Girls Love Comic  
Original

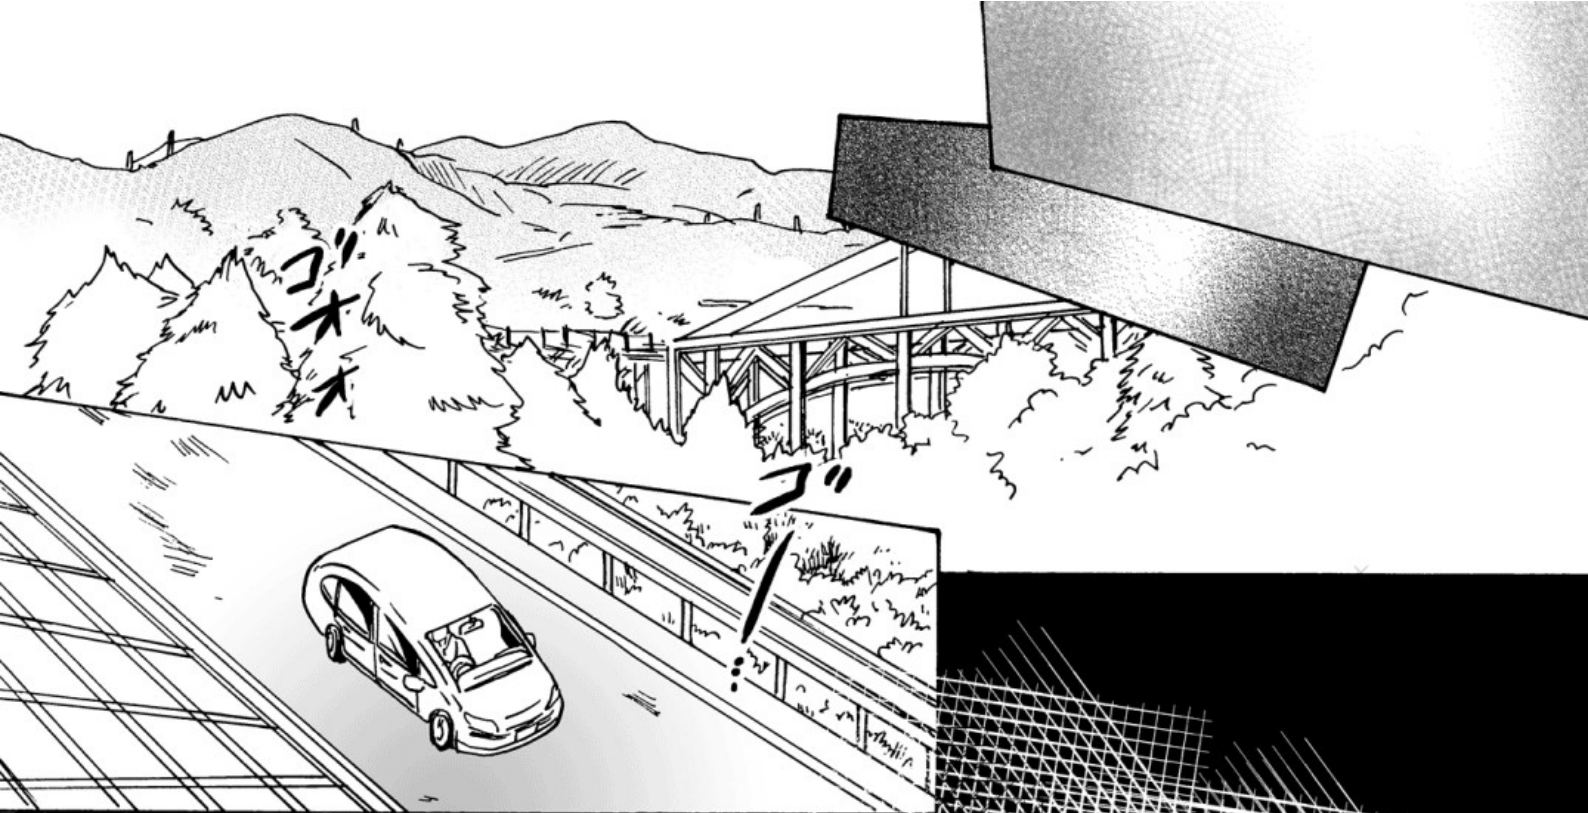

The words  
I couldn't  
say fall  
and pile  
up in the  
depths  
of my  
heart.

The truth  
is that I  
wanted to  
live together  
with you by  
your side.

I hope  
you find  
happiness  
where you  
have gone.

The  
wish I  
murmur  
disap-  
pears  
in the  
wind.

It isn't big, but it's a good place.

We're here, Ayame-chan.

...

It's so obvious.

It was because I couldn't leave you with your delicate health in a place where the air was so bad.

...

and the mansion in Tokyo would be yours.

I mean, after Grandmother passed away, all you had to do was drive me out.

Now I won't be in your way, will I, Uncle?

and I can go to school for the meeting by myself.

so good-bye.

I'll greet the manager of the villa myself.

...Traitor.

I'll be all right on my own now.

so don't worry about it.

I'm also making an inspection.

...Since the company's plant is close by.

You didn't have to go out of your way to drive me here.

which I had gotten used to living in, by my uncle.

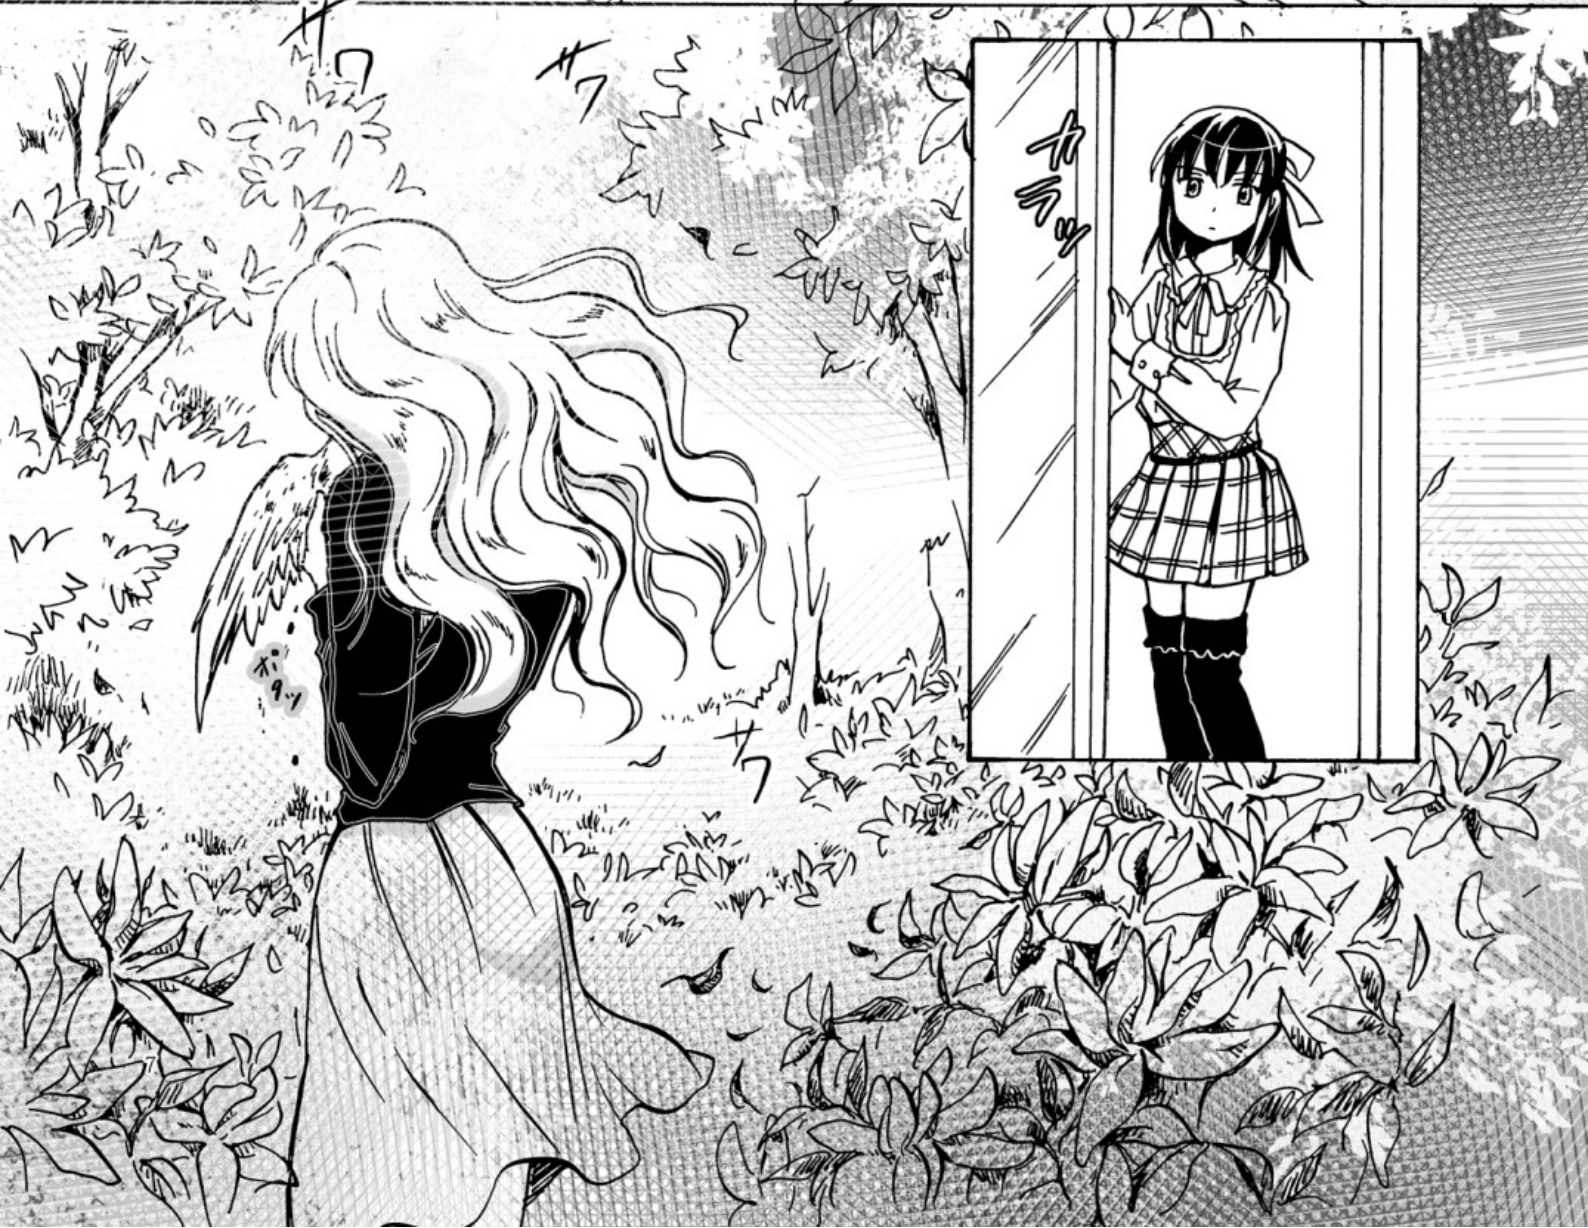

and I was tactfully driven out of the house in Tokyo,

After my parents died, my Grandmother, who had raised me, passed away,

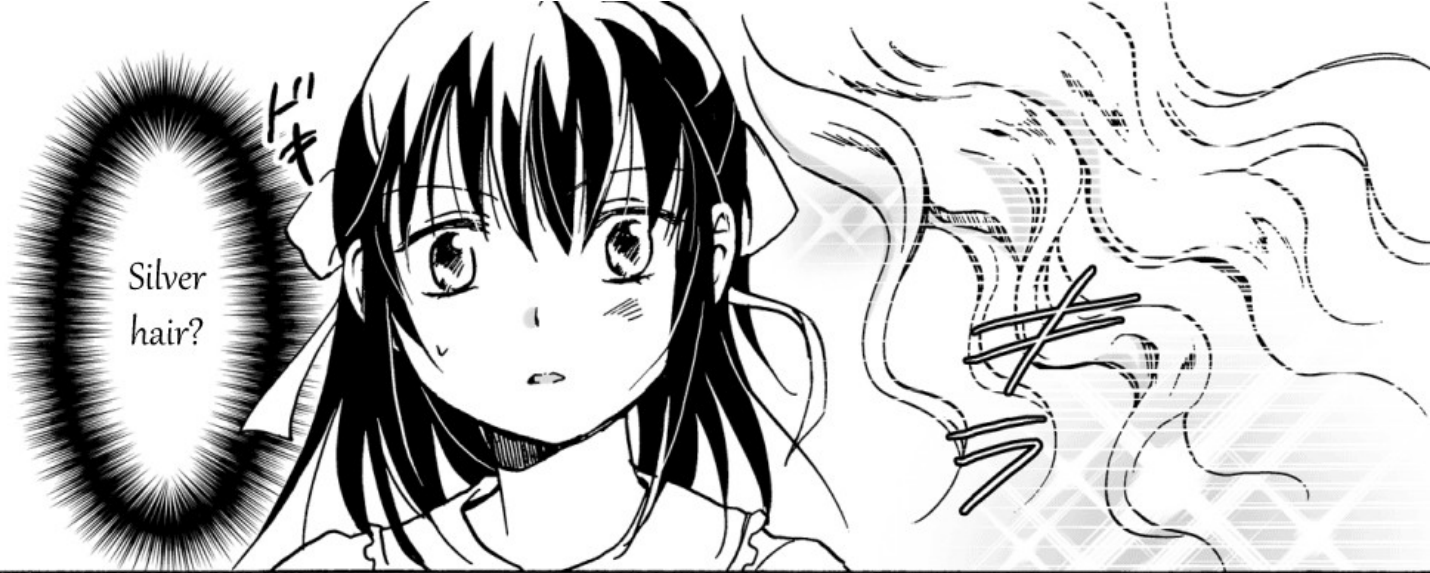

It was when I was little that my health was delicate. I'm completely fine now.

Silver  
hair?

What...?  
A bird...?

Red eyes...!

She's  
eating  
it...?

Shino...!?

My legs  
won't mo...

Shi...

no...

She  
isn't  
human.

Grand-  
mother...

so I leave  
everything  
around  
here up to  
my grand-  
daughter,  
Ginka.

I'm old  
already.

and my  
legs are  
bad.

I don't  
feel like  
having any-  
thing to do  
with any-  
one...

Even if they  
receive me  
this warmly,  
it's only  
troubling.

it's a  
girl's school,  
and the  
building is  
also very  
beautiful.

it's  
cute,  
isn't  
it?

Ayame-san,  
your new  
uniform is  
here!

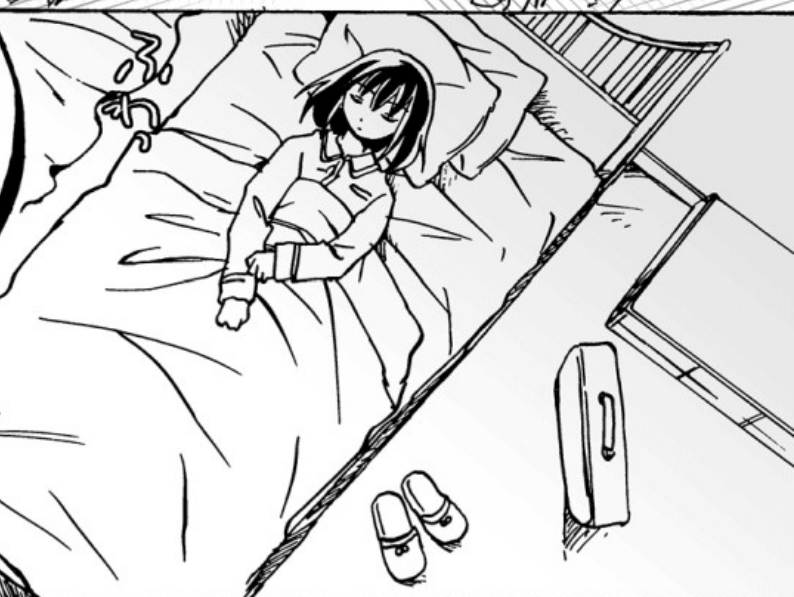

come from  
far away.

and the  
slightly  
muffled cries  
of animals

It's totally different  
from Tokyo.

Nights in  
the country  
are dark  
and quiet,

A little off  
my  
uncle's  
factory.  
into the  
distance,  
I can see

You  
left the  
window  
open.

Ayame-  
san...

You're  
Shino,  
right?

You  
must be  
Shino.

Silver  
hair...

My  
body  
won't  
move.

You came  
to meet  
me, didn't  
you?

Do you  
not remem-  
ber me?

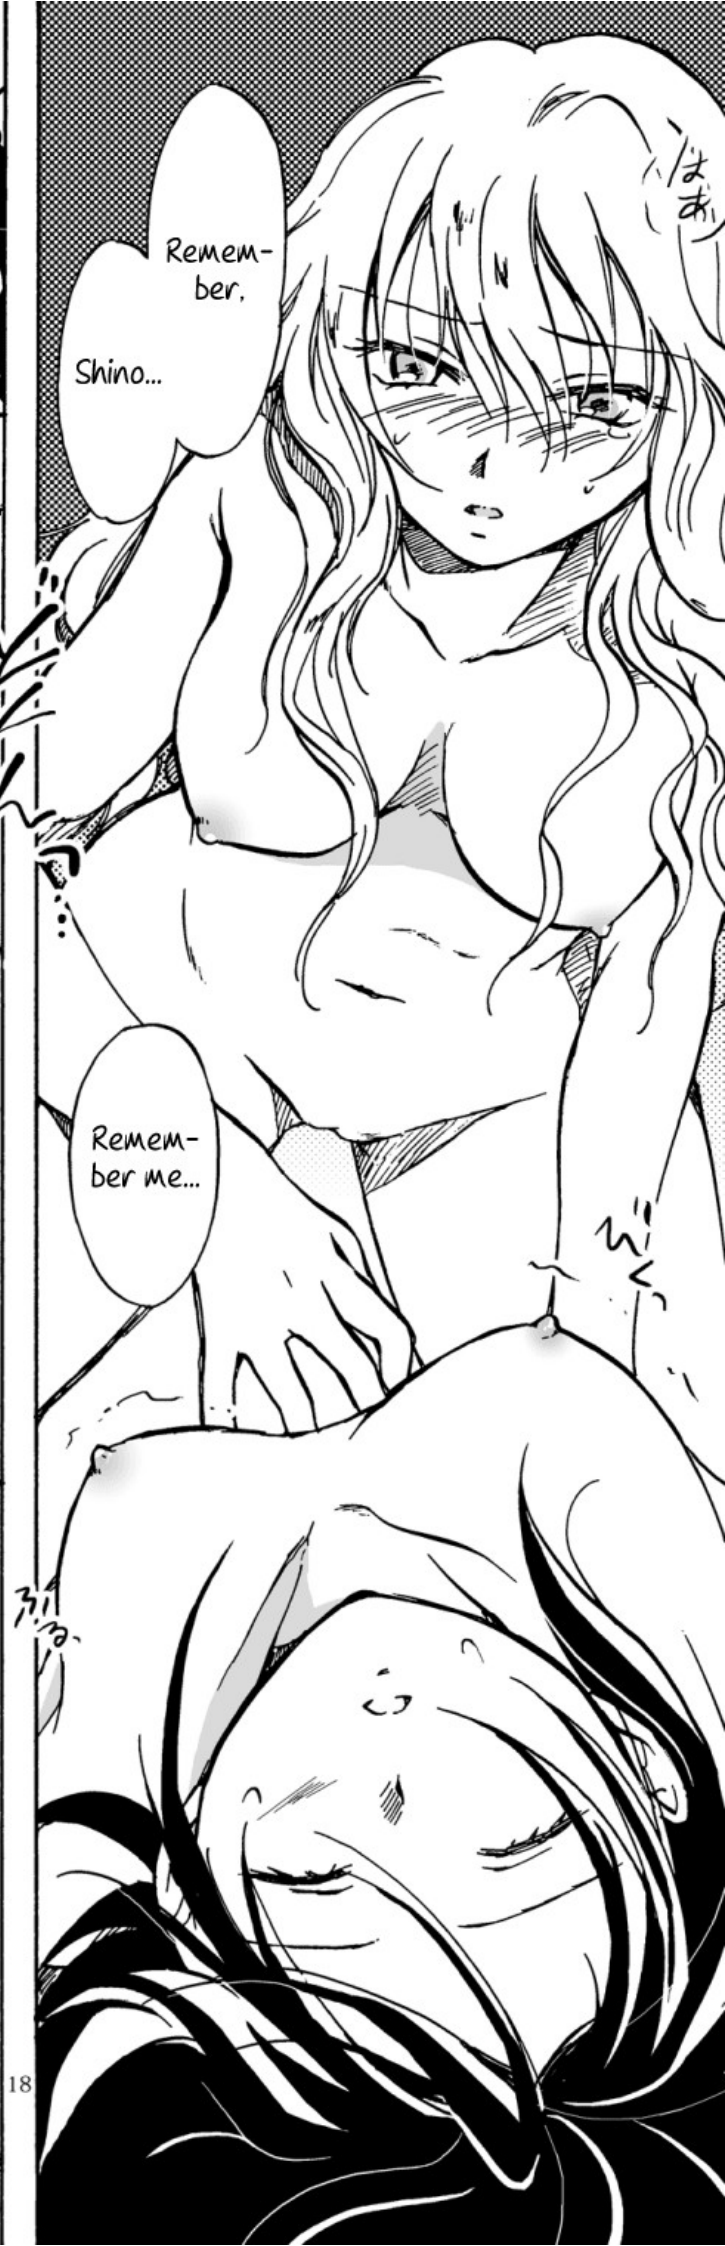

The way  
your body  
feels...

When  
you were  
reincar-  
nated,  
did you  
forget?

There's  
no mis-  
take.

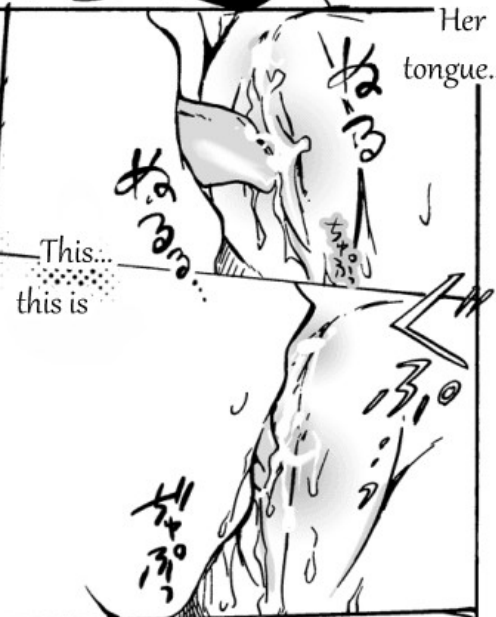

You're  
Shino.

Eh...

Her tongue...?

the first  
time I  
felt this,  
and  
it's...

It was  
Ginka.

Ginka.

It  
wasn't a  
dream.

What  
in the  
world  
is she  
saying?

Shino's  
reincar-  
nation?

DON'T  
PLAY  
DUMB.

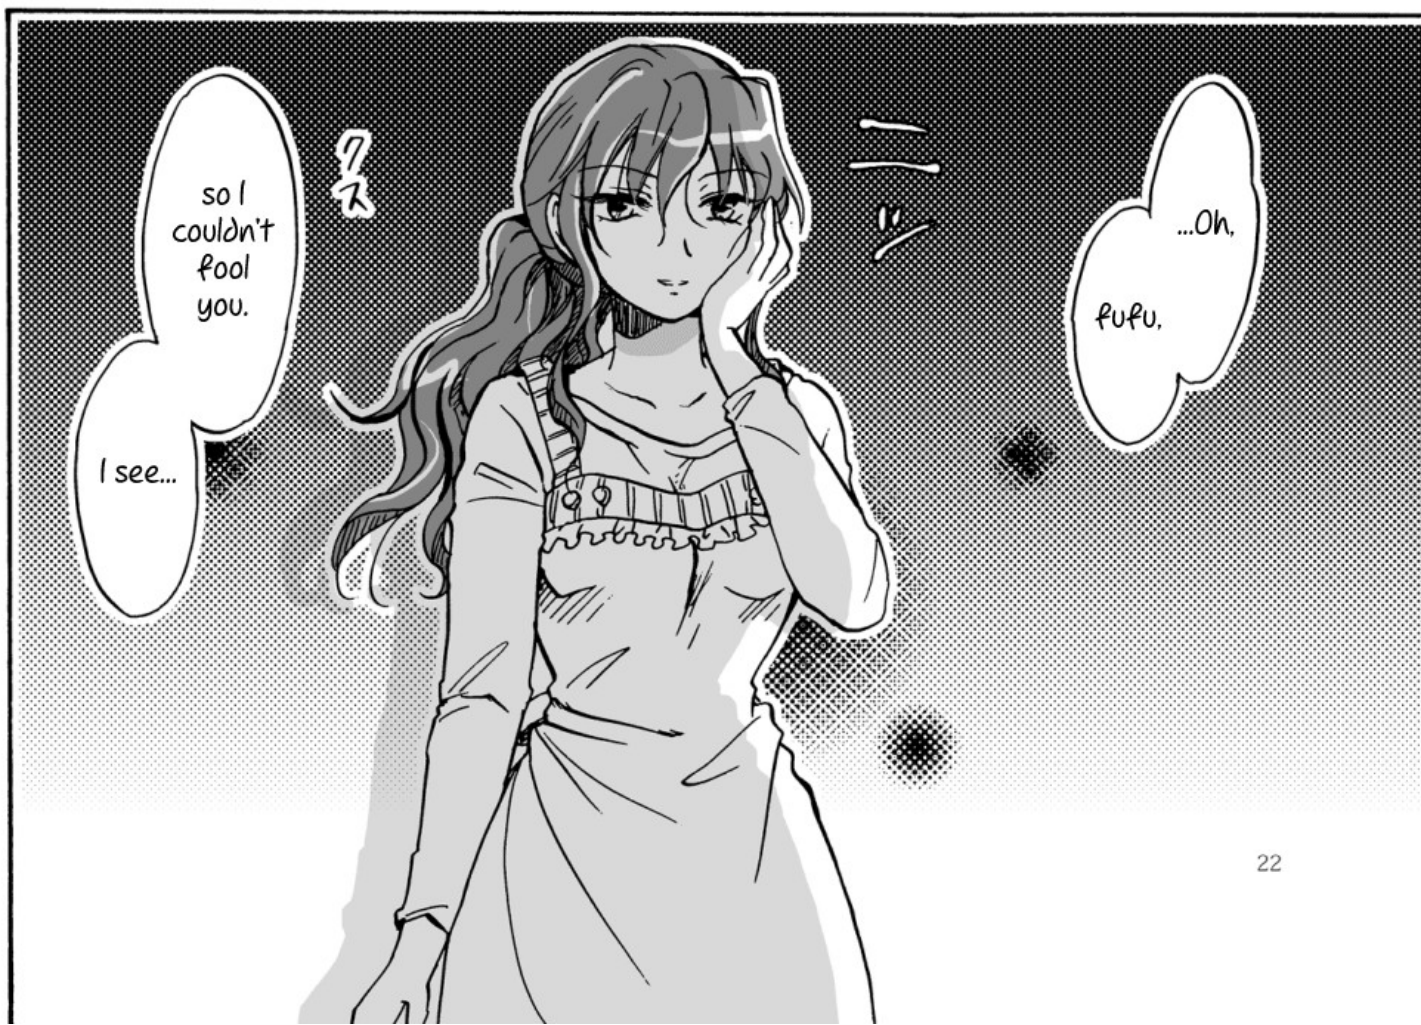

...What  
are you  
talking  
about?

YOU  
WERE  
EATING  
A WILD  
BIRD,  
WEREN'T  
YOU?

Y-YES-  
TERDAY,  
IN THE  
GARDEN,

WITH SILVER  
HAIR AND  
RED EYES...

so I  
couldn't  
fool  
you.  
  
I see...

...Oh,  
  
fufu.

that  
you have  
nowhere  
other  
than  
here  
to live.

it  
doesn't  
change  
the fact

Whoever  
I am,

...

DON'T  
BE  
RIDI-  
CU-  
LOUS.

...WHAT  
ARE  
YOU  
SAY—

You were  
driven out  
of the house  
you used to  
live in by  
your uncle,  
right?

Do you  
want  
coffee  
or black  
tea?

eat your  
break-  
fast.

Your school  
is a little  
far, so I will  
drive you  
there.

I've lived here for over a hundred years already.

The first time I entered it, there was

My grandfather built this villa in the village where he was born.

The people in the village used to call our family

'demons' in the past.

7000

...A beautiful one. a strange 'demon' who lived there.

...I will.

so if you ever have any trouble, do say so, Kisaragi-san.

We also know that your health is delicate,

for your school transfer.

Your uncle has sent all the documents

all of the girls in my class were also so kind it was almost creepy.

Yes,

The teachers seem nice too.

It's a good school isn't it, Ayame?

I'm sure Uncle asked them to be like that or something.

It feels like I'm being watched and it gives me the creeps...

That school

receives donations from the Kisaragi family.

from  
the tip  
of my  
tongue,

from  
the tips  
of my  
fingers,

I want  
to open  
them up.

Ayame.

no...

Ah...

Kuu,

from  
between  
my  
legs,

...Hih

Ah

I'm being  
violated  
like I'm  
drowning.

In the  
bedroom,  
Ginka

and  
her  
cold  
skin,  
along  
with her  
disarrayed  
breathing,

becomes  
hot.

Together  
with her  
white  
body, she  
looked  
like an ice  
sculpture,

In the dim  
light, she  
looked  
strangely  
beautiful.

showed  
her silver  
hair.

Shino was,

I don't dislike it.

It's pleasant.

my lover.

Though it wasn't like we ever said it clearly with words...

when I was still a girl,

We were always together,

and in the mountains, we gathered things like fruits, nuts,

and wild-flowers.

we warmed each-other.

When we felt cold or lonely,

How come?

when she  
found  
out what  
I really  
was.

I can't  
forget the  
look she  
had on  
her face

I lied and  
said I came  
from a  
neighboring  
village.

Did  
that  
girl

know  
about  
you?

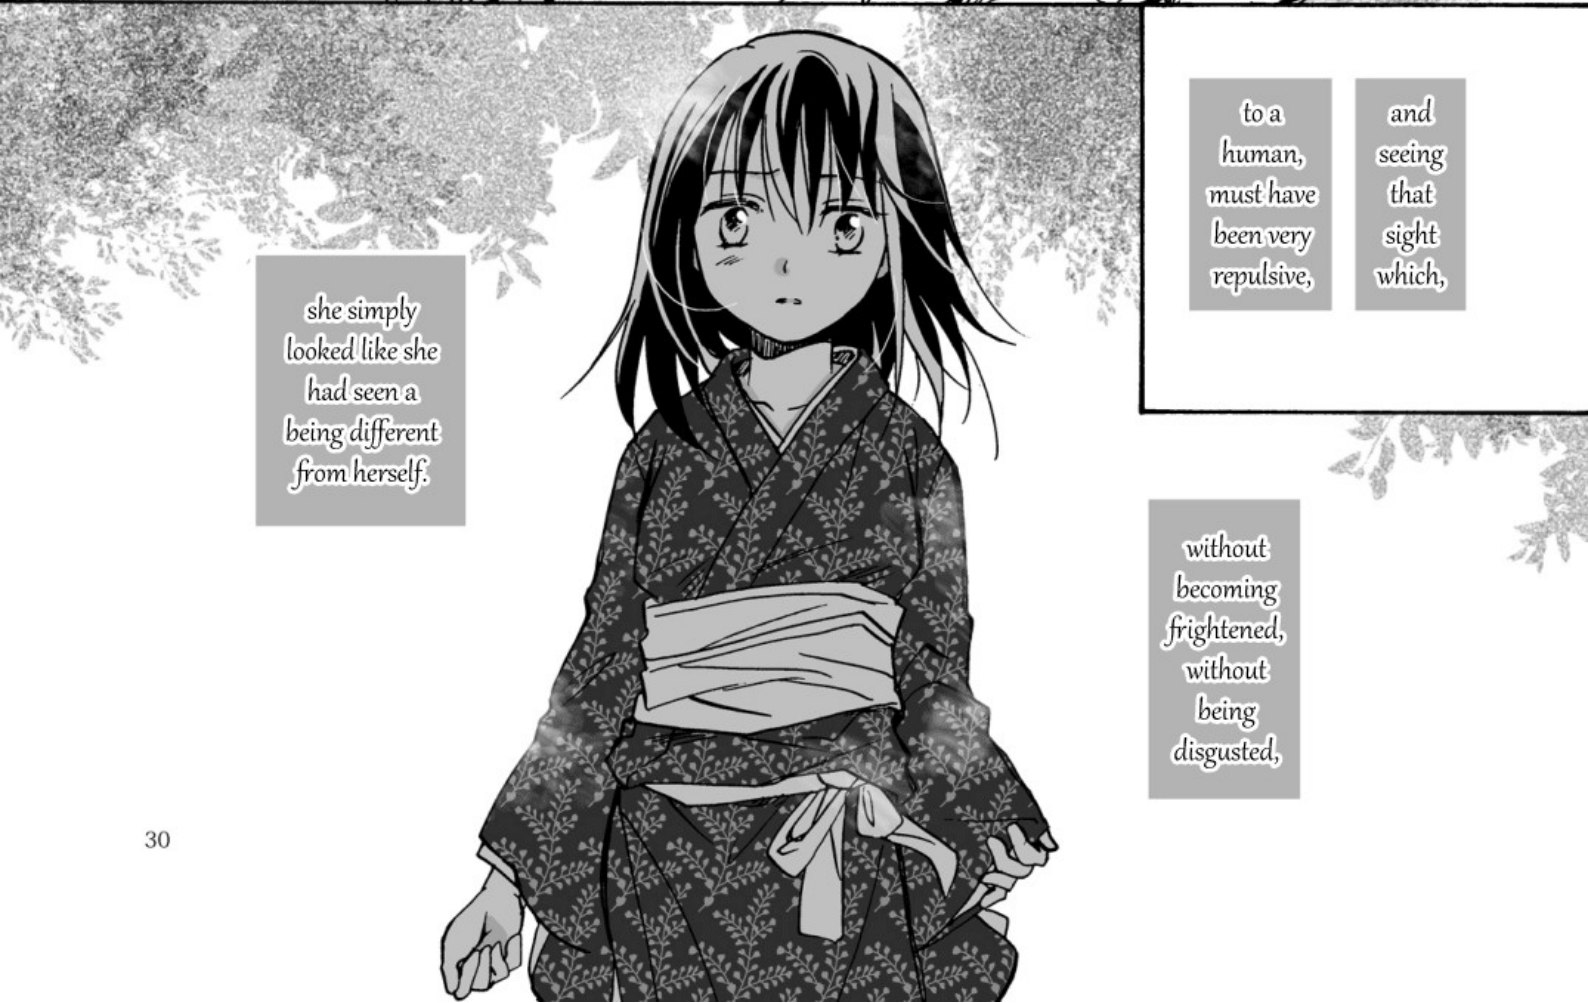

...I kept  
quiet  
about it.

along  
with their  
lives—  
without  
cooking  
them,

there is  
a need  
for us to  
take in  
animals—

Although  
we don't  
have to do  
it frequ-  
ently,

she simply  
looked like she  
had seen a  
being different  
from herself.

to a  
human,  
must have  
been very  
repulsive,

and  
seeing  
that  
sight  
which,

without  
becoming  
frightened,  
without  
being  
disgusted,

If she loved her that much, she should have told her the truth from the start.

Ginka got what she deserved.

shortly after, she got married in a far-away village.

She stopped coming to see me, and

were the real thing.

I thought that Ginka's regret and loneliness

Regardless of what you wanted,

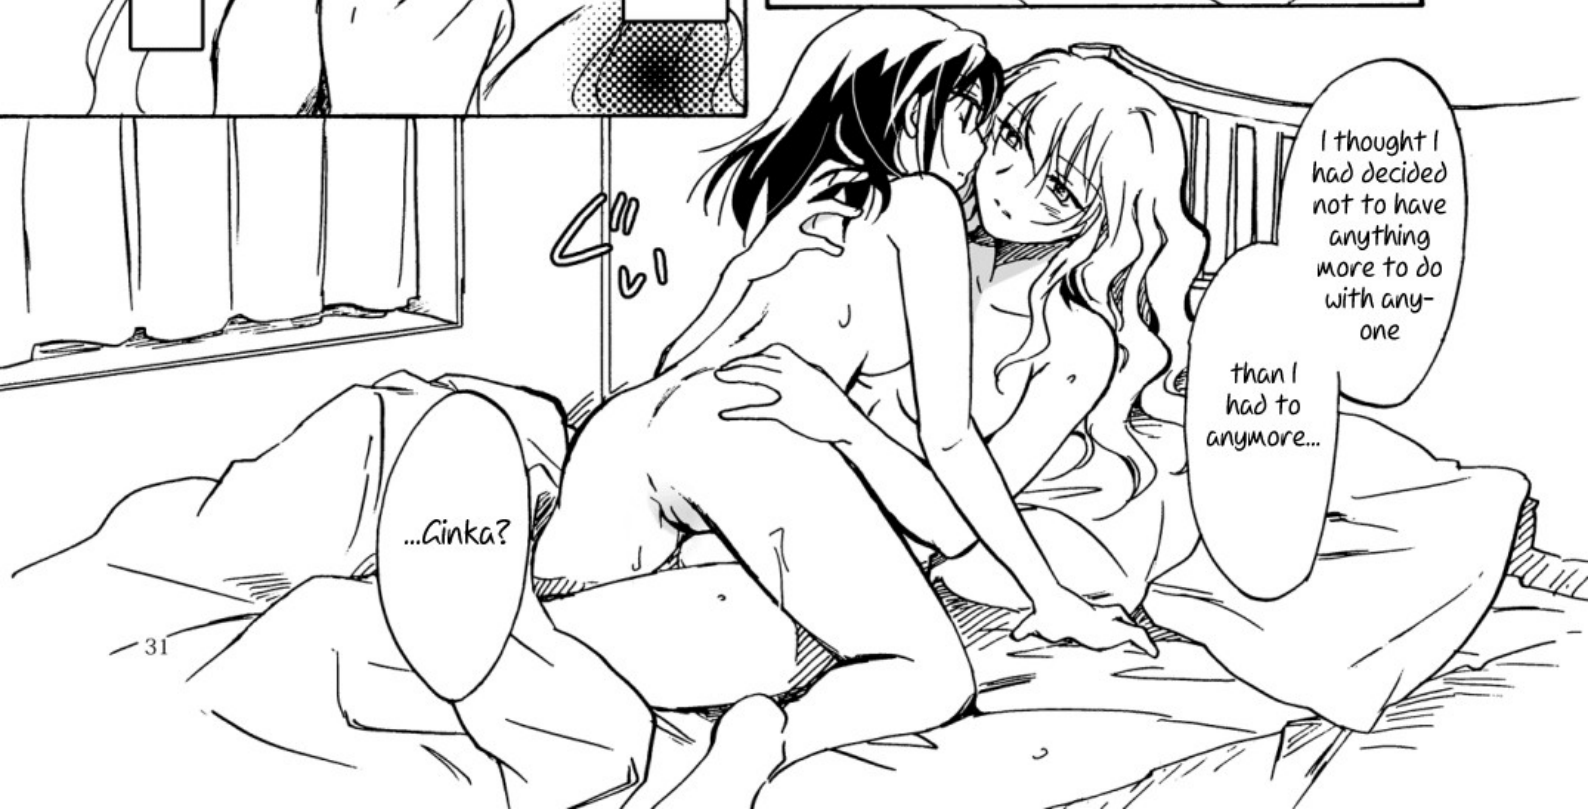

you might not have been able to do anything...

There's no need for me to go out of my way to comfort her.

...But,

...Back then,

things like marriages were more strict than they are now, right?

...Ginka?

I thought I had decided not to have anything more to do with anyone

than I had to anymore...

and had come to meet me...

I thought Shino had been reincarnated

Because you are so much like her,

remember anything after all, do you?

...You don't

But there's no way I could know if that is true.

What...?

Relax.

Aya-me...

No...

so it might just be that Shino and I are related.

Ah

My grandfather came from an old family of this village,

might be that I really am Shino's reincarnation.

The reason Ginka's body makes me feel at peace

Ginka is only using me to make up for

While calling me Ayame,

the one Ginka is calling is Shino.

the loneliness she felt for so long.

I heard that you had been missing school, so I came to see how you were doing...

Uncle?

...What did you come here for.

At that time, I got the feeling that,

ぴん

for a moment,

in Ginka's eyes,

a strange light flickered.

and if my uncle, who had been with them, had taken them to a good hospital right away,

they would have been saved.

caught a local disease while they were working in a foreign country,

My parents

That he let them die.

were saying that behind his back.

All of the people who worked in the house and the people in the company

Even a child could hear them.

...

I can do anything.

...If it's for you,

That isn't true.

and still, that frightened me.

I love you, Ayame.

I remembered that Ginka wasn't human,

Her cold eyes made me feel a chill.

Once again,

Far  
away,  
there  
was

an  
omi-  
nous  
sound

My  
back

felt like  
it was  
being  
frozen...

A huge  
fire that  
was al-  
most  
comical.

You should just take away various things from him like this.

When I turned back,

Your uncle's company isn't doing very well, is it?

Oh, was I wrong?

He'll have to part with the house in Tokyo too, won't he?

...Gin-ka.

what was that...

Ginka was smiling.

Here, with this, you'll get what you want.

There's no way you would talk about your life on your own.

You provoked me on purpose

because you wanted me to do something like this. Isn't that right?

...Bad girl.

Sto...p it...

In that case, I

should just use Ainka.

Wai...

I don't mind.

Thank you very much for reading.

Most of the things I'd done recently were light comedies, so when I tried drawing something serious again, it was very embarrassing...

"Ero but with a focus on story, longish, Japanese style, kind of like a romance, and OneLoli!"

This manga I drew with an idea like that became, in the end, just a syrupy sweet LoveEro that looked like it was serious.

Also, for some reason, when I draw Oneesan x Loli girl, the younger one becomes kind of an S.

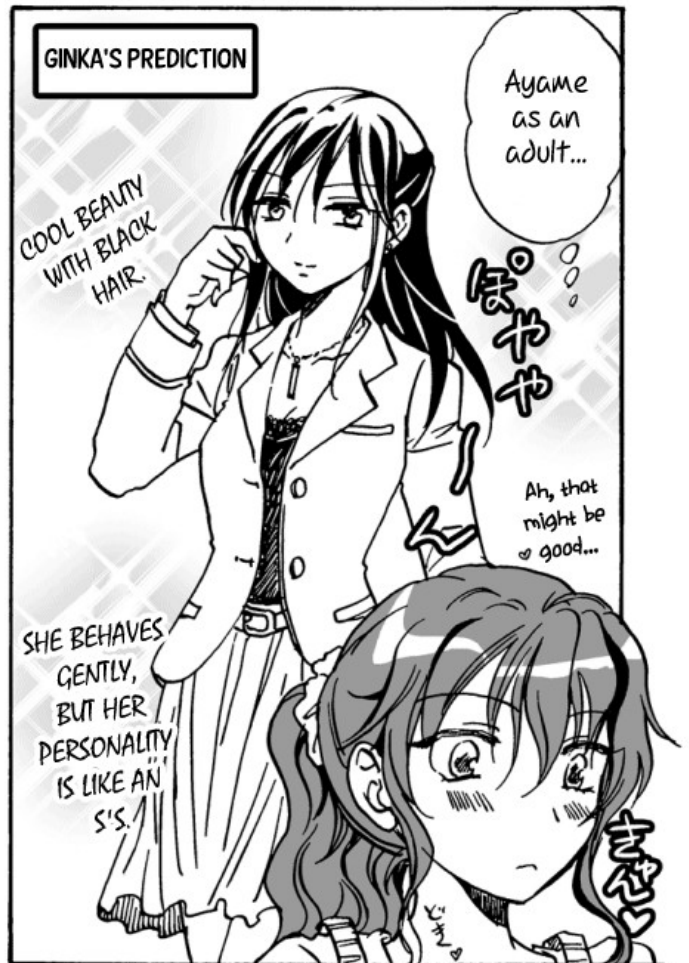

When I didn't have time (it was my fault for increasing the number of pages too much), I drew just with momentum and not having been able to refine the story a little more is something I regret but it would be great if you enjoyed it even a little.
