I KE NI E

This set of
Mail
truly messed
my life up

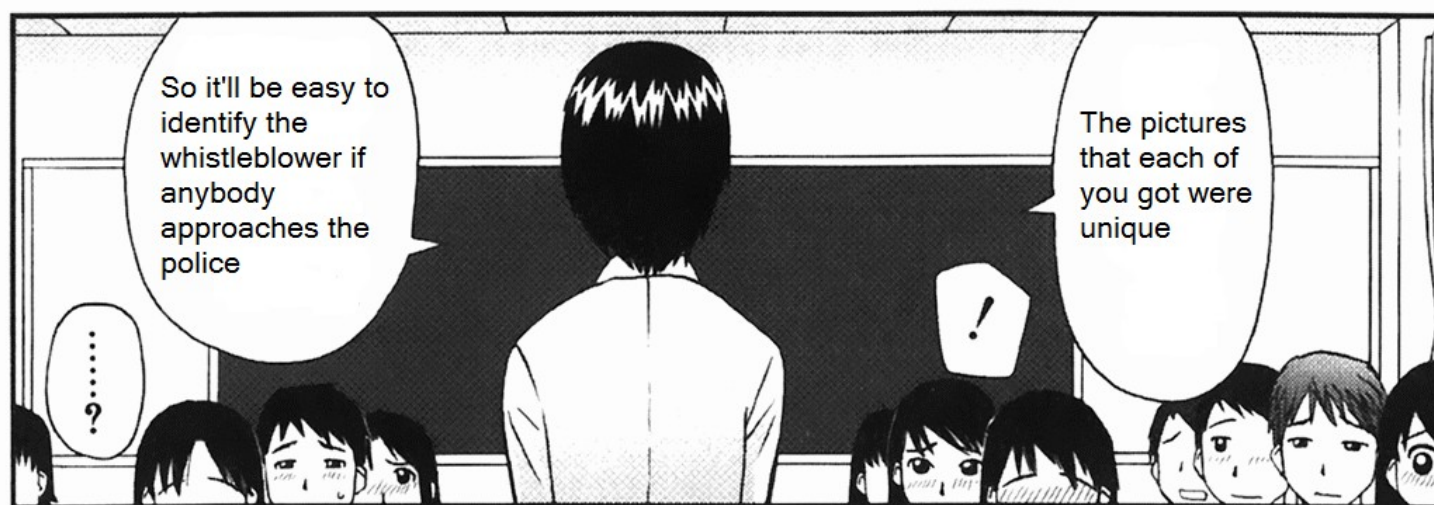

But it seems like only my pictures have been sent out

He didn't mention anything about the guys

Seems ?

What about the guys?

So it'll be easy to identify the whistleblower if anybody approaches the police

The pictures that each of you got were unique

.....
?

He would like all of you to assist him

His goal is me

We'll be at fault too?

So if any more pictures get released ...

What's his goal?

This is ridiculous

The stalker also said that each of you became an accomplice the moment you received those pictures

Huh?

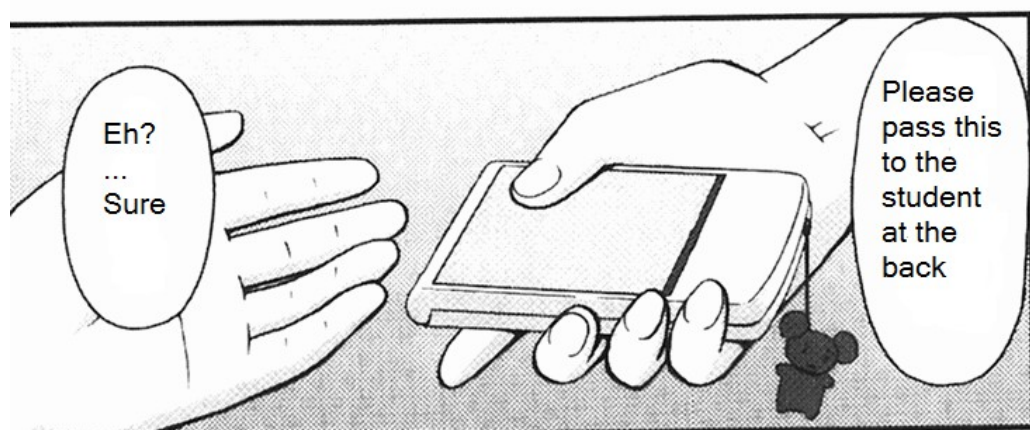

What the hell?

Please help me, everybody!

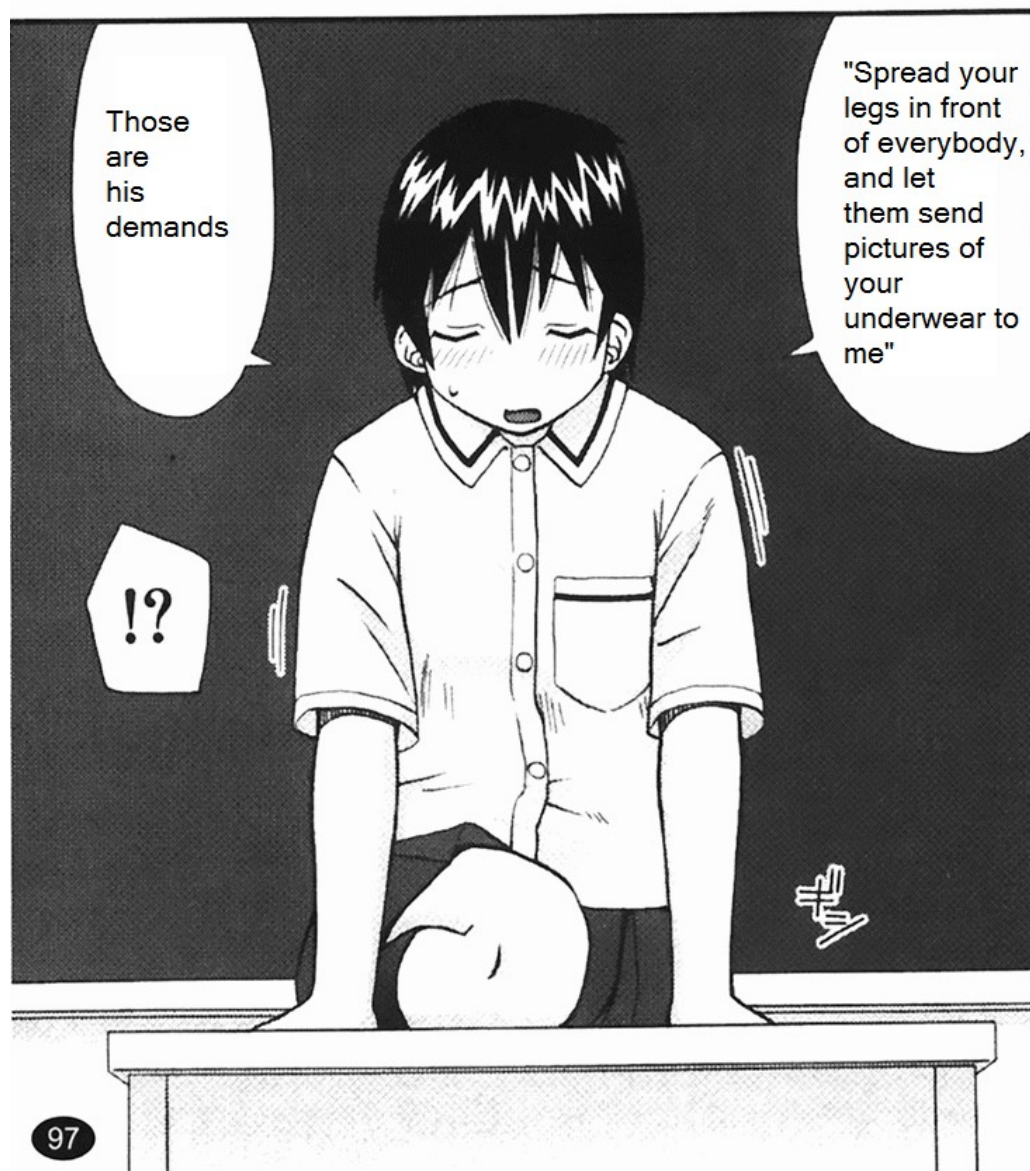

Even though there's no guarantee, I'm willing to be a sacrifice for everyone

He claims that he'll leave everyone alone as long as I obey him for one month

Eh? ... Sure

Please pass this to the student at the back

Those are his demands

"Spread your legs in front of everybody, and let them send pictures of your underwear to me"

!?

Since I'm doing this to protect everyone

Nobody should have any objections

... he has already given the first order

This is hard!
It's too
embarrassing!

唔

呵呵

Next day,
I had to
pose
completely
naked in the
same position
while my
picture was
taken

唔

But he wants
me smiling
in the picture

I'm sorry
everybody,
please wait
until I'm able
to smile

呵呵

The orders
became
increasingly
intense as the
days passed

Be sure
to take
my whole
body

I'm
about to
piss,
please
take
my
picture

Ok
...

And ...
I'm sorry
if it
stinks

Watch out,
it might
splatter on
nearby
students

It's
loud!

From the ladies'
toilet to the men's
...
I was finally about
to piss while in
class

Oh god!
Please
don't
listen!

No matter how
many times
I piss in front of
other people,
it still
embarrasses
me

The water gets changed anyway

Is this ok? Pissing in the pool ...

Is she surrounded properly?

After all, they weren't the person being looked at

No problem here

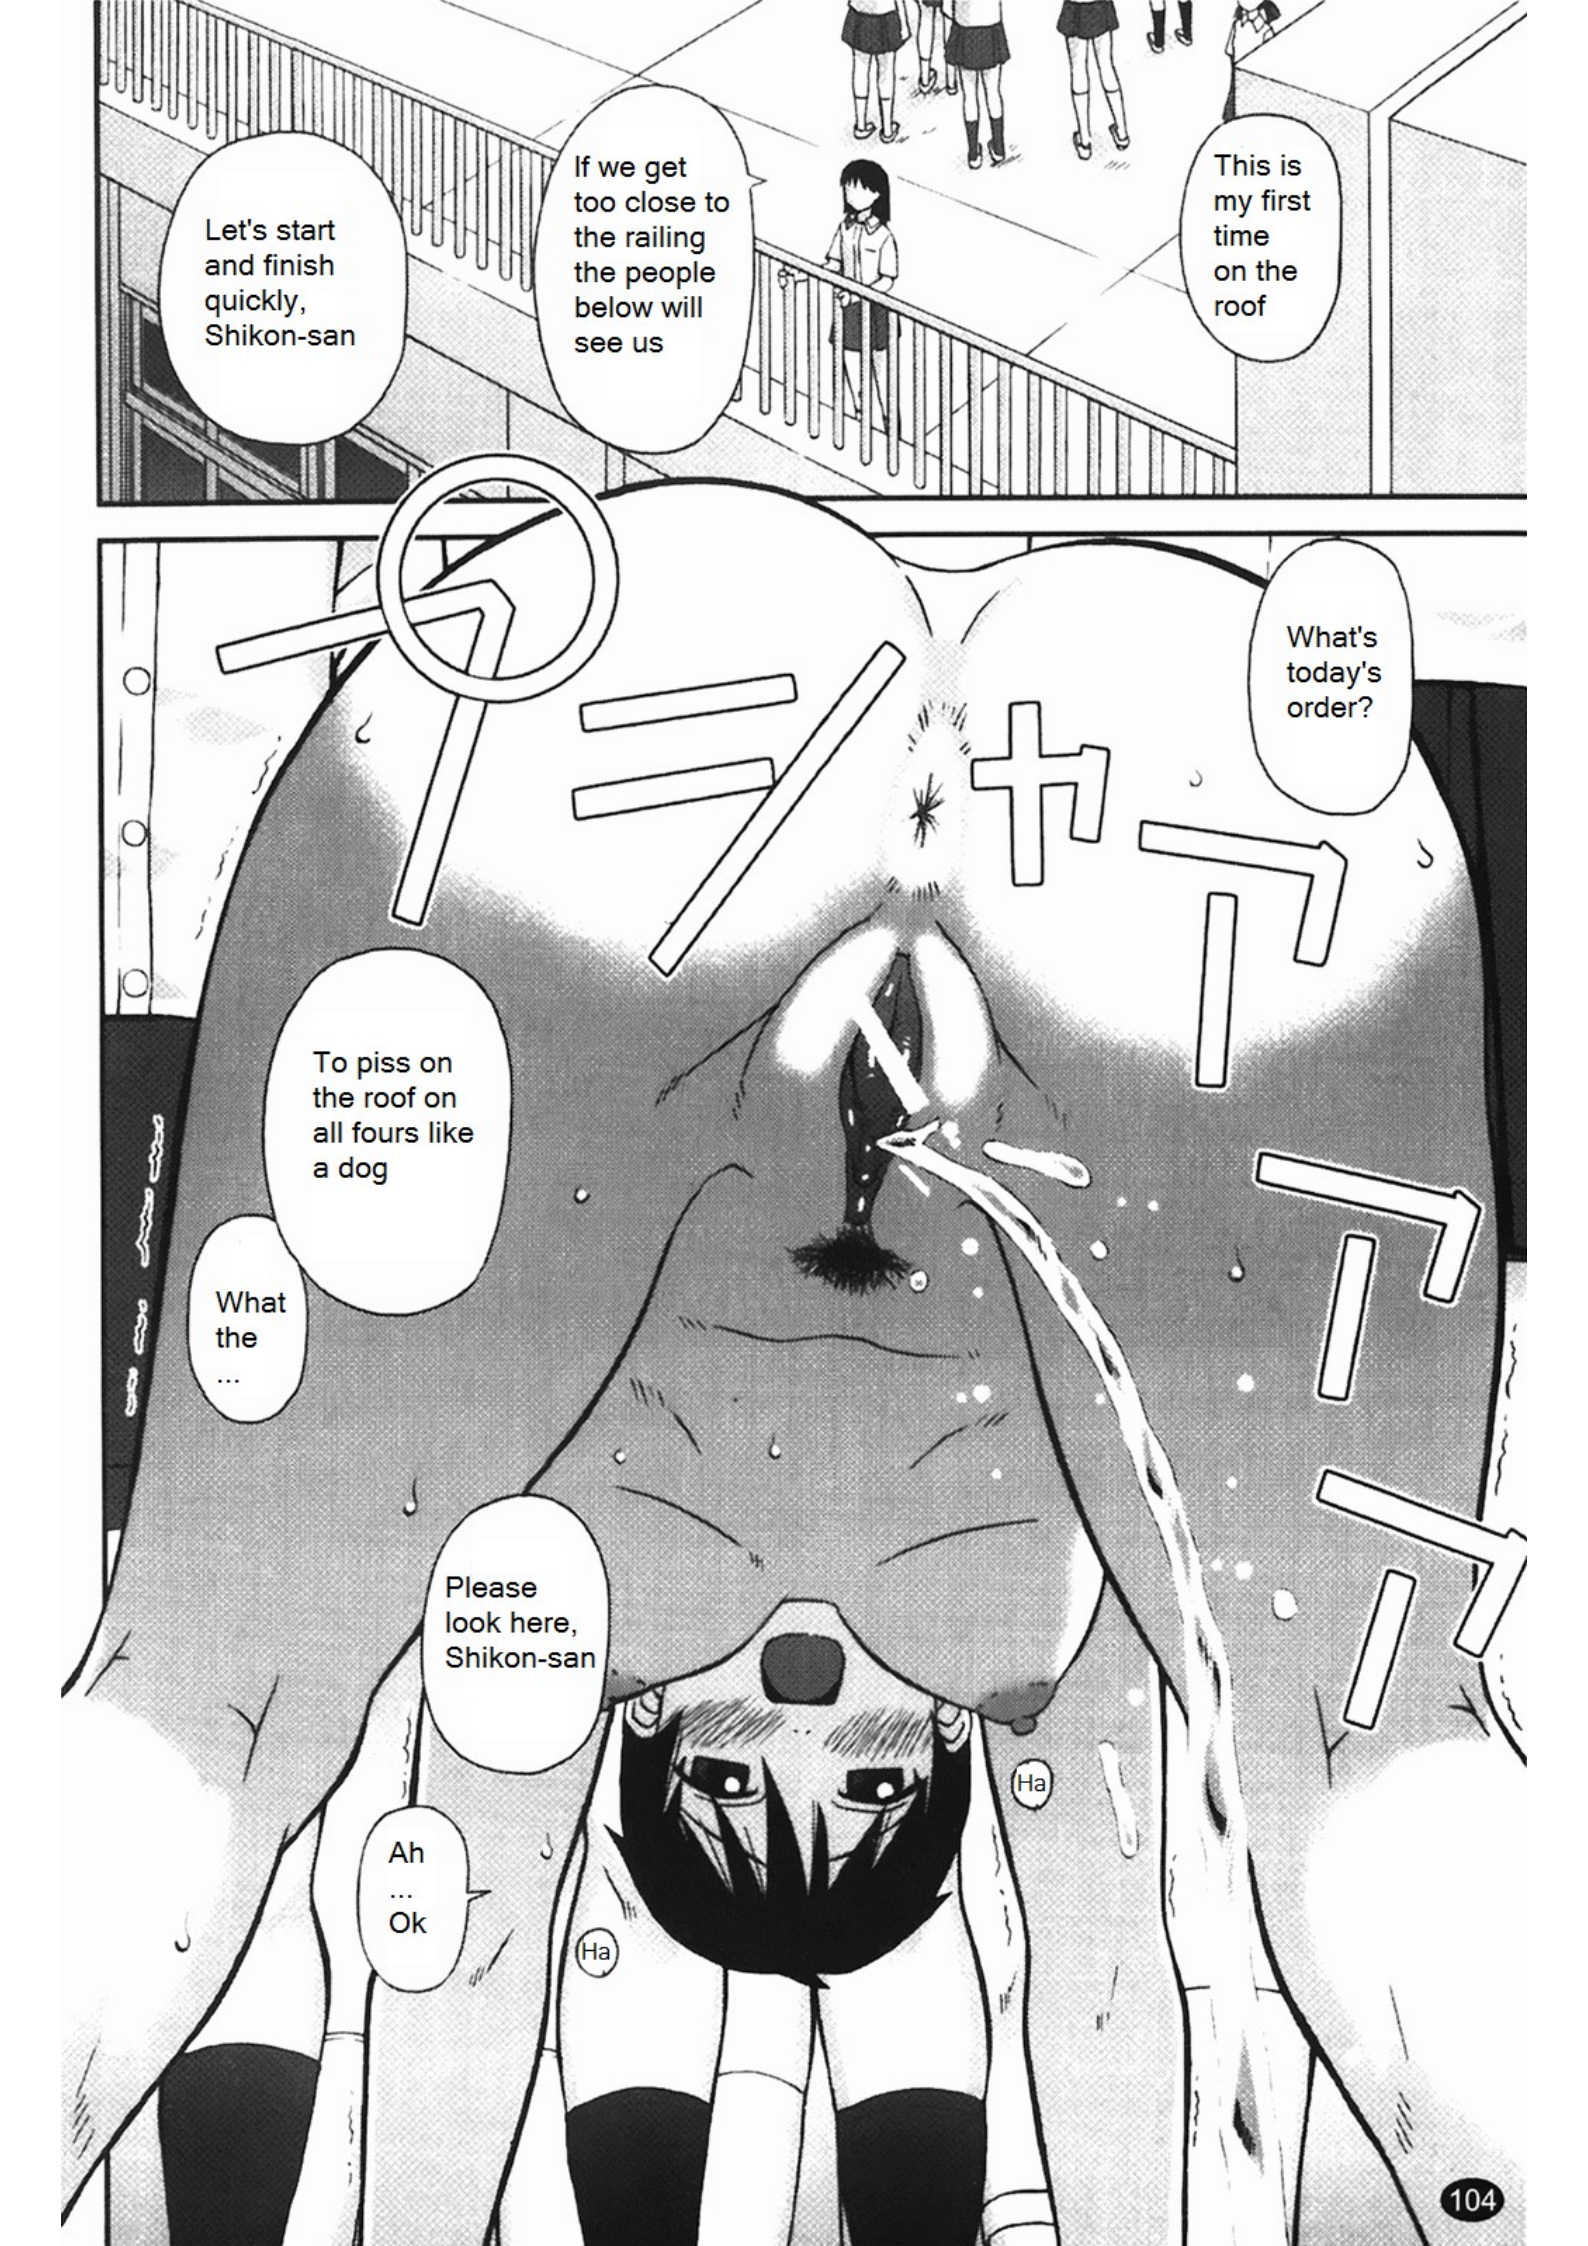

Is the coast clear?

Eventually, everyone seemed to get used to taking such pictures

We'll keep a good lookout

With everyone around there's no need to worry

Say cheese!

Let's start
and finish
quickly,
Shikon-san

If we get
too close to
the railing
the people
below will
see us

This is
my first
time
on the
roof

What's
today's
order?

To piss on
the roof on
all fours like
a dog

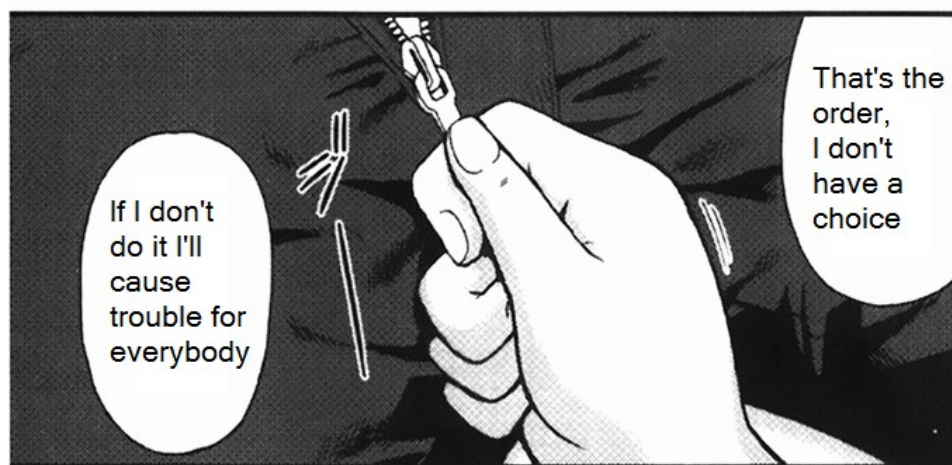

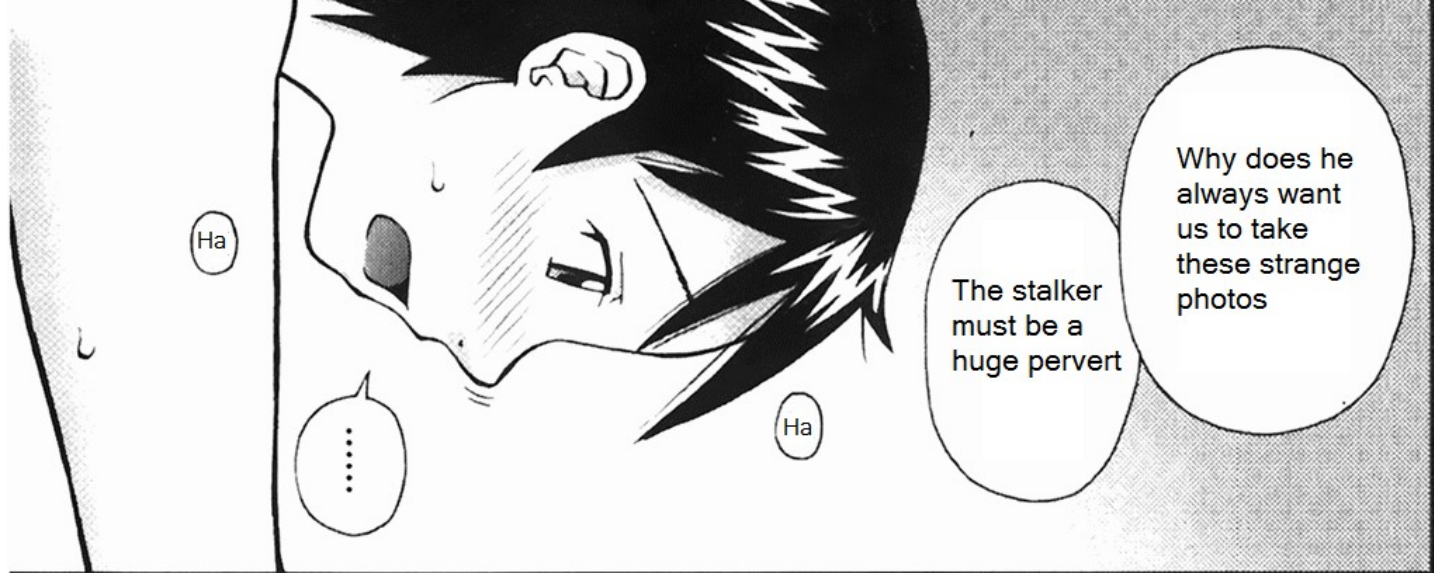

What
the
...

Please
look here,
Shikon-san

Ah
...
Ok

Ha

Ha

The humiliation from this was different from that of pissing in front of others

Today mark's the start of pictures of me giving oral sex to the boys and getting cummed on the face

That's because I had to constantly face the camera and the boy I was giving oral sex to

Taking picture soon

Ha

Ha

Mm

Mm

We'll
keep a
good
lookout

Afterwards,
I began to
take pictures
in places other
than the main
school building

Yeah
...

Are
you
ok?

Ha

Ha

It's fine

On top of
the anxiety of
getting my
picture taken,
there was also
a kind of
thrill

After the third
person, my
face would get
extremely
sticky

Today's order was to masturbate to the point of cumming out loud in front of my female classmates

Ah

Ah

Uhn

Even though I've taken pictures in the classroom before

Please take good pictures

Ha

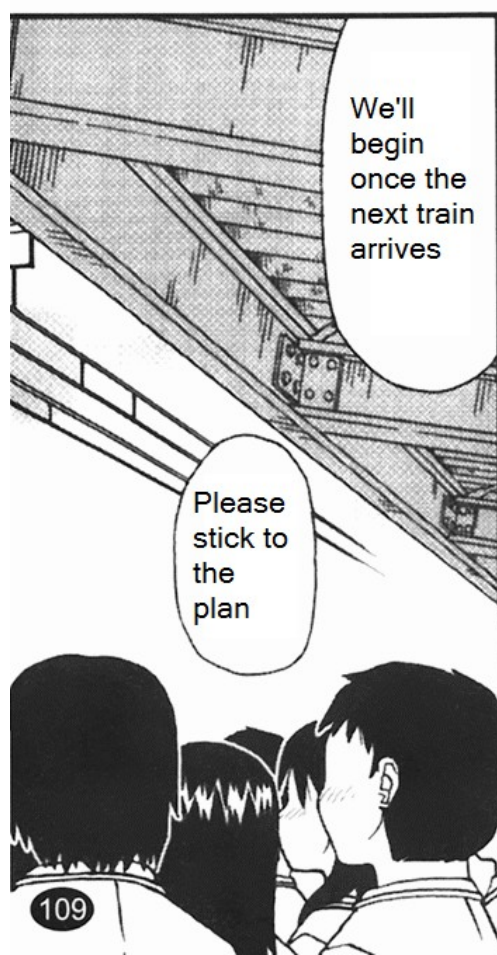

Being watched by members of the same gender while you make a serious attempt to masturbate is the most humiliating thing ever

Ah

I'm about to cum ...

Ha

Ha

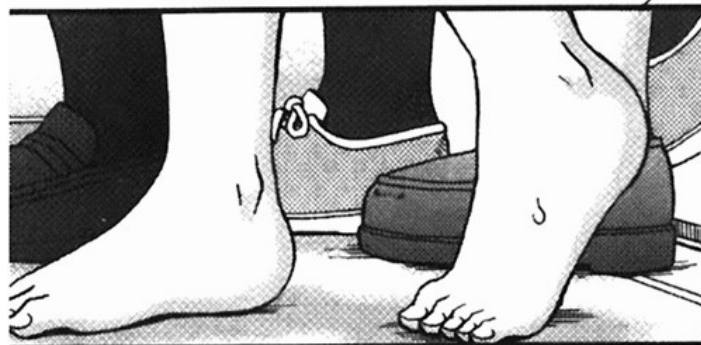

Being naked at the train station was extremely nerve-wracking

Please take a picture of me boarding the train

I was surrounded by everybody

But I can't put on my clothes or get off the train until I'm done with the pictures

I can't stop trembling

But I have to press on

I'm sorry everyone, please bear with me for awhile longer

... you're going again?

Did anyone bring an air freshener

What a strong smell

キュッ

Ha

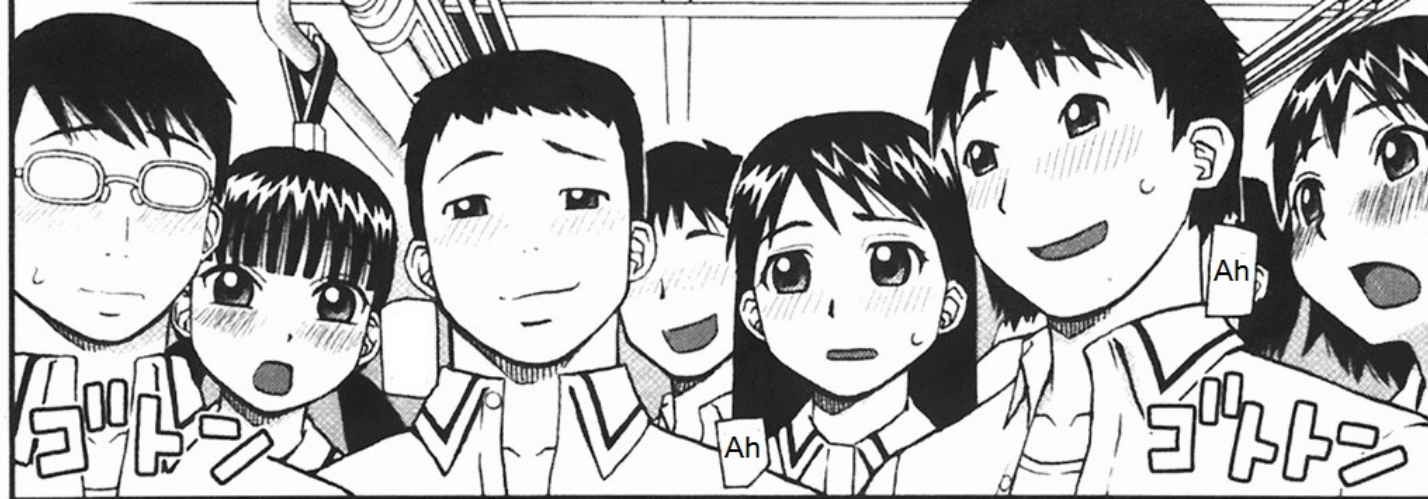

At the very least I must let you guys use a clean anus

Ugh

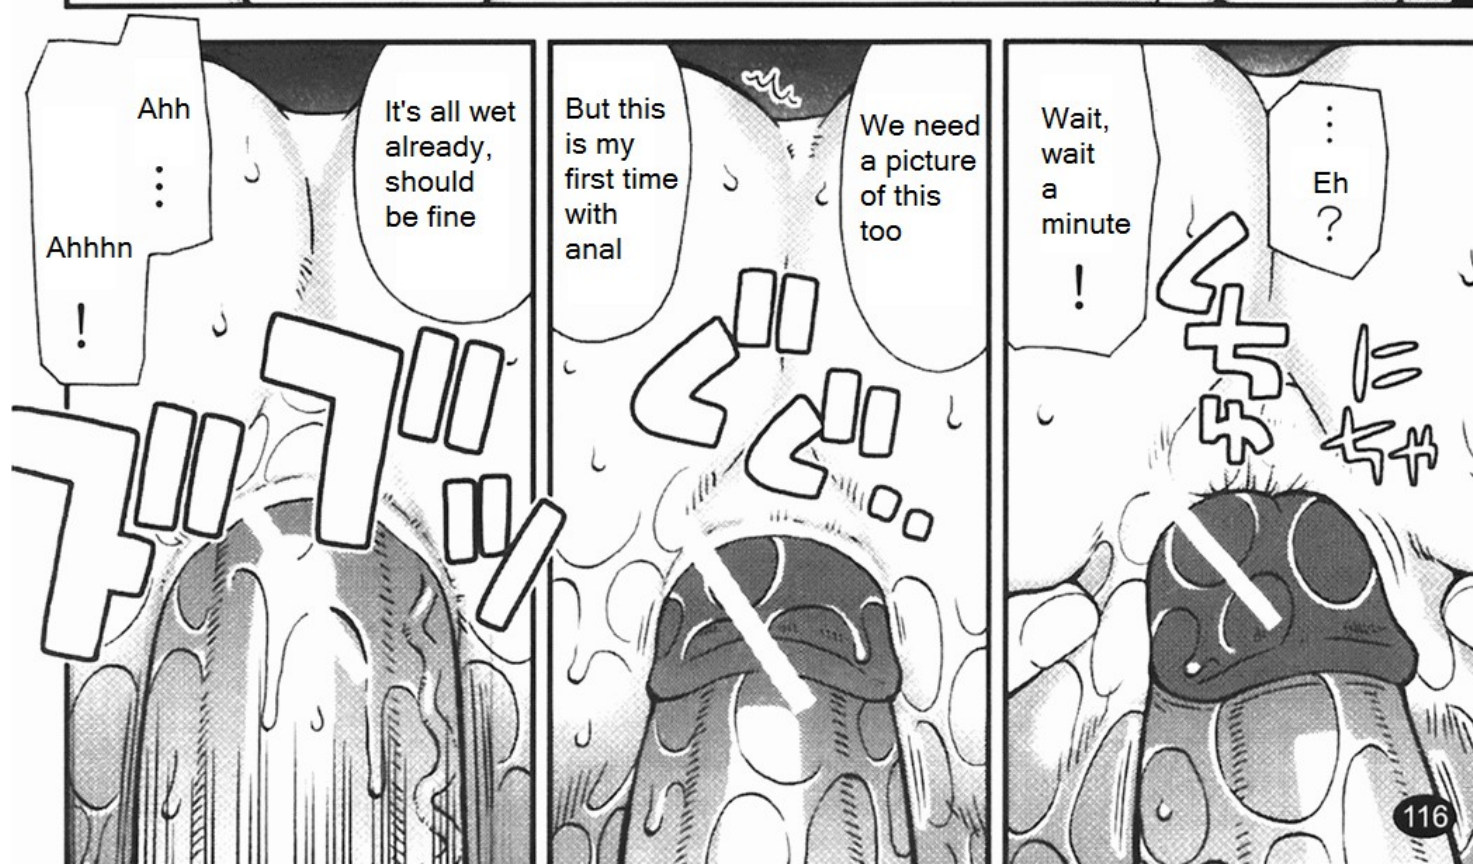

Ha

So everything must go

In order to clear my bowels I had to go through several enema and defecation sessions

Shikon-san
I know you're
suffering, but
when taking
pictures ...

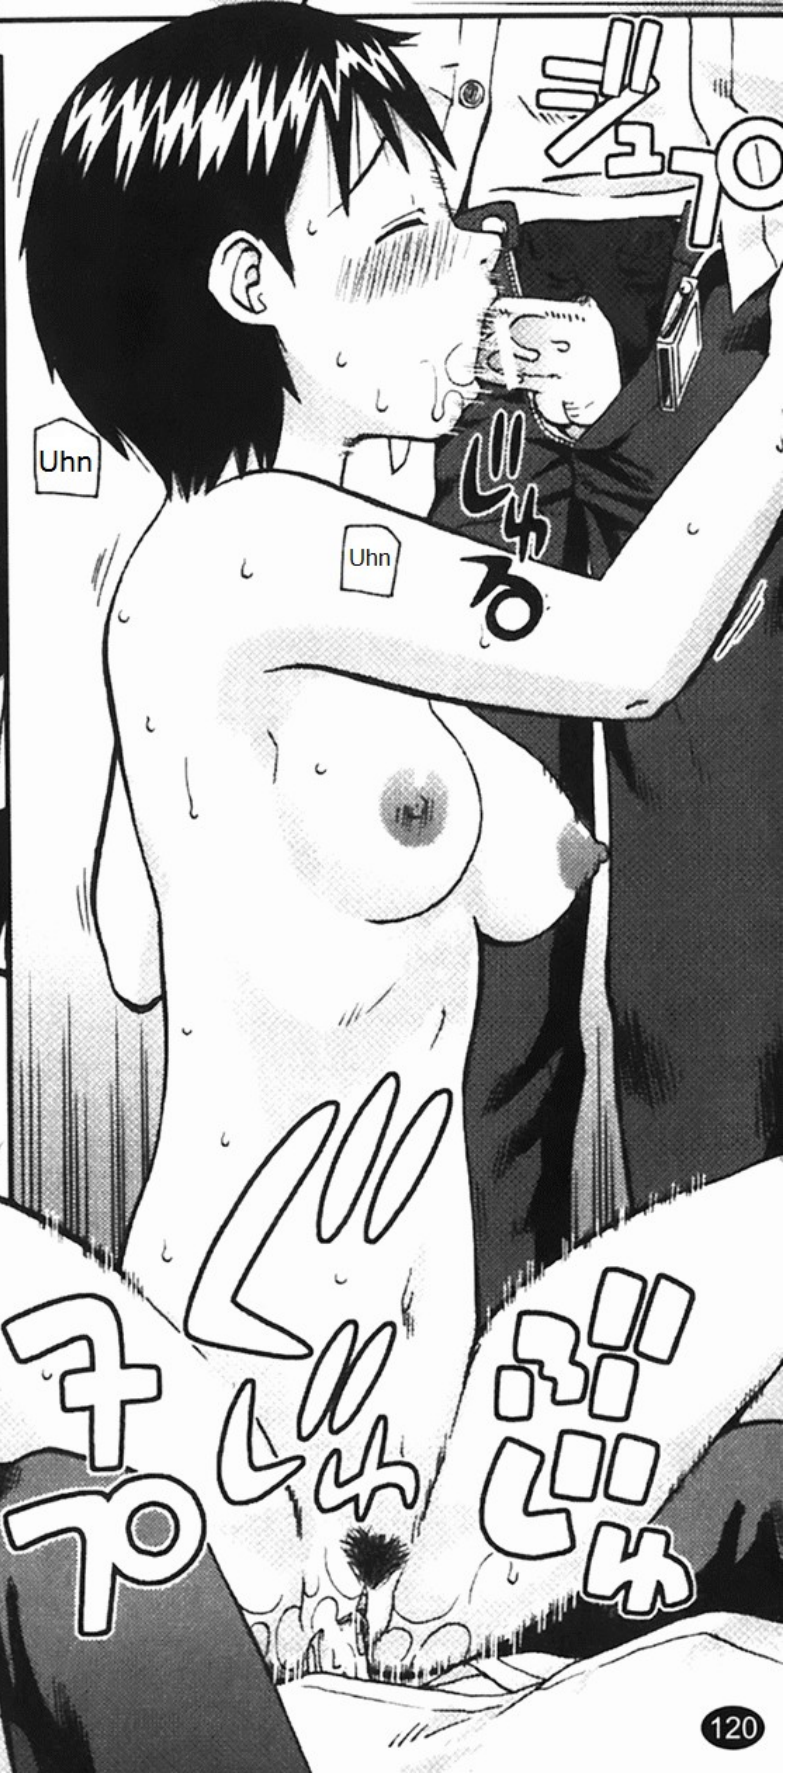

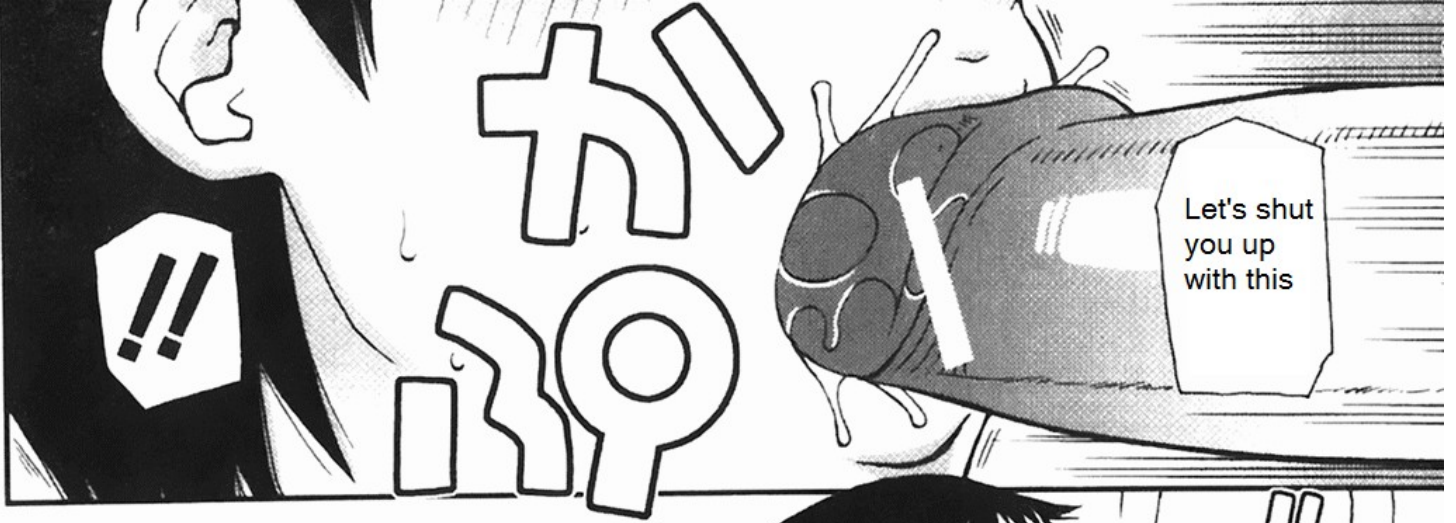

Ah ...
I must be
smiling
right ...

Aha

No
:
Don't
look

We need
a full
frontal
shot yeah?

Ha

Wow!
Her body's
all sticky
now

All the
guys are
done right

Ha

It's the
girls'
turn now

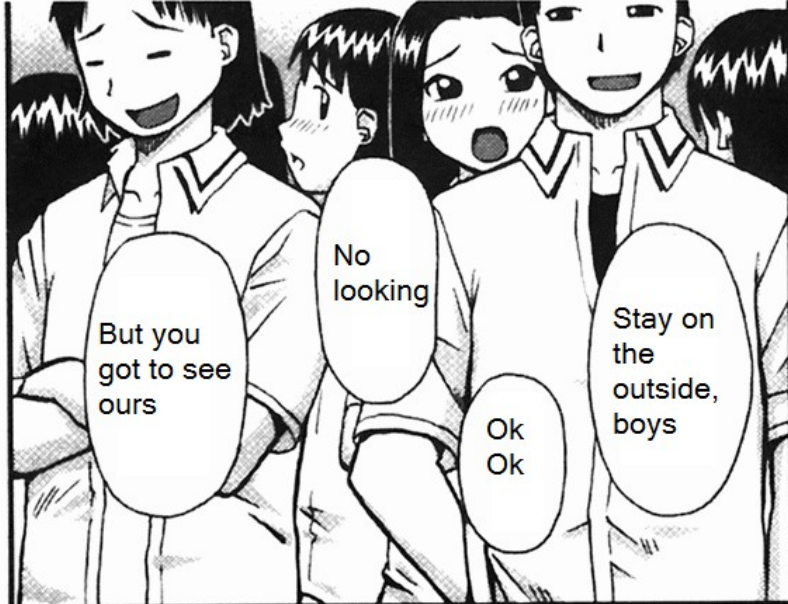

...

Yeah

The girls began
to do as
instructed with
an air of
anxiety

There's
no choice

But
...

On the bright
side it's all
over now

That's
great

Hu

Are you
ok,
Shikon-
san?

But I gave up
after the
fifth person

Ack ...
what a
strong
smell

And thus, my
month as a
sacrifice ended

Thanks
everyone

Glug
