

大深白さんハッピーズ

Shohta  
wake up

Wake up!

Still, this sure  
is effective.

Ahh, I did  
it again

You won't,  
huh?

tl note: sleeping pills

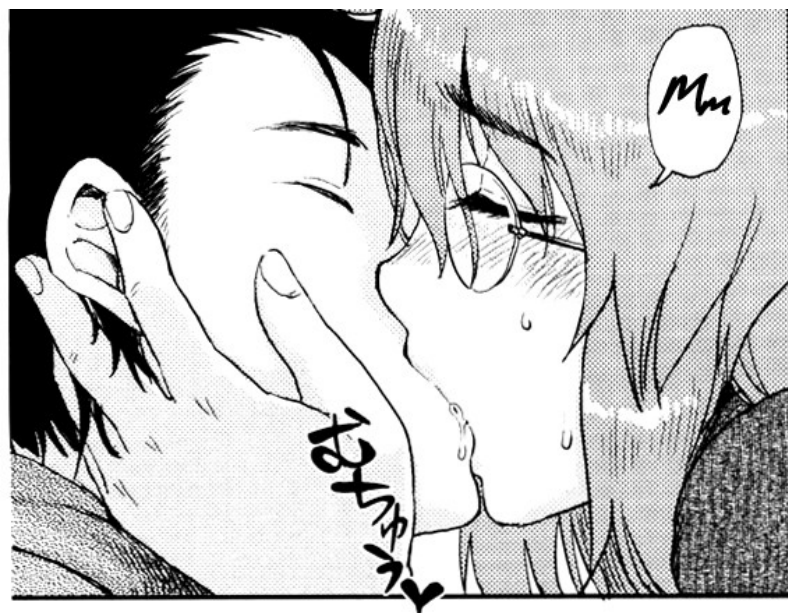

Actually, this old virgin  
just wanted to try fucking.

I couldn't help  
it. Sorry for  
forcing you

Shohta-kun, I'm  
sorry. I'm sorry for being  
this kind of party. But I'm  
scared of men other than  
you, so I can't talk  
to them well

Shohta's smell

Shohta, I  
can't hold  
on anymore

Aah,  
can't wait

Hurry up and  
destroy your  
aunt's pussy with  
that huge and  
thick dick

♡

Get me  
pregnant

And cum  
a lot

It's  
stretching  
me
