Me?
I'm just a dopey college student with too much free time on his hands who got roped into baby-sitting duty.

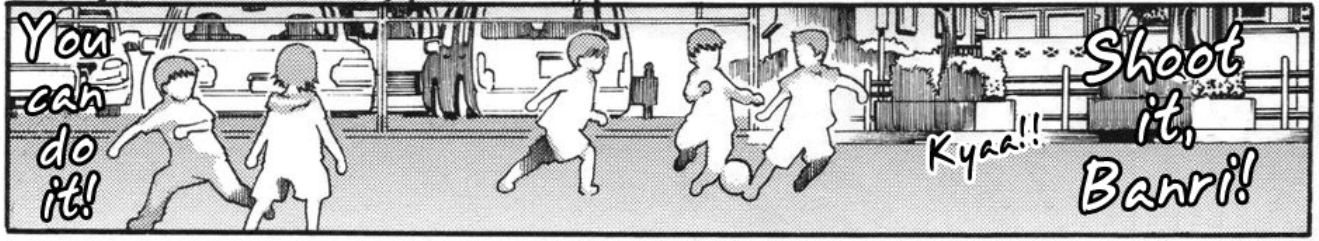

Stop fighting over me, you guys!

Hey!

Boo!

Hey Banri! Let's play soccer!

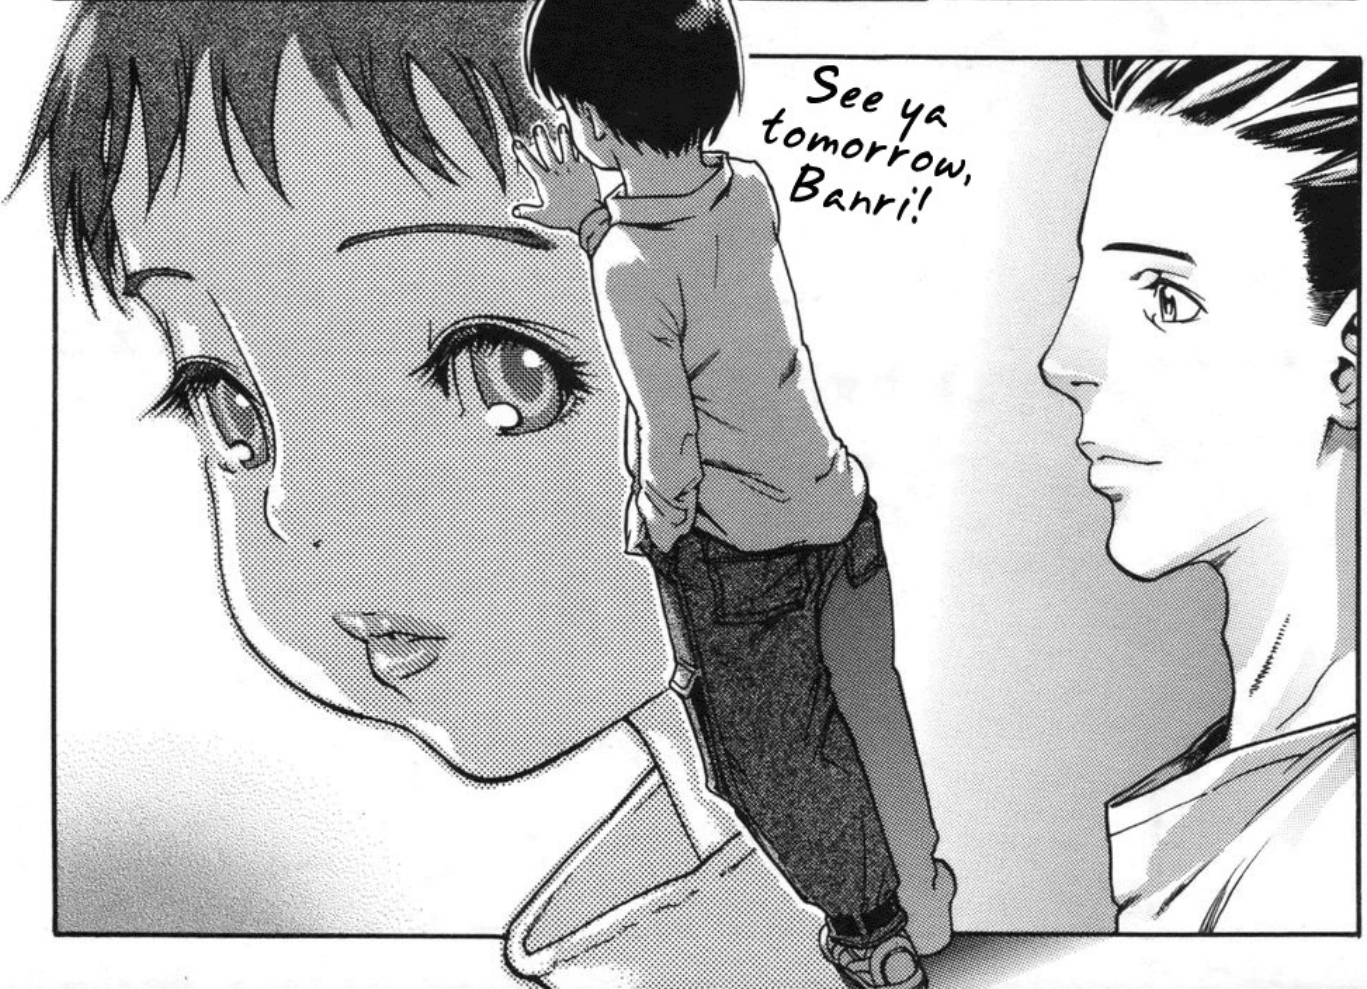

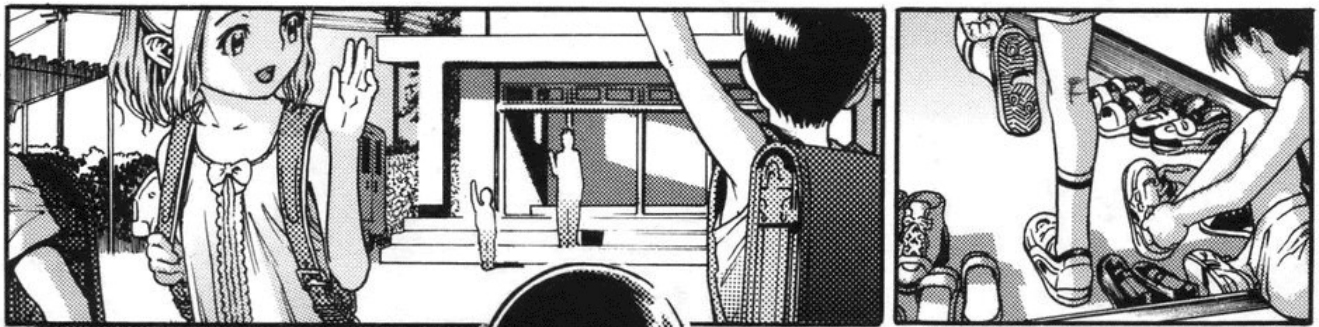

Go away, stupid boys! She's playing with us!

You can do it!

Kyaa!!

Shoot it, Banri!

See ya tomorrow, Banri!

Seven thirty...

What time is your mother coming to pick you up?

Mm...

Don't just kiss me all of a sudden, jerk!

Oh come on...

Get offa me!

What's the matter?

Well...

...do you want to be?

-do-
-ra-
-ble!

How can I resist? You're just so ado-

No I'm not!

Ugh!

Combine this with those hair extensions we tried out last time...

I bought it off the net.

...and you'll look like a totally different person.

I'm going to be dressing and undressing her soon enough anyway.

I don't know what she's so embarrassed about.

Back off! I can undress myself!

Well, then...

Er, okay, okay! Take it easy.

GAW

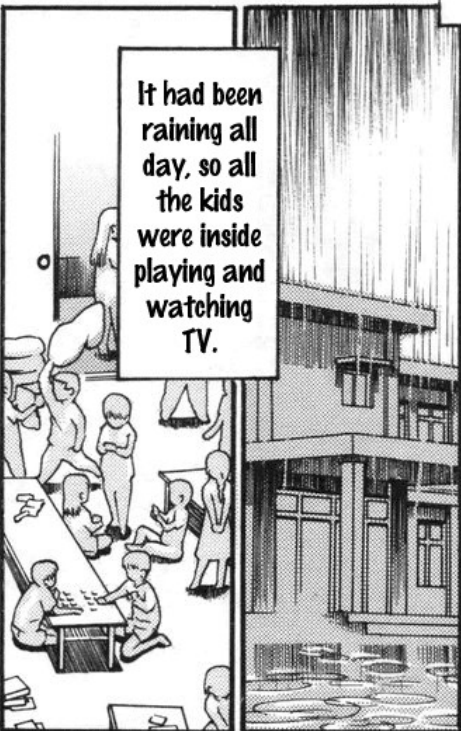

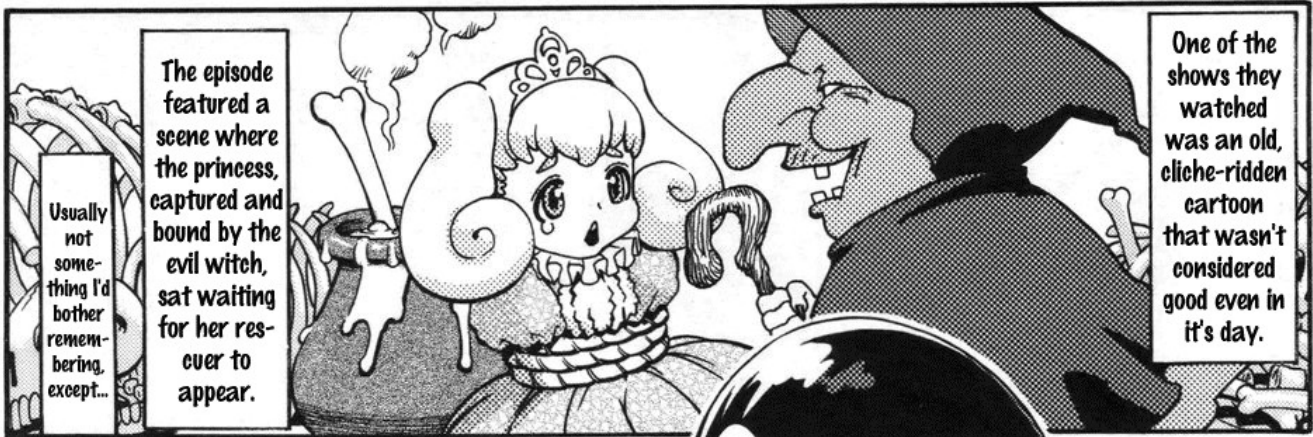

I guarantee this'll look good on you.

Look at all the frills and lace. Isn't it pretty?

I think you're going to like this.

Usually not something I'd bother remembering, except...

The episode featured a scene where the princess, captured and bound by the evil witch, sat waiting for her rescuer to appear.

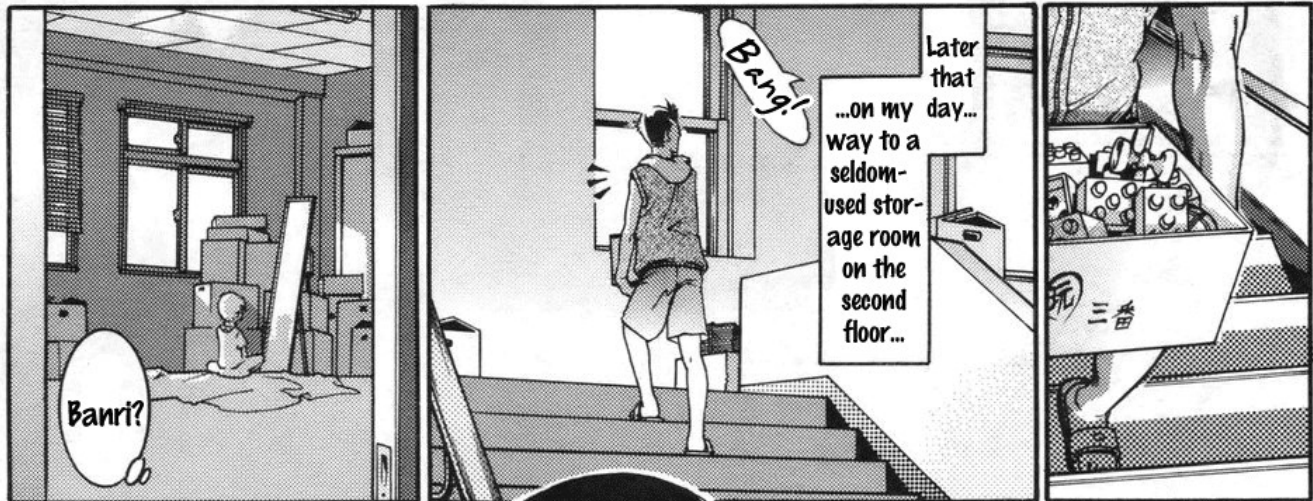

One of the shows they watched was an old, cliché-ridden cartoon that wasn't considered good even in its day.

Hey! Hey! Explain this part to me!

I wonder if she has a fever?

Her face is really red.

Banri?

Bang!

...on my way to a seldom-used storage room on the second floor...

Later that day...

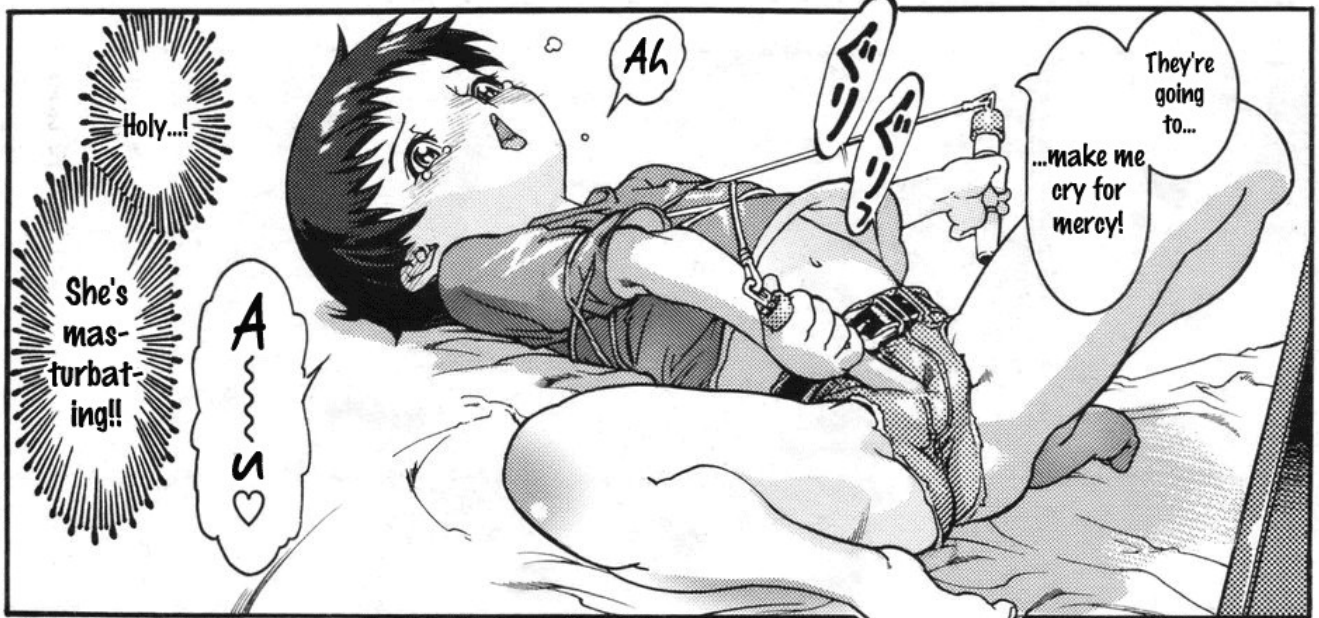

I'm all tied up... with no chance of escape.

Aah... I've been captured.

...to do horrible things to me!

And soon the bad guys will return...

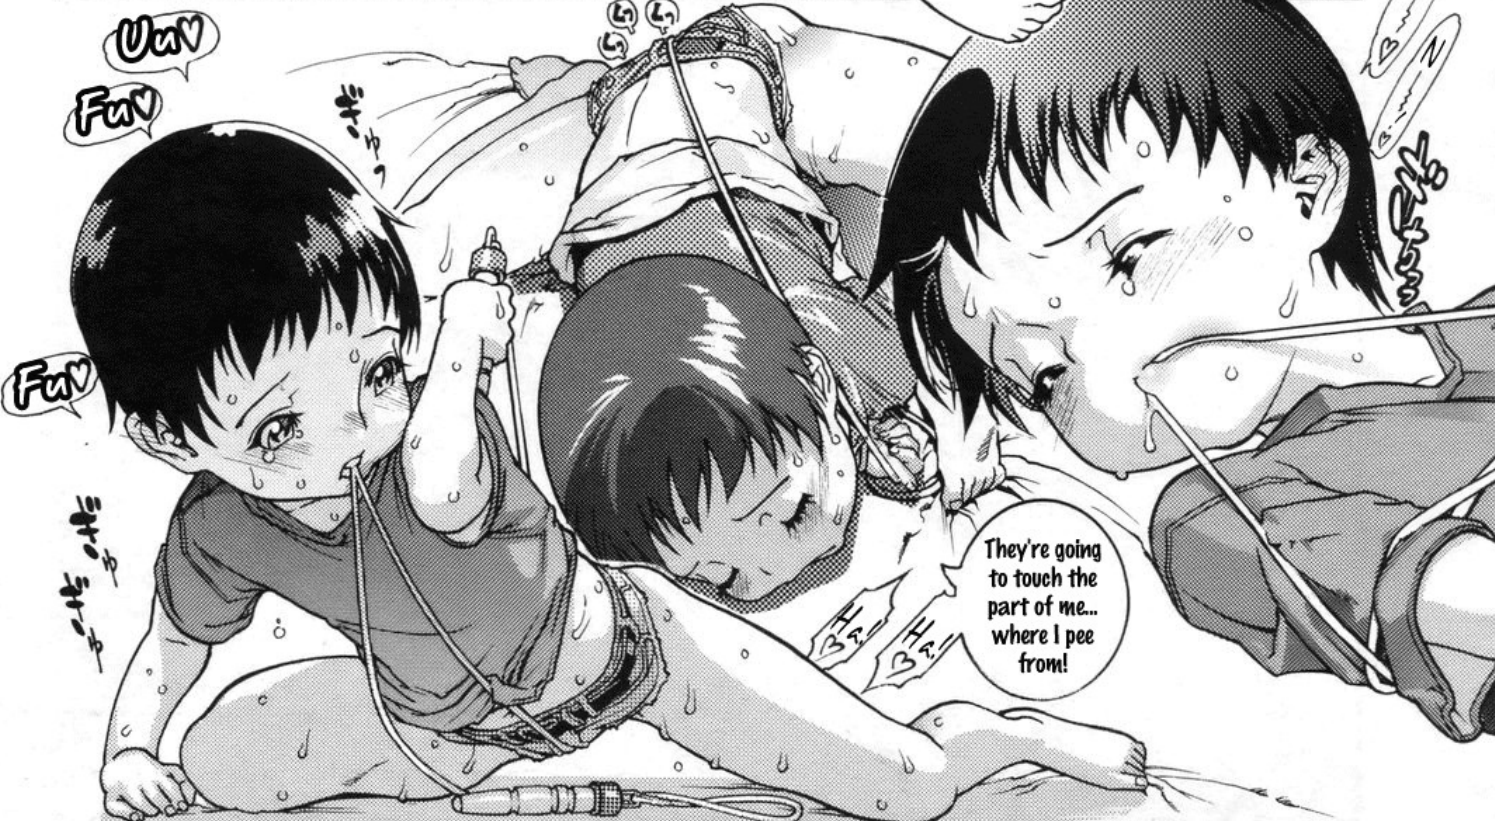

Holy...!

Ah

They're going to...
...make me cry for mercy!

She's mas-
turbat-
ing!!

They're going to touch the part of me... where I pee from!

...I don't think Banri had yet to successfully achieve orgasm at that point a year ago.

She's actually got her fingers in there?!

Man... she's really going at it!

Thinking back on it now...

...so cute!!

That's so...so...

...her stamina finally gave out, and she collapsed to the floor.

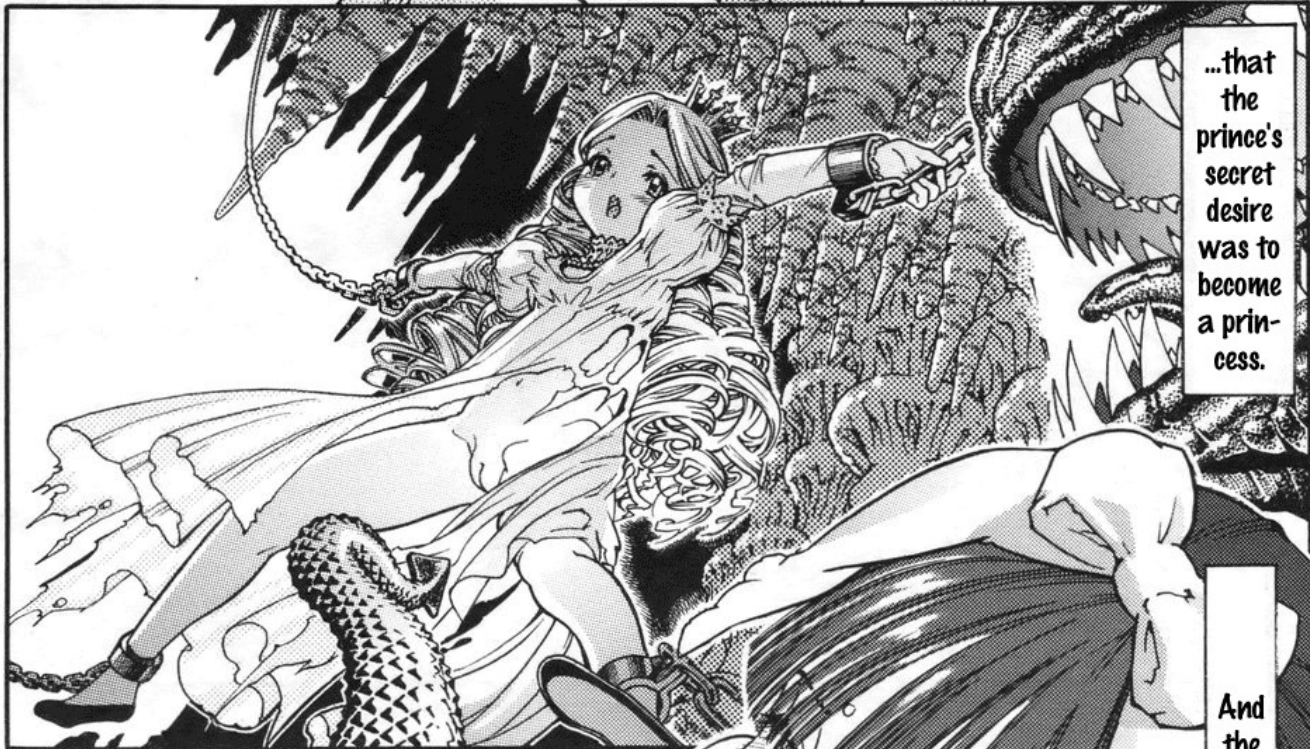

After some time of her trying to rub the dull ache out of her lower half in a clumsy attempt at masturbation...

...all I really knew was...

Check out my golden right!

Whether it came from a simple desire to change herself, or some kind of deeper complex...

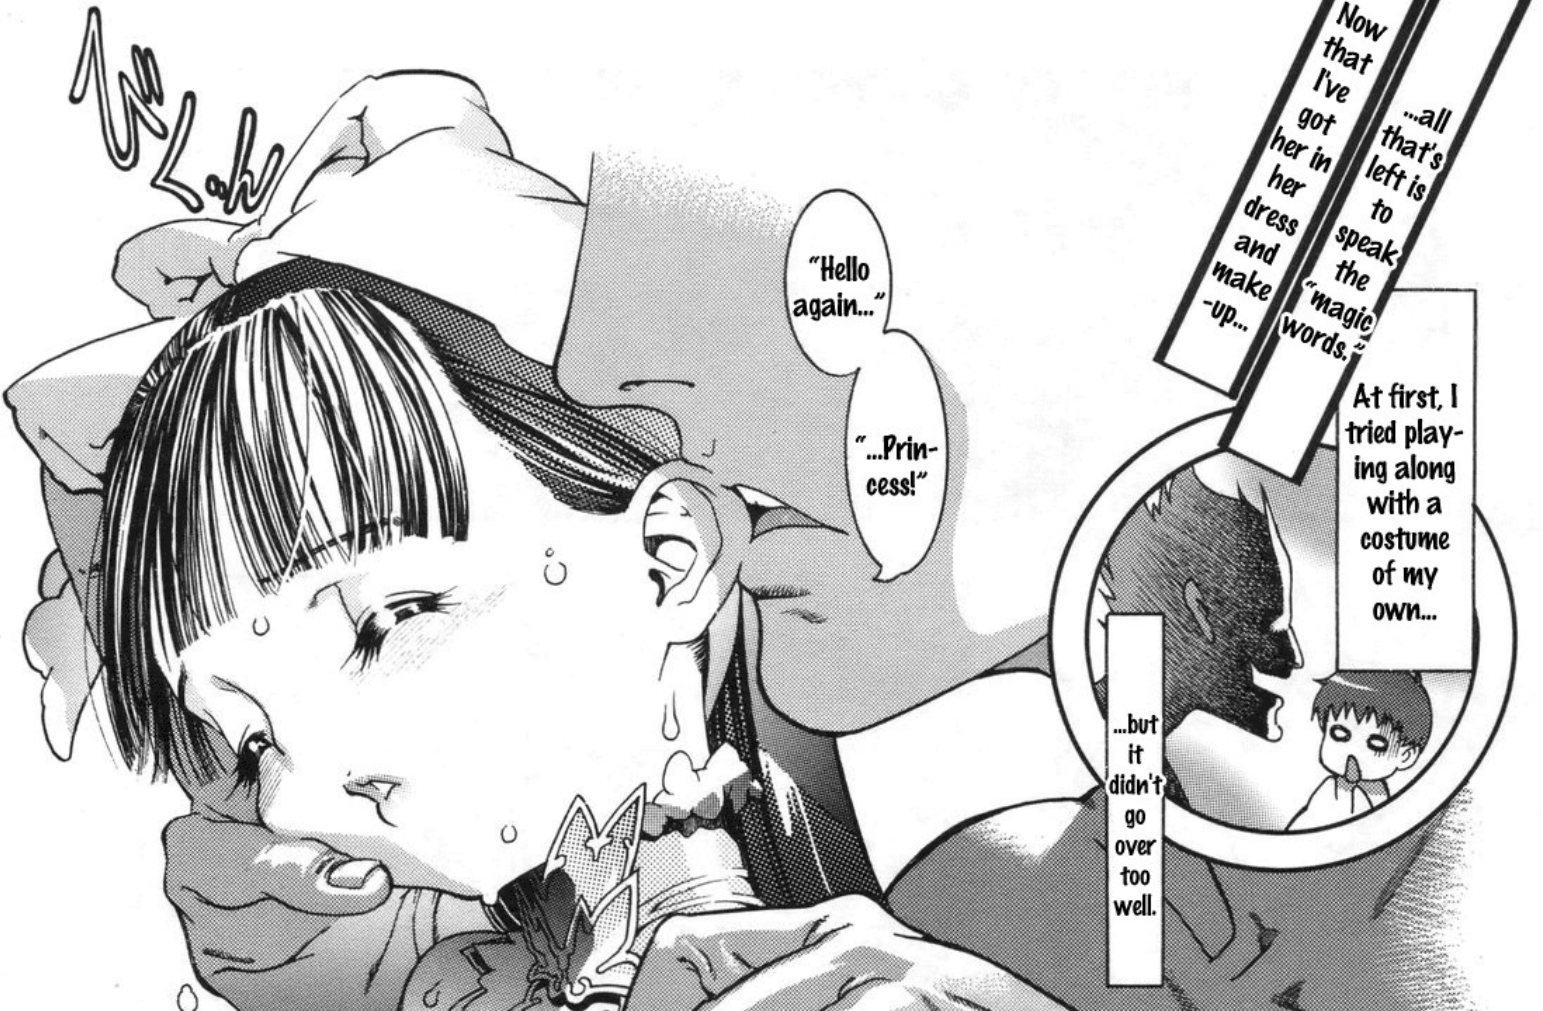

...that the prince's secret desire was to become a princess.

After finding all that out, it then took half a year to advance our relationship to the point it is now.

And the "captured princess" was her go-to fantasy.

"Hello again..."

"...Princess!"

Now that I've got her in her dress and make-up... -up... all that's left is to speak the "magic" words.

At first, I tried playing along with a costume of my own...

...but it didn't go over too well.

Haa Haa

...her voice softens, losing the rougher edge she normally speaks with.

Ha Ha

"...I will avenge my father!"

"I swear that, by my own hand..."

When I hold her a little tighter...

I feel the faint beating of her heart as I press up against her back.

"I will never submit to the likes of you, villain."

"I..."

"Today is the day that you finally swear to become my bride."

Uu!

Ah...

"You still think to defy me?"

Seri-
ously,
Banri...

Uah...

Puh!

Don't
make
that
face
at me
after
kiss-
ing!
It's
bad
for
my
heart!

Every
part
of her
is so
tiny.

Here
most
of all.

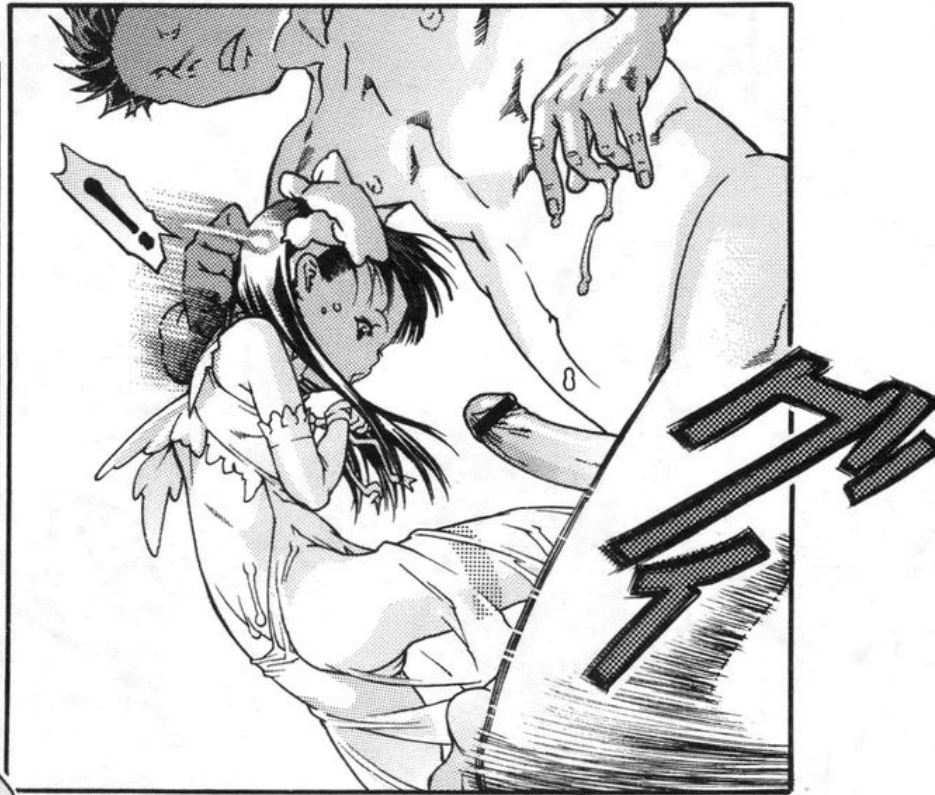

Uu!

Ha!

Ha!

Uu!

Shit.
I used my real voice just now.

Haa
Ah!
Lick it.
Haa

I didn't spook her, did I?

Nm...
アッ (Aa)

She's just so...!
♡

...I want to defile every last inch of her!

From head to toe...

Hrrr ♡

...and these two tiny little nubs she calls a chest...

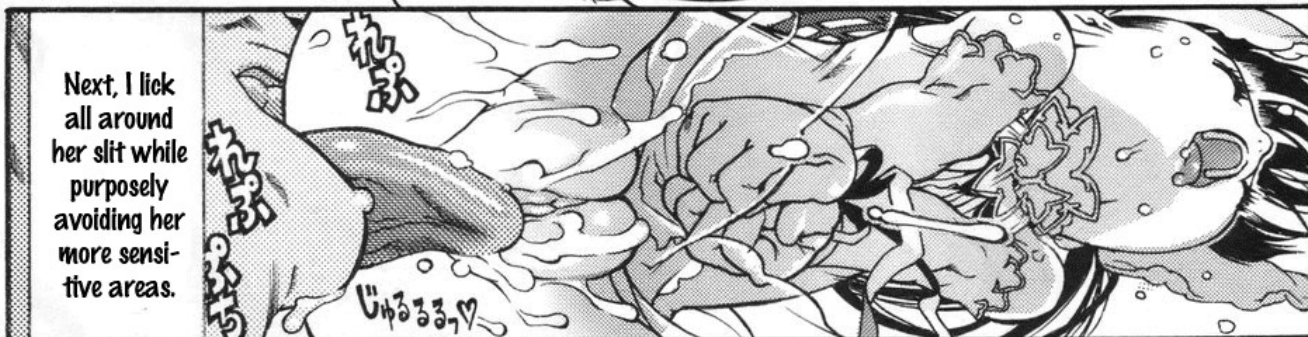

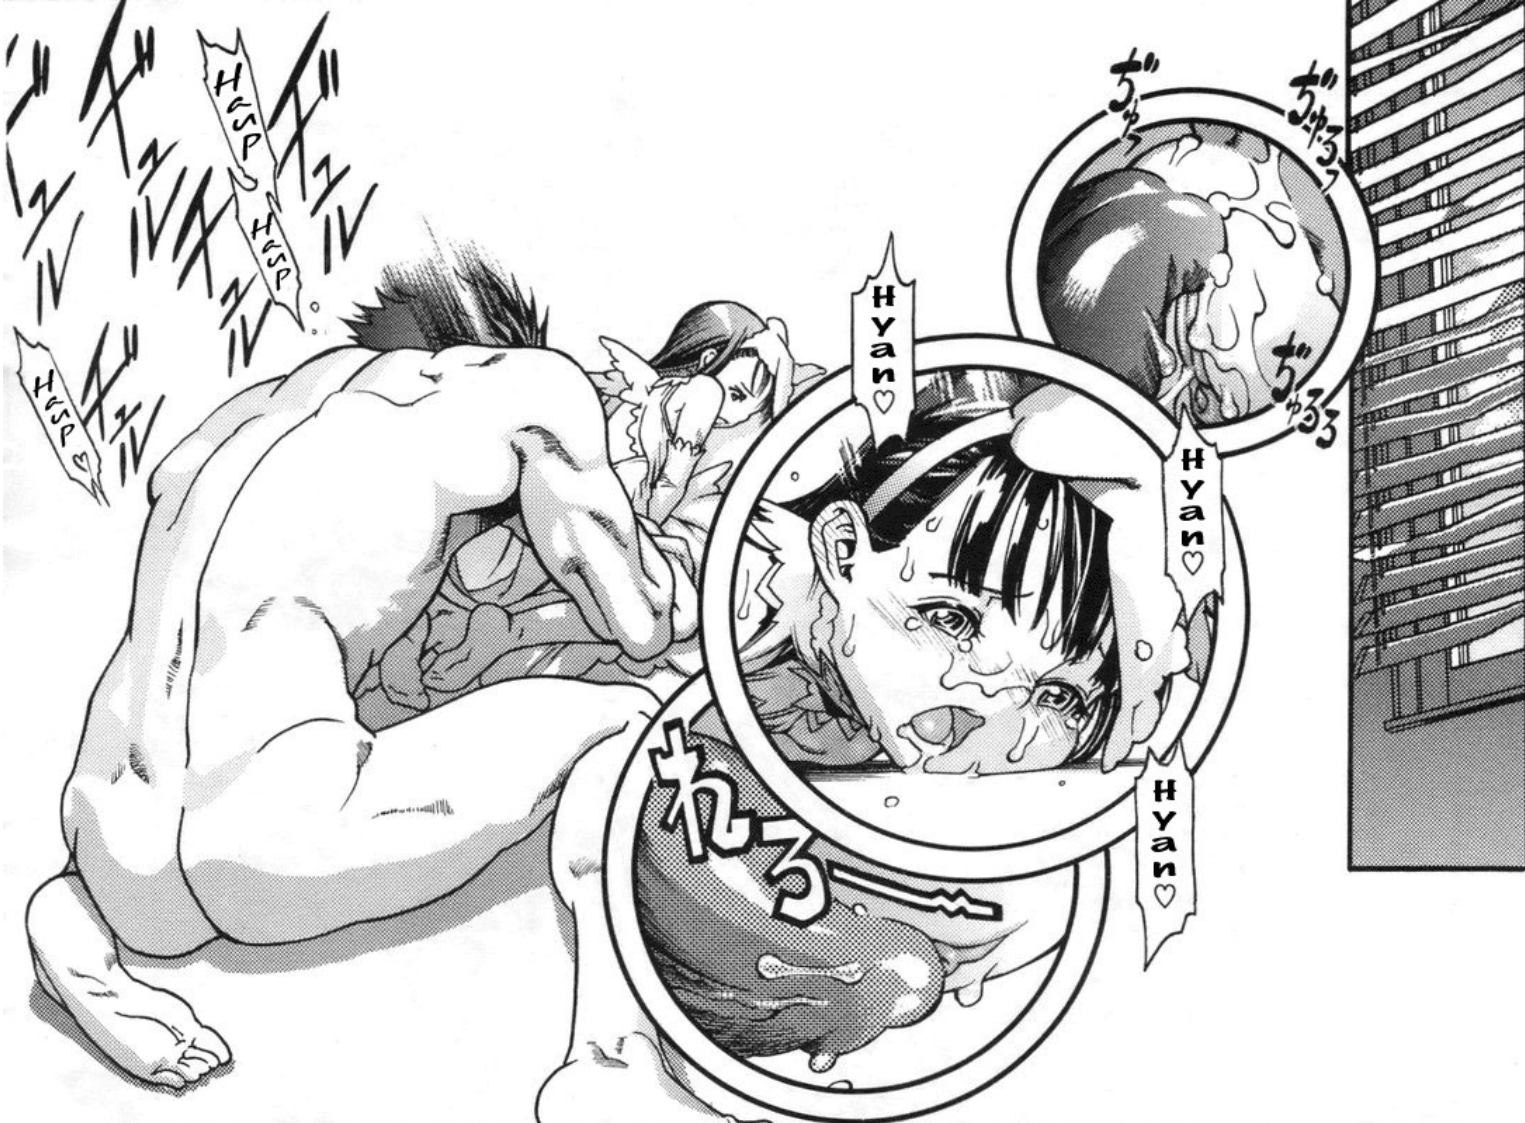

"Such an insolent mouth... der series punish ment! All it's own! ♡"

Hmph!

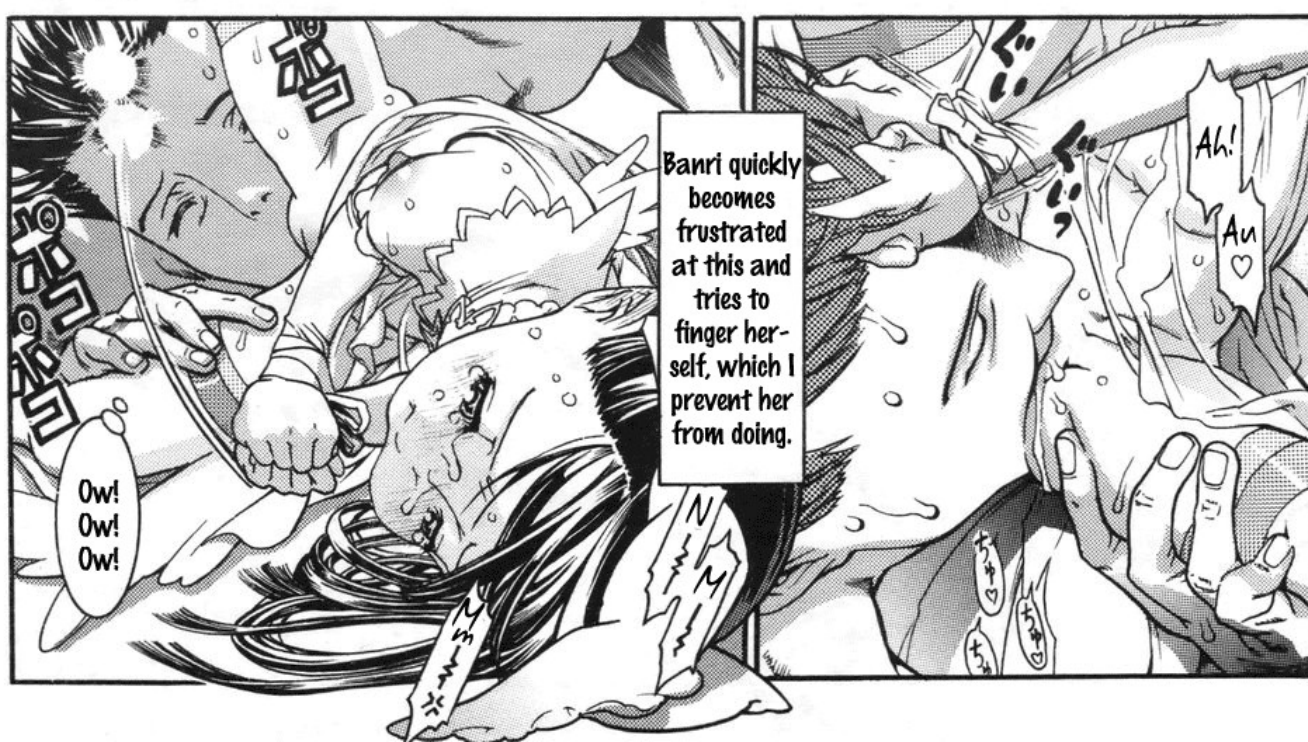

This...

...soft little rubbery cheek...

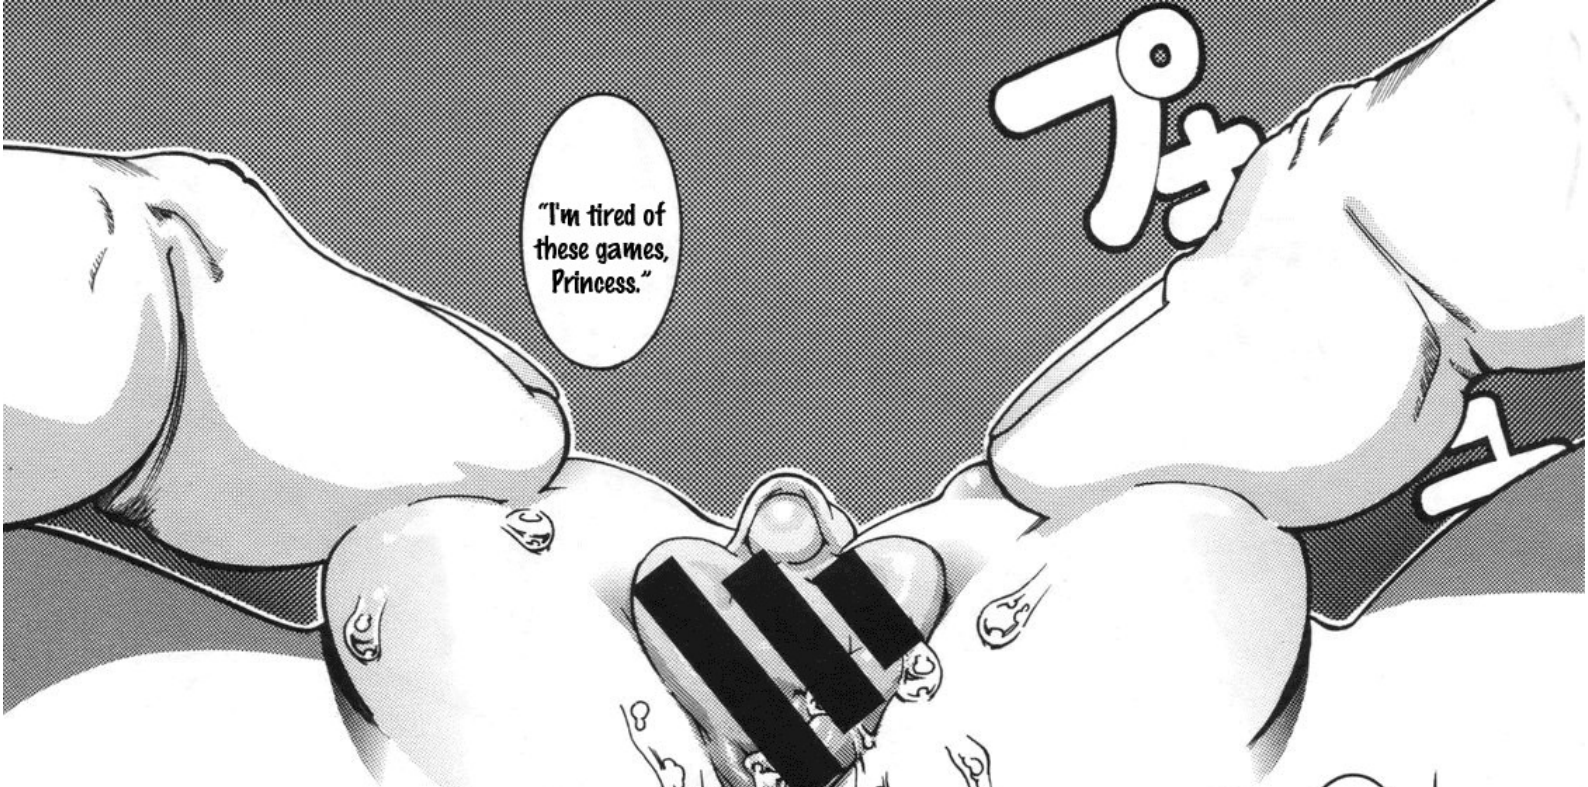

Next, I lick all around her slit while purposely avoiding her more sensitive areas.

Banri quickly becomes frustrated at this and tries to finger herself, which I prevent her from doing.

Ow!
Ow!
Ow!

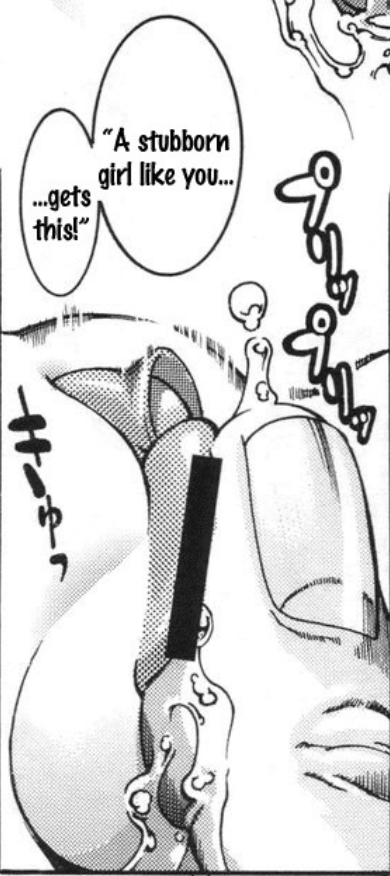

Ah!

"I'm tired of these games, Princess."

Oh!

"...gets this!"
"A stubborn girl like you..."

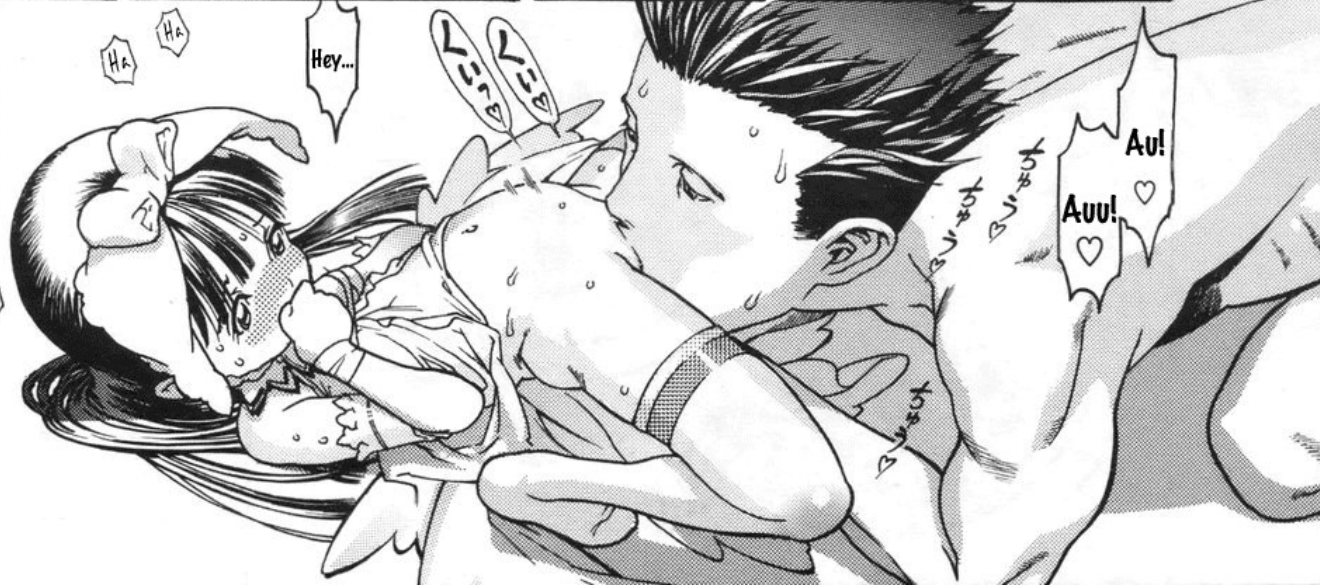

Too much stimulation and she'll have to be carried home.

...so when she cums, she does so with full force each time.

Banri still has yet to learn the meaning of the word "moderation..."

I can't... stand it anymore!
Ha Ha Ha

Hey...

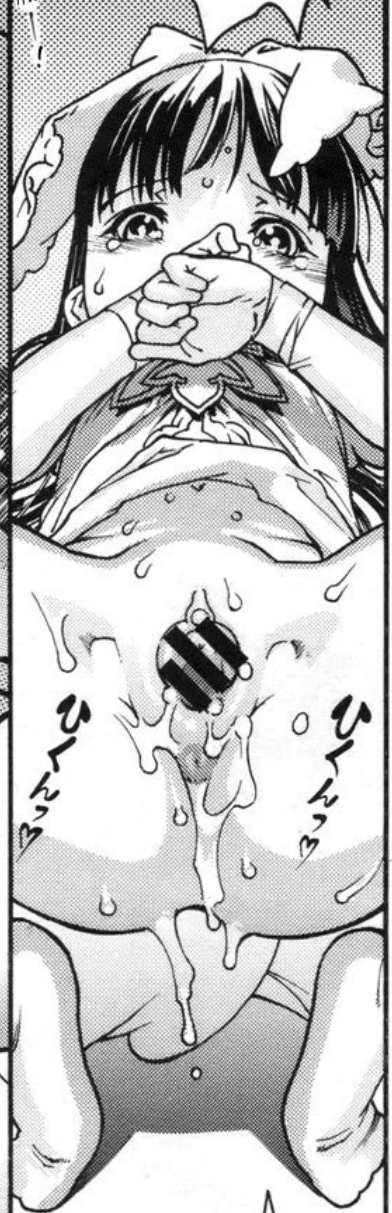

Au!
Auu!

Fu

W!

No more teasing!

Even with all that foreplay to loosen her up...

Let your muscles relax!

A little more!

...she's still so tight!

Please!

Put your penis into me!!

Banri's slit, spread to it's maximum limit by a penis thicker than her wrist...

My head swims just seeing it.
...is a sight more addictive to me than any drug.

Puch!

Because, Banri...

Because, Princess...

...you are so incredibly cute.

Hyan!

I'm break...
-ing!

Why is it... getting bigger inside?!

Wh... Why is...

Un!

Ah!?

Yah!

...I can't control myself.

I need you harder and faster with each passing moment!

So unbelievably cute...

Ha
Heh

Cu...
Cute?

All of it!

Even your crying face...

Your body, so tiny yet so sensitive...

Your hands...

Your eyes...

Your voice...

...cute princess?

You think I make a...

You're so cute, I don't think my heart can take it!

Fuwaa!

Noooo!

She... came?

Aah! You have to slow down!

I think... just...

...or the feigned cheerfulness as you pretend to not want the things most other children take for granted...

...the loneliness I see in your face as you sadly stare up at the evening sky...

Whether it's...

あまのこ

想いを秘めたまま、切なさ抱える2人の心。

Banri, exhausted from the exertion, usually starts to nod off at this point.

After we finish, I take her out of her costume, wipe her down, and dress her in her normal clothes.

That's a line a guy like me really shouldn't cross.

But I can't.

I want to stroke her hair and tell her that I love her.

I want to kiss her more.

Ah...

After a short rest, we sit in the entrance hall waiting for her mother.

It's not easy being a pedo.
