

Oh,
that girl
is cute.

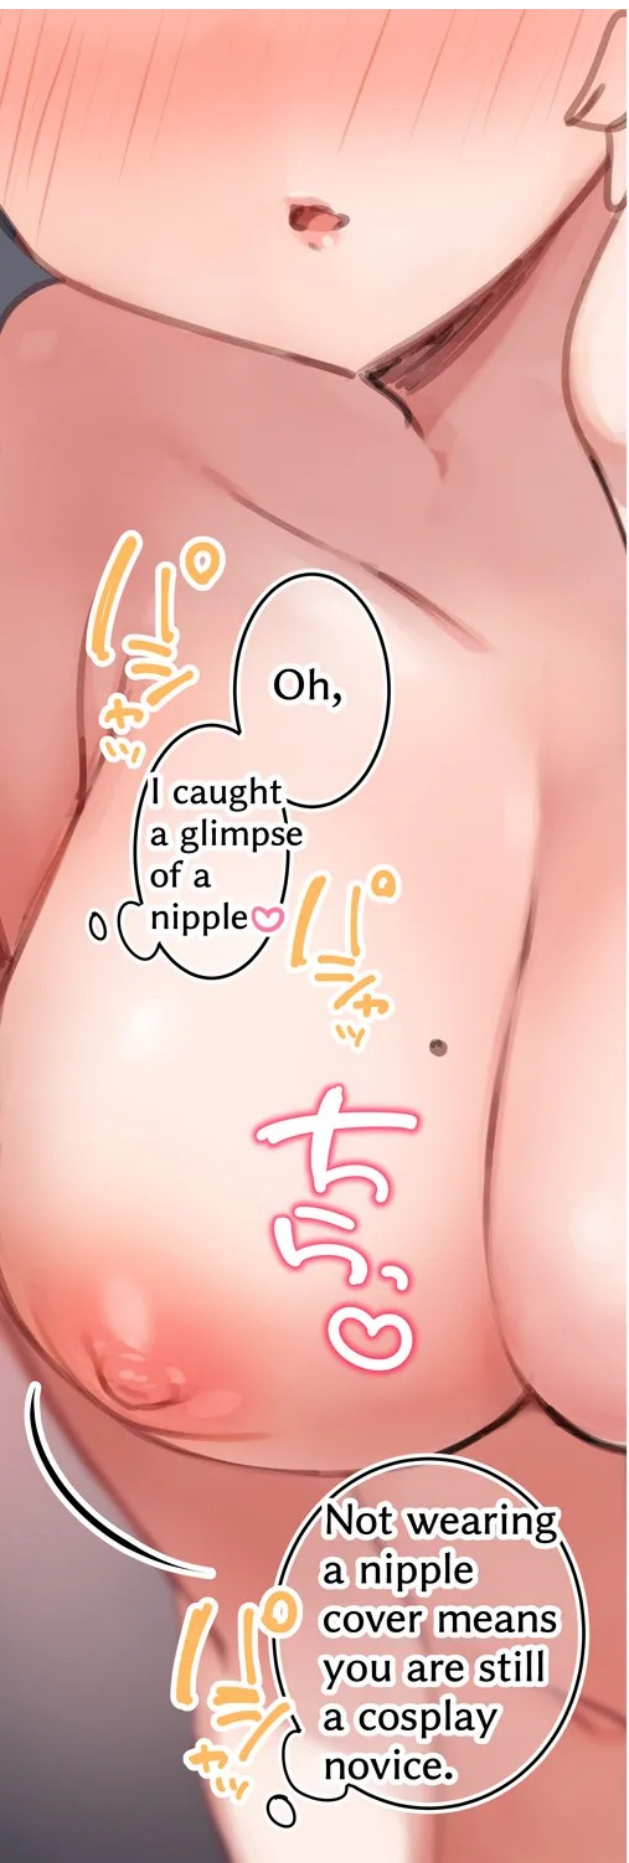

Maybe she's
a beginner
if she's
cosplaying
as a regular
maid.

I wonder
if this is
the right

for the
cosplay

Mana-chan
invited
me to
come here
....

There are
so many
people,
and they
all have
cameras
....

Haha,

no cosplayer
cares
about that.

Oh, um,

my
underwear
is exposed
when
I sit down.

We just
want to
take good
pictures.

Is that
how it is
...?

I don't know why, but my heart pounds when the camera is pointed at me.

Before I knew it, there were people all around me.

You can relax, okay?

Please look and pause again.

Wow, okay!

So yes, let's be more daring.

Is this okay?

Can I ask you to spread your legs wider too?

What should I do, my underwear is getting wet.

It will look even better if you can make your pants bite.

T
T That is indeed quite resistant.

But I'm probably more excited than when I'm taking a selfie. ♡

I got scared and ran away.

I can see myself getting very wet in my underwear. ♡

I can't
take it
anymore.

I shouldn't
have done
this
outside.

Ah
I feel so
much.

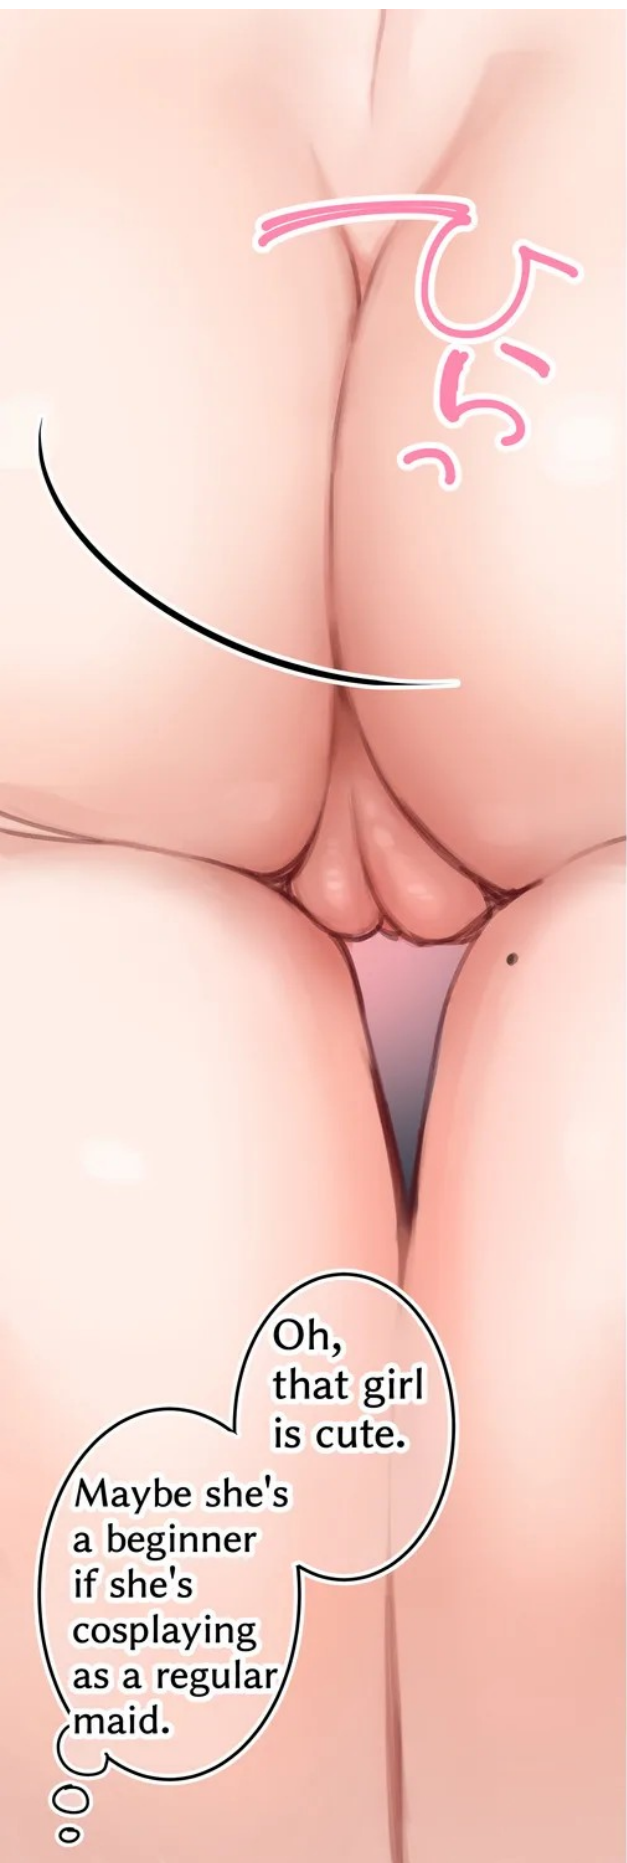

I
can't
stop
my
fingers.

Oh...

right,

Still
hidden,
right?

In front

many
people.

Ah ♡
I'm
spreading
my pussy.

Please give
the dialogue

spreading it
out with

Just imagine if such an embarrassing picture of me were to be spread all over the Internet...
