The
bird

In the
cage

When,
oh when
will it
come
out?

In the
night of
dawn

The crane
and turtle
slipped

A
forbidden
child.

Neither
fully
demon
nor
human.

My demon
family
abandoned
me, and
humans
fear me.

I'm a
crossbreed
between
a demon
and human.

get to
come out of
this stone
prison...?

Will I
ever...

Ah!

THERE'S A
DEMON'S
NEST
AROUND
THIS AREA!

Haven't
seen him
before...

Is he a
monk...?

... For
god's
sake.

Oh,
you're
right.

Look,
Rindou.
There's a
monk out
there.

What's
the matter,
Hoozuki?

Our
eyes
met!

I'll
protect
you.

Wha?!

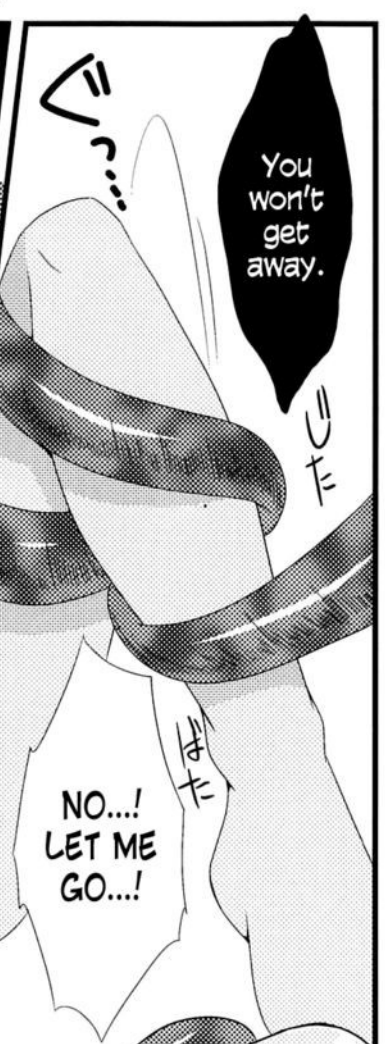

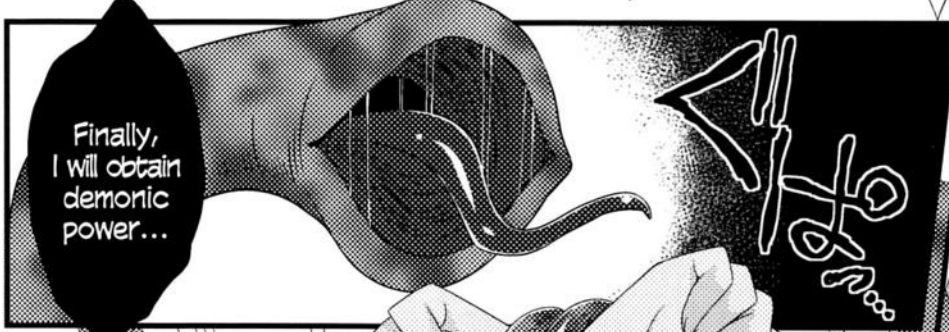

Rindou
...?

He's
a priest
that's been
employed to
exterminate
us.

He's
going to
kill us?

Yes,
but don't
you worry.

Something is coming out..!

Ah... No..!

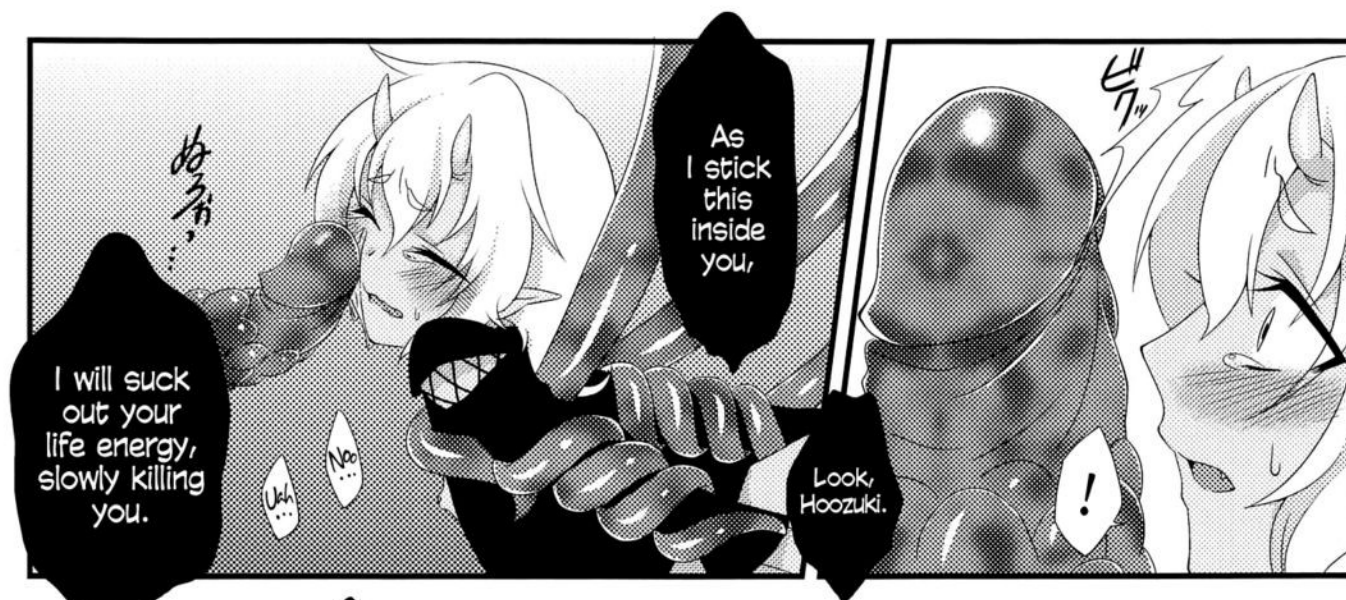

Aah

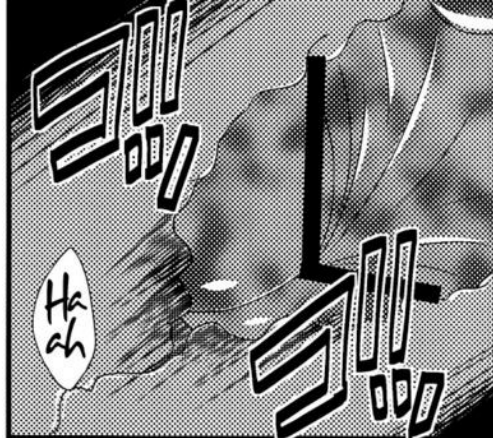

I can feel the energy flowing through me...

My
butt's all
tingly...

But...
it doesn't
hurt...

I feel
light-
headed...

Oh...
your voice
sounds
different.

Does
it feel
good?

Each
time
you
cum,

Oh
no...

more
and more
of your
life energy
flows
into
me.

I'm
really
going
to...

At this
rate

HEY!
ARE YOU
ALRIGHT!?

I saw
a kid, so
I came here
in a hurry,
but I had no
idea you were
a cross-
breed...

but
it was
forgotten
by us humans,
and became
corrupted.

It once
used to be
a sacred
tree that
protected
this area,

I don't
want to
die...

I...

Are you
going to
kill me
too...?

What
...?

You're
half-
human,
right?

I
won't
kill a
human.

I
happen
to be a
priest.

Well,
you're in
luck.

Just
once,
I've wanted
to see
what the
outside
world is
like...

I've
been
stuck in
here ever
since
I was
born.

On
that
day

I took
my very
first step
outside.

Maybe this
is how I'm
repenting
for my sins.

so maybe
he'll take
revenge
on me.

I killed his
parent,

then
so be it.
It'd be
similar
to what
I did.

I've lived
all of my
life alone,
never
trusting
anyone.

would
help
him find
peace,

I thought,
if killing
me in my
sleep

But
what
about
him...?

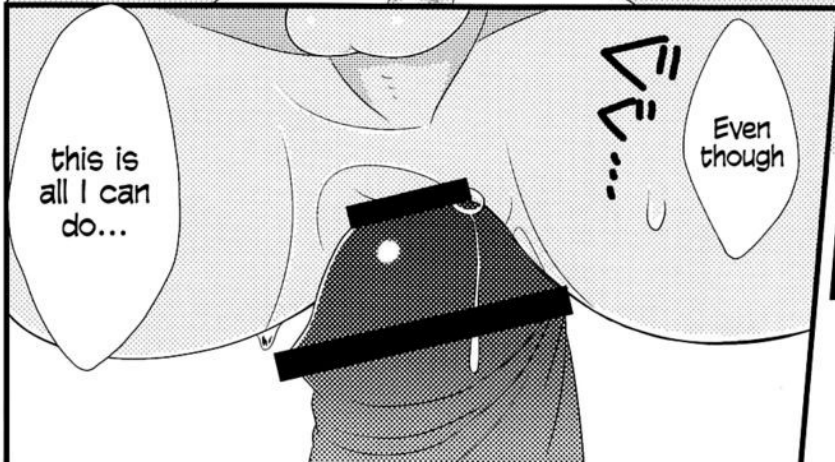

The key
is so rusty,
that it most
likely can
never be
opened
again.

inside a
cage.

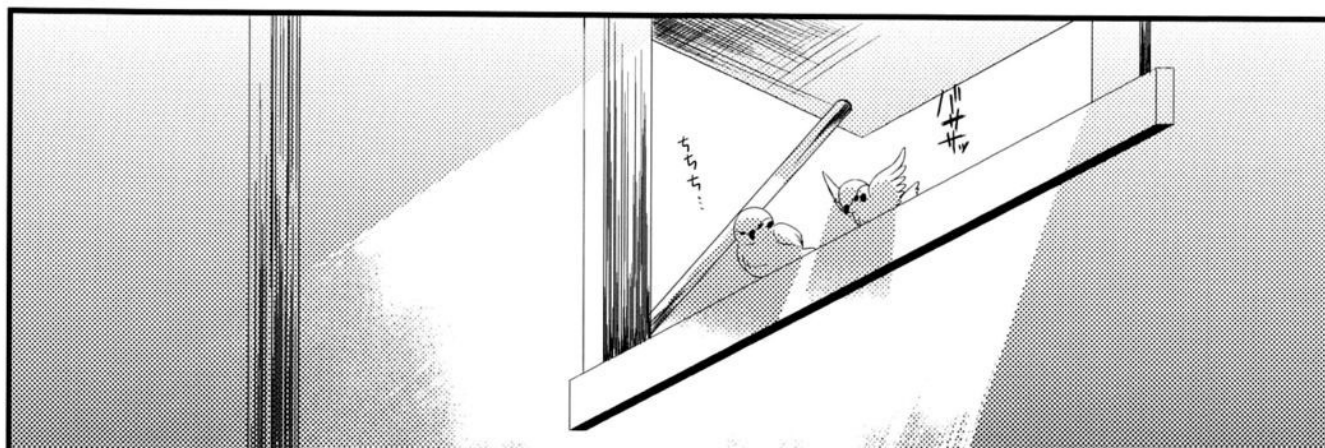

I've
locked
away
my
heart

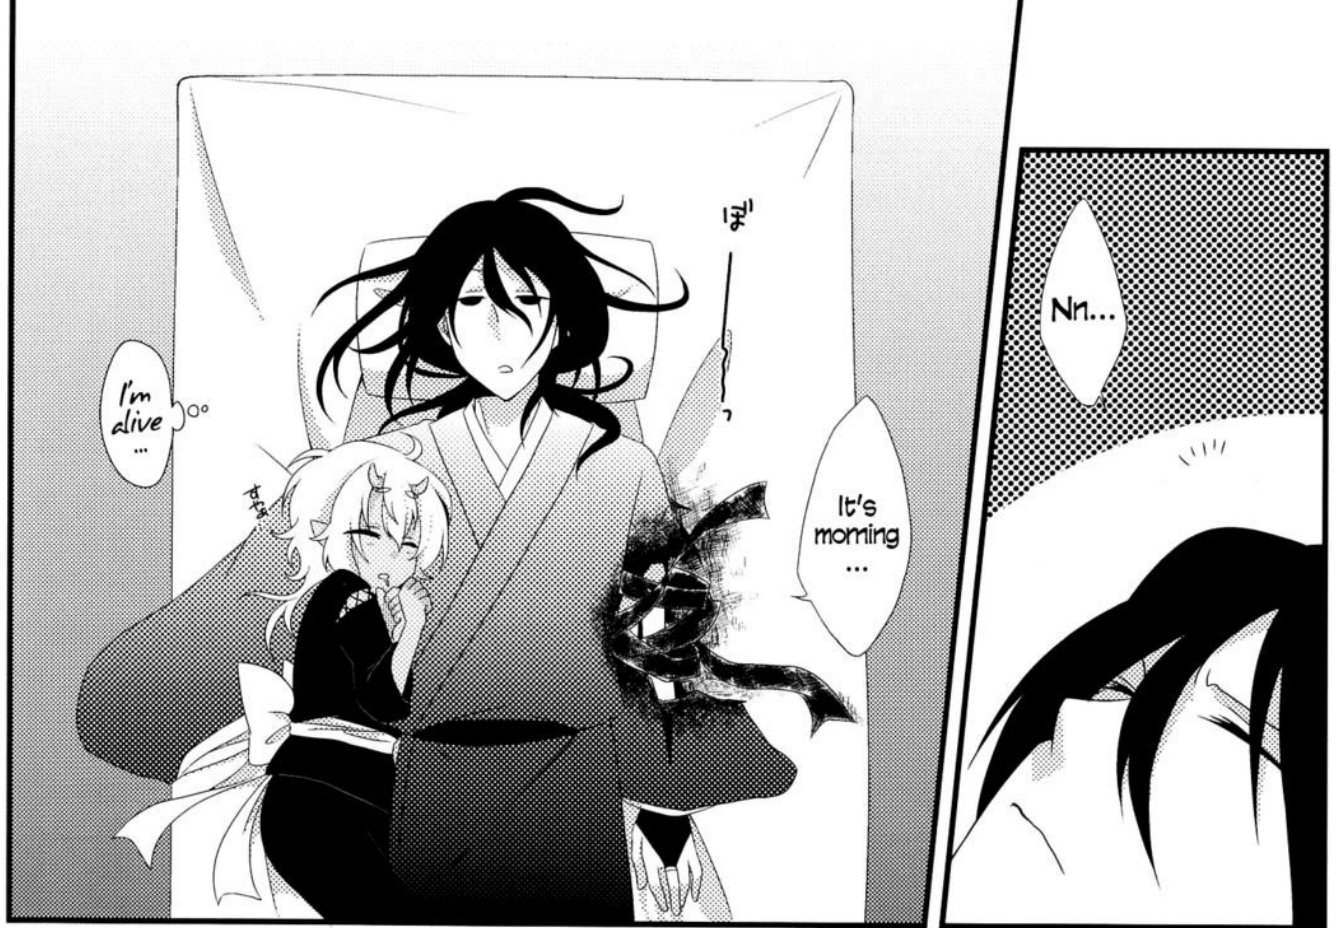

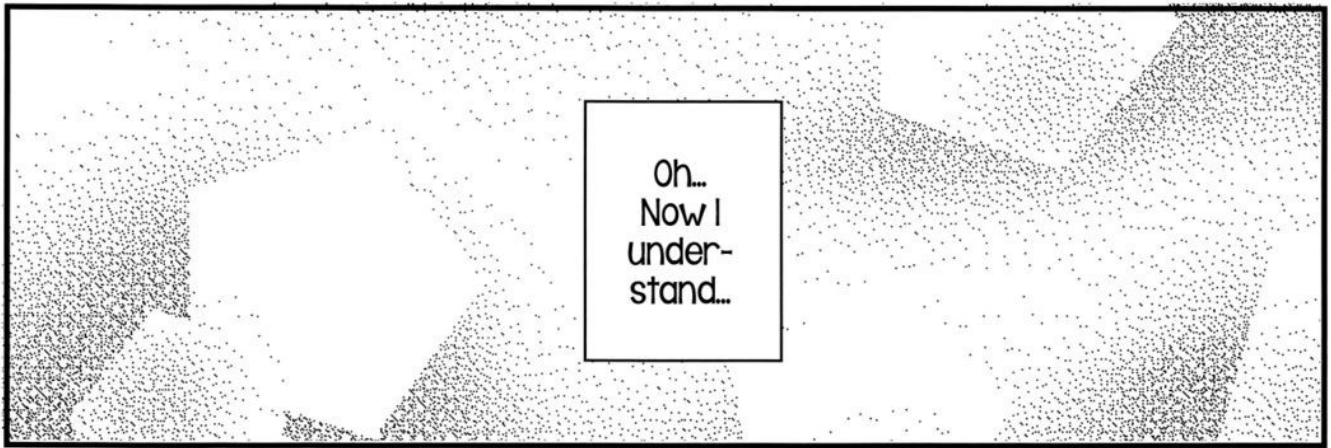

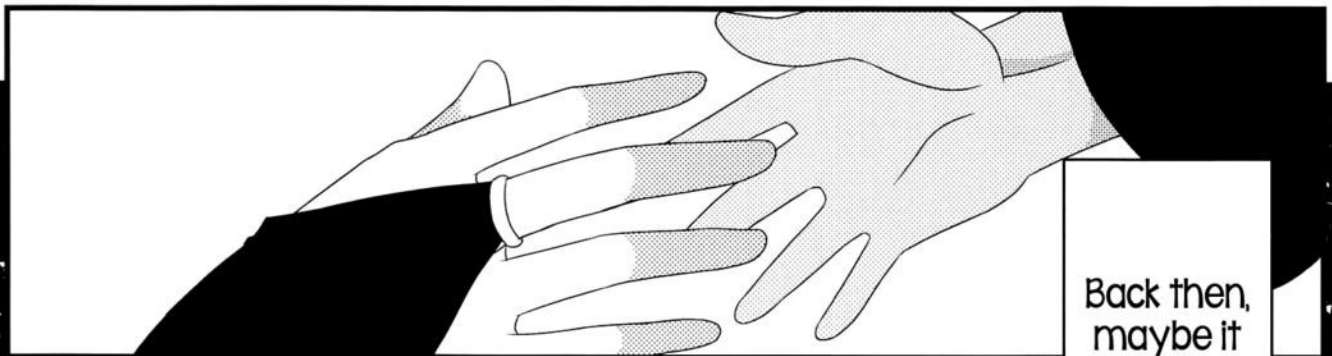

Why
didn't
I realize
this until
now?

Living with
someone
else isn't
so bad
after all.

Maybe
I never
needed to
seclude
myself.

Back then,
maybe it
was me...

who
was set
free...
