DRAGON PINK

EPIISODE XVII

The story so far:

After obtaining the map to the Pink Dragon, Pink and her 3 companions were begged by a girl named Fanny to search for her missing older sister in the Northern Forest.

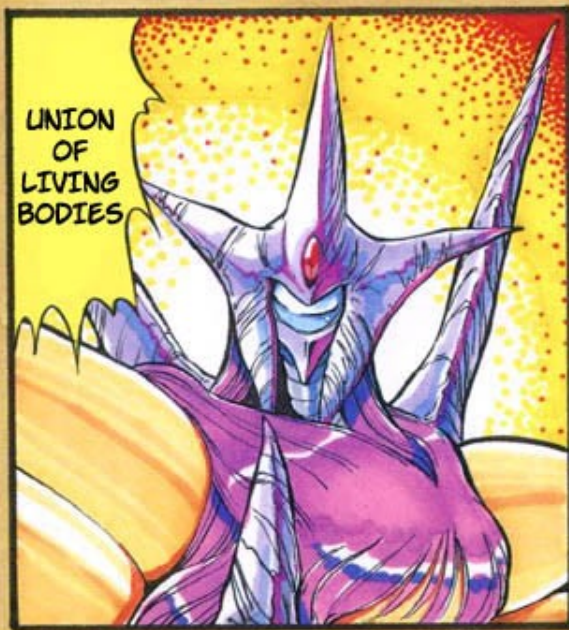

And there, the Slave Witch who could manipulate the Slave Doll was waiting to capture any passing by girls.

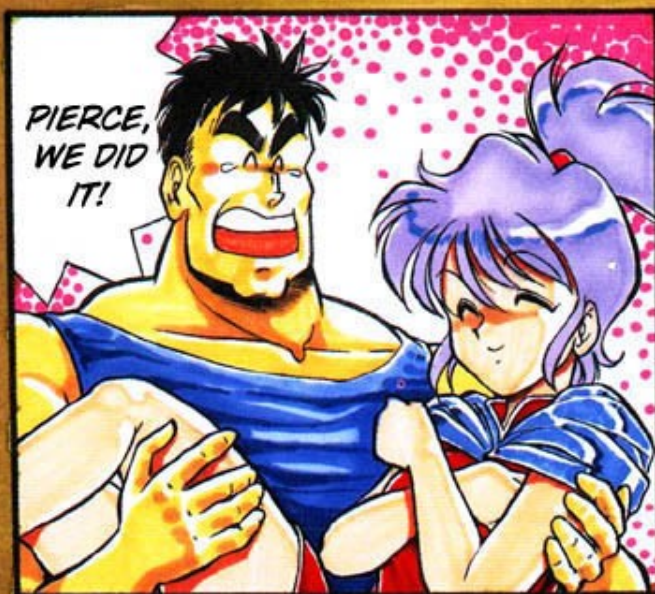

Every night in the Northern Forest a strange ritual was carried out.

However, this is nothing more than a prologue to the events that happened next.

Pink encountered Yuarislime after she was selected as a sacrifice in the Kunagao Village.

At that time, Bobo was delighted when he found out that Pierce was pregnant.

After rescuing Pink, the party headed towards Pink Lake searching for clues. However when they arrived, they found themselves in a trap laid by Yuarislime and Semen.

However, soon after that Pink and Santa were transported somewhere by the power of the Short Sword.

With a sudden change of events, Pierce defeated Semen and his group with a magical attack. The party obtained the Short Sword that came out of Semen.

祝！DRAGON

PINK, 第三卷

ITOYOKO-sensei, it seems that you received a huge amount of royalties thanks to the Dragon Pink series and its third volume. It's great that you became a young business thanks to this capital, but you know what, why won't you buy me a MAC? Let's fall into the mud together! (devil's invitation)

by Toshiki Yui

On the day that I had watched a certain Masked Rider show,
I accepted a request to draw this page.

...when I was there I imagined this...

Well, DraPin fans aren't rejoicing the release of volume 3 that much!!
P.S. ITO-sensei, with the money from the royalties, buy me MMX!

A mere number 1 fan: **Toushira Ousuihi**
Let's shit in front of people who don't buy this book!!

DRAGON PINK #3

yo! it finally came out.
A lot has happend, but
i'm glad it came out.
well, again, let's go

WING&BIRD
1993.5.

I THINK THAT FOR PINK THIS COSTUME IS THE BEST!!

💡カラダのラインをそのまま出すマニア向トラ皮シオタとムネの曲線を守りつつ令たい光りを放つ金銭アラに引きさかれる事を前提としたかのようなうす布のコンビネーションスーツ。みだらさと不変性と処女性というアンバランスさを14Pのまとめたこのコスチュームこそ個人特性に合わせたしるしではないでしょうか。最近Hな作品を描かれていない様ですがぜひともトラシオンはどこかでぶちかっさせていたきたいと願っております。私は上記コスチュームの復活を期待しております。

worth of mentioning, right?...It was a hasty decision. ♡

comes to mind is Sushi.

however I changed my mind
