Mieow presents an original naughty
little lolita book just for you.

Little Girl 4

Late night in Shibuya
there's a girl who's far
too young to be here.
With a tired expression
on her face, fed up with
this world, living and
dying are both just
another chore to her.

Once again today,
sent by the will of her
junkie parents, she sells
her body and lives
a wasteful life...
