If you're
done with
your
warmups,
assemble
!

I've got
something
to tell you
before
practice.

Okay!

As usual,
I've
prepared
drinks for
each of you
to go with
your
individual
conditioning.

It's pretty
hot today, so
please be
extra careful
to hydrate
frequently.

Got
it!

I do!

That's all from your manager.

Anyone else have something to say?

Murai Sempai ...

This again ...

I forgot to wash my uniform from last week. Can I ask you to put it through the laundry?

I thought I
might try to
lose
something
before
practice.

Let me
just
take
care of
that
for you!

okay
!!

You're
really
shaking.

Seems like
you've save
up quite a
load,
sempai.

I've been half hard this whole time. It's been hell having it stuck in my pants. The whole thing is just a pain.

Heheheh, it's because I've been so tired from practice that I haven't gotten off in like four days.

and taking care of our team's needs during practice is my job.

Sure thing!

If this ever happens again, please do tell me.

I am the manager after all.

*T/N Note: Wonder if they have classes in Japan on how to speak with your mouth full of cock.

into me!

This is what a
manager is!

Alright.

I'll plow
you until
my balls
are totally
empty!

Yeah!

You couldn't have become our manager just so you could get some butt action with the team members did you?

This sluttiness is what makes you the best manager there is, Shiraishi.

Aah! That feels so good !!

I love soccer, that's why I became a manager...

ah

ah

You've never hesitated to blow us or take care of our hard ons, so can you really say that?

That good

While I go practice, you should clean up the floor.

Actually, better hold off on the cleaning.

Looks like there's gonna be a bigger mess.
