

My name is Koume.

Koume, go around and collect everyone's worksheets.

Yes, sensei.

Okay

Koume... You're on day duty today.

Broken

But it's not as tough as you'd think.

I'm always alone.

I don't have any friends or family.

What's **this**? A bear? It's so gross!...

Because my mother left me something very special.

!!

No wonder it's so dirty...

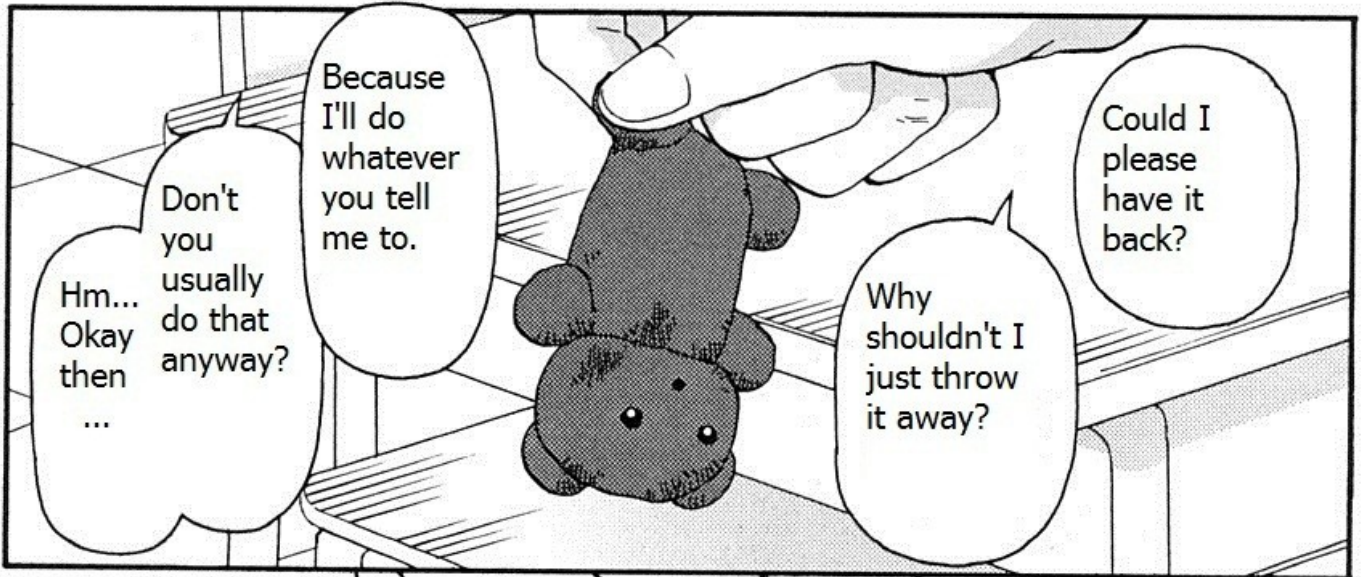

What? Is this yours?

Yes ...

Um ...

Hm?

Hm... Okay then ...

Don't you usually do that anyway?

Because I'll do whatever you tell me to.

Why shouldn't I just throw it away?

Could I please have it back?

huh ?

I might think about giving it back.

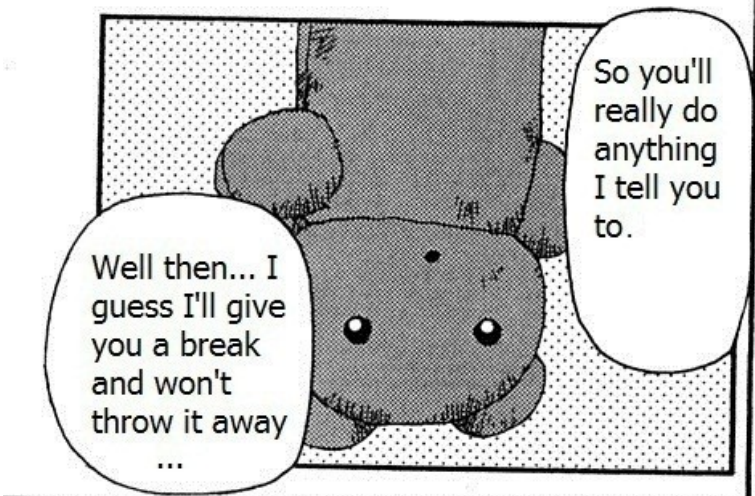

If you take off your panties right now...

Now can I have it back?

I took them off...

She seriously took them off...

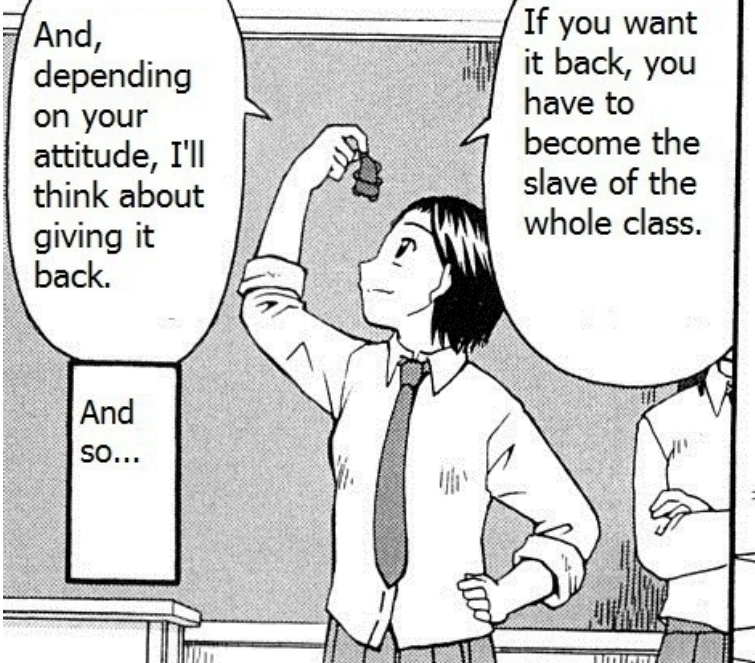

Well then... I guess I'll give you a break and won't throw it away ...

So you'll really do anything I tell you to.

!

But, whether I return it or not is another story.

And, depending on your attitude, I'll think about giving it back.

If you want it back, you have to become the slave of the whole class.

And so...

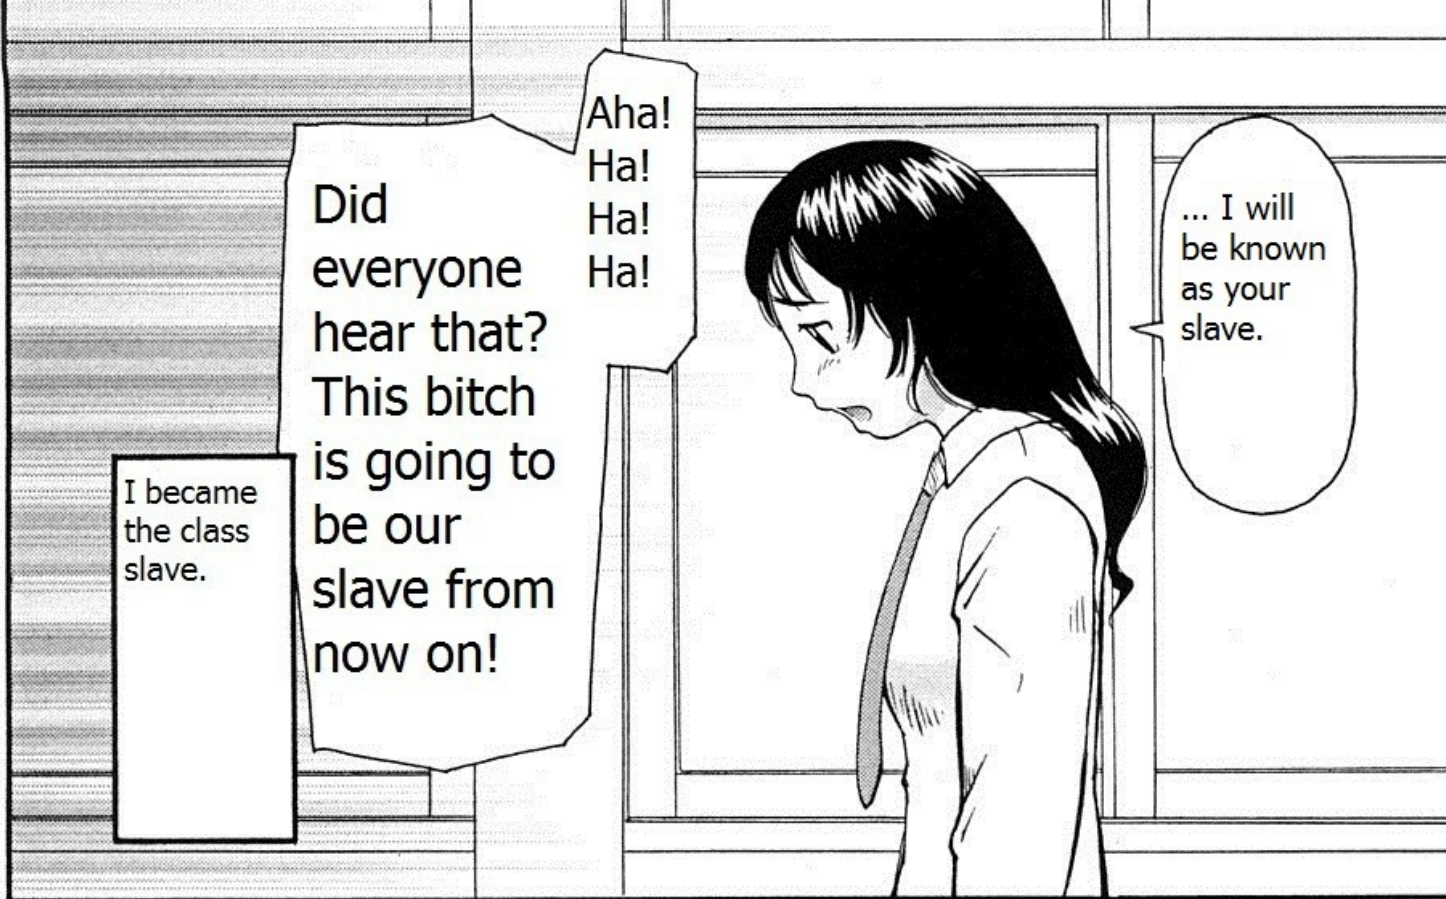

Huh... What the hell are you doing!?!

No way!

!?

カ
ン
ン

What !?!

I became the class slave.

Did everyone hear that? This bitch is going to be our slave from now on!

Aha!
Ha!
Ha!
Ha!

... I will be known as your slave.

Yes, mam

Do it crawling around on all fours like a bitch!

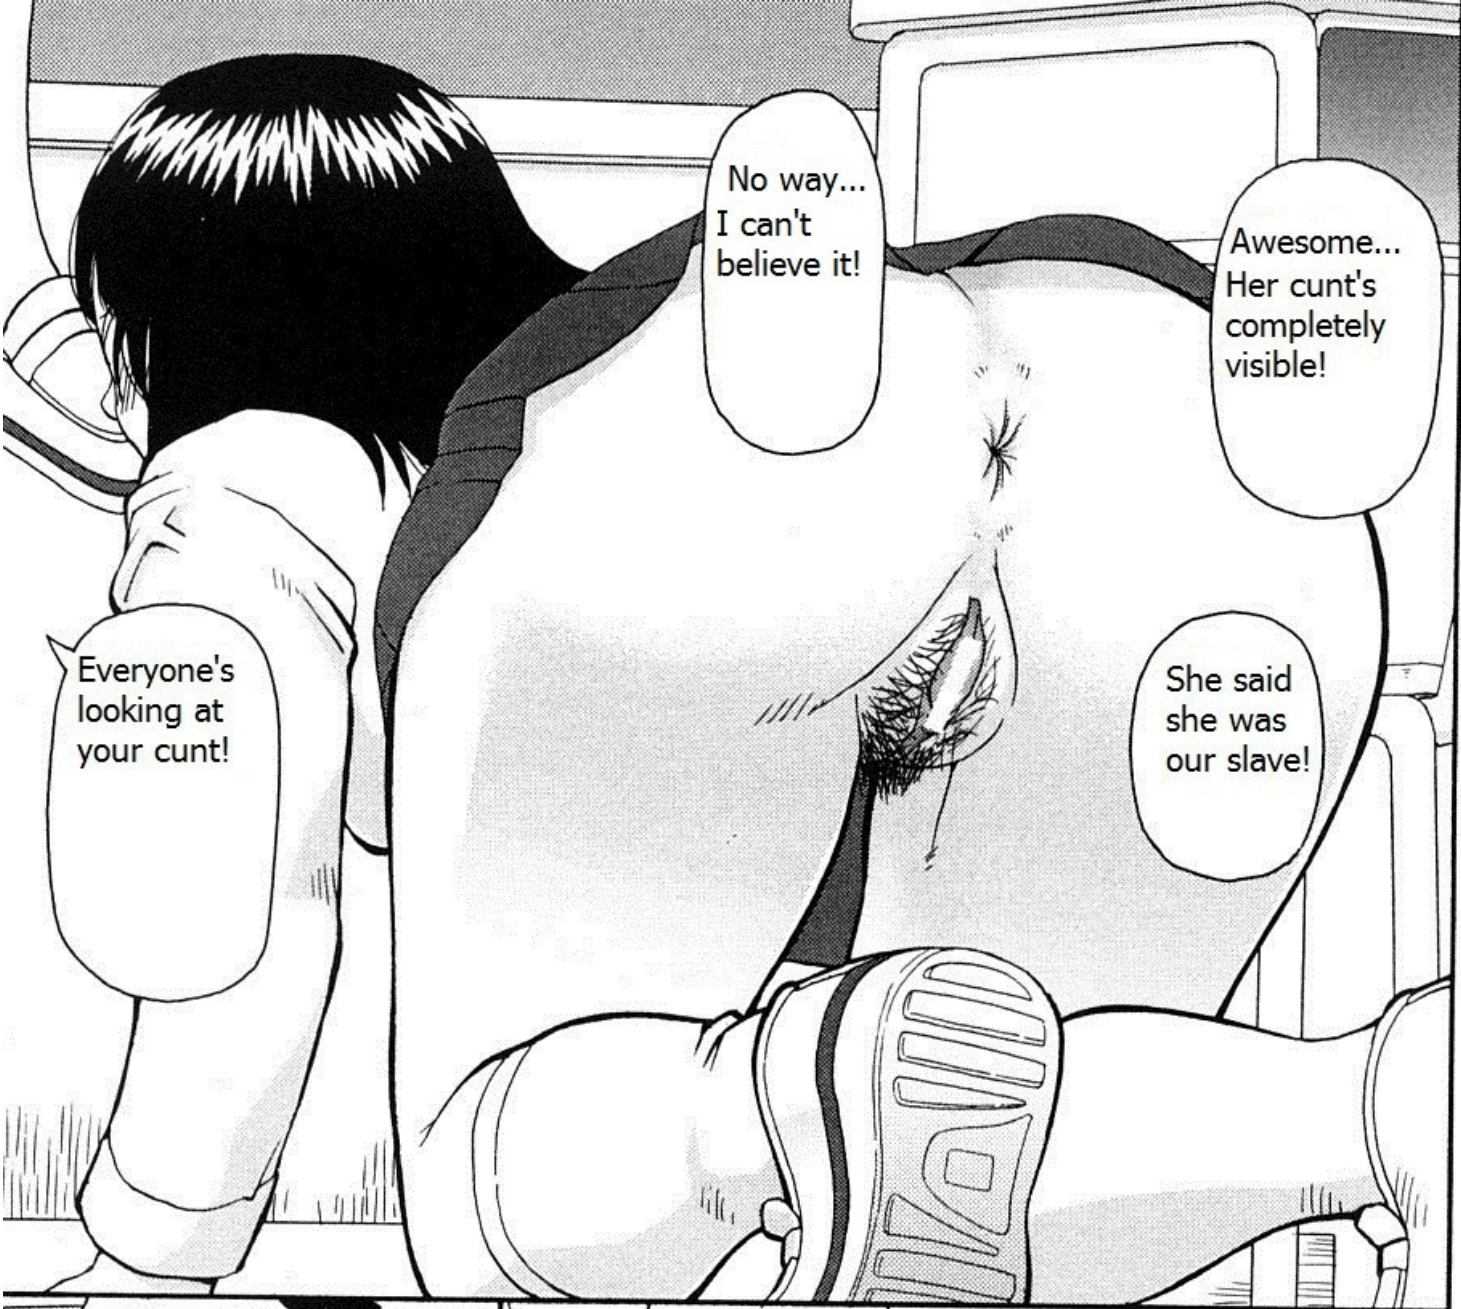

You have to kiss your master's foot...

Let's see, first...

...

Hurry it up already!

No way...
I can't
believe it!

Awesome...
Her cunt's
completely
visible!

Everyone's
looking at
your cunt!

She said
she was
our slave!

Then, from
now on, you're
not going to
wear any
underwear at
all.

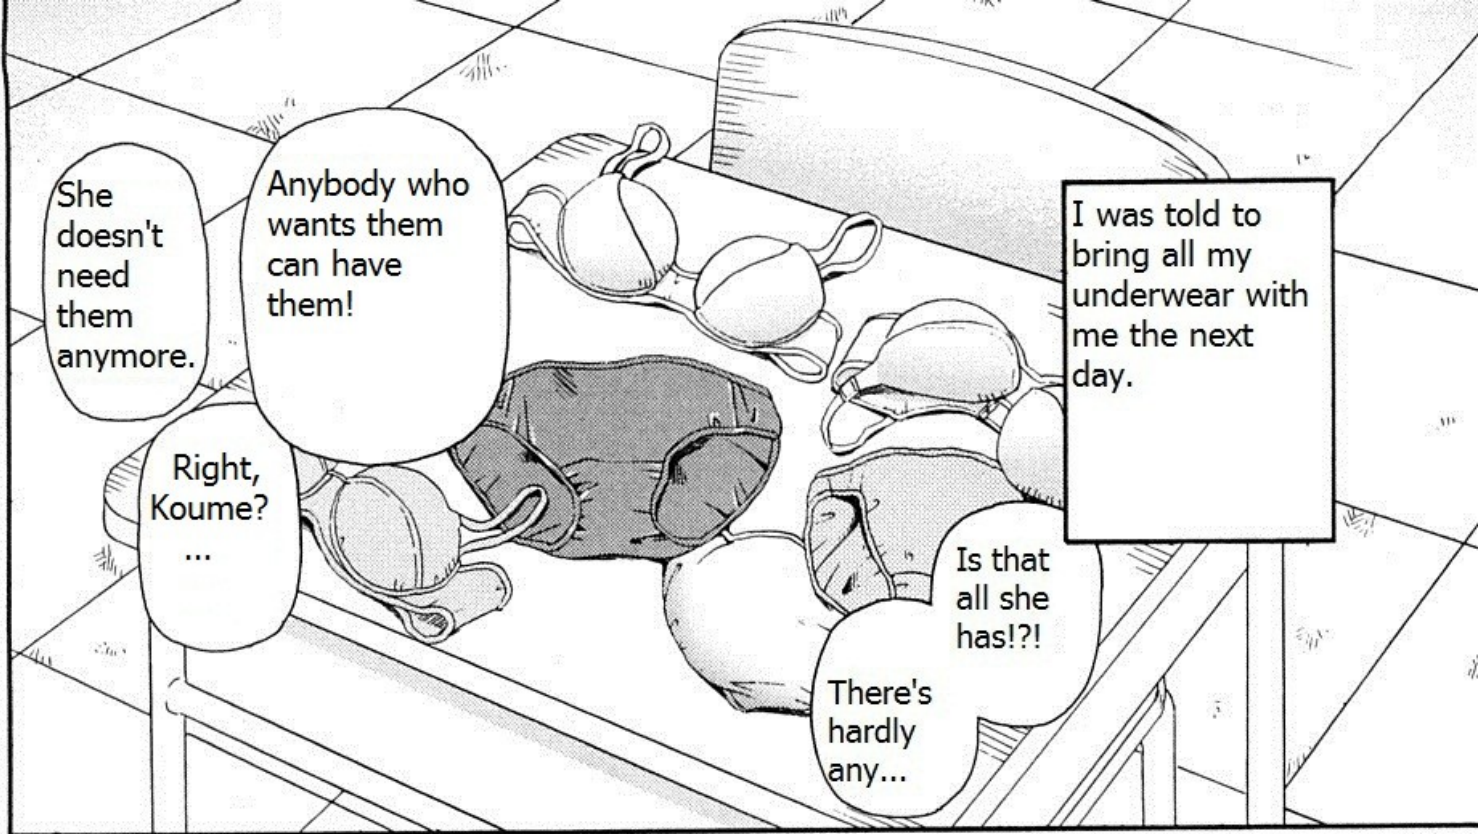

Aha! Ha! Ha!
Ha!
You actually
like us looking
at it?

Does that
make you
happy?

...
Got
it?

...
Yes,
mam

HI

She doesn't need them anymore.

Anybody who wants them can have them!

I was told to bring all my underwear with me the next day.

Right, Koume?
...

Is that all she has!?!

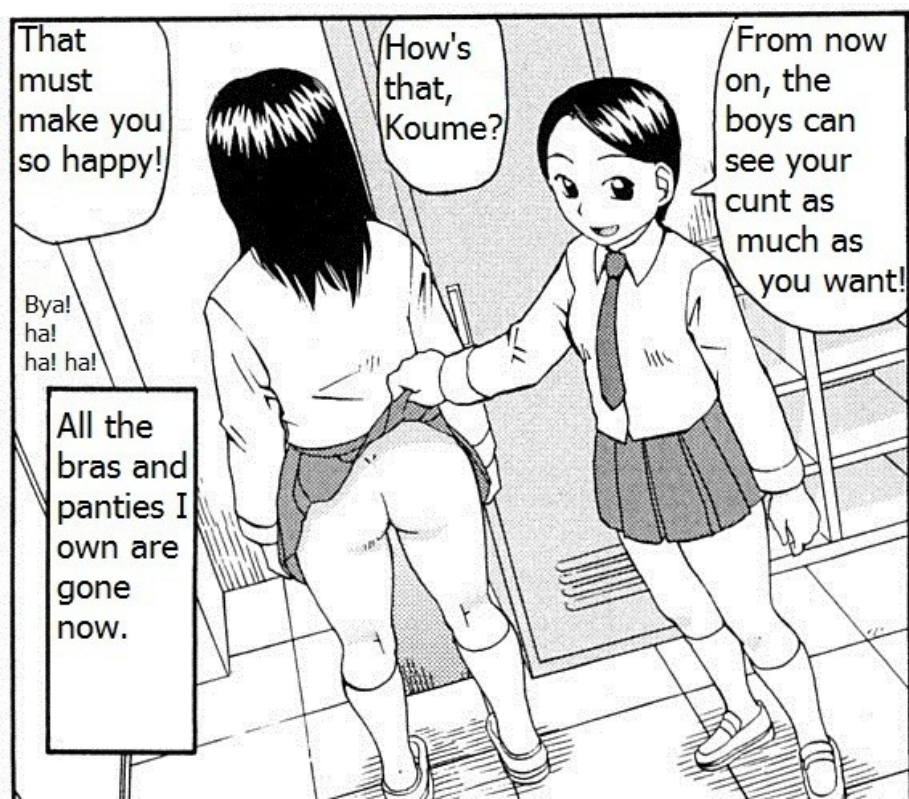

There's hardly any...

After all, you're not wearing underwear anymore, right?

Well then, Koume, go throw them all away.

...
Yes, mam

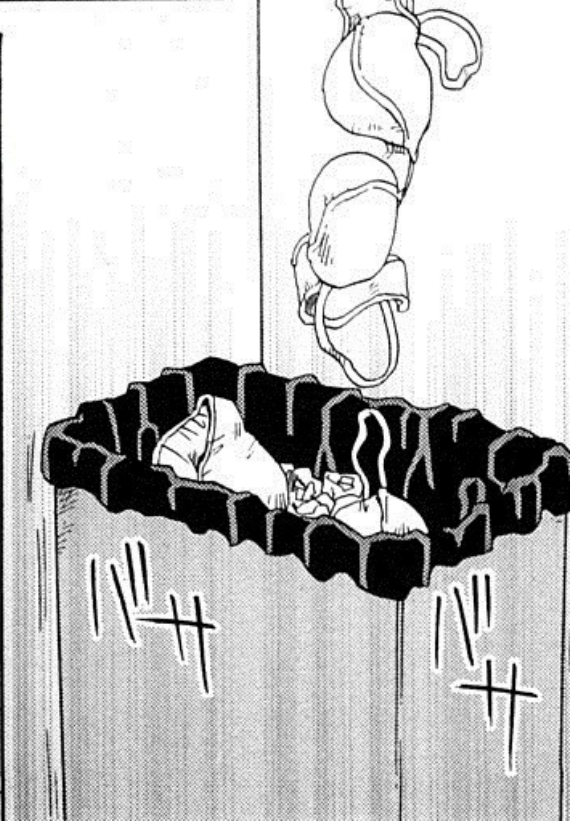

That must make you so happy!

How's that, Koume?

From now on, the boys can see your cunt as much as you want!

All the bras and panties I own are gone now.

Bya!
ha!
ha! ha!

That said...

She has to at least look like a person.

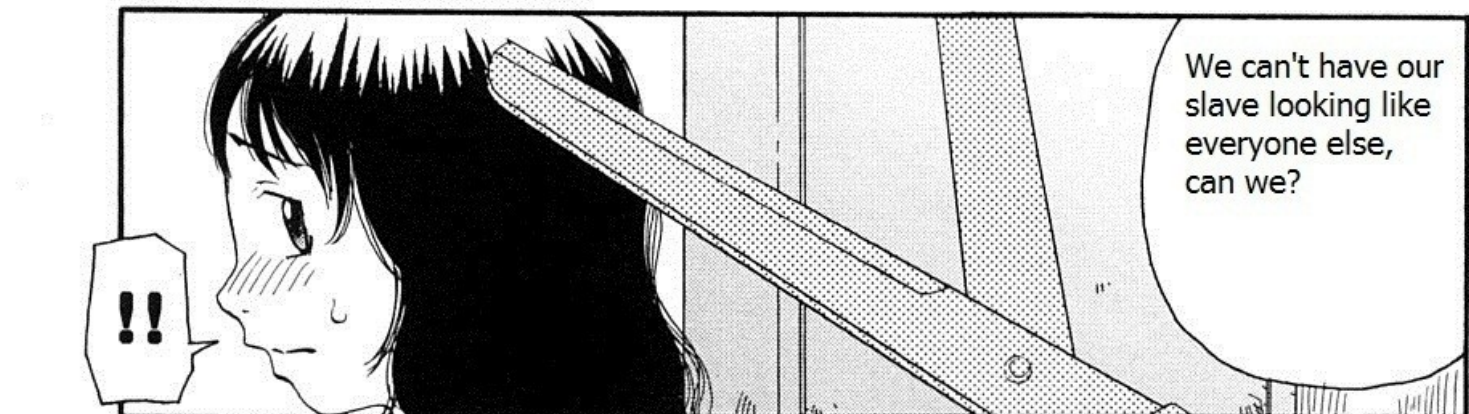

That's a bit much, everyone would know what's going on then...

Then they'd all want to bother us, wouldn't they?

No, that's right!

If that's the case, she doesn't need any clothes, does she?

!

We can't have our slave looking like everyone else, can we?

!!

She cut my skirt right at my crotch.

You better stay absolutely still while I cut!

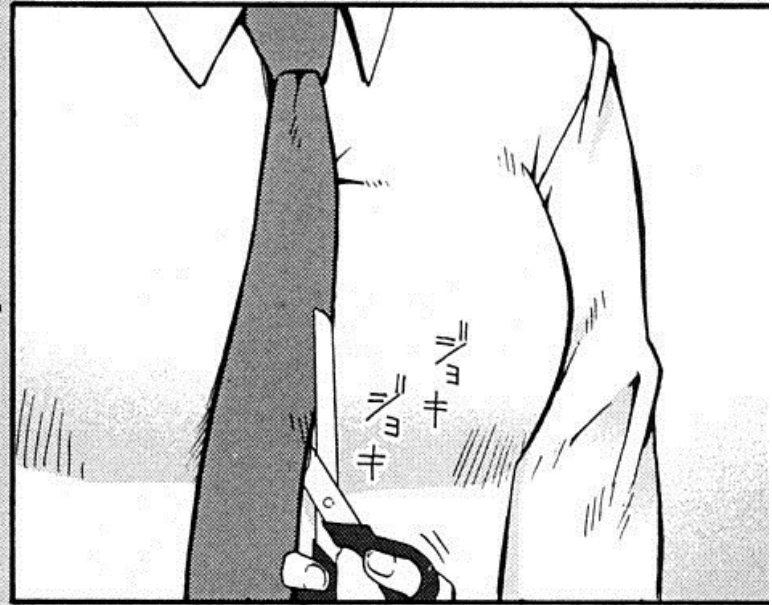

Doesn't her uniform suit her perfectly?

Totally!
Kya!
Ha! Ha!
Ha! Ha!

She cut my uniform until it was barely there.

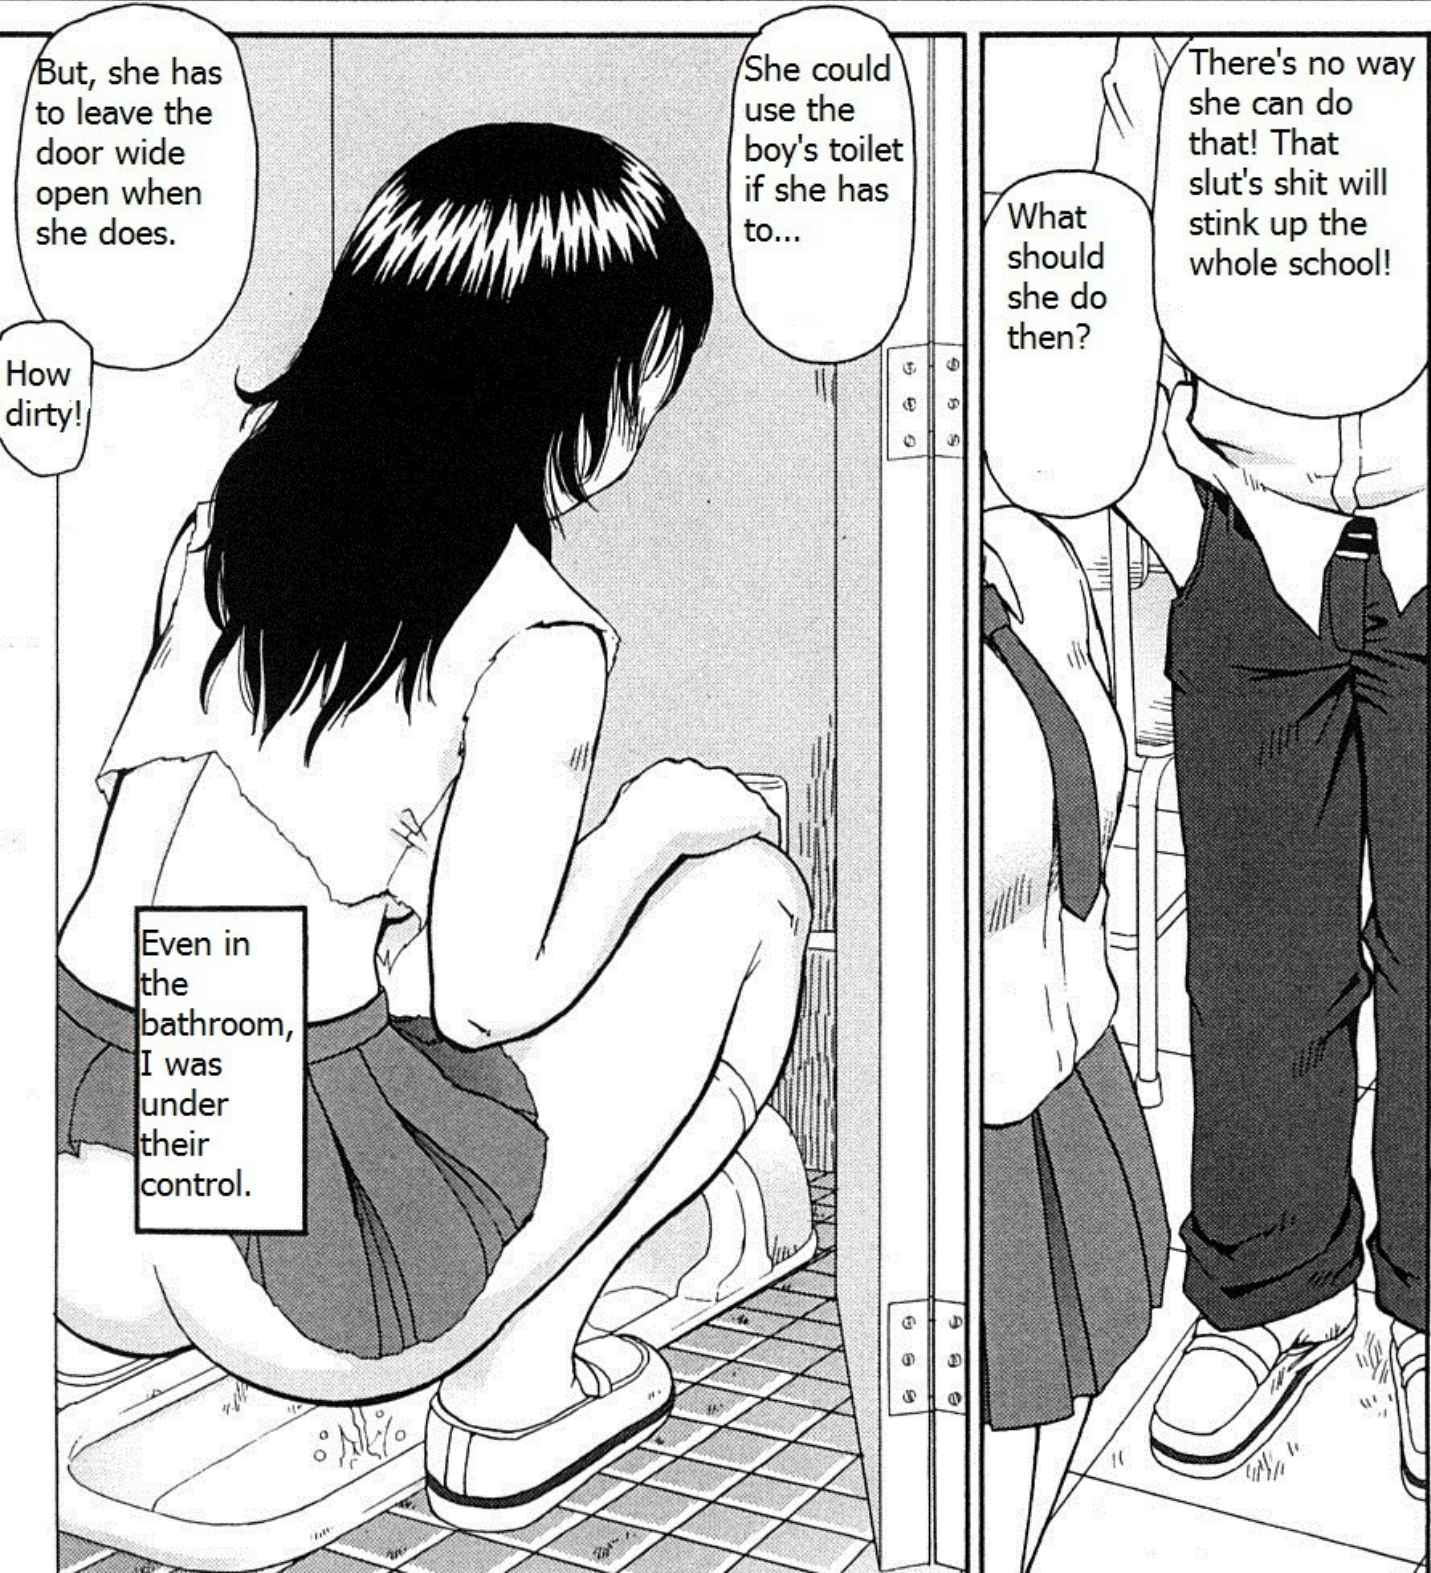

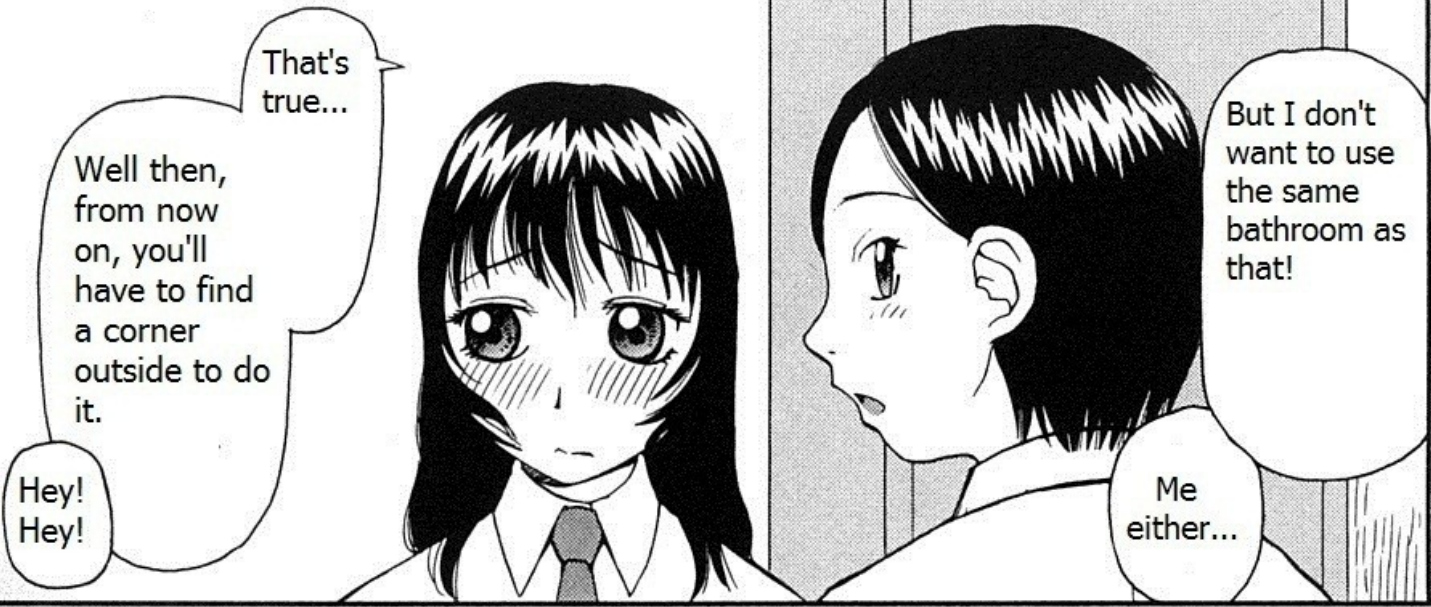

You don't want sleeves, do you?

With the back of your skirt like this...

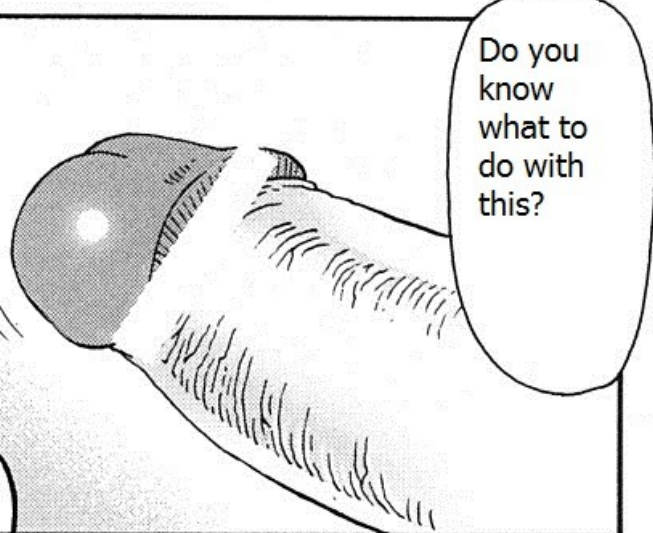

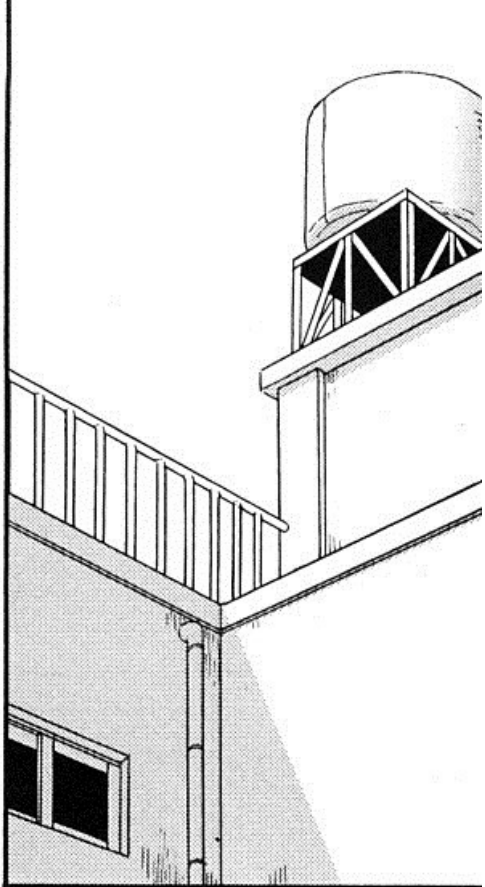

Now you can go to the bathroom without moving your skirt!

Come on, him too.

I wonder how good you are at this...

Do you know what to do with this?

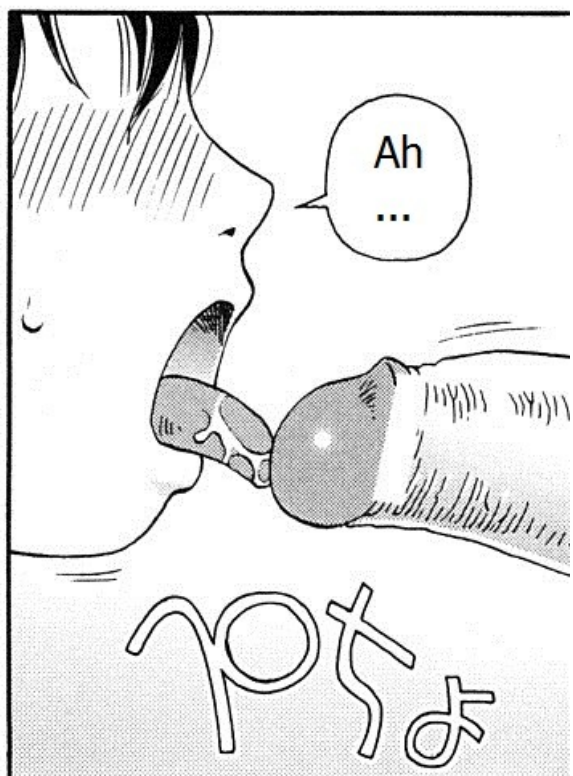

!?

Ah ...

よ

I'll be done in a second, just wait!

Hey! It's my turn!

In between classes, I had to let the boys have sex with me as much as they wanted.

!!

I'm going to cum!!

Wai... Is it time to get to class?

I get to fuck her next!

I know ... I know ...

Kgh!

Kgh!

nn

nn

I couldn't wear any clothes, except for my school uniform.

They said we're running a marathon today!

Starting today, this'll be your gym uniform.

Wha?
No way!

.....

Today, go to the park and back, that's 3 kilometers total.

Everyone gather around!
...

What?
That girl...

She's Naked !?!

No way!
Is she a pervert!?!

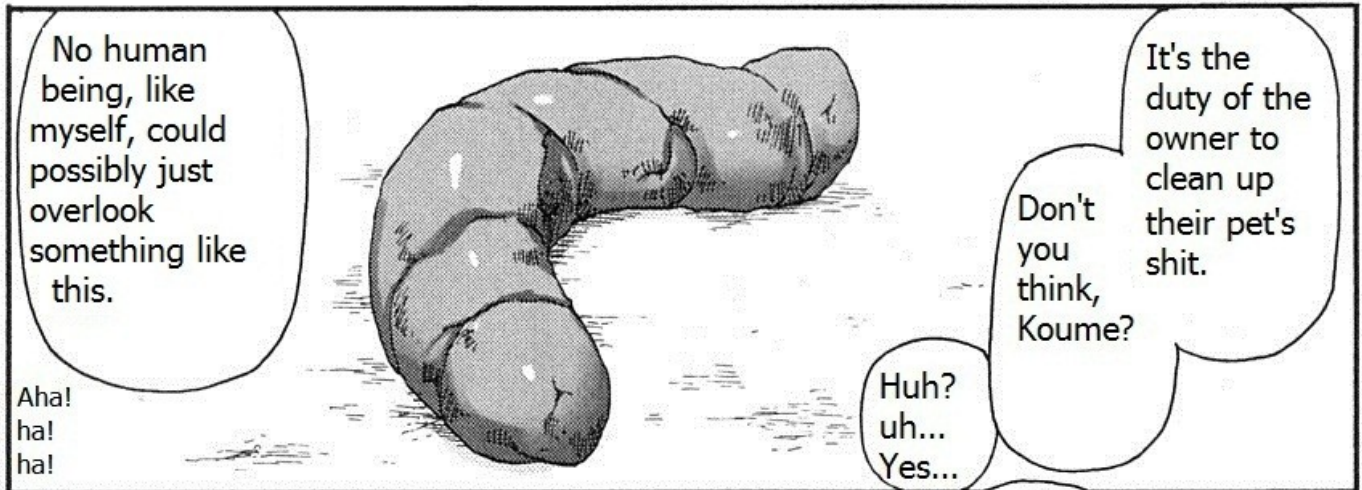

It's owner must not have any manners at all.

It's probably dog shit.

Look at this!

Oh my God! It's huge!

No human being, like myself, could possibly just overlook something like this.

Aha!
ha!
ha!

It's the duty of the owner to clean up their pet's shit.

Don't you think, Koume?

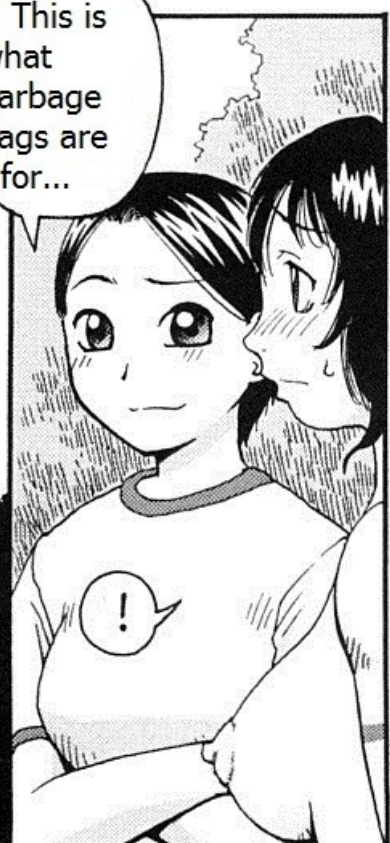

Huh?
uh...
Yes...

.....

Like Koume

So I can take it back.

This is what garbage bags are for...

!

Are you going to run around showing that disgusting thing off to everyone?

Taking it back...

Hey! What the hell are you doing!?!

Of course, this bitch isn't even human!

Ugh! She's actually eating it!

Uggh ...

Uuu ...

Everyone considers me to be worse than dogshit now.

Why don't you just shove it up your hole!?!

What should I...

! ...
Yes, mam.

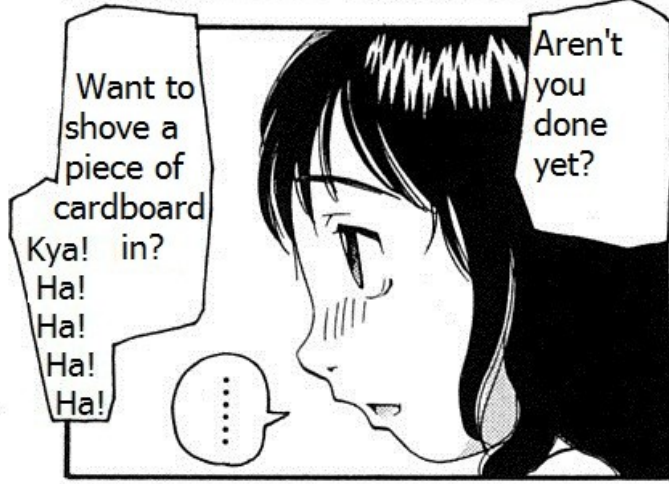

True.
Aha!
ha! ha!
ha! ha!

Was she ever human?

You actually did it?! Aren't you ever going to quit? Are you even human?

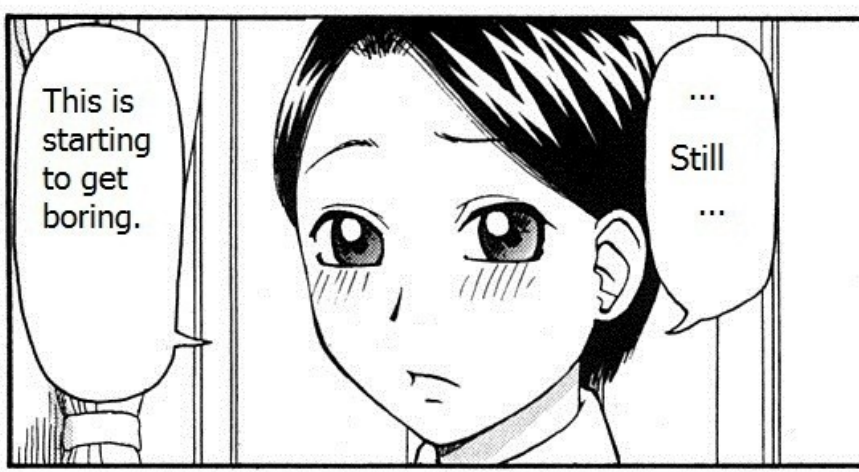

After another month like that.

Want to shove a piece of cardboard in?
Kya!
Ha!
Ha!
Ha!
Ha!

.....

Aren't you done yet?

This is starting to get boring.

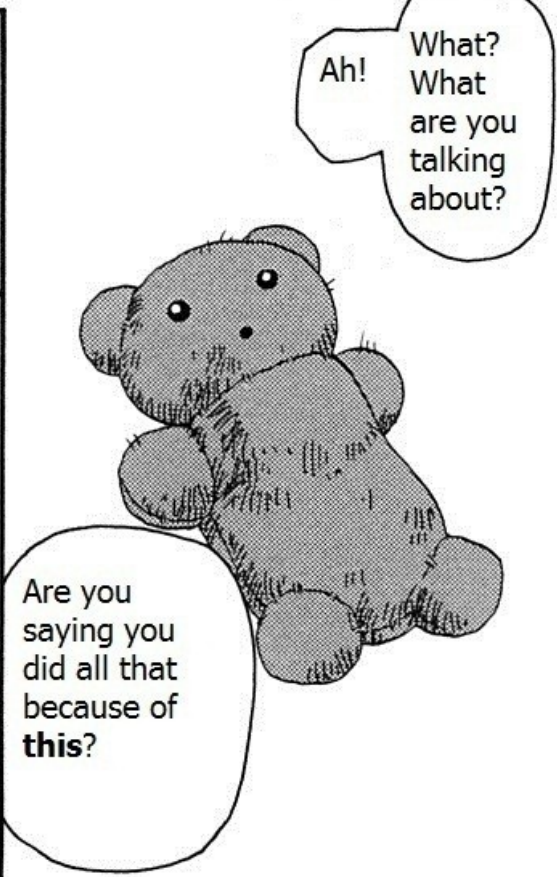

...
Still
...

.....
!

Hmm...

This must mean a lot to you.

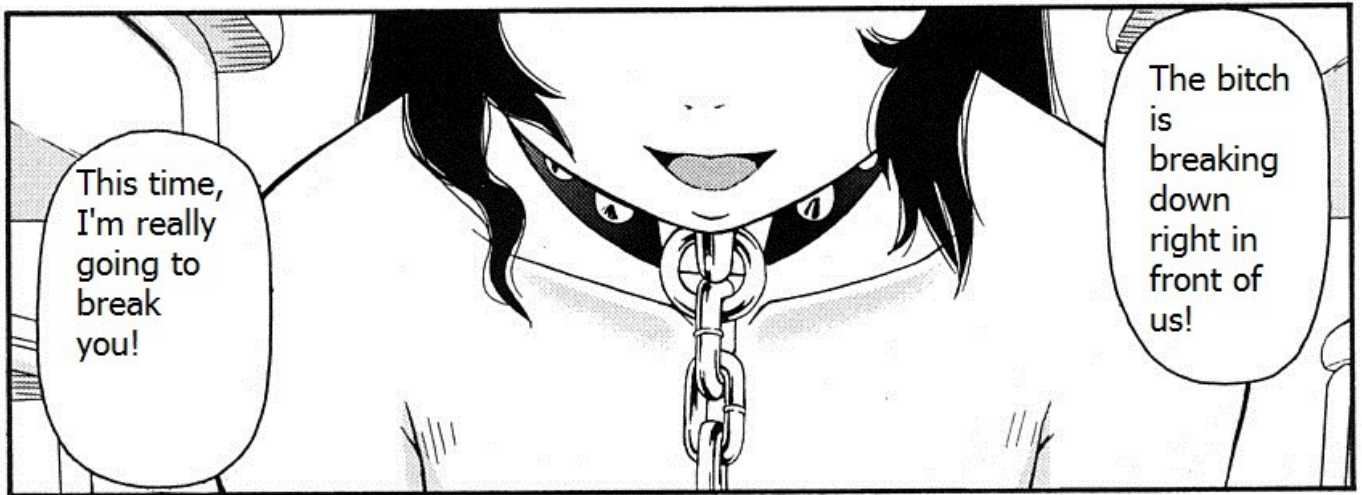

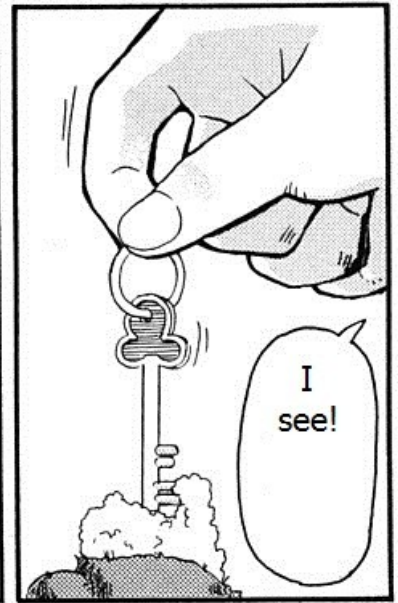

Are you saying you did all that because of **this**?

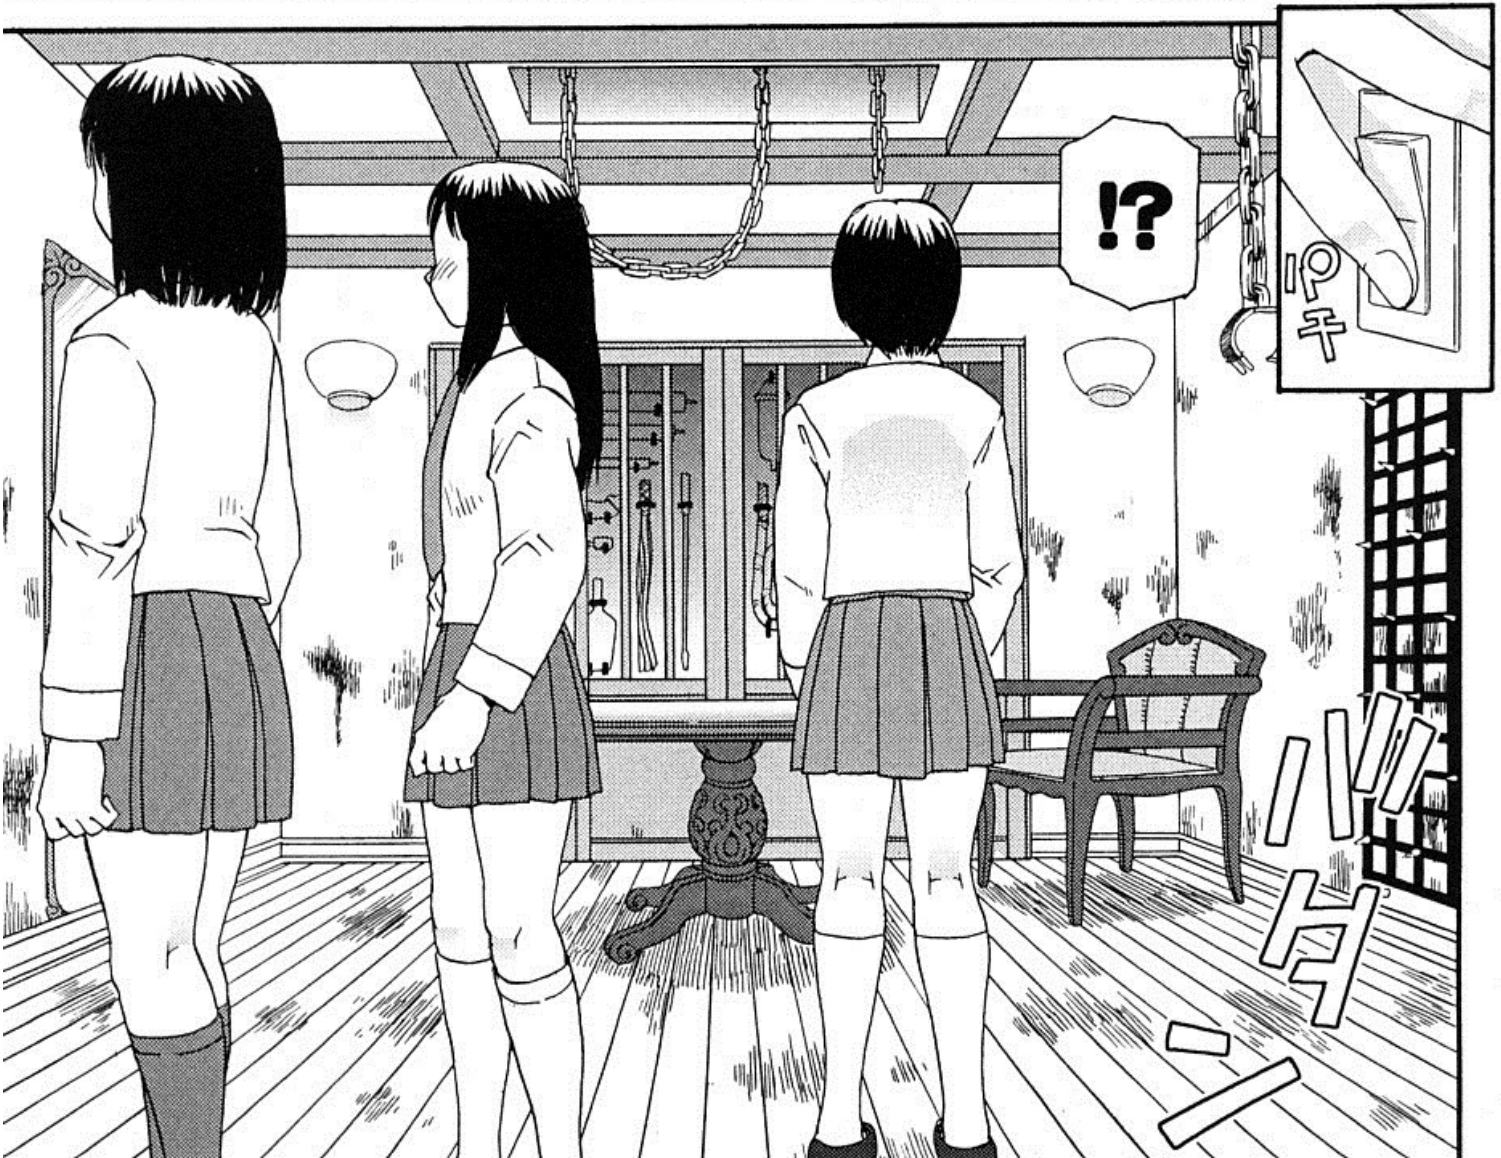

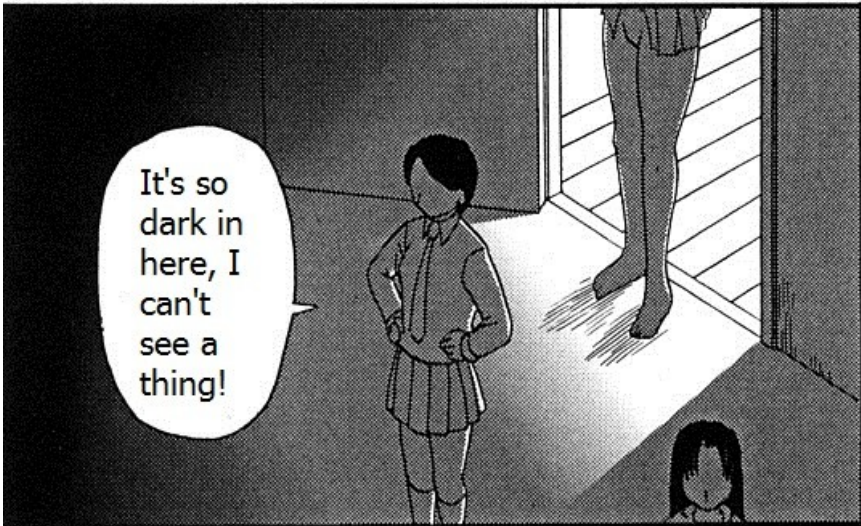

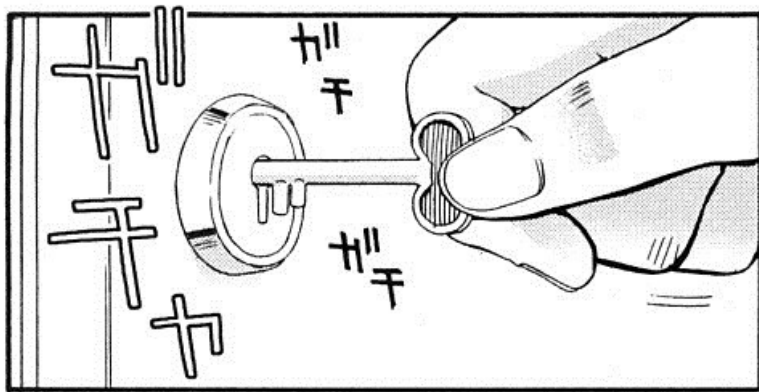

Ah!
What?
What are you talking about?

... If that's the case, are you going to give it back?

But, my father broke before he could break me.

Ah! ...

My father broke my mother in this room. So, I inherited this key.

Please break me!

You were broken a long time ago!

Huh? No way!

The key!

I want to be broken in this room just like my mother!

So, I've had this dream for a long time...

... What? You want to be broken?
