Ah~~~
 Paradise,
 paradise

On top
 of that I
 witnessed
 THAT
 event!

I wonder
 if our
 eyes met
 that
 time?

Shi-
 ning
 like
 a
 star!

The
 contest
 was
 helluva
 fun!

And
 Shione
 was so
 cute!

Joining the
 expedition
 to see the
 swimsuit
 contest was
 the right
 choice!

I could
 listen
 her
 live
 singing

Damn!
Can't get
out until
it calms
down...

The
view
is
also
great!

Woo!
This one
is really
wider!

Eh?
Candidate

For
TV?

Wha-?
Is that
an
idol?

It's so
revigor-
ating,
isn't
it!?

Do you
know
about
me?

Ah! Yes!
Oh! So
happy
♡

Izumi...
Shione
-chan...
right?

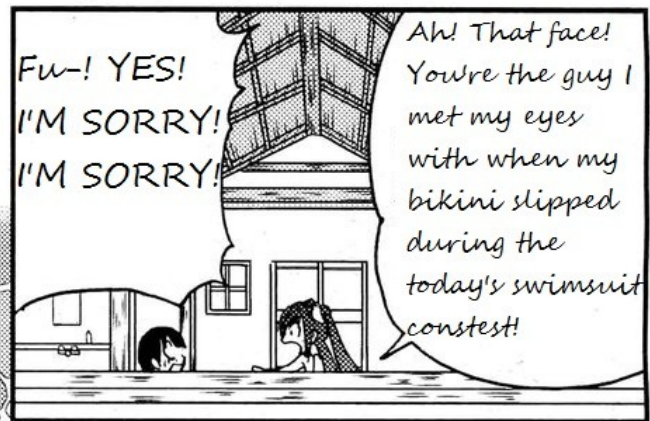

And the location is also bad! The view is not good at all!

We can only see a small part of the sky!

But, but, listen! The girl's open bath is so small!

I know!
Who you
really
came to
support?

Haha!
Lies, lies!
You're
saying
that just
because
you saw
my tits!

I-I'm not
lying! I
really
came
today to
see you!

Don't
lie!

Eeh! But
to say
you went
to the
contest to
see me!

You're
too
daring!

I can't get
out with
a hard
dick
touching
my
belly!

I'm
telling
you! I
really
am YOUR
fan!

ゆあまいあいどる

And I find you really cute!

You really are a incredible girl!

Ah, y-you see! It's true! You're the reason why I came here!

And even when there are things that let me down, seeing your smile brings my motivation back again!

Since I'm into idols, I've seen lots of them but ...and on top of that your smile is cute! you're different! You're really expressive ...

Ha?

Ha?

Thank you very much! I'm really happy for being praised like that!

Hey! Let's chat more!

Sure!

Yaaaay! I'm reaaaally happy!!

Ah ha ha ha!!!

She really loves other idols work and is really excited about them.

Talked about Tokyo Girls Style's performance and yet about other groups

She told she's a member of Crimson's Clover Z fan club And that she prefers the yellow one while I the red one.*

Like, who would be the 10th gen of Shining Tokai Reji and the Rock Up Gals live.

After that we talked about other idols too.

*T.N.: I have no idea what this is about. Maybe a reference to some idol group

What?

...eh? Shion e-chan?

Don't make sudden moves

Sorry for not noticing before

You'll obviously feel dizzy if this is like this
