-Naughty Recorder-

He told me that if I use this... I'd become clever, fortunate and beautiful... but I wonder if that's true?

This is... the recorder I borrowed from Sensei...

"Put your feet on the floor, shoulder width apart... keep your back straight... close your eyes and... touch it gently with... your tongue..."

If I listen to the instrument... then... like this...?

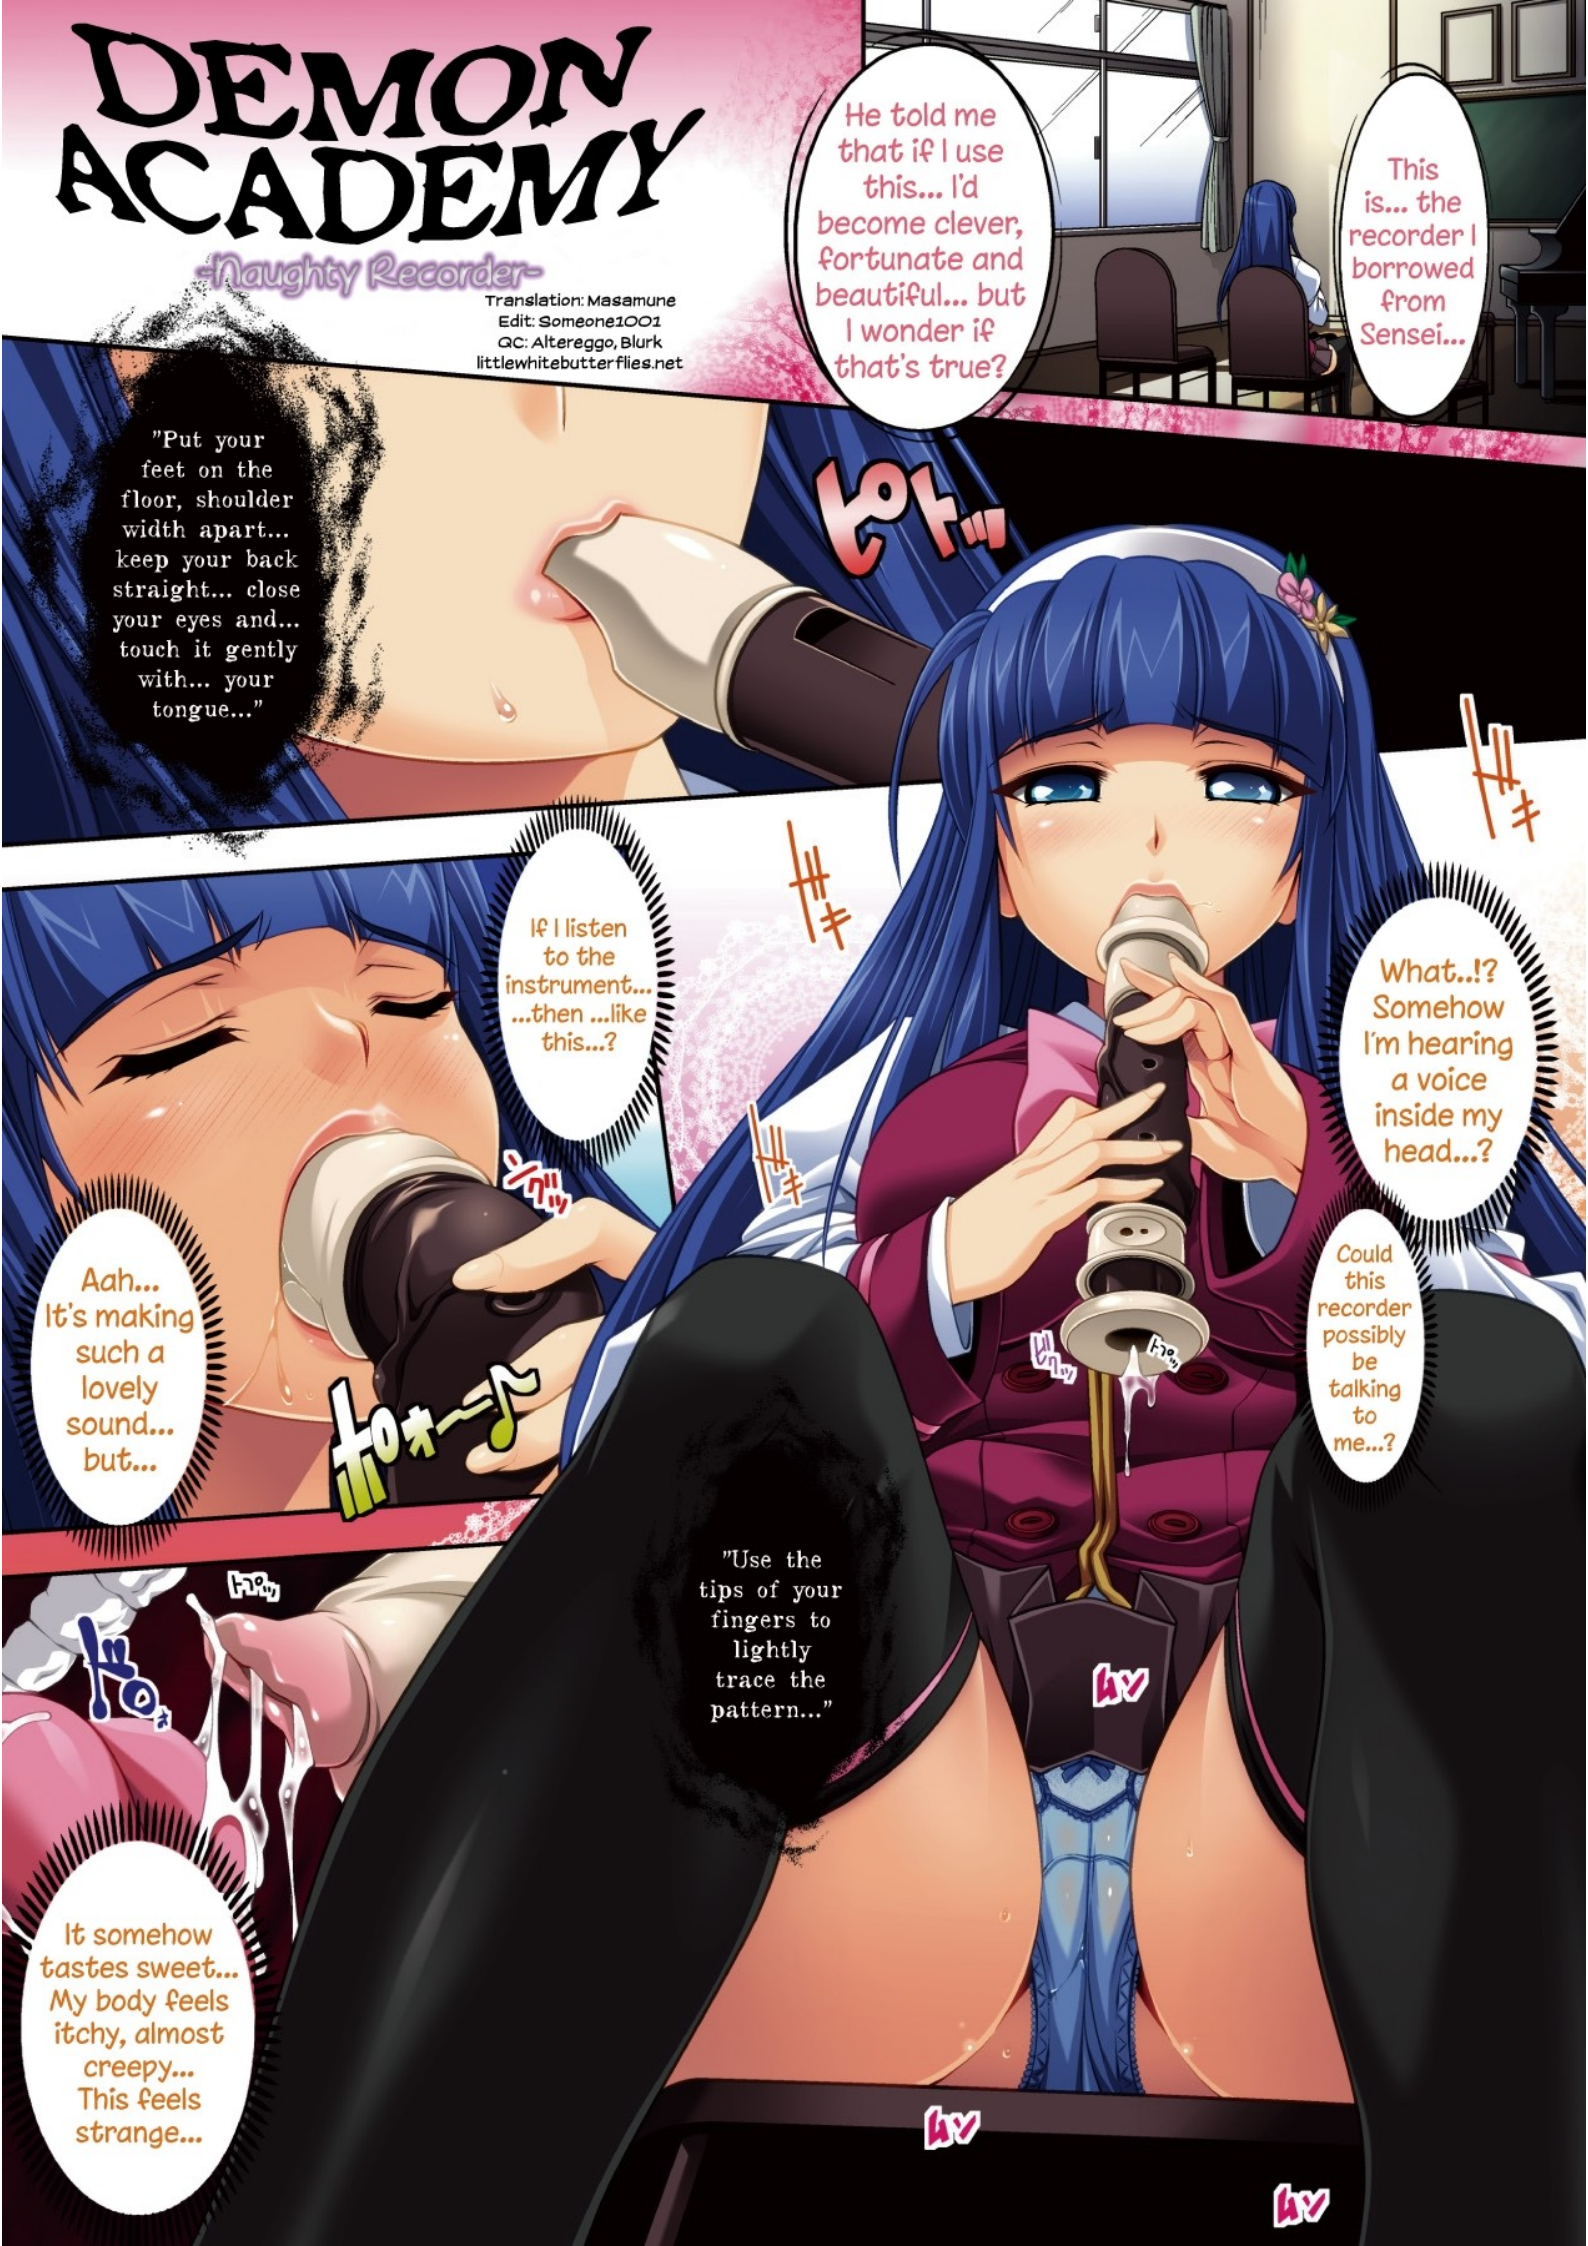

Aah... It's making such a lovely sound... but...

What..!?! Somehow I'm hearing a voice inside my head...?

Could this recorder possibly be talking to me...?

"Use the tips of your fingers to lightly trace the pattern..."

It somehow tastes sweet... My body feels itchy, almost creepy... This feels strange...

It has a special fondness for pretty little girls like you...

Fufufu... Now... It's time for your "performance"... Let's dim the lights...

Ah... Sensei! Thank you so very much! It's all thanks to this recorder!!

You're making some beautiful music, aren't you, Sudou-kun?

In there dwells the spirit of all the perverted thoughts that accumulate at this academy...

N-NOO!! WHAT IS THIS!?

MY HANDS... WON'T LET GO!?

Huh?

Fufu... I had a feeling that such an obscene thing would be a perfect match for you...

Noo!? Sensei, what is-...!?

Your mouth and your fingers are rather good... aren't they? Then, next we will make THIS part skilled as well... Fufufu...

You're this wet already... You're a nasty little girl...

NYOOO.... NYO... DOWN THERE IS... SO HOTTT...!?! THIS IS... !! STRANGE...!!!

HYAU-  
UUUNM!!  
NYO!  
NYOOO!!

YOUR  
HUGE,  
RUGGED  
THING IS  
GOING  
INSIDE OF  
MEEEE!!!

Come  
on!

Continue your  
performance!!  
I will help  
you keep  
the rhythm!  
Kukuku!!

DEEP...!! IT'S  
STRIKING ME  
SO DEEP!!  
NYOOOHH!!  
SOMETHING!  
SOMETHING'S  
HAPPENING!

AAAA-HHHH!! CUMMING!! CUMMING!! I'M CUMMM INGGG ...!!!

That was an amazing opening performance... From now on I'm going to have you serenade me more and more with that lovely voice of yours...

Fufufu... Fufu... Fuhahaha!!

end

I didn't know how it would turn out when this alien tentacle creature attached itself to me like a parasite, but...

Fufu.. well, maybe... but you see, don't you? I wanted to meet you... I couldn't resist...

Mm~~ This is the best! I'm actually able to manipulate people's senses. I can appear to be anybody...!!

Na-chan... I thought you were staying home from school today...

To think this thing had such power... It's like I can do whatever I've always dreamed!!

Hafumm

Haa...

Ahm...

But... uh... umm... mm... l...

It's fine... My heart is pounding, too...

Isn't getting to do it in a place like this totally wonderful? Ufufu...

I'm not sure we should... do this... here...

Impersonating her close friend, Natsuko-chan, I wanted to train her in lesbian sex... but it seems she's already a total slave to sex, isn't she? ...Kukuku...

Now I get to mess with Yasaka Hitomi-chan, who seriously despises men... And even though she's such a shy girl...

We're going

with a bar  
lesson on  
basics!  
Let's go!

I'm glad

Sure thing! I'm going to stay with you and encourage you as I watch!

It's just...

I-- I'm really sorry...

What happened today? Your moves weren't skillful at all!

Everybody was watching before...

Okay, Hiroswawa! First, how about you try doing the moves on your own?

I... I ended up getting so hot and bothered...

They might have even... heard me making those embarrassing noises...

Yes, Sensei!

Sensei is going to notice this!!
