

On  
this hot  
day...

I want to  
become a  
jellyfish  
floating  
in the  
sea

Drifting  
under-  
water,  
a girl's  
dreams  
and  
thoughts  
and  
reality  
and...

I want  
to touch  
your soft  
and cool  
skin...

I  
want  
to  
become  
one  
with  
you  
♥

By

wrapping  
me up

enter?

Wow...

Live on

womb

Will give

you

Having completed his mission, he dissolved and melted inside me but...

He...

...Soon, the time came

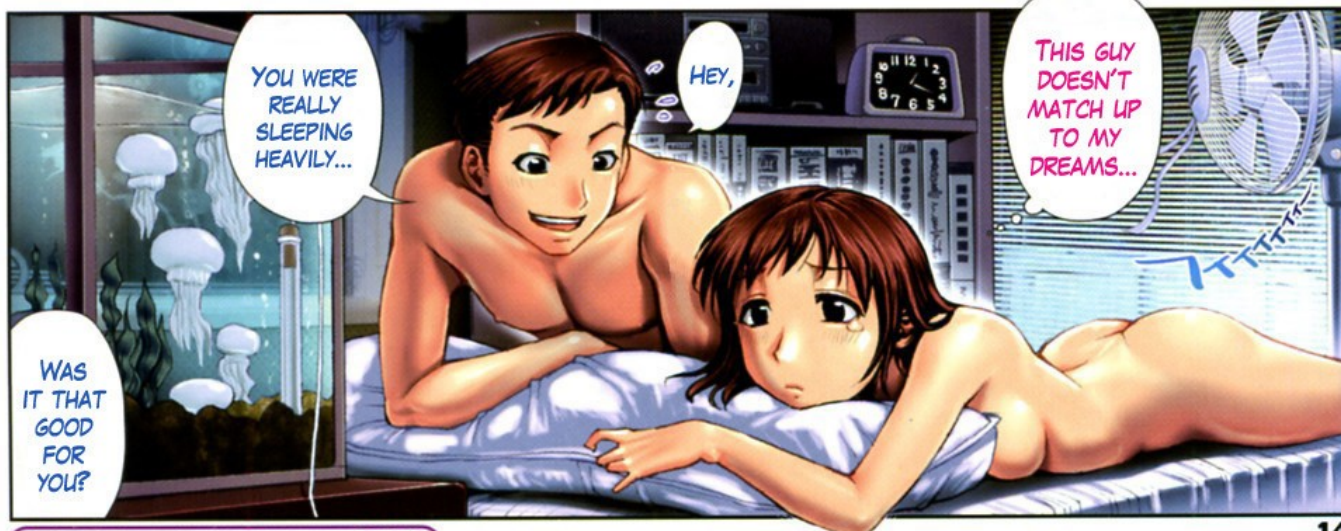

We all

Those of us he left behind,

Lived happily together

...Like that ♥

--The fleeting dream of that certain summer day...

YOU WERE REALLY SLEEPING HEAVILY...

HEY,

THIS GUY DOESN'T MATCH UP TO MY DREAMS...

WAS IT THAT GOOD FOR YOU?

The fleeting dream with the jellyfish came to nothing...

こんな  
暑い日は…

You've Reached  
The End!

海に漂う  
水質になりたい

Please  
be sure  
to give a  
thanks to  
everyone  
that helped  
with this!

I certainly  
hoped you  
enjoyed  
this!
