"Juliet,  
when I saw  
my heart was  
overflowing with  
love, I came  
to you at  
once."

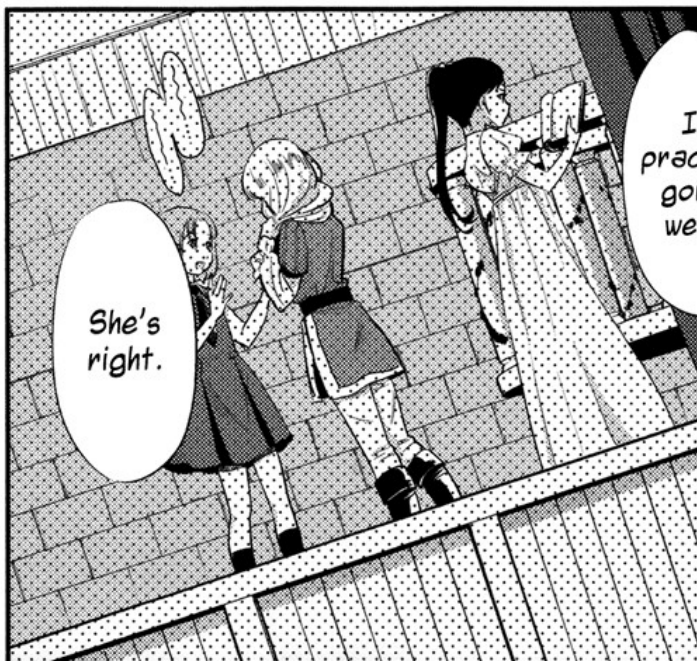

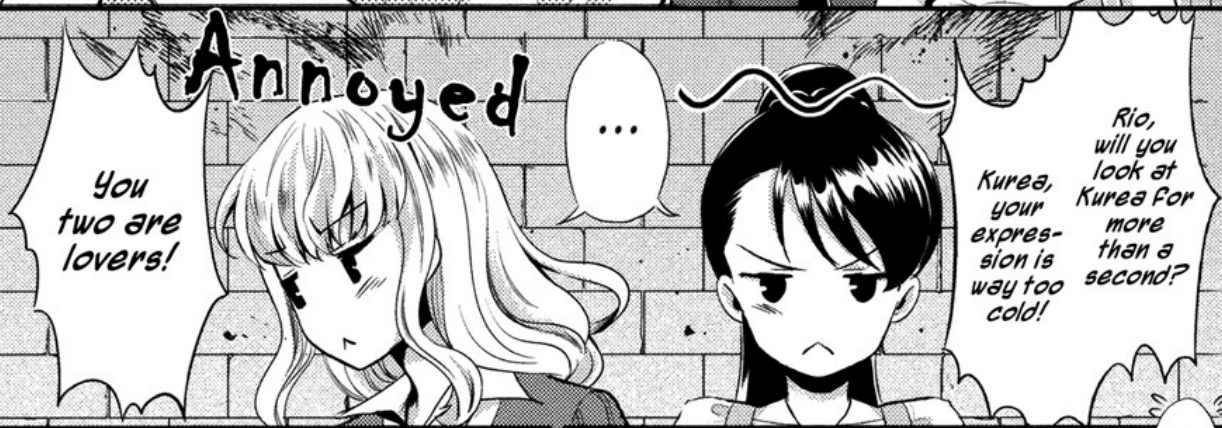

"Can you  
not cut  
your ties  
with the  
Montague  
family?"

"Oh,  
Romeo!  
Why do you  
have to be  
Romeo?"

"Being able  
to meet you  
now, I can  
die without  
regret."

The two leads, you see...

The play is 'Romeo and Juliet,' but...

And popular in school... And they're the main feature of the play, but they...

They're both pretty...

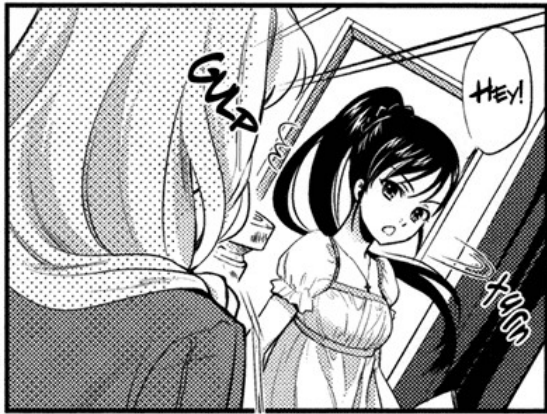

Hm?

Uh...

Ah...

Gulp

HEY!

fun

WHAT DID YOU SAY?!

Someone as talentless as you has no position to criticize others.

You're changing the performance! We can't practice like this!

!

It's just a little ad lib.

This again?

*Fufu*  
I was getting that impression...

*WHISPER WHISPER*  
Even before the play Rio-san and Kurea-san did nothing but Fight.

*ARGH GEEZ*  
Cut it out, guys!

*GRARR*

*GRARR*

All right.

Everyone else, out! Go back to the club room!

You two, this scene from the top!

*RO AND JULIET*  
I'm at the end of my rope. Time for my trump card.

WH—! HEY!

*TAP*

*TAP*

...From the start of the balcony scene then...  
*HAAH*

Why are you always so selfish?!

I'm leaving too.

...This practice is absolutely useless!

If everyone played like you, the performance would be a total snooze-fest.

That's what keeps holding us back!

Even changing the performance to your whims!

It's not opening...

...?

RATTLE

RATTLE

Anyway, I'm out of here.

Go practice on your own...

RATTLE

CAPTAIN!

CONSIDER IT TRAINING TO WORK THINGS OUT!

Today I'm leaving you two to yourselves.

WHAT?! CAPTAIN! WHY?! OPEN UP!

I locked all the doors!

Rio and Kurea!

Stop fooling around and open up!

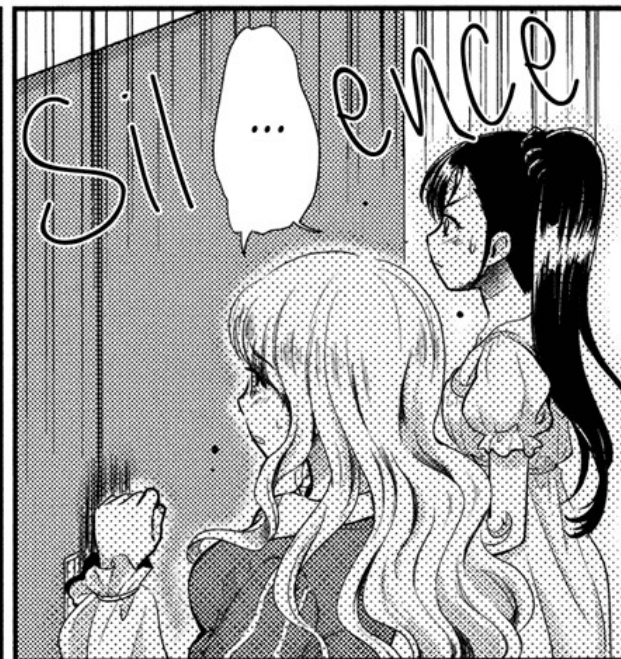

Eeh!? You're kidding!

I'll be back later.

You're blaming me?! That's funny!

...Darn it. All this trouble because of a certain someone...

Silence

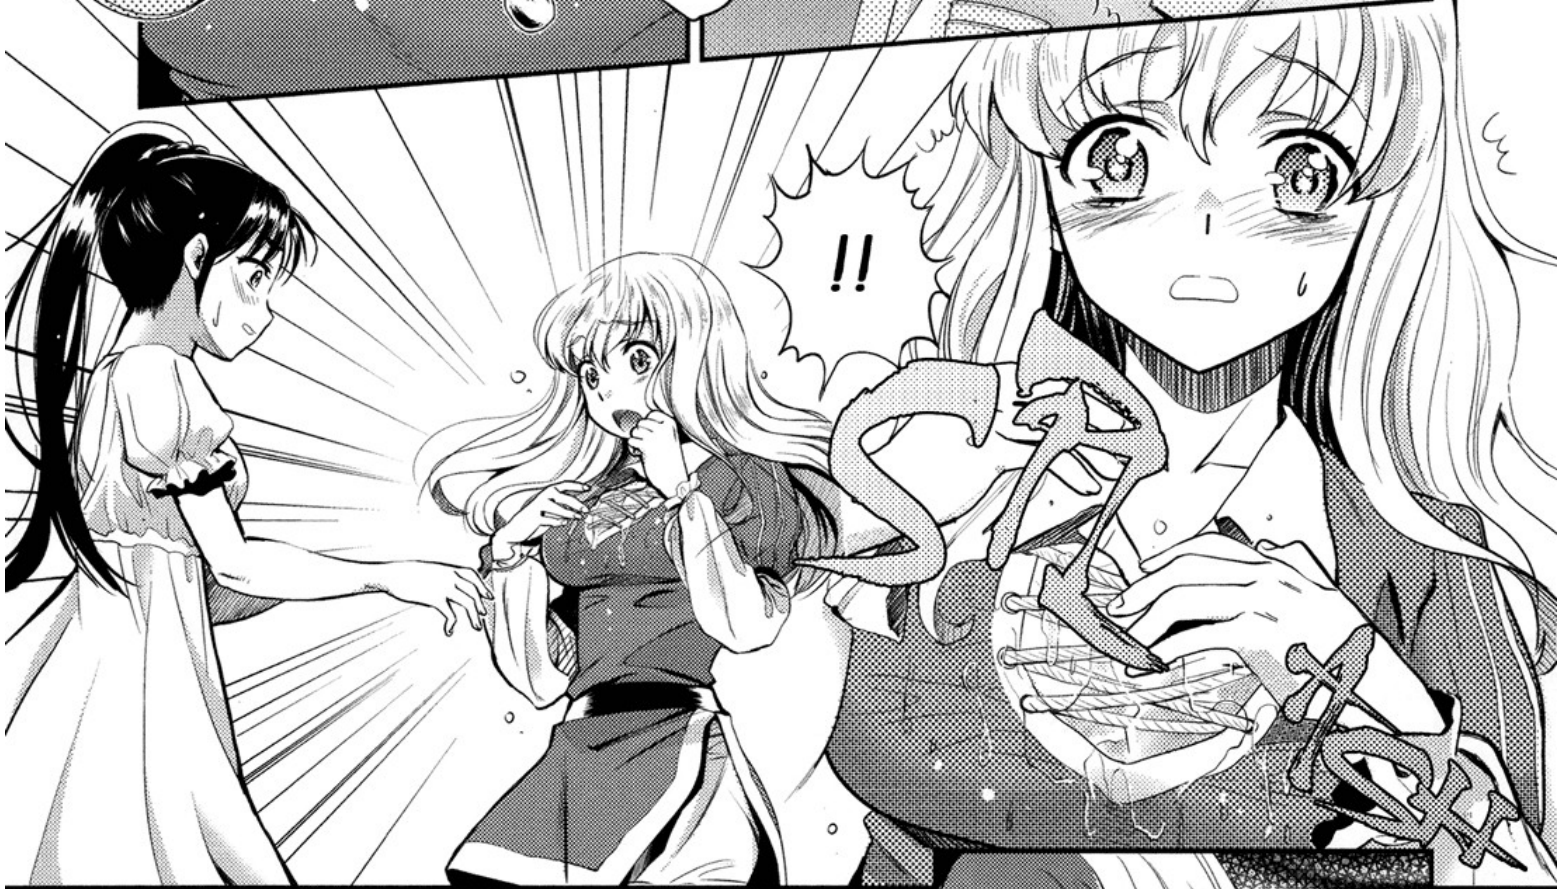

You're the one who is always like this...

Always ignoring your kouhai...

Oops?

SMASH

!!

...What?

...If you hate me that much, then I'll just quit.

...I—I'm sorry. My hand...

.....

SIP

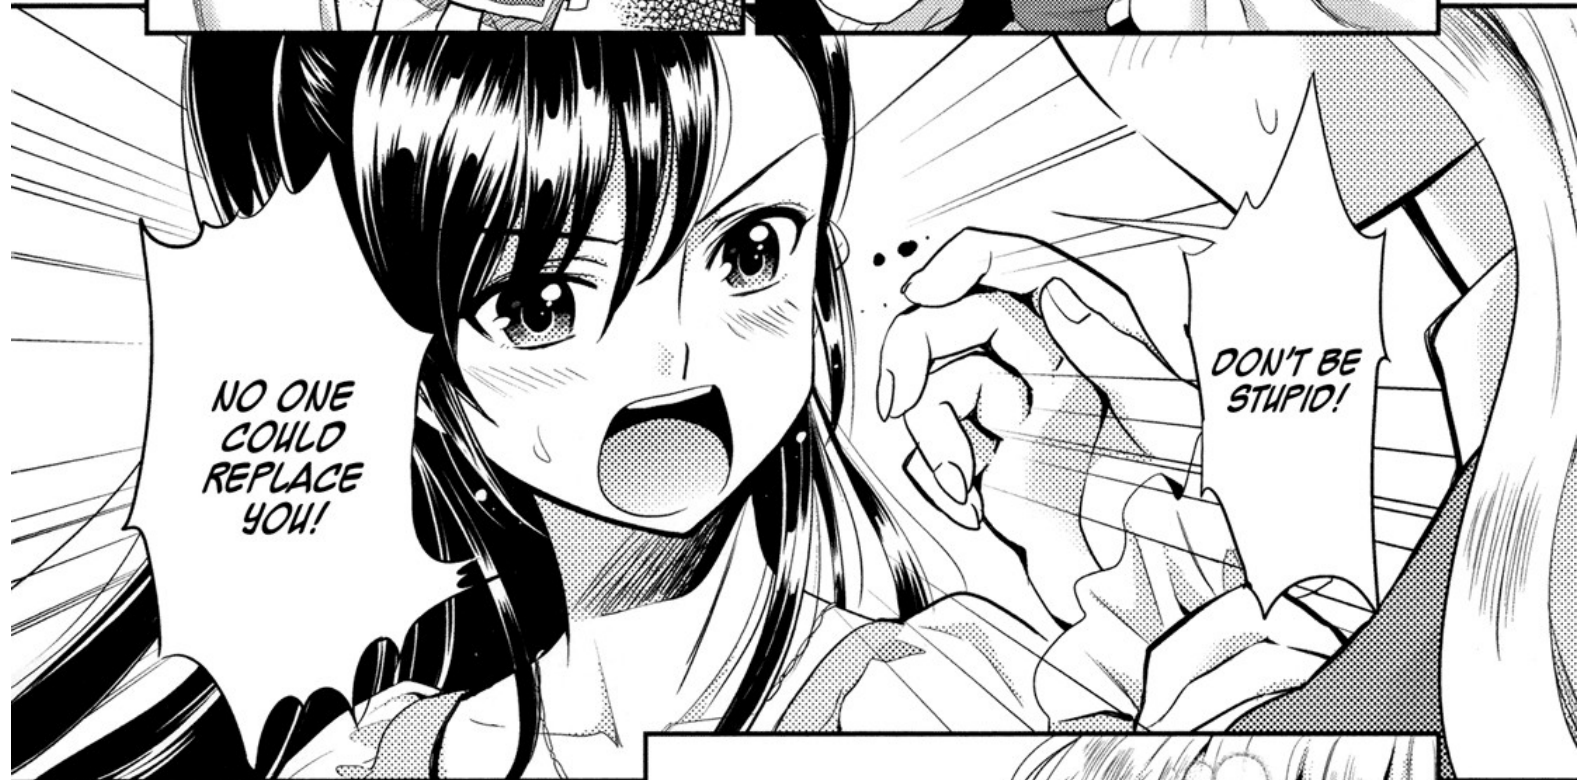

There's still time. You guys should manage...

IF I step down from the stage, you'll be satisfied, right?

...that you like.

Pick a Romeo...

NO ONE COULD REPLACE YOU!

DON'T BE STUPID!

Even though you're the most gorgeous out there, Rio?

Stepping down from the stage...?!

As if we'll ever find a Juliet that can beat Romeo in looks!

Same here!

Do you have any idea how Flustered I am whenever we perform together...?

Kurea... Do you really feel that way about me?

WE ALREADY HAVE ONE! RIGHT IN FRONT OF ME!

!

"Please, trust me..."

"Empowered by love, I searched all over for you..."

.....

"You have my forgiveness."

"Very well... And even if you betray me..."

It's fine...

But I mean...

...I'm sorry about your clothes.

RIO...!

...if I don't have burn marks, Kurea?

Though could you check to see...

Rio... You really are beautiful...

lick

Rio... You're so warm down there...

And so slippery, it went in without resistance...

Are you okay? It doesn't hurt?

Your finger... It's cold so it feels nice...

AHH  
THIS IS EMBARRASSING

AHH  
AUG

shloosh

UWAAAAH

AHH!  
KUREA!

shloosh...

And it was a huge success.

The curtains closed on "Romeo and Juliet"...

The day of the festival...

But the two on stage were fulfilled.

The tragedy moved the audience to tears.

sob weep

Their indulgence in blissful love was

a secret

even from Shakespeare.
