THANK YOU FOR BUYING MY "FUTA-CHAN CHARACTER BOOK".

THERE MUST BE A LOT OF PEOPLE OUT THERE WONDERING "SO HUH... WHAT IS FUTA-CHAN?", SO I'LL EXPLAIN THIS SIMPLY.

THERE ON THE COVER, IT'S THE TITLE FOR AN OFA, OR ORIGINAL FUTANARI ANIMATION, THAT WILL COME OUT NEXT YEAR. THE BOOK YOU'RE HOLDING IS TO ANNOUNCE THE COMING OF THIS OFA.

WHY AN ERO-ANIME, AND WHY MAKE IT FUTANARI? TO PUT IT SIMPLY, I'VE BEEN WANTING TO DO AN ERO-ANIME FOR A LOT OF TIME. AND WHILE I'M AT IT, I FIGURE I'LL MAKE IT FUTANARI. THE GENRE IS STARTING TO BE RECOGNIZED OUT THERE, TOO.

本書はそれの告知本になります。

そもそも何故18禁アニメでしかもふたなりモノなのかというと、昔から18禁アニメやりたかったんです。

THE SYNOPSIS WOULD BE SOMETHING LIKE THIS:

で、やるなら「ふたなり」だと決めてました。

THE STORY REVOLVES AROUND OUR HEROINE, FUTABA (USUALLY CALLED "FUTA-CHAN"), A DICKGIRL WHO IS TROUBLED BECAUSE SHE'S CONSTANTLY ERECT. UNABLE TO FIND THE COURAGE TO TALK TO HER MOM ABOUT HER BODILY PROBLEMS, SHE ENDS UP MEETING ANOTHER DICKGIRL AT THE SCHOOL INFIRMARY AND, WITH THAT AS A TRIGGER, WILL END UP GETTING INVOLVED WITH VARIOUS OTHER DICKGIRLS. HAVING SEX WITH EVERYONE, SHE CONQUERS HER BODY COMPLEXES, LITTLE BY LITTLE.)

ってしまるところから物語は始まります。

NOW, WILL THERE EVER COME A TIME WHERE SHE'S NOT ERECT 24/7?

思春期故に母親にも相談できず悩んでいるところ、める口保健室でもう一人のふたなり少女と出会い、それをきっかけに様々なふたなり少女と知り合うようになります。

些とセックスするうちに少しずつその身体のコンプレックスを克服するようになっていき

WITH A SYNOPSIS LIKE THAT, I THINK IT'D END UP BEING A STORY WHERE YOU HAVE FUTA-CHAN AS A MAIN CHARACTER, AND EVERY OTHER CHARACTER IS GIVEN AN EPISODE FOR DEVELOPMENT.

IN ANY CASE, I WANT TO MAKE AN ANIME WITH VARIOUS DICKGIRL CONCEPTS AS THE MAIN SUBJECT. はふたちゃん自身のストーリーですが他キャラの個々のエピソードも絡めつつ展開していく感じになります。

とにかく、ふたなりネタを前面に押し出したアニメにしたいですね。

SINCE IT'S AN ENTIRELY ORIGINAL STORY, I WANTED TO WRITE A WHOLE MANGA FIRST, BUT THE PLOT ENDED UP BEING THE SAME AS A CERTAIN BREAST MILK ANIME, SO I JUST MADE SOME SORT OF CHARACTER BOOK INSTEAD TO PRESENT THE CHARACTERS.

描きたいとおもってますので、ひよっとしたらアニメの特典で付いてくるかも

I WANNA MAKE A MANGA SOMEDAY TOO, SO YOU KNOW, MAYBE THERE'LL BE AN ANIME EPISODE BUNDLED WITH IT!

そんな訳で来年はふたなりの年になりそうです。

WITH ALL OF THIS, IT LOOKS LIKE NEXT YEAR IS GOING TO BE THE YEAR OF THE DICKGIRLS!

...I WISH IT WOULD BE, ANYWAY.

TROUBLED HEROINE

FUTABA
OHME

“I’m a girl, and still... my penis, it just won’t stop...”

Despite her complex about being a dickgirl, she has a cheerful personality. One day, he got an erection, and it simply never subsided. Her dick stays hard after ejaculating, and she can actually ejaculate any number of times in a row without limit. Her penis is of average size, and it’s always hard, making its head bright red. She also has nice balls sticking out right under. She is constantly producing precum and staining her underwear with it, adding to her worries. She lives alone with her mother, and even though she loves her mom, she can’t bring herself to tell her about her body. She looks a lot like her mom - in fact, Futa-chan got her big boobs from her.

COCK MILK MASTER

AOI
MAKINO

**“You know, my
milk tastes different
every day...♥”**

She loves cock milk to the point that she could be a professional sperm taster. Apparently, she has to drink sperm on a regular basis to prevent herself from fainting. She insists that drinking sperm straight from a squirting cock tastes much better, and whenever she has a break or some free time she will reach her huge dick with her mouth to give herself a blowjob. Her favourite taste is that of hot, gooey, thick morning sperm from a freshly milked cock, right after waking up. Rumours say her mom can perform fellatio on herself even while standing up. When soft, her dick is still longer than Futa-chan's; and while the head is a bit small, the shaft is larger, more on the meaty, chubby size.

Her balls are quite big, but also very soft to the touch. Petting them softly feels especially nice and pleasant.

She is usually calm and gentle.

YONEKURA

**"I know it's soft, but
it still makes me cum!"**

She was raised in a rich family and is a distinguished girl who's talented and everything, but in contrast, her body is perverted to the point that it's admirable. Her breasts are huge, sagging to just over her belly button, and her nipples are inverted. Her areolas are so huge she can't fit them in her hands, yet they're still quite sensitive. Her dick is huge, and dangles softly even when erect. The foreskin is quite stretched, to the point that she can store plenty of semen inside it. Apparently her foreskin is also very sensitive, and she will ejaculate soon after some stimulation to it. After she cums, she has to take some time to clean her foreskin thoroughly, yet that will often make her cum again and again. Her balls are a bit small, and sag downwards at all times. Despite all this her asshole and pussy have are shaped naturally and nicely.

SHINONOME

“Today, I’m gonna cum lots~!♥”

She looks young, but is the same age as Futa-chan. Looking ridiculously out of place on her juvenile body, she has huge swinging balls that dangle heavily between her thighs. They produce over 500mL of sperm in a single orgasm. No matter how many times she ejaculates, she will never run out of sperm. Her sperm will never thin out either, keeping the texture of pudding at all times. Her cum is very thick and tastes somewhat sweet, and is famous among all the girls, especially Aoi who is addicted to it. She ejaculates such a great quantity of sperm every time that her urethra expands due to the pressure, giving a bit of a painful feeling. However, it is still pleasant enough that she’ll in fact have another orgasm from ejaculating. If she doesn’t ejaculate on a regular basis her balls swell somewhat painfully. To be able to ejaculate at all times, she always has a condom on, and on some days when there’s too much sperm she’ll even wear a diaper.

MISAKURA

“My womb is full of your sperm Ayame...♥”

“Your sperm is so hot nee-sama, I feel like I’m gonna burn!”

Identical twins. The one with a mole under her eye is the older sister Asagi. They have always been genuinely perverted lesbian twins. They are always seen together, and they think about passionate sex all the time. If they have the spare time they’ll stroke each other’s cock, or enjoy mutual blowjobs. They only ever wear tights with an open hole for the crotch, so they can have sex at any moment. They love to fuck while standing up, their dick in each other’s pussy, and not stopping until the sisters fill each other’s uterus with thick cum. Their synchronization rate is very high, so they’ll always have orgasms at the same moment. The shape of their dicks and the quantity of sperm they produce are exactly the same, although the younger sister’s scrotum is slightly more firm.

WORRIED ABOUT
HER BALLS

MANA
ORIMOTO

“It’d probably feel better with balls, huh...”

She excels at sports and is in the track team, but is somewhat of a klutz too. Recently she has started worrying about the fact that she’s the only dickgirl without balls. She looks like she doesn’t have any testicles, but they are in fact located inside her body, letting her ejaculate normally. Her dick is small, looking like an overgrown clitoris when soft, and even when fully erect it’s still no larger than the size of the palm of her hand.

Even though her cock is small it’s still extremely sensitive, and at times she’ll even cum without directly touching it. During her period, her dick stays hard all the time, and she’ll ejaculate countless times.

CHUBBY GIRL

MOMONE
KINOSHITA

**“Will you
please ram your cock
in my dick’s urethra-pussy?”**

This chubby girl is usually quite calm, but she has masochist tendencies. She loves pleasing her cock’s urethra more than her pussy, and she will concentrate her efforts on stimulating her urethra when she masturbates. She usually puts two or three vibrator eggs in her urethra. Now, she can easily cram a huge vibrator inside her urethra. Her dream is to have her cock’s urethra-pussy creampie, and is targeting Futa-chan in order to fulfill that fantasy. Her cock is also large and chubby, and when erect it stays squishy like the rest of her body. She has meaty, puffy areolas that hide her nipples deep inside. There is enough room in these that it looks like the head of a penis could fit inside.

THE PRESIDENT
WHO CAN'T GET IT UP

MIU
KAMIRENJAKU

“I’m not a girl anyway, so it’s not a big deal that I can’t get it hard!”

Futa-chan’s senpai, and the student council class president. Her personality is somewhat tsun/aggressive. She is pretty slender, and has the body of a model. She isn’t able to have an erection and in fact she’s never had one. Her pussy however, is quite sensitive. She says that it doesn’t matter to her that she can’t have an erection, but she is really quite worried about that. She is jealous of Futa-chan’s endless erection, and will be quite cold to her at times. While her cock can’t get hard it’s still somewhat large and fat. Ever since she heard the rumour that drinking sperm will solve her problem, she receives the sperm from other dickgirls and drinks it everyday. Lately there have been signs of good results thanks to that treatment.

YUMENO
TOKISAKA

“H..how come my
cock feels so good...?”

She's the tallest girl in school, and the wielder of an immensely large cock. She's optimistic and outgoing, but a bit lonely. Her sexual instincts are matchless, and her masturbation and sex sessions are intense. She will often fall asleep while holding her cock close to her, making her feel secure and comfortable. It's 30cm long even when soft, so she has no problem sucking herself off. Even when standing, when her cock is erect, she has no problem reaching it with her mouth. She usually tucks her cock inside on of her kneesocks, but the intense feeling will make her go into heat right away. She has trouble finding someone to have sex with due to her size.

Futa-chan and the others are her senpais. She’s usually somewhat arrogant, but cute in front of someone she likes. It looks like she wants to join the circle of dickgirls Futa-chan and the others are in, but she’s acting distant because of her personality. She is, in fact, in love with Futa-chan.

Her cock is kind of large and short, and her foreskin rolls up on her glans. She also has her testes inside of her body. She is still currently in her growing period, and is the youngest of three sisters.

She loves cocks, especially those of dickgirls,
and she is constantly being fucked by someone.
She has a large clitoris, which one could say
is about the size of a small penis. Perhaps she
feels close to dickgirls because of that.
Her pussy is such that even the famously
immense cock of Yumeno-san fits
in easily.

PUBERTY

YUKINO
OOME

“I can let you use mom’s pussy anytime, you know... ♡”

Futa-chan’s mother. She’s a worrywart that always thinks about Futa-chan’s well-being. Perhaps because her maternal instincts are so strong, her tits have a tendency to overflow and spout milk when she worries too much. In a single milking, she can produce liters of milk. She isn’t married, and conceived Futa-chan on her own. Apparently, it was from a time where she fucked her own pussy, then accidentally came inside herself. Because of that, she loves her daughter very much, and they are alike in many ways. Their face, their voice, even the shape of their cock is the same, and they look like identical twins somehow separated by several years of age. She loves baking candy, and perhaps that is the cause for her somewhat plump body.

She excels at sports and is in the track team, but is somewhat of a klutz too.
