But I
don't care
about that

So I
have
nothing
to do

Even at
school

I don't
have any
friends

Lately I've
been doing
nothing but
this

Actually

はあ

はあ

はあ

Even if I should be doing something else

When I think of the person I like

ヒュルツ

I don't feel like doing it

Huh?

...

I really wish school would start soon

I'm living a useless illusion

Aaaah!

[School Day]

13	14	15	16	1
20	21	22	23	2
27	28	29	30	3

...

7月 学校

I wasn't ready for this. If they do a uniform inspection ...

Even for a school day

This is hell

Kichida Keita
You are out

I didn't even take a bath ... Am I smelly ...

Don't "What?" me.
Don't try to pretend

What !?

It might be alright ...

I came with a caramel shirt

I don't know what got into you
Come to my room after this Ok?

So...

Your top button is loose
Caramel shirts are a violation of school rules

You are showing your underwear

The gym teacher is really unreasonable

And just like that

I had to come anyway ...

He is just going to yell at me

But what is the deal with these guys

This guy here, is Shioyama Takeshi A sports prodigy, and the ace of the swimming club. He is a quiet guy, but he is popular with the girls from my class

The blonde guy is Yashiro "Sasha" Souha. He is half russian and the top student at school. He looks kind of childish

Ugh... He is staring at me

="O":

But I don't have much time

I know it's sudden

Sorry, to keep you waiting

Why did the teacher call me and these two guys

Let's begin

Yaoihaven.Wetpaint.com

Also, don't call me like that It's stupid

Shut up you idiot

You've also had an erection since the examination started

Taketo's dick almost came a while ago

I was worried he might start by himself

You are so late

I'm fine !!

No, I'm fine I don't need to ...

Wait...

OK!

Of Course

Make sure you take care of him as well

Kichida is with us today

It looks good

Let's see how it really is

Look, He is already hard

Ah...

No...

Yeah, and it looks like he is quite big !

And I think he is just he is just halfway there

Yaoihaven.Wetpaint.com

Ah, Don't cry

You are so dirty

Were you playing with it before coming here

It has a great smell

Yaoihaven.Wetpaint.com

Hey!
Stop
that!

Yeah,
you will only
find dirty
people in
here

Why don't you
try something
that will
feel better
than your
hand

Something
...

Wan't
to do it
together

I think Taketo
wants it too
That nice looking
dick of yours

He... Hey!
Don't say
that!

...that feels
better...

Besides
...

Taketo's hole
should be
good for a
beginner!

はぁ

はぁ

はぁ

No!
That...
That was a
mistake.
I didn't...

So, you
masturbated
at home,
and just like that,
came to the
examination
with that
shirt?

...
Kind of

Do you
always
do these
things?

So...

Today's
winner is
...

Winner
...?

Ah! Yes!
I was
forgetting
that!

Anyway,
who is the
winner,
teacher?

Well, in any
case, it felt
good
didn't it

And this
is your
prize

You did
a nice job
Kichida

Umm...

ドキッ

Being your
first time
and all.

You,
Kichida

トキ

Yaoihaven.Wetpaint.com

That must
feel really
good

Wow,
that's
...

Don't say things like that and get ready to go home.

Shame you won't play with us

To do that with just a kiss

That was a weird reaction

You really know how to get to people.

Good Job

...
Ok

I'm sorry I guess that was a little over the top

Just rest as much as you need before going home.

Are you ok?
Kichida

Really nervous

I was feeling ...

While I was getting dressed

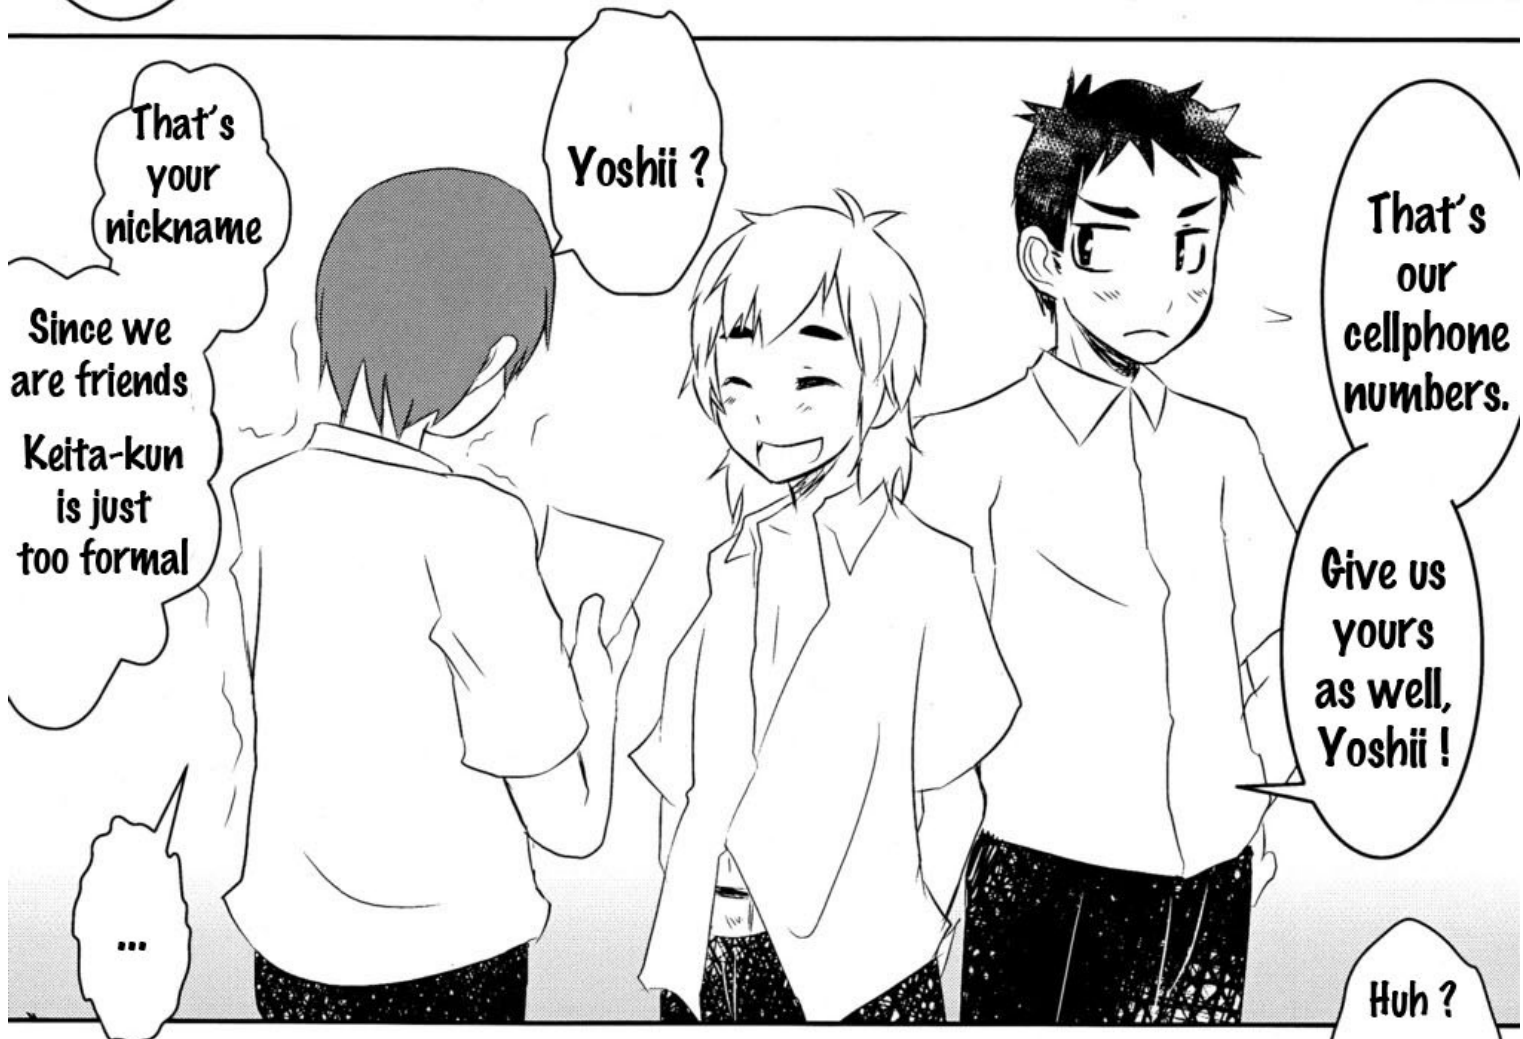

After that

Huh ?
What is
this ?

Yoshii,
Here
you go !

My chest
is pounding
...

That's
your
nickname

Since we
are friends
Keita-kun
is just
too formal

Yoshii ?

That's
our
cellphone
numbers.

Give us
yours
as well,
Yoshii !

Huh ?

What's the
problem ?

I'm...

No, it's
not
that.
I ...

I'm sorry
I won't
call you
that

That's not
reason
to cry

Don't
you
like it ?

Yaoihaven.Wetpaint.com

I think
they like
me

With
my
friends

Summer
vacation
is just
starting
