Please forgive me...

The incest between
mother and son

Sister June,
Are you
aware of
why you
are
here.

I have
engaged
in a sexual
act

I
have
sinned.

Yes

With
your own
son,
that is!

That is
the
ulitmate
sin,
take
her away!

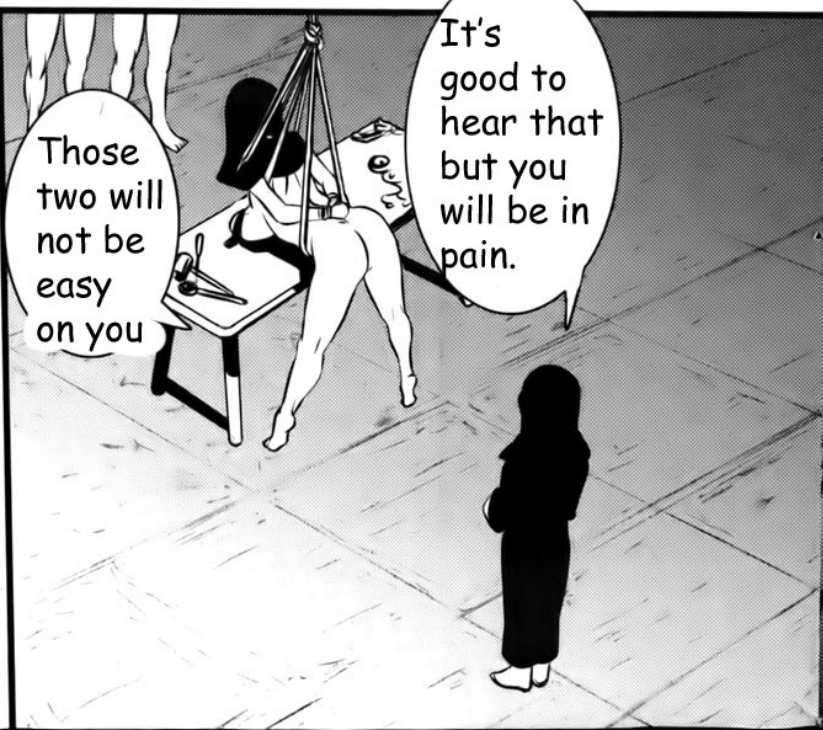

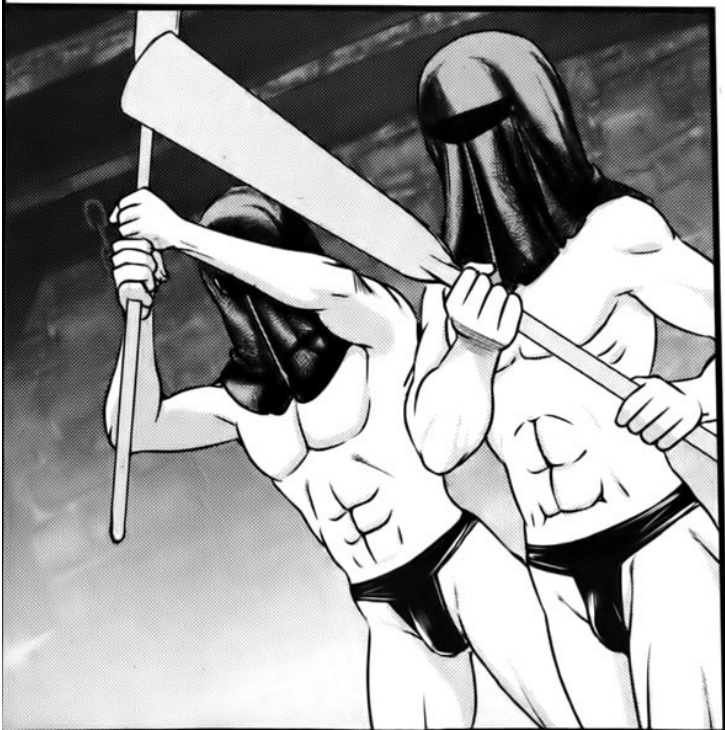

You have two options. Accept the punishment

Or leave this church

I am ready to receive the punishment

Those two will not be easy on you

It's good to hear that but you will be in pain.

If you are wanting to be forgiven, you should be able to stand any pain.

wait!

With that !?

AUGH !!!

It... hurts down there

Uuhh...

Oh, please forgive me

I can't take this...

In an extreme state of mind, people speak of the truth

Whatever you have deep inside your mind, say it out loud

Mother, this has to be done

Even though I was asking for forgiveness, my body and mind was wanting something else..

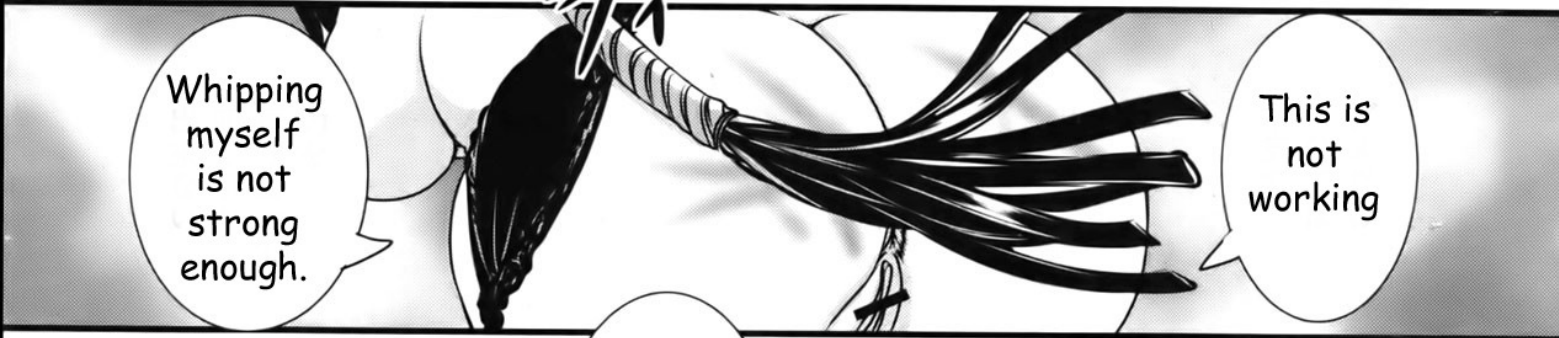

Let's do this together.

I will try to fight back too, by inflicting pain on myself.

Whipping myself is not strong enough.

This is not working

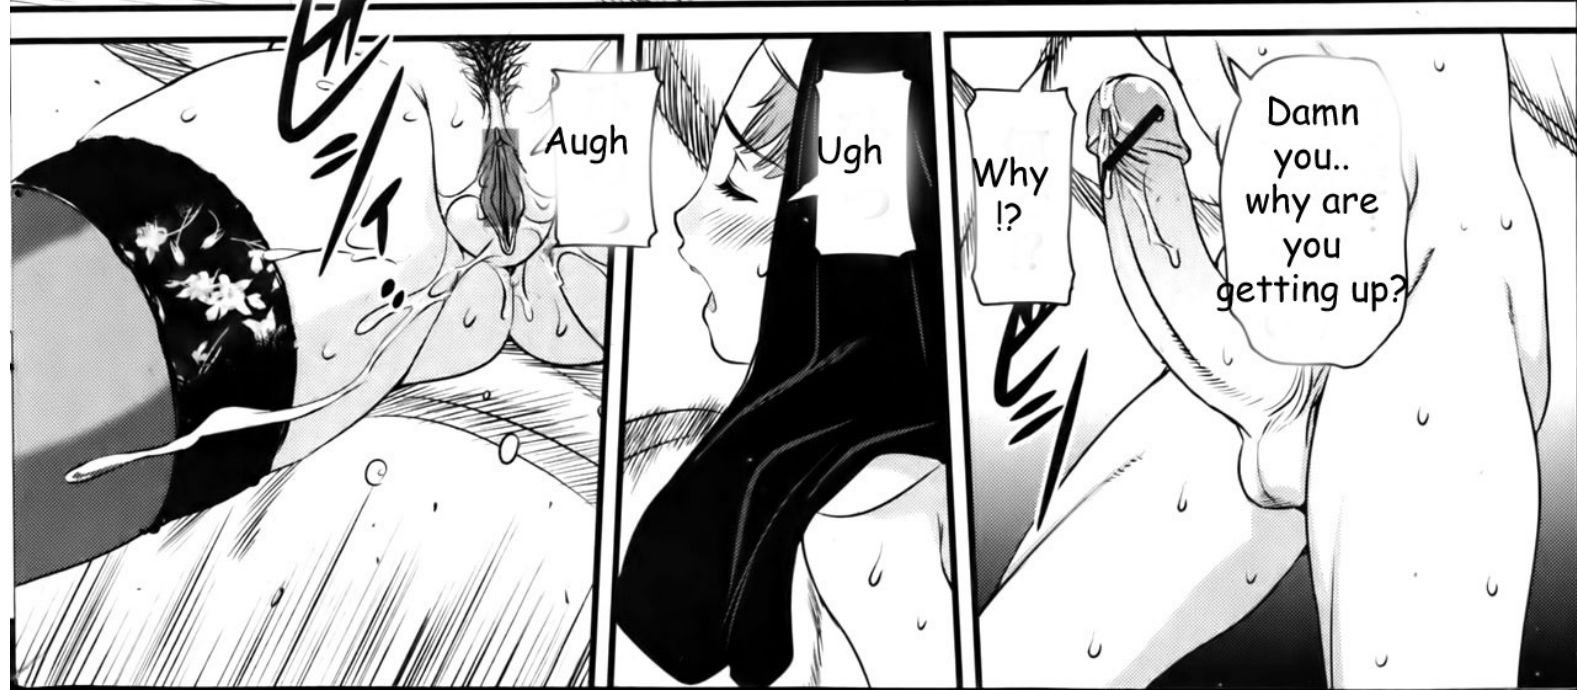

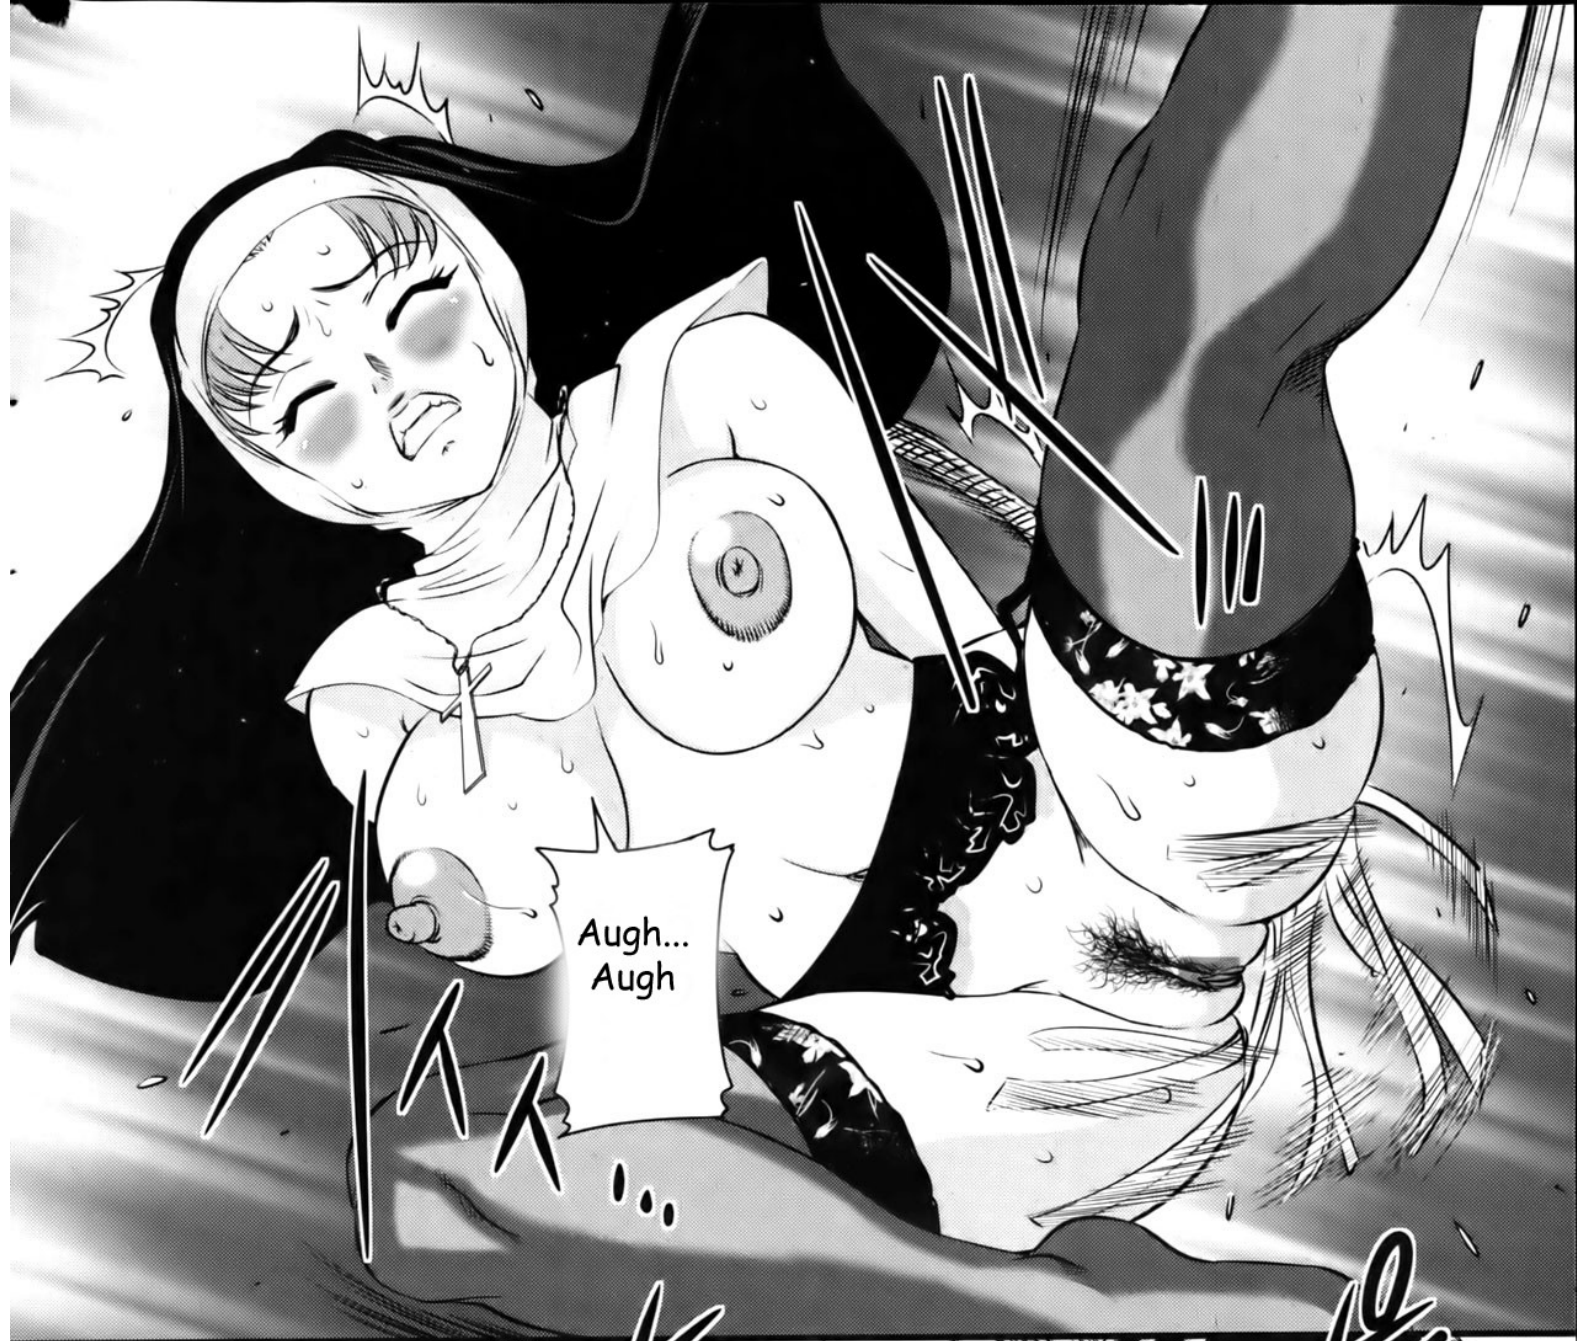

OK... Here I come

You have to do it, be sure to hit hard

Mom...

You do it Shinji, use all your strength

Shinji,
you have
to do this
more

It's
not working
for me
either...

I need you
to give me
more
pain

Go ahead
and look
down
at me

I'll
put this
on, so

Augh
.....

Don't
take it
the
wrong
way...

huff.

ugh

This should help, right?

See, I look so silly and ugly...

Do you still want to have sex with me?

Are you still getting excited?

Haha, you look funny mom

So this is how it always ends...

Augh...

Yes, I do mom

た

I want to see your pretty face

Ugh... Mmmhmm, augh...

Augh...

Shinji, it's so hard and big...

Augh..

Here it comes..

Augh

I'm happy,
Mommy
is so
happy

Auu

Just

is not

I went through the same thing, over and over again but the feeling never went away

Huff. huff
