How did a normal employee like me become like this? Today I'd like to tell you this story...

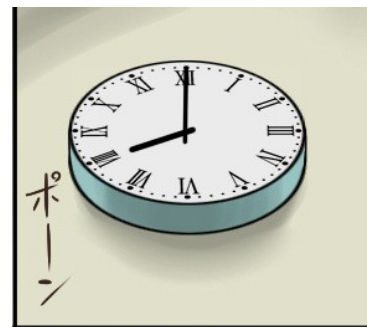

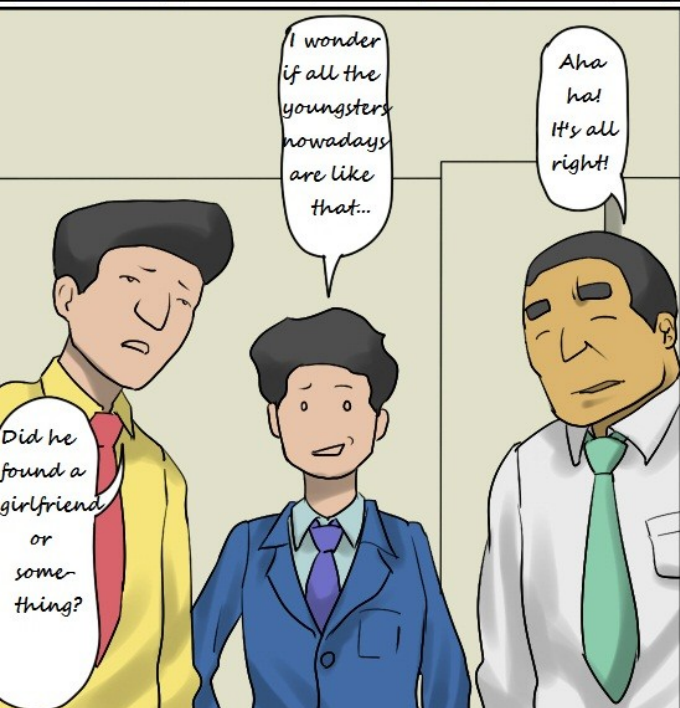

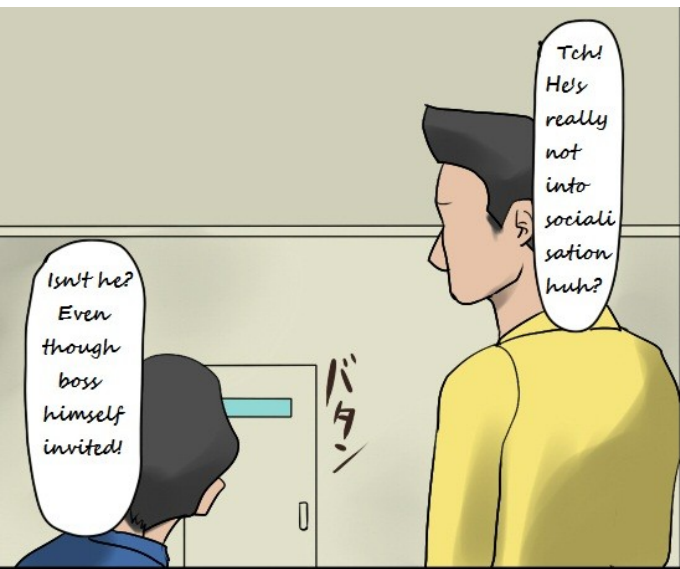

Greetings. My name is Katherine. I work as a shemale prostitute in a club called "Chains and Roses"

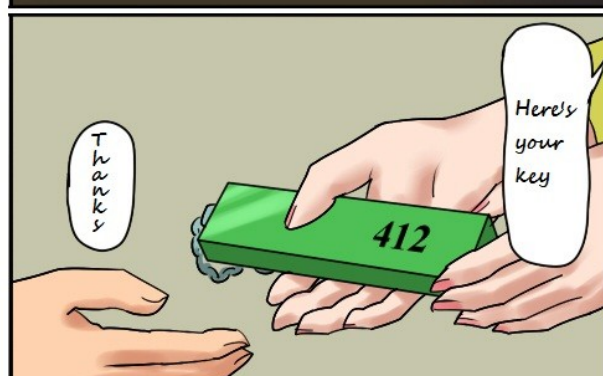

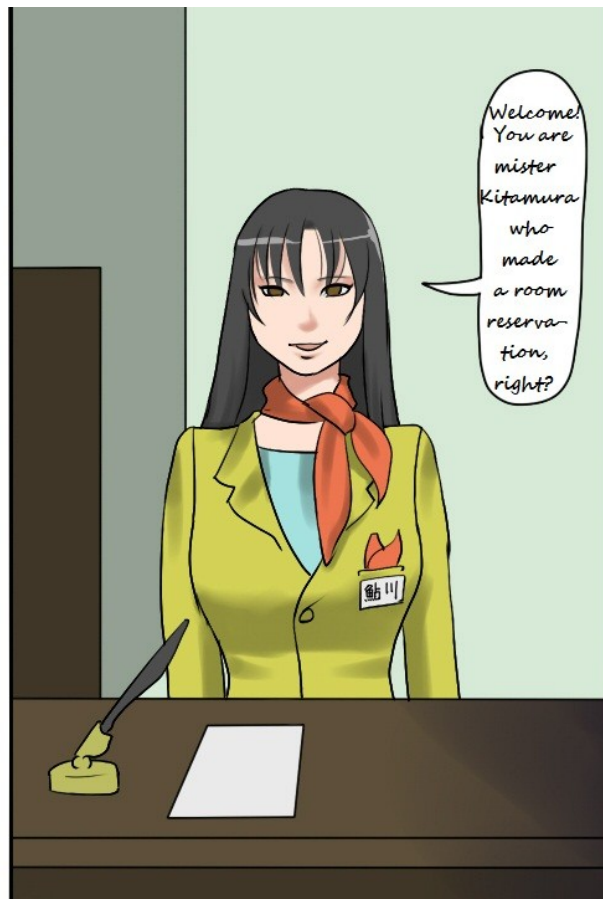

GGNNHH
HHAAAAAA
AAAAAAA
AAAAA!!!

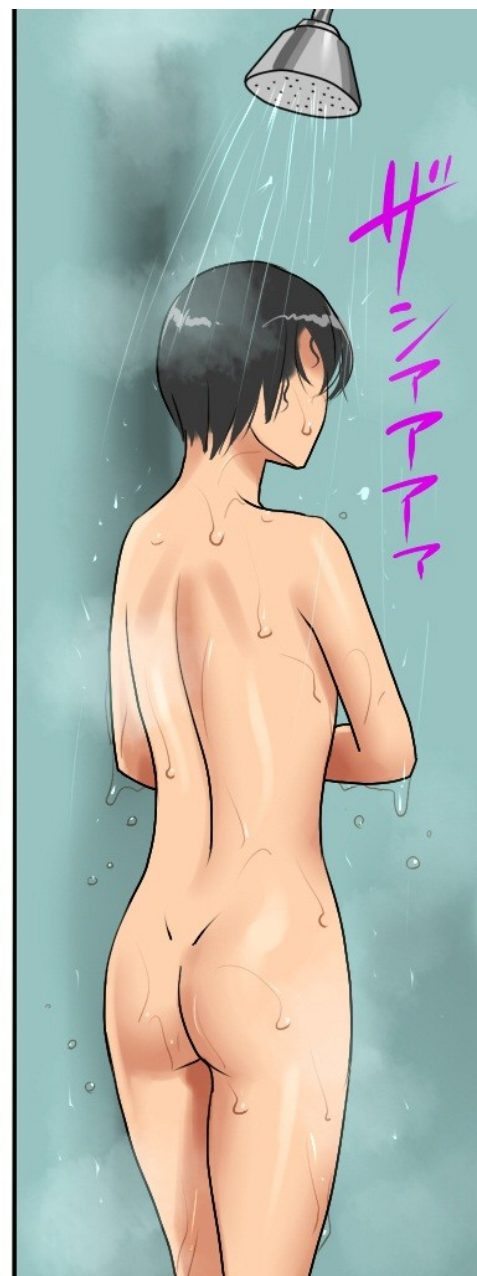

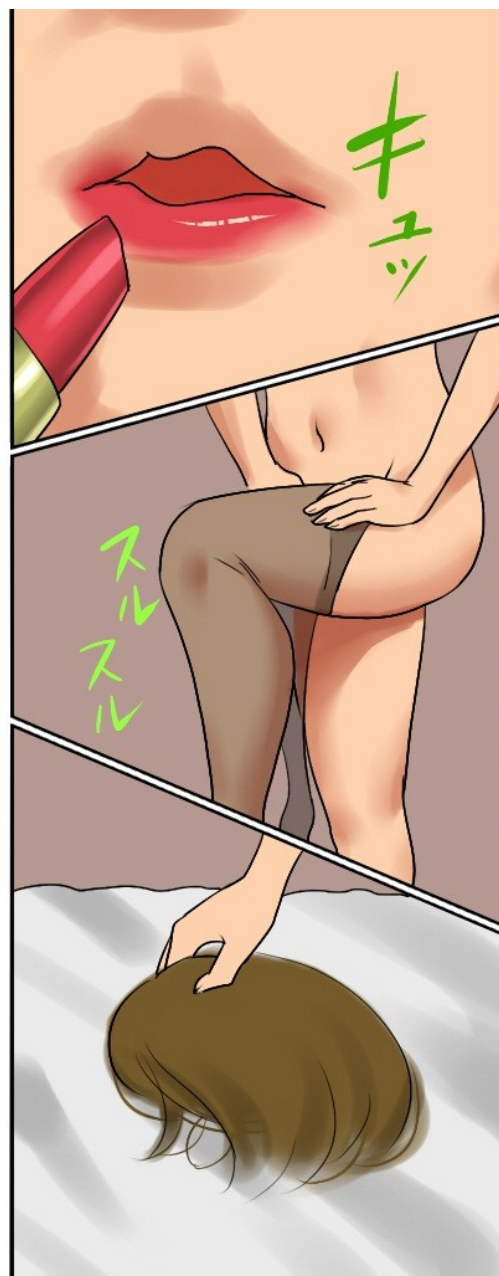

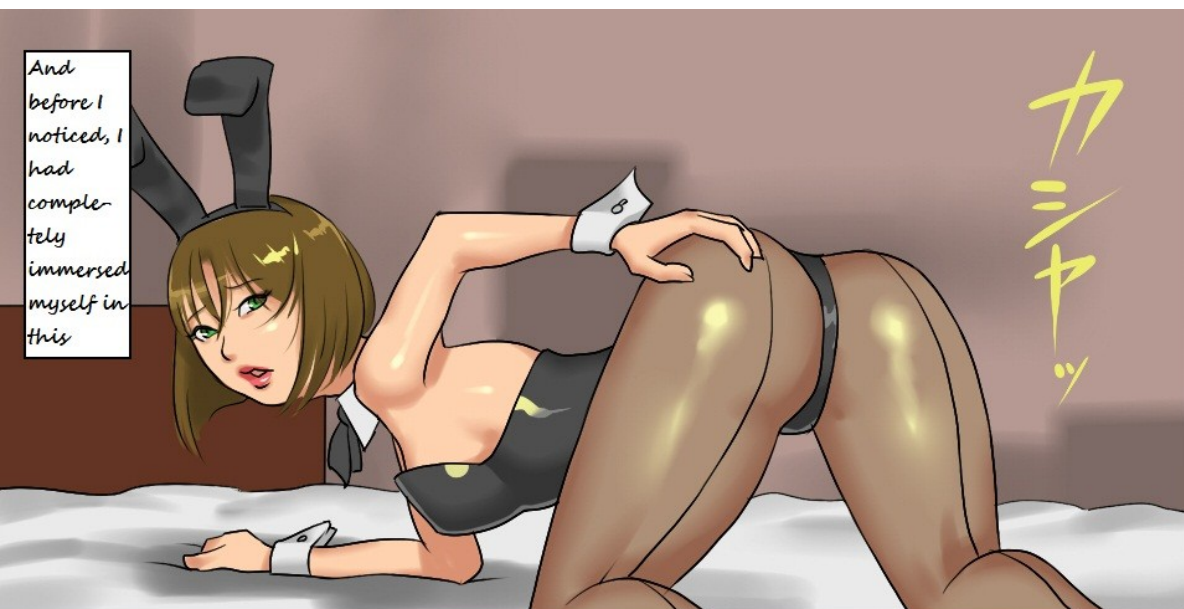

*Is is good? (with a cat language pun)

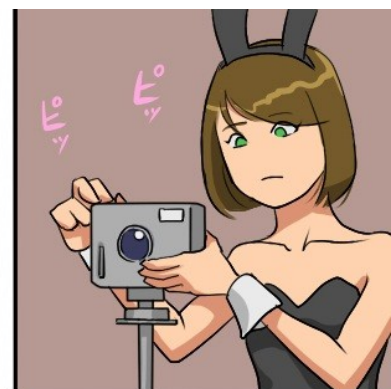

And before I noticed, I had completely immersed myself in this

カシッ

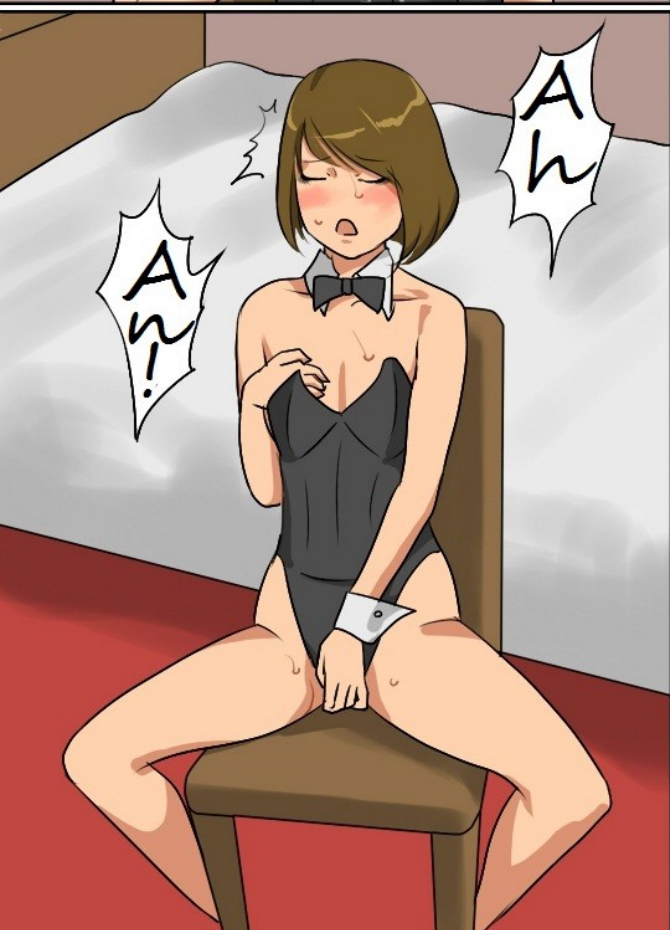

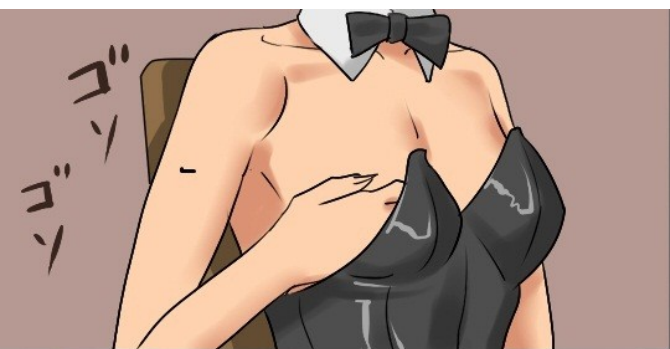

I've been told I look like a girl since I was a kid.

I started secretly using my mom's lip stick...

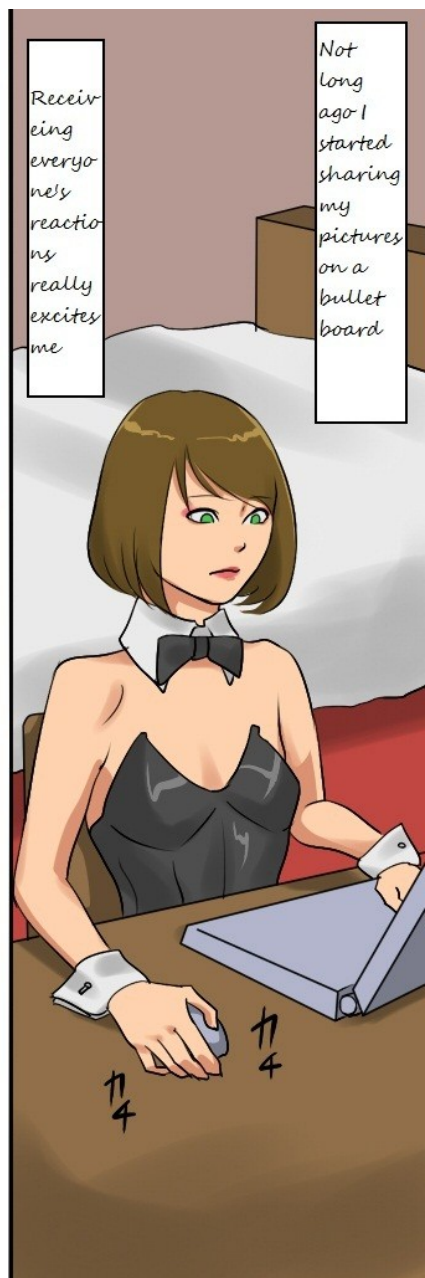

パニッ

It's not that I want to become a girl
I'm fine with crossdressing
The transformation makes me feel good

This is my release mechanism. In about 3h the ice will melt and the key will fall. Meanwhile I won't be able to free myself while a vibe will keep teasing me and making me cum.

As I got more into it, crossdressing become insufficient to satisfy me. Lately I've been into self-bondage.

NO!
Don't
come! If
I'm seem
like
this...!

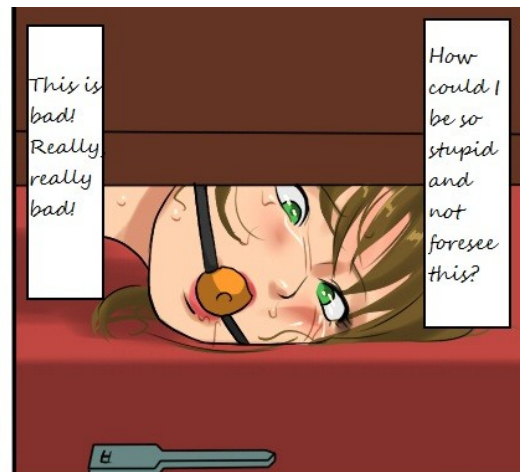

Excuse
me

Are you
awake?
Is there
any
problem?

Excuse
me sir.

It's
already
over
checkout
time

This is
bad!
Really
really
bad!

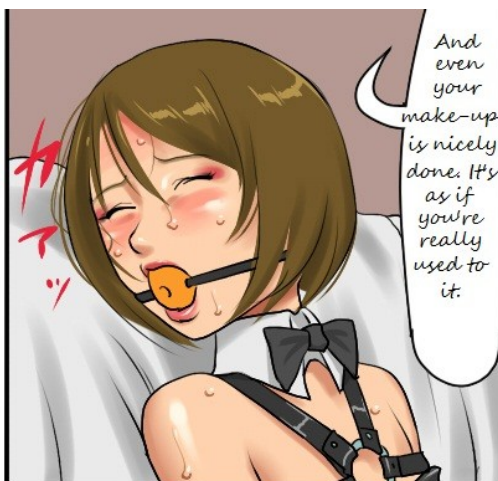

How
could I
be so
stupid
and not
foresee
this?

Ah! N-
no!
Even
though I
don't
want to
cum
...

Oh my!
Look how
soaked is
the sheet!
I'll have
you
compensa-
te it later.

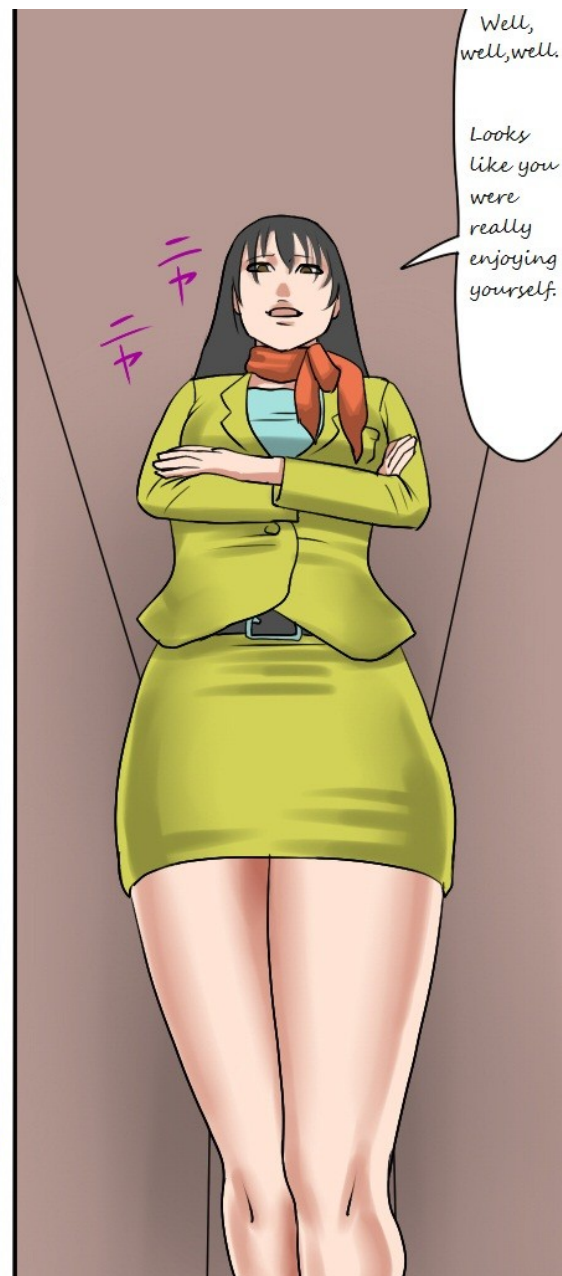

And
even
your
make-up
is nicely
done. It's
as if
you're
really
used to
it.

Oh, I'll
also
increase
your
vibes
power to
the
max.

Well,
I'll take
one
picture
of you
now so
look
this
way!

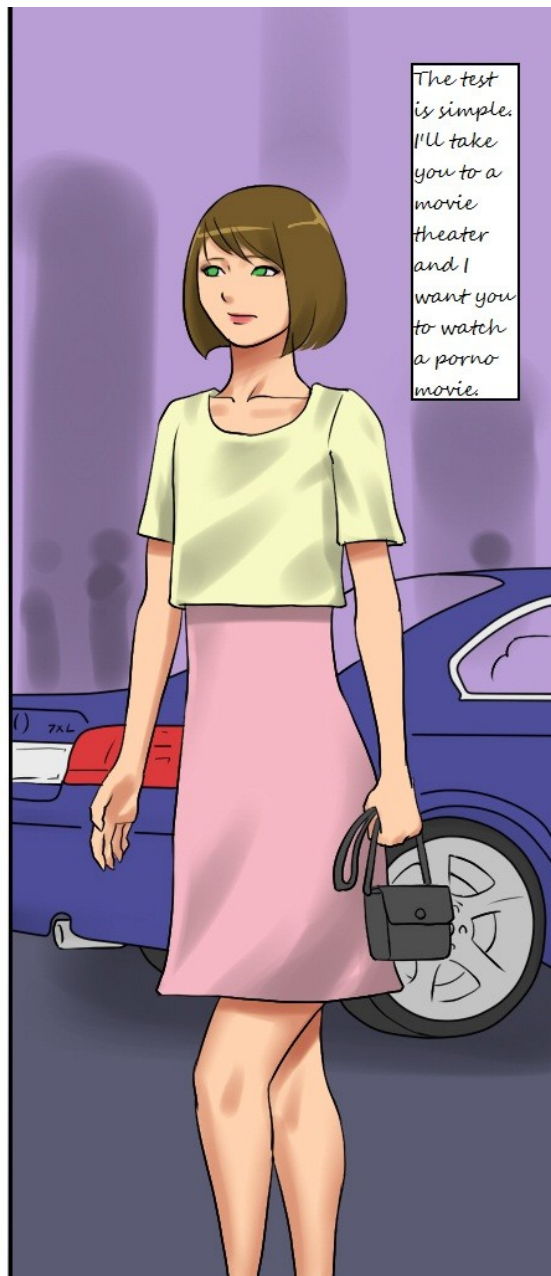

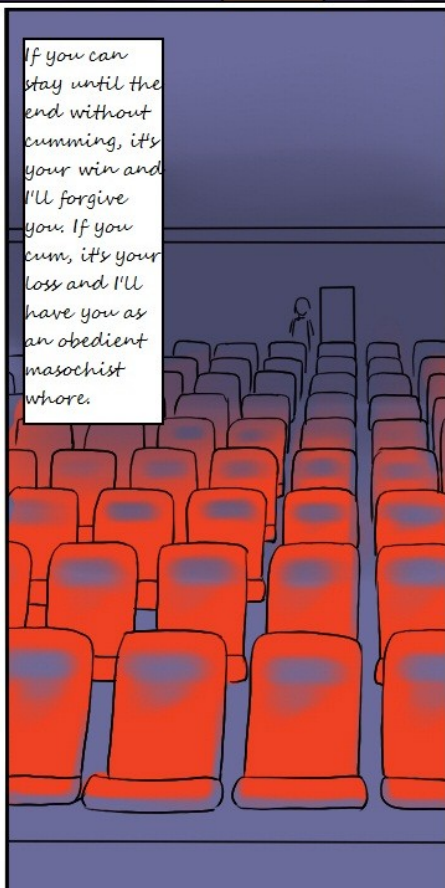

Well,
well, well.

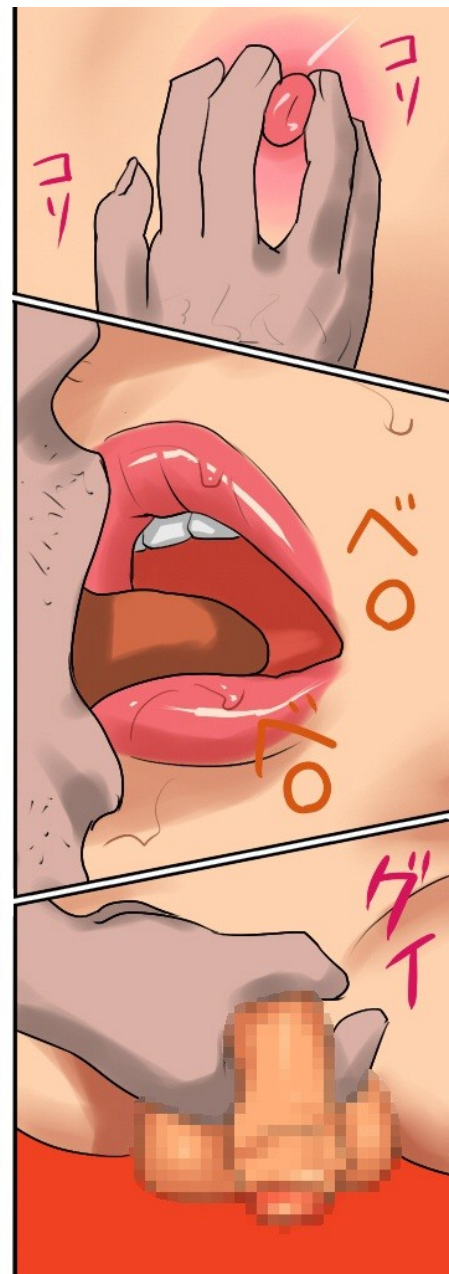

Looks
like you
were
really
enjoying
yourself.

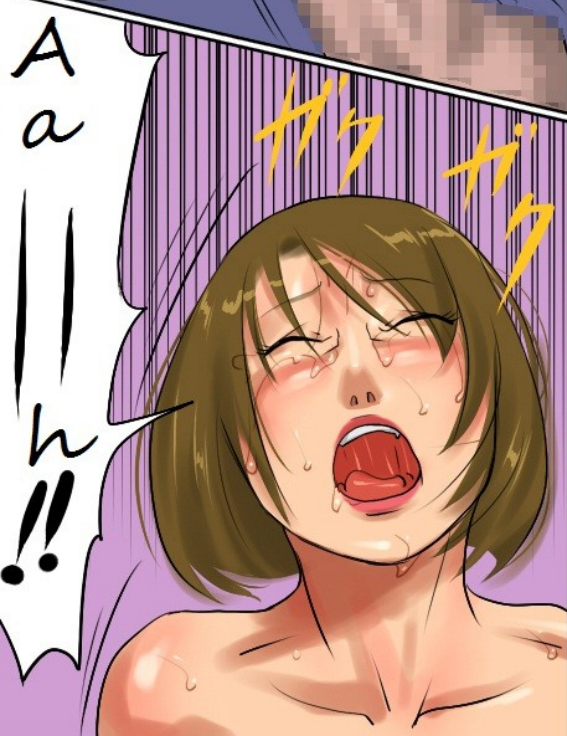

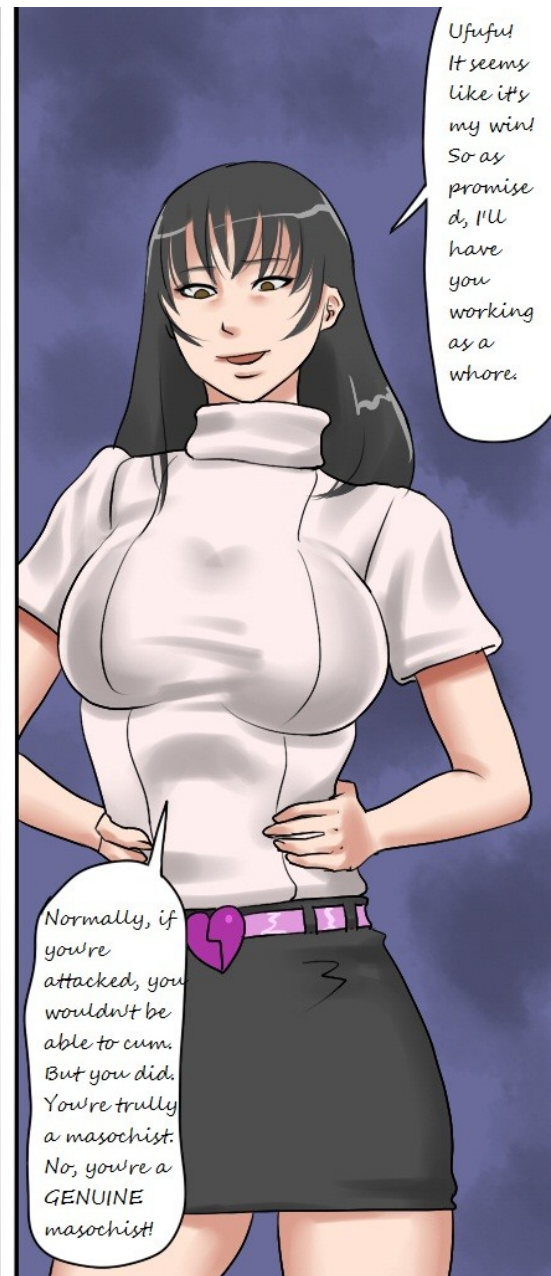

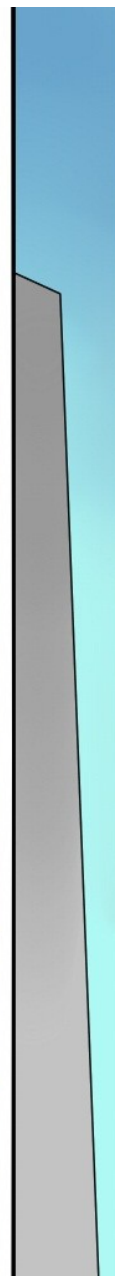

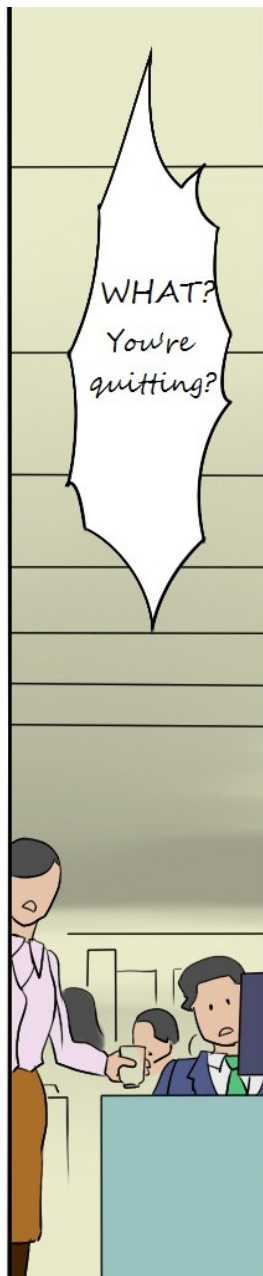

Lady-like gestures and speech lessons,

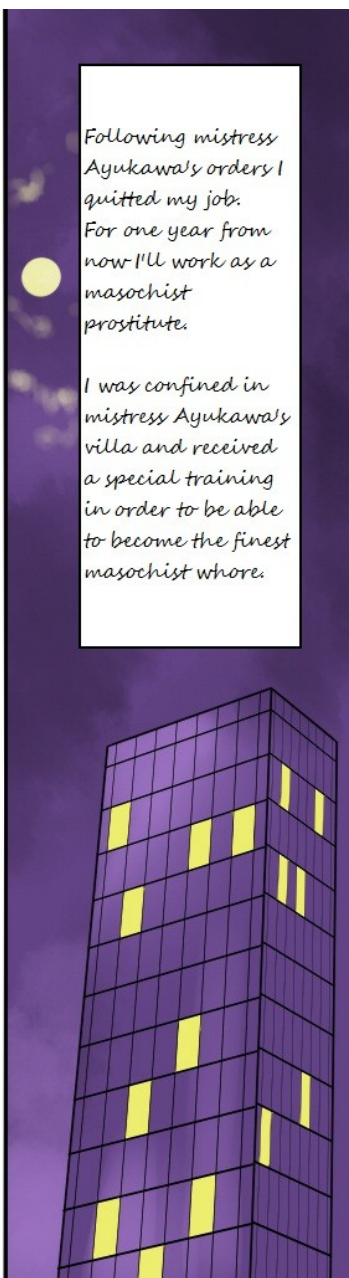

Training included real make-up lessons,

Following mistress Ayukawa's orders I quit my job. For one year from now I'll work as a masochist prostitute.

I was confined in mistress Ayukawa's villa and received a special training in order to be able to become the finest masochist whore.

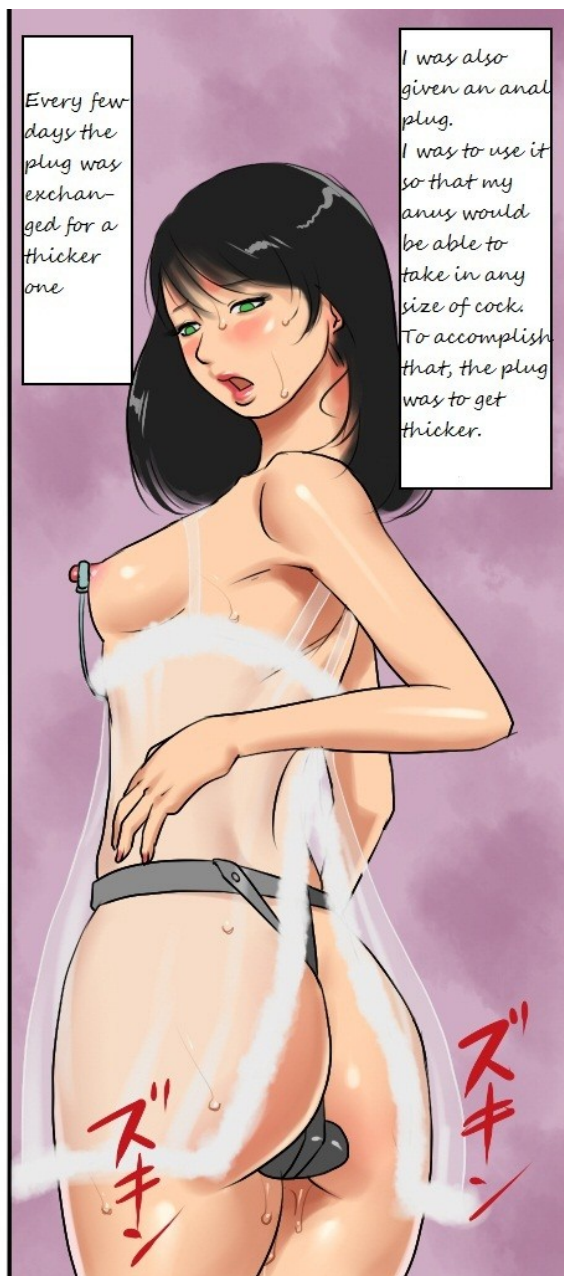

I underwent a special treatment with laser and chemicals to permanently remove my hair body. Little by little my body was transforming into that of a despicable masochist whore.

My diet was based on a soup-like food. It contained all the nutrients my body needed and some hormones to boost my feminization

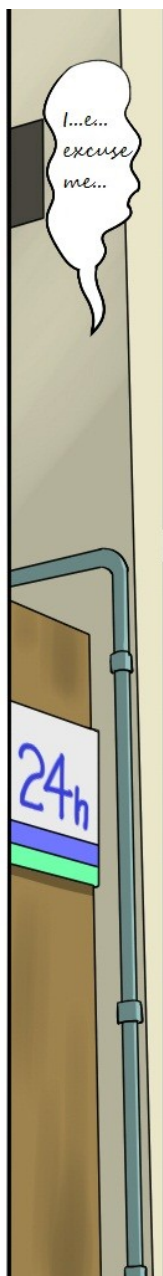

マズーイ

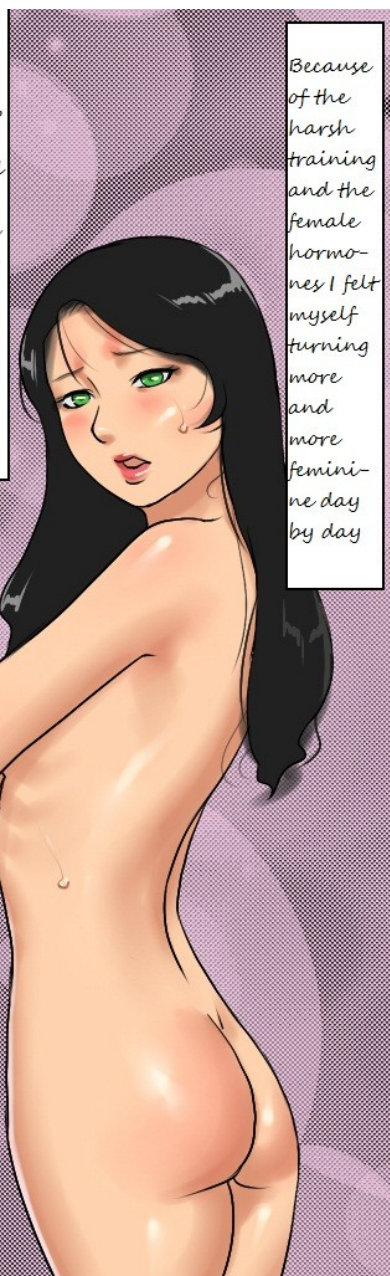

Every few days the plug was exchanged for a thicker one

I was also given an anal plug. I was to use it so that my anus would be able to take in any size of cock. To accomplish that, the plug was to get thicker.

My hair grew longer, my skin slender and fat started accumulating in areas so that my body got a more feminine figure

Because of the harsh training and the female hormones I felt myself turning more and more feminine day by day

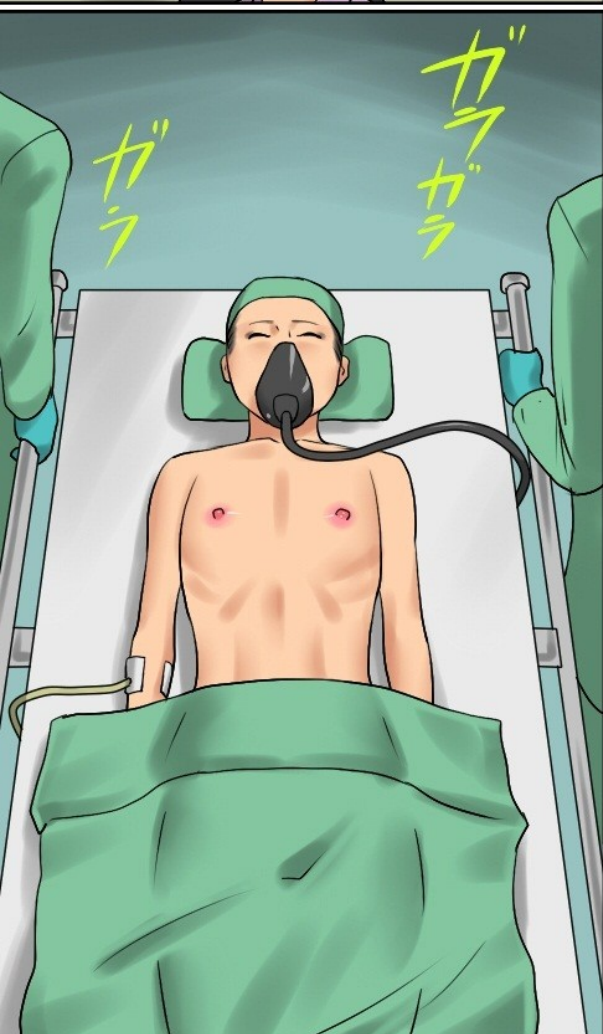

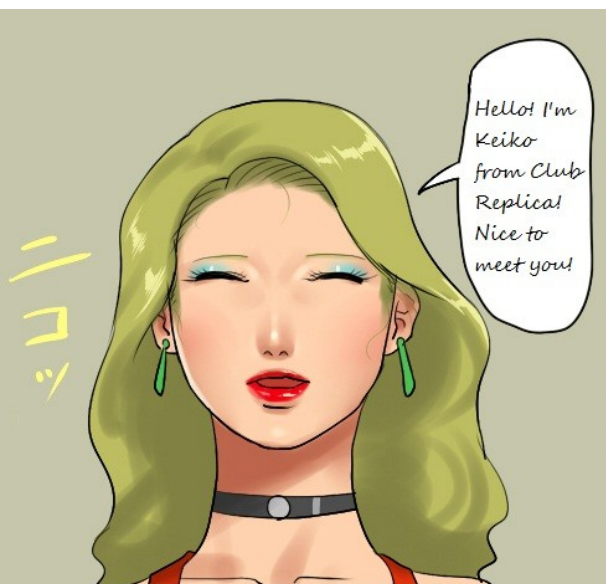

And make it cool!

I'll take a picture and mail to the others! And tomorrow I'll show to every one!

A-ah!
AH! It hurts!
Please! Stop torturing my tits!
A-!

Hey!
Hey!
Hurry up and cum for us!

The club specialty was shemale masochists and all costumers were sadists.

And they were hardcore fans of abusing fake girls like me.

Aaah! Not
Pl...plea...se..
.not....
there...!
Aah!
I...it's...maki
ng...me....feel..
...odd...aaah!

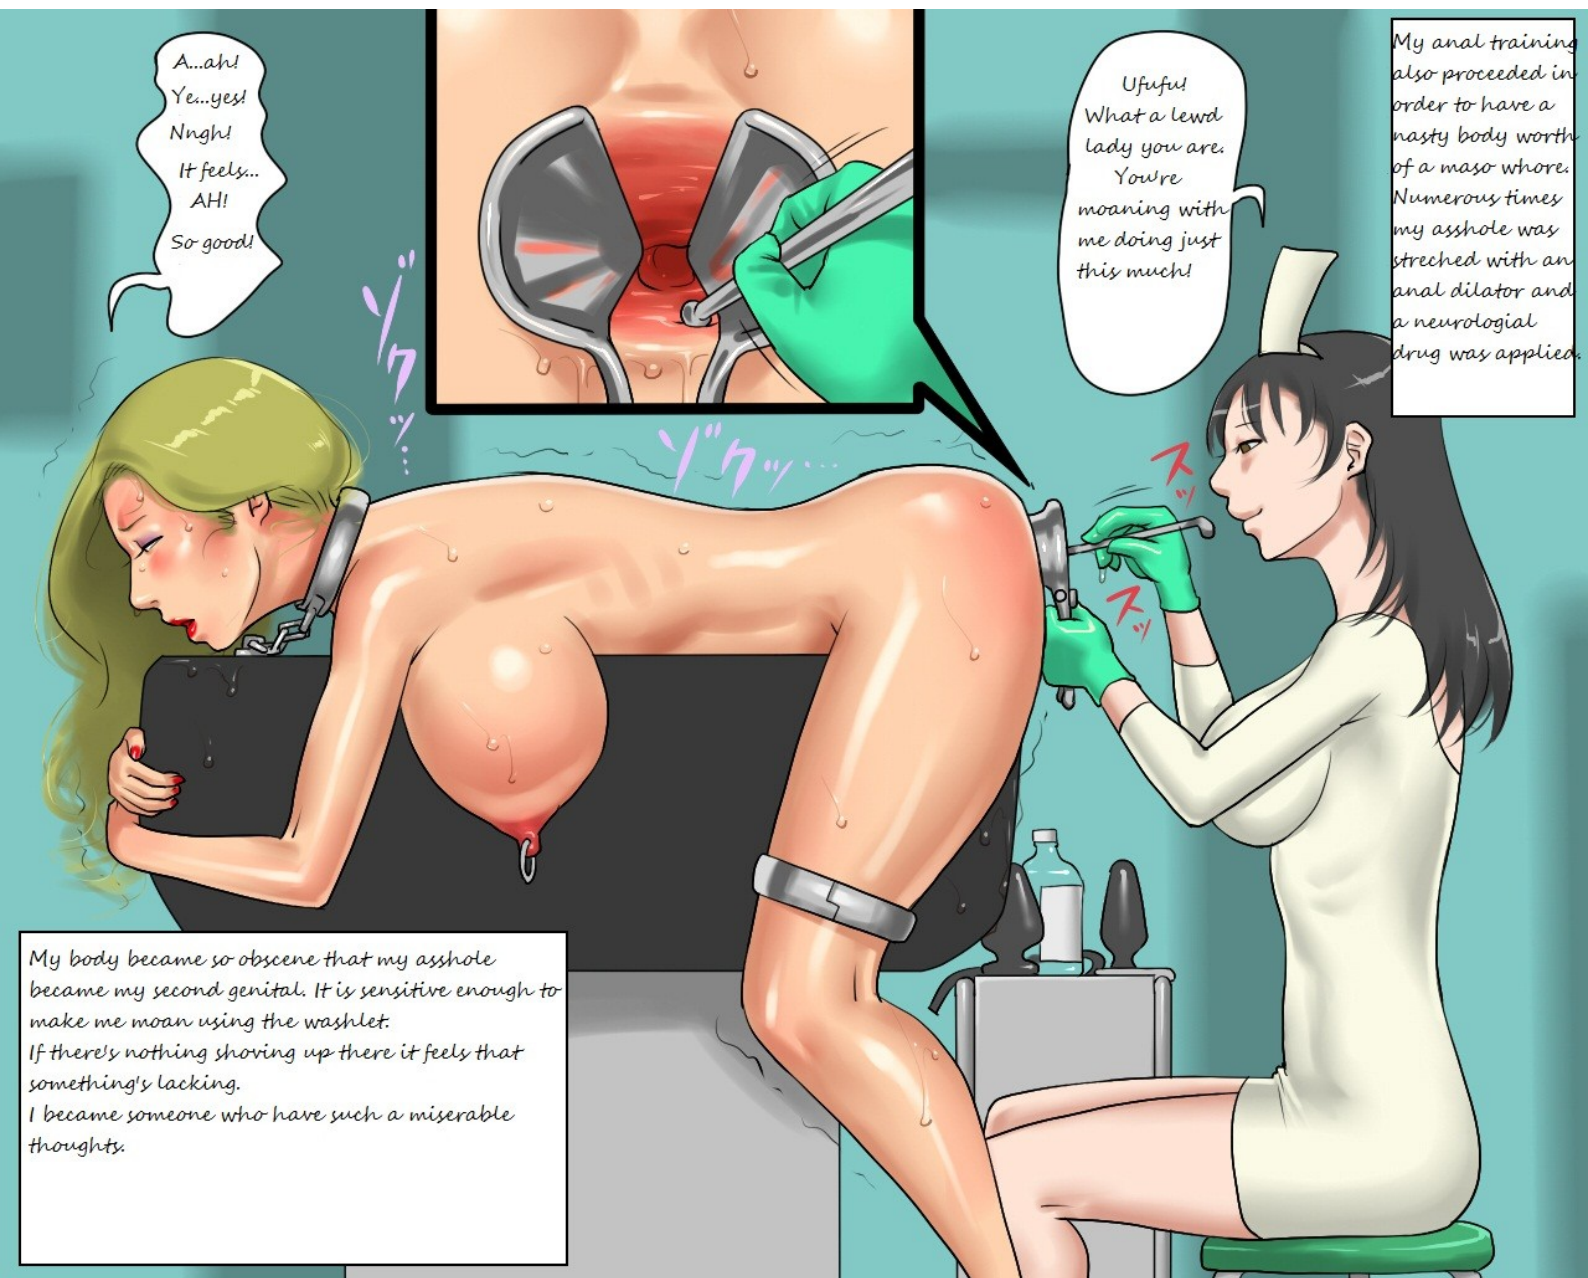

I was fucked right there after being beaten until I cried. Lots of men fucked me one after another, making me orgasm countless times.

I was also debuted in a SM show. I was stripped naked, both hands tied and suspended to be whipped in front of a huge crowd.

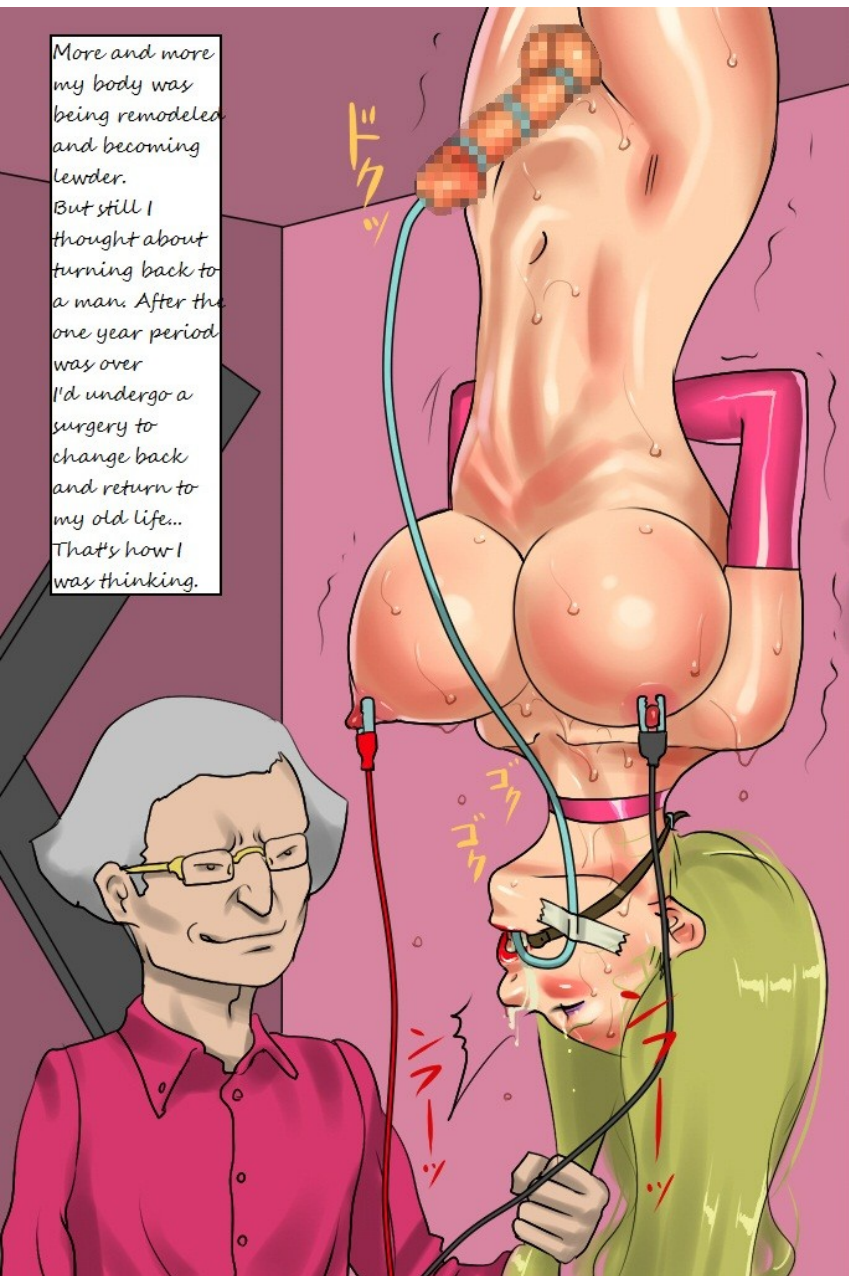

A...ah!
Ye...yes!
Nngh!
It feels...
AH!
So good!

Ufufu!
What a lewd
lady you are.
You're
moaning with
me doing just
this much!

My anal training
also proceeded in
order to have a
nasty body worth
of a maso whore.
Numerous times
my asshole was
stretched with an
anal dilator and
a neurological
drug was applied.

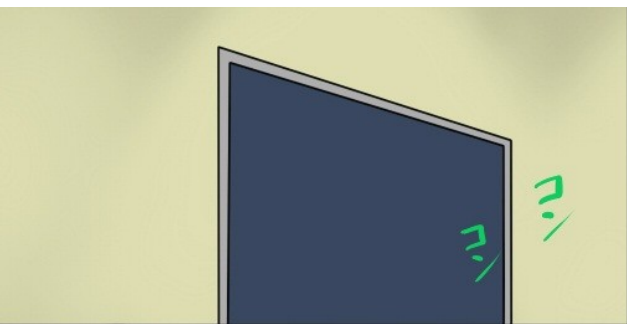

My body became so obscene that my asshole
became my second genital. It is sensitive enough to
make me moan using the washlet.
If there's nothing shoving up there it feels that
something's lacking.
I became someone who have such a miserable
thoughts.

More and more
my body was
being remodeled
and becoming
lewder.
But still I
thought about
turning back to
a man. After the
one year period
was over
I'd undergo a
surgery to
change back
and return to
my old life...
That's how I
was thinking.

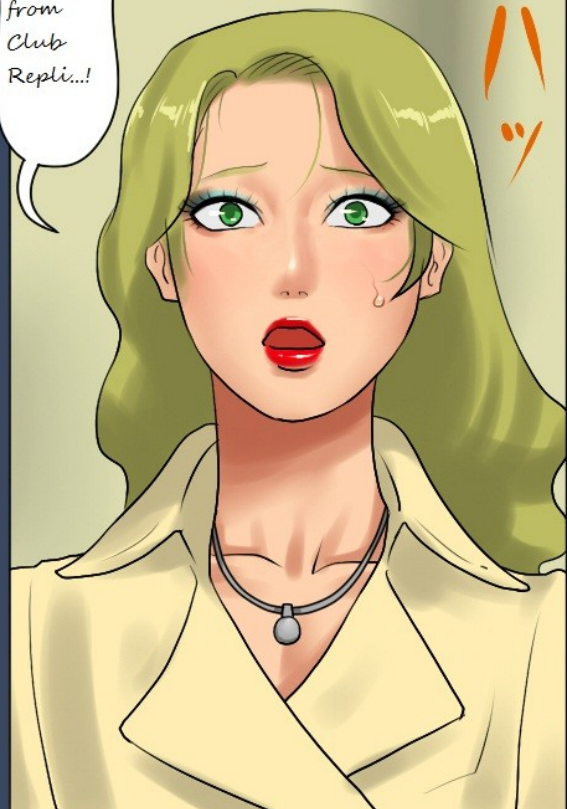

While being used
by countless
clients, enduring
harshness and
cruelty, receiving
various
punishments,
somehow my
heart was in a
bliss.
Maybe it's like
mistress Ayukawa
said. Maybe I
truly am a
genuine
masochist.

Excuse
me... I'm
Keiko
from
Club
Repli...!

It's your
last
client.
Please go
meet him
at room
4023 in
Hotel
Alfort.

What
are you
going to
do after
this?
Are you
really
turning
back to
a man?

So
today
complet
es the
one
year
period?
Time
sure
flies...

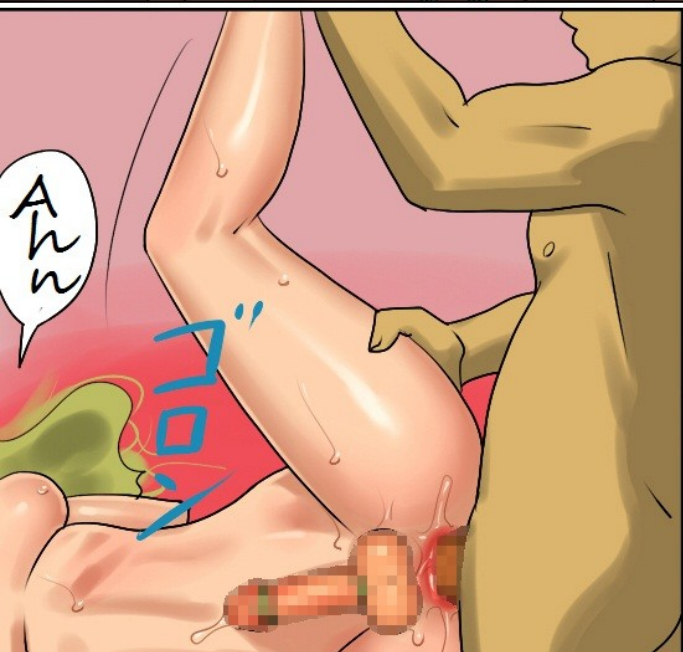

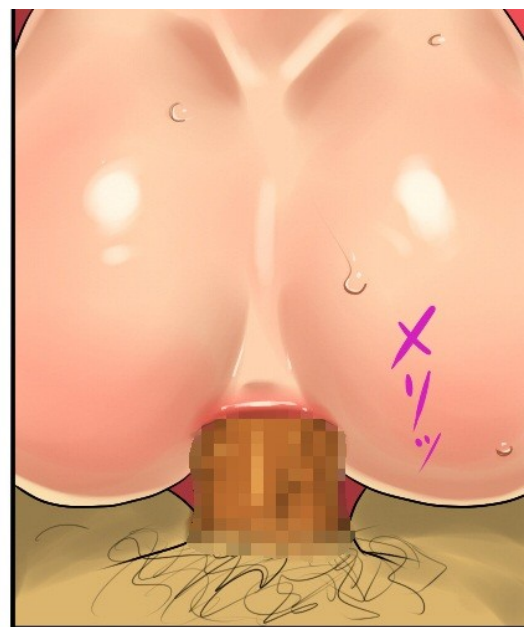

Is that so?
Well, it
can't be
helped, a
promise is
a promise.
But if you
ever change
your mind,
please tell
me!

...

What are you saying? It's not like you can turn back! Look at yourself!

Ah ha ha ha!!

At that moment I became aware of my true feelings. I can't change back anymore....No, I don't want to change back anymore!

What I saw in the mirror was the reflection of one female. With a completely slut body, hands tied in the back, plastered in red rouge and sucking my boss dick as if it was the most delicious thing.

You're also pretty good at blowjobs! I'll ask for you again next time!

Tomorrow I'll change back to a man and return to a normal life.

B...but I'll quit this job after I'm done here.

I hope I can introduce this lifestyle someday. Well, until the day our paths crosses again, stay well.

From yours
Perverted hard
anal masochist
whore, Keiko.

There gathers not only genuine perverted masochist whores, but also genuine hardcore sadists, like the owner and many other clients.

I'd determined that I'd live as a masochist shemale prostitute. And by indication of mistress Ayukawa, I joined the Chains and Roses club.
