

おとこの娘 と遊ぼう!

◆ Character sheet ◆

Ayumu-kun

Since he was little he's been relieving the sexual needs of boy-loving gentlemen in an underground secret club.

He loves sucking their big dicks and taking them in the ass.

Long ago he thought of himself as a boy, but after being showered with cum since he was little his body is now that of a total slut.

Likes: semen

Special skill: he can cum with just his ass and nipples.

Ok. ♥
I do love
semen!

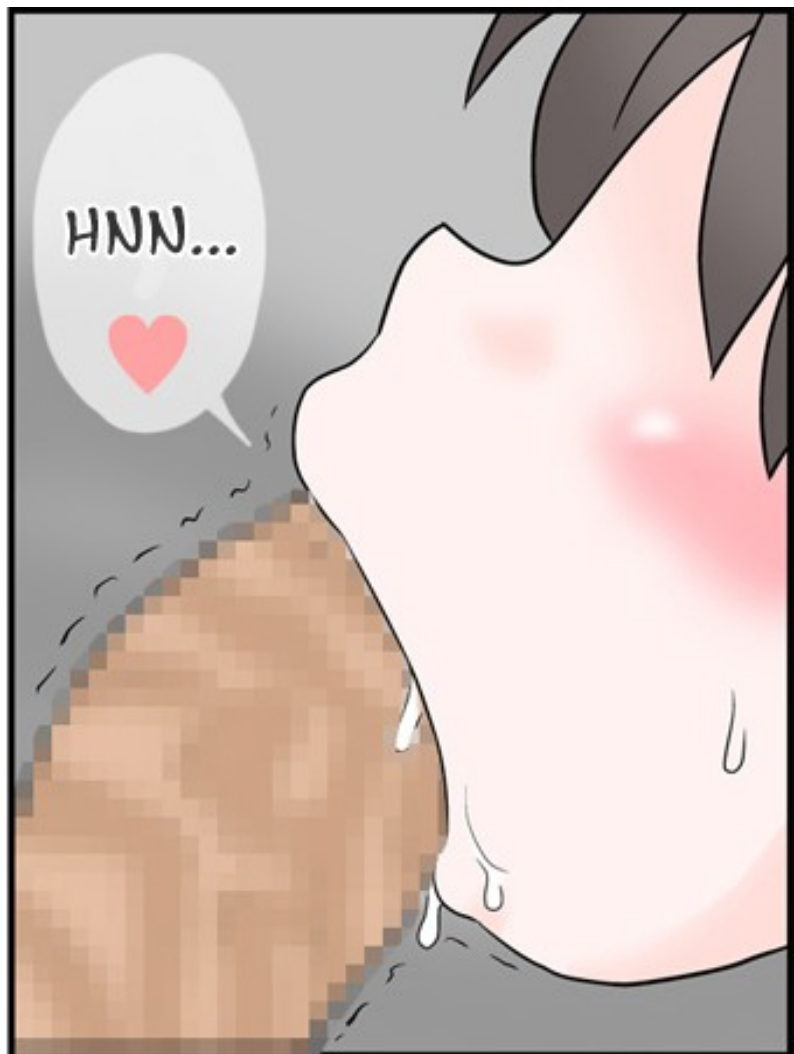

Thank you all
so much.
