It's a boy cafe where alternative boy maids work

And today, a new maid-

Welcome back, Master!

お久しぶりです

This is an unusual cafe

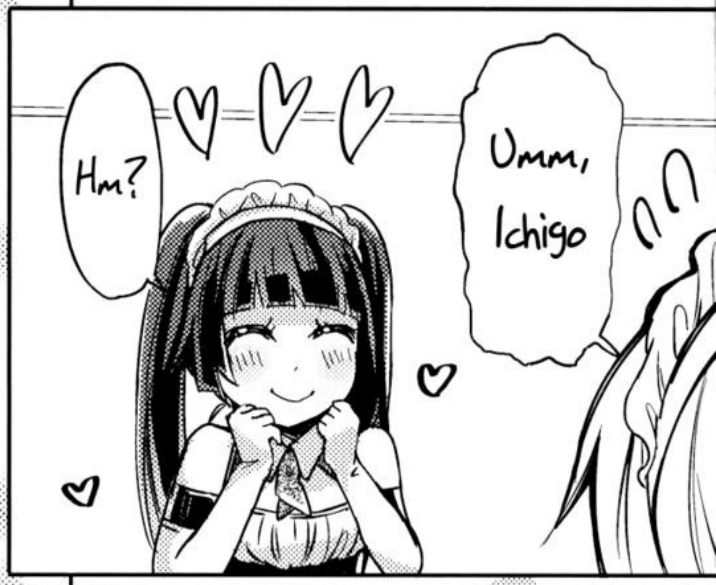

All done?

Is making his debut!

お久しぶりです

Instead of just being a cafe with maids

Doh!
This is
great!

Those
guys are
regulars here!
The ideal
customers for
a newcomer
like you!

Eeeh!?
So
many!

Welcome!

Fooooeh!?
B-But!
What if I
do something
wrong!?

Yup. Go
take their
orders,
okay?

I'll
come as
soon as
I'm done
here!

Wha!?

I-I'm
going
out
there
alone!?

Alright,
now bring
out these
hand
towels

Eeh?

Now,
get
going!

There
is a
demand
for that

Don't
worry!
Believe it
or not

Umm, Can I tack-! Take your order?

This is my first day here

I look forward to serving you all

Oh no, I messed up a word!

カチカチ

Hello everyone, I'm Milk

Err

Ohh

Umm

Huh?

Huh?! Me?

I'll also have Milk

Oh, me too

Same here

Then I'll have Milk

Ichigo-chan

It's Ichigo-chan

Thanks for waiting

T-Thank god! Ichigo is finally here!

"Milk"

Okay! Milk for everyone, right?

But don't worry!
You can leave it to me as your superior!

Ahaahn
As I predicted, they want you right away Hehehe

I-I don't know what they mean!

U-Umm!
They're ordering m-me, but

Yaay!
Thank you very much, Masters!

We really appreciate your continued service after all

Sure, we don't mind

Master, this is his first time, so do you mind if I join too?

Please enjoy your strawberries with milk!

Your order will be me and Milk with the usual topping of 'whipped cream' then

Maybe I'll be okay if I'm with Ichigo

Just leave it to me

Eeeh

Noo-Aah!

N-Not there! Hyaahn!

ケンケン トン

What're you-Aah! You didn't tell me-! Hyaah!

Wha? Wait, Ichigo!

Then let's start with loosening your virgin butt

ケンケン

You smell so nice, Milk

Look! His pink and wet buttohole is twitching and wedging into the thong

Hey now!
No talking
back when
you're
a maid!

I had no idea it was this kind of place! And here I thought I would just get to wear some cute maid clothes

Do you get it now? You serve your customers just like this!

And your dick is so hard, too How kinky!

His fingers are going inside my butt! No, don't!

Aaah! Look, my fingers went inside! It's fighting up! Here

Here, Master! Have some of Milk's special cream

I couldn't swallow it all!

Aww!

Okay! Now it's time to dig in!

Please enjoy your meal

Just have some yourself

Ah! You're eating the food we have for sale! That's not fair!

Ichigo is supposed to be mine

There are skirts he can wear if he just asks, but it looks cute so I'll let it slide
