## Walpurgisnacht

...Okay--  
but can you  
repeat the  
terms one  
more time  
so I know  
this is for  
real?

I can only  
grant your  
wish after  
you have  
sealed the  
contract.

Of course,  
a devil  
never lies!

We've  
got to  
seal  
it with  
a kiss

Huh!?

Alright,  
well  
how do I  
seal the  
contract?

So close  
to sealing  
my first  
contract

I'll grant any  
wish you want  
and in return  
I get half your  
soul so I can  
live for another  
100 years...  
Sounds like  
a good deal,  
right?

It's one of the rules of the ritual...

Haven't you heard of it? It's in all kinds of movies and stuff...

Yes  
sir...

I am looking  
forward to  
our wonderful  
future

The sun is setting now.

My goal for 2007 is to "create a book" with a lot of new content initially it was supposed to be published sooner, but I've had a hell of a busy schedule.

I want to thank Ike-san, Tenzen-san and Watarabe-san for helping me create this magazine to offset the time between releases; so remember to keep an eye out for this new project.

Thank you to everyone reading
