Baal succeeded in turning Levina and Lilia into sexual slaves... She was absorbed in an affair with them...
Meanwhile, Hilda was comforting herself as she peeked into the three's affair...

ある日、ヒルダはついに堪え切れなくなり、かつて騎士であったプライドも棄て、
はあるの肉棒を求め部屋へと向かったのだった…

One day, Hilda finally couldn't take it anymore, gave up her pride as a former knight, and headed to Baal's room in search of a penis...

Hilda greets her and opens the door to her room.

Baal orders Hilda to collect an aphrodisiac sample from a "certain specimen."
However, Hilda is fascinated by Baal's penis and is stunned...
Baal scolds him with a penis slap, but Hilda seems happy.
Baal sighs and opens the capsule containing the specimen...

The "certain specimen" is Ulfiara, who was rented from Madame Ribbon. A ribbon tattoo is carved into its lower abdomen, indicating that it belongs to her. She is restrained and given a suspicious drug, which makes her seem excited. Once again, Baal orders Hilda. Collection of body fluids containing aphrodisiacs secreted by the specimen during sexual intercourse.

Hilda had ejaculated inside her vagina, and her lower body was covered in cloudy liquid and brown filth...
Her anal plug fell out due to the intense sex, and the laxatives injected during her restraint made her ass
heat up, and the foul smell was forcefully expelled from her ass...
Ulfiora calls her self-defecation a SCAT mission and dyes her toilet bowl named Hilda brown...
