It was all thanks to your explanations Sensei... They are very clear, and i understand everything immediatly

These supplementary lessons in my home are bearing fruit eh?

Yeah, it was not too difficult

So Sanako-chan, do you manage to solve that problem?

You're a very serious student, There are only a few students like you

Then listening back at school, i can understand even better

We wanna be HAPPY

you're only in middle school, but you are already preparing for the admission tests for the High School. That's really good

A gift?

?

But first, i got a gift to reward your progress...

Ok Sanako-chan then we can start the special lesson...

Then you can stay a little late

They are working

What are your parents doing now?

Yes, your own tail! Be brave, this go in your ass!

But this.....

if couldn't be...

This!

...Eh?

This is also part of the lessons... I went to pick this up just for today, you know?

...must i put it inside?

Do you understand...

If you do not like it, then we are done for today...

But I remember, it was you asking me to teach you to this type of lesson

At your home we can never do these things at ease...

But...
face more
this way,
Please...

Don't worry
Sanako
-chan...
I'm sure
you can
do this

you're
a very
brave
girl...

That's it.
easy, is
it not?

Nnn

Hyah..
it's
cold...

Now we
will
begin
the
lesson

Ok...

Guah!!

I'll start
putting
inhale... in it
ok?

Expire...

It's not easy to pull it out... your ass is sucking it

Ah!

I beg you...!

I've held it too long ...I feel...

Strange...

My anus...

Ahh!... not so!

It's Hn! ripping me off!!!

Do you feel it? I don't think you really want it out

Ah...

Sensei...

I don't have any strength in my pelvis

Its this thing to much stimulation?

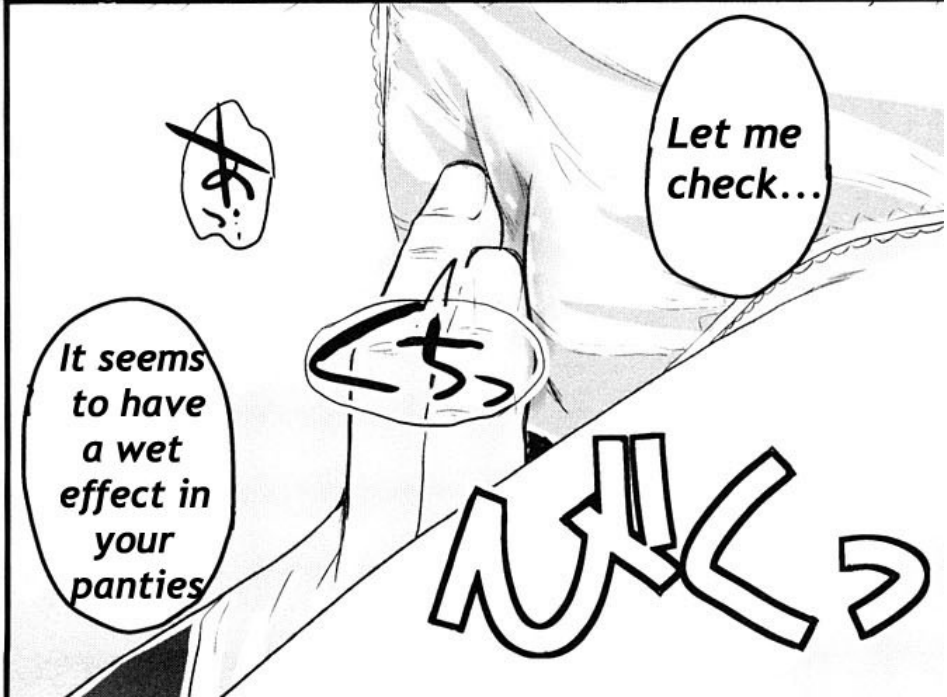

Be careful, you fell from the chair

Ah...

Ah...

Looks like you really liked my gift
It makes me very happy...

Let me check...

It seems to have a wet effect in your panties

Wet

You're a real slut Sanako-chan

To think That a virgin like you can get so wet...

Yaah Aah..ah Nooo...

Who would have tought that your ass would be so sensitive?

And why?

Bad?

I've... been bad sensei...

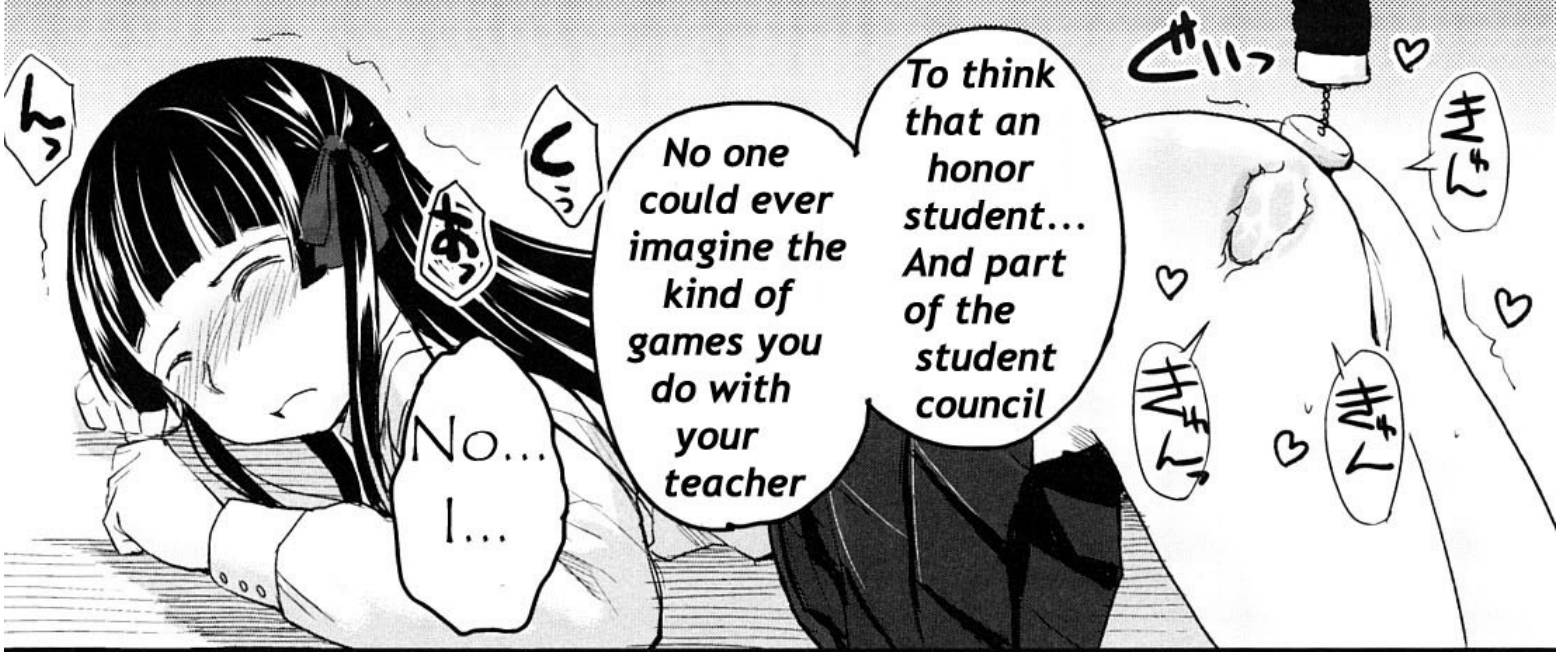

Always... me...

Who is the one that its excited doing arithmetics while there is a toy inside her

M-ME...

who has been asking me to teach her to do dirty things?

No one could ever imagine the kind of games you do with your teacher

To think that an honor student... And part of the student council

No... I...

And so big, but it enters easily

Putting a tail in your ass pleases you

I-its not true... Don't...

I don't believe you

Ah, don't it's tickling inside

Dreaming that you're doing it with your beloved sensei

Even when you're in school you think in dirty things right?

Don't look...

Agh..gh
My front...
noo...

Here is also dripping a lot

Lets see the situation down here

The inside of your cunt has a beautiful pink color.

And even your anal cavity. Your ass It's fully open now

You really have a beautiful spreading asshole

Aaaa

Yet you jealously preserve your virginity You're going to give it to that boy right?

No...
If you
keep
rubbing
it...

And it's
so smooth
that it
seems like
its wrapping
around my
cock

んんんん

...If i keep
rubbing your
clitoris like
this, are you
loving how
I'm tickling
you?

Y-yes,
but...

But if
you
continue
to get so
wet i could
end up
inside by
mistake

んんんん

Sensei,
you're
kidding
right...?

But I
respect
your
desire ...
so ...

No, i'm
always
serious

Eh...?

ヒッヒッ

I am sure that it was looking forward to it ...

You have a bit off a perverse ass, is it not...?

And my pelvis... it's moving on its own

Im... doing it... Anal sex...

サッ

Tell me Sanako-chan, what are you doing now?

You're thinking in arithmetics?

ハッハッ

You're so drenched inside...

And besides that, you are also tightening

Yes... it's piercing my ass... A big cock

Ah... your penis it's moving

I feel a shiver inside...

サッ

ハッ

Well now that is what I like ...

What are we doing?

I-i see myself... and the sensei...

Here, look in the mirror
What do you see?

we are doing...
sex...

FUTAN!

...It's spreading my anus really wide...

..I feel the penis going inside me...

Ah...
I-i...

Correct Sanako-chan...
Now tell me, what are you feeling?

D-dont open it...

you can see, up to the hymen

Look here

No... do not open my legs...

ぽかぽか

Although I can see all the little thing... and my ass... in a pose so obscene...

You are a virgin, but you move your hips so perverted

You're a mess wetting front and back

I have a perverted face

I can't... i cannot stop...!!

Even though I am so ashamed ...

ぽかぽか

ぽかぽか

Seems like Sanako-chan it's getting more hot...

Sanako-chan your ass seems to been used to this

Did you liked it sensei?

Are you serious?

There is nothing wrong with that, it's actually a good thing

My body... moved on his own...

What?
are you
excited
as I'm
cleaning
the little
hole?

Hh...!

A-also
inside!?

We
clean up
now your
asshole,

That
scares
me
a bit.

Lately...
I'm
getting
excited
easily

It
continues
to get
wet
even
now

I get
weak
knees...

I
should've
stayed
a little
more
inside

So thanks
for
everything
today

Look
out for
the
road

In the
study...
and the
sex

You see
you're
a girl
who
commits
in
what
you do

Ah...!

Are you ok?
what's wrong?!

え!?!?

Se...
Senpai?!

Uh?
Ninamori-san?

But you have a red face...

I'm okay really. I can go alone

Are you sure? want me to take to your home?

I don't know how i will face him tomorrow...

Now to him I will be a completely crazy girl

Now he think's i'm crazy
