Since you don't want to, let's forget it.

If you're unwilling

I won't force you.

Sato, Miura, you'll be given her share of the drug.

However, let me say, they also asked me for the drug.

Hurry up now!

First I'll plug ah...

Let me see, I'll first choose someone who's been good.

The three of you, line up over there.

I'll plug each of you in turn.

Thank you very much.

いん...

You say Dr. Nakagawa and patients were doing such an outrageous thing, it sounds farfetched.

But I saw it with my own eyes!

Ok, ok, slow down, first drink some tea and calm your nerves.

Dr. Nakagawa,  
what in the world  
do you think  
you're doing?

Hmm.  
You finally  
woke up.

In the beginning, I also rejected Dr. Nakagawa's guidance

But...

Hasegawa sempai!?

It wasn't always like this.

But this drug has a particularly powerful effect on the body, and it also produces a powerful dependency in females.

You're crazy!  
You've gone too far!

Don't worry

When you experience the power of this drug.

You'll soon understand her

Sempai!

When I was coated with the drug, I finally understood Dr. Nakagawa's greatness.

In a moment  
you'll also  
awaken.

Please,  
just let me go!

Let me  
loose!  
Stay  
Away!

Looks like you  
already can't live  
without my cock,
