Kyaa, what is that?

Oh my, Ed-kun!

Want some sweets?

Wah, what is that? It's soooo cuuute!

By the way, won't you play a bit with me, Ed-kun?

Hey, you!

Wa?

Kyah!

Ah, Major!

The colonel is in the rest room.

*Uwah!
So small!*

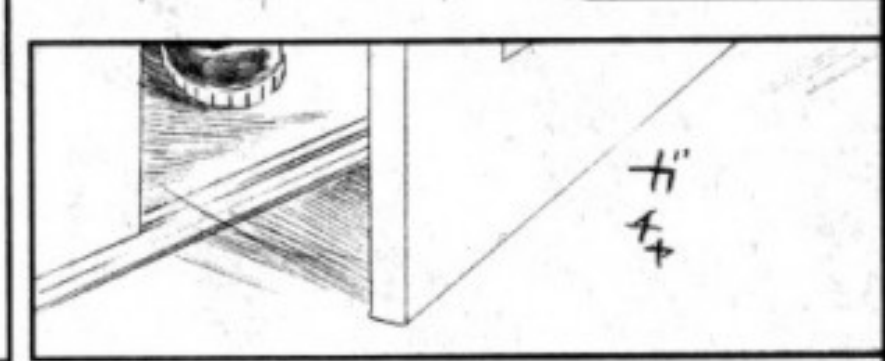

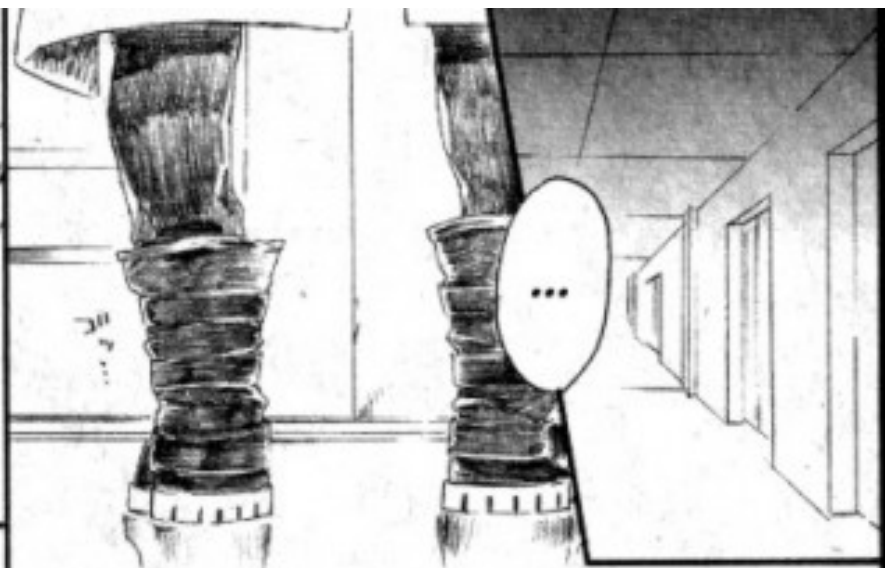

Uwah!

Wait,

*I did
not mean
you!*

*There's
no reason
to be angry!*

I think!

*You
have
something
on you*

...

Heh.

...
*Al,
he...*

Hm?

I can't count the times this has happened...

I told him to bring it back, but he...

He's always so nice, but exactly that can be cruel and he does not get it...

Keeping it just to throw it out again is just cruel.

We can't keep it after all.

That's irresponsible, you know?

Then why did you bring it all the way here?

?

.....

He's still a kid, so asking him to understand that might be too much...

Full-metal.

You're an adult, right?

He pushed it onto me, so I just brought it here...

That is...

Then you should have just gotten rid of it on the way here.

!

.....

If we look...

We might find someone who will take care of it.

Having a home is definitely better...

I just thought ...

.....

You might be right ...

Besides, it has done nothing bad.

*It
doesn't
matter,*

*if you
are an
adult
or a
child.*

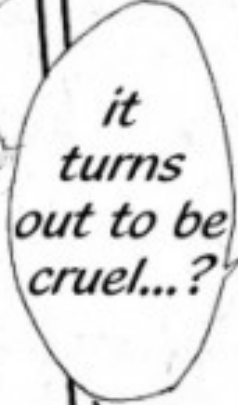

*That
seems
...*

*...
pretty
nice to me,
Fullmetal.*

*Isn't
it a good
thing?*

.....

*You
always
do it to
me...!*

Being

*Be-
cause*

*you
..*

?

so

nice...

Ah!

The cat!

It's ...!

There's no other way.

Uoh ...!

Wait ...!

Happy...?

Cruelty?

Stray Cat Strut

Ah

...

あは

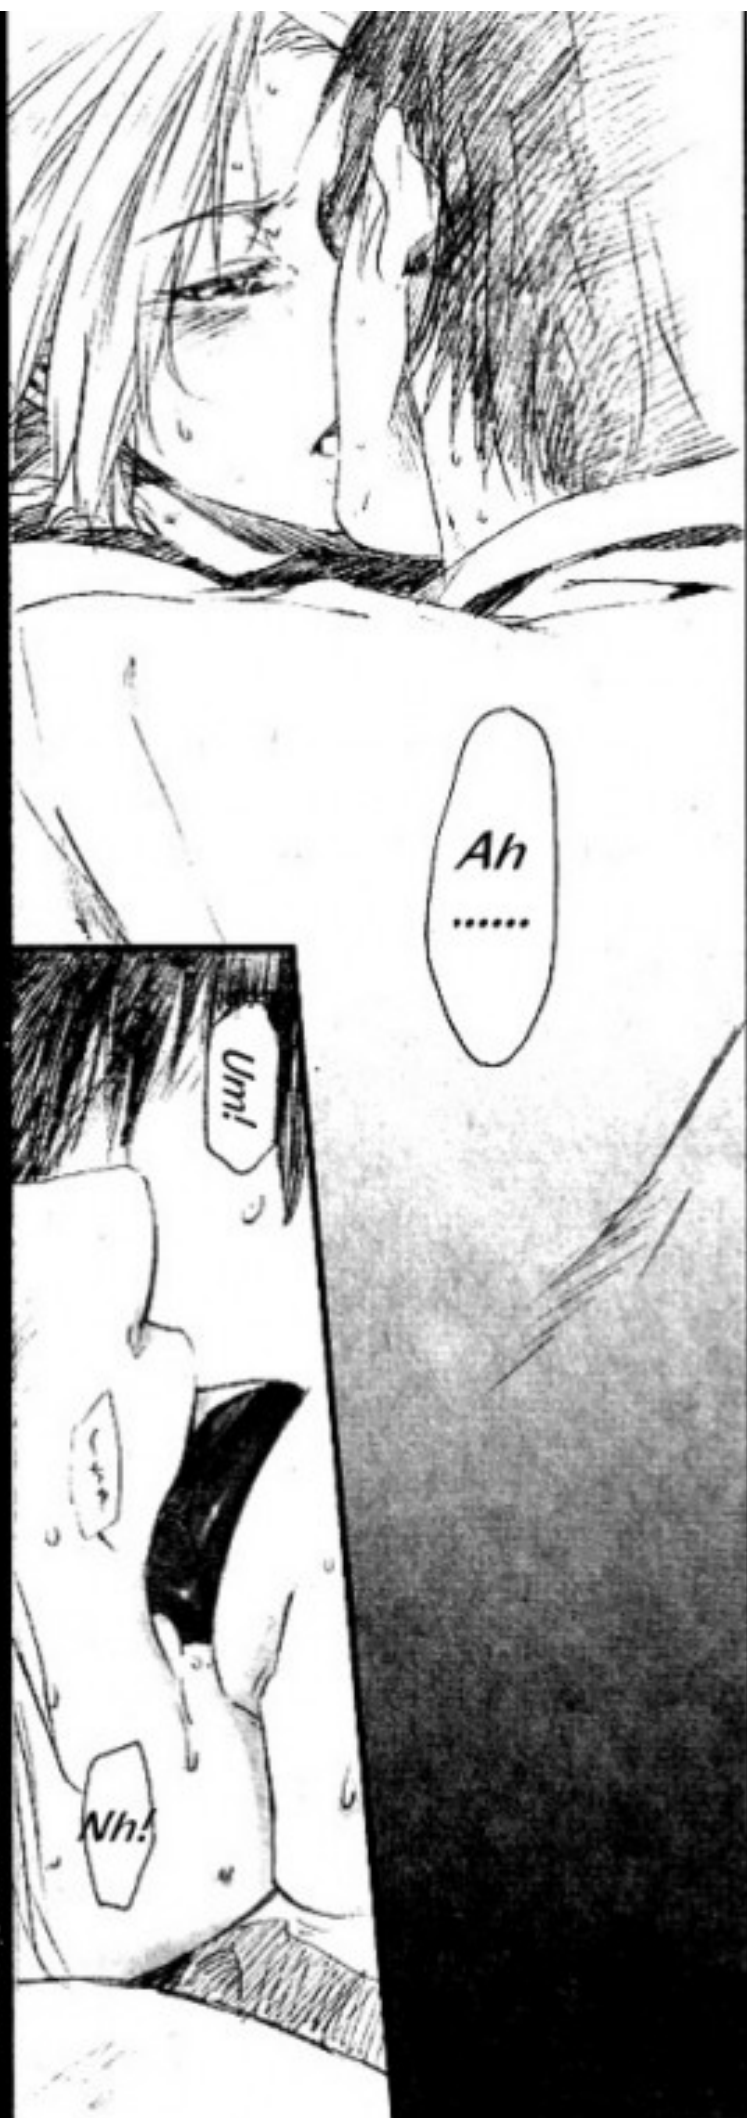

Ha!

あは

Haa!

Ah
.....

Umi!

Nh!

this room is

sound-proof, so

you can let it all out.

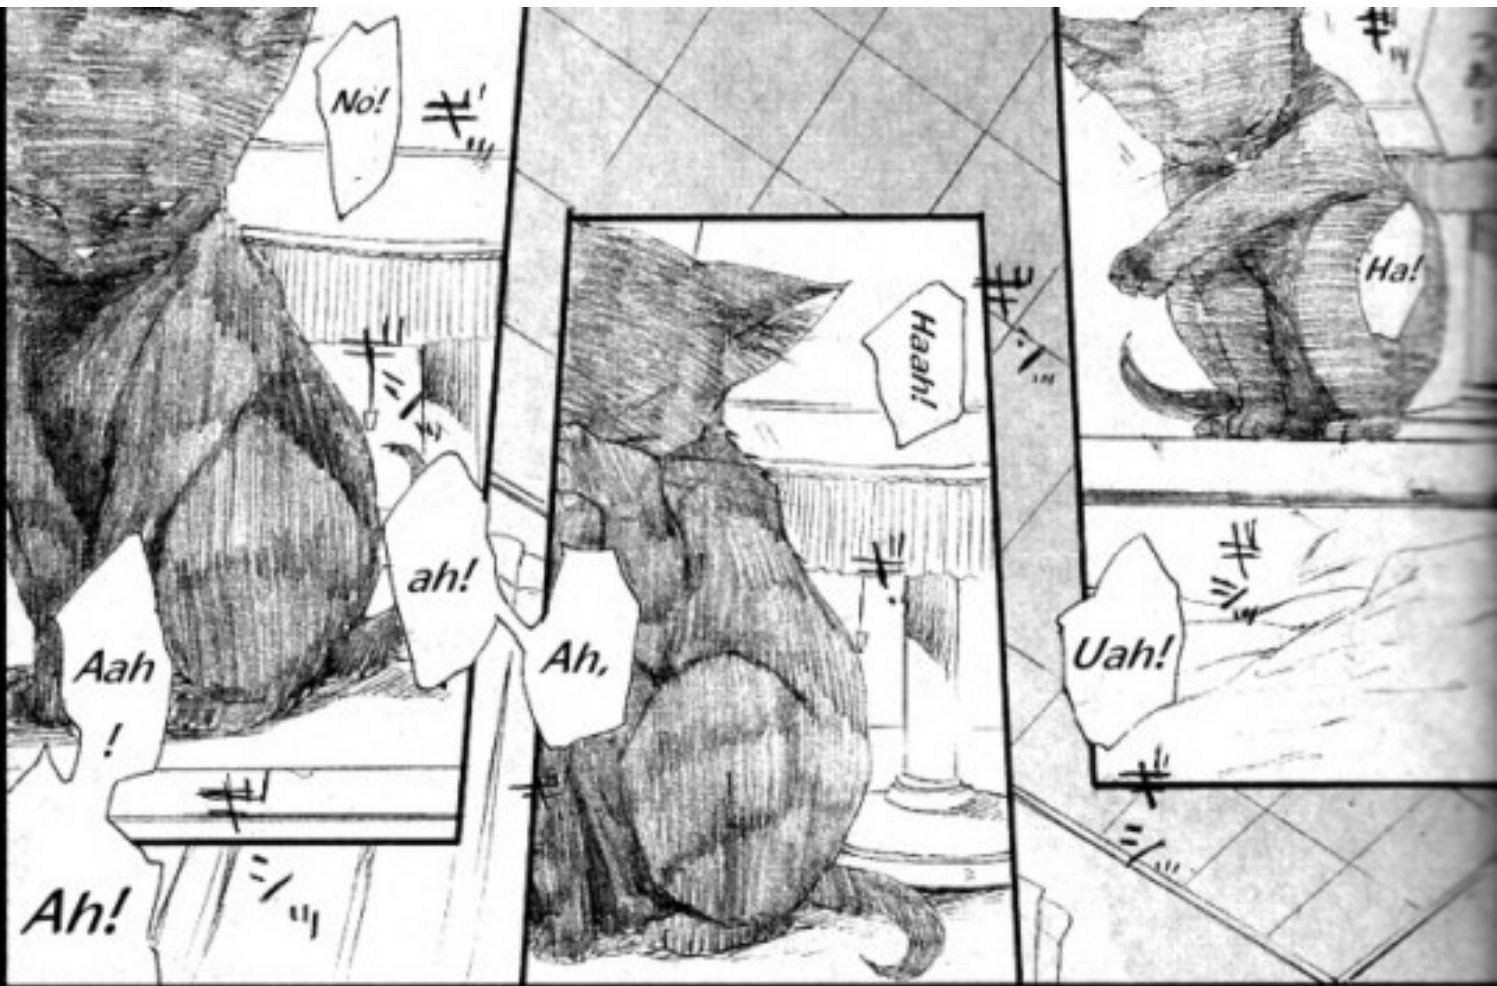

.....

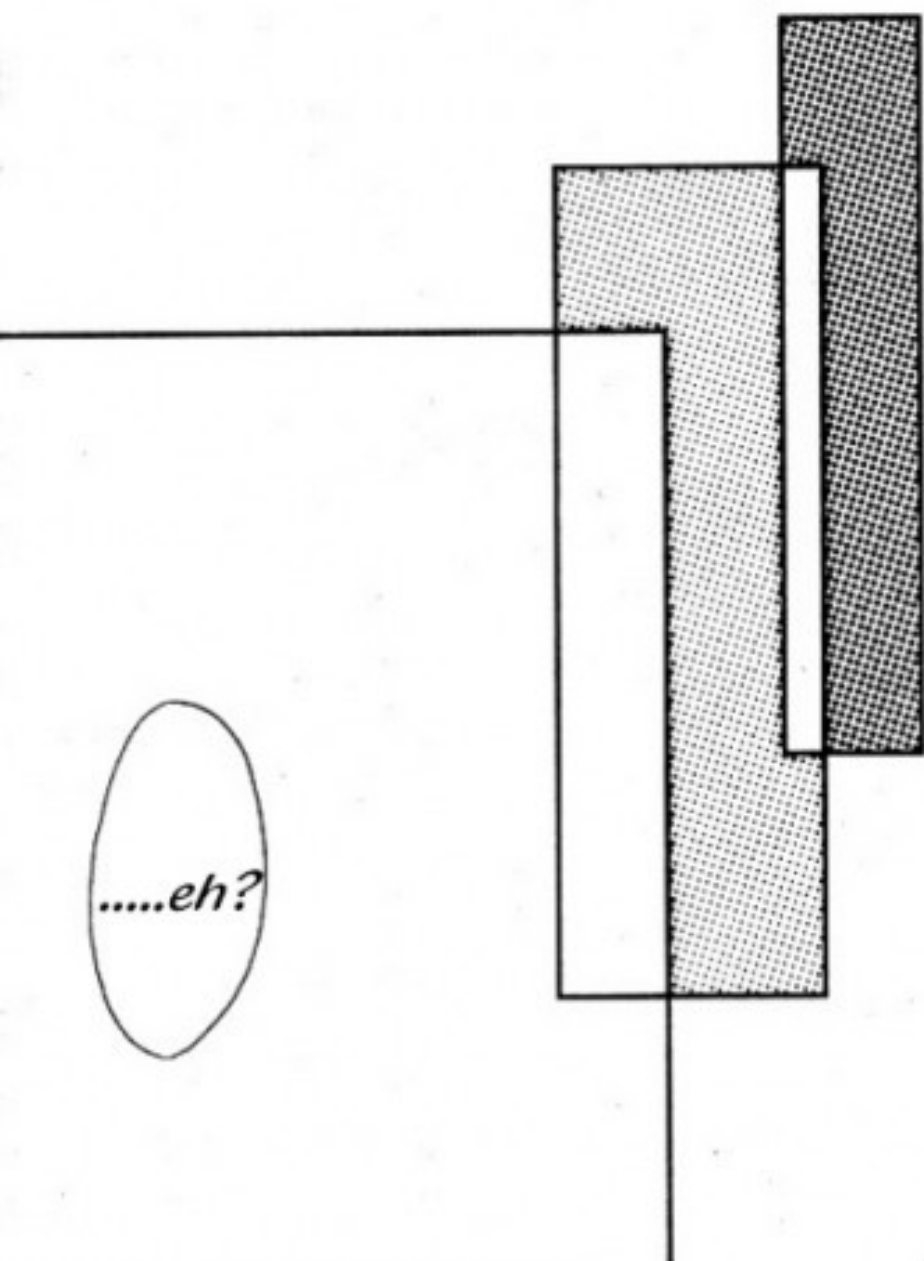

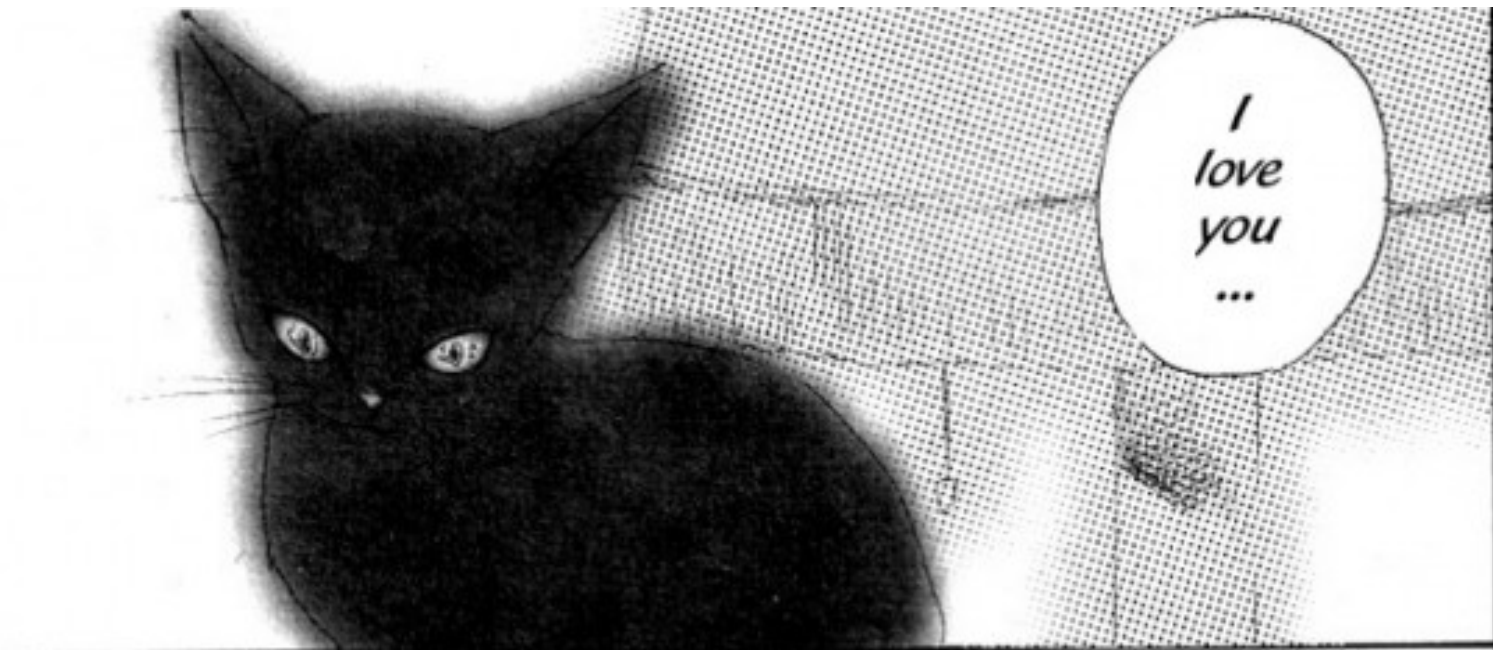

That's not the problem...

!

Well... keeping it in is also quite exciting ...

"I love you."

*I
can't
choose
you.*

*Right
...?*

*I
can't
...*

*Oh,
colonel?*

On your neck.

It looks like a scratch.

You're bleeding a little.

When did he ...

Ah!

It must have happened just now ...

Hm, well ...

The one Ed brought earlier?

You got caught!

It was the cat!

Eh?

might
say it
was a
cat...

...
you

Ha!
Ha!

What?

rule!

!??

Eh!

Run
...

Why?

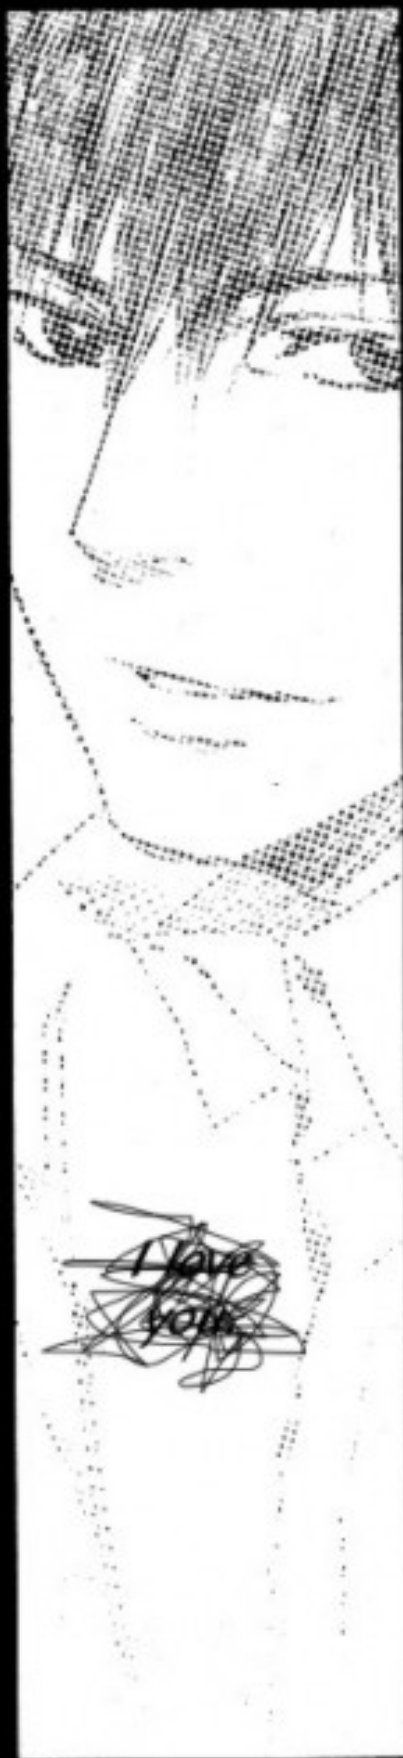

I'll
finish
in time
today!

Uwaaaah!

Fast!

Cat!

I
can't
choose
you.

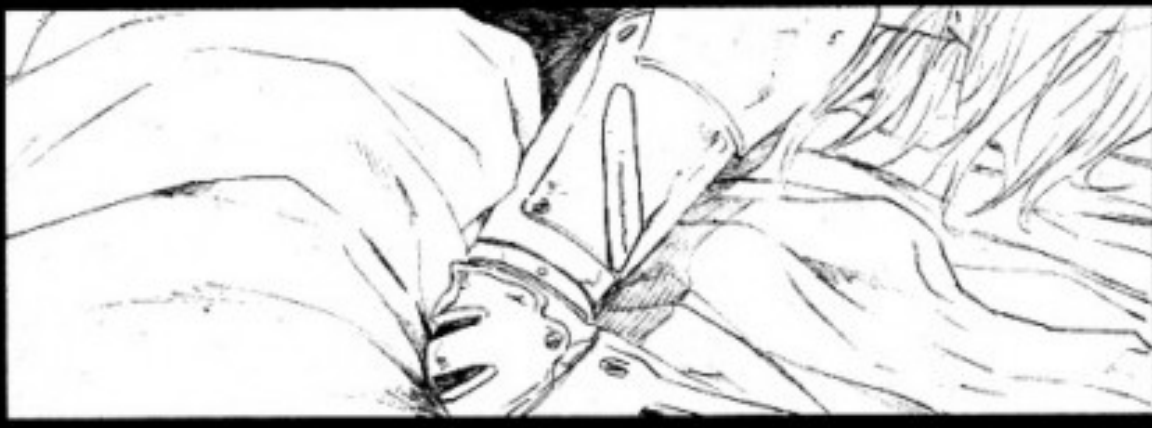

*I can't accept you and
I can't refuse you either.*

I'm just hesitating.

I'm scared.

*Even so,
you
always
say it
so
carefree.*

Stray Cat Strut

*I
love you
too...*

Please,

*for just a
little while
longer...*

*Don't make
me choose
yet.*

*Because
the cat is
crying.*
