

Aah, I can't wait until after school!!

I was lining up at the convenience store this morning waiting for this to arrive!!

Uwo~! She's so cute~!

But I have no idea what she's thinking.

What? Kuroiwa-san is pretty,

So Ikura-kun, you like that kind of manga.

Horusu-tan

She saw me earlier!!

Ugh,

I guess I'll stop reading manga for nerds at school from now on.

K-Kuroiwa-san!

Uwuu
ooo!

I've come
undone~

It's so
different
from at
school! I
don't have
to hide what
I like here.

Oh!
Horusu-
tan!!

Comp-
ared to
them, I...

Mm, every-
one's outfit
is really
well-made.

ah

Kuroiwa-san?

It must be nice to be good-looking.

!?

Oooh!! Someone's doing a Horusu-tan cosplay!!

And her body is just as good as the one in the manga!!!

Hey Ikeura-kun, come here for a bit!

Eh?

Even her face is cute!

...wait
...huh?

What the heck, I thought you were disgusted with me.

The truth is, I wanted to talk about it together with you.

The other day, you... were reading, right Ikeura-kun.

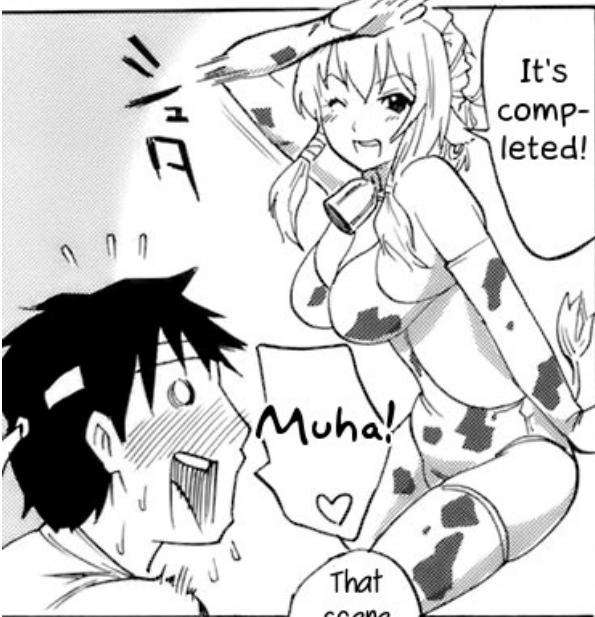

So that's how it was.

Then, from page 132 of the new book...

Really?

It's completed!

Muha!

That scene was great, huh!

Yeah!

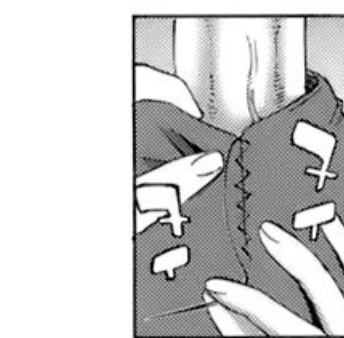

I love Horusutan too!!

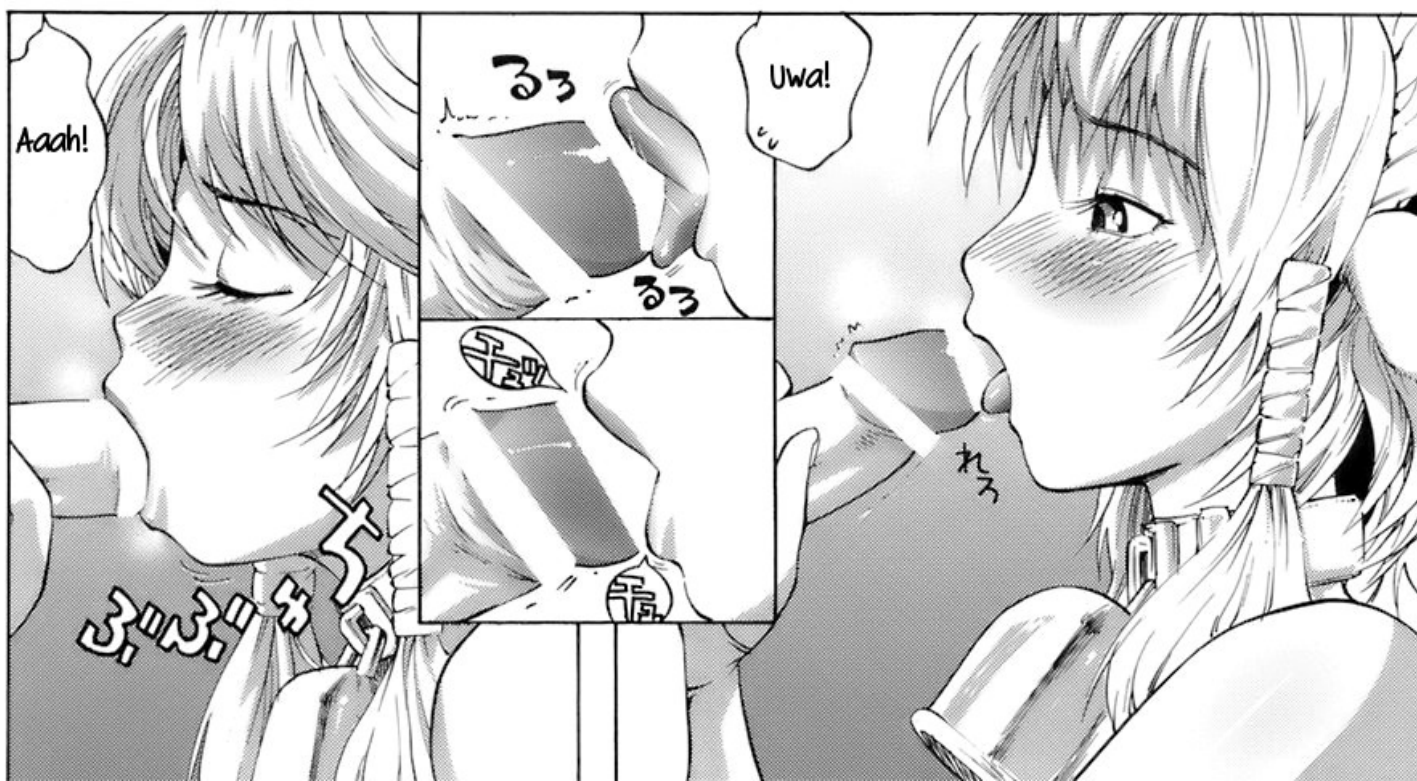

No, it suits you!

Ah, I'm sorry. I got carried away.

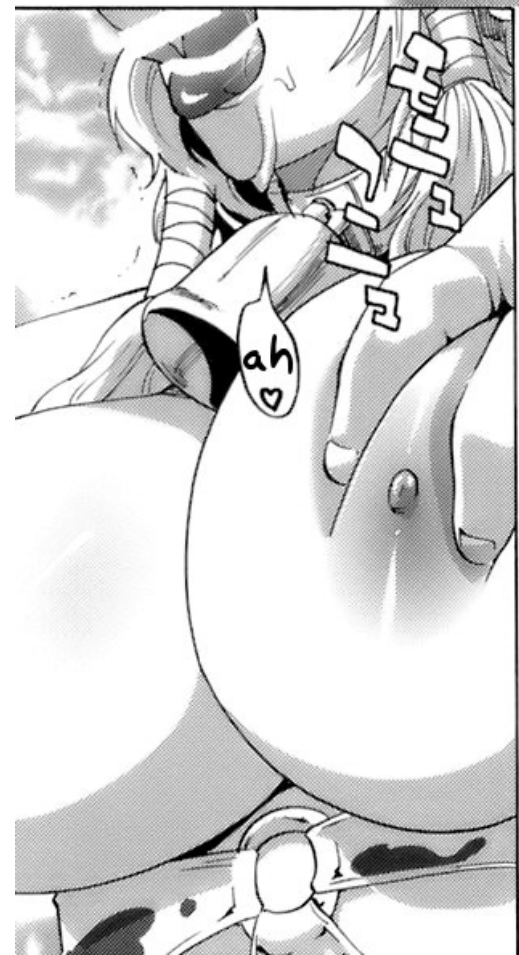

I could have hidden it with a paper bag or used so many other methods!

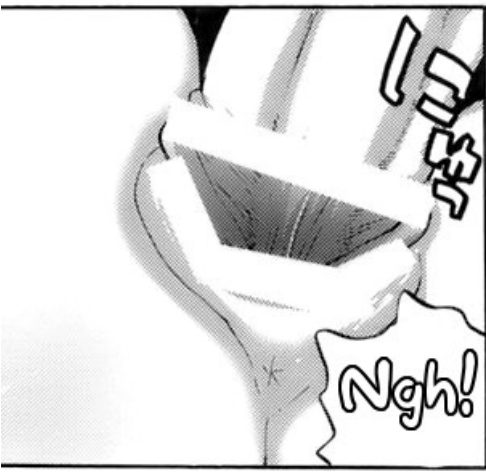

What the hell!? Did Kuroiwa-san lose her mind?

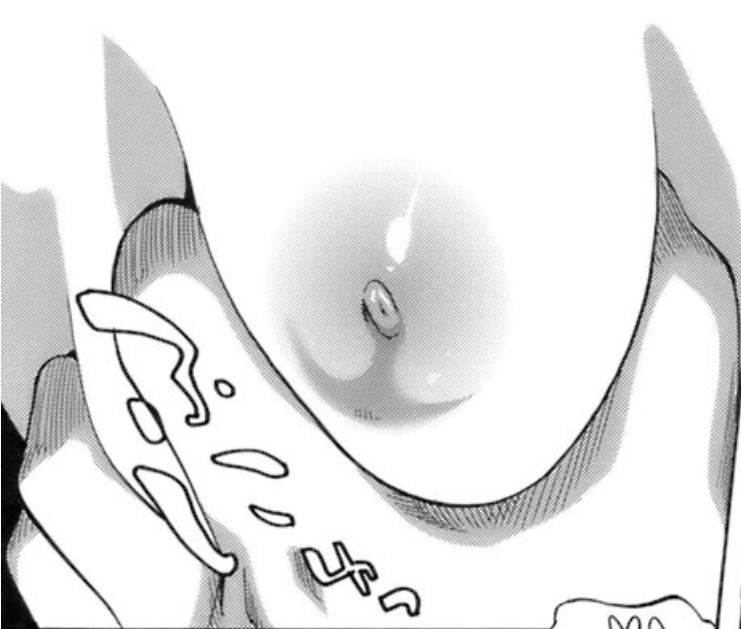

But I don't want her to stop, so I can't say anything!!

Ah! Don't!
You're
licking me!
Ah! Auh!

I'm
gonna
cry out!

Oh,
Ah!
No
way!
Uh!

You said
to go
ahead,
right.

You're
cute,
Kuroiwa-
san!

Hah!

Ah!

Ahn,

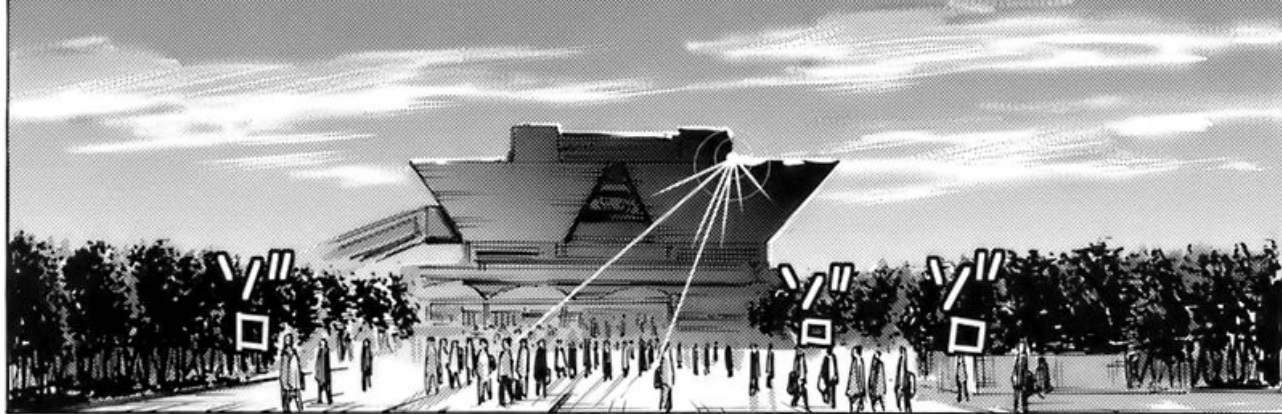

You
came
a lot
again.

It's
warm~

Is cumming
inside okay?
A-amazing!
I'm being
wrung dry!

Aahn!

ah!

Yeah...
and after
the event,
we could...
while still
wearing
them—

I'll do it!!
That sounds
good, let's
definitely
do this!

Eeh? I'm
not that
good-
looking.

Oh yeah~
keura-kun,
next time will
you do this
together
with me?

..Hm? But, are
you going to
wear that
girl's costume,
Kuroiwa-san?

Even though
we came
here alone,
we're going
home as a
couple.

Yep!

That's
because
you're a
busty closet
pervert,
Kuroiwa-san.

Oh Ikeura-
kun, you're
a delusional
horndog.

END
