

and evil wings fitting of a bat

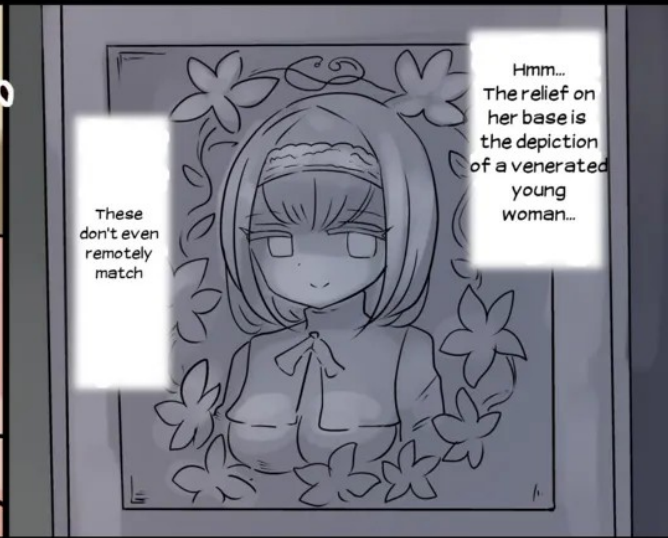

Curled horns suited for a devil...

It's her face, but with such a lewd expression... were they trying to humiliate her?

These don't even remotely match

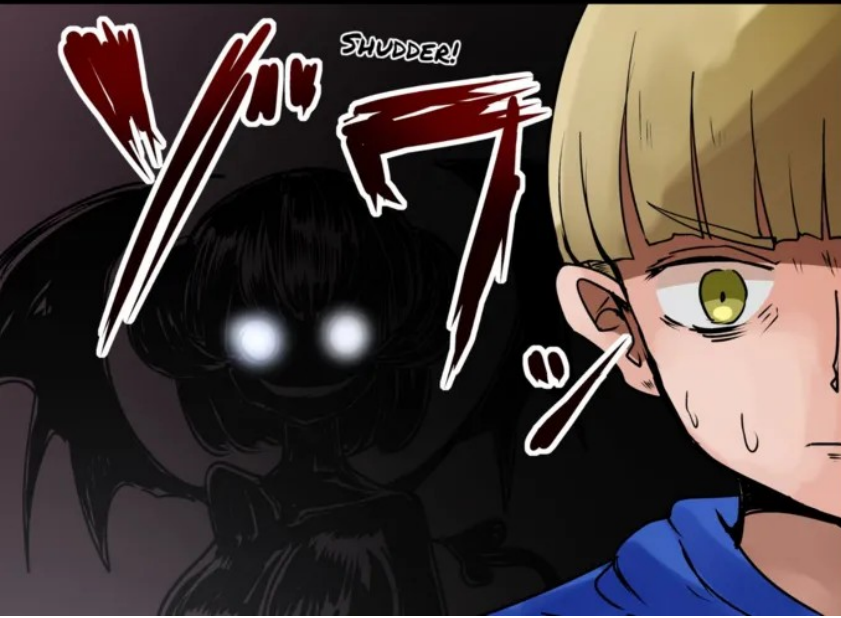

Hmm... The relief on her base is the depiction of a venerated young woman...

I'm being followed...!

Something's off. I feel as though I'm being watched...

shit...

I'm too weak to do anything to her!

Hey! Stop it!

Let go!

Noo! Ahh!

What is this, what have you done to me with this perverse magic...?!

This girl... It's the statue from before...?

Oh, this is bad...

It's too quiet in here...

What a shameful expression for a statue...
