

Today's really not my day...

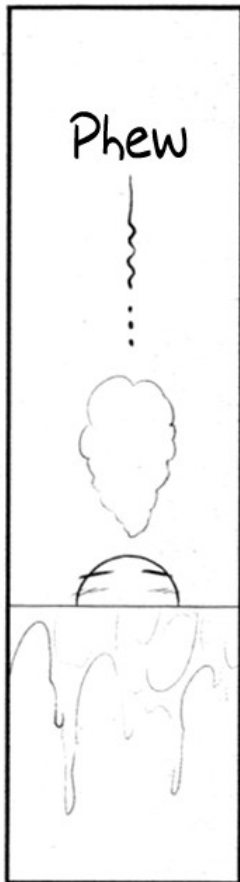

ポン

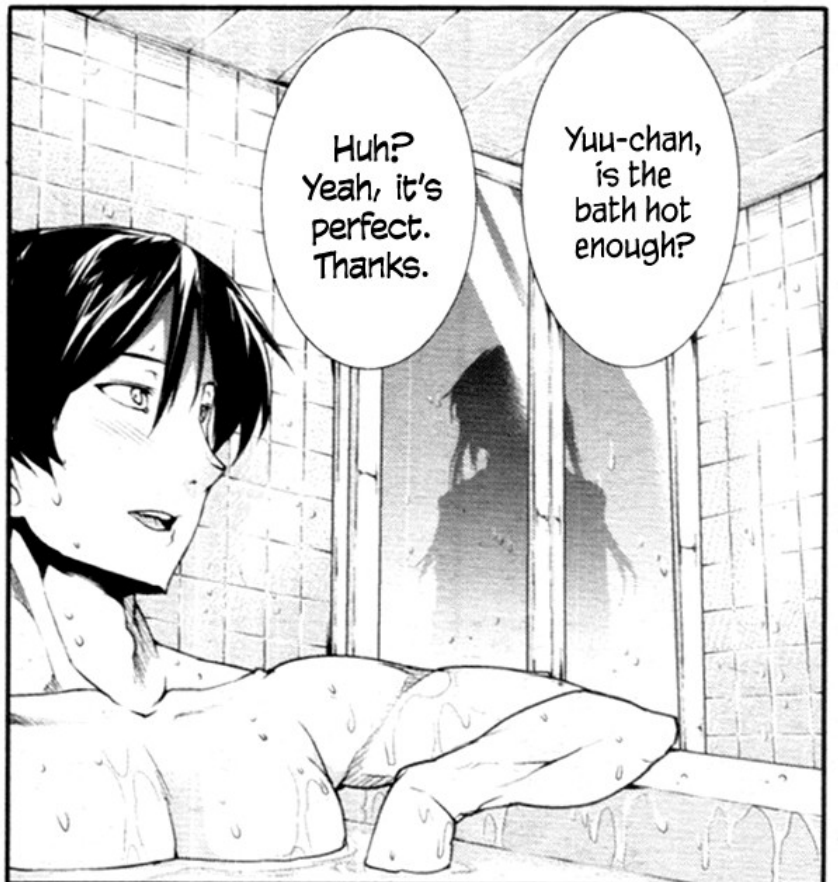

Man...

Would you mind if I joined in...?

Phew

Huh? Yeah, it's perfect. Thanks.

Yuu-chan, is the bath hot enough?

Y-yeah... Come on in...

N-No... not really...

That's the bikini you bought in summer vacation, right?

Hmm? What's the matter? Were you expecting something else?

That's all because you asked me to wear anything but this, Yuu-chan!

Yup! But sadly I didn't get to wear it for the beach trip...

And I had bought it just for the occasion too~

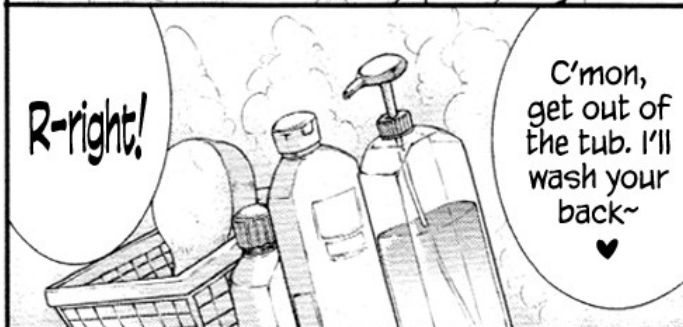

Fufu~

You were actually feeling jealous, right, Yuu-chan?

That's as good as going naked. It's obvious that I'd object if you wore that in front of other guys...

S-sha-ddap!

R-right!

C'mon, get out of the tub. I'll wash your back~

Tadaa~

N-no...
It's just
that...

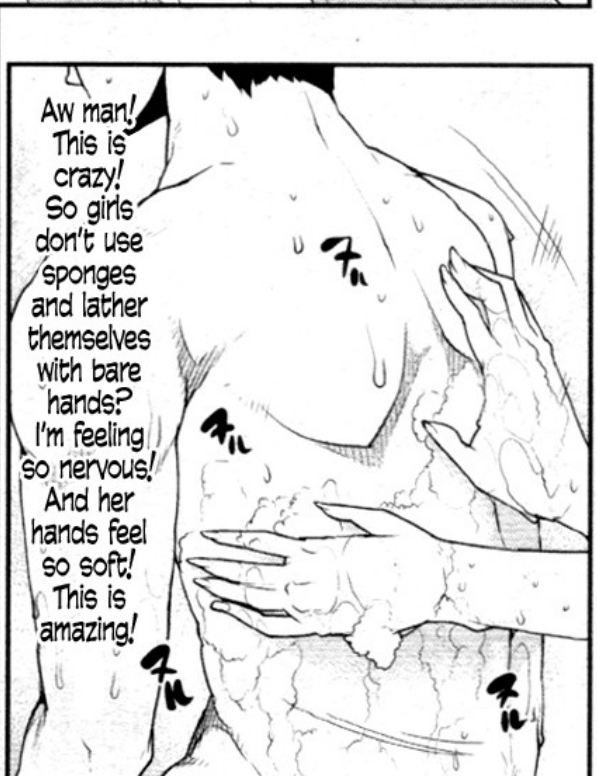

Aww,
you need
not cover
up with a
towel~

Ah, sorry.
This is how I
wash myself
so... Should
I use one?

Aren't
you gonna
use a
sponge?

Nah,
it's fine.

Aw man!
This is
crazy!
So girls
don't use
sponges
and lather
themselves
with bare
hands?
I'm feeling
so nervous!
And her
hands feel
so soft!
This is
amazing!

Umm, Minaho, what exactly are you doing?
