No, I can't believe it!

Could these be the girls who've been-!?

Hah

Fuh

フム

Fuh
...

They've been
chained down,
and buried in
the walls...

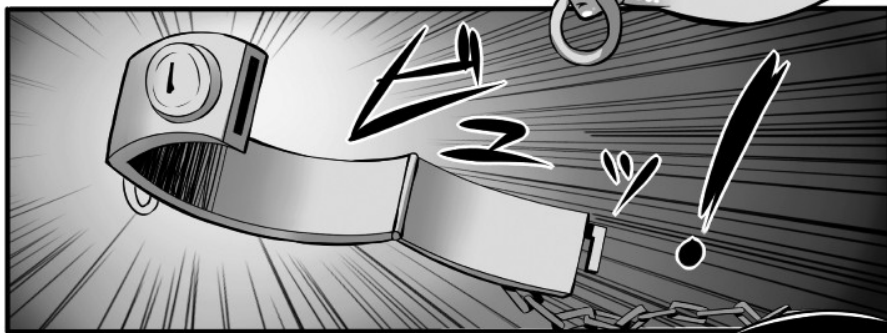

Hah
...
...

Just
what on
earth would
someone
get out
of doing
this...?

Ahh
!

Fuh
...

Haa
!

Are you a
stray cat
perhaps?

My,
aren't you
cute.
♥

Damn
it!

I can't
get it
off!

What have you done to these girls...!?

It's because... they... were just so cute. ♡

That's me, but...

You must be Asagiri!

What kind of ill-mannered brat are you, bursting in here?

It's made out of metal... I can't remove it with what I'm currently carrying...

Asakura, you traitor! I will defeat you right here and now!

I'm the female ninja Hazakura!

Kuh! If she has no clue what my intentions are, then now's my chance while she has her guard down!

Sweet dreams, Sakura-chan. ♡

Guh...

GUA AAH!

The collar is connected to a high voltage generator.

You should've thought of that sooner.

Wha-!

Don't you think that's absurd?

You female ninjas have no freedom whatsoever.

Failure and defiance are met with death.

Guh...

Don't you agree that's more natural?

Like wearing your favorite clothes, falling in love and sleeping with someone...

If you were born as a woman, you should know the pleasures of being one.

and my ability to modify bodies.

with bondage gear,

That's why I'm teaching these girls about the pleasures of being a woman

Hah

Hah

Hah

You are correct. However...

You're just pursuing your own desires!

You abandoned your mission for a foolish reason like that!?

The way you are now, this will do you some good.

OW...! What're you-!?

Who knows if you'll say the same after the training I'm about to give you?

My body is so warm, and I'm starting to space out...

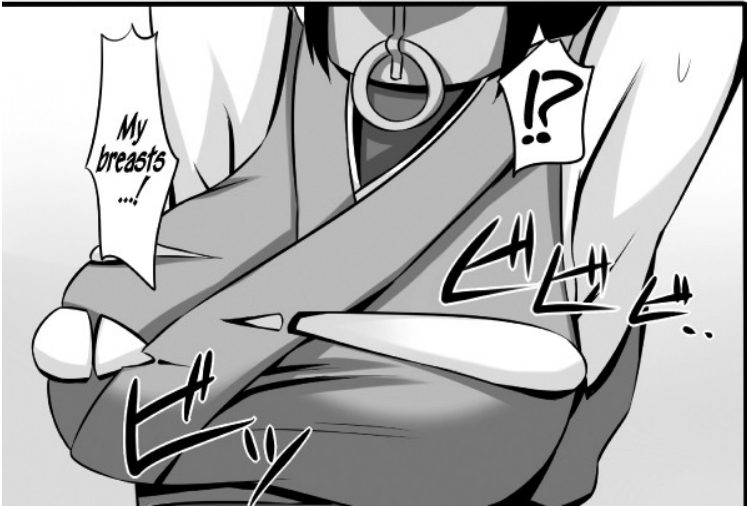

Kuh

Hah

You still don't know this pleasure, so you can't comprehend it. I will teach you all about it. ♡

Kua aaa ah!?

My breasts...

!?

No oo!
!?

Vaaah!!

I can't...
believe
it...

You'll
be bound
down and kept
alive solely
to be milked...
It's a better
life than
you might
think.

My
breasts
have...

F~h

F~h

Well?
How does
it feel to have
such huge
breasts?

I'm
thinking
of turning
you into
a milk
server.

F~h

F~h

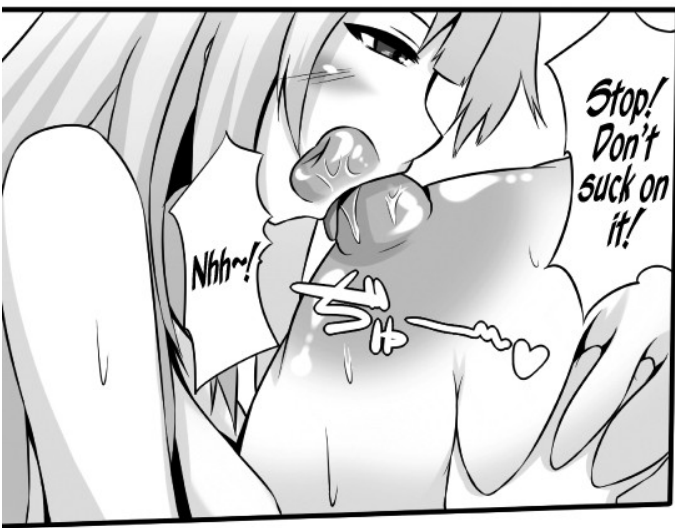

Aaa aah!?

What's with this sensation...!?

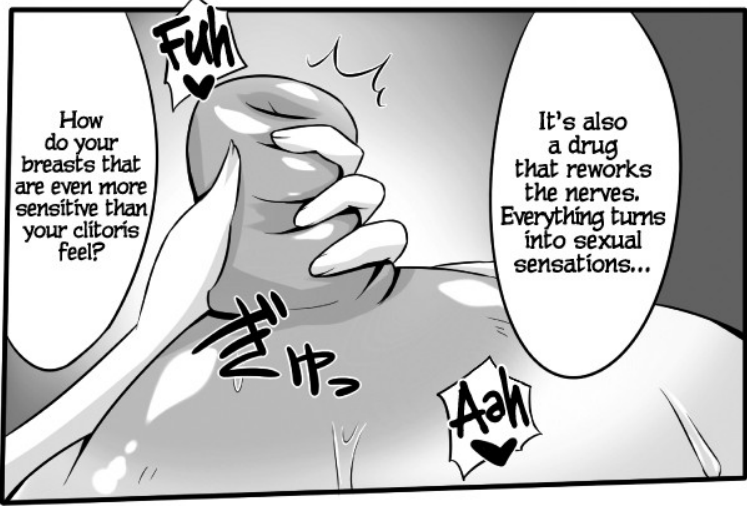

Wha-what're you-!?

Fufu... There's more to the drug than just making them big.

Nhh~!

Stop! Don't suck on it!

How do your breasts that are even more sensitive than your clitoris feel?

It's also a drug that reworks the nerves. Everything turns into sexual sensations...

Please don't break, Sakura-chan. Let me have my fun.

It's strong though, so any ordinary girl would be broken by it.

Kuah! Stop!

Not my nipples...

Kuh...!
Could it
be-!?

No!
Some-
thing is...
coming!

It's
coming
out!

Fua
aa
ah

How's
it like
lactating
milk for
the first
time?

No...
What's
happening
to my
body...!?

Lactating
milk...
why does
it feel
so...

...! Damn it...

My body... now it even has this big penis...

This can't... be happening...

You grew a splendid dick♥ It looks great on you.

Guuh! Noo!

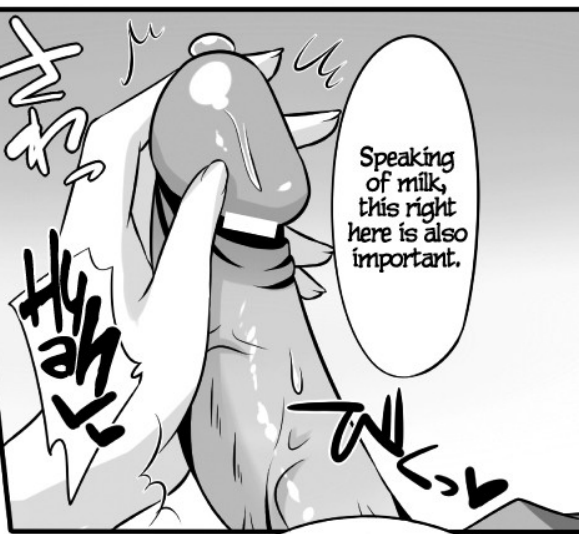

No...

I'll make your penis feel nice and comfy with my breasts.♥

This? It's a boob-job.

No! What is this!?

Speaking of milk, this right here is also important.

Hehe, so sensitive.♥

Kuh♥ Fuh♥

... That spot!
It's like electricity
is running
through
my entire
penis!

You're
shaking
from
getting
squeezed
by my
breasts.
♥

Hehe

Oh no!
This
feels
too
good!

Having
her breasts
wrapped
around it...
I'm enjoying
it even
though I
don't want
to...

Here
you go.
♥

Noo!
I don't
want to
cum!
Stoop!

No!
Please...
stop!
Something
is... coming
out...!

Oh?
If that's the
case...

Ah...
Guh!?

There's semen reaching up the base...!

Your penis is so cute ♡ It's twitching non-stop.

So... cruel...!

Ah... Ah!

Kuh Fuh

I want to cum! I want to ejaculate!

There. Now nothing will come out of your penis and breasts.

So endure it, okay?

But your milk gets tastier if you hold it in like this.

Looks painful, Sakura-chan~

Fua aah

I'll play with this spot in the meantime. ♡

Ah! Wait!

Ah

Uaaaah!
You're-
you're too
rough!

You
like my
penis that
much?

Ahn♥
Your
pussy is
squeezing
down on me
so tightly
♥

Hah

Hah

Please!
Wait!

What
is this!?
I can even
feel the
veins on her
penis...!

Even my
pussy is
getting
messed
up by the
drug!

My
nipples are
rubbing
against
the bed!

No... my
breasts!

I'm
going
to
break
...!

There's no
way I can
put up
with this!

Ahh

Hee

Fua aah!

I... I'm... going to cum!

It feels like my penis and breasts are going to burst ...

!! I-I can't!

Cuu-...!!

Cu
i?

It's twitching like crazy, but it can't cum no matter what.

Aww~ Poor penis.

The semen really wants to come out... but I can't ejaculate!

Ahh

Ahh

Ahh

Ahh

Say "I'm Asagiri-sama's perverted milk cow! Please milk out my breasts and penis!"

If you want me to do that so badly, then you'll have to beg for it in a naughty way.

Haa

Haa

Haa

Agh!

I... can't say that...

Or else... I'll go crazy!

No! My penis is swelling up! Please, let me ejaculate!

I'll play with this hole as well.

Hehe

STOP moving!

Wha-!

You can't cum unless I take this thing off.

Nope~

Hya ah

although, you'll be living the rest of your life without ever knowing what it feels like to ejaculate.

Of course, you don't have to,

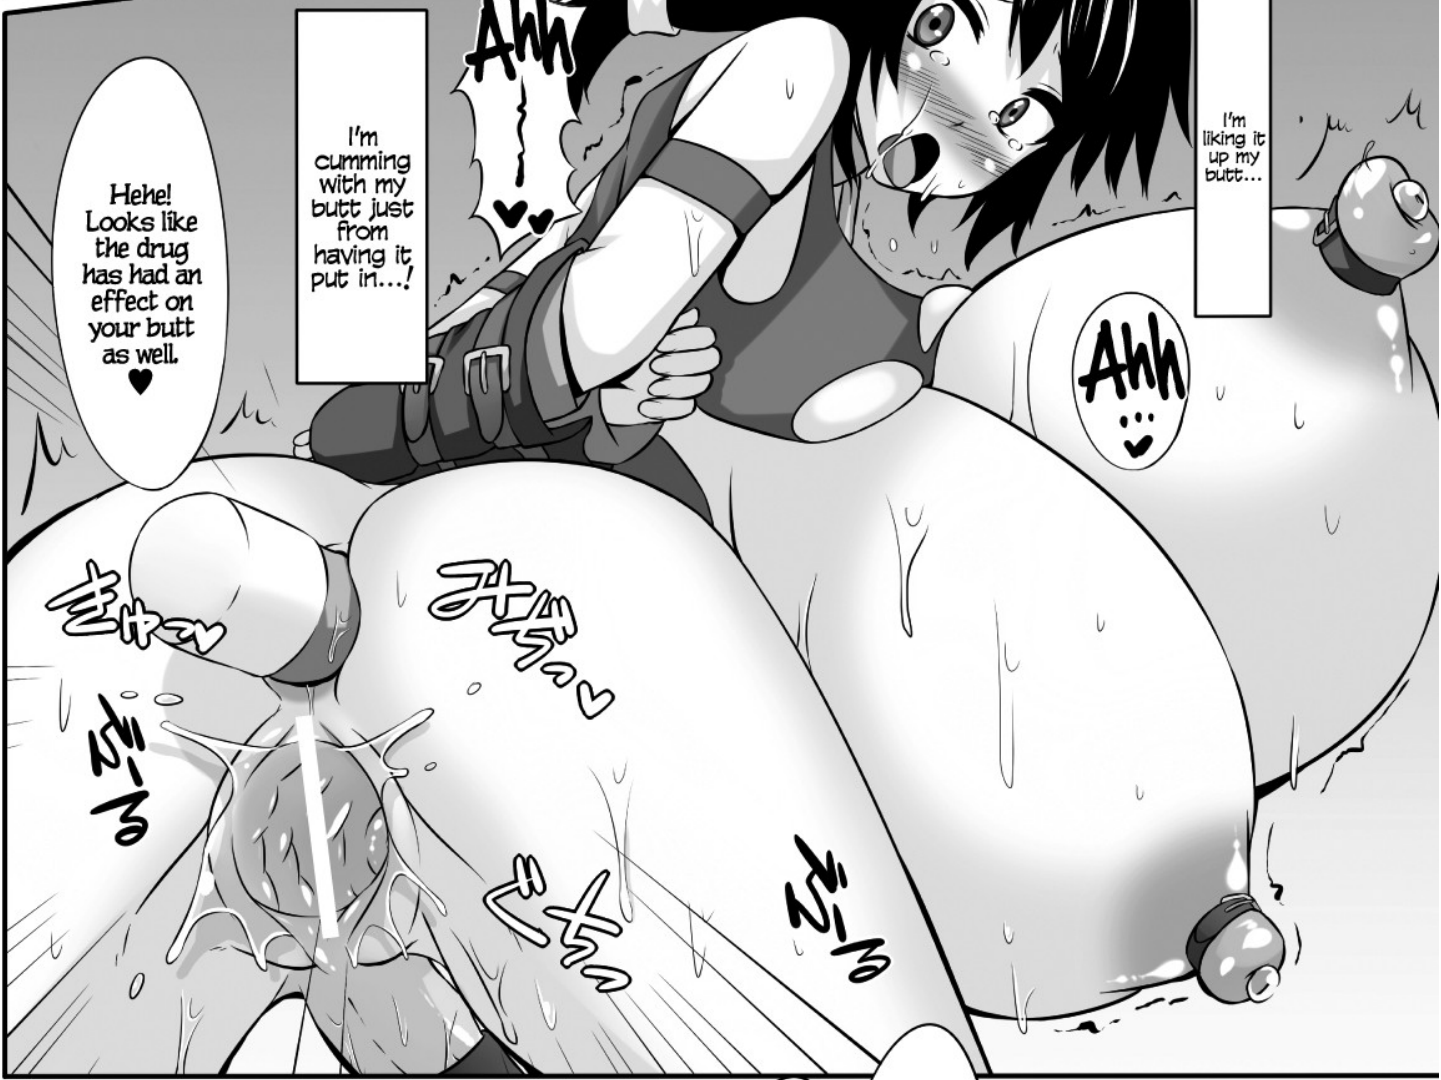

This can't be!

No...

no way it can...

There's ...

Hehe! Looks like the drug has had an effect on your butt as well.

I'm cumming with my butt just from having it put in...!

I'm liking it up my butt...

After all, you'll be cumming non-stop whenever you poop.

Now you can't return to your normal life.

ASAGIRI-SAMA!
I BEG YOU,
LET ME
RELEASE
MY MILK!
MY BREASTS
AND PENIS
ARE AT
THEIR
LIMIT...!

I'M A
NAUGHTY
MILK TANK
WHO HAS
GROWN
SUCH A BIG
PENIS AND
BREASTS!

PLEASE
LOOK
WHEN I
SHOOT
OUT
LOTS OF
MILK!!

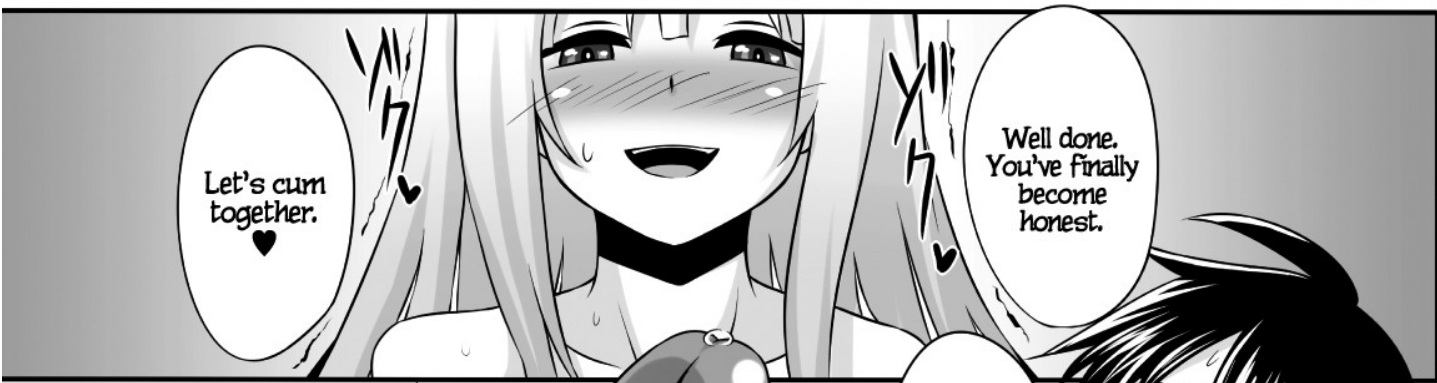

I don't
care
anymore!
I just
can't put
up with
this any
longer!

I can't
take this
anymore
...!

I want
to release
lots of
milk!!

Let's cum
together.
♥

Well done.
You've finally
become
honest.

Tha-
thank you
very much...

The milk is coming out!

Ahh

Ahh

Ejaculating... is so amazing...

Nothing makes sense anymore...
