← Freddy M. is the youngest member of his household. His hobbies include gundam models, karate, and cooking sushi.

Yukinojo, or Yuki as he likes to be called, is twelve, born on the same day as Freddy, and his only friend. Yuki likes hotdogs and pork buns.

How could you even say such a horrible thing?

Freddy! Don't you know there are more important things in life than video games.

Freddy is walking home after a long day of studying at cram school.

He hears the sound of petite feet following behind him.

Yuki? What is it? Don't you it's time for video games?

As usual, Yuki is behind him fagging up the entire street.

I'll leave it to you Fred. The ps3 is in the basement. I'll be in my room.

Wouldn't you rather play something more sensual?

Ha!

Luckily for him he started his day with a balanced breakfast

Freddy foresees something terrible in his future. As young as he is, even he knows ps3 has no games

Ha!
fufufu.

You've
fallen
into
my trap
silly boy.

Now you will
know the power
of a 80 pound
asian boy
!

What kind of
game is this?

There aren't even
any buttons

...

eh
?

Don't act
so special
!

Can you smell
them?

My cheesy
ping pong balls

?

What
you
can't
?

I bet your
nuts are
all kinds
of smelly

!!

Oh my.
They're so
smelly and
soft. Like tiny
Jennifer
Heplers.

スリ

There's nothing
as dishonorable
as a casual

!

sniff

Don't
smell
my testicles
so casually!

!

Now stop being a
sour susan and
ravage my dangling
cum quats.

Oh Freddy.
Don't try so
hard.

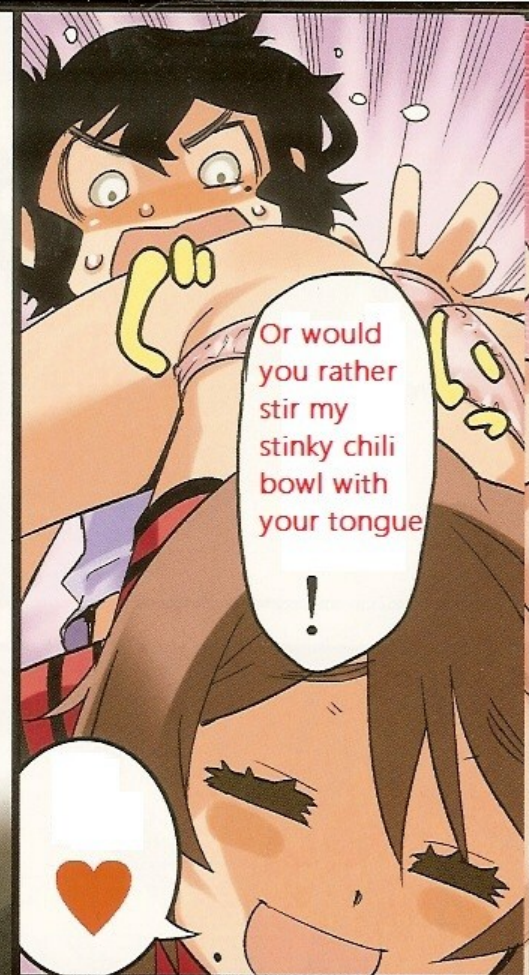

...

These balls...
They're so
warm.

They're like
little new bord
babies full of
semen.

里のつ
み

Or would
you rather
stir my
stinky chili
bowl with
your tongue
!

It's more wonderful
than I could ever
imagine. Like a
thousand pillows
made of hot sticky
semen pressed
against my face.

Sniff Sniff
...

Well, as Shigeru
Miyamoto said
when he met
Reggie. It's only
fair that I get to
play with your
testicles.

Eh...
Do you like
them?
My smelly pearls

Don't be a
silly billy Freddy.

It's only gay if
my balls touch
your balls.

Stop that this
instant!
This is very
close to being
gay
!

Eh
Really
!?

Is
totally
straight.

how
ever

This
...

Oh ho ho.
Have you
forgotten?
How much I
hate filthy
faggots

Are you
certain

Is this
really
not gay
!?

Yes, you
are right
Yuki!

Nothing
about this
could possibly
be gay

What could
possibly be
gay about two
bros broing it
up?
It's the way
god intended
things

God would never
allow such a
wonderful thing
to be a sin

And besides

...

Why would
you want to
consume my
testicles. They
are not food

Yuki why

!?

They're
like
stinky
little
grapes

I must
eat them

Freddy felt like he was in a dream.

A dream about sucking penises.

"Is this the real life" he wondered.

"Or is this just fantasy?"

He wasn't certain he was awake.

As the taste of mottled foreskin collected on his pallette he devised a plan to test whether he was actually asleep.

Get back to work.

So you CAN smell it can't you.

Well, I can't help that it was taco tuesday at school

Oh yes!

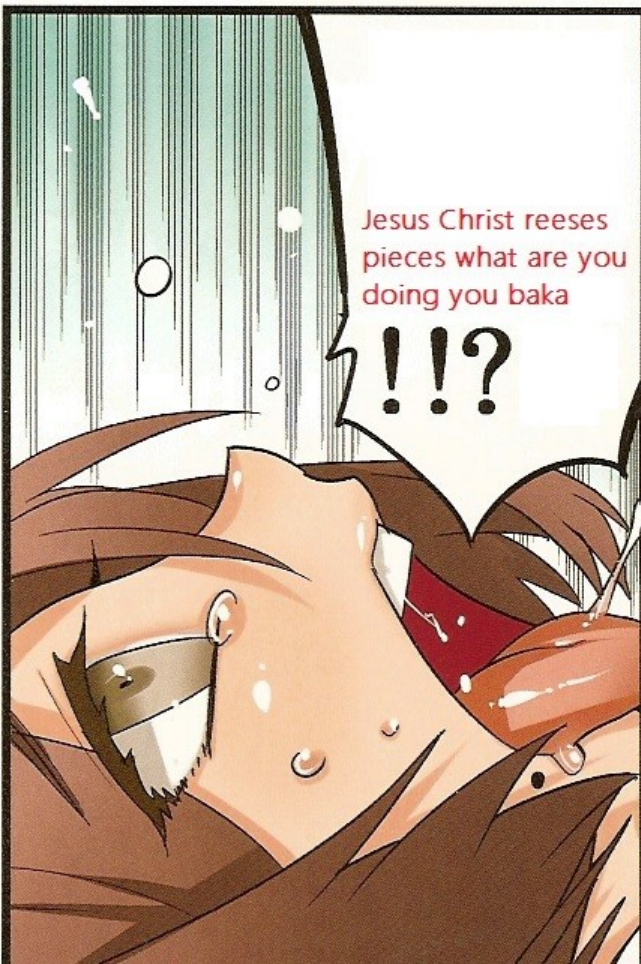

Oh my! Lick my tenacious taint

Jesus Christ reeses pieces what are you doing you baka

!!!?

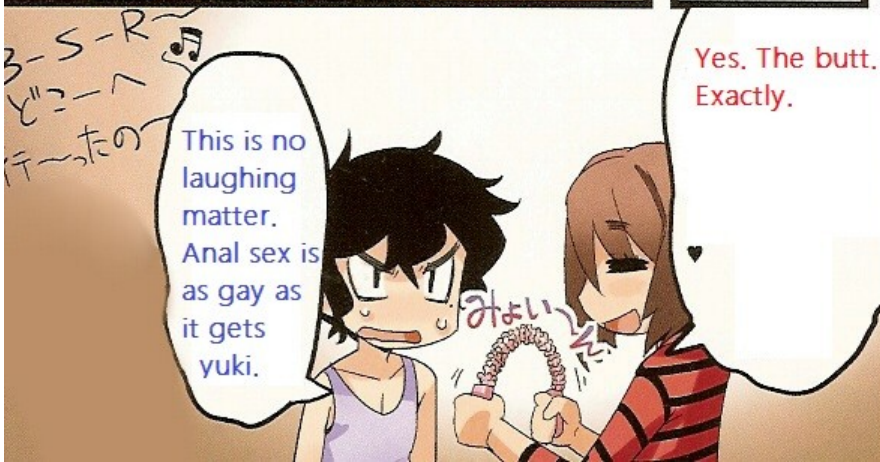

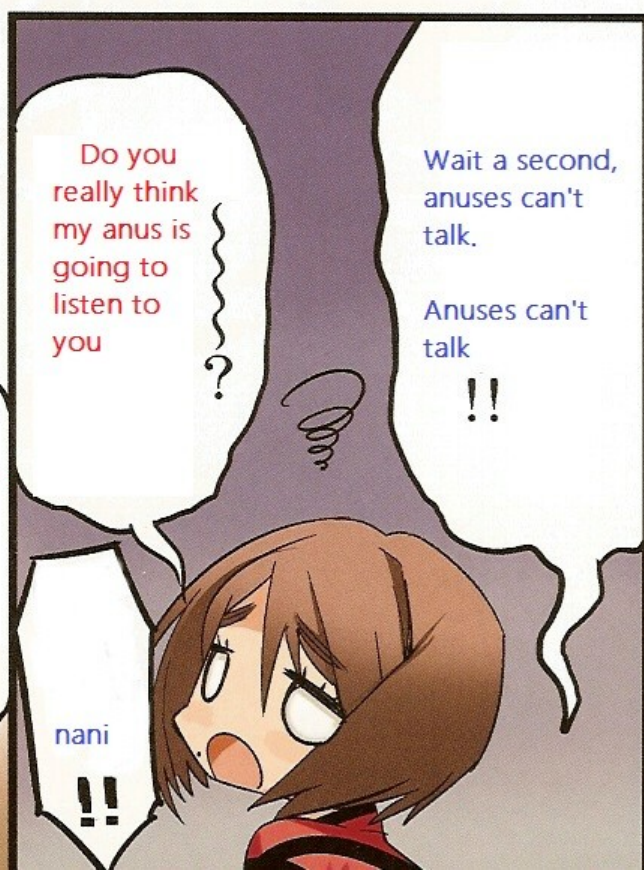

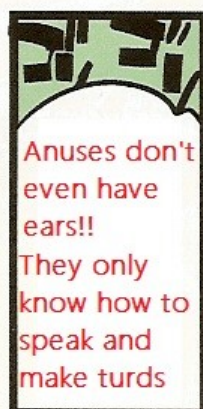

He pinched Yuki with his teeth

!!!

Tee hee.

It's honey
for my
honey
bunny's
sticky buns

Wow, that was
fast. You'd think
I'd be able to
prevent this
!!

What's that
yellow
stuff

Too bad

And we'll
play with
each others
poo

...

Oh
d...d...
dear!
That
pun was
terrible

Yes

...

I will be your
little piglet.

oh dear
dancing
tony
danza
!

This is the
greatest thing
ever!

It's even better
than catsup
flavored chips
!!

Oh Freddy,
it's even
better than
modern
warfare !!

butts with
a filthy

my shit into
a frothy paste
of love! I want
to spread it on
your ass like
butter on toast
