Foreword

*This is a story about  
Halloween and the perils of  
letting others make decisions for you,  
particularly about costumes.*

That looks  
So~~ cute  
on you,  
thoto-kun  
♡

Woww  
S  
!!!!  
♡

神吉

Then what's  
the point of  
wearing this  
costume!?!?

Well...  
obviously...  
Er... actually,  
I guess it's not  
obvious at all  
is it?

Uh...  
um...  
but...

What  
exactly  
am I  
supposed  
to be?

Well...

AND WHY DOES IT HAVE TO BE SLUTTY??!

I sorta couldn't make up my mind about what slutty costume would be best...

Costume Ideas

You've noticed that, right? ♡

Recently on Halloween, regular outfits have been more popular than supernatural ones

This sexy, little maid's skirt...

And wearing all this has gotten you feeling slutty, hasn't it?

HYA

うん♡

ah

ah!

すい

!!

...?

すい

Uu... don't... grope me...

!!

すい

You brought this on yourself, you know!

Not picking an outfit...

And making me do all the work instead!

Huu...

It was just about as HARD as this here, I'll have you know.

U lying, slutty schoolgirl + maid + Kitty-chan + OO-Ranger like you...

?

Heh heh heh

It's just from the sugar...

Really?

My... my thing... gets all excited from candy...

I did drop some Viagra in there as a "treat"...

Sure.

This... this is just a sugar rush from all the candy!

I'm wearing it all because you asked...

Wh... why...?

Huu... Ahh...

You need a quick Treat before we go out!

Heheh, exactly!

Hya!

Oh my sweet Kit Kat bar!!!!

And now I'm even giving you a Treat on top of it! Isn't that nice of me?

That was the Trick! Getting you to wear all this...

Huu...

Gonna... Gonna...

Ohh... Oh no I'm... I'm... ..!!!!

You enjoy that?

Now your costume looks even sluttier!

Oh no... my cream... filling... is...

Cumming!!!

I'm going to help myself to a "Treat" of my own!

ah...

So greedy...

Next...

?

my  
Halloween  
theme is  
"Better the  
Devil you  
know."

After  
all...

Datte-  
bayo!

I'd much  
rather  
make PUMs  
than  
PUMpkin  
pies!

Although,  
since you're  
the one  
dressed as a  
maid, you should  
be dealing with  
the "pie"s.

What  
a lame  
pun...

Well,  
I guess  
the Trick  
is on them  
then, isn't  
it?

Nobody...  
huh...

is  
going to  
laugh at  
such a  
bad  
pun!

My!  
My!!  
There must be a  
GHUSTLY  
amount of  
them this  
year!

Funny!

Not

Uh oh!  
Is that  
the sound of  
somebody  
knocking  
on the door?

Hey, that's  
your cue to  
say "cum on  
inside".

Ahhh

Ah!!

Aahh...

Trap-kun's lovely "Treat"...

It's as yummy as always (but not healthy, I may be ovulating today!)

They're getting I'M P-atient out there!

It's going to look bad if we don't answer soon!

So hurry up and give me my "Treat" already!

!!!

what should you be?

And no vampire garbage!

So... next Halloween...

Huh?  
Why am I  
so sleepy  
all of a  
sudden?

Vi...  
WHAT?  
I thought  
something  
was off!

Well, I  
did rooie  
you.

And  
you're still  
thrusting  
away!?  
What's gotten  
into you...

Oh  
yeah...  
the  
viagra...

Be...  
eeh... cause I  
wanted to  
play a Trick  
on you, too...

Since I'm  
just going to  
keep you home  
all night  
fucking  
you!

(if I let you go Trick or Treating  
you might get fat on me!)

Here goes!!!

TRICK...  
or...  
TRAP!!!!  
♡

チンパン

ゴッゴッ  
ゴッゴッ

Yum.

Cream  
filling is  
always my  
favorite.

モル,

Who is the trick on,

~~トト~~ really?

**トト♂**  
主人公。  
しばらくでねこみみ。  
押しの強い周囲に囲まれて  
常に被害者(?)  
いろいろ開発済み

もともとラグナロクオンラインのキャラでしたが  
看板息子としてあまりに定着したので独立。  
ROのトトとは性格が微妙に違っています。  
ちょっと大人になりました?目の色も違います。  
(ROトトは赤、看板息子は黄青)

**お嬢様♀**  
お屋敷に住んでいる悪魔さん  
かなりサド  
たまにちんちんはえるらしい

ECOのお仕事をしたときに作ったキャラ、ドミニータンです。  
一発キャラの予定だったのに妙に某社の方に気に入られ  
いろんなところに出演して今に至ります。ときどきめがねっこ。

**ご主人様♂**  
お屋敷の主人。人間。  
かなりの変態さん。  
この人の話はまたの機会に...

ROのキャラ。トトについてきただけらしい...

Please find some delicious
