rushing
wind
stimulates
our

As
the

plants
nurture
their
sprouts,

Romareda
ロマレダ

We
bless
and
welcome
you,
Haruna,

as a
new
member
of our
family.

Yoato,
the
head
of
the
family,

And
now,
together
with
the
one
whom
you
have
agreed
to
marry,

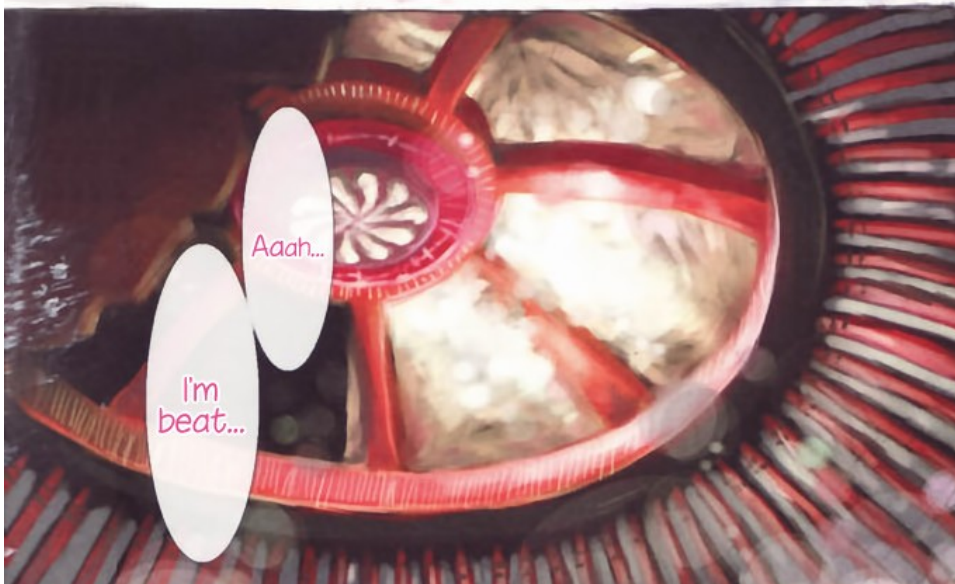

a
new
season,
and
para-
graph
awaits
you

and
second
wife
Anoeta,

his
first
wife
Ibara,

Aaah...
I'm
beat...

as a
family,

Oh? You're tired, Haruna-chan?

Oh... First wife-

Just call me Ibara.

Ibara will be fine.

Anyway,

are you tired? Are you tired?

Just from that?

The real thing has yet to start.

What?

You know what'll happen tonight, right?

Eh? What?

Ah!

Your
wedding
night!

Yes.
It's your
first night.

Eh - eeeeeeh!?

Puhahaha

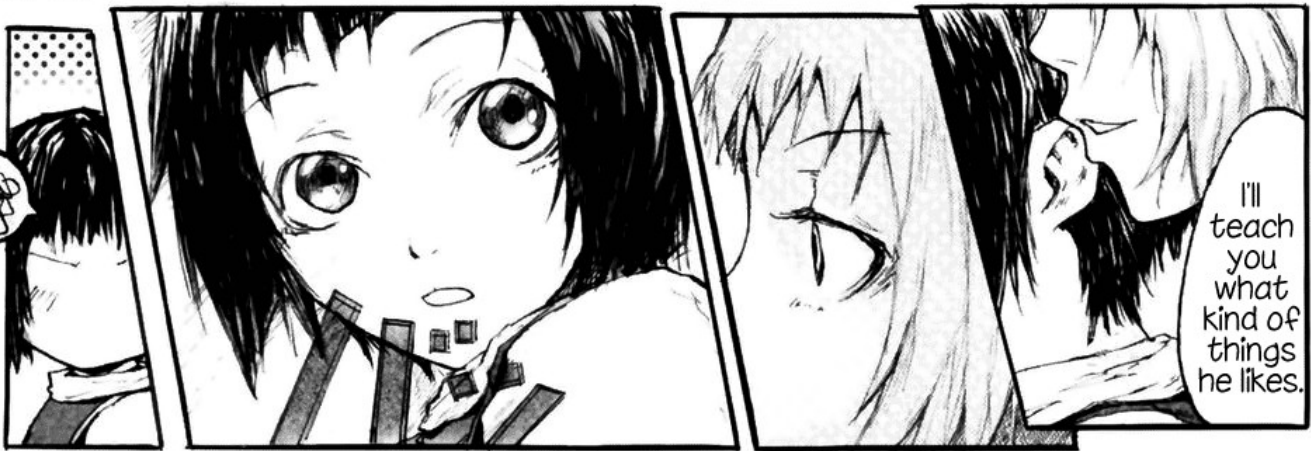

Pff

Hehehe

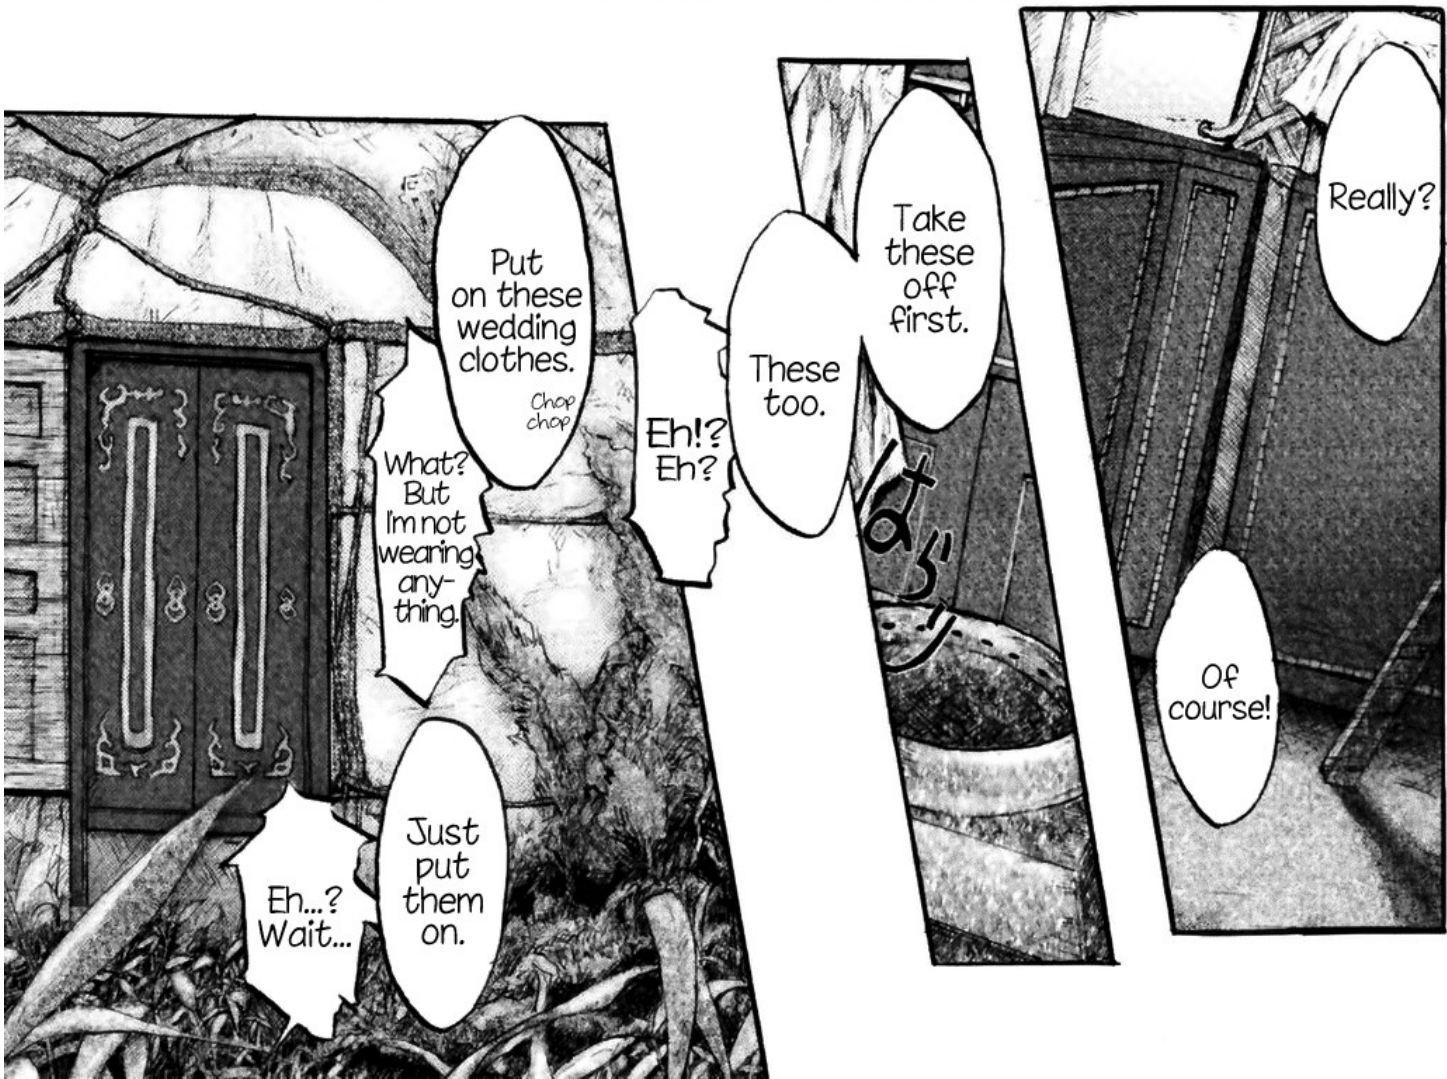

What do you mean "you're sorry"?

I'm sorry.

I'll teach you what kind of things he likes.

Put on these wedding clothes.
Chop chop

What? But I'm not wearing anything.

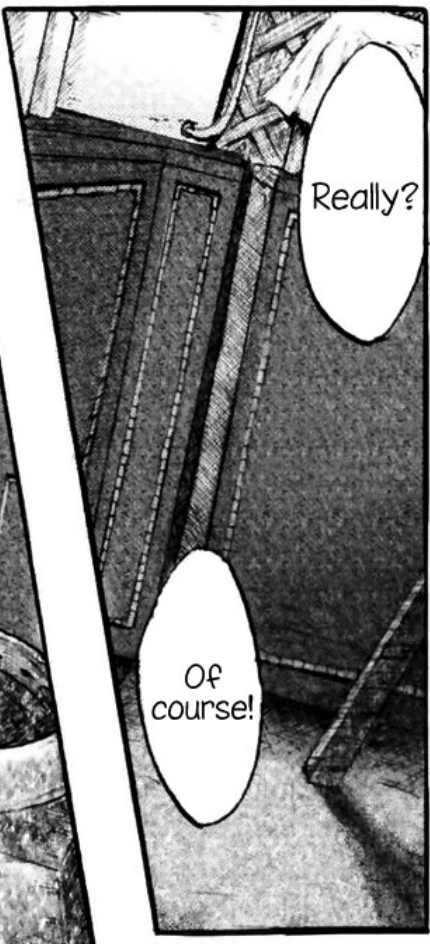

Eh...? Wait...

Just put them on.

Eh!?!
Eh?!

These too.

Take these off first.

Really?

Of course!

Yoato,

We're
coming
in.

Well, I'll be on my way.

Eh?

.....

You've been tricked.

Ye-yes!?

Haruna.

Uh-uhm ...

Eeeeh!?

Eeeeh!?

Hm?

This has got to be a peeping spot, no doubt.

Anoeta...

Geh-

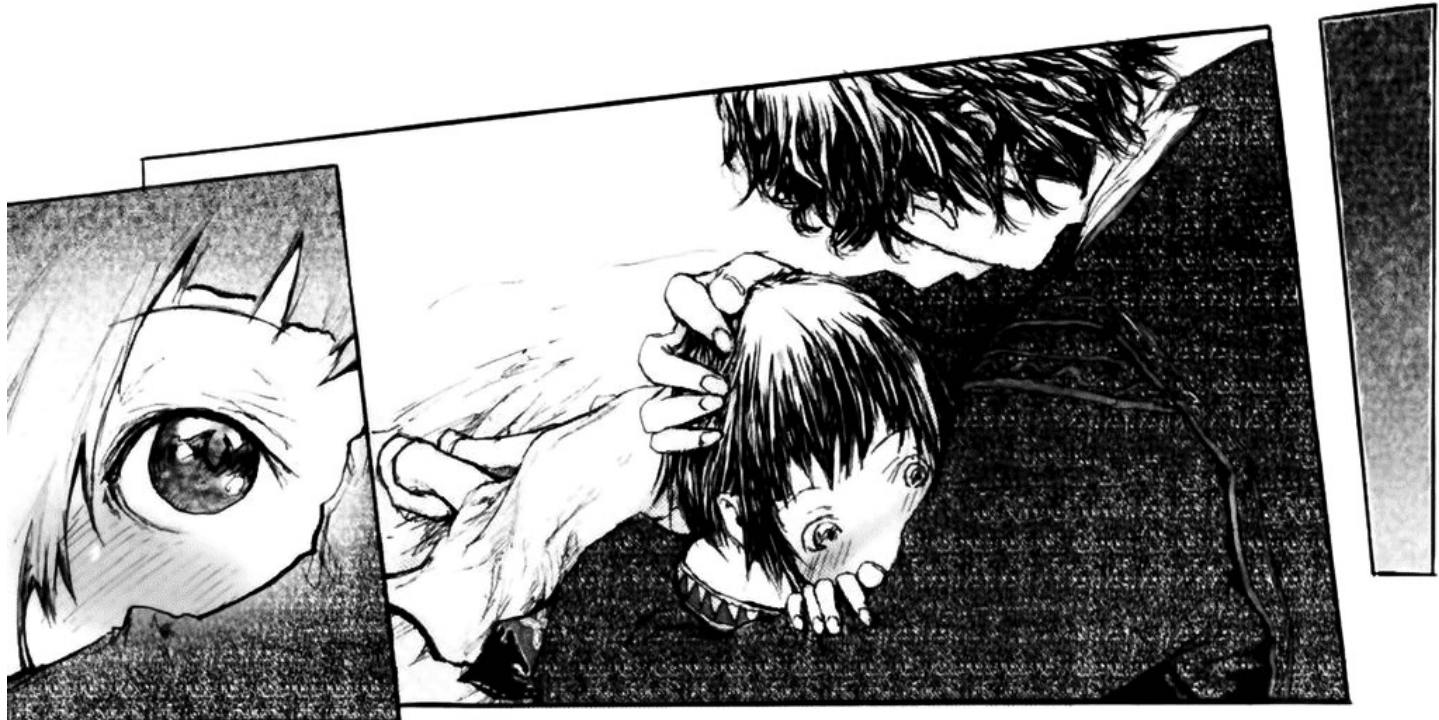

.....

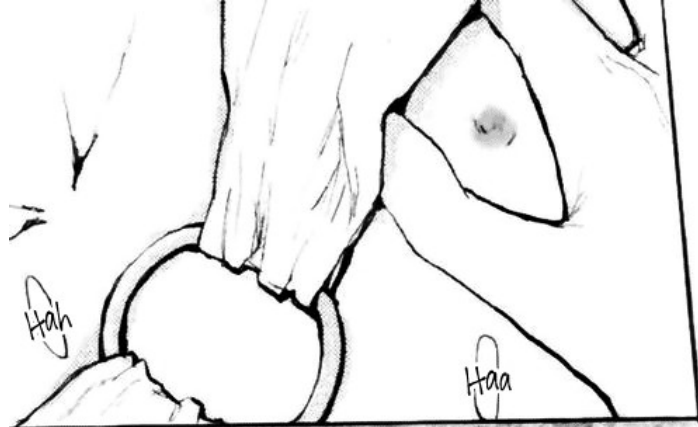

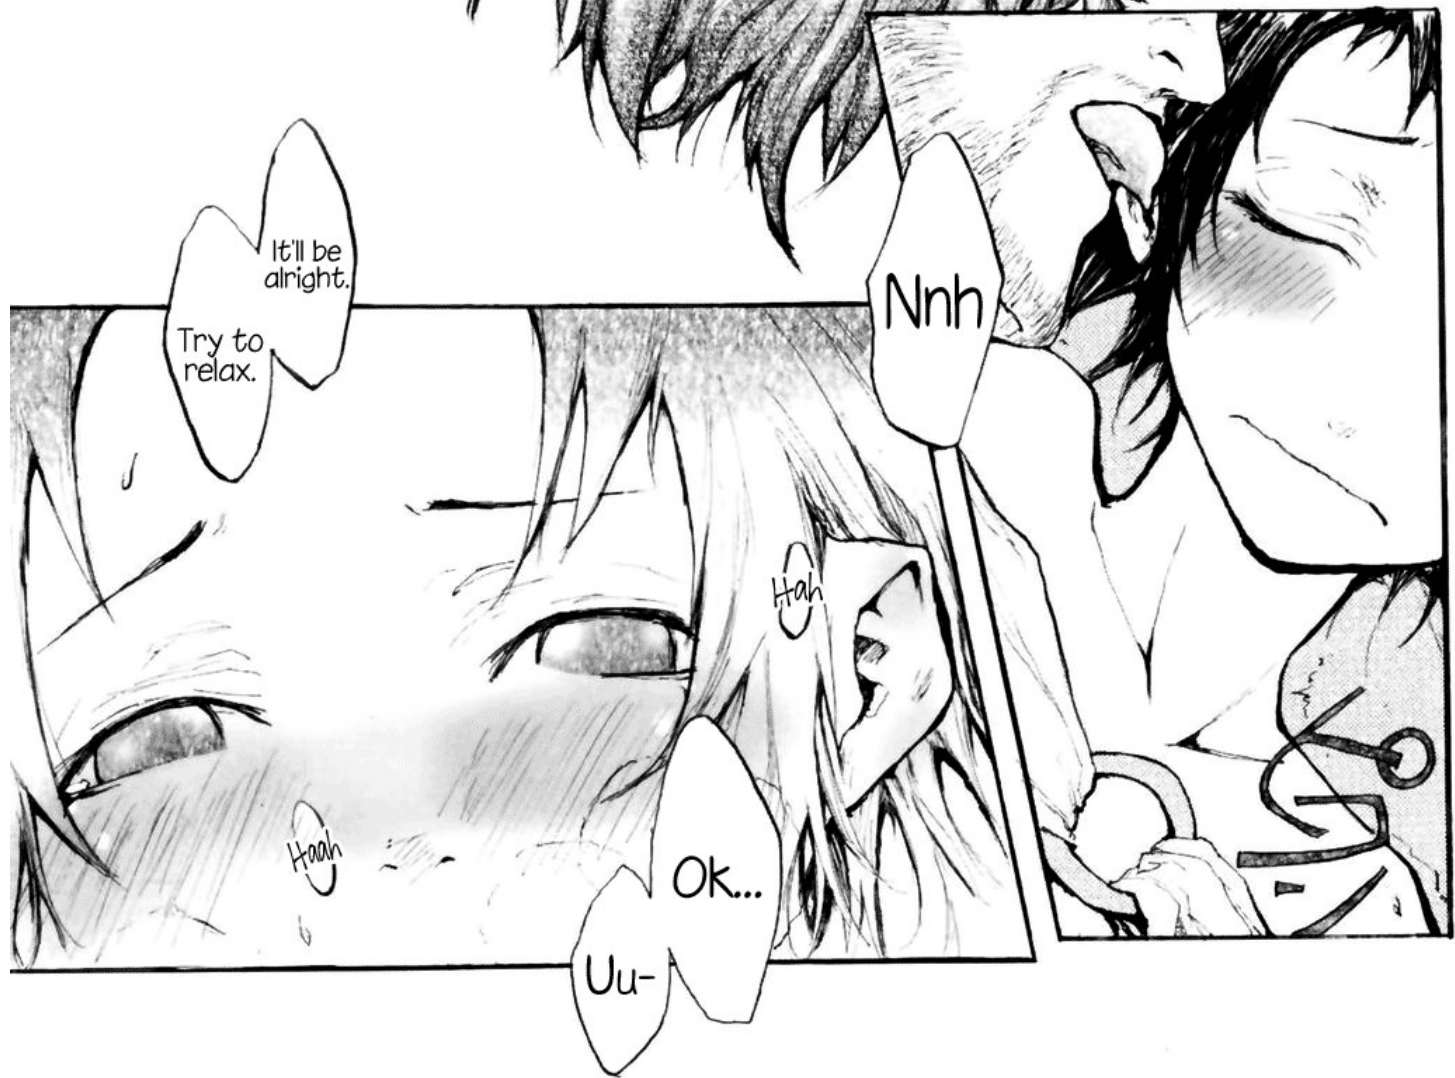

Ehee

Uhee

That flower's aphrodisiac effect must be doing its work by now.

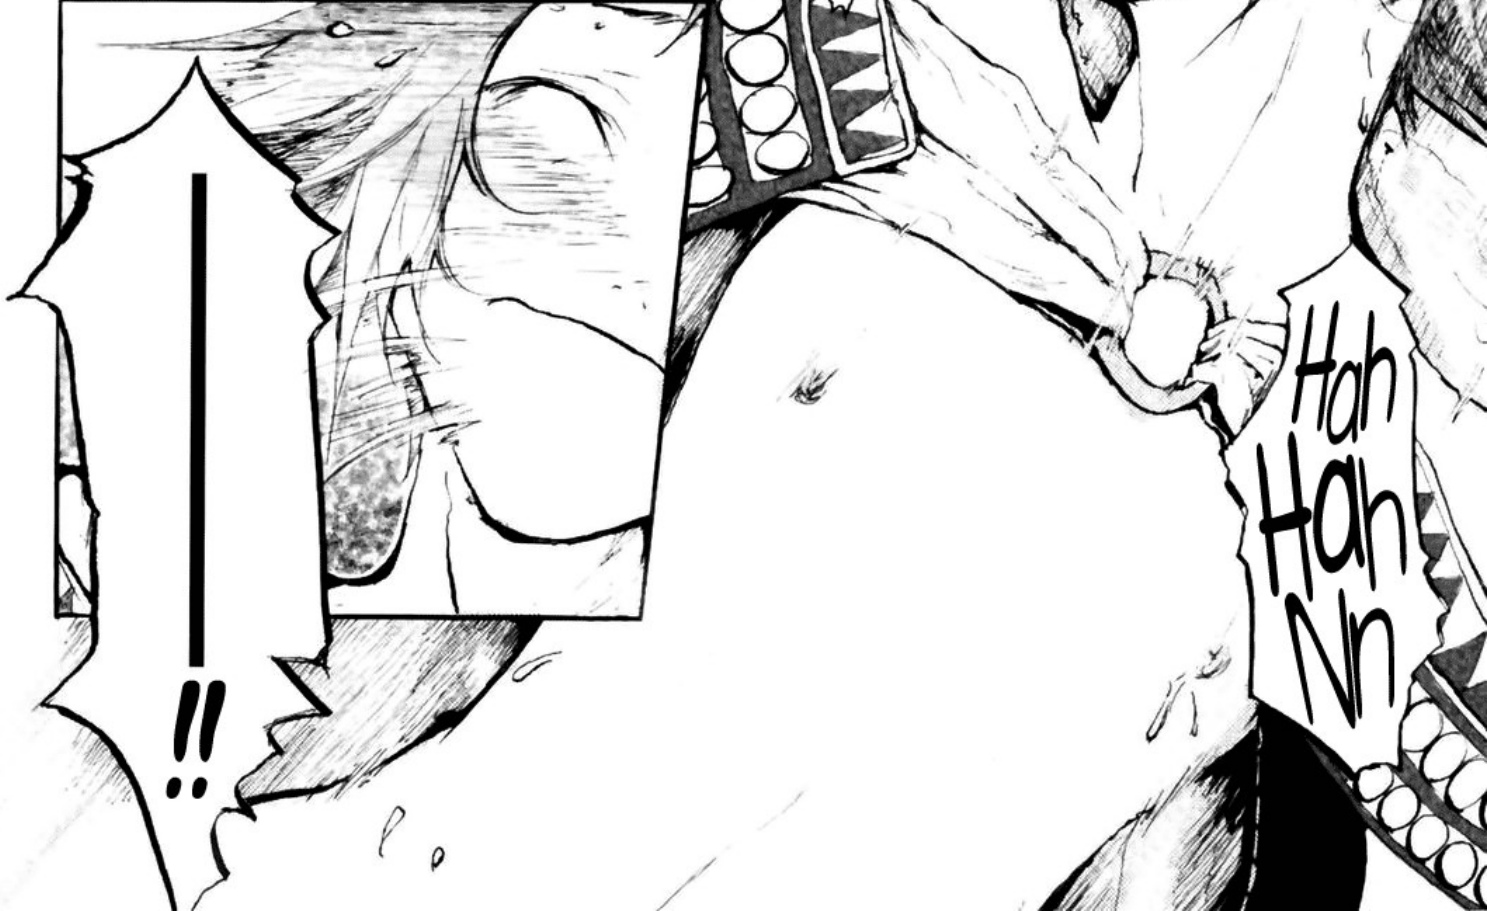

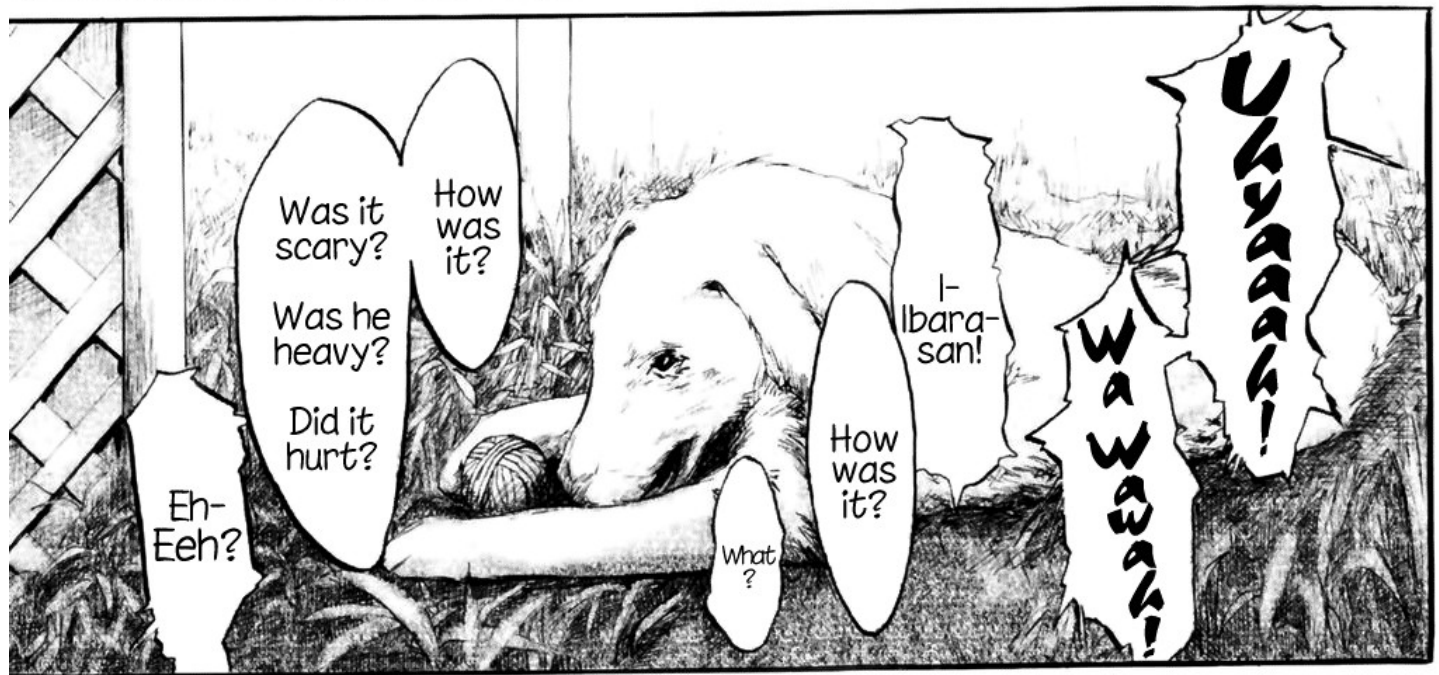

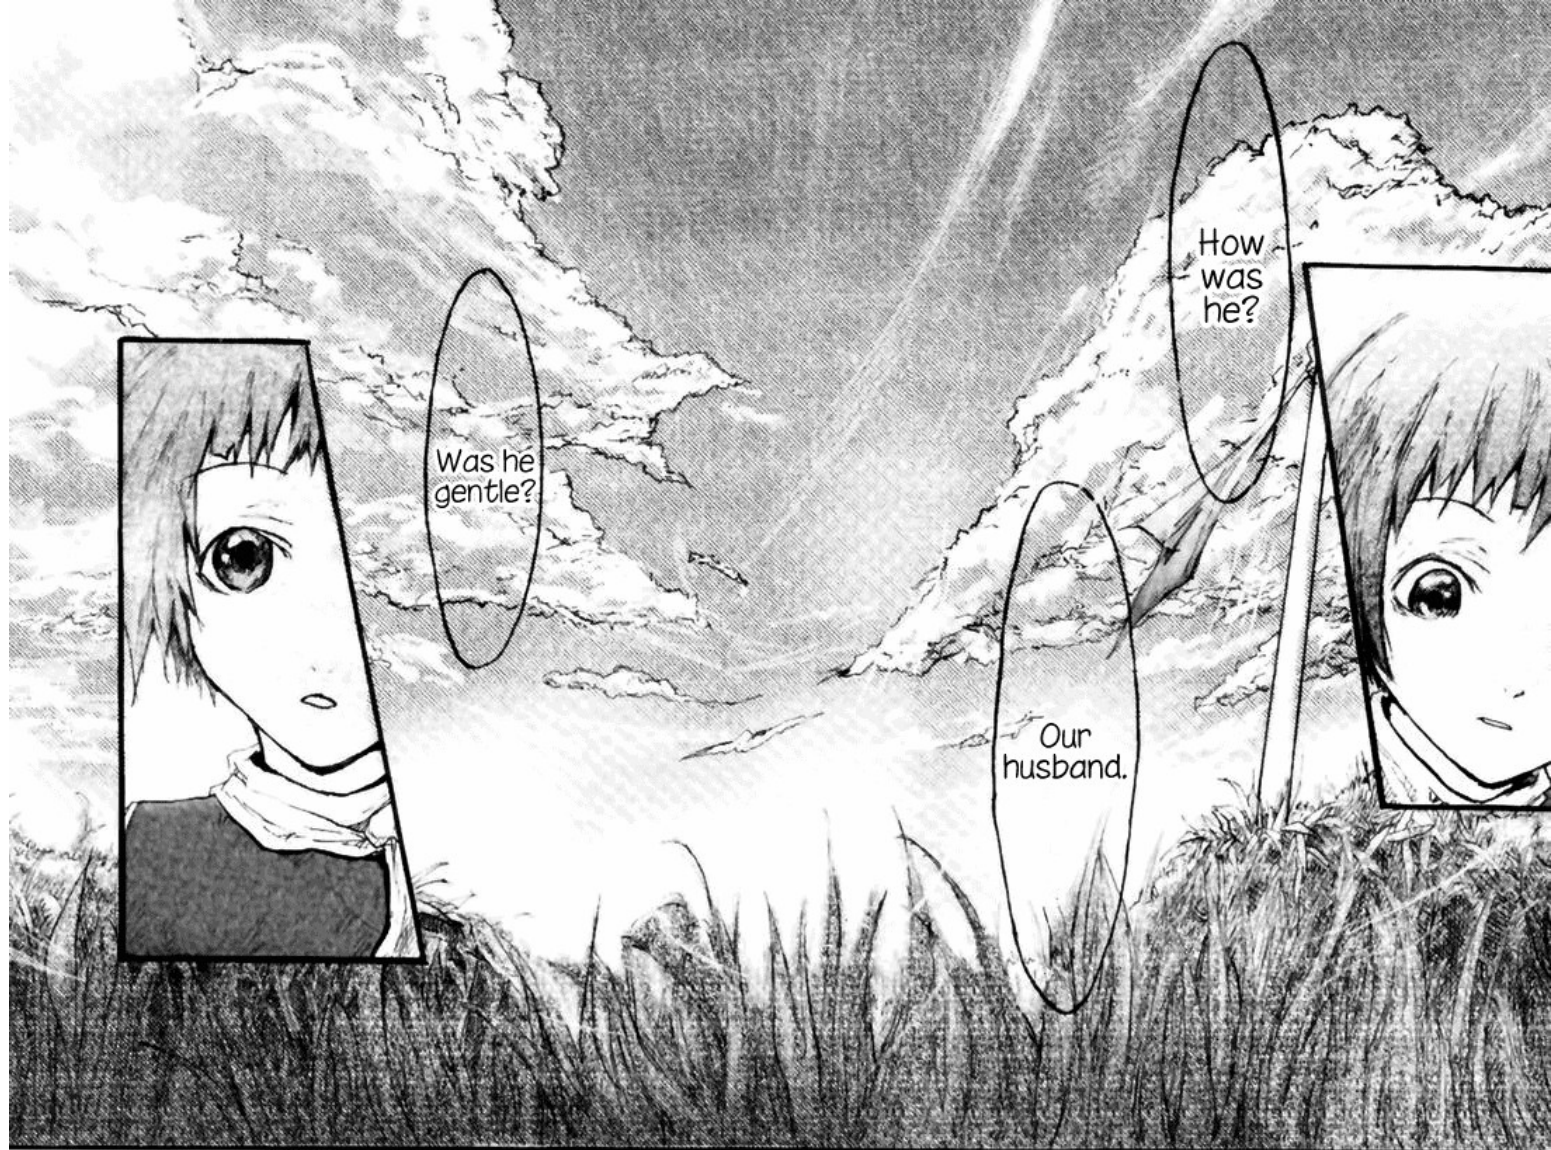

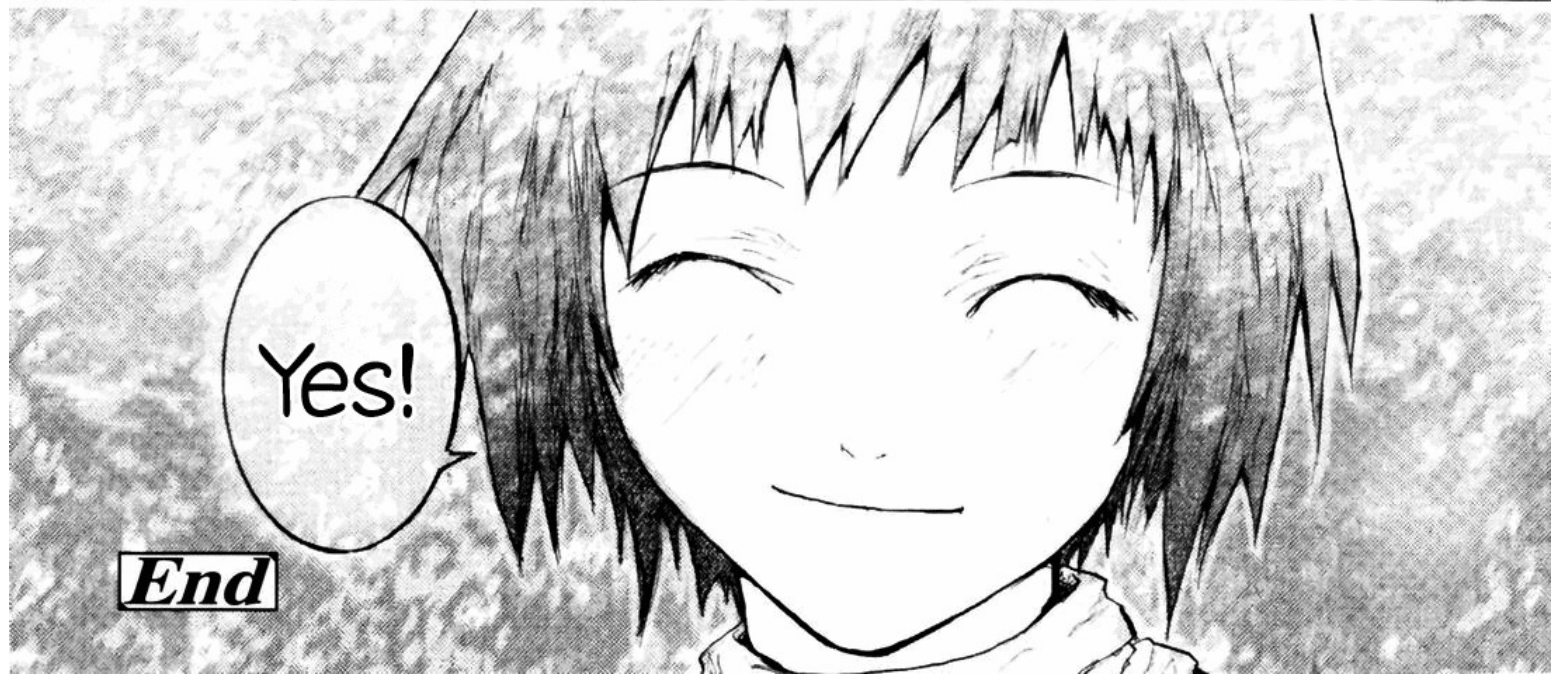

Was he gentle?

How was he?

Our husband.

Yes!

End

Romareda
