

TENGOKU NO MOSAIC

天国のモザイク2

MURASAKI KOTOE

It feels like
ten years
have passed,
but really it's
only been half
a day.

But thanks to
the last
payment from
a client, I was
able to get a
new pet:
a clone.

The technology of
cloning has come a
long way, so it's
much cheaper than
it used to be, some
friends once told
me they knew a
child who would
have no less than
five clones to play
with her. We now
live in a world of
luxury.

Well, it's
about time...

Even in
remodeling
shops, we
find clones
for
purchase.
For regulars,
the prices
are really
cheap.
Dozens of
people come
to choose
their model
or try the
latest
innovation.

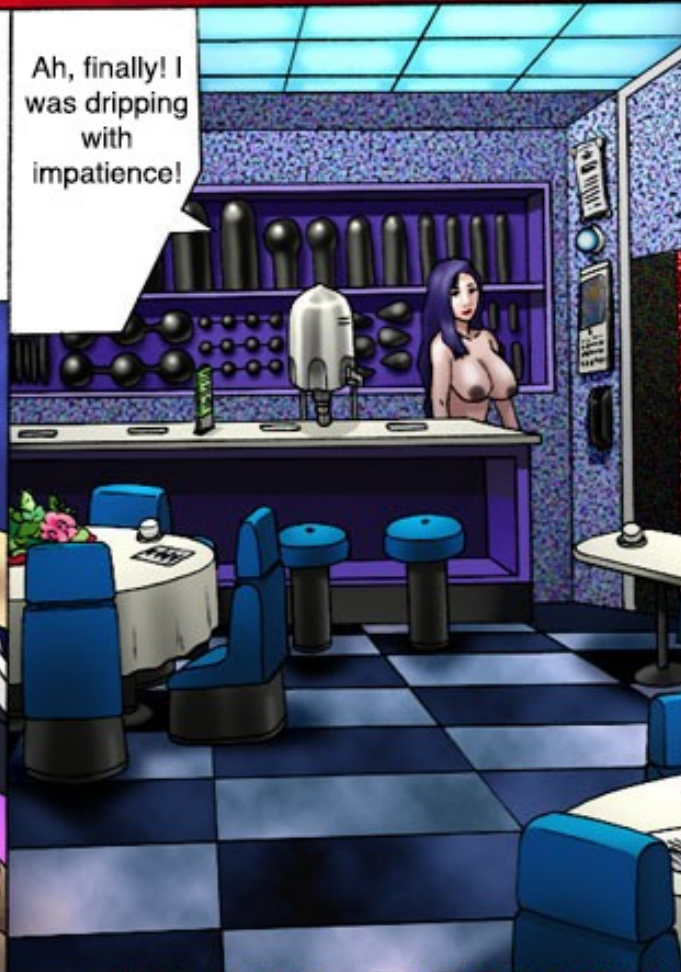

And I'm going in precisely this kind of shop

I want to have some fun!

Hey there mama-san! I hope you're all stretched out for tonight.

Ah, finally! I was dripping with impatience!

I have already prepared the clones.

You'll be able to test them out until your cock falls apart.

Heaven's Gate

Can I cum in them?

You'd come in them even if I said no.

Come, come my children!

ゴゴゴ

My cock's ready. Let's get started!

Since you're the client, I had to increase the dosage of the serum.

Go ahead and pleasure yourselves!

The serum makes all your holes completely malleable.

Try to stick your dick in some tits to see.

Holy shit! I'll have to get some of that serum from you later!

Wow... It's true! My nipples are stretching wide open!

HNNIII!

Ooooh! My tits are overflowing!

Hah! Is it cum or milk?

If we keep this up,
no one will be able
to tell who're the
clones and who're
the mistressess!

But to tell
the truth, I
don't give a
shit!

Look at this beautiful pink rose!

We're going to feast!

How nice of you
to make her look
disgusting!
