

I'm gonna propose to her today!

This is it!

It's been 3 months since my 18th birthday...

エロハイム

She's here!

So instead I'll use this ring that I bought today!

Although it's just cheap junk.

I'm a wuss who can't say "Let's get married" when it comes down to it...

男の一大決心!  
愛しのアナタ!

Err... I mean...

G- good evening...

U- umm...

She's my teacher, Kanda.

No...

ふあッ

キーン

Sakai-kun...

S-sorry I'm late.

My sex slave Kanda Maria.

パンドラ

I-I mean... Master!

Today I will make her my wife...!

And the staff meeting really dragged on...

... Hey ...

I forgot the bondage gear at home!

I-I'm sorry~!

No... Sensei... Today, umm...

Kuh!

I have to do the usual greeting, right? ♡

Oh! ...

I forgot!

Regarding what your career counselor Tanaka-sensei told you about looking for a job instead of entering college...

Oh... but first...

This is in order to turn me from your teacher into your sex slave.

... Damn it!  
Me and my bad habit!

It's "Master"!

How many times do I have to remind you!?

Is... something worrying you...?

... What's wrong? You're looking a little meek.

... This is no situation to make a marriage proposal in!

Is it about your father...?

I already told you!  
I've cut ties with him!

... I'm getting by. Can't say the same for my lifestyle though...

Are you struggling with the rent...?

Even though it'll soon be a year since Mom died...

Lately he's been going on and on about "parental authority" and "inheritance rights"...

There. Better now?

Oh no... I'm in front of your mother... dressed like this ...

He didn't even come to mom's funeral.

Yes... You saw when I was masturbating against your desk...

... Wha- wait... Wait!

Oh right... It's been almost a year...

Ah... no... ahh

That reminds me. Not long after that, I raped you.

from seeing such a perverted act... I'm glad.

You got turned on...

D- don't get the wrong idea!

... At first, yeah... but now it's different!

... Uh, my thoughts and actions aren't matching up.

And tame them like this!

I've always had this "master"-mentality!

I look for really masochistic women!

Wh-what're you saying ...?

Then you're going to make other girls your slaves, right?

I'm your first slave, right?

But

number one!

y-you're my ambitious

a-always...

life

M-my...

belong entirely to you...!!

will...

make  
you  
mine!

I'll  
offi-  
cially...

Then

L-  
let's get  
married!

Ngh  
!?

Be  
my  
wife!

I- I'll  
control  
you for  
the rest  
of your  
life!

Is... this?

All right! I said it!

Nnha... Wha?

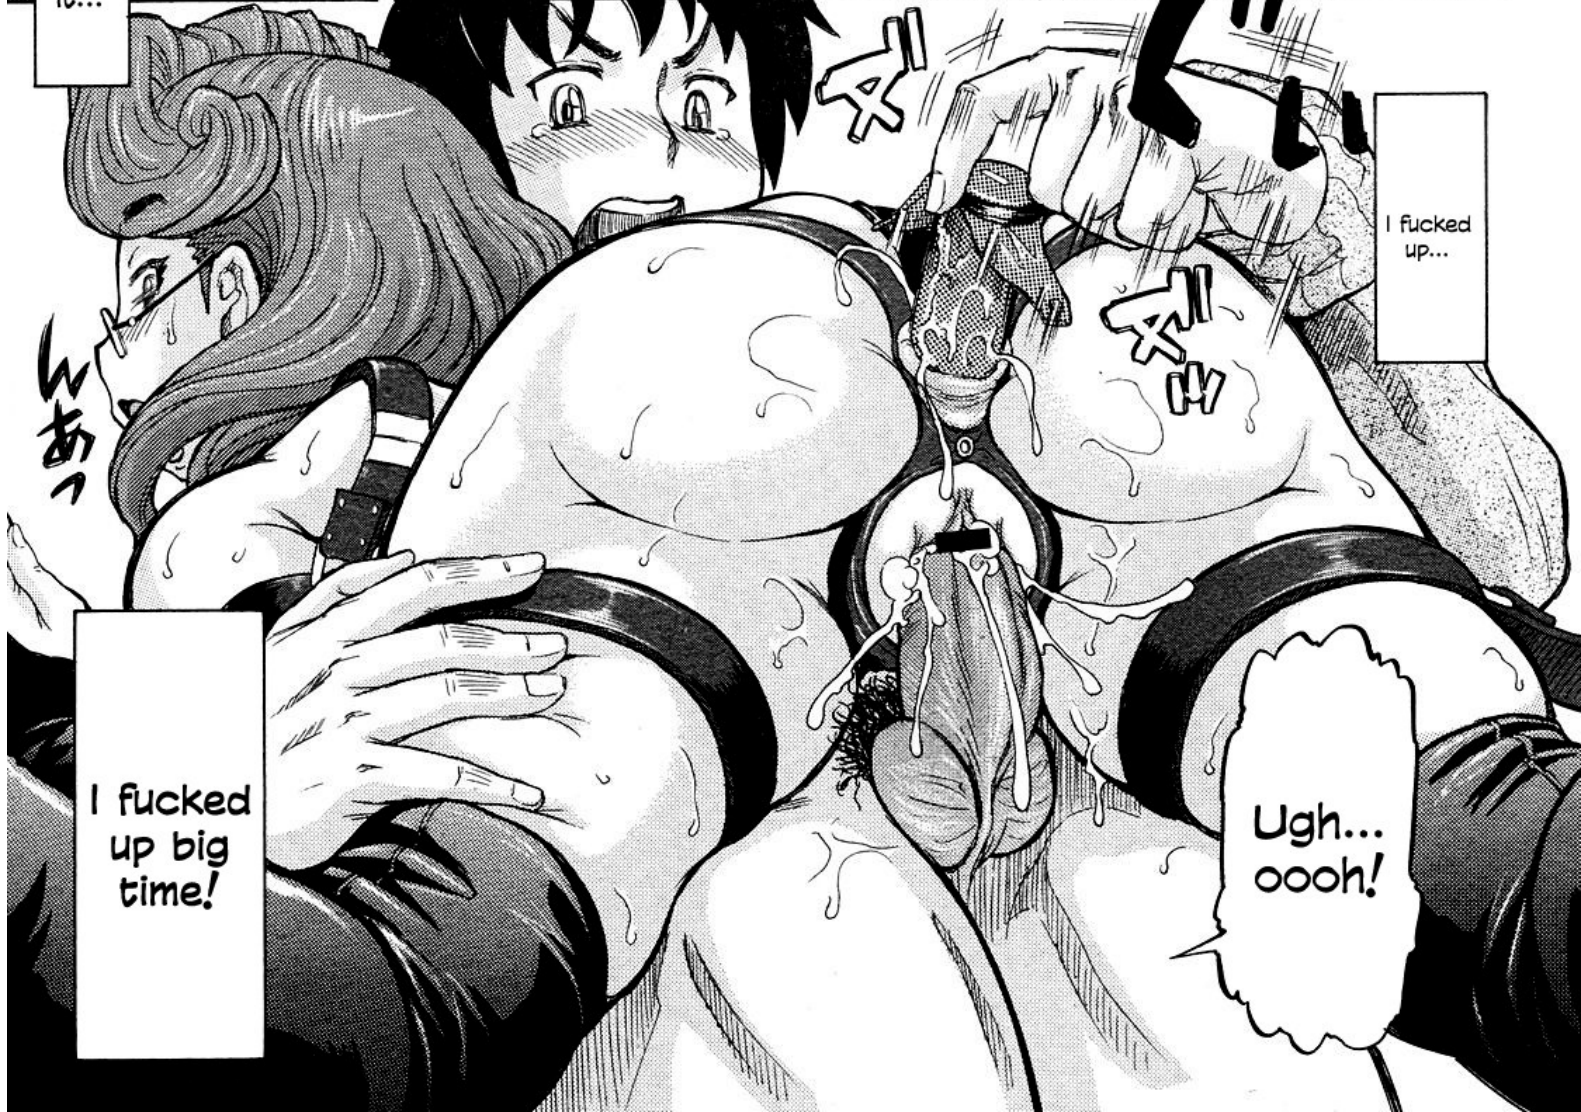

What the hell was I thinking to propose in the middle of sex in the first place?  
... No, that look...

Damn it...

M-maybe she... doesn't want to...?

W-what's with this silence?

I fucked up big time!

Ugh... oohh!

I fucked up...

Prepare yourself-

Wai- wait a sec, Sakai-kun!

N-next...

We should talk about this...

Stop trying to gloss over it!!

And don't look away like that!

We'll have anal sex!

わ

わ

You're not the least bit convincing when you drip lotion like that.  
You used way too much!

Besides, I'm a slave... You can't marry a slave, can you?

But you cut down your living expenses to buy this?

Is this ...?

Kuh...

It-it's just a cheap ring!

First of all, you're still in senior high school...

You can't decide something like this based on impulse ...!

Didn't you just say that your life belongs to me!?

トコトコ

A- anyway!

But I like using lots of it!

C- can't you at least tell me why!?

But more importantly, you can't marry someone like me!

I- I'm okay with that!

... I'm sorry. I'm going home for today.

I-if you don't love me then just come out and say it...

I DO love you! But society won't allow it! That's what I was trying to tell you!!

You DO love me?  
♡  
What a relief-

You do!?

That means ...

Wha ... ah ...

Wha ...?

Hauh!

Wa-wait...

クニ

と

Your way of thinking is so naive...!

Hup

Wha-what're you saying ...!?

If I fuck your brains out and make you lose your sense of reason

E-even for a student ...

maybe you'll say "yes" to my proposal ...!

by someone  
who's 8  
years  
younger  
than me...

Yes... I...  
I'm a per-  
verted  
teacher!

On top  
of that,  
my ass is  
being  
turned  
loose

Says the  
teacher  
who loves  
it up the  
ass.  
♡

Ah  
aah

Guess  
this is my  
fault,  
huh...?

I'll quit  
school and  
work instead,  
'cause it  
looks like I  
can become a  
full-time staff  
member at  
my current  
part-time job.

Now I'm  
not a kid  
anymore,  
right?

I'm  
trying...  
to have  
a serious  
talk...

D-  
don't  
move

right  
now  
...

As your home-room teacher ...

No, forget what I just said!

D- Don't drop out of school mid-term! At the very least you should graduate before we think about marri-

I will never allow-  
Ahn!

!  
Could this be flipping her switch?

Then this is my chance to break her common sense!

I... I'll go crazy...

I... told you not to move...

I'm worried it could cripple your future!

I'll attack her both verbally and anally!

Are you worried what people around us will think?

It's because ...

Hurry!  
Hurry and  
say "yes"!

Ooh!?  
So you  
mean...

I'll...  
help you...  
financially...

You don't  
have to  
worry  
about  
me.

This...  
this isn't  
fair...  
Hyah

Noo...  
not  
now...  
My  
head is  
spinning  
...

Money's  
kind of  
a pain,  
though  
...

Wii  
iiii  
fe!

I-I'm  
turning  
into  
Minoru-  
kun's  
...

No  
...  
more  
...

Ah  
Hee  
♡

accepted  
your  
marriage  
proposal...

Ah...  
ah...  
A slave  
like me

Uu...  
oh...!

Mari...  
a...!

to  
call  
myself  
a slave  
any-  
more!

I...  
have  
no  
right

...

B-but...  
my family  
name will  
be  
"Sakai"  
now!

I...  
I also  
had my  
first  
orgasm  
as your  
wife.  
♡

I ended  
up  
blowing  
my load!

Ugh...  
don't call  
out my  
name all  
of a  
sudden  
like that!

...  
What's  
that  
sup-  
posed  
to mean?

So in  
the end,  
my great  
proposal  
plan

ended in  
success.  
However...

and  
also  
master  
and  
slave,  
right?

Then  
we're  
now a  
married  
couple!

Wha-  
What're  
you-

Okay  
!?

...  
Okay.

It  
seems  
...

I'll take  
care  
of our  
finances.

Say,  
Minoru-  
kun...

Hm?

When you  
get the  
chance,  
could you  
consider  
going to  
college?

You've got good  
grades, after all.

you have  
to be  
'tightly  
bound'  
to the  
rules as  
well, okay?

Not  
just  
your  
body  
and  
mind...

My wife...  
no, my slave is  
becoming the  
boss in the  
house...  
but...

I think  
I'm okay  
with  
that...

y-  
yes?

In  
return  
!!
