ABOUT CATS.

AND NEXT ARE
SOME EXPLAN-

THE CHAPTERS.

PLEASE

LOVE ME

★ This is my first manga about cats.
This one first appeared in the [Leash] anthology.
But even if it wasn't going to be published, I'd still have
lots of fun drawing it.

MORE

LOVE ME

PLEASE

★ This one appeared in the [Secret Item] collection.
Because of the title, I drew adult goods in it.
I'd already said something about it back then, but I'll
say it again for clarification. The vibrator's shape is
a [fish], not an [eel].

SANGO

THE BLACK CAT

★ This one appeared in the [Master and Slave] collection. It was great.
The title, of course, was taken from that famous song.
Actually, I wanted to use the song's title so I could draw a manga
about a black cat.

WISHING I

COULD LOVE YOU

★ This one appeared on [Versatile] collection, so the cat is the same.
My editor took a liking to this one, so they encouraged me to draw it.
When I took a second look at it, I was surprised because it was drawn
with the style I rarely use nowadays.

WISHING YOU

COULD LOVE ME

★ [The world of the boys' dorm]
Cats Educational Center → Lots of cats living together →  → Boy Dorm!
This was how we decided the theme. Among all the other ukes that I've drawn,
Ichi is one of the top-ranking witless ukes. I like him.

✧ Cat ears are nice~ ✧
