Subaru ■ 16 years old ■ Favorite food: apples ■ Least favorite food: Meat

abgrund means abyss.

Wer mit Ungeheuern kämpft, mag zusehn,
dass er nicht dabei zum Ungeheuer wird.
Und wenn du lange in einen Abgrund blickst,
blickst der Abgrund auch in dich hinein.

Battle not with monsters, lest ye become a monster, and if you
gaze into the abyss, the abyss gazes also into you.

I personally think this is the best book I've done.
I really grew to like Subaru when I was drawing him, so I'm hoping
I can forget about all this someday and draw him again.

If you think Subaru is cute even just a little bit,
I will feel very accomplished!

The ongoing harassment has ruined my health, so this'll be my last
complete trap doujin. Thank you very much everyone who
supported me all this time.
