Let us
deviate from
the same old
plot that
has been told
in countless
permutations.

There was once
a lowly slave
that wanted
the crown
so badly that
he shed the
blood of
a fairy.

The black boy
had tricked
the prince
and took
the seat as
his bride.

and never
realized
that the
fairy
had been
brought
back to
life.

He was
blinded
with pride
of jewels, by the
gold, dazzling
gold- radiance
brocaded
satin
damasks
and silk
damask
shoes.

The black boy answered:

"What should be done to the perpetrator who harmed this beautiful woman?"

The prince asked:

"I think whoever did this should be tied down and humiliated."

"We
have now
decided
your fate,
you black
dog."

But
still

Well,

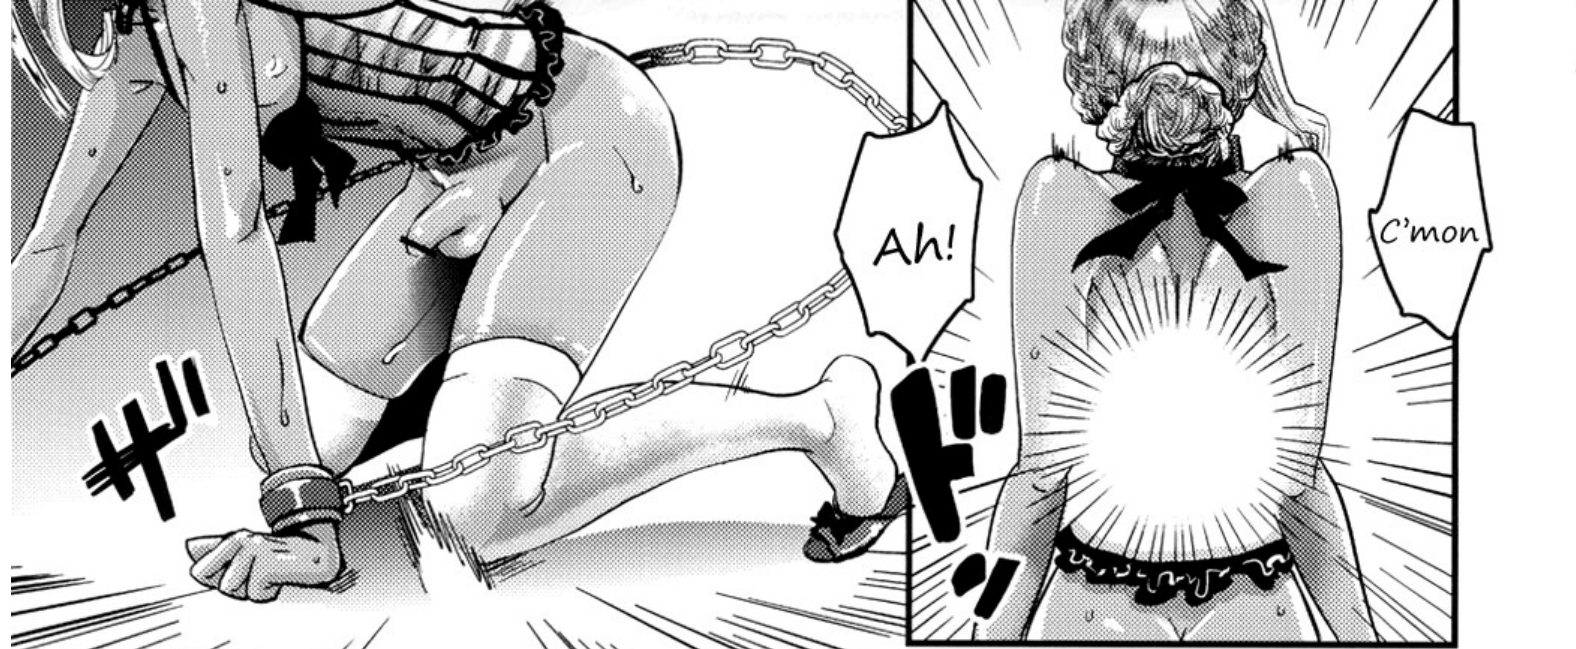

We're
real
fortunate
we get
to have
a 'taste'

before
those
near
the
castle
do.

Who
would
want
to live
a life
like
that?

being
treated
lower
than the
lowest of
animals
and used
like a
toilet...

フタ

I only
wanted
to be
happy...

We
gotta
fuck you
deep
down
your
throat
like a
pussy

or else
you
won't
become
a great
cum-
dump.

you've been granted a valuable drug that will prevent your virgin ass from getting broken.

By the mercy of her majesty

but this guy crossdresses, so maybe it'll be different for him?
Who knows?

It's semen from an incubus. Apparently it won't have any effect on cocks.

You don't want to die, do you?

You'll be burned alive at the stake if you're a witch!

you're a cum-dump, and not a witch, am I right?

Now then, Imposter and former queen,

If that's the case,

beg for our dicks like the cumdump that you are.

so I bet he knows all sorts of ways to ask for it.

He used to be a slave

And make it good, too.

The queen is pregnant with an heir to the throne.

I guess that means that evil doesn't pay in this world.

I see.

very
unfortunate.

That
was a
pretty
usual
story,
wasn't
it?

Except
there
was a
romance
plot
added
in.

Devils
and
ghosts.

Those
are just
fantasy,
aren't
they?

No...

They
are
real.

and
I see no
happiness
in sight.

I'm a
witch
who sold
my soul
to the
real
devil...

If you
feel sorry
for me,
then
please

that
has been
darkened
by the
lusts of
hell...

Show some
compassion
for this
vile body...

And everyone lived happily ever after.

Just wanna be happy...

男の娘超むずいお…甘竹です。
褐色超大変だった…(;´Д`)

ルチアは元はおとぎ話のキャラクターです。
小学校に〇〇色の童話集という
各国の民話を集めた本がありまして、
その中にあった
愛のオレンジというお話がモデルです。
イタリアの民話だそうです。
本当は悪役はころころされて
めでたしめでたしなんですが
そこはほら。「エロ同人みたいに」。
でも大好きだったお話を
十数年越しでエロ本にするとか業の深い…
いやなにも言うまい。

ベントメローネという原型に近い本では
黒い娘は醜いんですが
童話集では王子様がだまくらかされるくらい
オレンジの娘と同じレベルで
『黒いけど美しい』らしいんで
ルチアさんは美人()にしました。
なんで男の娘かは、
企画で男の娘造形スタートだったからです。

ファンタジックリリカル陵辱で
『あの人たちがオチを全て持っていく病』な
お話でしたが使える本になってたらいいなあ。

ではまた次の本で。

Smeraldina

The author
thinks traps are hard
to draw, and that
the dark skin was
a lot of work.

The author
points out that
Lucia is originally a
character from
a fairy tale.
The story is modeled
after a fairy tale
called "The Love
for Three Oranges",
which is a folklore
from Italy.

The author
is worried that he
might've committed
a sin by taking a
fairy tale he liked
and turned it into
porn several years
later.
