Flower of
flesh and
blood

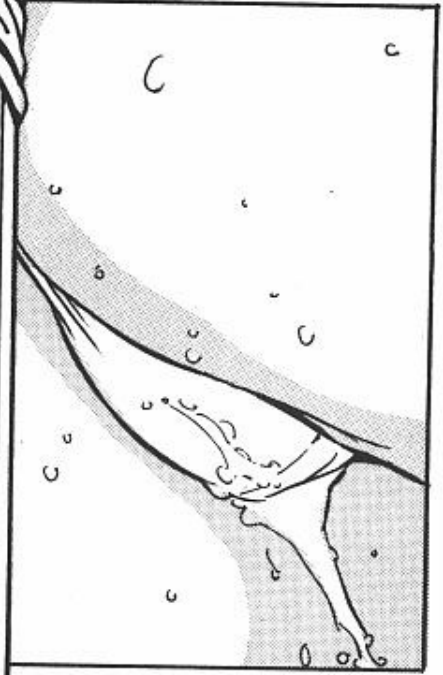

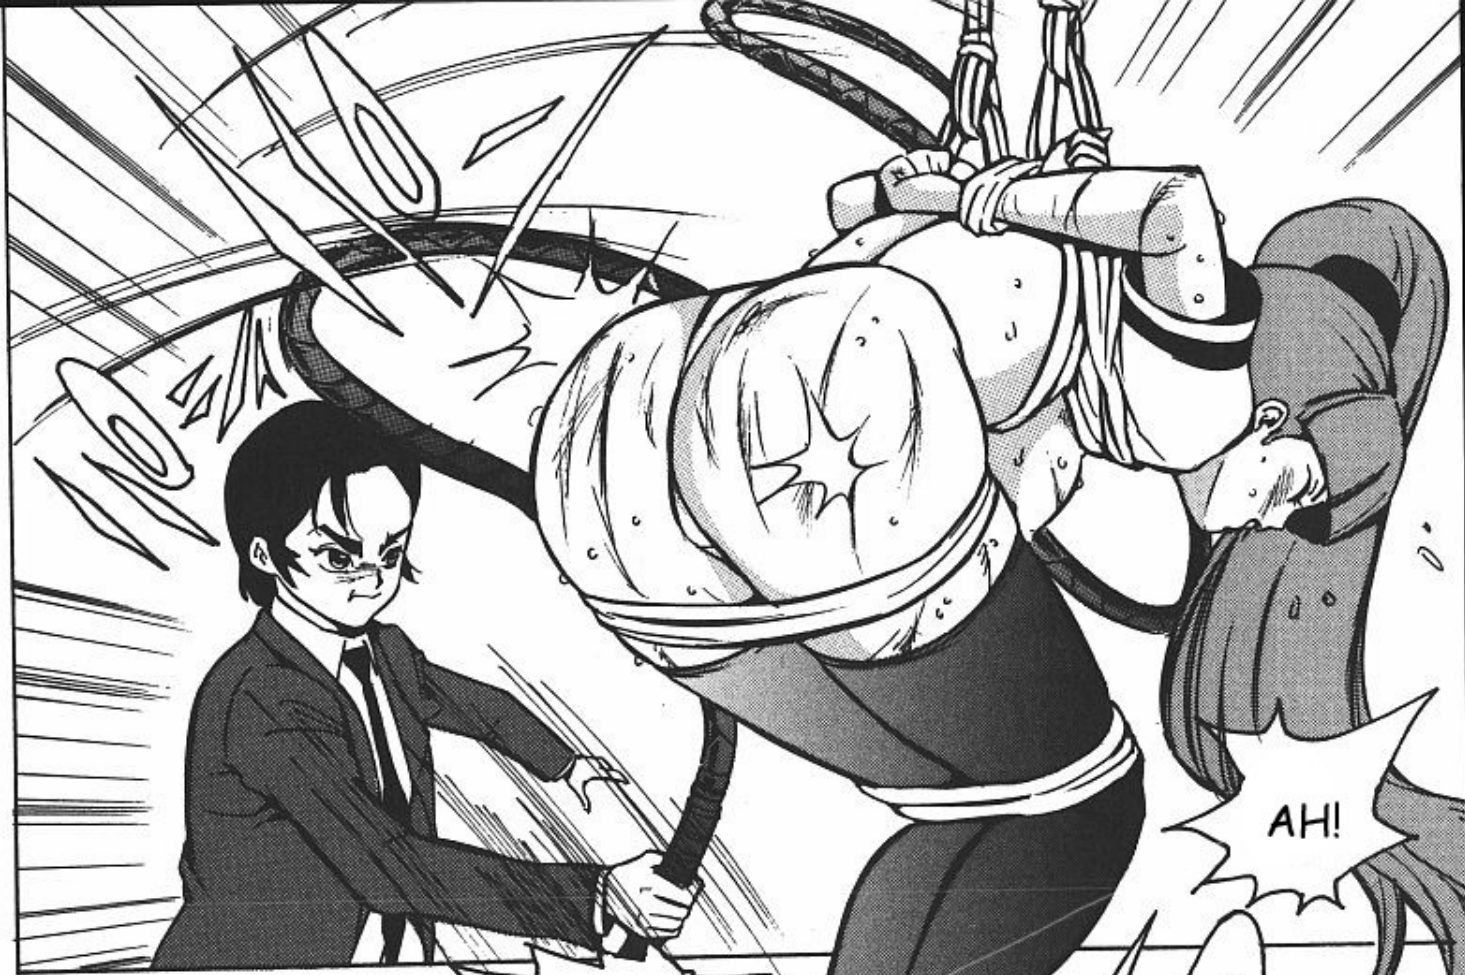

Masami,
it's
getting
all
wet down
there
already.

Ouch...

AUGH..

You shouldn't lie Masami, I know you are enjoying this

No, brother, please help me..

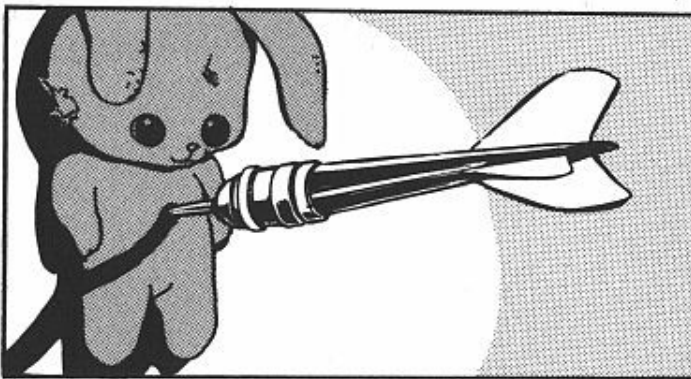

Please stop, brother I can't take this anymore

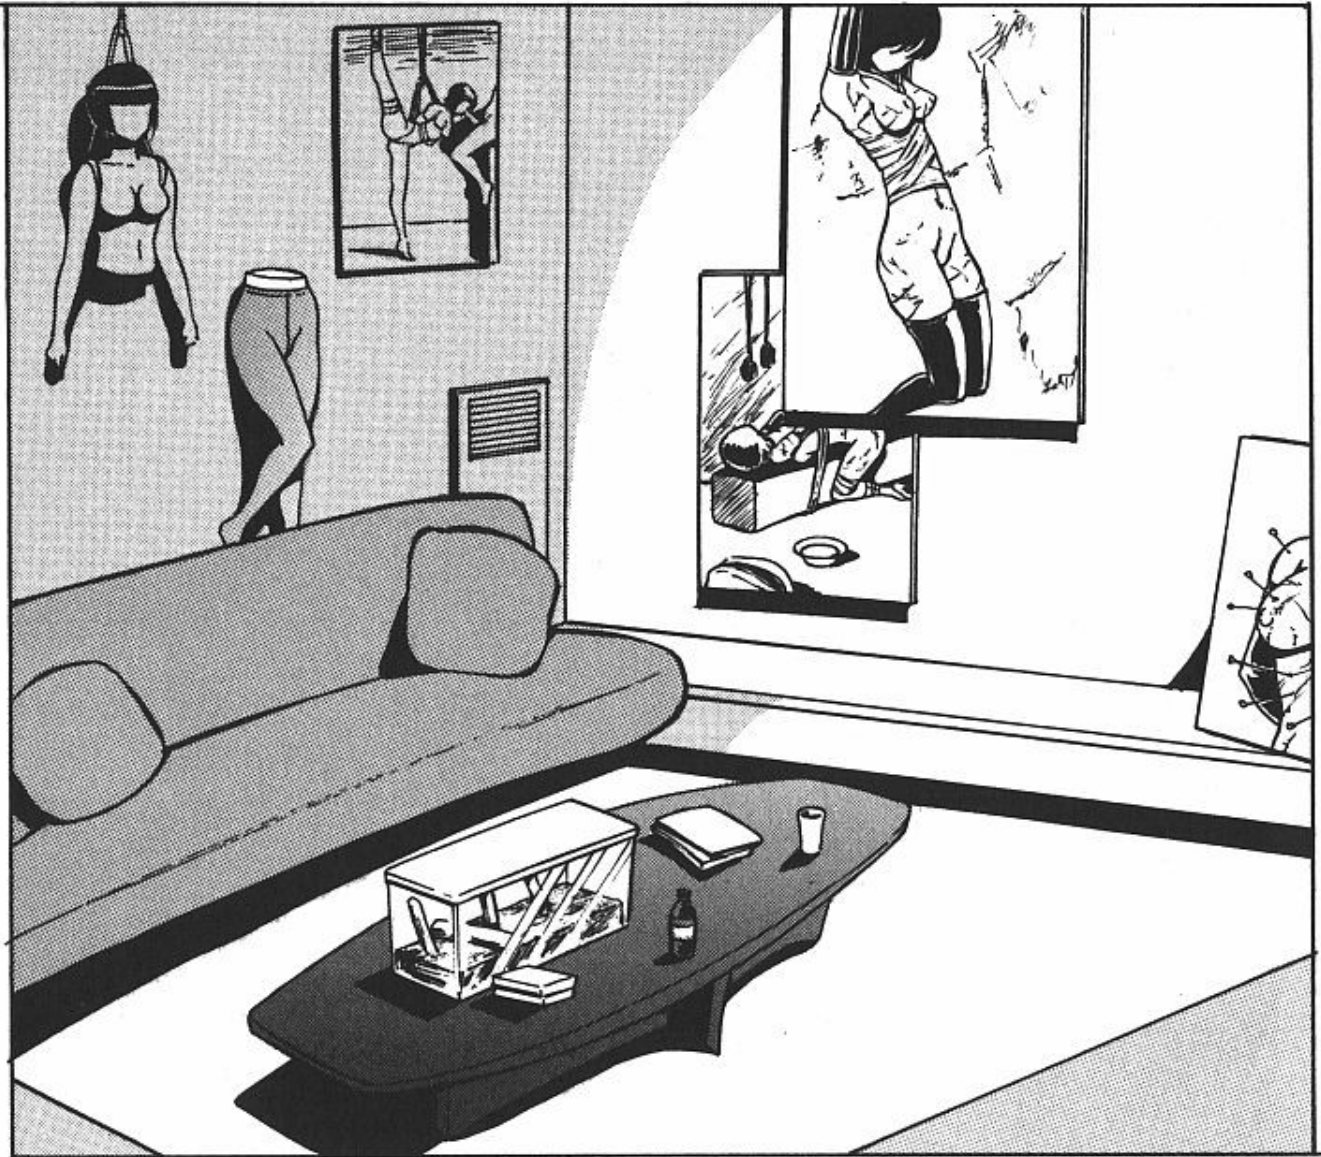

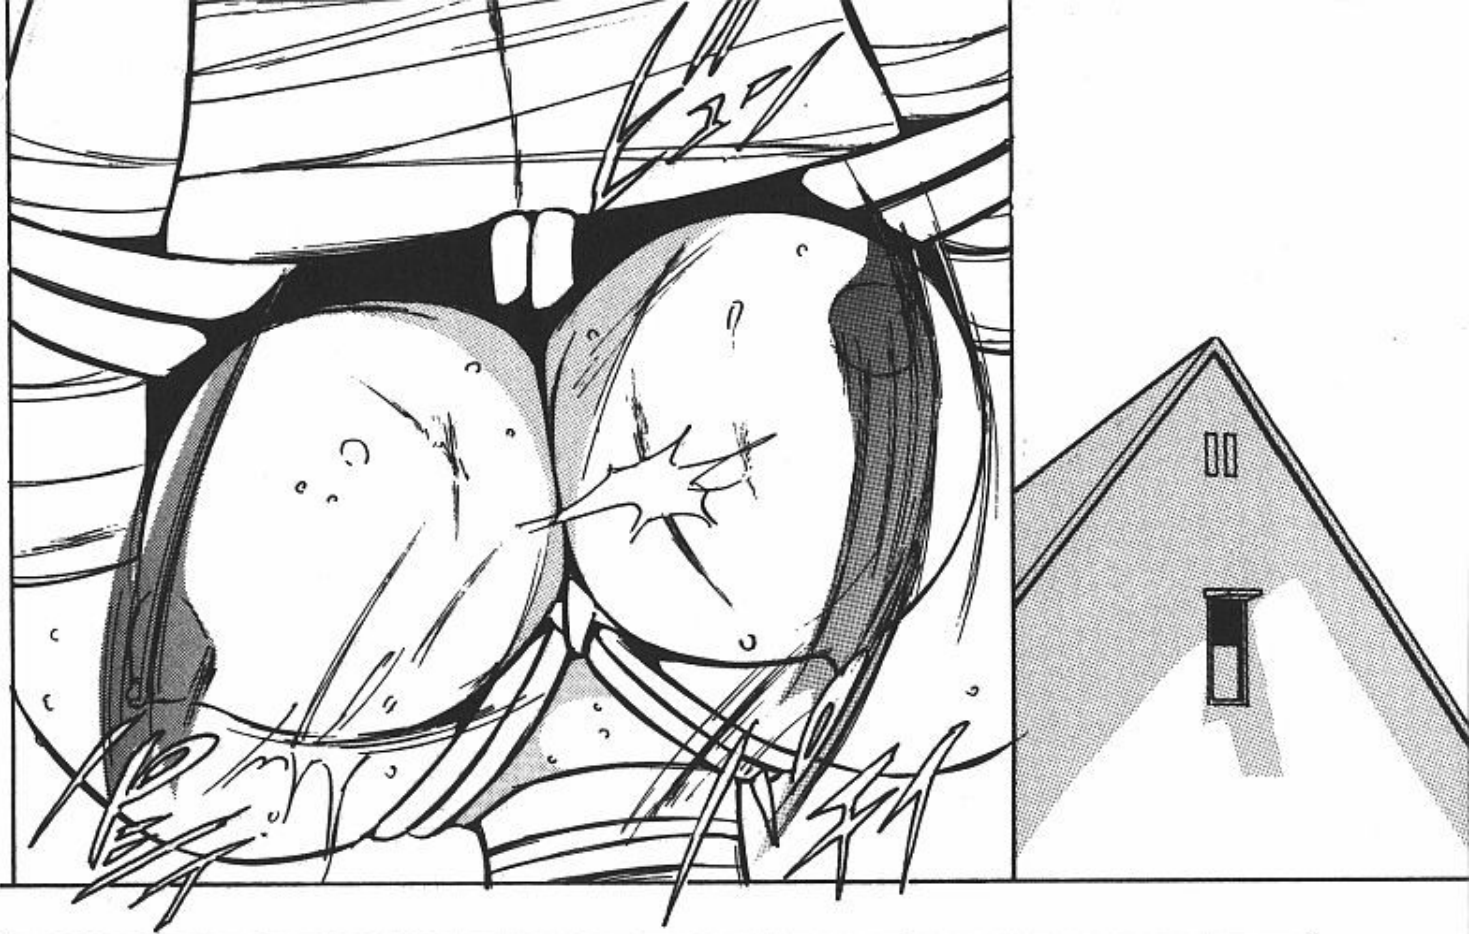

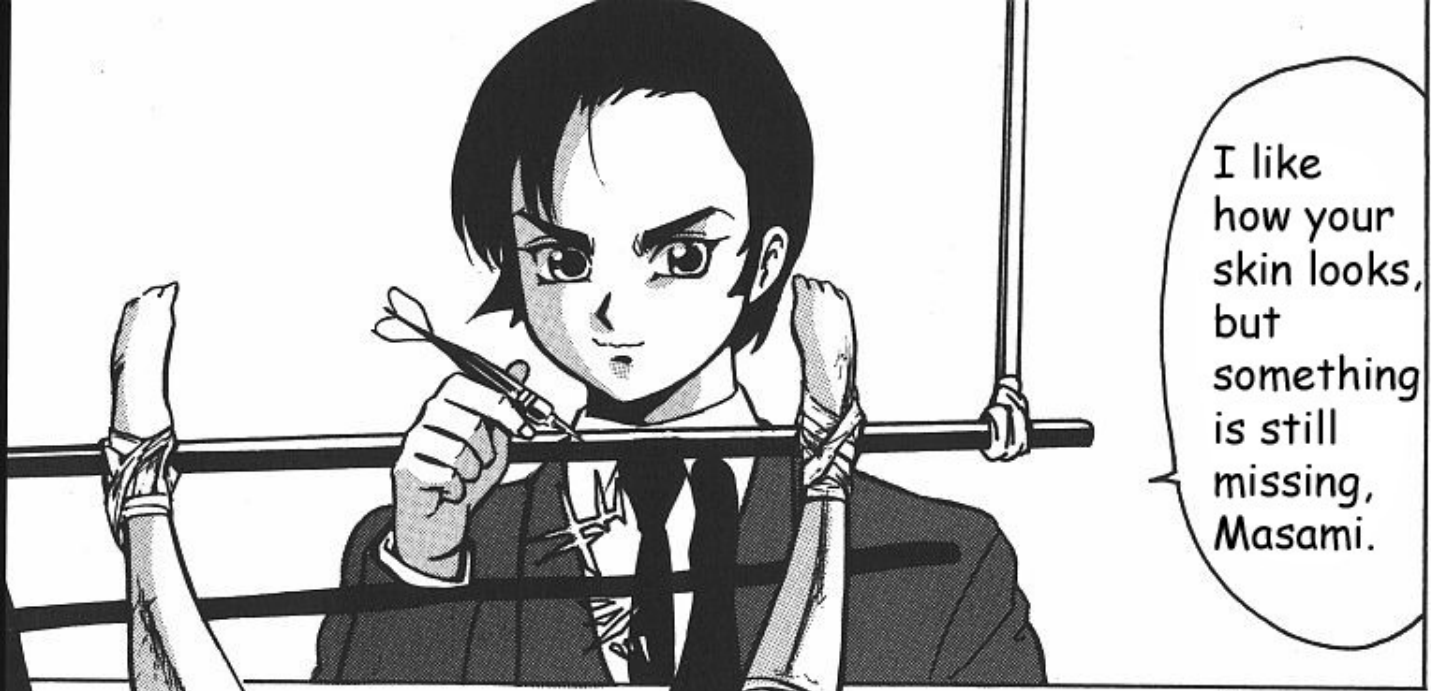

brother
please,
I'm
gonna
loose
it!

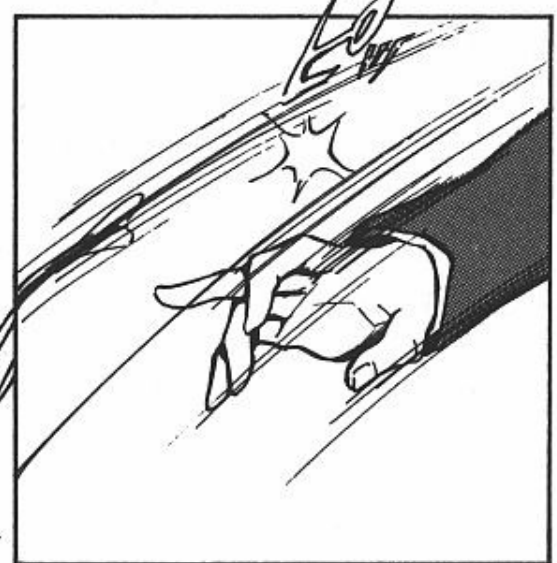

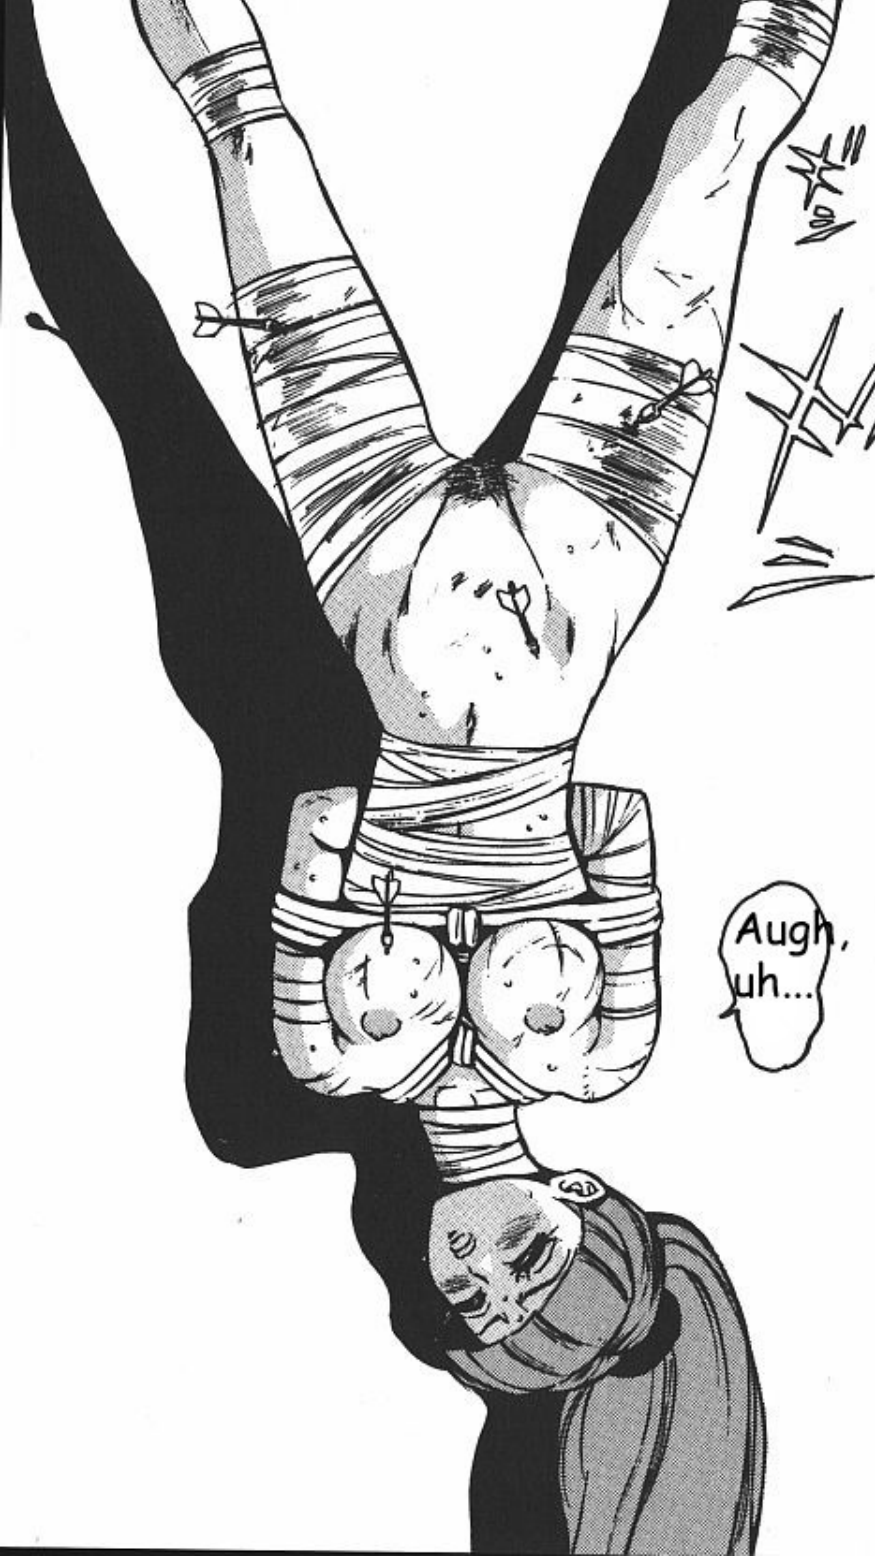

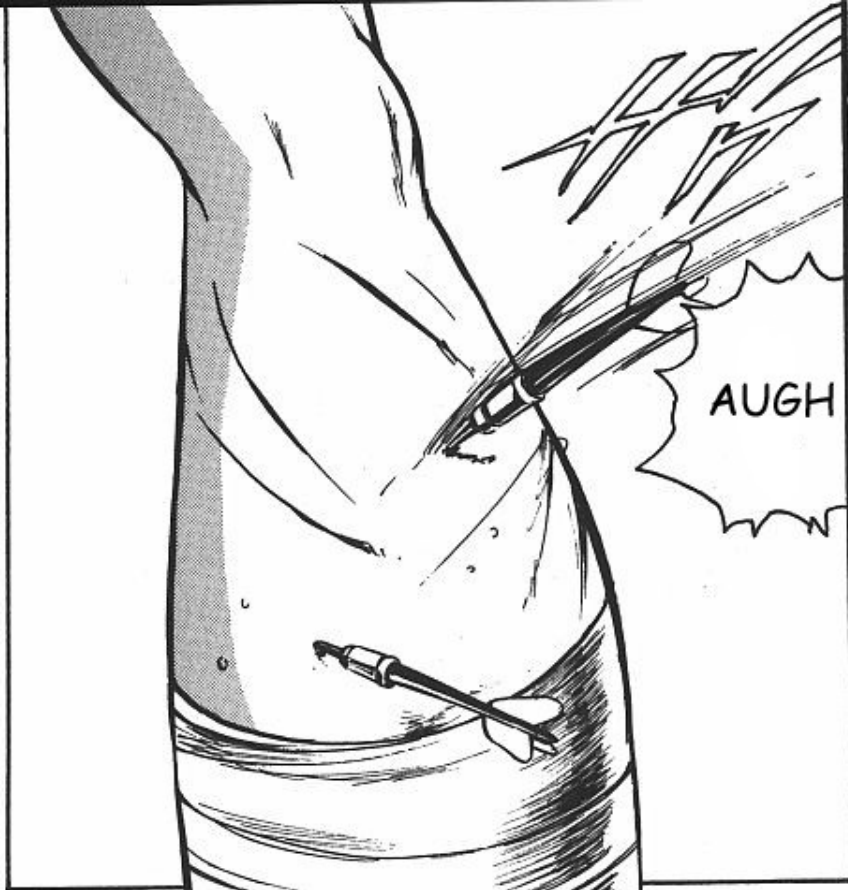

I like how your skin looks, but something is still missing, Masami.

Augh, uh...

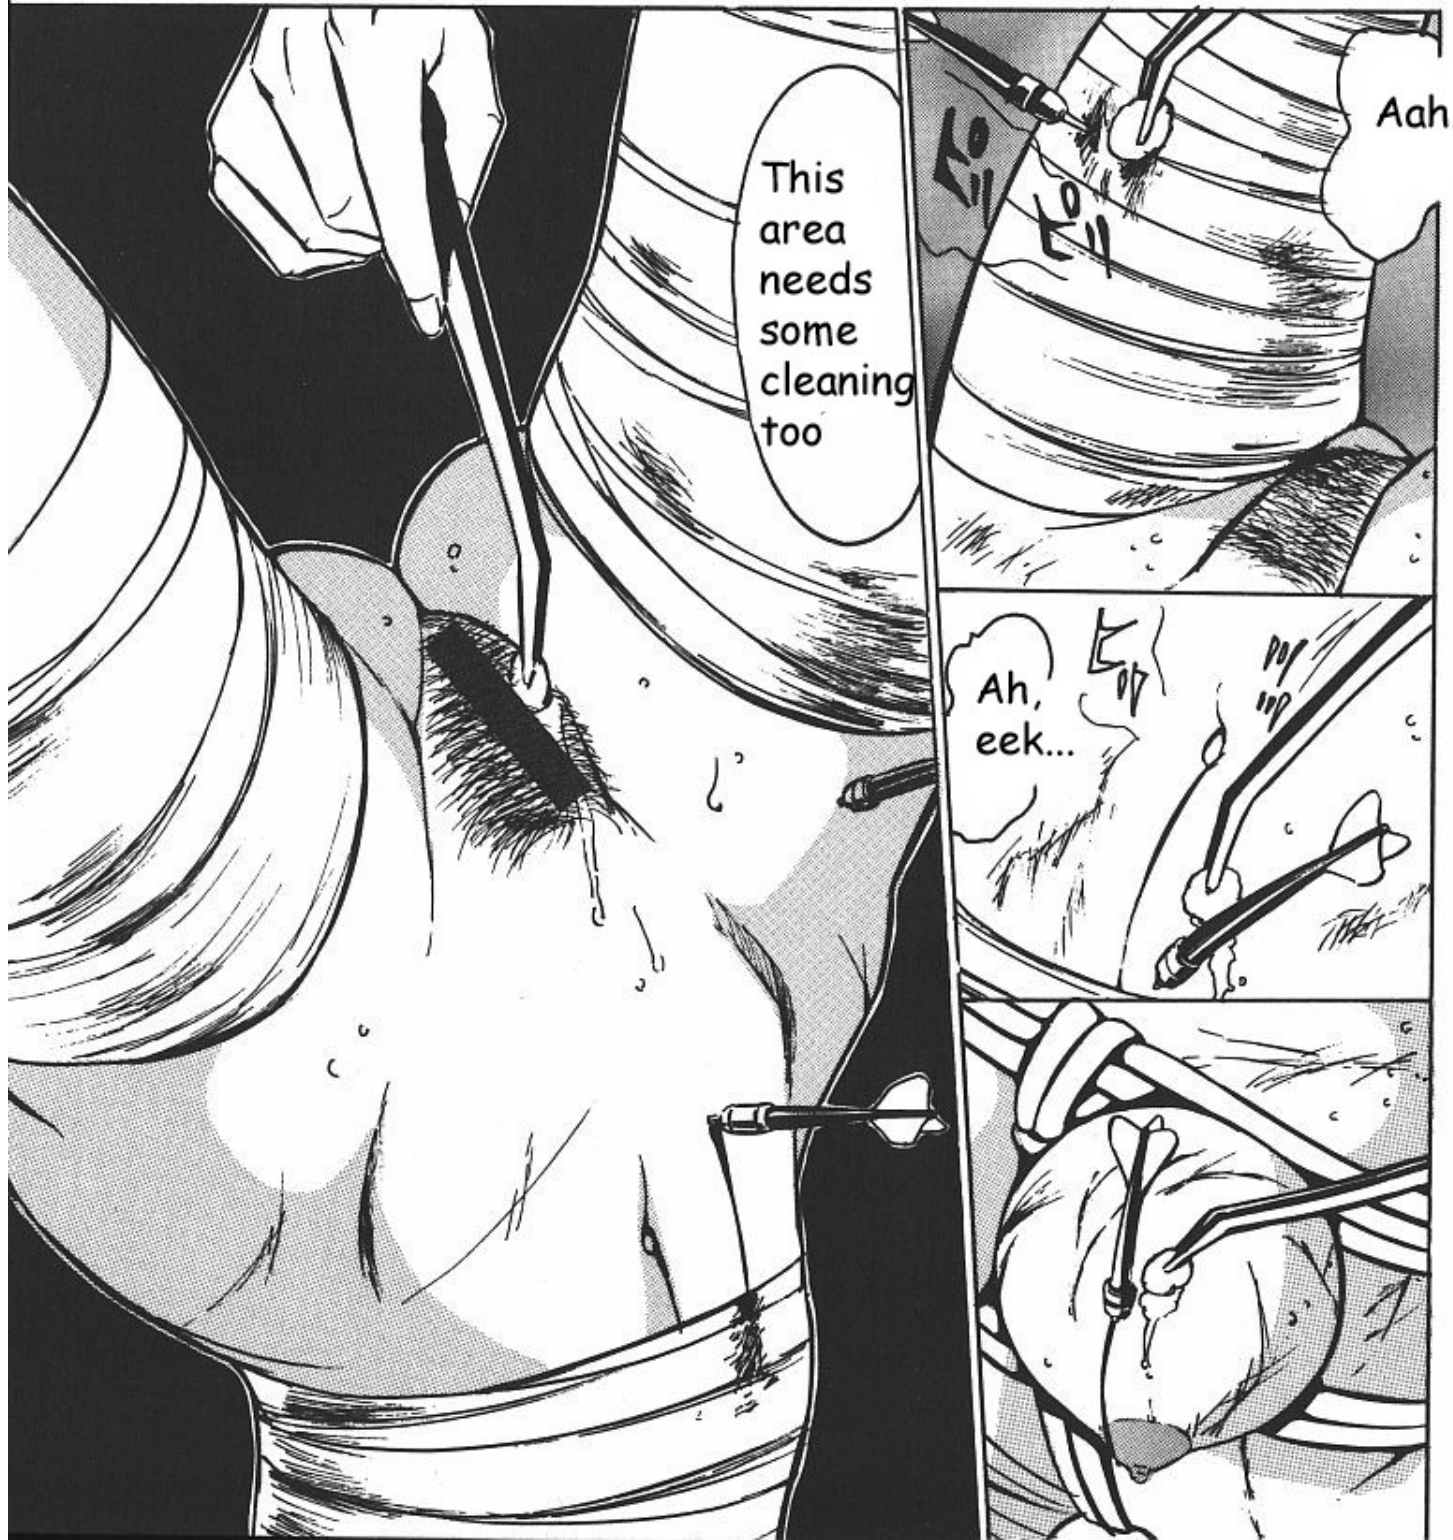

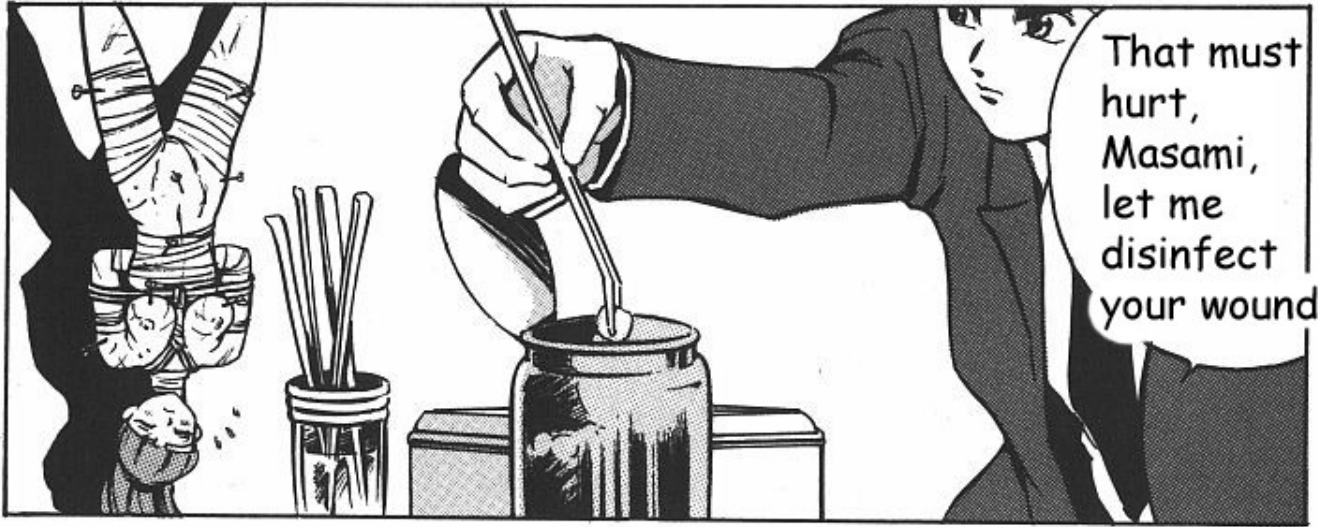

AUGH

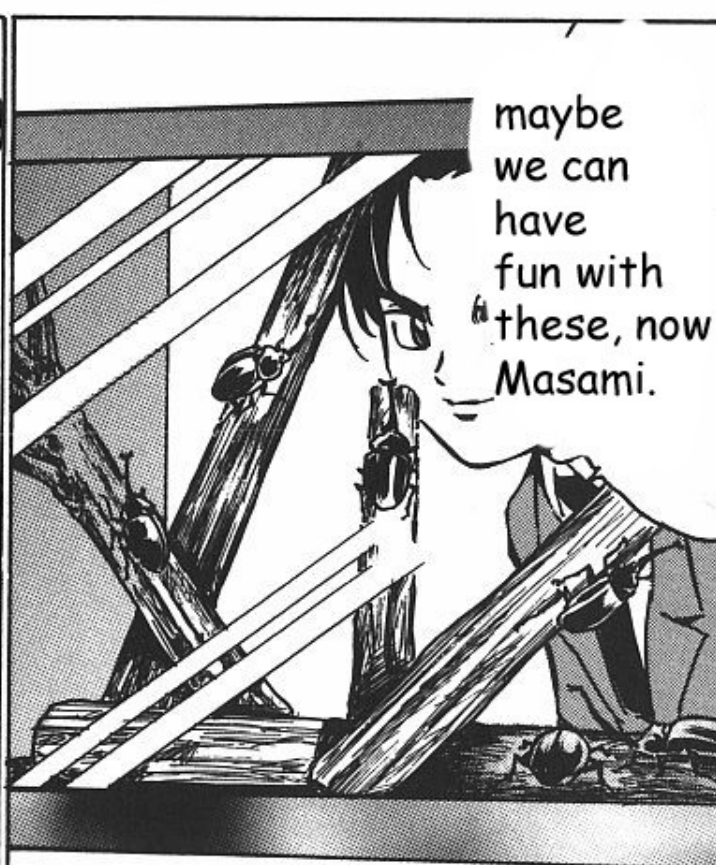

Ugh...

OK,
it
looks
better
now.

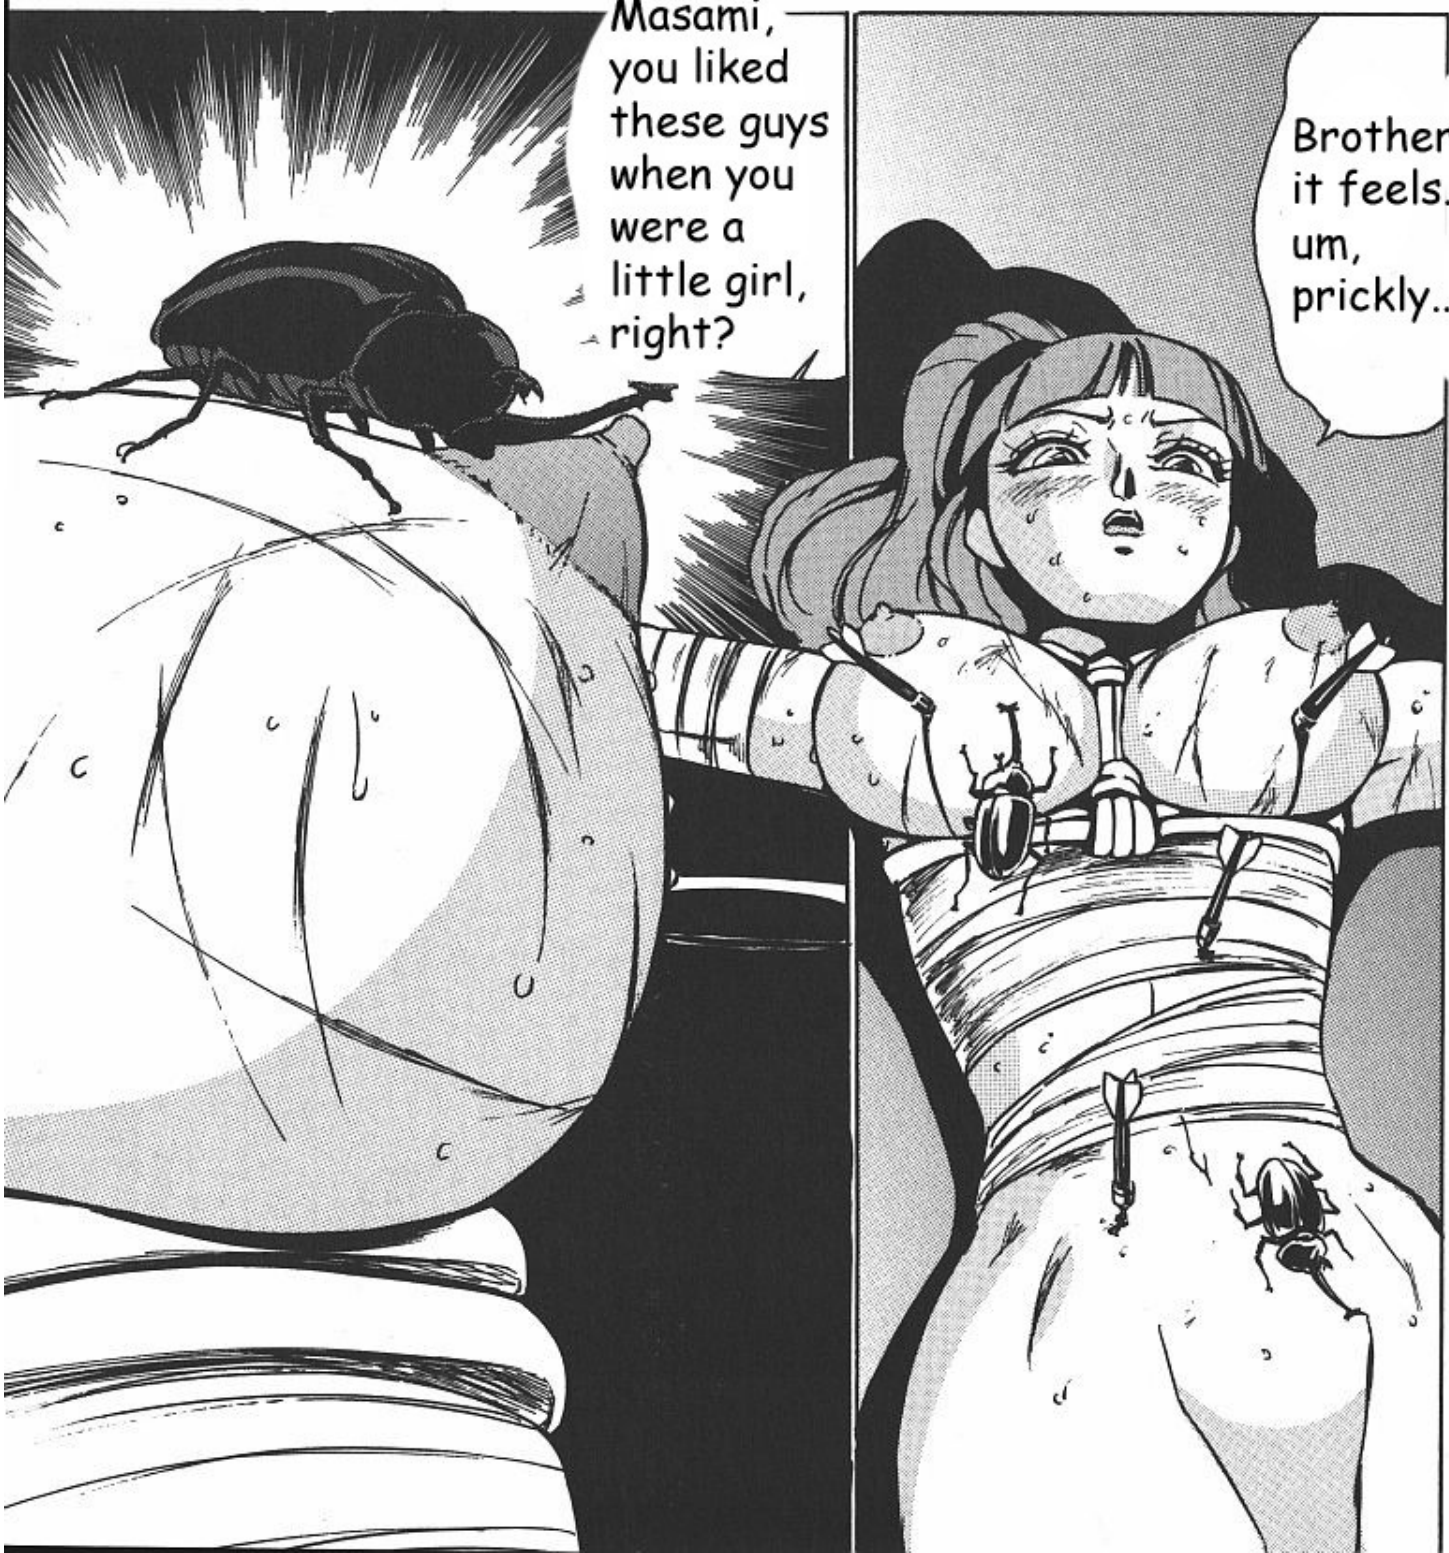

Masami,
you liked
these guys
when you
were a
little girl,
right?

Brother,
it feels...
um,
prickly...

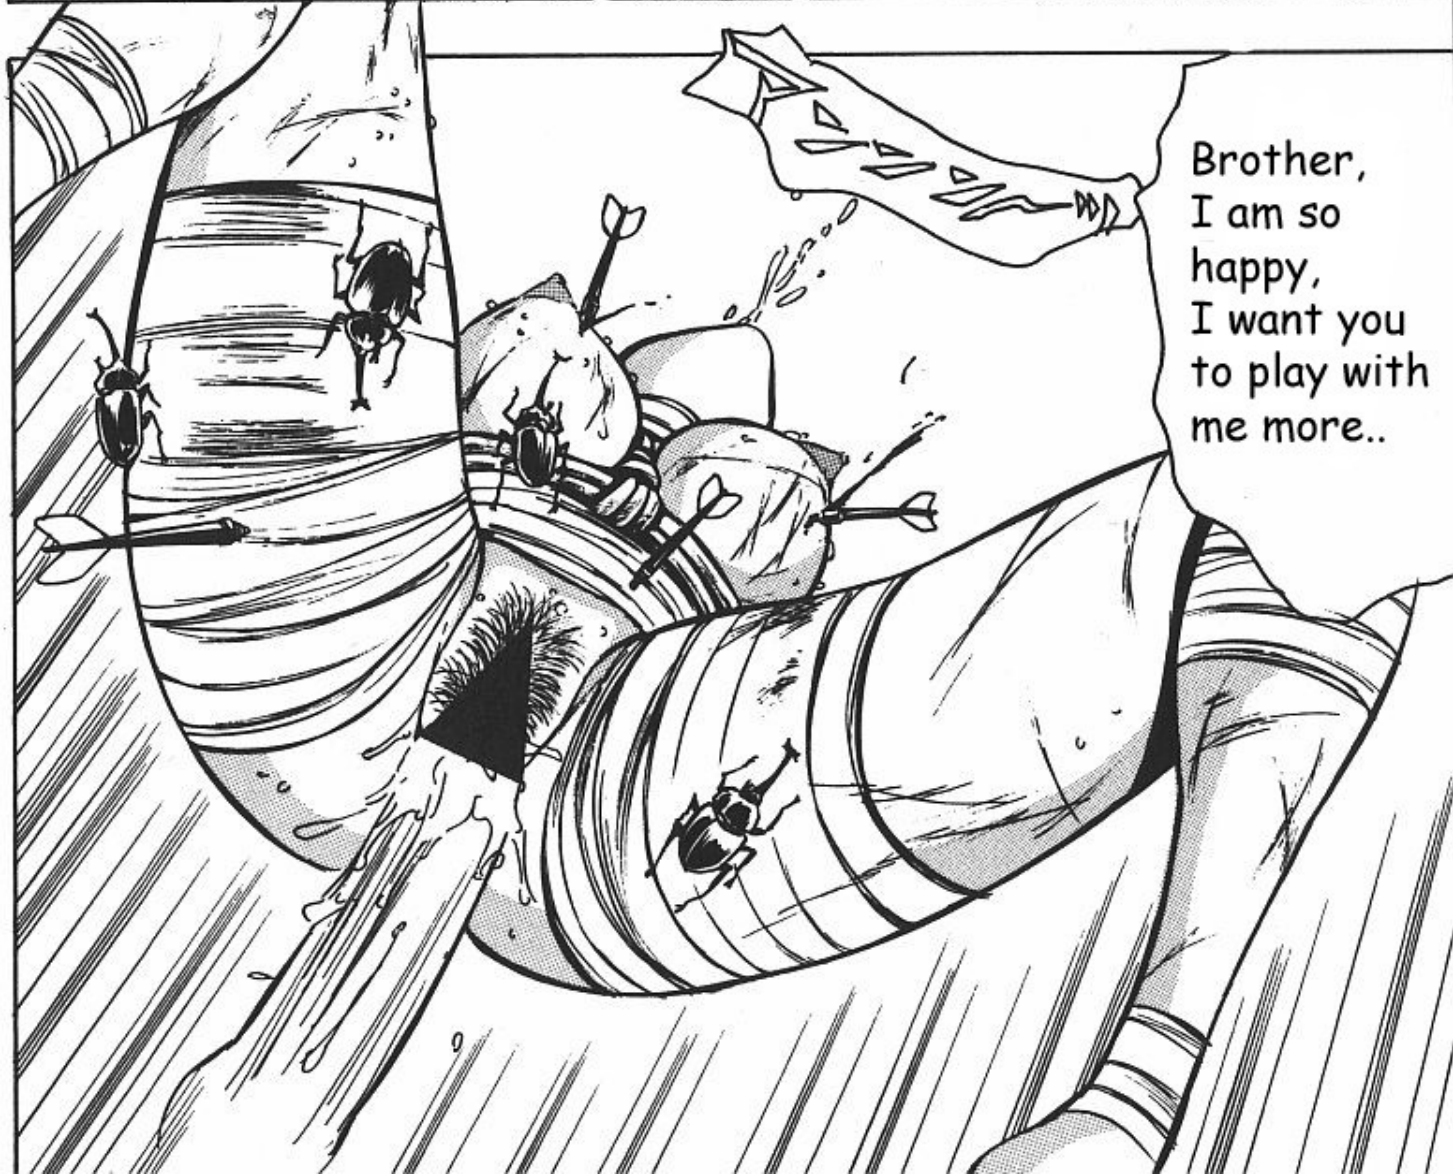

Let's
feel
good
together

はん

Augh...

I can
feel
you
coming
in...

Brother,
I am so
happy,
I want you
to play with
me more..

I'm feeling it...
Brother, I want you to
get more rough with me

By becoming
a "specimen",
I am now
my brother's
treasure.
I couldn't
be happier...
