

What terrible luck. We missed the autumn colors.

The training gets hard in the school where your wildest dreams come true.

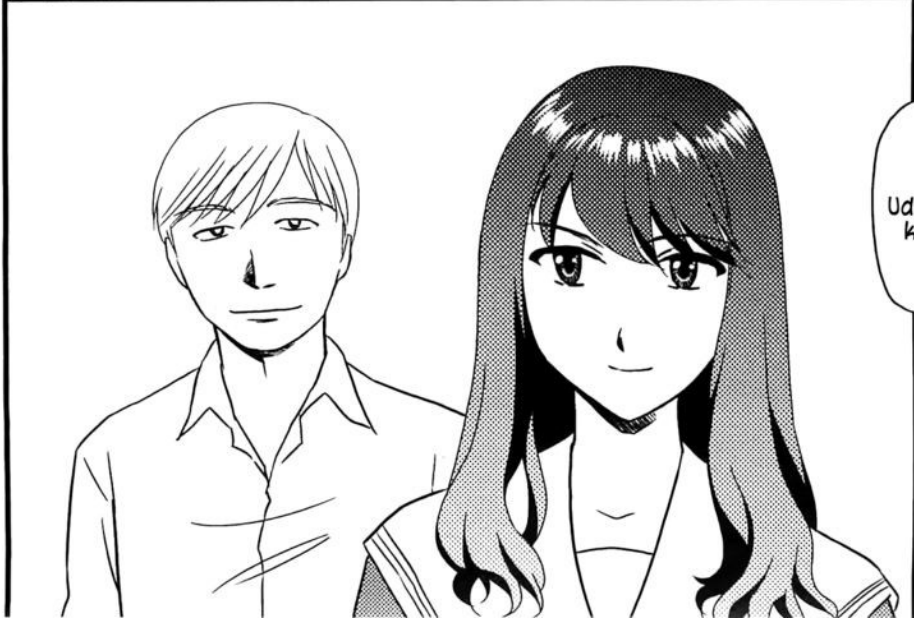

I'd like to see them.

We took some pictures.

Don't you think?

This field trip has been very quiet, considering our school...

Udaya-kun.

Kodaka-san.

Chapter:1

支配する者とされる者、それは調教と言う目に見えるカタチで現れる。調教する者とされる者、それが学園の掟。淫らな思考に支配された教師達そして生徒達。相手より登りつめる為、ワナを張り待ち受ける。支配する者の快樂、そして支配される者の快樂、全てが学園に充満し麻痺する。淫らな宴は終わらない。

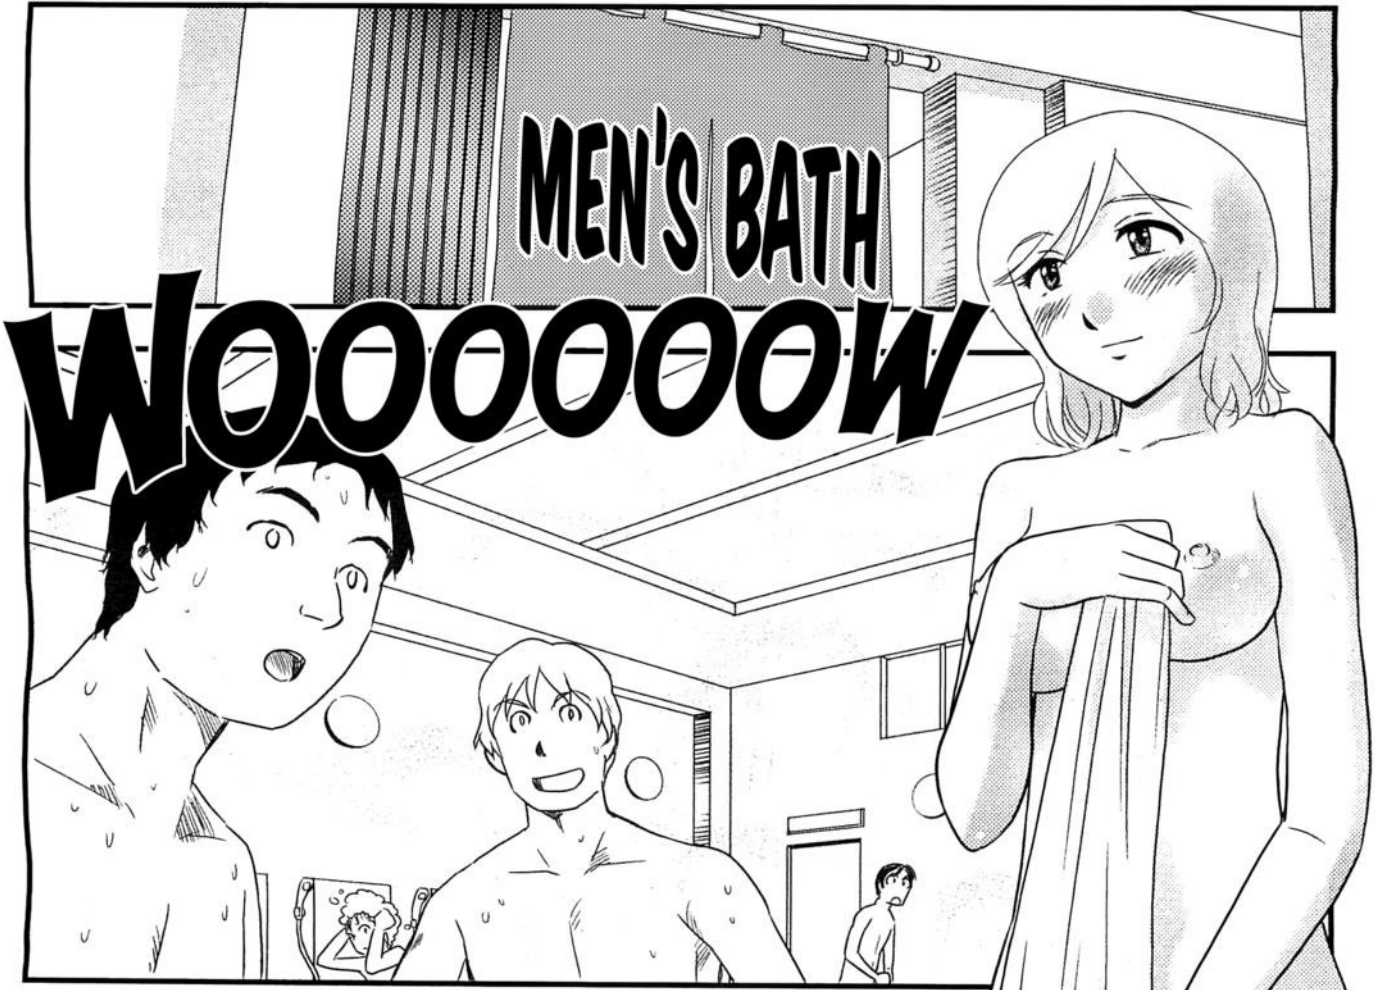

Don't you wonder what your next Mission is going to be?

You came to our school four months ago.

Or is it that you don't care about your training anymore?

And this summer you joined the Exhibitionist Teachers club, Hitomi-sensei.

Not here. someone might see us.

That mat...  
No way!

Sensei?

You should  
reward the  
boys for  
their good  
behaviour.

We don't  
have lotion,  
so...  
I'll use gel.

I'm in  
your hands,  
Sensei.

So,  
what would  
you like  
to do?

**WHO'S

I'm sorry about this. I don't know how to do it properly.

Because it is strange.

It's a strange school. But I chose it...

What?

We're gonna do a special training exercise.

What's going on?

Here we are.

So it's better not to write something too crazy.

There's always the chance that you might select the challenge that you wrote down.

That's right.

Everybody writes the challenges down first and then they're selected randomly.

Yeah. Like take your clothes off, or kiss someone. You know...

It's just a silly game we play. We like to call it, "Random Erotic Challenges."

Why don't you join us?

Erotic challenges?

Are you gonna play?

I'll pass.

But it's perfect for an evening on a field trip.

Yeah. It seems like a silly game...

Yeah, but I don't care.

That's cool.

But udaya-kun is a candidate too.

And the election is coming soon.

Kodaka-san wants to be the president of the student council.

That's right. This is too embarrassing for a candidate.

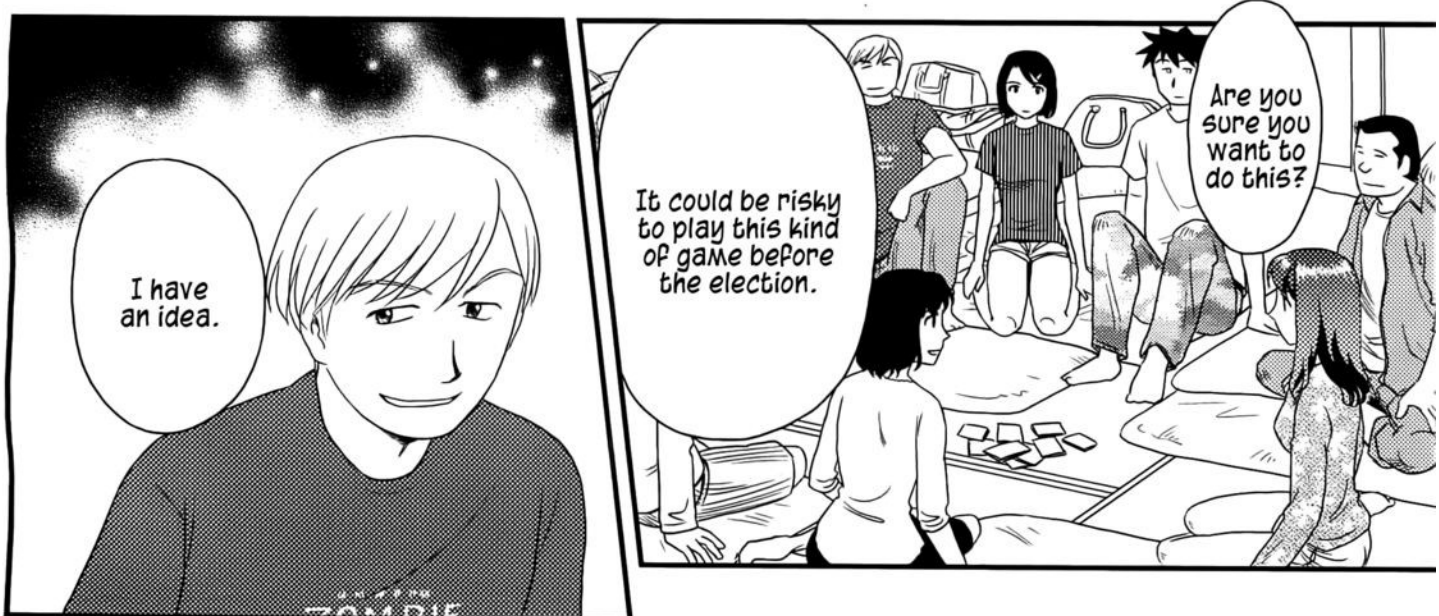

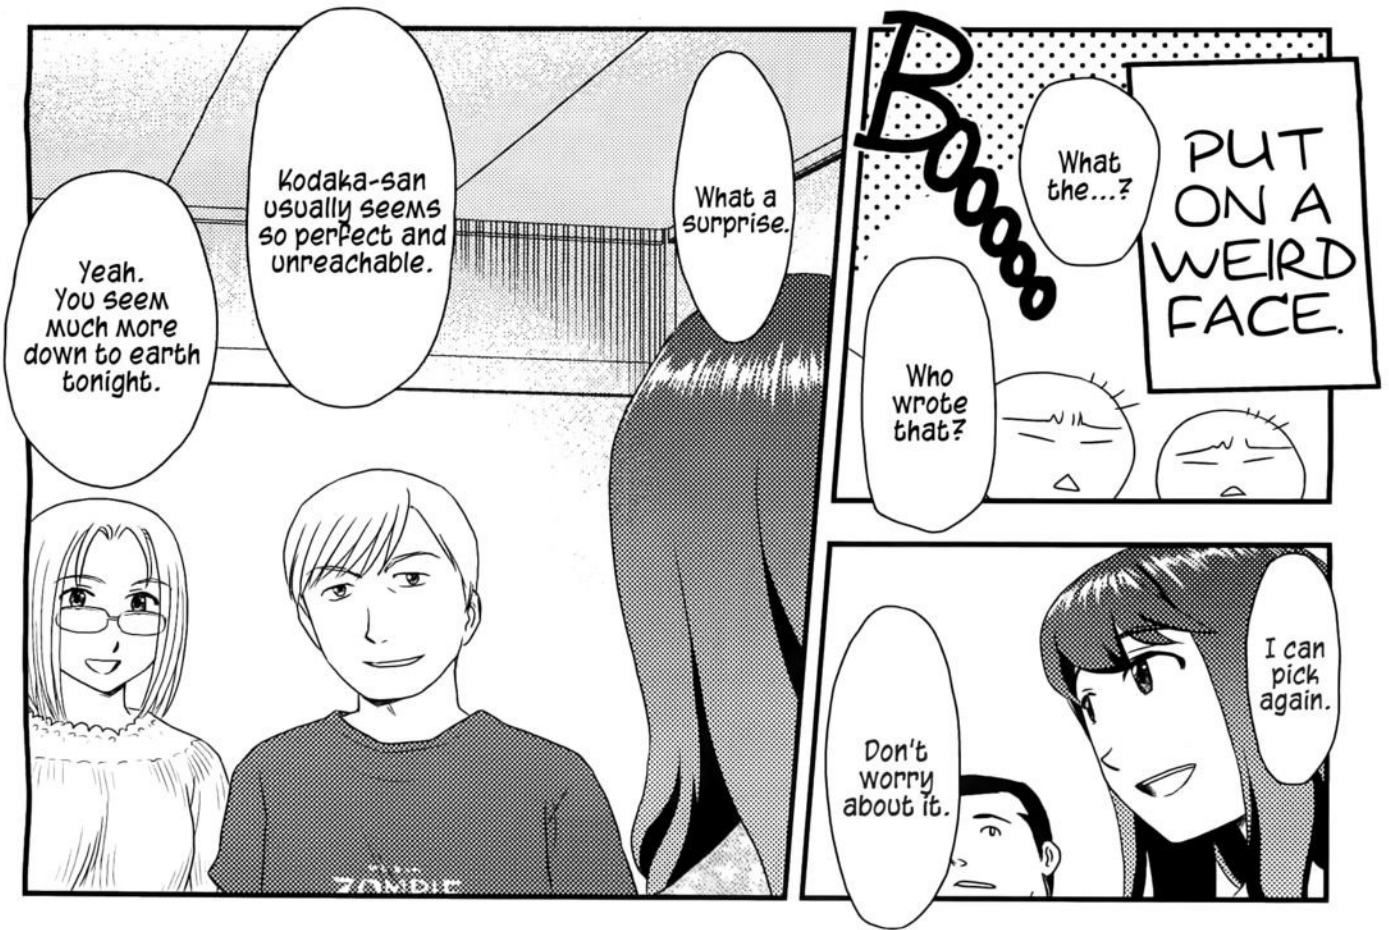

It's okay.

Are you sure?

Okay. I'll play.

YOU FOR

Aaah...  
Damn...

It's very annoying.

When are you going to stop complaining?

VICE PRESIDENT  
UDAYA SETO

We were friends, Udaya-kun...  
I really trusted you...

How could you do this to me?

PRESIDENT OF THE STUDENT COUNCIL  
KODAKA REINA

And we got lucky with the censure motion.

You wouldn't have done this otherwise, would you?

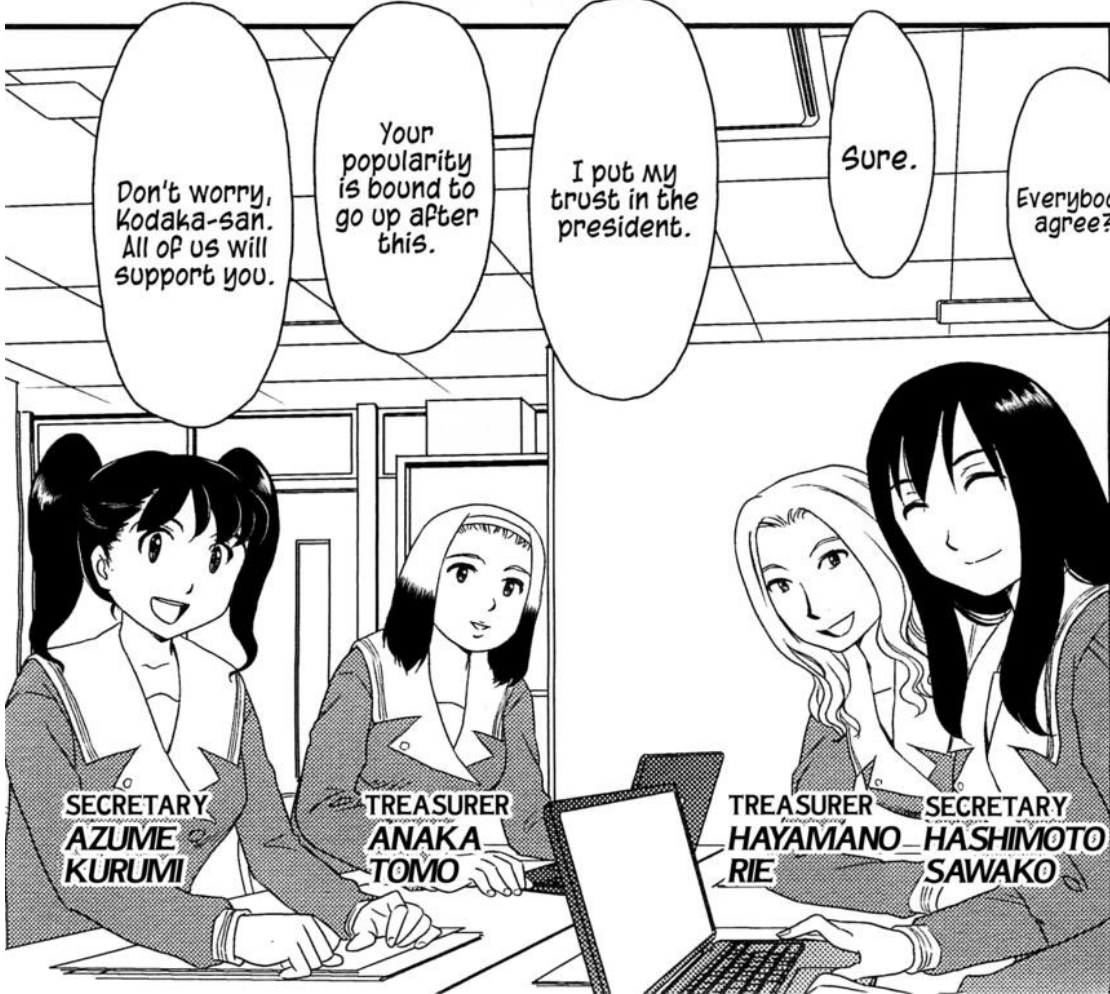

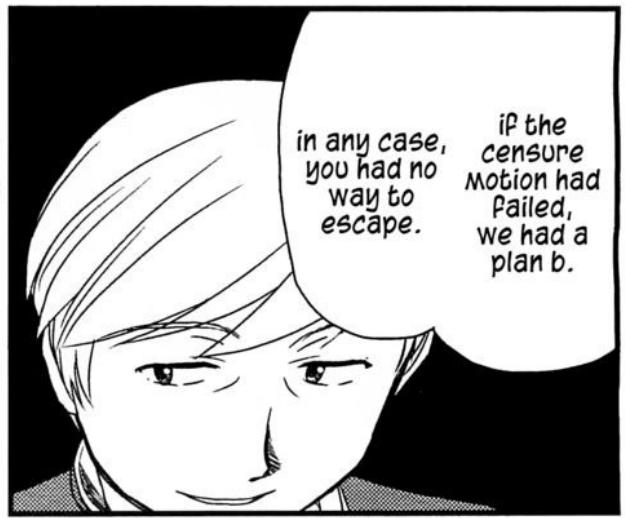

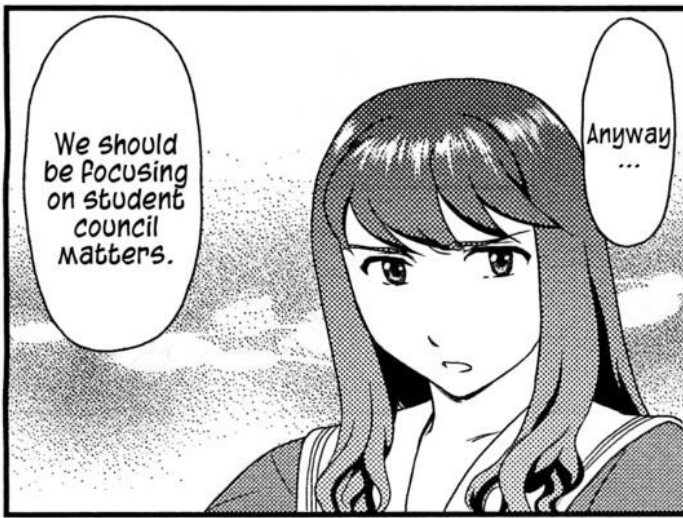

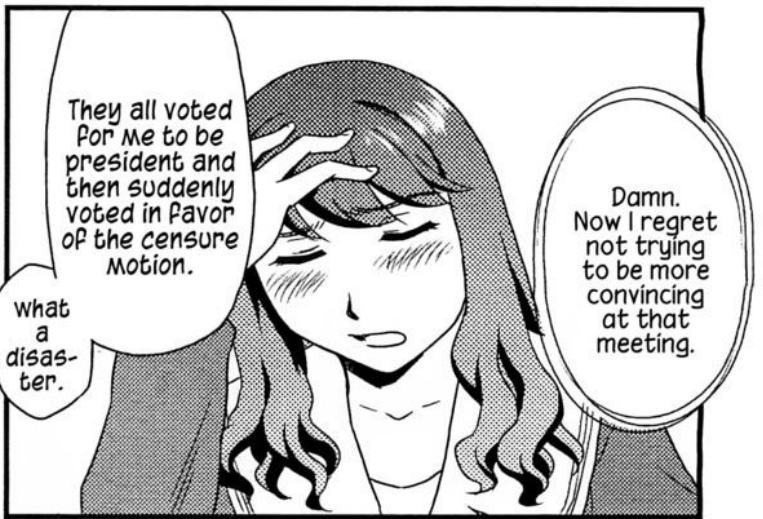

And the censure motion...  
It was all part of your plan, wasn't it?

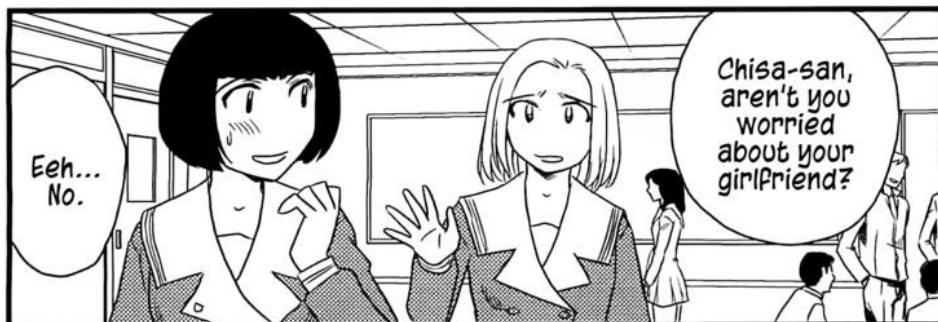

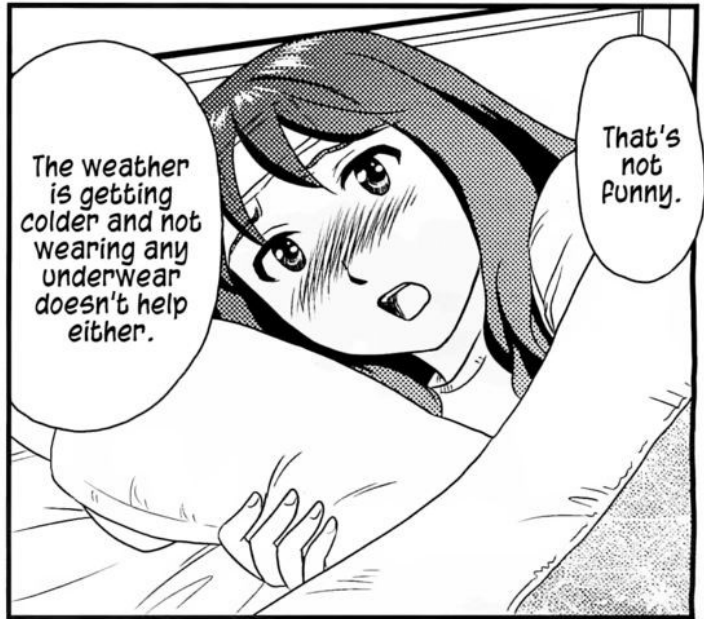

Tell me the truth...  
Delaying the challenge after the election...

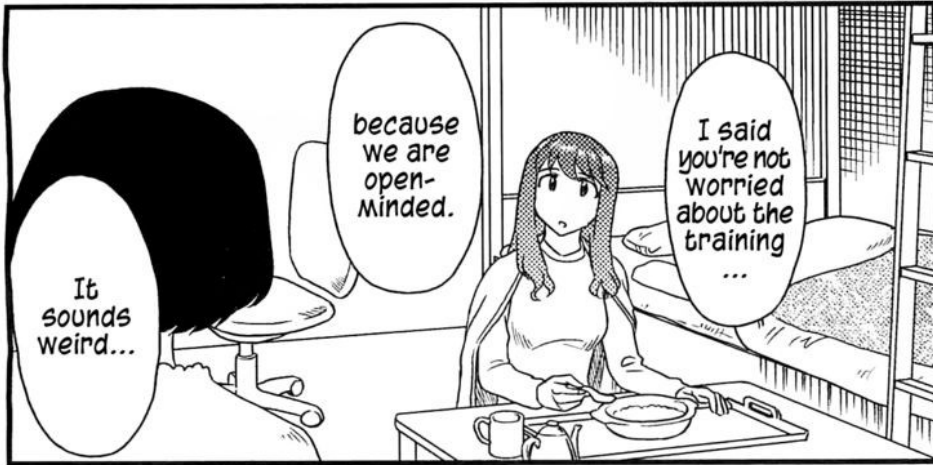

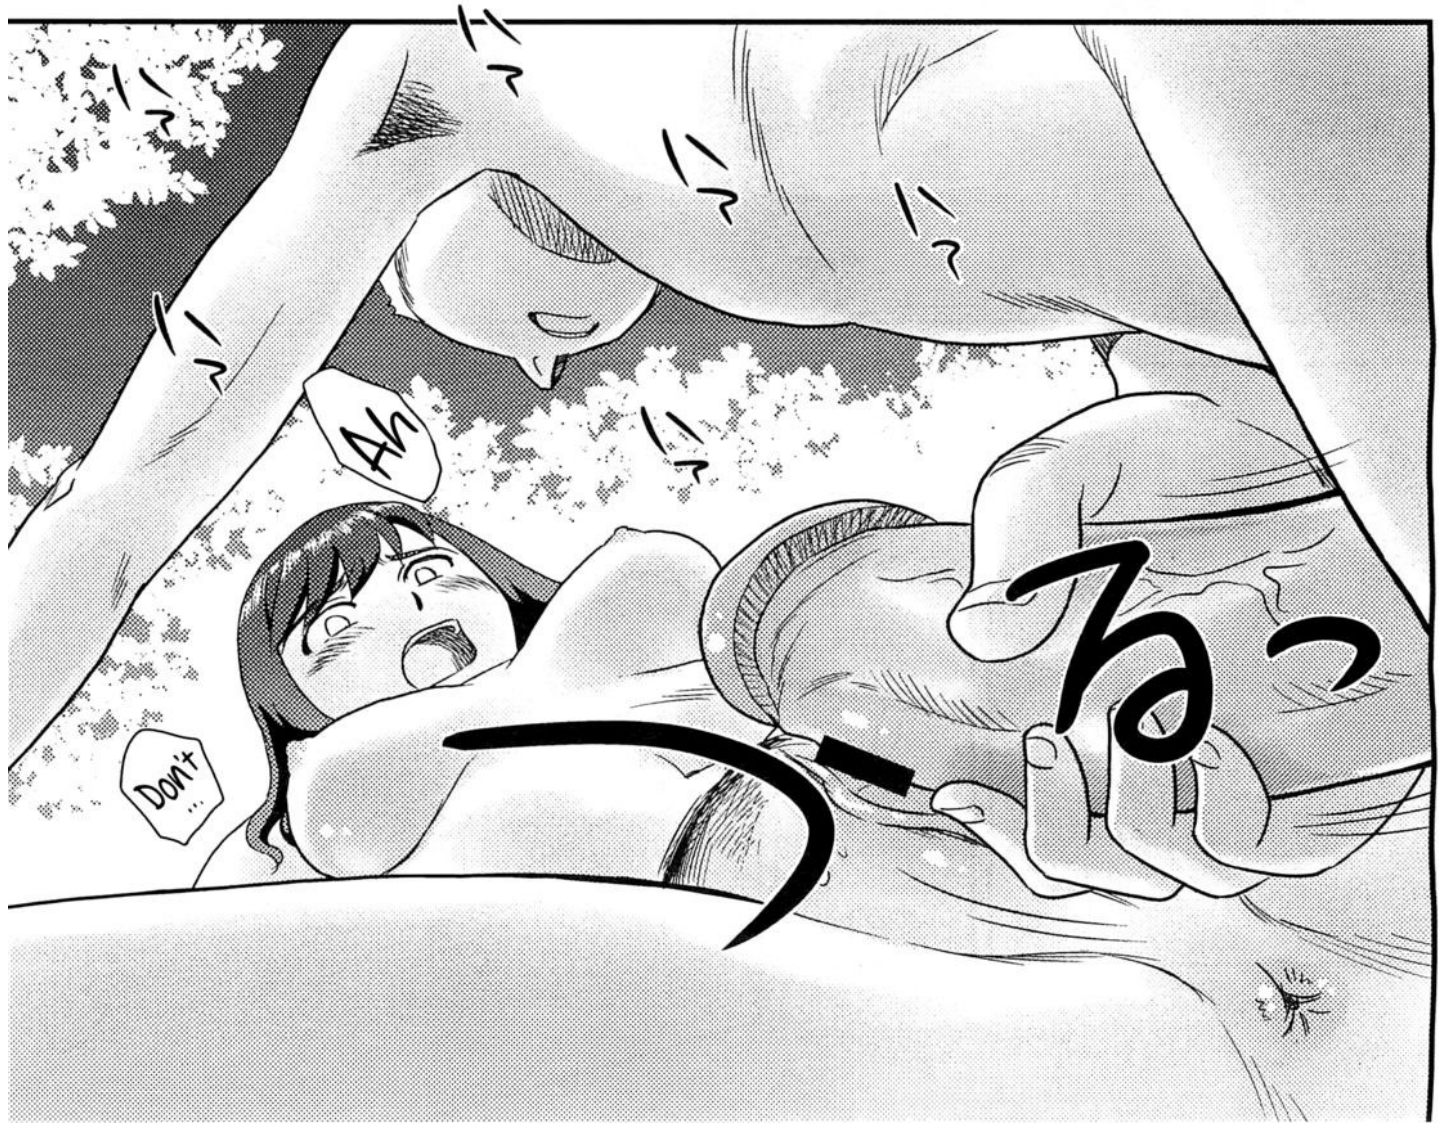

.....

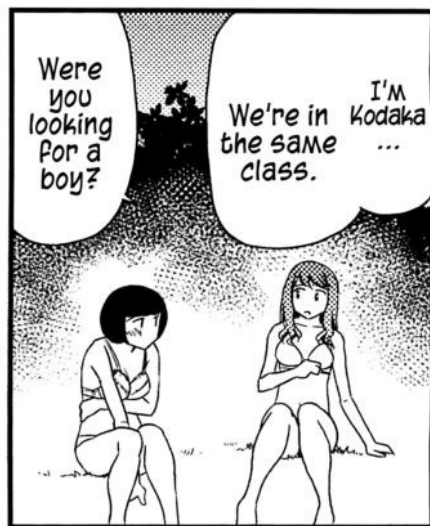

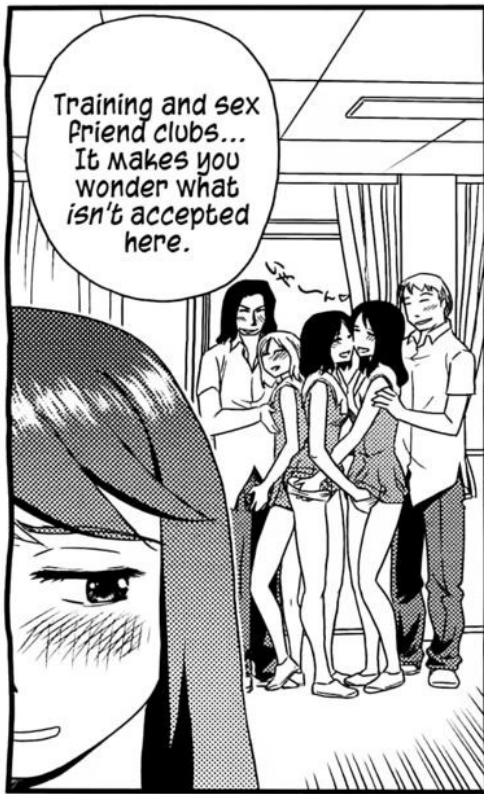

Training and sex friend clubs... It makes you wonder what isn't accepted here.

It's too weird.

I don't know why I chose this school...

Since that day chisa-san and I have been friends.

Well, you don't have to join that club.

I mean, what kind of place encourages you to join a sex friend club?

That's my plan!

I want to have a well paid job. I don't want to depend on any man.

But that is impossible here.

I wanted to go to a good university...

That's it!

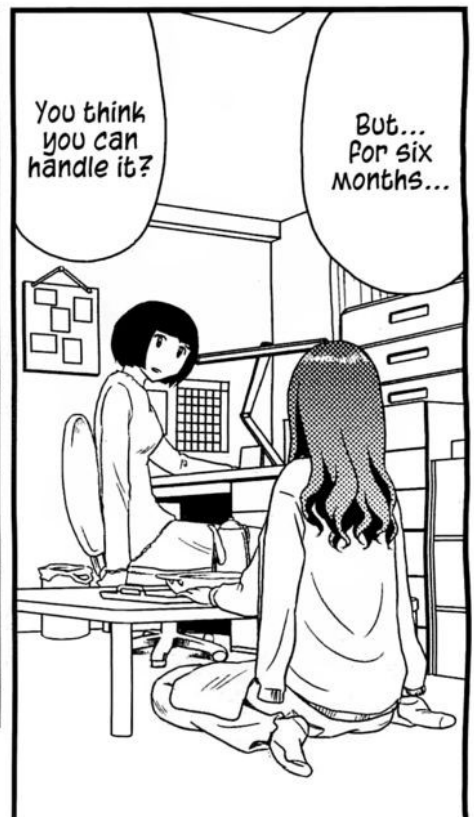

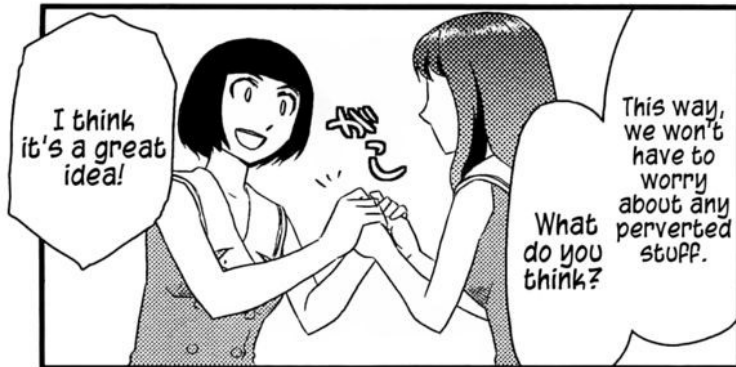

If you say you have a boyfriend; they'll leave you alone.

A mistake?

It was a mistake coming here.

We should think of the future, not sex.

Do you wanna Finger her now?

Yeah.

Name?  
Ebato-san.

Yeah!  
That's it!

I have a cold.  
Please stick a finger  
in my ass.

Whisper

Well then.  
Excuse me

I'm not

chapter 3

三話

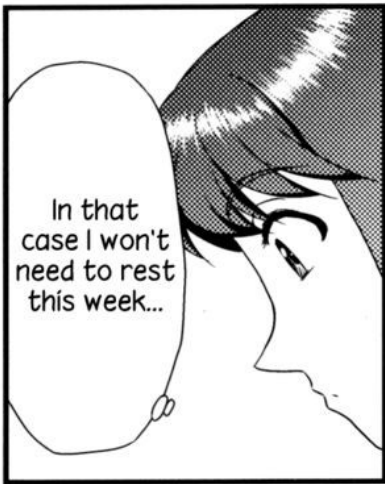

You'll have to give oral pleasure to one random student everyday.

They will rate you, and if you get at least 35 points, you'll earn a resting ticket.

In that case I won't need to rest this week...

Blow-job or Cunnilingus  
Depending if it's a boy or a girl

Yep.

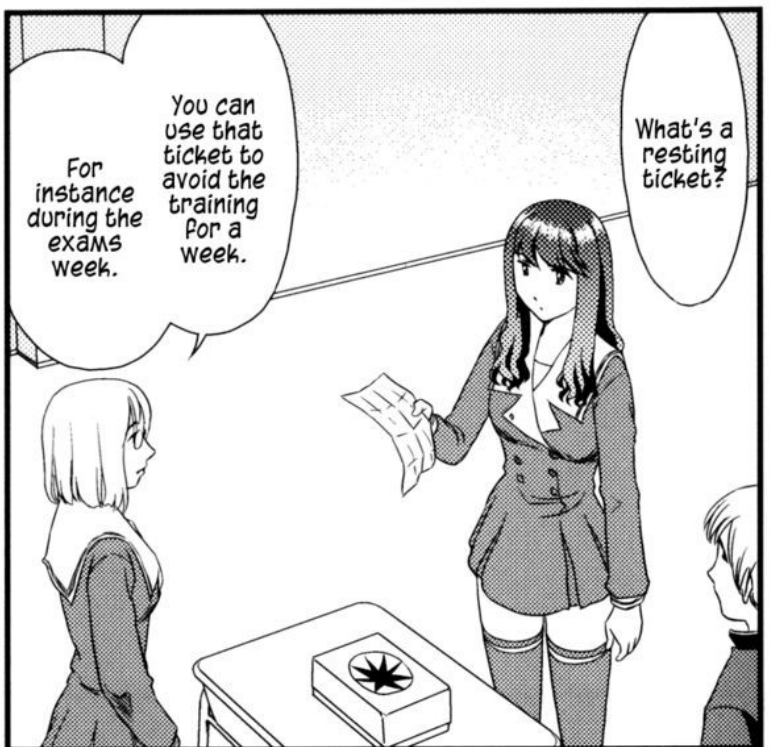

By "oral" you mean do it with my mouth?

It's decided. I'll do my best to get it.

But I want that ticket.

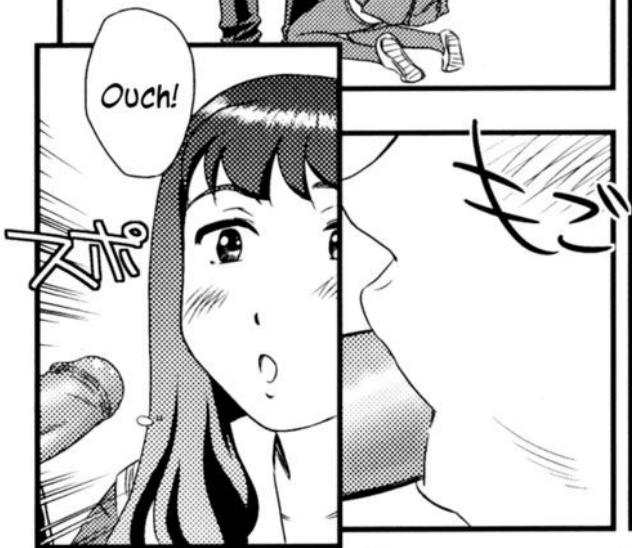

It's a bit fishy...

For instance during the exams week.

You can use that ticket to avoid the training for a week.

What's a resting ticket?

Today I got 3 points. That means I need 8 points per day to win...

I have to get 35 points in 5 days. (Monday to Friday)

Wait a minute...

I should have practiced...  
Damn!

I thought I just had to put it in my mouth and suck...

I have to improve...

You should practice with a boy.

Alone? I can get the video, but...

I'll do it alone...

No, no...

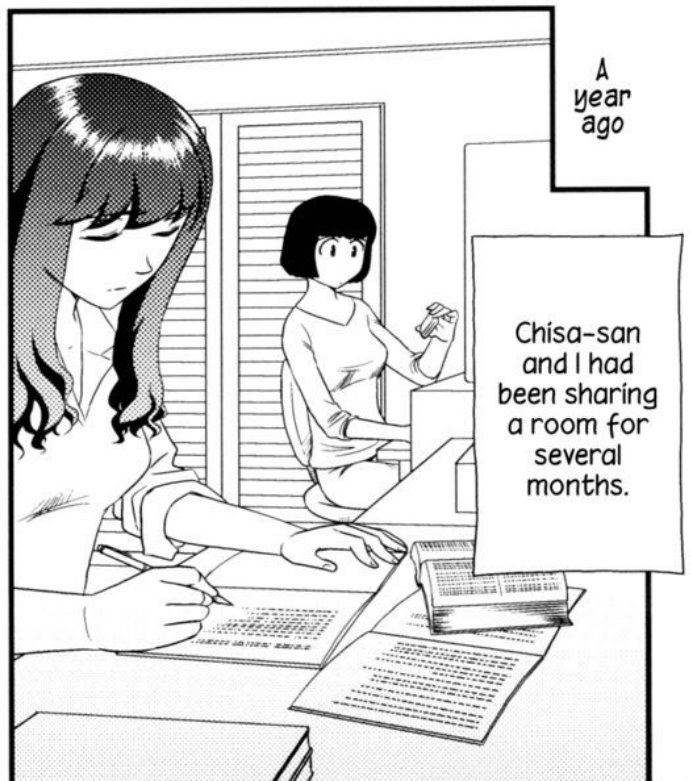

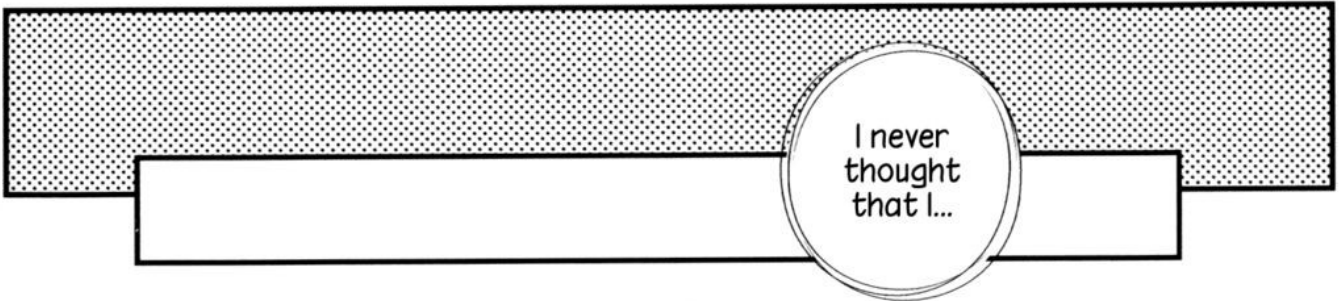

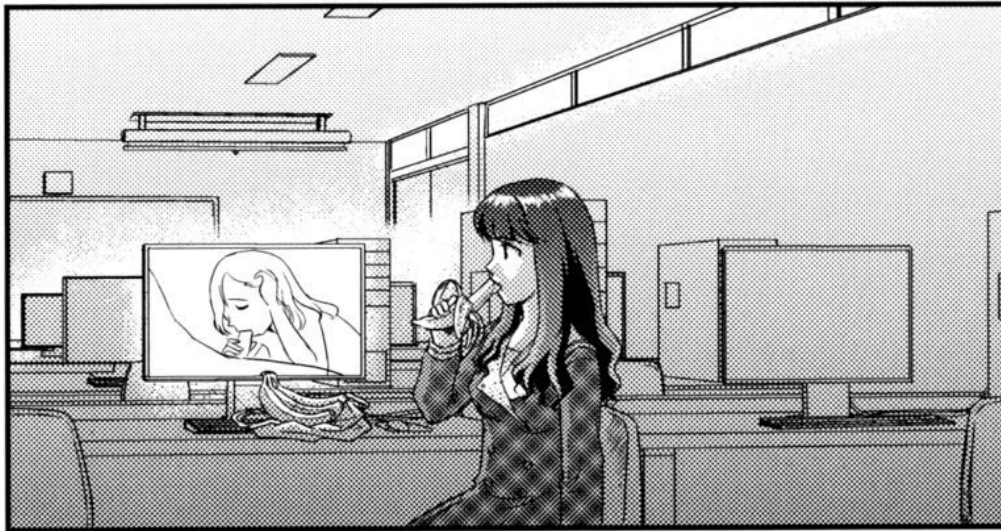

I need to practice alone...

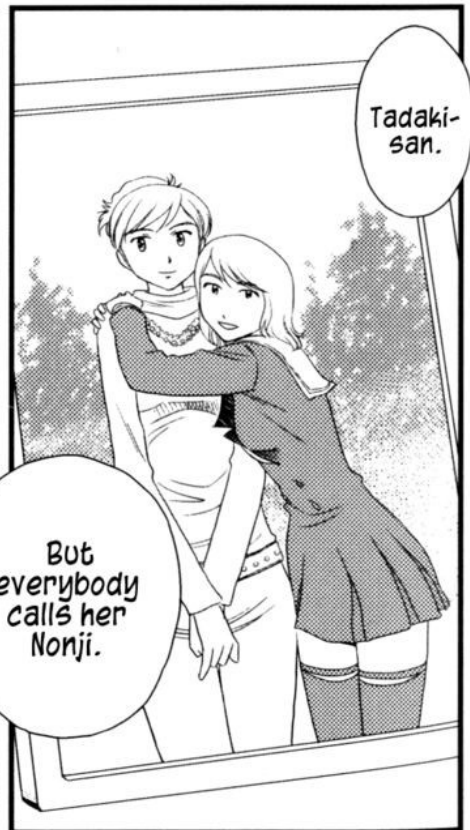

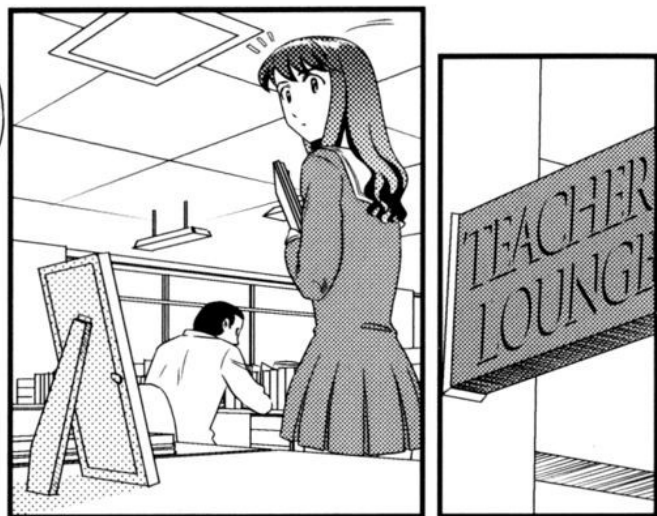

Do you have a video with blowjobs?

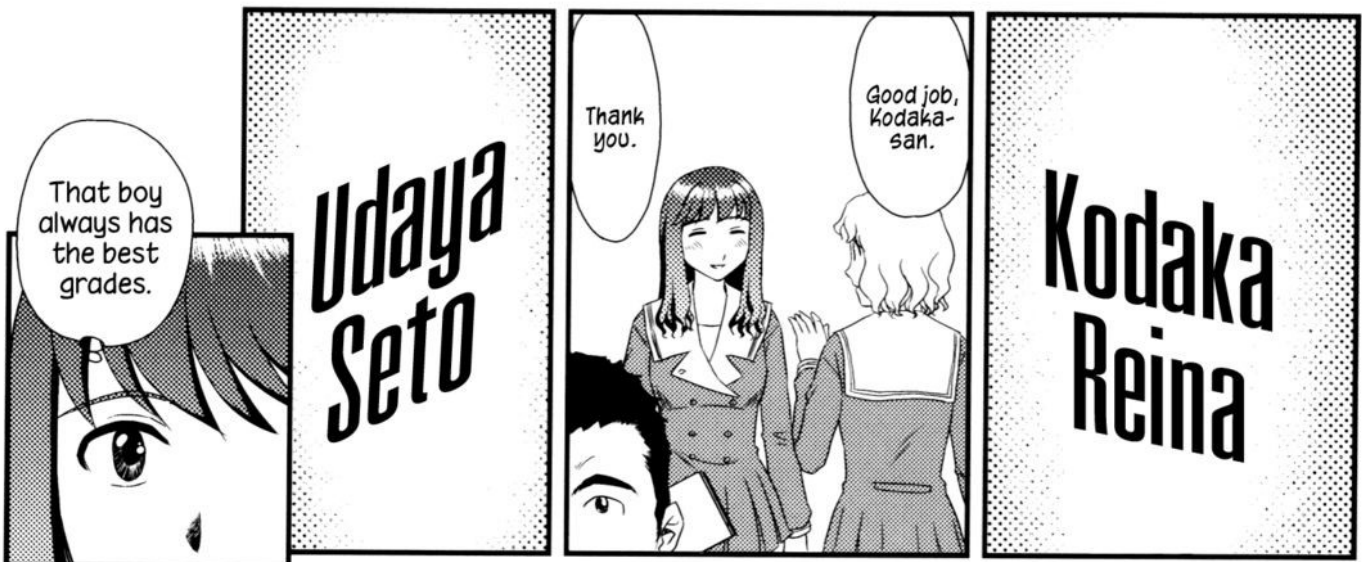

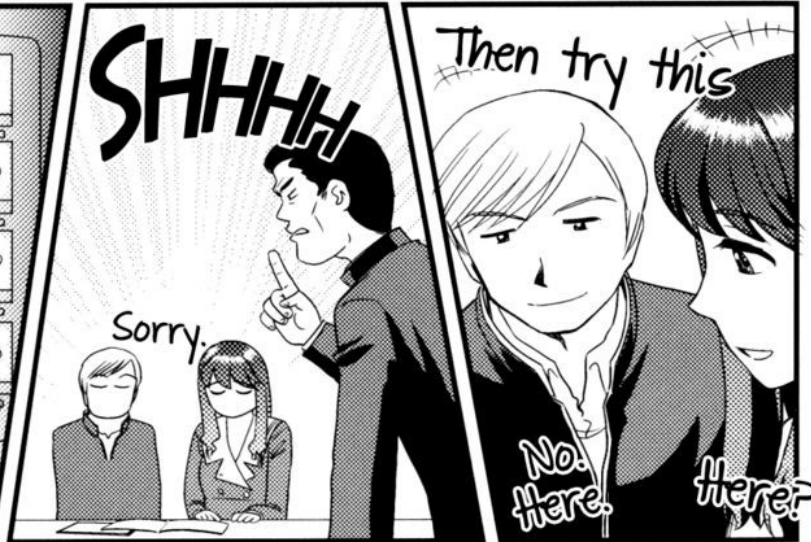

What?

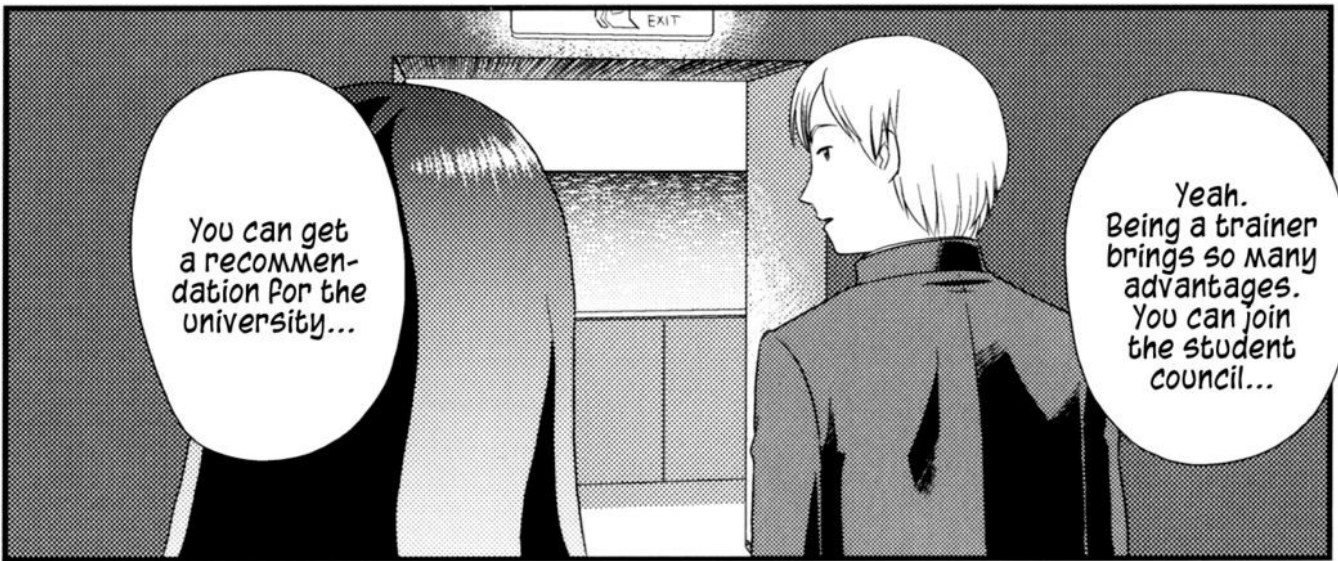

Hey.

And that will be very useful if you want to learn responsibility.

But in this place it's possible.

Usually you don't have the opportunity to completely change someone's life.

That training...

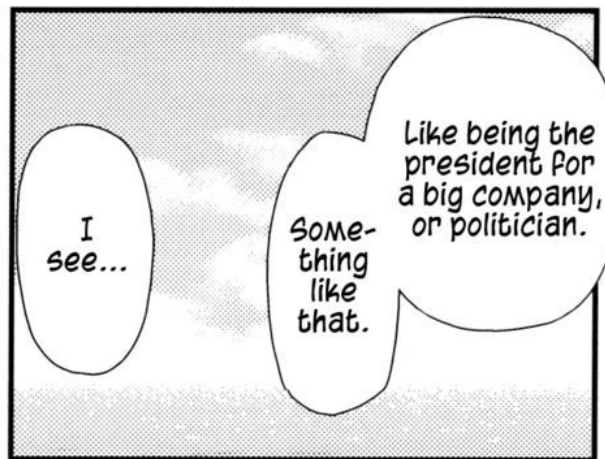

I really wanted to go to a good university...

I had good grades, but I needed more than that...

Well... I...

I see...

Something like that.

Like being the president for a big company, or politician.

Eh?

Do it with me, kodakasan.

Day 2

During that time I was a different person.

I don't regret it.

I'm sucking it with all my heart.

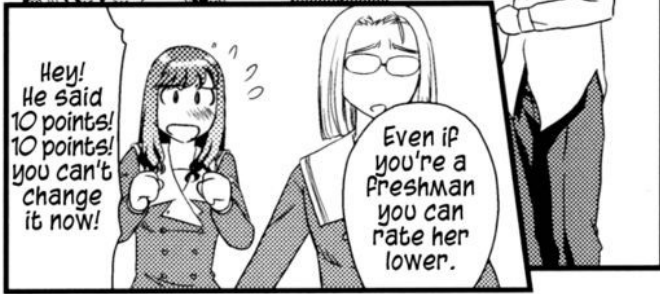

But now...

Aah, this is great.

I don't care the flavour or the smell...

Eeh... 9 points.

Day 4

Ach

Ach

Aa

This second year student seems to be an easy victory.

Eh?

Your technique is very poor. I give you 5 points.

He's forcing my throat.

Ngh

No way!

I'm gonna throw up!

What is he doing?

Eh?

Eh?

Why am I so happy for his compliments?

I'm very impressed by your improvements since this Monday.

Good work.

Here's your ticket.

Great. It will be very useful.

Don't use it to cheat on us.

I can read your mind...

This guy is the worst!

He knew about my period!?

You wanted to suck cocks that much?  
But nobody would have blamed you for resting this week.

Chapter 4

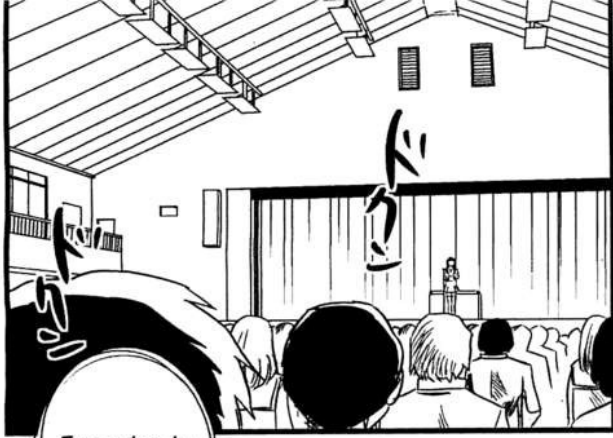

WEAR THIS UNIFORM TO EVERY STUDENT COUNCIL MEETING

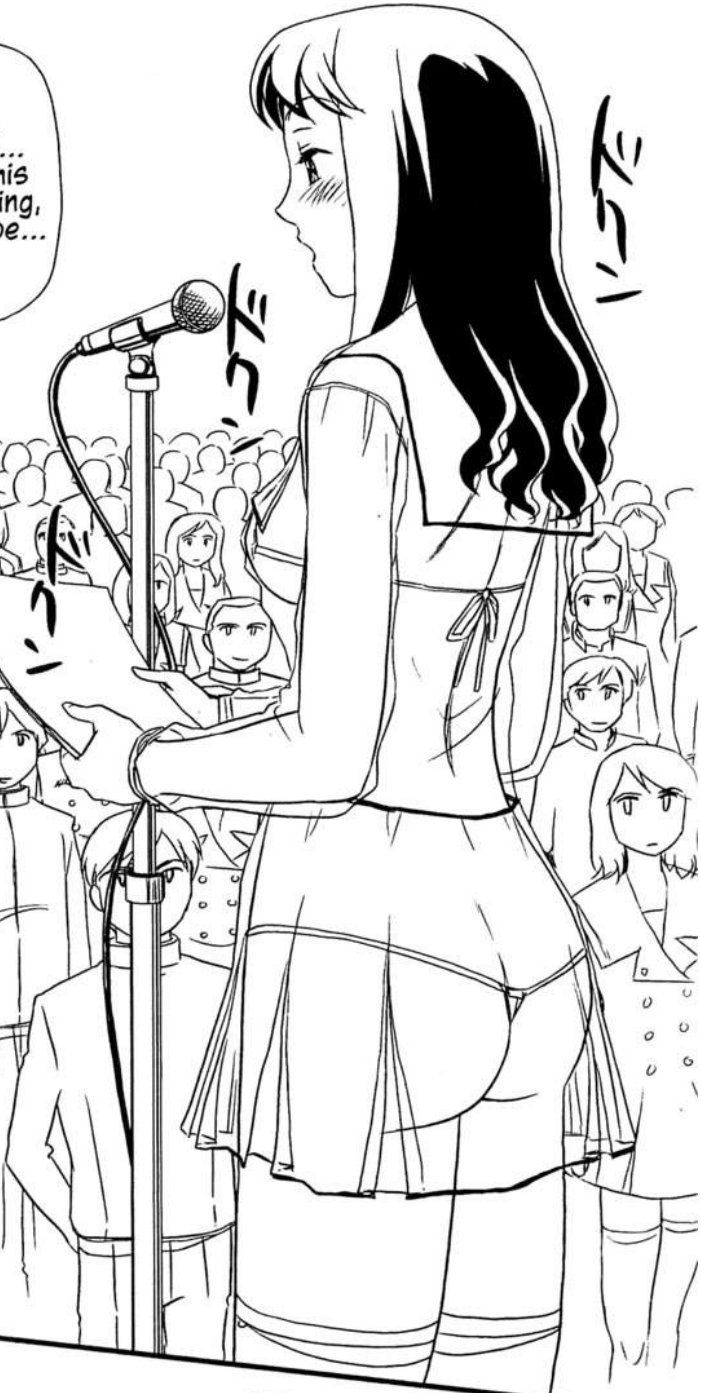

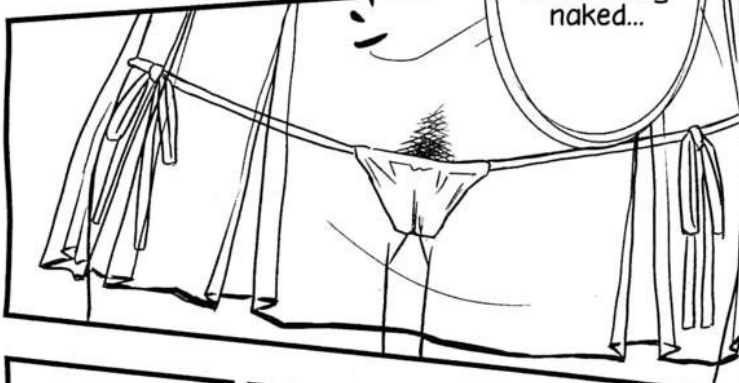

Everybody is looking at me...

Well... In this meeting, we'll be...

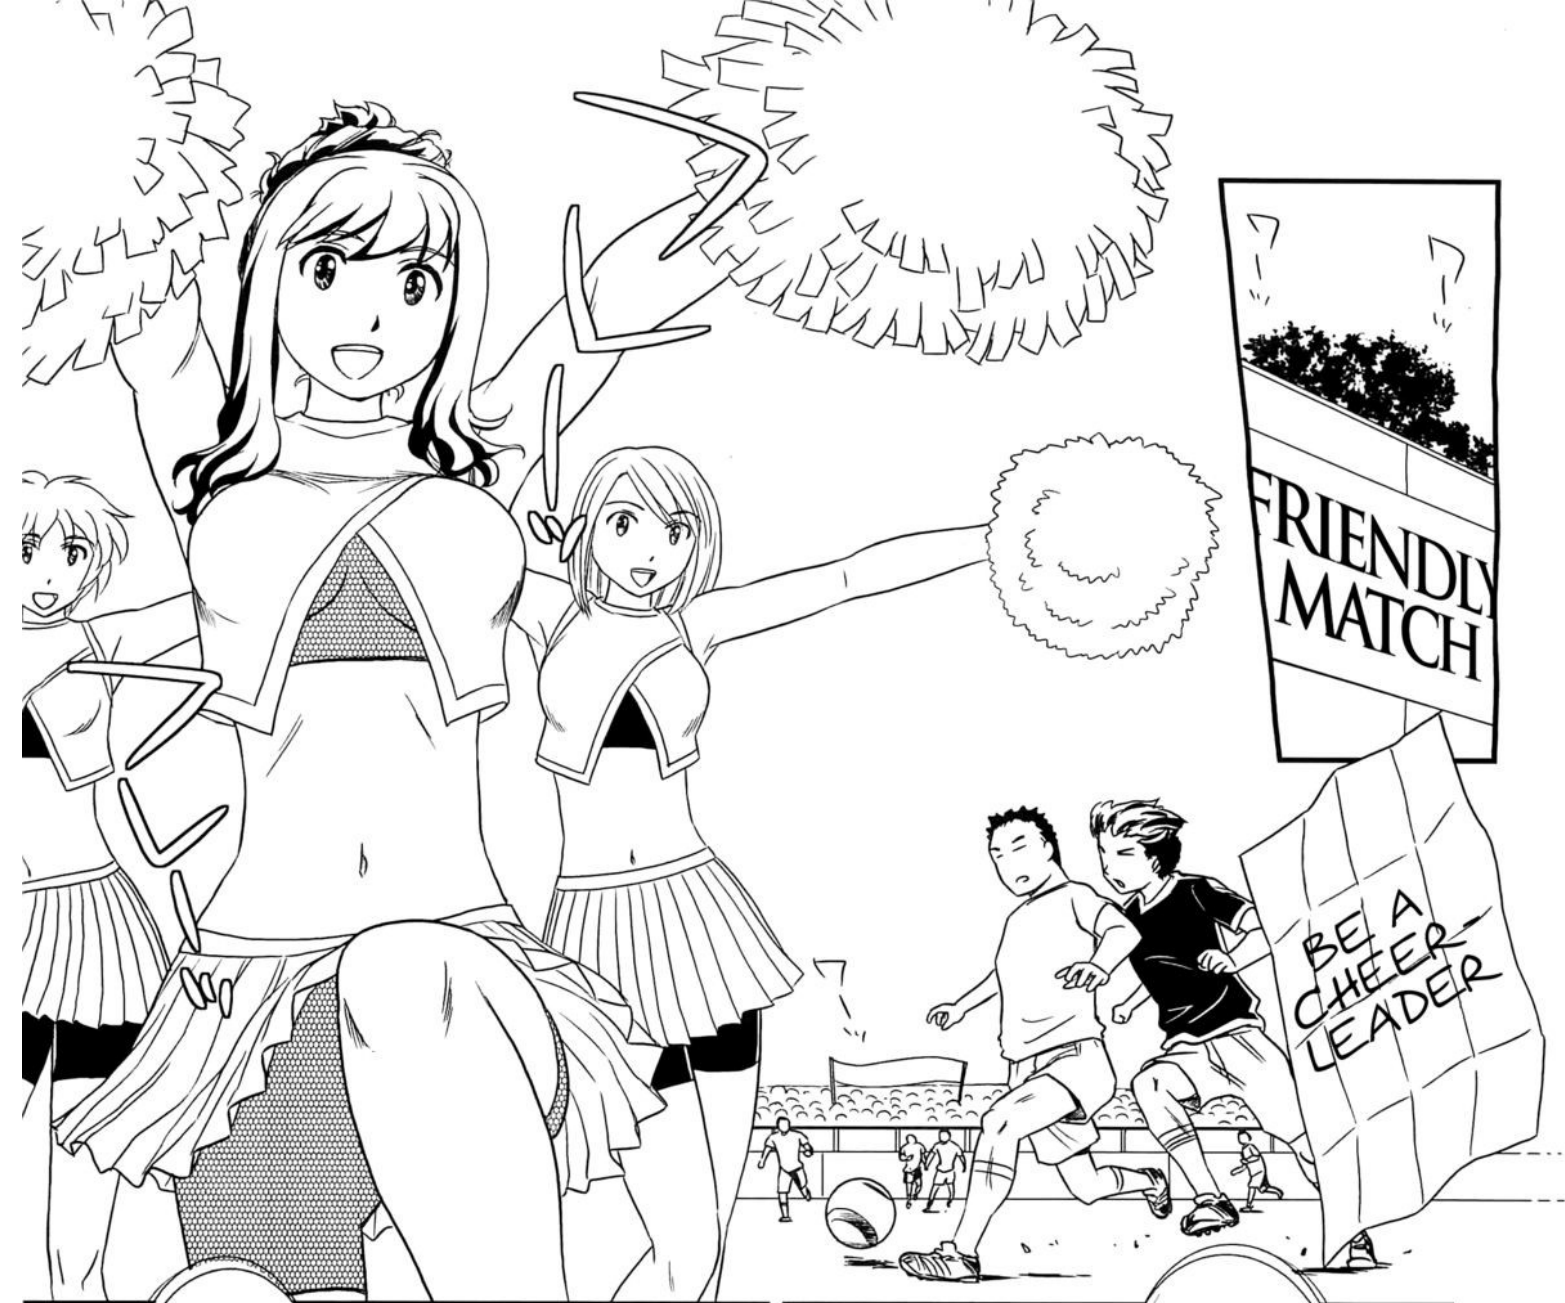

Wearing this uniform is like being naked...

So sexy.

Great uniform, Kodaka-san.

You should wear it every day.

FRIENDLY MATCH

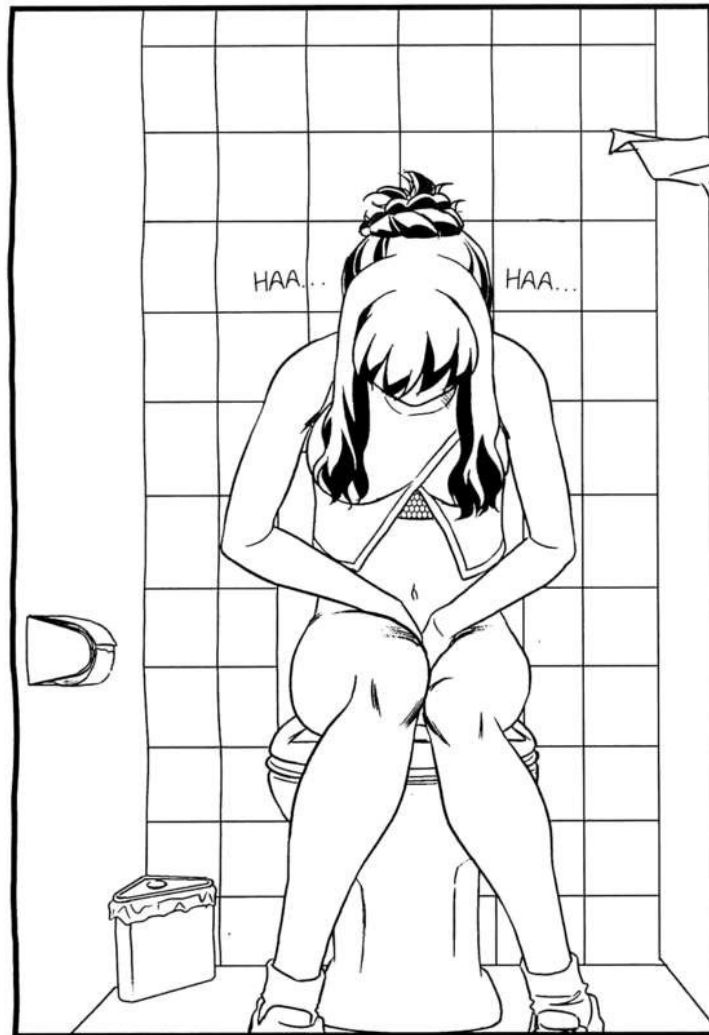

BE A CHEER LEADER

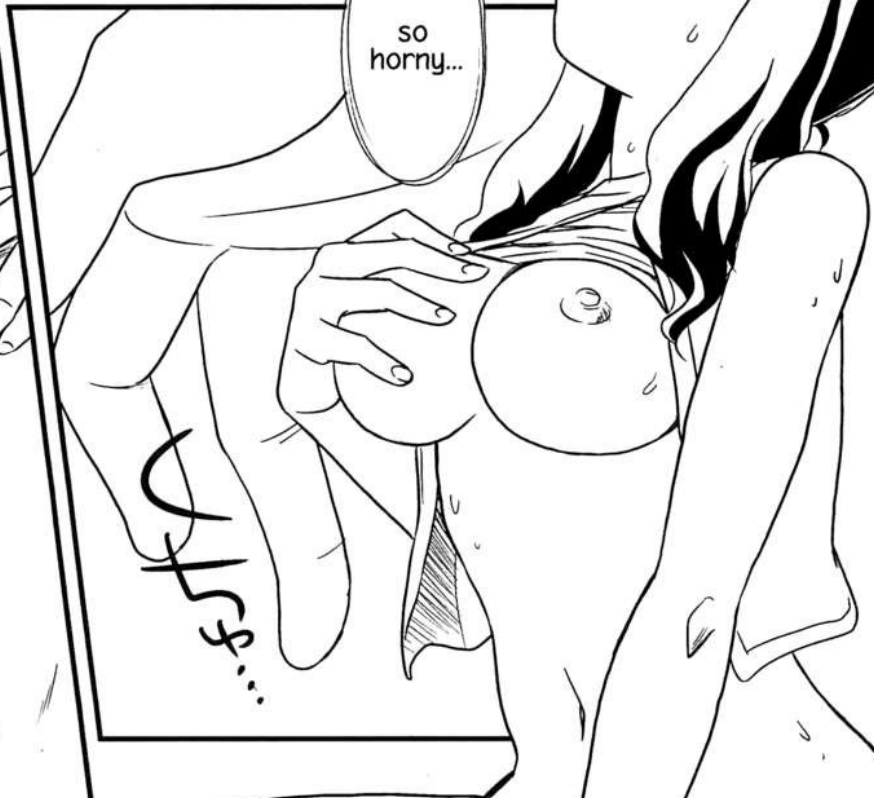

I'm wearing no panties...

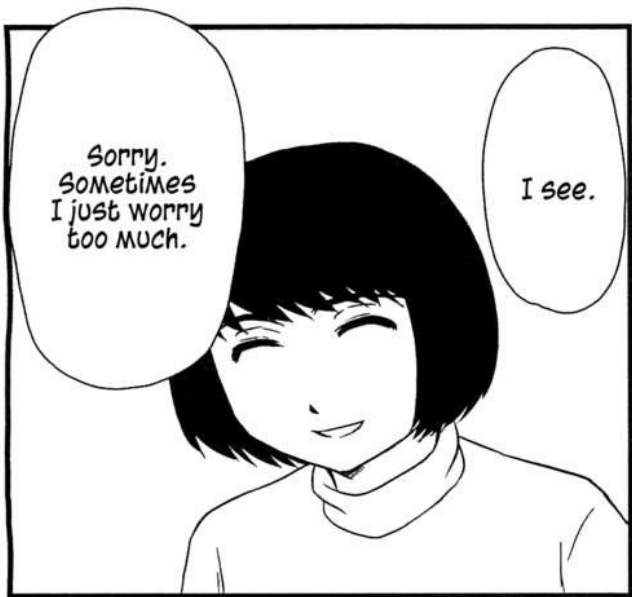

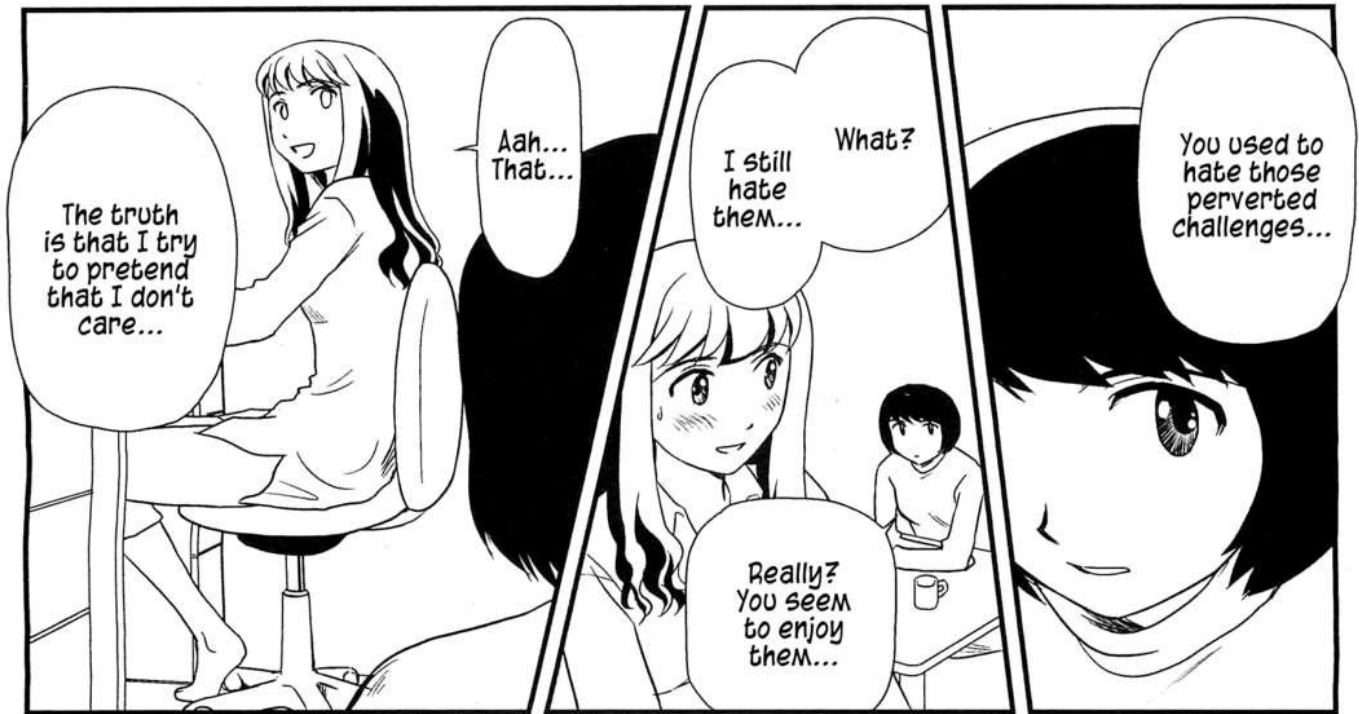

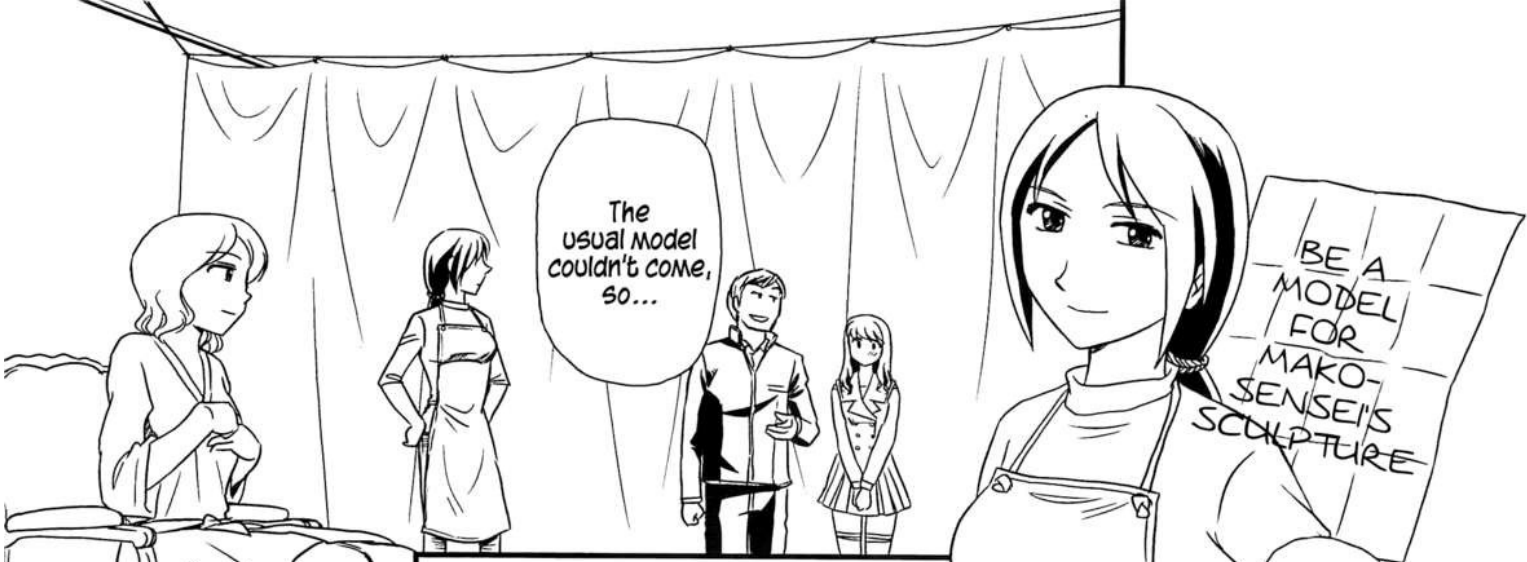

Surely someone has noticed it...

The usual Model couldn't come, so...

BE A MODEL FOR MAKO-SENSEI'S SCULPTURE

Yeah.

You're also a Model, Hitomi-sensei?

You finally picked my challenge.

Only Models are allowed here. Go outside.

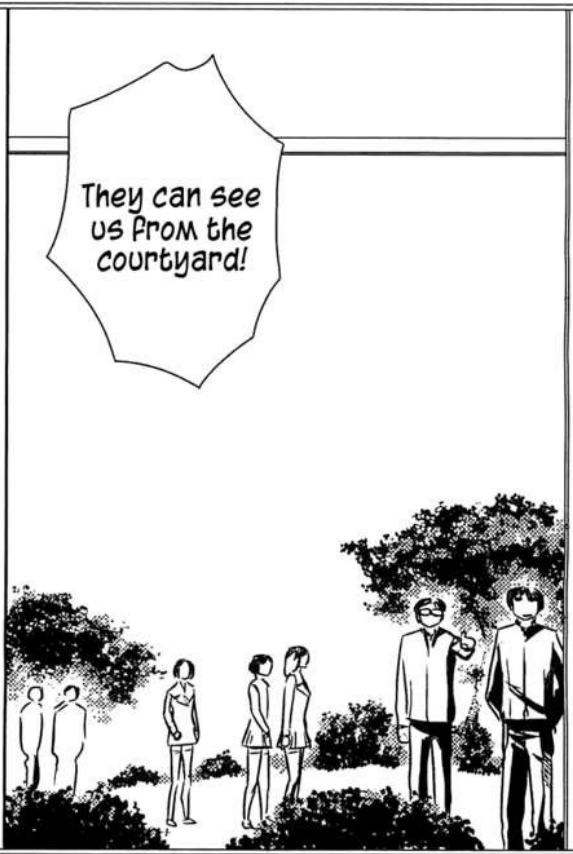

Eh? Can't I stay and watch?

Well... you gotta go.

I'm more creative when people are watching.

Come on. Get undressed.

They can see us from the courtyard!

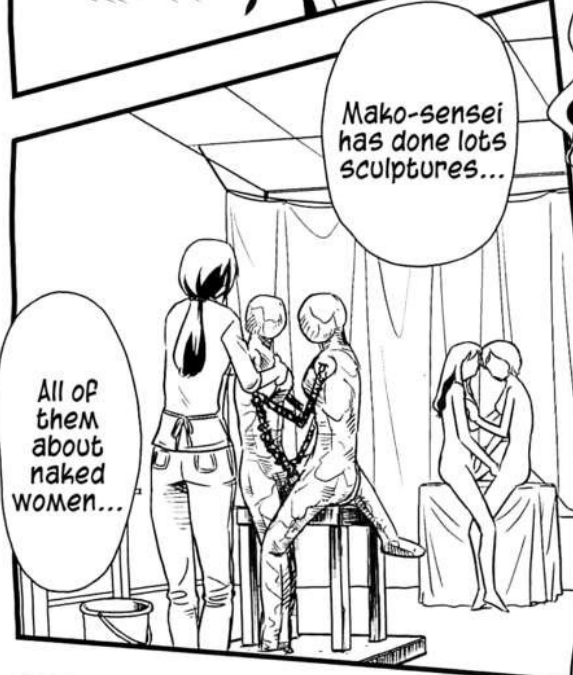

Wait a minute!

You left it hairy ...

Put your hand down there...

Mako-sensei has done lots sculptures...

All of them about naked women...

Students, teachers... All beautiful.

Yeah... I have had a lot of models.

It's my tribute to this erotic school!

I'm gonna keep doing it.

The warehouse is full of statues. There's no room for more.

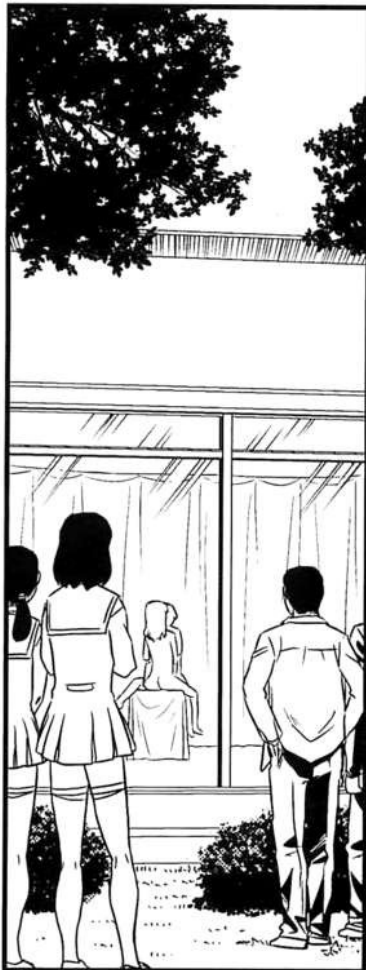

I don't care.

Hitomi-sensei.

Was your training hard to deal with?

You can talk, but don't move.

WOOOW

I remember when you made me wear that transparent swimsuit.

You should know. You trained me.

Yeah ...

Since that day I started to teach naked...

In that moment something inside of me...

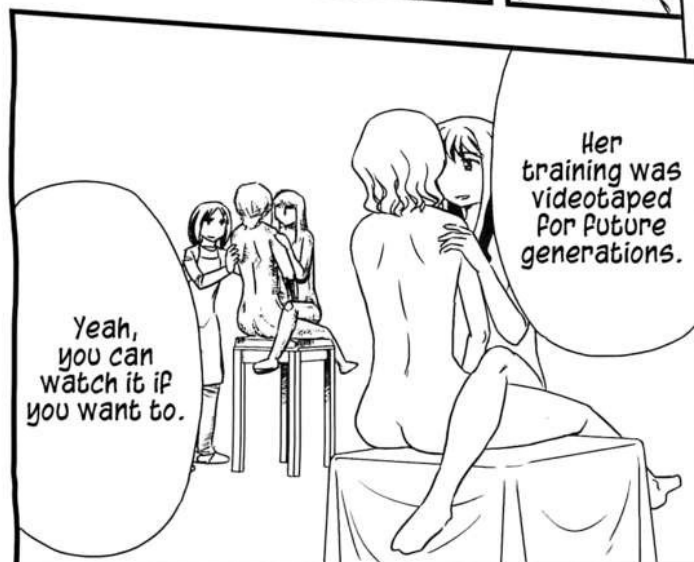

woke up.

All the boys were staring at my body...

You always had a disposition to get naked...

You accepted that order without any resistance.

You couldn't hide your excitement.

Yeah, you can watch it if you want to.

Her training was videotaped for future generations.

How was your training, Mako-sensei?

A woman becomes more beautiful when her sensuality awakens.

called "bukake"

There is a painting about that day...

Among other things ...

What did she have to do?

Every boy from the school ejaculated on her.

all covered with semen, with the sun on her back...

She looked like a goddess...

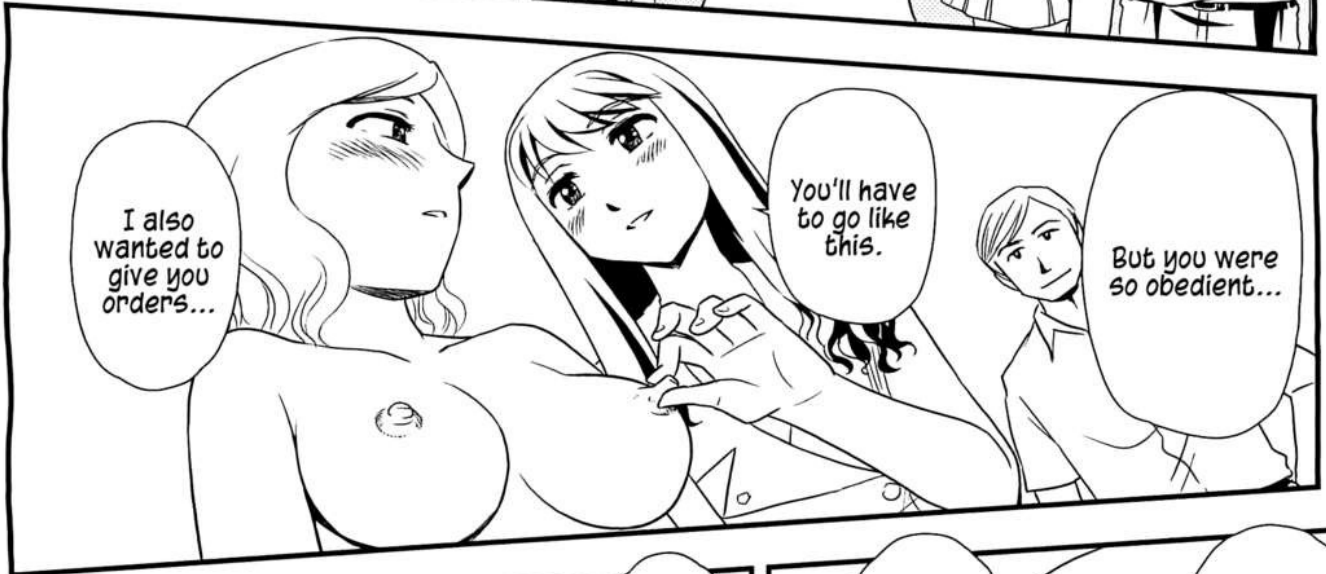

What about you?

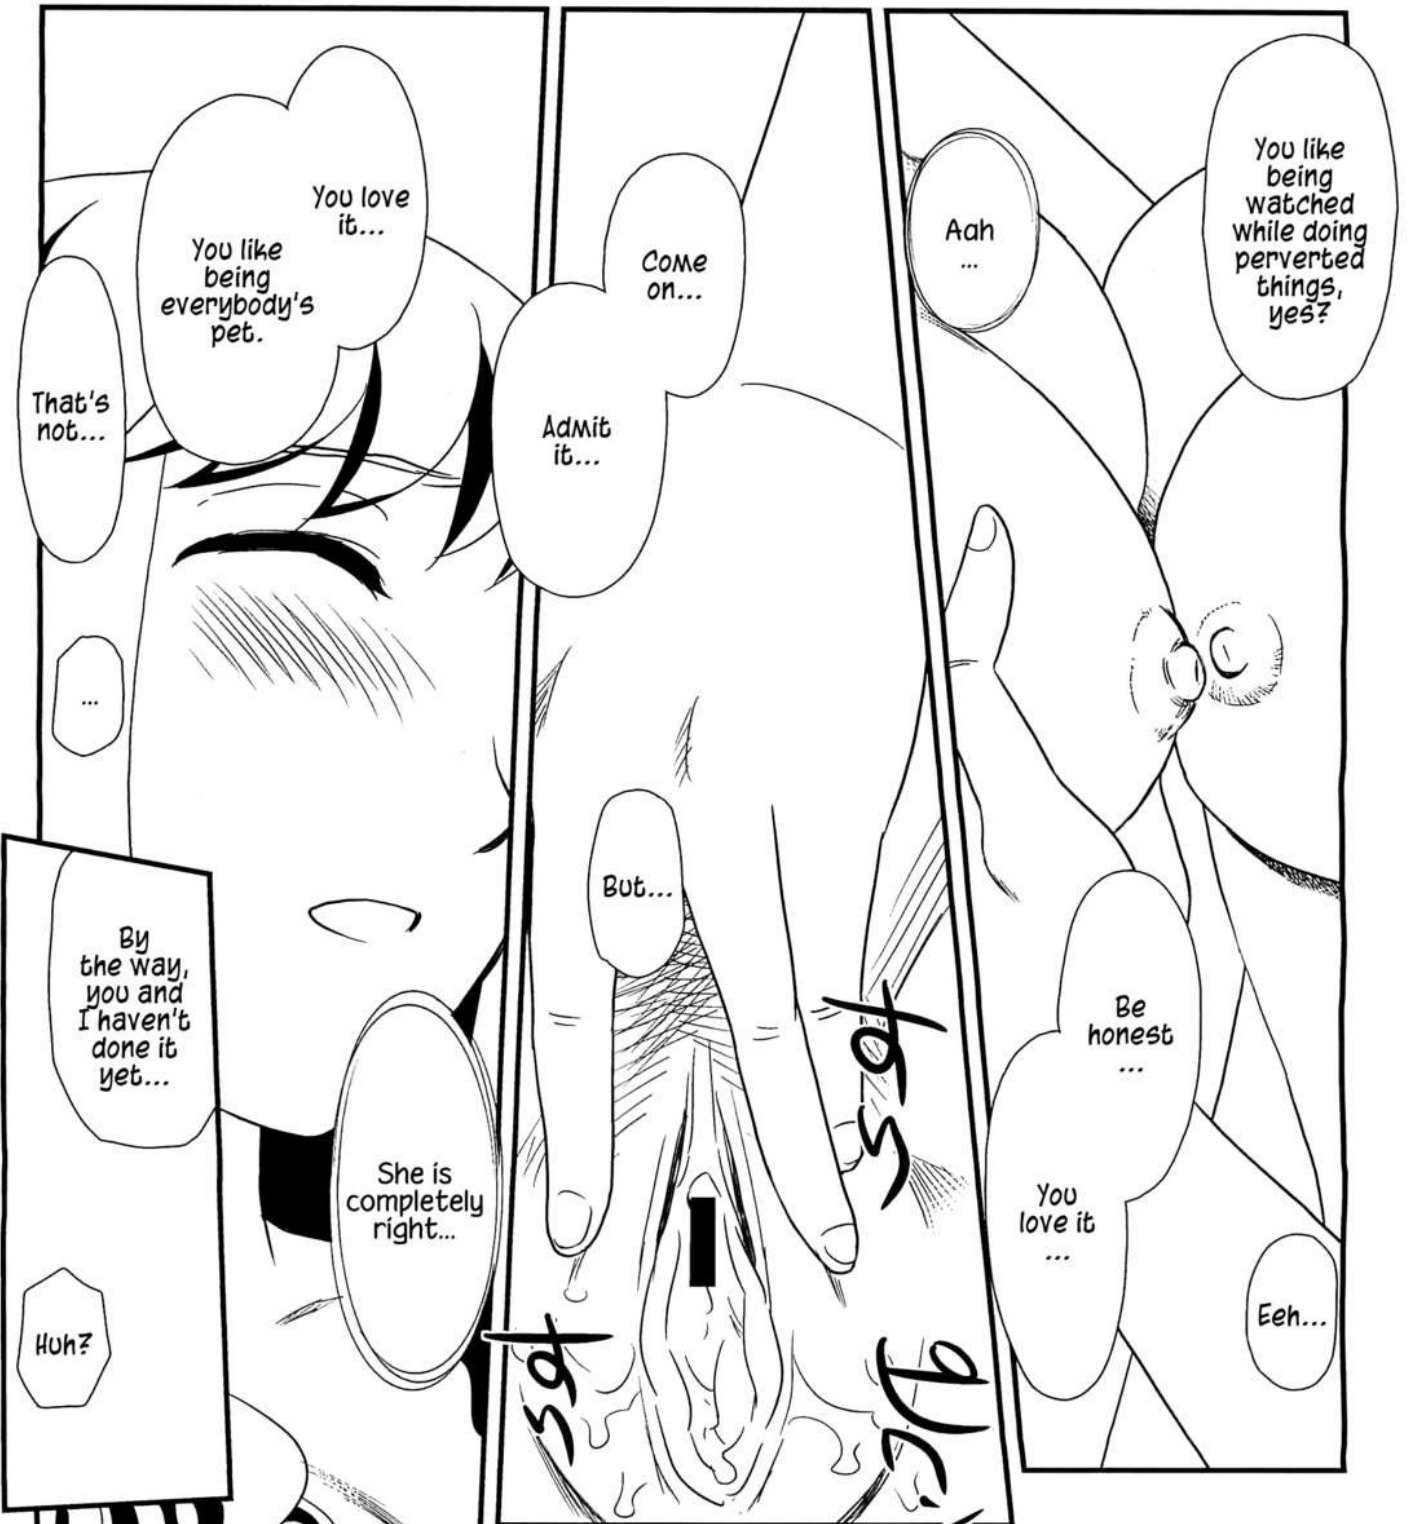

Kodaka-san

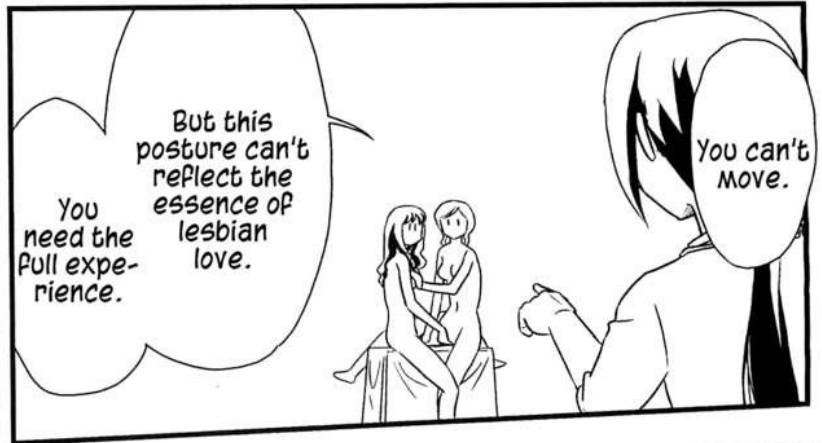

Are you jealous?

Hitomi-sensei ...

That's not the problem...

I'm not a lesbian...

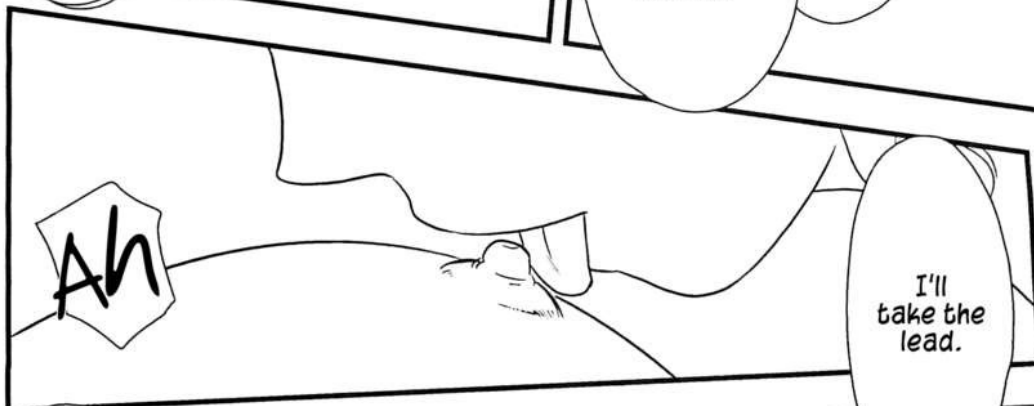

And that she doesn't have a problem with the training.  
What a nice girl!

I heard that you've been dating a girl...

Eeh... But...

So... we can do this without issue...  
This is part of the training...

Ah

I'll take the lead.

You're scared, huh?

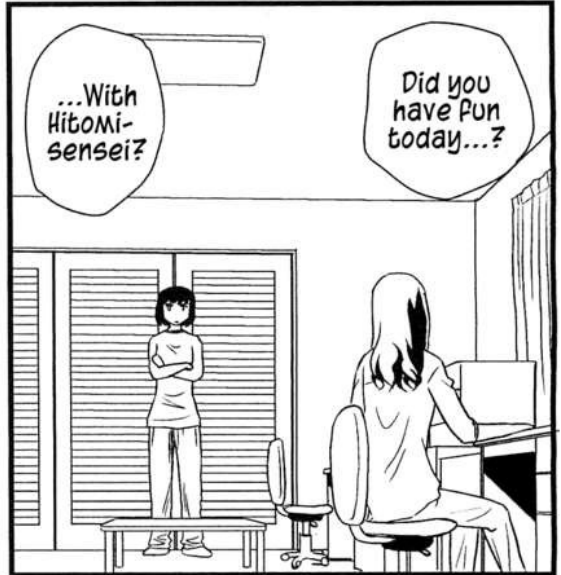

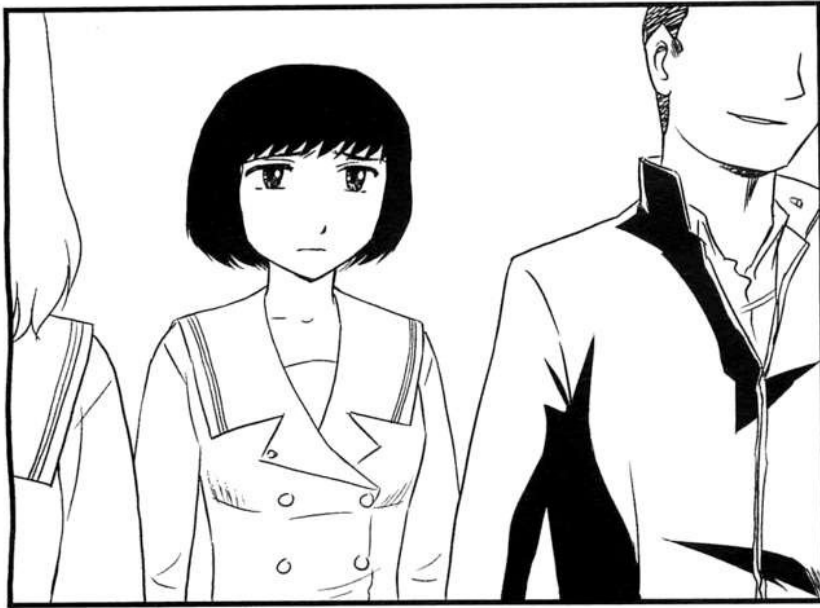

It's okay. I also didn't have any experience at your age.

I had many teachers help me improve my lesbian love-making techniques.

ORNI TO 2  
Final Chapter

I admit it may seem like I'm enjoying it...

But I'm just getting used to it.

Is that true?

I haven't succumbed to it.

Don't worry...

You saw us... right?

Because I got used to it?

Is that the reason I didn't fought against the training?

Don't worry, it will only last for 3 months.

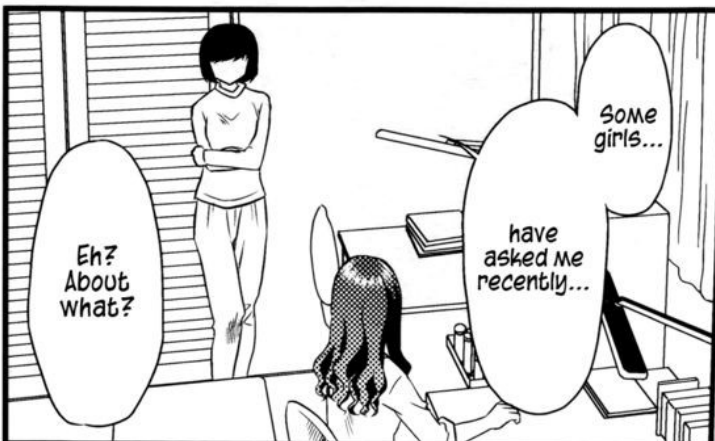

At this point it's useless to tell you this but...

She would even have resigned from the student council.

The Kodaka-san I knew would have rejected the training with all her strength.

I can't believe you.

Eh? About what?

Some girls...

have asked me recently...

They said it was OK to cheat on you...  
Of course, I said no.

Those girls seemed to be lesbians, and they were hitting on me.  
Really?  
They were curious about why the president's girlfriend was so indifferent to her training.

I'm gonna move to Mayumi's room.  
She's already agreed.

I just want to forget everything.  
Eh?  
Do you think they'll try again?  
I'm sorry about that.

You can say I dumped you because of the training. They will understand.  
Don't worry about me. I'll be OK.  
But...

I've made up my mind.

That's not the solution.  
If we broke up you'll receive even more propositions.

She is right.

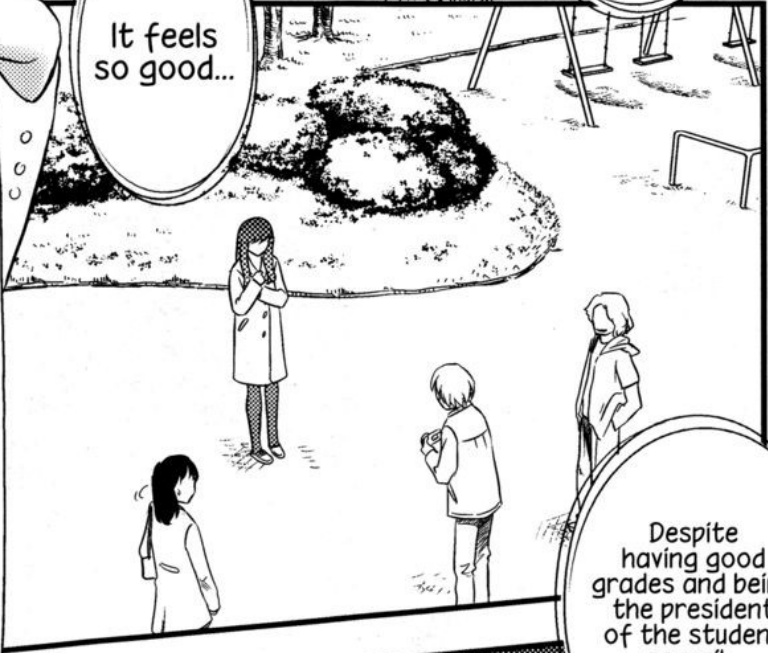

**SLAM!**

I don't wanna see how you degrade yourself.

It feels so good...

I can't stop now.

Despite having good grades and being the president of the student council...

I only feel alive during the training...

My body  
always get so  
excited ...

The moist  
between my  
legs is the  
proof of it.

I just  
heard the  
RUMOUR.

So...  
Chisa-san  
and you have  
broken up,  
huh?

Wait, what?

I told you it's none of your...

You got tired of pretending that you're lesbians?

Did you have a quarrel?

It's none of your business.

You've always avoided to socialize with them.

And Chisa-san rejects their propositions...

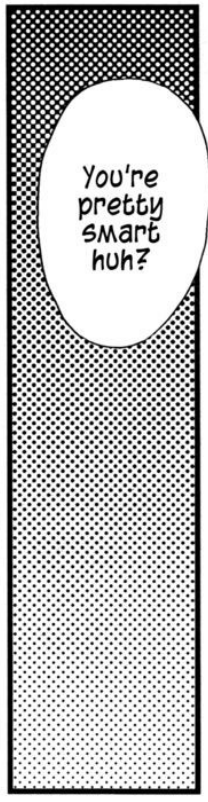

They suspected both of you were faking it some time ago.

All of them doubted that you were lesbians.

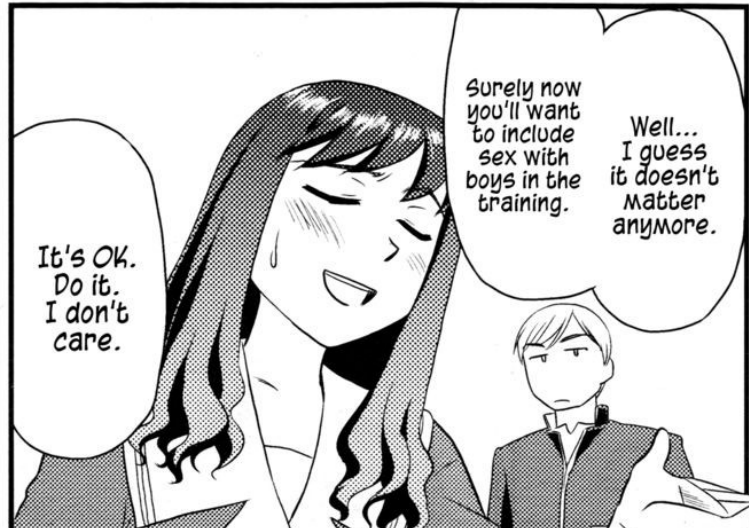

Well... I just asked the lesbian club.

You're pretty smart huh?

The girls from the lesbian club disagree.

It's OK. Do it. I don't care.

Surely now you'll want to include sex with boys in the training.

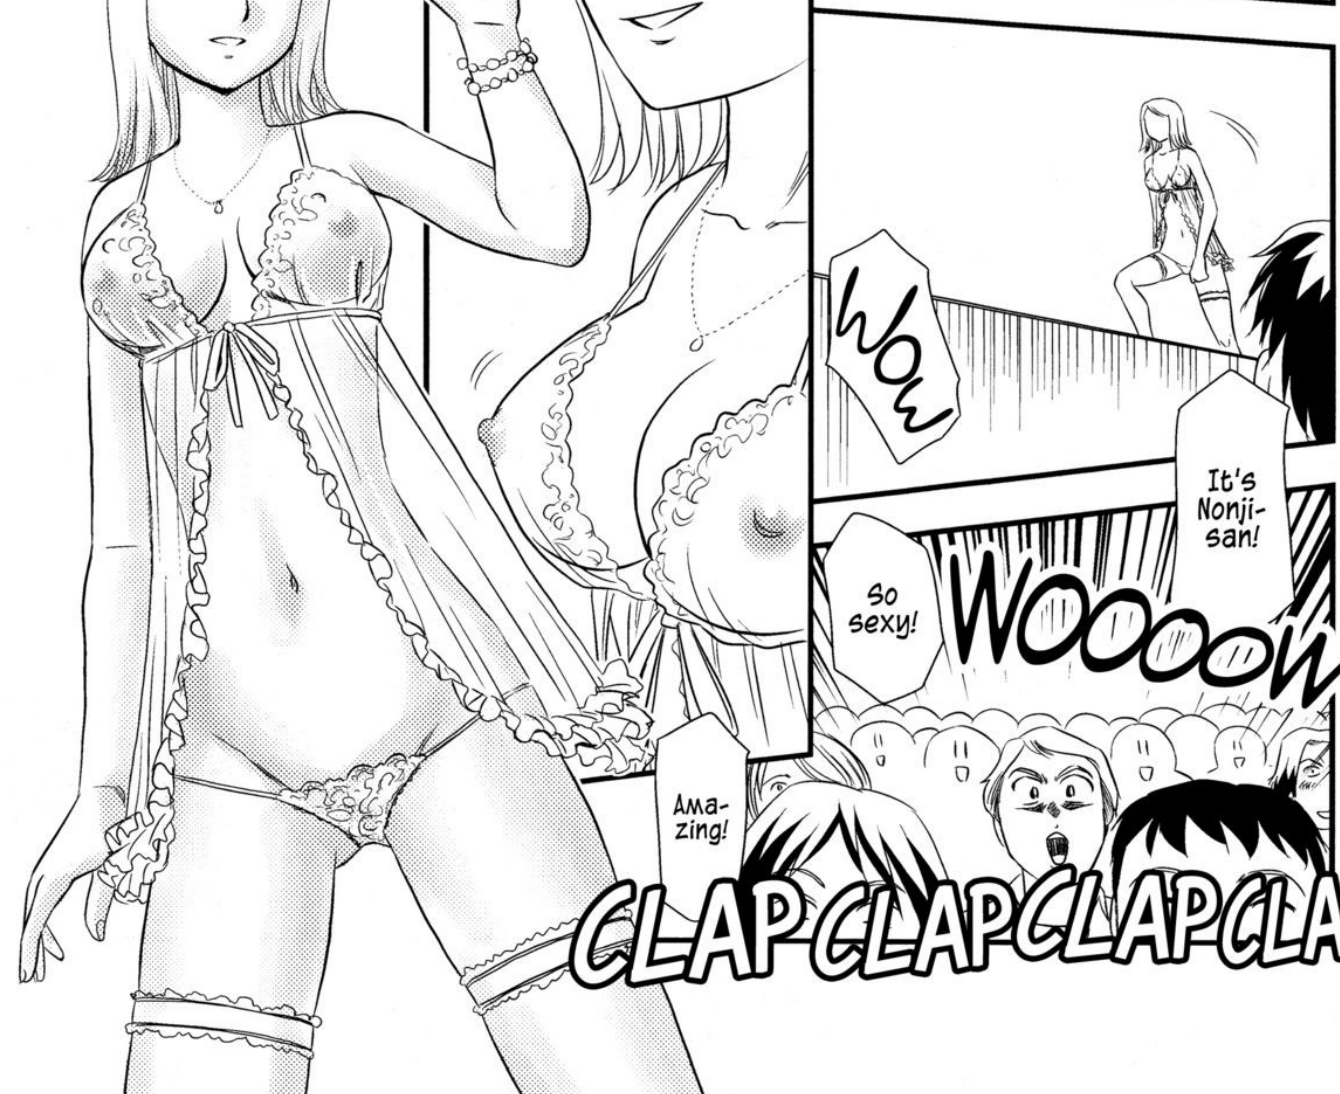

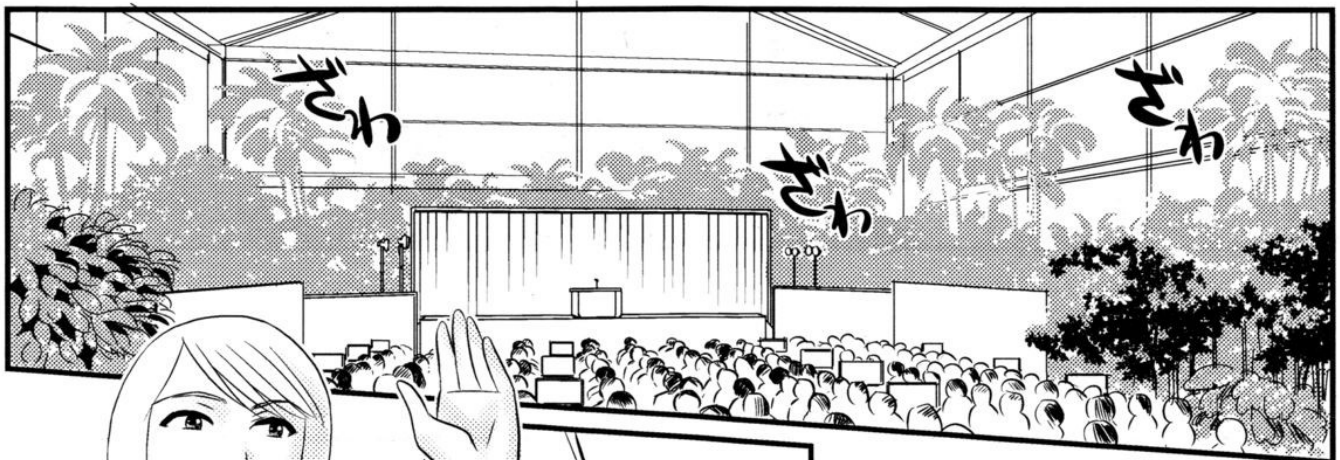

Well... I guess it doesn't matter anymore.

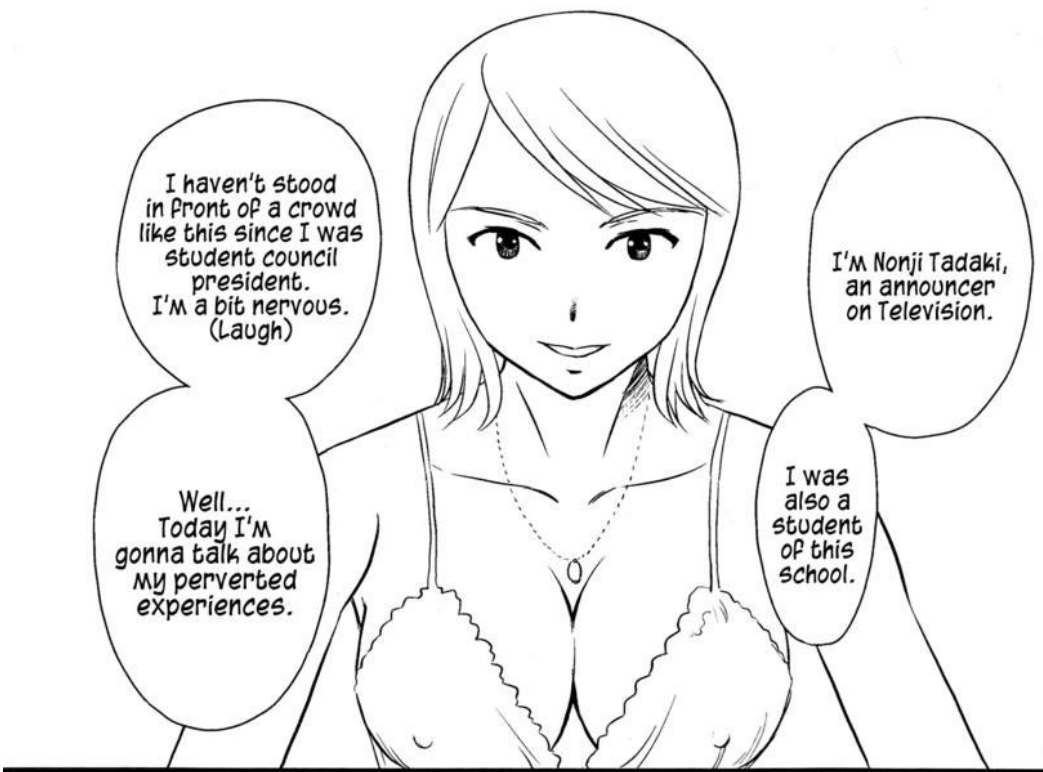

Why did you do it?

To avoid the boys?

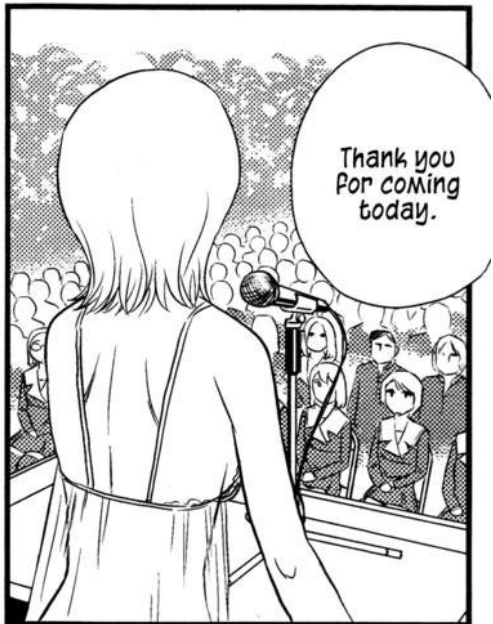

I haven't stood in front of a crowd like this since I was student council president. I'm a bit nervous. (Laugh)

I'm Nonji Tadaki, an announcer on television.

Well... Today I'm gonna talk about my perverted experiences.

I was also a student of this school.

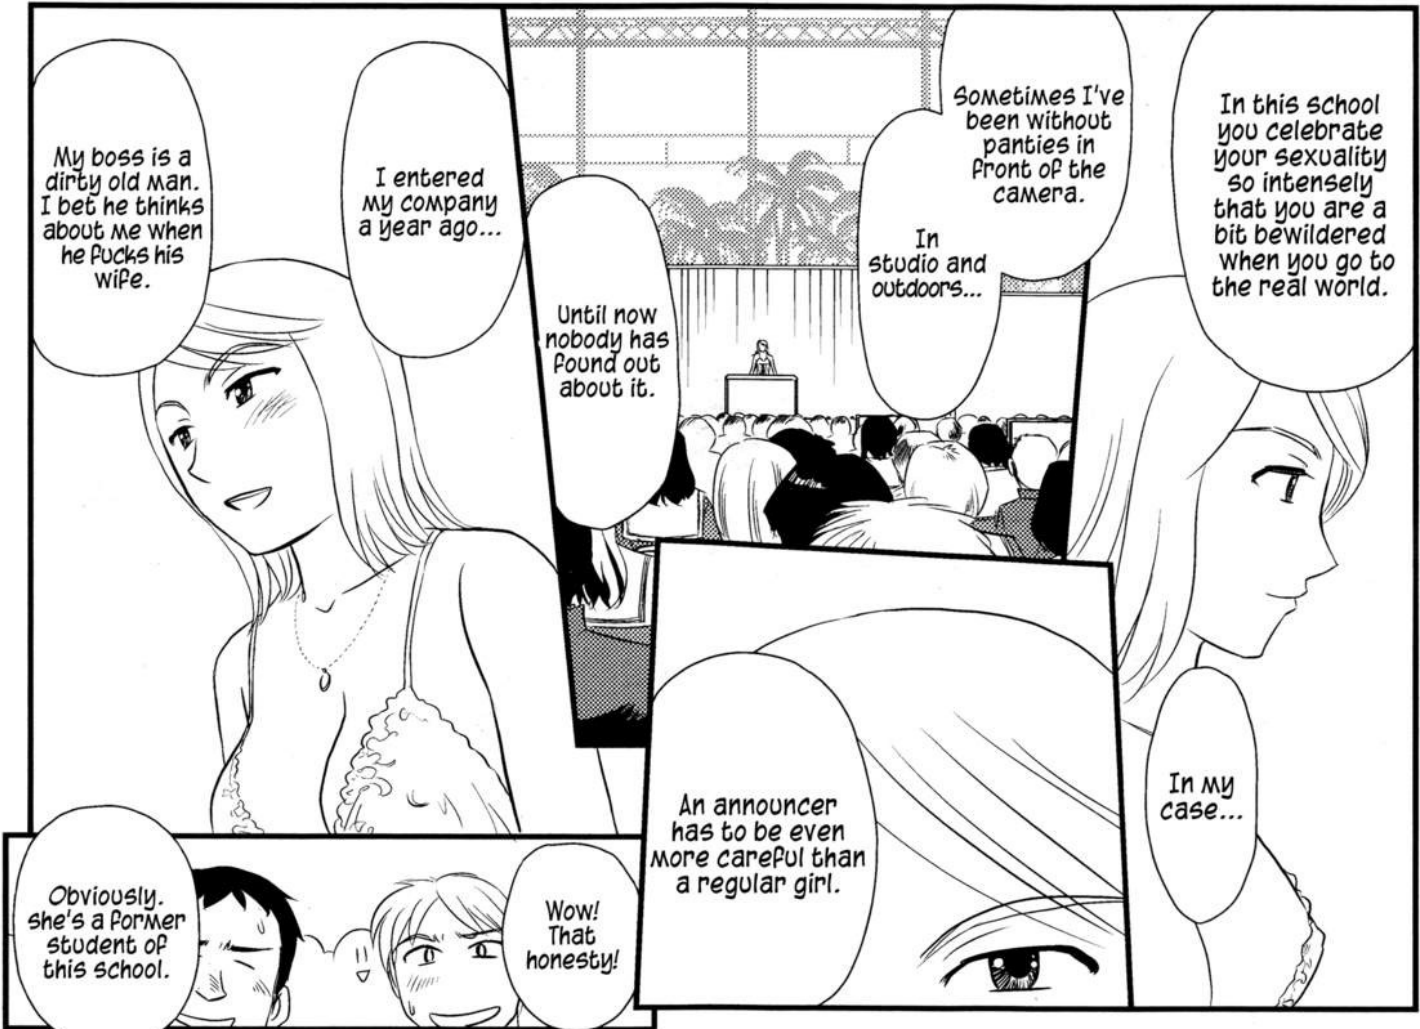

Thank you for coming today.

What about those monitors?

It's a famous girl talking about her sex life. Do you want someone leak that? Moron.

I wanted to film this. Why are the cellphones forbidden?

My boss is a dirty old man. I bet he thinks about me when he fucks his wife.

I entered my company a year ago...

Until now nobody has found out about it.

Sometimes I've been without panties in front of the camera. In studio and outdoors...

In this school you celebrate your sexuality so intensely that you are a bit bewildered when you go to the real world.

An announcer has to be even more careful than a regular girl.

In my case...

Obviously. she's a former student of this school.

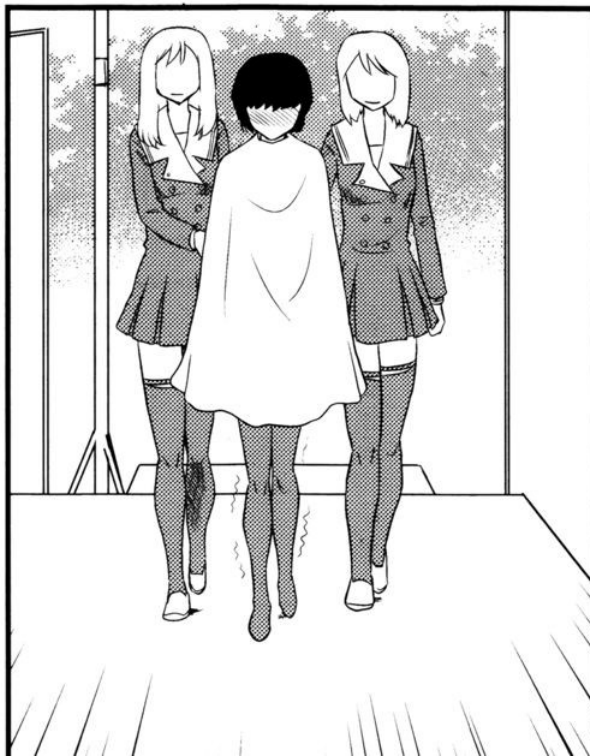

Wow! That honesty!

I'll do whatever you want.

My name is Kodaka. I'm your pet.

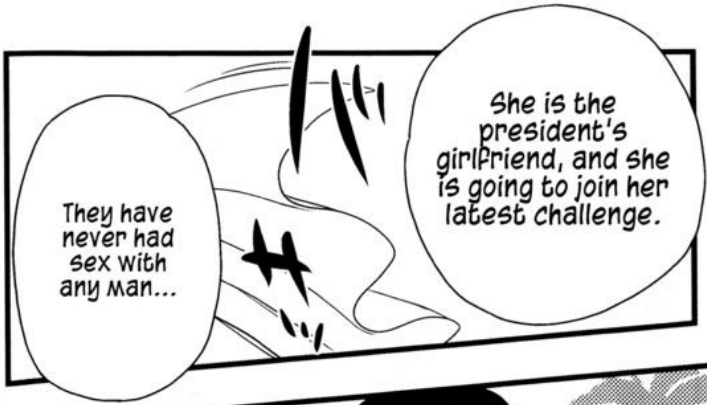

My body is so hot...

My body...

Please...

They have never had sex with any man...

She is the president's girlfriend, and she is going to join her latest challenge.

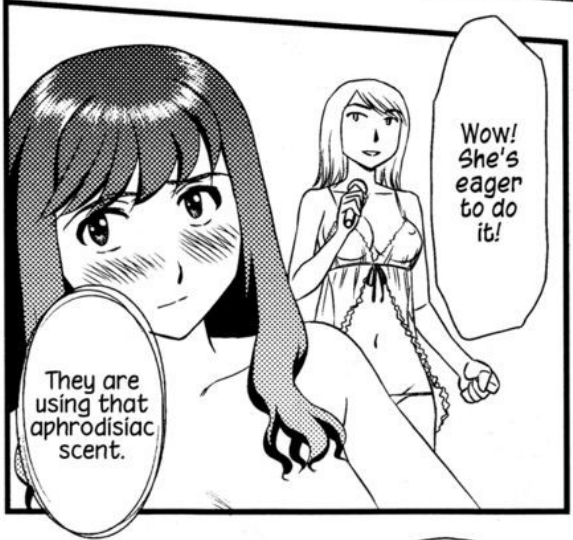

But today they're gonna do it in front of everybody.

Here are the 8 chosen boys!

Stop her, please...

They are using that aphrodisiac scent.

Wow! She's eager to do it!

And you have to obey Nonji-san. Remember?

She seems interested so... It's OK.

In front of the whole school...

Aah

Hee

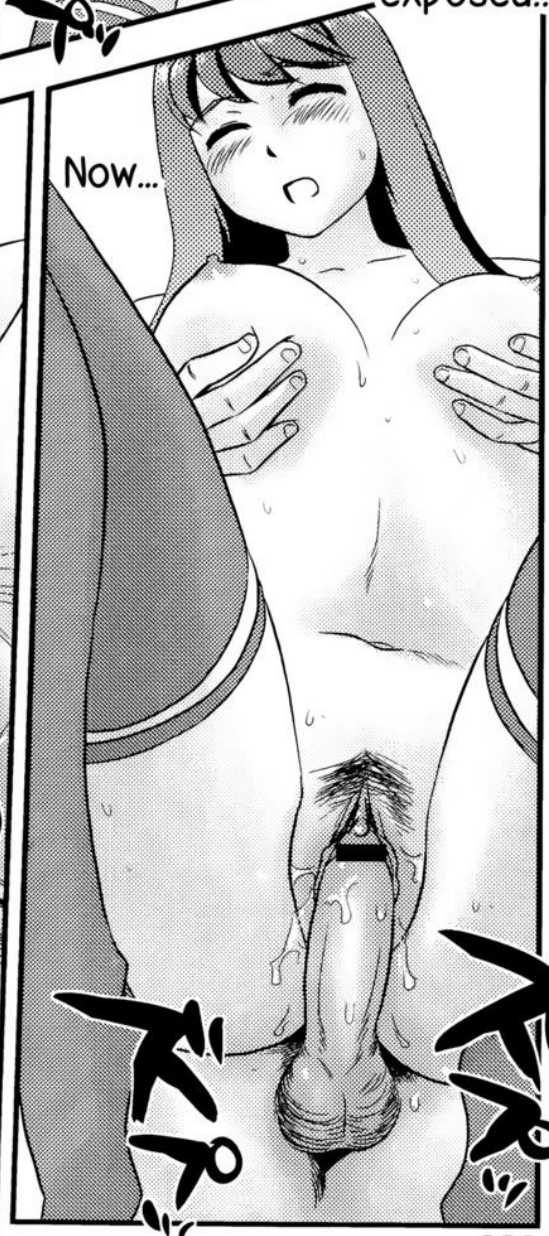

Aah

Aah

I'm totally exposed!!

I'm losing my mind...

Now...

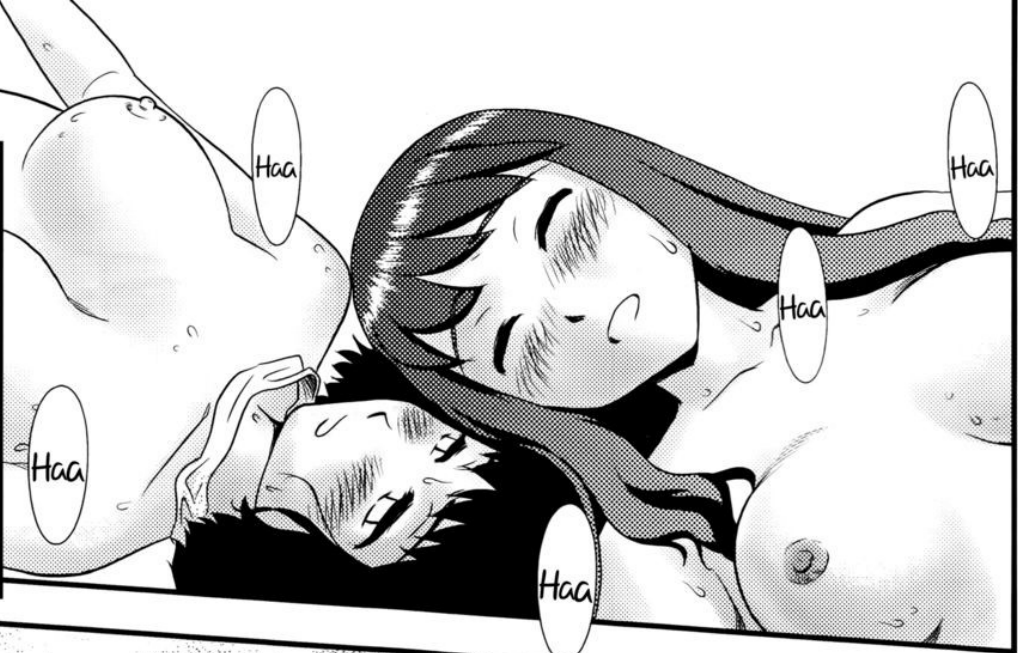

And now these two will show us how deep is their relationship.

Chisa-san.

Kodaka-san.

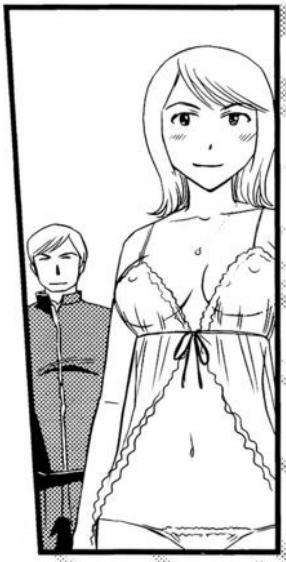

Yeah Ah Ahh

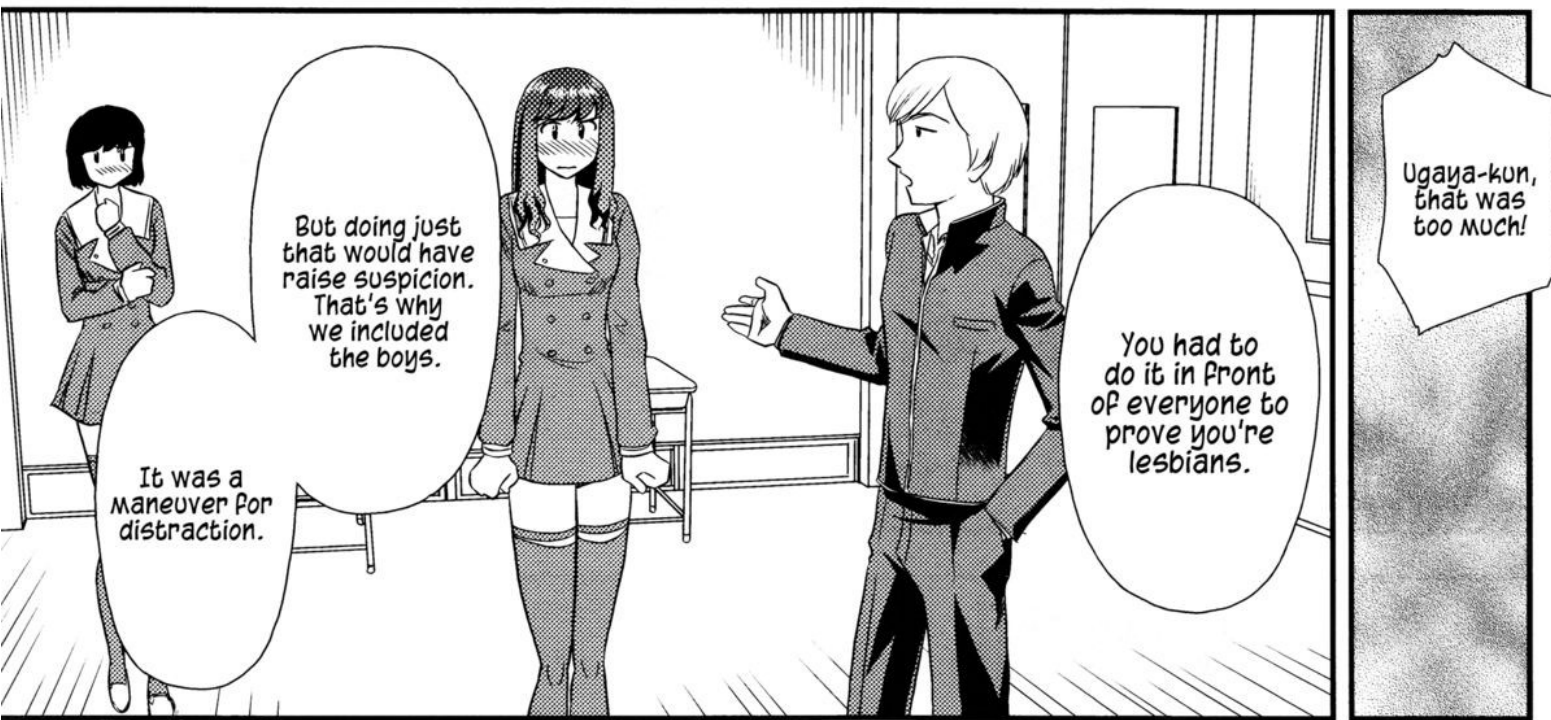

Ngn Ahh

Chisa-San

Kodaka-San

Ahh

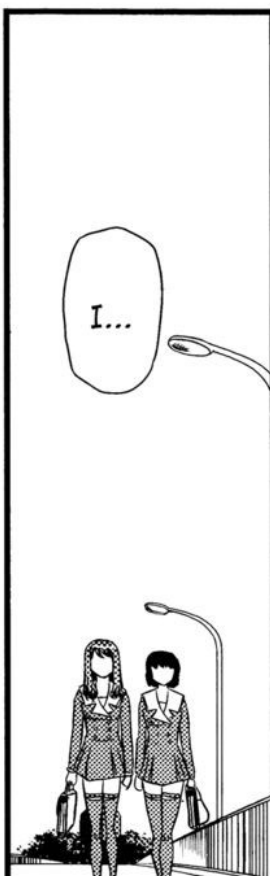

It was a maneuver for distraction.

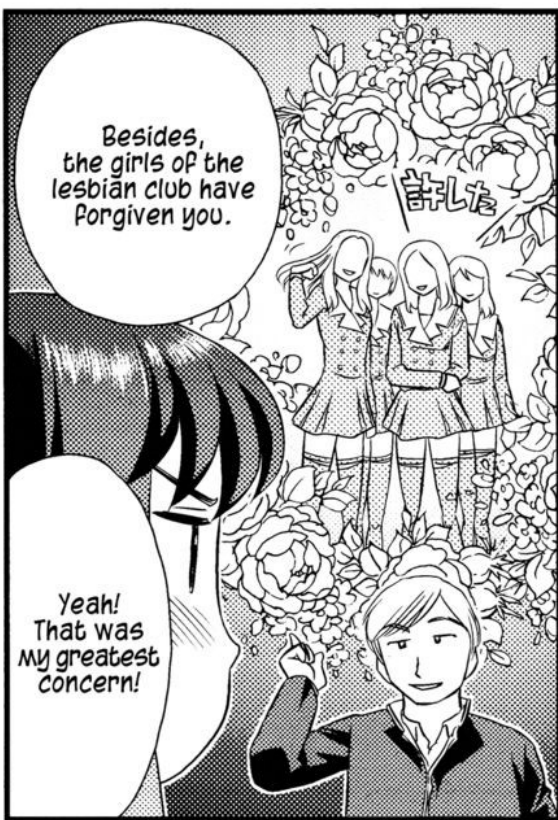

But doing just that would have raise suspicion. That's why we included the boys.

You had to do it in front of everyone to prove you're lesbians.

Ugaya-kun, that was too much!

I...

Besides, the girls of the lesbian club have forgiven you.

Yeah! That was my greatest concern!

Is that why we were humiliated in public?

What the hell!?

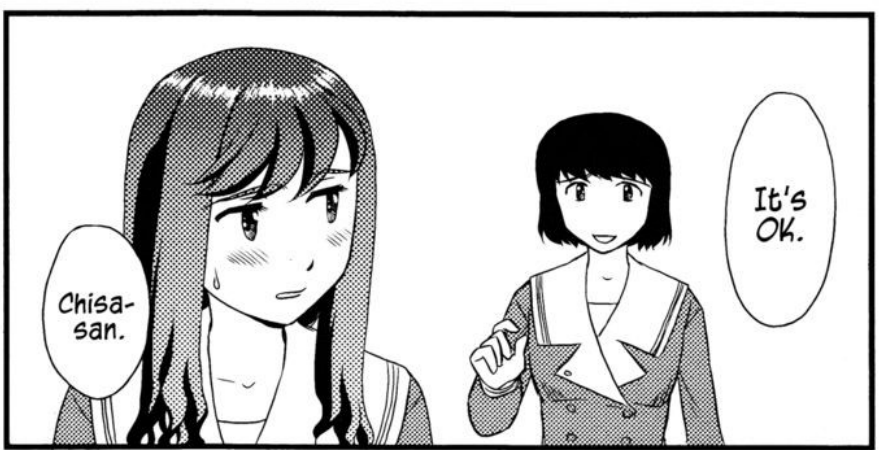

You should thank me.

I was trying to fix your lie...

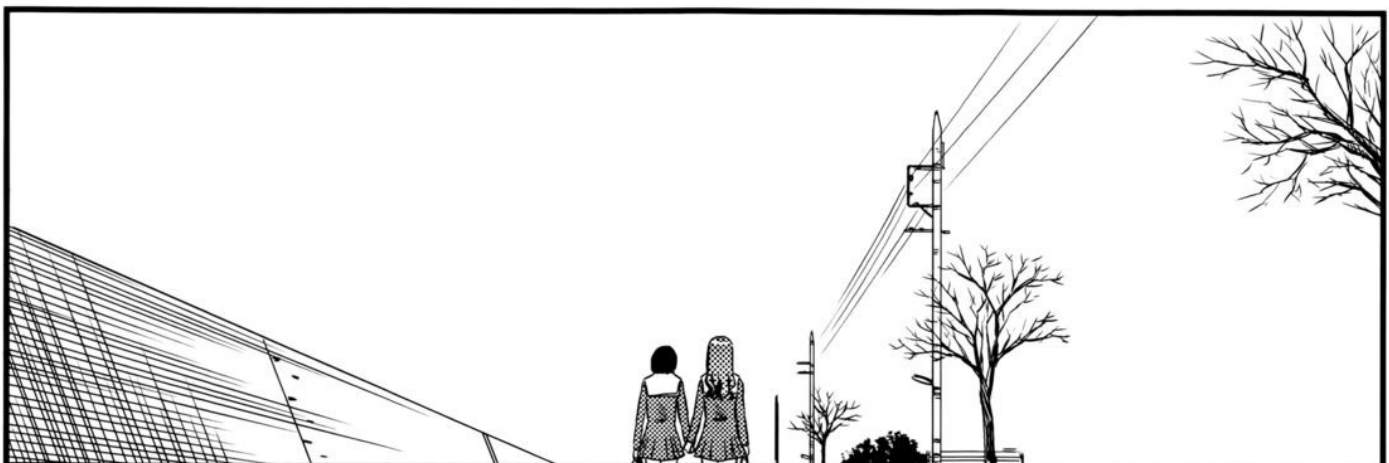

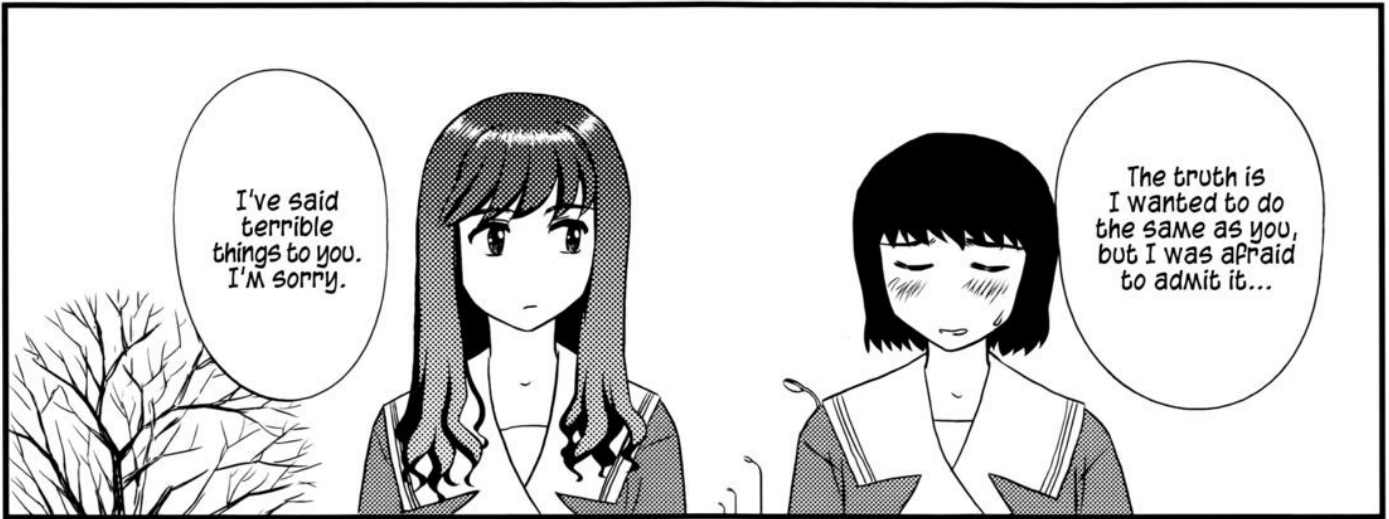

I don't regret it.

I can't believe Ugaya-kun and the others made you involved in this...

Chisa-san.

It's OK.

The true feelings appeared...
