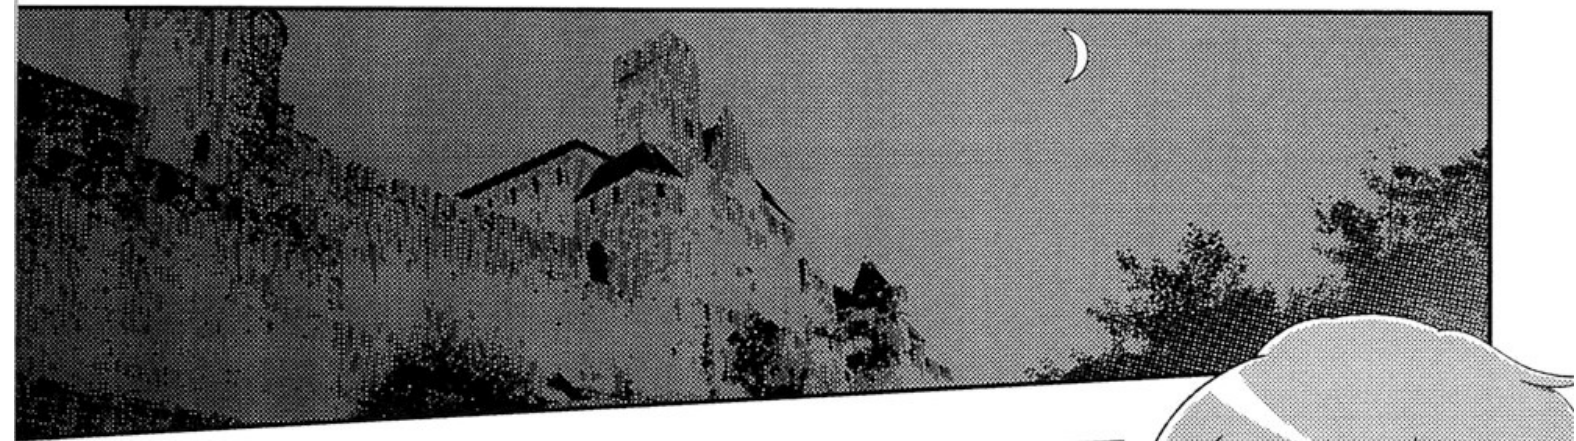

The girl called Louise has also gone missing.

Well...

...what's the matter?

魔法って何...

Say! That's why you healed me with magic?

...no.

Thank you very much.

The experiment is a success, right~

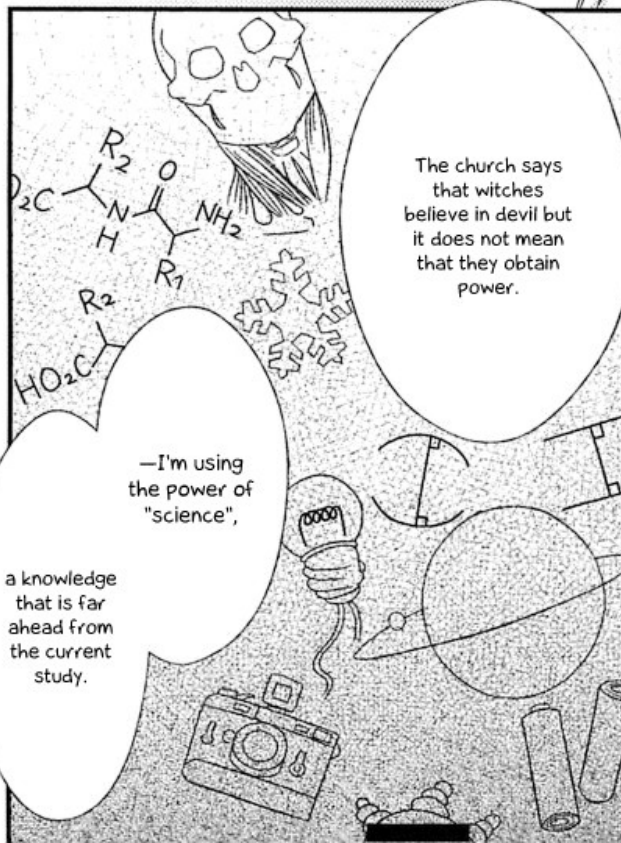

Amazing, I'm really able to move again.

Witches... I at least, cannot use magic.

It's a kind of acupuncture, it's not magic.

The church says that witches believe in devil but it does not mean that they obtain power.

-I'm using the power of "science",

a knowledge that is far ahead from the current study.

That was a simple flame reaction.

Eh? Well then, what was that blue flame...

Since it hardly outbreaks, the temperature should not be burning either.

I used chemicals which burnt only the black paint of the rope.

Yah, this posture is embarrassing...

Hya-

Ah-

It seems I have to clean your ass properly too.

I'm going to teach you manners until you become a good girl.

Eeeh !?

AH

licking my
asshole.

a cute
asshole.

THERE IS A RULE THAT THE WITCH WHO INHERITS 'WISDOM' MUST NOT BE CLOSELY RELATED WITH THE GENERAL PUBLIC.

Ah... Louise doesn't want to forget ...

HENCE, THE SUCCESSORS WERE BIOLOGICALLY RESTRICTED TO A FEW AMBITIOUS WOMEN.
