社長室  
President's Office

Phew  
...

Um,  
"Good afternoon and thank you for your hard work, Mr. President."

"... although you did postpone that meeting today..."

And even though he calls me his "secretary", I'm really only helping him out after school.

This poor excuse for a company president

is Sasanoha Masaru, an older cousin of mine.

Wa--  
wait,  
please!

At least  
let me do  
tomorrow's  
schedule  
first...

I need... my  
"extract  
of boy  
secretary"  
...

Aw, yeah!  
Shinobu,  
you go and  
continue  
with the  
schedule

while I do  
my stuff  
over here~

**EHHH!?**

"then at 3PM depart for... Yokohama..."

"at... noon... lunch at the hotel"

It's always like this.

... !!!

...are you even paying attention?

Oh yeah, you better believe it.

Masaru Nii-ch-- ... er, the president's depending on me.

So I have to properly perform my duties for him as a "secretary" would, but...

Uuuuu, this is beyond mortifying ...

"...den 'dah mee... tinnng..."

But even though I need to speak clearly for stuff like this...

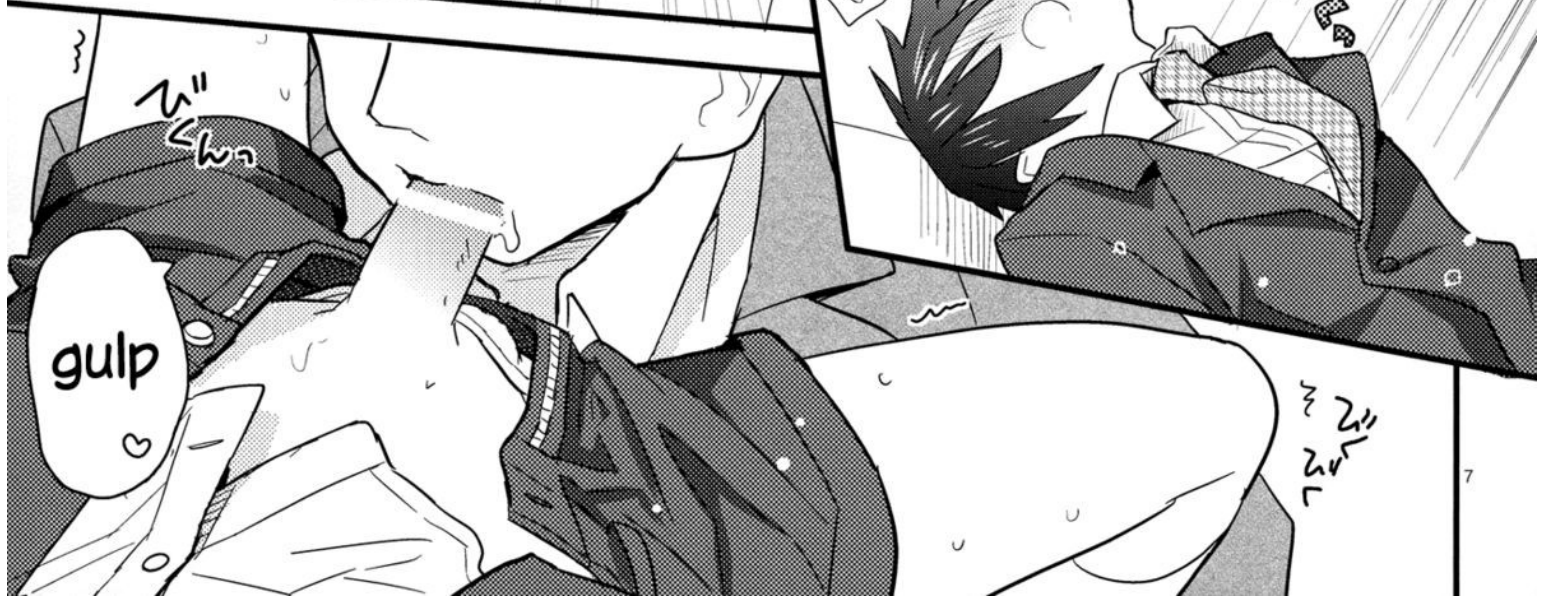

My gums go numb and my pronunciation gets awful like this...

Waaaaaah!

Ah

Ah

gulp

Ha

Ha

Thanks a lot, Shinobu.  
Now I can keep up this whole "president" thing!

Phew...

I've been miraculously revived!

...I know I'm asking the impossible from you, but...

So for starters, way back before this

was a total NEET.

Masaru Nii-chan...

And from a relative I've never even met in the first place...

What did I do to deserve suddenly inheriting a mess like this?

President

...is that his little brother?

His cousin... Shinobu, I think.

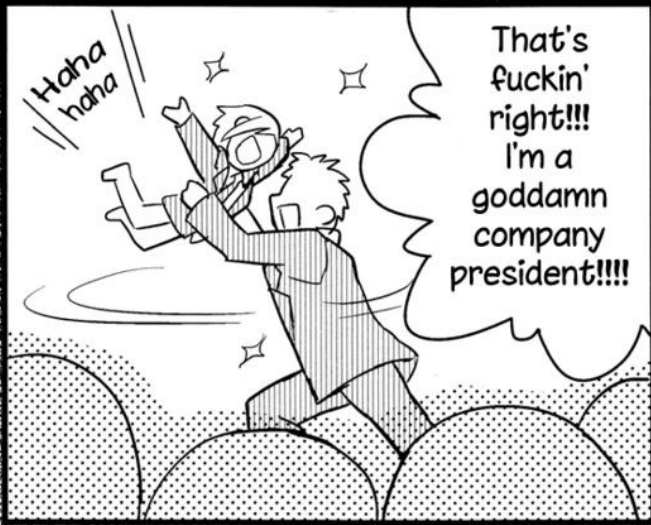

Um, well, I came to play but Auntie told me I had to wear a suit!

Yeh! It's NIFTY cool~~!

Y-- you think so?

Masaru Nii-chan, they told me you became a president, right? That's really nifty, huh?

Haha haha

That's fuckin' right!!! I'm a goddamn company president!!!!

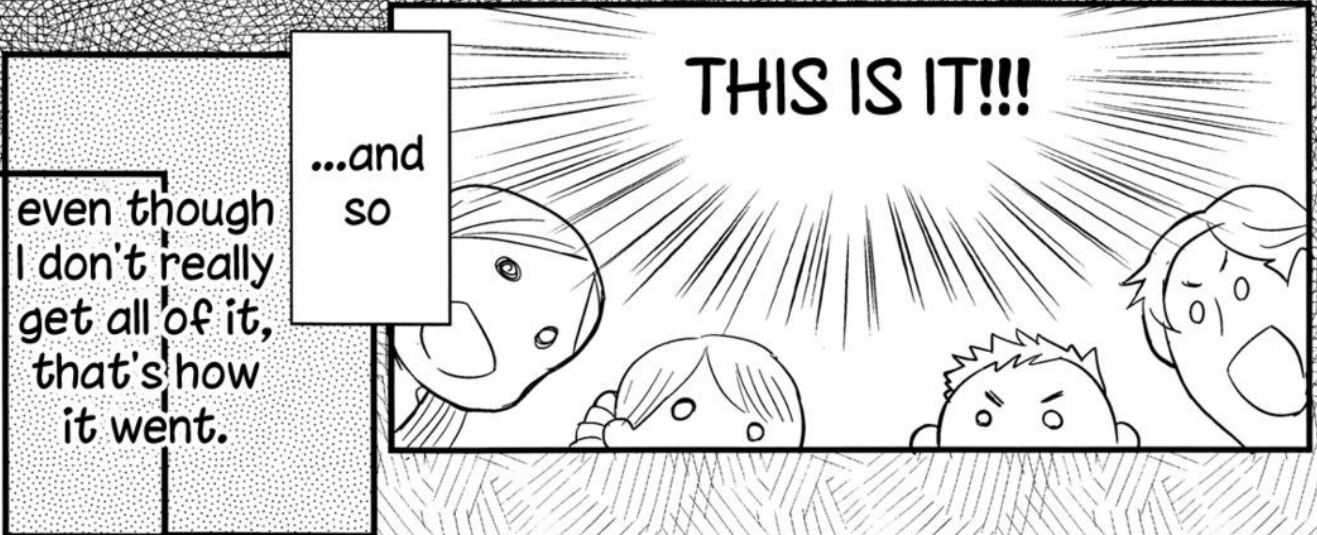

Will you... call me that again?

Sure. Mr. President!

Mr. President!

Mr. President!

THIS IS IT!!!

...and so

even though I don't really get all of it, that's how it went.

There was always something strange about Nii-chan. I knew it ever since he was a NEET.

Aw, yeah! Smash Bros!

All the relatives in our family called on me to do it, for everybody's sake.

so I could help with Nii-chan's "mental care".

After that I became a "token" secretary

But I don't even get paid enough to buy a school lunch from this...

Huh? I'm supposed to read this?

this probably isn't like a real secretary's work at all...

But I think...

I've got one more piece of work I want you to do for me. Ok?

Well...

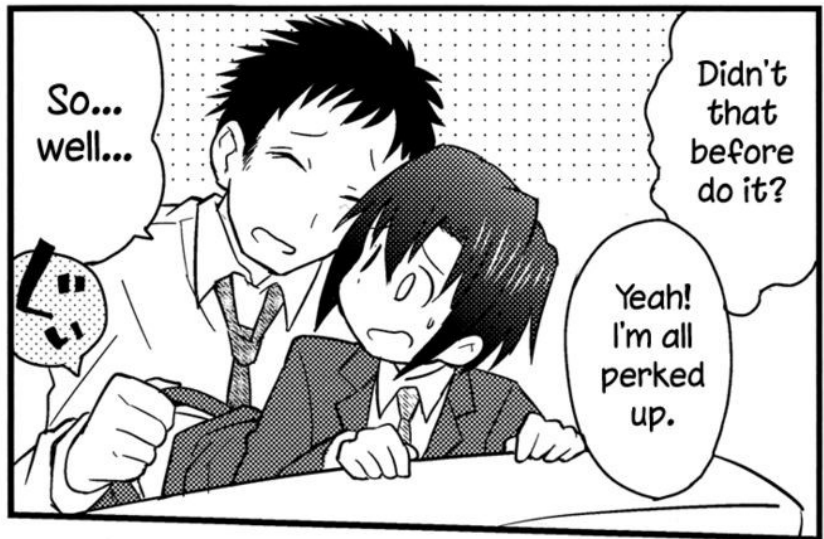

Eh?

SEXUAL HARASSMENT!! I'll SUE!!!!

Good, you remember what you're supposed to say in a case like that.

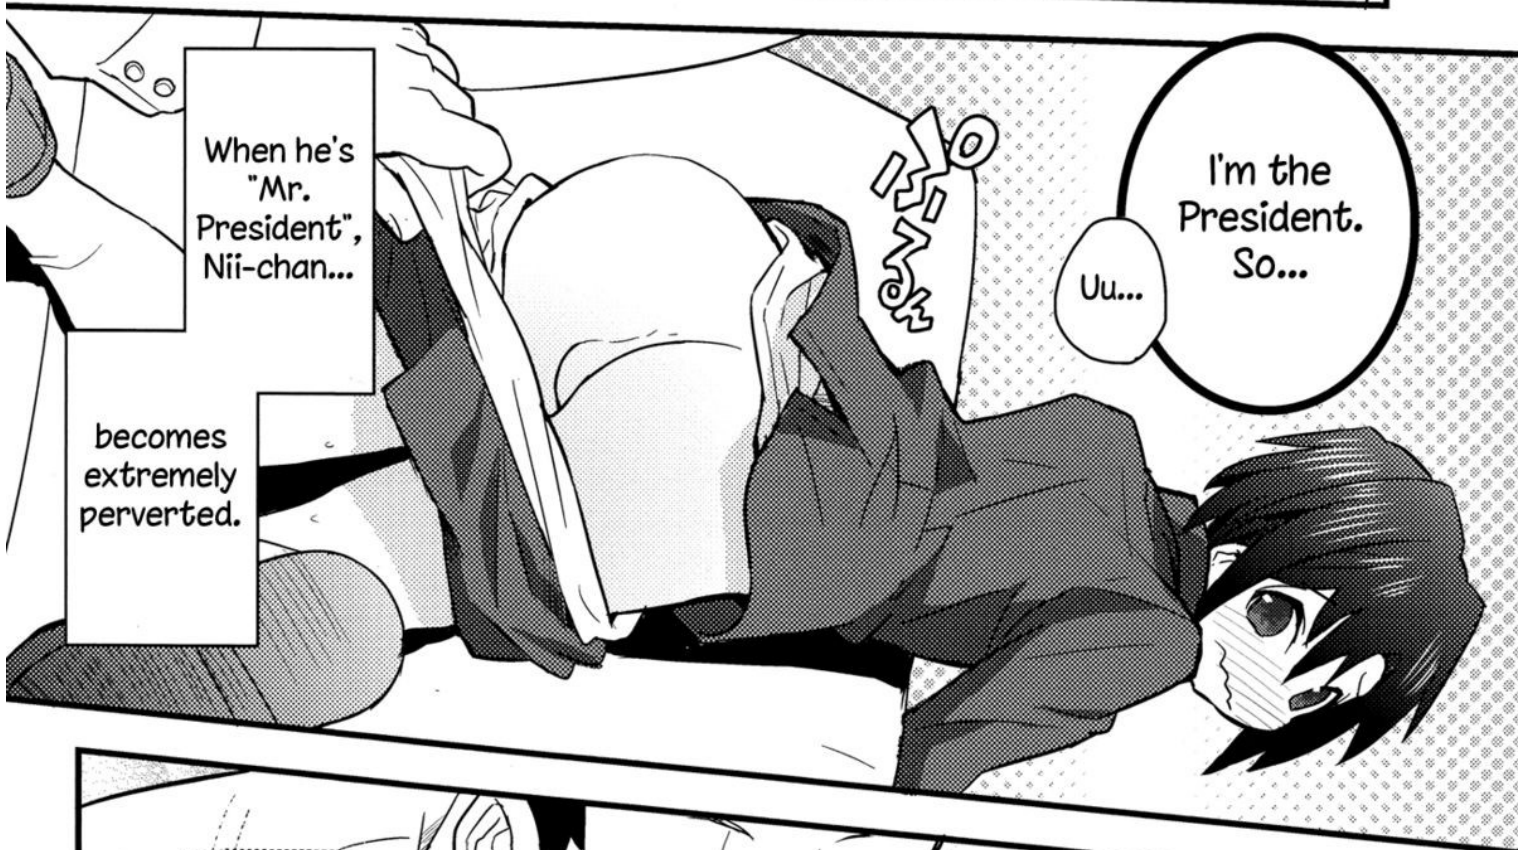

But...

So... well...

Didn't that before do it?

Yeah! I'm all perked up.

When he's "Mr. President", Nii-chan...

becomes extremely perverted.

Ichi Ichi Ichi

Uu...

I'm the President. So...

This kind of stuff definitely isn't real secretary work.

...at least let me please take off my shoes...

No way, Jose.

I'm so  
sorry,  
Momma,  
Poppa...

A  
Secretary?  
I don't  
really get  
it but  
if it'll  
teach you  
about  
society,  
it can't be  
that bad,  
right?

I'm pretty sure this is something I shouldn't do.

Haa

Haa

After all, this is so dirty and lewd...

Mr.  
President

It's what adult lovers are supposed to do.... right?

GRAB

No

Don't,  
Nii-chan...

I'll rear  
in any  
disloyal  
secretaries  
...

Ah

You don't need to be scared.

Just why in the world does Nii--... the president...

But even though it's so wrong...

Hee... Uu

Why is he doing this with me, I wonder?

Haa

Mr. President, your...

Ah

Even though he hasn't stuck it in yet,

I feel so hot.

Why...?

Haa~ Your butt cheek sandwich feels awesome,

Shinobu~

Haa

You've started getting turned on just from hotdogging, huh?

Haa

Tha-- That's not...

Really? And what's this?

!

Dyon'...

Haa

Haa

Wrong!

So wrong..

It feels good when I rub against your sack, huh?

Ah-- ...

But even though it's wrong...

Haa

Ha

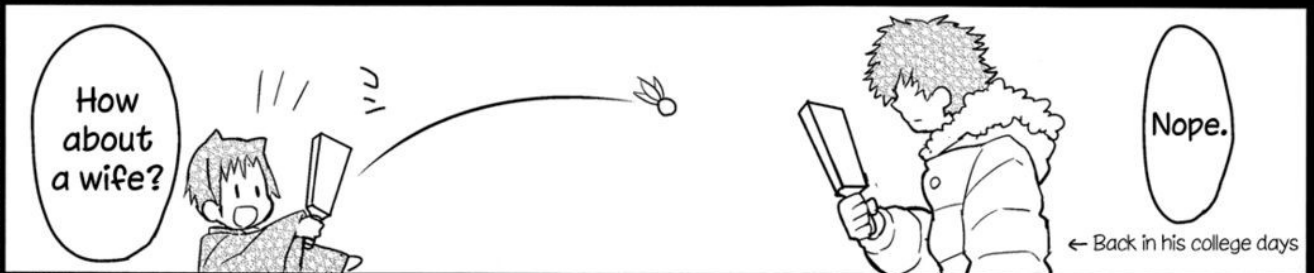

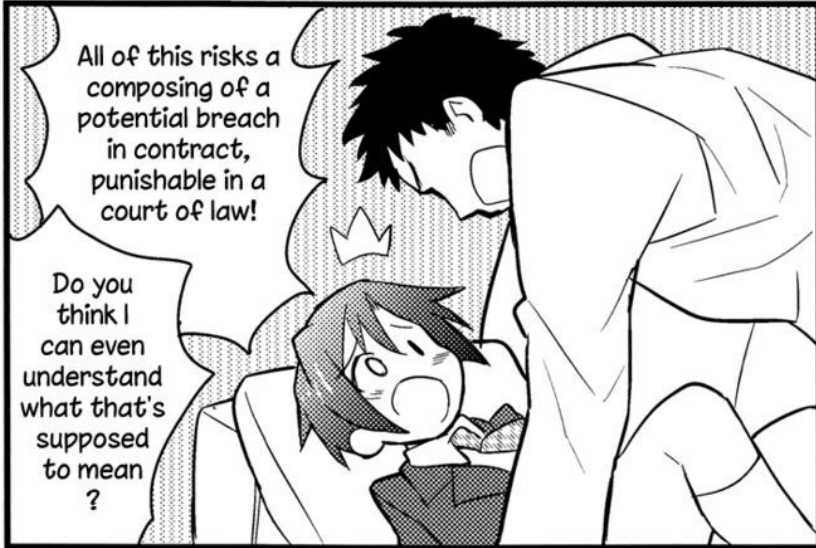

Shinobu  
...

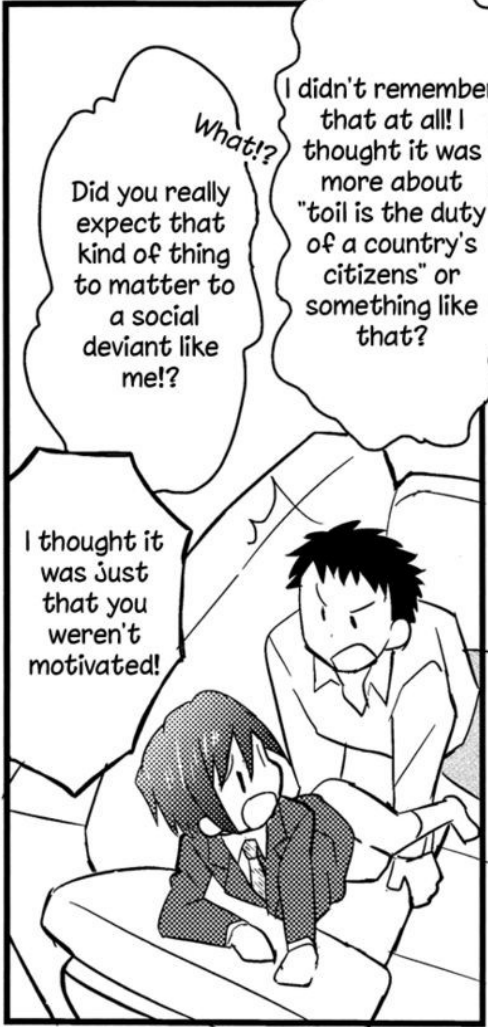

All of this risks a composing of a potential breach in contract, punishable in a court of law!

Do you think I can even understand what that's supposed to mean?

What!?! Did you really expect that kind of thing to matter to a social deviant like me!?

I didn't remember that at all! I thought it was more about "toil is the duty of a country's citizens" or something like that?

I thought it was just that you weren't motivated!

Shinobu !!!

I still have to go to school and all...

But... also, I'm a guy and your cousin on top of that.

None of that matters!

EEEEHHHHH

Just become mine, Shinobu.

Stuff like that is supposed to be taboo, for sure.

Isn't this totally messed up enough already!???

Taboo, but...

... Well, since...

since I'm your secretary...

...but

if it's for Masaru Nii-chan...

then maybe it's OK?

then I have to listen to the company president, no matter what he asks of me.

Shinobu!!!

Oh no!

Why did I go and say a thing like that??

Eh?

.....!!!!

The president's penis

it's going to go inside me.

All of it

Haa

Haa

Ha--!

Ha--!

Haa

Aaahhh !!

SHO

So... deep!

Ah...

Haa

Haa

Good boy, Shinobu.

Noo

Haa

Ah!

Mr... President,

you're going to break me~~

Haa

you--

Haa

Haa  
Noo... Geez...  
Enough already, please...

I love you!

Not like that!

I'm falling...  
Mr. President.

Haa  
I love you, Shinobu!

Having it done to me so roughly like this...

Fudaaaahhh?

I'm in love with you!

If he talks to me like this...

Again, I'm gonna...

Oh no! Gonna--

I'm

Masaru

Nii-chan

...

Ha

I love you  
tooo~

Ha!

Haa

... Me,  
too.

Haa

Aahh

I've done  
it now...

Aahh!

Oh!

No!

Hee

Shinobu...!!!

Ha-  
...

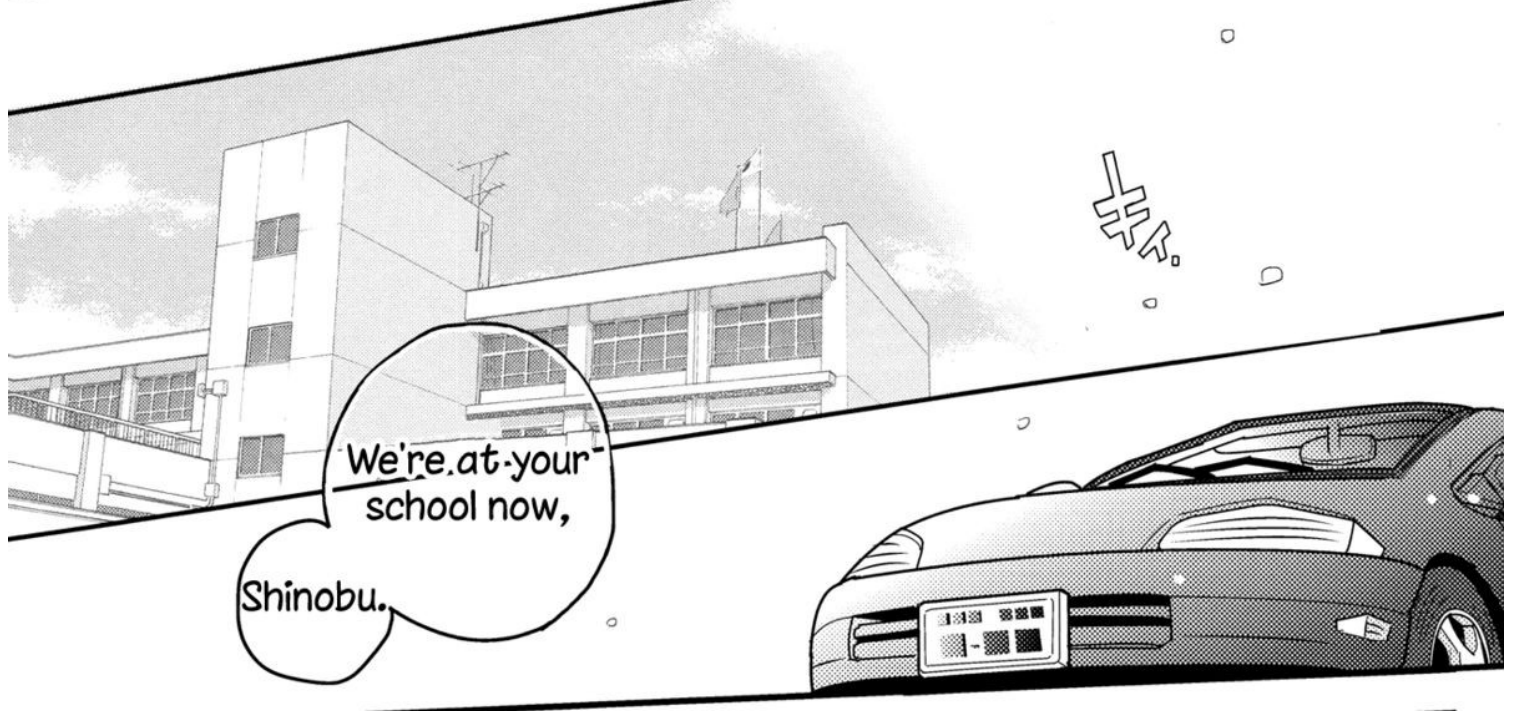

Ha!

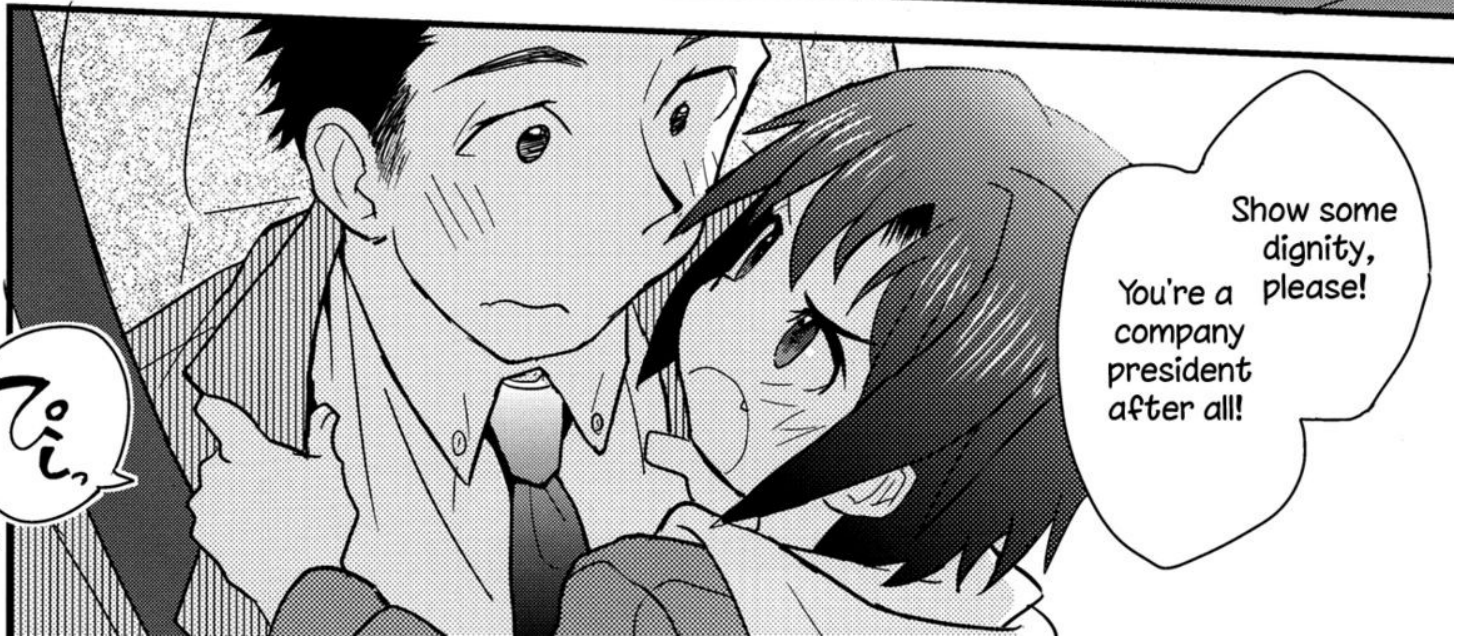

Haa

Sorry...  
but I'm still  
not done  
yet...

It's fine!  
However  
many times  
you need...

After  
all,  
(your secretary...)  
I'm YOURS,  
Mr.  
President

...it's because  
you care about me  
that you decided to  
have me spend so  
much time with you,  
isn't it?

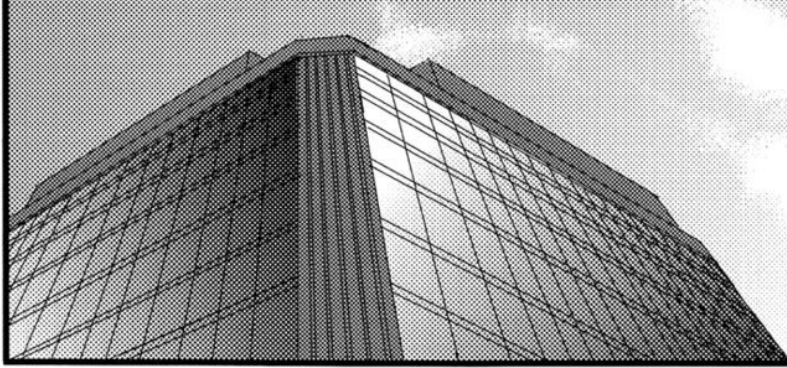

VA!

I'll come back  
over when  
school is out!  
OK?

... aahh,  
Shinobu.

Extra Book - Outfits / Cosplay

Uh...  
umm~~ Ni--  
Nii-sama?

Thank you  
for working  
so hard  
today!

It was  
always my  
dream to  
become the  
president  
of Kaiba  
Corp.!

Yay~~~  
It's you,  
Mokubaaa~~~

I had this idea in mind that short suit pants were required dress code for shotas... or maybe the "shorts" played some part of where "shota" came from...

But now that I'm writing and drawing about it, it seems like a really silly idea...  
If somebody somewhere has enjoyed this, it makes me very happy.

Thank you so very much!
