This is the Life of Happiness that I wanna lead in my **NEXT LIFE**

Translator's note: Sorry for confusing you by using past tense in the first 3 pages. This is done by intention and is somehow plot essential.

Your Highness?

So...

At the beginning you said I was good in my past life, so I can choose the path of my next life. This is just an empty promise? Or you just don't have the power to make my wish comes true?

You such a poor ghost dare to question my power? HA! Let me make your wish comes true! Yet I'm afraid that you can't stand it!

Ox-Head!Horse-Face!* Reincarnate him to a wealthy family, where he will not have to worry about living, and can **FUCK** till he dies!
