No, that's alright...
This happens to me all the time!

I'm so sorry! You even made me dinner...

You know...
So...

I knew it! This happens to me all the time!

To be completely honest, I would like to ask you something...

My friends at school... Talk about various dirty things and so on, but...
To be honest, I don't know what they're talking about so well...

But they still might figure out that I have no experience...

I did a lot of research, so I have all the knowledge, but...

.....

So, I thought the best thing to do here would be to actually gain some experience...

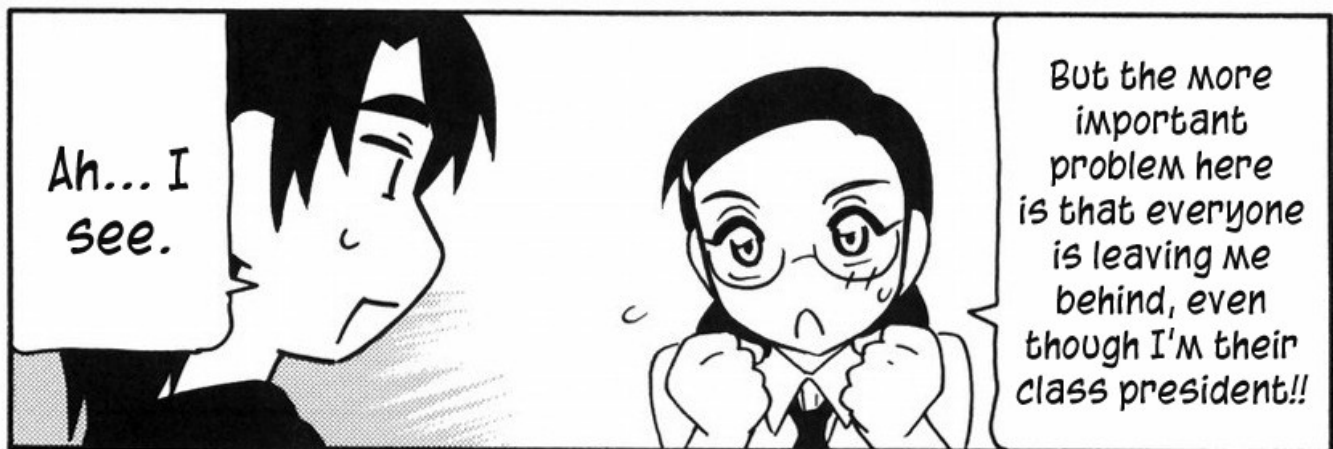

You know...

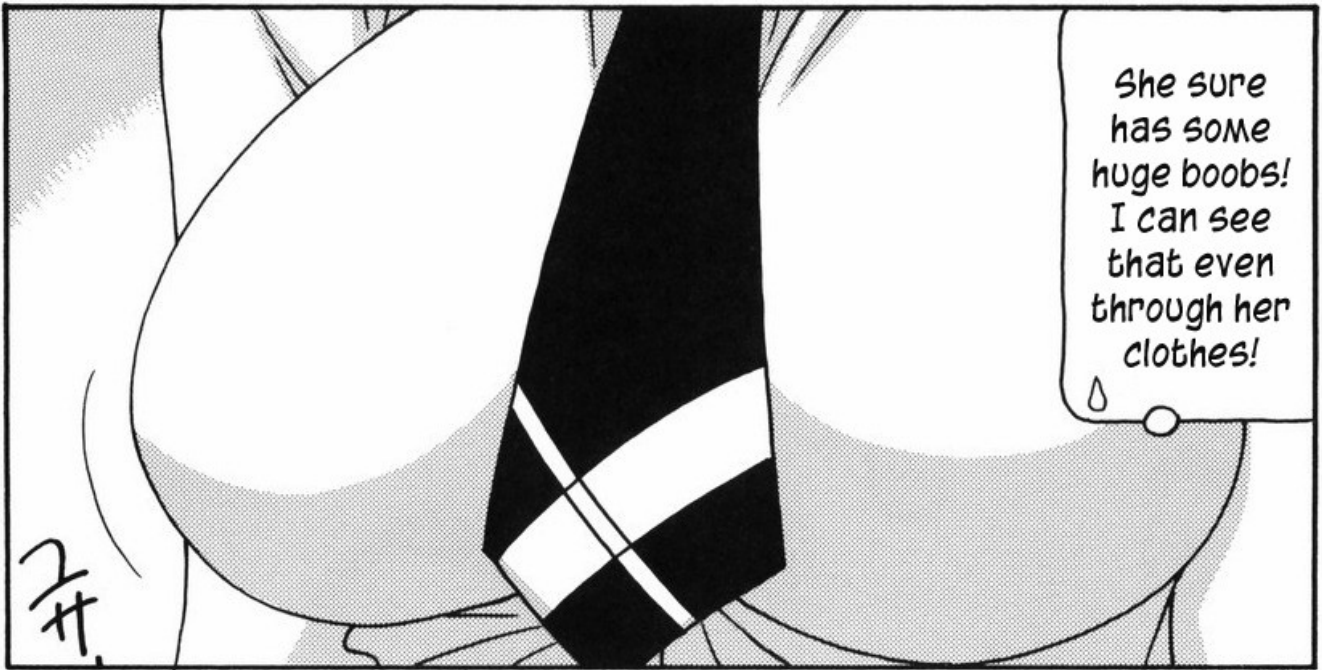

Excuse me!?

I guess that's just what the girls these days are all like...

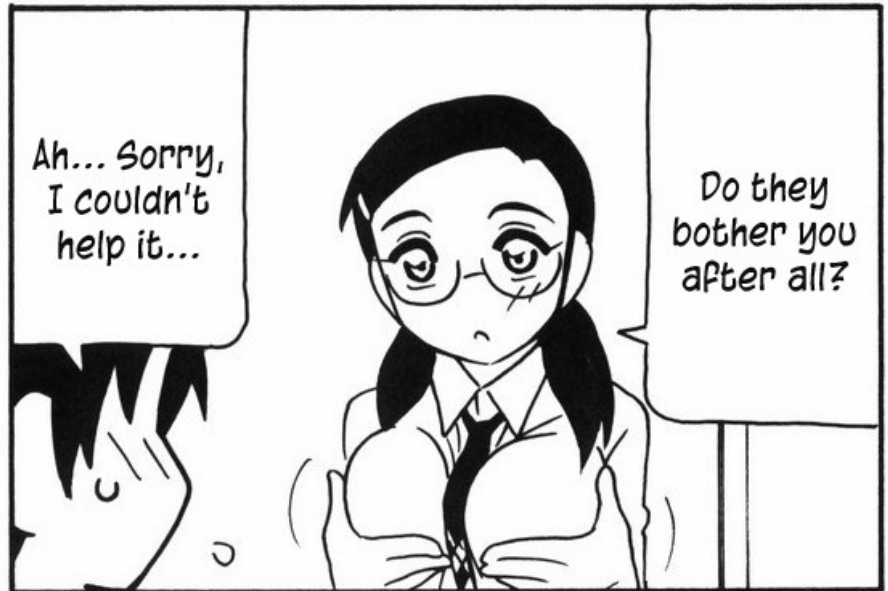

She sure has some huge boobs! I can see that even through her clothes!

Don't worry, I'm used to this...

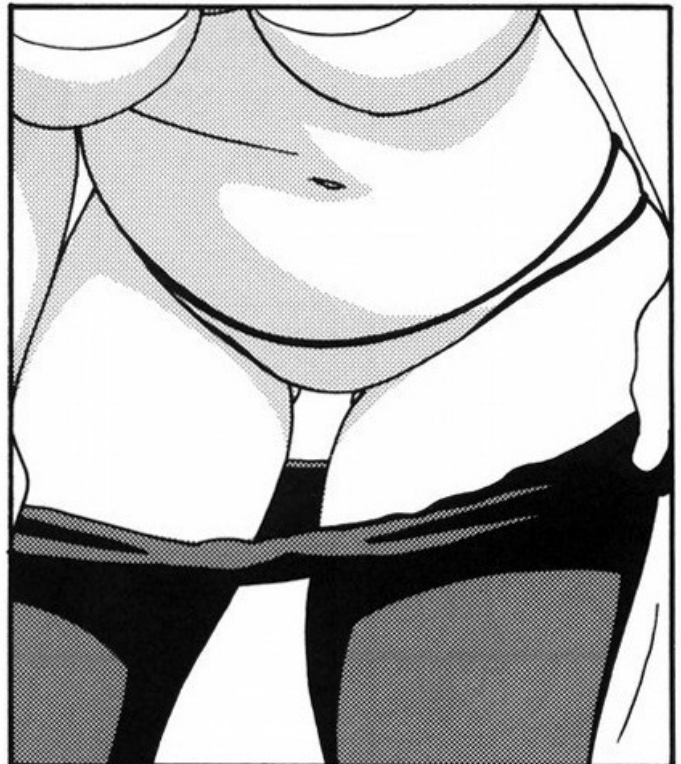

Ah... Sorry, I couldn't help it...

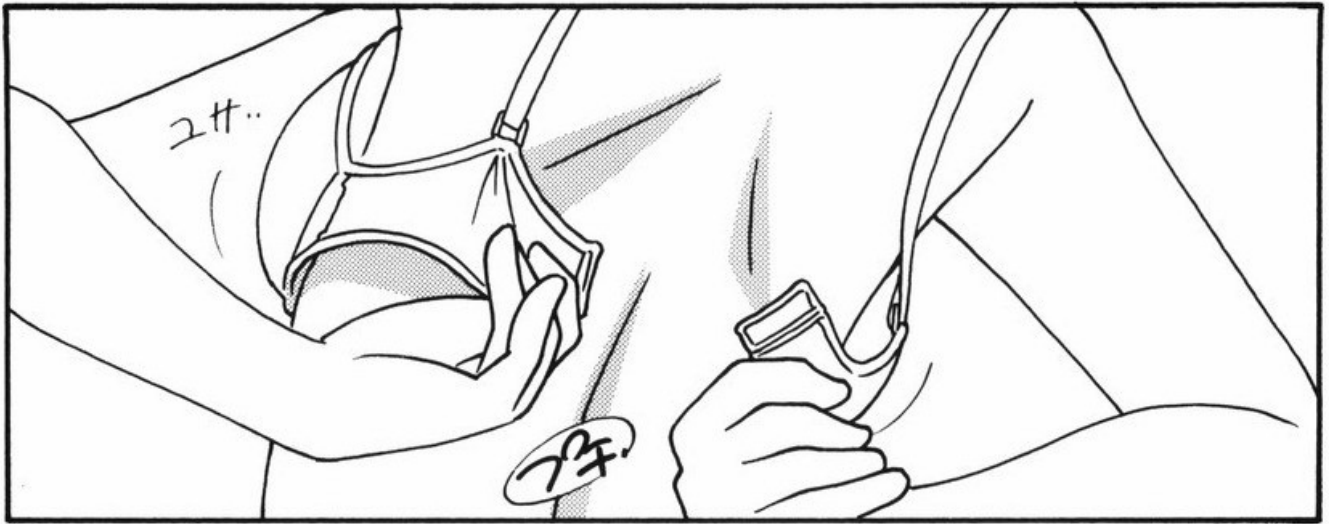

Do they bother you after all?

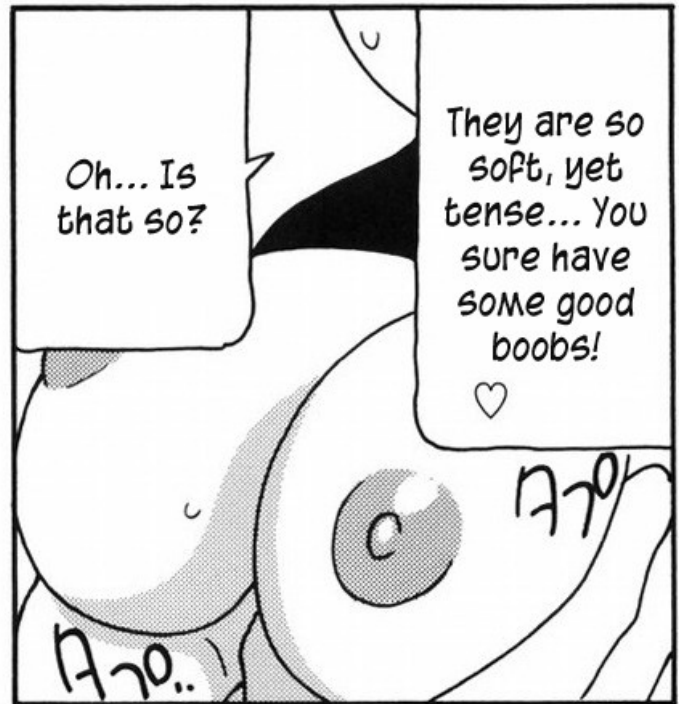

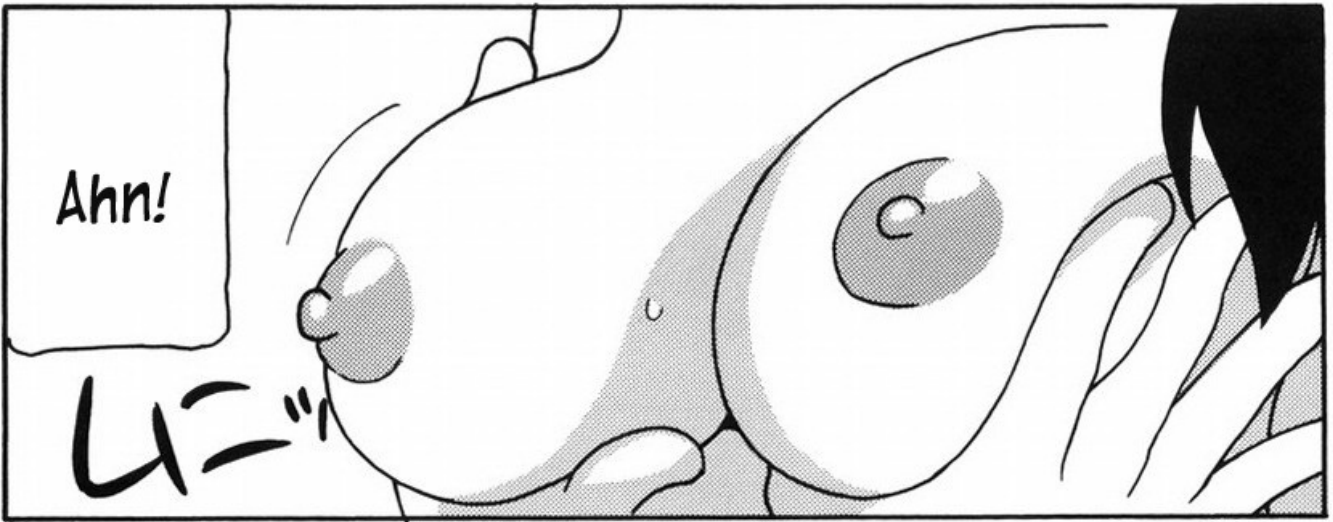

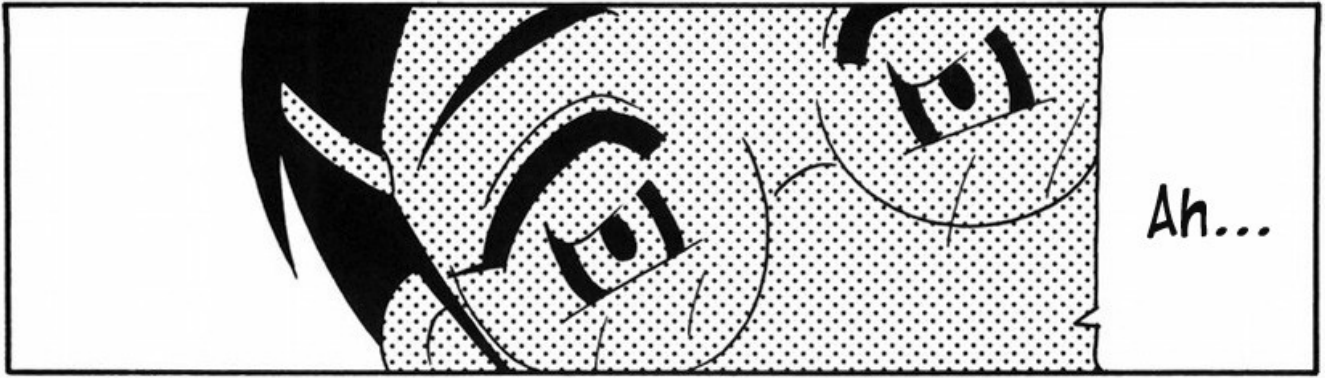

I guess you're right!

But since you're interested in my body, should I take it that you wouldn't mind having sex with me?

Well, I came prepared!

For some reason...
You're pretty good at this, huh?

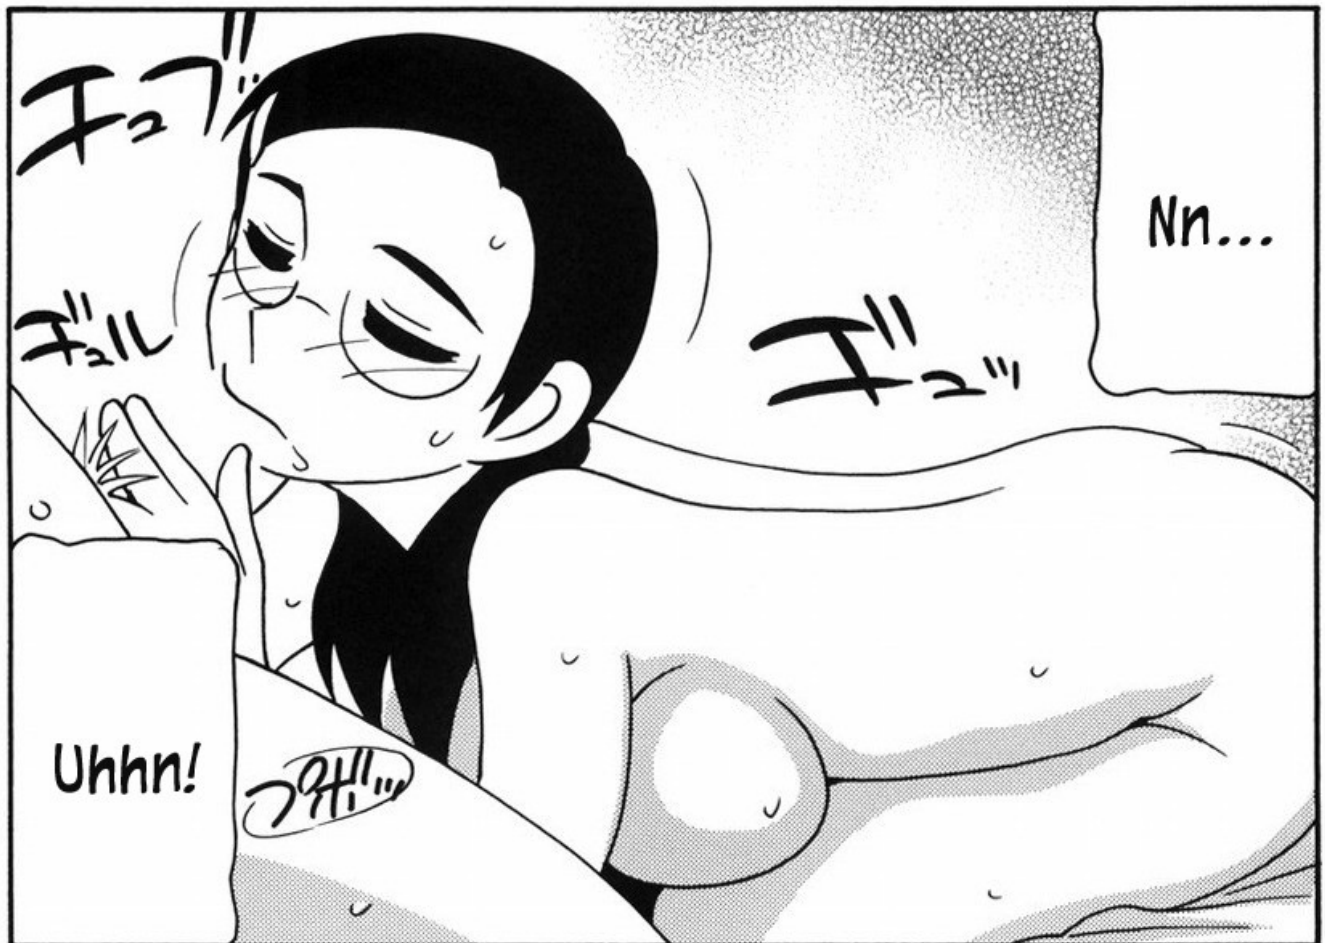

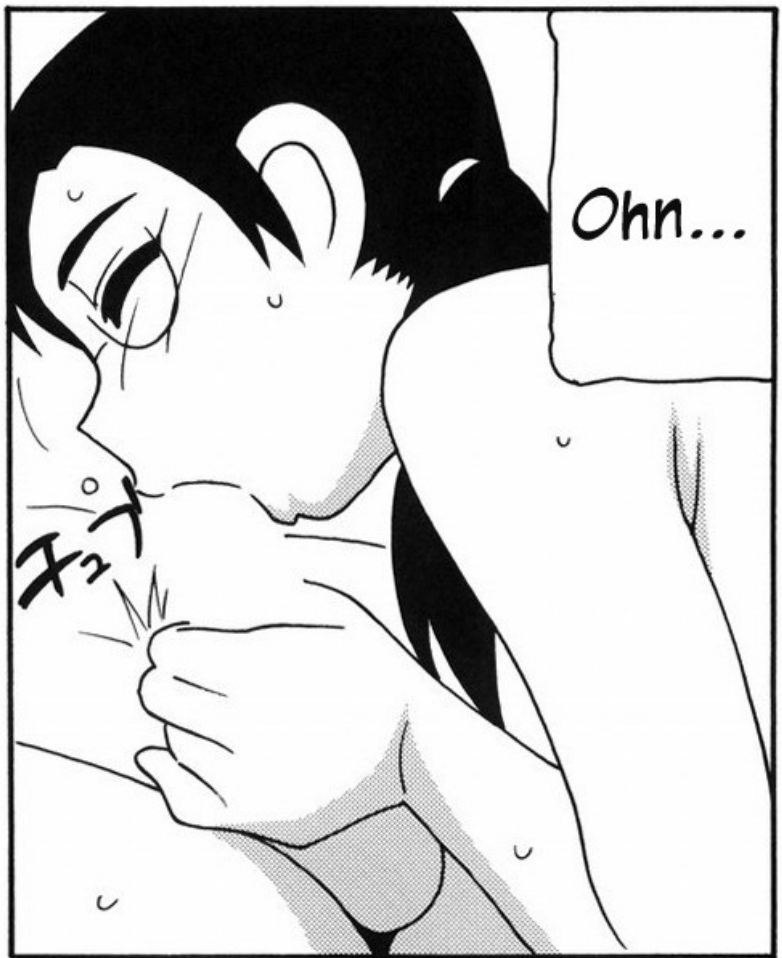

Although, I have never done this with the real thing before...
