That is to say, our small inn is ran by me my mom, and the chef.

This is the Onsen Inn we manage.

Bring the extra sashimi over here!

We're sorry for calling you so many times.

You want my buzz to wear off or somthin'

You're slow!

Pardon my intrusion!

They heard about our place and came to stay for awhile.

would you please not eat my side dishes!

These ladies are a certain colleges' Travel Club members.

Yuko-chan, don't drink it like that!

Since they arrived three days ago, our quiet inn has been so busy.

...Maybe a little too busy.

Here is the extra food and drink you requested!

Around
when my
vitality
was
finally
starting
to return
...

Ten
months
later
...

The
girls
all
came
back.
only...

They
brought
with them
some very
large
presents.

Don't!
Please,
noooo!

Right then,
let's rinse
all that sweat
off you in
the bath,
shall we?
♡

As
expected,
your
dick
is the
best!

This
is
great!

Ah!

Aahh!

do to
stop now!

Sorry,
